# Rule 200: Filed Underwriting Rules

### A. The Insurer's rules for declining to issue, terminating or refusing to renew a contract are:

1. The risk does not meet the object of the Facility Association which is to ensure the availability of automobile insurance, as required by law, in those provinces and territories of Canada in which the Association operates, to the owners and licensed drivers of motor vehicles who would otherwise have difficulty obtaining such insurance.

2. The Named Insured does not have an insurable interest in the vehicle.

3. The vehicle is registered in a jurisdiction other than one in which the application for coverage is being completed or the vehicle is not operated at any time in a jurisdiction in which the Association operates. If the vehicle is registered in another jurisdiction in which Facility Association operates, the vehicle may be insured through an Agent/Broker and Servicing Carrier licensed in that jurisdiction.

   Exception: See Rule 200:C. Non-Residents and Vehicles Not Registered in Jurisdiction.

4. The driver of the vehicle does not hold a valid operator's licence, based on the class of vehicle insured.

5. The application is incomplete, or has not been signed by the Named Insured, or the risk has not been bound by the Agent/Broker.

6. Failure or refusal to supply underwriting information as identified under Rule 200.D: Supplementary Underwriting Information, necessary to underwrite the risk, or underwriting information is incomplete, or underwriting information received is outside the 'oldest report date permitted', or where indicated, information is not issued by the Federal or Provincial Authority of he jurisdiction of registration.

7. The vehicle is not in the possession of the Named Insured (i.e. has been stolen or cannot be located). This restriction is not intended to be used as a denial of a valid theft claim.

8. Non-payment of premium for the current policy period (for purposes of termination only).

9. Any risk where abusive or threatening behaviour of the Insured/Applicant/Driver within the previous 3 years has created a safety concern for Facility Association staff, Servicing Carrier staff or a representative acting on behalf of either and circumstances have been reported to police.

**NOTE:** Certain Endorsements require a signature. Where no signature is obtained, the policy may be:

a) Cancelled in accordance with the Statutory Conditions;
b) Issued without the endorsement;
c) Removed and policy re-rated accordingly.

See Rule 213: Endorsement (Policy Change) Forms and Wordings

### B. Rules for refusing to provide or continue a coverage are:

1. Where a Named Insured or any person who is a regular or frequent operator of the vehicle, has, within the immediately preceding thirty six months:

   a) When making a previous application for automobile insurance, given false particulars of an automobile to be insured to the prejudice of the Insurer;
   **or**
   b) Knowingly misrepresented* or failed to disclose in an application any fact required to be stated therein;

   * Misrepresentation means an a Named Insured has either had a policy cancelled by registered letter for material misrepresentation or has had a claim denied for material misrepresentation.
   **or**
   c) Has contravened a term of an insurance contract or been convicted of fraud in relation thereto;
   **or**
   d) Wilfully made a false statement in respect of a claim.

   Will be subject to the following coverage limitations:
   i. Maximum $1 million Third Party Liability (Bodily Injury and Property Damage) limit
   ii. Optional physical damage coverage shall not be provided;
   iii. Completion of U.S. Filings shall not be provided.

2. Optional physical damage coverage shall not be provided where an application for a branded vehicle (salvage or rebuilt) is submitted without a valid vehicle registration and, at the Servicing Carrier's discretion, a current safety certificate.

NOTE: No policy will be written for vehicles branded 'irreparable'.

3. Where a vehicle is licensed for road use and is used on roads as well as used for race or speed tests, optional physical damage coverage shall not be provided. For DCPD coverage, establish rate group according to Rule 211 Vehicle Rating Group.

### C. Non-Residents and Vehicles Not Registered in Jurisdiction

These vehicles may be operated for 60 days, at which point they must be registered and plated in Ontario. A policy of insurance may be required to cover the vehicle during this period. If necessary, FA will issue a short term policy for a period not exceeding 60 days to cover the insurance requirement. Upon expiry, the policy will lapse and will not be renewed. If the vehicle is registered in Ontario prior to the expiry of the short term policy, the short term policy will be cancelled pro rata and a new POL 1 will be issued for a 6 or 12 month term.

### D. Supplementary Underwriting Documents

# Rule 201: Coverages Available and Minimum Deductibles

## A. Liability

Not more than $2,000,000 except:

- When required by Canadian or American federal or provincial statute, by regulation issued under authority thereof, or by municipal by-laws (but not by other local authorities such as school boards). The Liability limit may not exceed the amount required.

- Where the Named Insured is required to have limits higher than $2,000,000 but not exceeding $5,000,000 in order to obtain a contract of work or obtain employment and where failure to do so will result in loss of the contract or employment. The Insured will be required to provide documentation of the contract requirements or employment requirements for limits no higher than $5,000,000. This documentation is required at the time the higher limit is requested but not for subsequent renewal terms.

The Servicing Carrier reserves the right to decline the application of a liability limit over $2 million.

NOTE: At no time may the limit shown on any proof of insurance exceed those required by the authority concerned.

For Example: If the Liability limit chosen by the Named Insured is $1,000,000 and proof of insurance is required for $500,000. The policy will be issued at $1,000,000 but the proof of insurance shall only show $500,000.

The policy states that an automobile and trailer are held to be one vehicle. A trailer and any attached vehicle must be insured for the same Liability limit.

If it is necessary to provide a Liability limit that falls between two limits for which premiums or limit factors are indicated in this manual, the premium or limit factor applicable to the higher of those two limits shall be used.

Where it is **required and permissible** to provide a higher Liability limit and the manual does not provide the necessary increased limit factor, contact your Servicing Carrier.

## B. Accident Benefits

As prescribed by statute. Optional increased benefits are also available.

## C. Uninsured Automobile

As provided in the policy.

## D. Direct Compensation – Property Damage

Deductibles are available.

## E. Optional Physical Damage Coverage and Deductibles

All Perils coverage is no longer available.

No optional physical damage coverage shall be provided or offered for commercial vehicles valued at $1,000,000 or more.

Optional physical damage coverage shall not be provided for off-road commercial vehicles e.g. logging trucks used solely in the bush.

The policy states that a motor vehicle and one or more trailers are separate automobiles; consequently, different deductibles for trailers and towing vehicles are permitted.

### a) Minimum Deductibles for Light Commercial Vehicles (Gross Vehicle Weight Up To 4,500 kg)

The deductibles are to be no less than:

| Rate Groups | Minimum Deductible |
|---|---|
| 15 and under | $500 |
| 16 – 18 | $1,000 |
| 19 – 21 | $2,500 |
| 22 and over | 5% of List Price New rounded to the nearest $250 (minimum deductible $2,500, maximum deductible $5,000). |
| END 40 | END 40 is mandatory on any vehicles with prior fire claims within the past 60 months |

### b) Minimum Deductibles for Heavy Commercial Vehicles (Gross Vehicle Weight Over 4,500kg)

The following deductibles are based on Vehicle List Price New, including the cost of any customizations and attached equipment. Deductibles are to be rounded to the nearest $250 and are to be no less than:

| List Price New | Minimum Deductible |
|---|---|
| Vehicle Make and Model listed in Commercial Rate Group Table I | 5% of List Price New rounded to the nearest $250 (minimum deductible $2,500, maximum deductible $5,000). |
| <$50,001 | $2,500 |
| $50,001-$65,000 | $3,500 |
| $65,001 - $80,000 | $4,000 |
| $80,001 - $100,000 | $5,000 |
| $100,001 and Over | 5% of List Price New rounded to the nearest $250 (minimum deductible $5,000, ,maximum $50,000) |

| | |
|---|---|
| END 40 | END 40 is mandatory on all Heavy Commercial Vehicles with Physical Damage Coverage |

*Example*: If list price new of Class 42 Sand & Gravel truck is $122,000 5% is $6,100. The deductible shall be $6,000 and the rating factor for $2,500 or more applies.

### c) Minimum Deductibles based on Prior Loss Experience

For risks with claims, refer to the chart below. Where a risk is eligible for one deductible based on rate group and another based on claims, the higher deductible applies.

| Number of Automobile Insurance claims under each coverage (All Perils, Collision, Comprehensive, Specified Perils) | | | Deductible amount applicable to the coverage under which the claims were made* |
|---|---|---|---|
| In prior 12 months | In prior 36 months | In prior 60 months (fire and/or total theft) | |
| 3 | - | 2 | $5,000 |
| - | 3 | - | $2,500 |
| - | 4 | - | 5% of List Price New rounded to the nearest $500 (minimum deductible $5,000). |
| - | 5 or more | - | No coverage offered |
| - | - | 3 or more | No coverage offered |

*Claims that have occurred under All Perils coverage shall be assigned to the appropriate section of the coverage i.e. Collision or Comprehensive.

Any higher minimum deductibles provided for in this manual shall override these amounts.

Higher deductibles shall only be imposed when there have been a sufficient number of claims under any given coverage to warrant such application.

*For example*, one Collision loss and three Comprehensive losses in the previous 12 months shall result in the application of a $5,000 deductible on Comprehensive only. Only if the Insured has sustained three Collision losses as well, would $5,000 deductible be applied to the Collision coverage.

### d) Vehicles Insured for Comprehensive or Specified Perils Coverage Only

If Statutory coverages (Liability, Accident Benefits, DCPD, Uninsured Automobile) are removed or suspended by way of END 16 twice in one year, subsequent requests will not be permitted until the following renewal. It is not necessary to remove the license plate from the vehicle while coverage is removed or suspended.

If Statutory coverages are not added to the vehicle by the renewal date, the vehicle shall be renewed once with Comprehensive or Specified Perils Coverages only, then lapsed at the next renewal if there is no other vehicle with Statutory coverage on the policy.

Vehicles insured for Comprehensive/Specified Perils only shall not be written as new business.

## F. Family Protection Coverage (END 44R)

For a brief description, refer to Rule 243: Endorsements Applicable to POL 1 (Owner's Policy). The premium varies with the Liability limit applicable to the vehicle. The coverage limit provided by this endorsement is the same as the Liability limit applicable to the vehicle.

*For example:* If the vehicle is insured with a Liability limit of $2,000,000 the END 44R will also have a limit of $2,000,000. END 44R is not available for vehicles that are subject to the Public Section of this manual.

## G: Minimum Coverage

Individually rated commercial policies are required to provide at least the statutory minimum coverage applicable to the jurisdiction in which the vehicle is registered except when an automobile is temporarily out of use and in storage.

Coverage other than Comprehensive or Specified Perils may be suspended by means of END 16 for those vehicles that are temporarily laid up. This endorsement does not suspend coverages that relate to 'driving other vehicles'.

The endorsement may be used in respect of most private passenger and commercial-type vehicles. In no event shall a refund be granted for any suspension period of less than forty-five (45) consecutive days.

Suspended coverages are reinstated by means of END 17.

**Note:** END 44R may remain on a policy only where 'moving' coverages have been suspended by means of END 16. END 16/17 is not available on experience rated risks.

For Light Commercial vehicles only, in the case of an existing policy that includes Comprehensive or Specified Perils coverage, coverages other than Comprehensive or Specified Perils may be deleted for a maximum of 90 consecutive days.

*Refer to Rule 201.E.d: Vehicles Insured for Comprehensive or Specified Perils Coverage Only, for conditions.*

**Note:** If all coverages except Comprehensive or Specified Perils are deleted entirely, END 44R must be deleted as well.

Statutory Minimum coverage is to be maintained at all times on policies where the following conditions exist:

- Vehicles for which proof of insurance is issued or filed.
- Recreational vehicles to which the Recreational Section applies.
- Vehicles that were never intended to be driven (e.g. vehicles in a collection).
- Vehicles held for sale whether or not on an auto dealer's lot
- Experience rated risks.

### Definitions:

**Temporarily: –** May be defined as 'a limited time only, as distinguished from that which is perpetual or indefinite in duration'. There is an anticipated end point to the vehicle being out of use. Agent/Broker must indicate on the application or policy change request what the anticipated end date is, whether that is 3, 8 or 36 months from the date of the request.

**Out of use: –** The vehicle will not be driven either by the Insured or by garage personnel or potential purchasers.

**In storage: –** The vehicle is not readily available for use e.g. the plates have been removed, the battery has been removed etc. The Agent/Broker must confirm on the application or policy change request that the vehicle is out of use and in storage.

## Rule 202: Optional Accident Benefits

The Insured may choose to enhance the basic benefits provided by POL 1 by choosing one or more of the following Optional Accident Benefits coverages. Refer to the Statutory Accident Benefits Schedule to ascertain the full provisions and restrictions.

### A. Optional Benefits

**Optional Income Replacement Benefit**
Increases the maximum weekly amount of $400 to $600, $800 or $1,000, as selected by the named Insured under the policy.

**Optional Caregiver, Housekeeping and Home Maintenance Benefit**
For non-catastrophic injuries, provides benefit of caregiver up to $250/week for the first dependant and $50/week for each additional dependant. Also provides a housekeeping and home maintenance benefit of up to $100/week.

**Optional Medical, Rehabilitation and Attendant Care Benefit**
Combined optional medical, rehabilitation and attendant care benefit of $130,000 is available. Also available is an optional $1,000,000 combined medical, rehabilitation and attendant care benefit.

**Optional Benefit for Catastrophic Impairment**
Optional benefit for catastrophic impairment of up to $1,000,000 for medical, rehabilitation and attendant care is available if the insured person sustains a catastrophic impairment.

**Optional Dependant Care Benefit**
Provides a dependant care benefit of $75/week for the first dependant plus $25/week for each additional dependant to a maximum of $150/week.

**Optional Death and Funeral Benefit**
Increases the amount payable to a deceased person's surviving spouse to $50,000 and also $20,000 to each of the deceased person's surviving dependants. Also increases the maximum amount for funeral expenses to $8,000.

**Optional Indexation Benefit**
Indexes the income replacement, non-earner benefits and all benefit limits to the cost of living. Optional benefits may also be indexed.

### B. Premium Calculation

The Optional Benefits are purchased on a per policy basis, meaning that the premium for the option chosen is only calculated for one vehicle on the policy and applies to all vehicles on the policy. The vehicle used to calculate the premium is the one that produces the highest basic Accident Benefits premium taking into account all surcharges. See special instructions for fleets. The premium for each selected Optional Benefit must be shown separately on the application. Optional Benefits added to a policy midterm are treated like any other policy change. The additional premium shall be calculated pro rata for the remainder of the term.

1. Determine the Accident Benefits premium for basic benefits from the rate pages.

2. Apply the appropriate accident and conviction surcharges and round to the nearest whole dollar.

3. Add the premium for the selected Optional Benefits.

4. If Optional Indexation Benefit is selected, multiply the premium calculated in Step 3 above (excluding Optional Death and Funeral Benefit) by the indexation factor and round to the nearest whole dollar.

### C. Fleets

Only Optional Death and Funeral Benefit is available on fleets.

The premium for Optional Death and Funeral Benefit is the Optional Death and Funeral Benefit premium for the appropriate vehicle type e.g. private passenger, commercial, public etc.

If the Insured wishes to purchase other Optional Benefits on a fleet vehicle supplied for his/her personal use, that vehicle

must be removed from the fleet policy and insured on a separate POL 1.

### D. Rating Example

NOTE: Rates shown are for illustrative purposes only and do not necessarily reflect actual premiums.

There are 2 vehicles on an annual policy not part of a fleet with an effective date of November 1, 2010. Applicant is principal operator of Vehicle 1 rated 36/2 with a 50% surcharge. Driver 2 is principal operator of Vehicle 2 and rated 36/0. The Insured would like Optional Income Replacement Benefit ($1,000), Optional Death and Funeral Benefit and Optional Indexation Benefit added effective May 1, 2011.

1. Find the Accident Benefit premium from the rate pages.

| | | |
|---|---|---|
| Vehicle 1 | = | $972 |
| Vehicle 2 | = | $1,842 |

2. Apply any surcharges.

| | | |
|---|---|---|
| Vehicle 1 | = | 972 x 1.5 = $1,458 |
| Vehicle 2 | = | $1,842 |

3. Choose the higher premium - $1,842

4. Determine the appropriate Optional Benefits premium in the appropriate section of the manual.

| | |
|---|---|
| Income Replacement | $631 (commercial) |
| Death and Funeral | $12 (commercial) |

5. To determine Optional Indexation Benefit, multiply the total of the basic Accident Benefits premium plus the premium for Income Replacement by the factor for Indexation taken from the commercial rate pages and round to the nearest dollar.

| | | |
|---|---|---|
| $1,842 + $631 | = | $2,473 |
| Indexation = $2,473 x .330 | = | $816 |

6. Apply the pro rata factor to calculate additional premium for the period May 1 to November 1.

| | |
|---|---|
| Income Replacement | $631 |
| + Death & Funeral | $12 |
| + Indexation of Basic & Income Repl | $816 |
| Total | $1,459 |
| Pro rated at .50 | $730 |

# Rule 203: Binding Coverage – New Policies

### A. Requirements/Procedures for Binding New Policies

1) The Agent/Broker must have a fully completed application signed by the Named Insured(s) of the vehicle(s) detailing all information on the risk. Supplementary questionnaires, if required, must be completed and signed by the Named Insured(s). If the Servicing Carrier is required to have a driver's permission to obtain a driver record abstract, that written authorization must accompany the application.

Refer to Rule 204: New Policies for additional Information as to who may enter into a contract of Insurance.

2) Before binding coverage the Agent/Broker must either:
   a. Collect or assume responsibility for the full indicated premium (experience rated risks at Driving Record 0)
   **or**
   b. Obtain a fully completed premium finance contract together with the full down payment required and promptly send that contract to the finance company office.

3) The insurance shall take effect as of the time and date the coverage is bound. Under no circumstances may coverage be shown as effective prior to the date and time of completion of the application form. Therefore coverage may not be bound as of 12:01 a.m. on the date the application is signed. However, except when the binding time is 12:01 a.m. of a future date, the policy shall be shown as effective at 12:01 a.m. on the day following the date coverage was bound. The premium rates to be applied are those in effect on the binding date.

*For example:*

a) Coverage is bound at 1:00 p.m. on June 1. The application is signed on June 1. The policy will be issued showing an effective date of 12:01 a.m. June 2. However, the coverage is in effect as of 1:00 p.m. on June 1.

b) Coverage is bound as of 12:01 a.m. June 1. The application was signed on May 29. The policy will be issued showing an effective date of 12:01 a.m. June 1.

4) If the application form cannot be sent to the Servicing Carrier on the date on which coverage was effected, it must be sent the next working day.

5) The Servicing Carrier shall normally issue the policy within 30 days of the effective date. If the Agent/ Broker does not receive the policy and the full term liability card within that time, a further temporary liability card must be issued by the Agent/Broker and the Servicing Carrier must be contacted immediately to determine the status of the policy.

6) Before optional physical damage coverage can be bound on a vehicle branded as 'salvage' or 'rebuilt', a valid vehicle registration and, at the Servicing Carrier's discretion, a current safety certificate must be provided to the Servicing Carrier with the application.

### B. Term of Binding New Policies

The term of binding and of the temporary liability card is 30 days. The temporary liability card may not be amended to indicate a longer period. If a short term policy is to be issued, the temporary liability card shall be amended to indicate a shorter period.

## Rule 204: New Policies

### A. Name of the Insured and Who may Apply for Insurance

The contract of Insurance may be in the name of:
a) An Individual; OR
b) Partnership (unincorporated); OR
c) Limited Liability Company (incorporated).

Insurance contracts must be made with individuals who have the capacity to enter into a contract and have the authority to enter into a contract on behalf of a Partnership, Joint Venture or Limited Liability Company. Upon the Servicing Carriers request, Articles of Incorporation will be required to confirm insurable interest.

The Name of Insured must reflect the full name, including all "operating as" and/or "Trade" names of the individual or the business as registered with the appropriate municipal, provincial or federal authority and must be the same as the name on the vehicle registration.

**Two or More Names as Named Insured:**

Where an application is received for vehicle(s) registered in two or more individual names or a Partnership, the application must be signed by all parties. In the event the policy is to be cancelled at the Insured's request, all parties are required to sign the request for cancellation.

Where an application is received for vehicle(s) registered in two or more limited liability companies, separate polices may be required. Copies of the Articles of Incorporation for all registered entities must be reviewed by the Servicing Carrier to establish common ownership.

The Servicing Carrier reserves the right to require separate applications for polices where common ownership cannot be established.

Two or more limited liability companies linked by common management will require separate polices if rated individually. Refer to Rule 239: Fleets, if policy is fleet rated.

Separate policies may not be required if the policy insures a combination of owned and leased vehicles. Refer to Rule 237: Long Term Leases-Specified Lessees - Leases Exceeding 30 Days.

Where it is discovered in the middle of the policy term, that a single policy has been issued with two (or more) unrelated individuals or limited liability entities, both signatures shall be required on any subsequent request for cancellation of the policy or deletion of a vehicle or coverage. Separate policies must be issued at the time of next renewal.

### B. Application Form

Every application for insurance must be made on the current approved Standard Application Form and must be fully completed and signed by both the Named Insured(s) and Agent/Broker where required. See also Rule 204:E. Computer Generated Application Forms.

Commercial, garage, public, experience rated and some specially rated risks will require completion of supplementary questionnaires.

A copy of the valid registration for all owned vehicles being insured, regardless of vehicle type or use, will be required with the application.

Refer to Rule 200.D for a list of Supplementary Underwriting documents that may be required when binding a new risk.

### C. Owners Policy (APP 1)

A current approved Standard Application Form (APP 1) is required. The Agent/Broker must indicate the time and date that coverage is bound.

### D. Faxed Applications

Fully completed and signed current approved Standard Application Forms submitted by fax are acceptable in lieu of original applications. Where required, these applications must be accompanied by the appropriate questionnaires or supplements. Where the original application has been submitted without signature, a signed and faxed copy of the application is acceptable to complete the signature requirement.

### E. Computer Generated Application Forms

These application forms are acceptable but must be in the standard format approved by the applicable regulatory authority and must include all information that is required to be provided on the current approved Standard Application Form.

The computerized application must be signed and dated by the Named Insured(s) as well as the Agent/Broker.

### F. Named Insured(s) Signature

The Named Insured(s) signature shall be provided on the current approved Standard Application Form or the computerized application form at the time of binding whenever possible.

If the Named Insured(s) signature cannot be obtained at the time of binding, the Servicing Carrier shall allow the Agent/Broker 30 days to obtain a signature on the original application provided the Agent/Broker assumes responsibility

for the full indicated premium. In the meantime, the Agent/Broker must send a copy of the completed but unsigned application to the Servicing Carrier.

If a signed copy of the application is not received by the Servicing Carrier within the 30 day time period, the Servicing Carrier shall immediately cancel the policy by registered letter. The Agent/Broker shall be responsible for the full indicated earned premium for the time on risk.

### G. No Prior Insurance with Out of Province including U.S. Exposure

In the event that Named Insured has no prior insurance with insured vehicles traveling outside of the province, including into the U.S., supplementary underwriting documents (as outlined under Rule 200.D) required to evaluate out of province exposure, may not be immediately available for review at New Business.

Where required supplementary underwriting information is unavailable when binding a new risk, as the Named Insured has not previously traveled outside of the Province or into the U.S., the vehicle(s) shall be underwritten with ***75% U.S. Exposure***.

If during the first term of insurance, the Named Insured(s) claim entitlement to a lower Out-of-Province/U.S. Exposure amount and submits the required Supplementary Underwriting Documents as outlined under Rule 200.D to the satisfaction of the Servicing Carrier, the Out-of-Province/U.S. Exposure surcharge shall be adjusted effective the date the documentation was submitted. Backdating any adjustment to the Out-of-Province/U.S. Exposure surcharge is not permitted.

### H. Other Insurance

If there is any other insurance in force in respect of a risk:

a) Binding shall not be made effective before the expiry of that other insurance.

b) If that other insurance is to be cancelled, a liability card may not be prepared before the Insurer concerned has issued the notice of cancellation, or the Insured has signed the request for cancellation as the case may be.

### I. Variation in Coverage

To conform to the Insurance Act, the Named Insured(s) must be advised if the coverage provided by the policy is not as requested in the application.

If the information received on supplementary underwriting documents is different from that reported on the application, to the extent that premium or coverage changes, the Servicing Carrier shall issue the policy based on the revised premium and/or coverage in accordance with the Manual of Rules and Rates, and notify the Agent/Broker of the applicable changes.

### J. Verification of Driving History

In order to verify the driving history, the Servicing Carrier is required to obtain the following before confirming the premium:

a) Driver record abstract obtained from the appropriate government department in each Canadian or U.S. jurisdiction in which the driver has been licensed in the previous three years. The report date on the Driver Abstract shall not exceed 90 days prior to the effective date of the policy.

b) All vehicles shall initially be rated at Driving Record 0 unless the application is accompanied by (or the Servicing Carrier already has) proof of the accident free period and the ownership period required for a better driving record.

If the Named Insured(s) claims entitlement to a driving record better than that permitted by the preceding paragraph and submits details of the previous insurance(s), the Servicing Carrier shall attempt to obtain confirmation of the previous experience. The claimed better driving record shall not be granted unless and until the entitlement is verified, but the re-rating shall then be backdated appropriately.

Previous Insurance history is not required for Motorcycle, Moped, Snow Vehicles, Dirt Bikes, All Terrain Vehicles, Antique Vehicles or applicants with only an international licence. See special instructions under Fleets and the Garage section.

See special instructions under Rule 239: Fleets.

## Rule 205: Definitions

### A. Commercial Vehicle

A motor vehicle used primarily to transport materials, goods, tools or equipment in connection with the Applicant's occupation, and includes a police department truck, a fire department truck, driver training truck, a vehicle designed specifically for construction or maintenance purposes, a vehicle designed to perform a function by means of motive power which is both separate from and additional to the function of transportation and travel, or a trailer intended for use with a commercial vehicle.
Commercial vehicle does not include vehicles:
a) Used primarily for the transportation of persons (Refer to the Private Passenger Section or Public Section.)
b) Held for sale, demonstration and/or testing (Refer to the Garage Section.)

### B. Vehicle

For the purposes of this section of the manual, the unqualified word 'vehicle' shall include 'trailer' unless otherwise indicated.

### C. Trailer

A unit not equipped with its own motive power designed to be towed by a motor vehicle and intended to be used with a commercial vehicle.

## D. Owned/Leased

The expression 'owned by' (as in a vehicle owned by the Applicant) includes 'leased to' if the Applicant is/was responsible for obtaining the Liability insurance for the leased vehicle/item concerned. A similar interpretation applies to 'owns, ownership', etc.

## E. Rating Information

The information in the application and the Commercial Vehicle Supplement (where required and/or provided) is used to determine classification and rating territory.

When a commercial vehicle is operated from different locations where required by different contracts, the territory shall be that of the highest rated location and the radius shall be determined from that location.

*Example:* A Kingston, Ontario (territory 7) construction company's gravel truck is used throughout eastern Ontario at sites. The work involves hauling from a pit to a nearby construction site. The territory shall be the highest rated in the region (territory 4 – Ottawa) and the class is Class 42 (hauling gravel within an 80 km radius).

## F. Types of Commercial Vehicles

### Standard Production

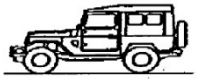
The following truck types are generally light and, if standard production models are rated from Rating Group Table I.

**Pickup** - A truck with an open box behind the vehicle cab (identified by Body Code 0 in Rating Group Table I). The cab may be extended to accommodate additional seating behind the regular driving seat and may be referred to as crew, extended, or super cabs.

Standard Pickup

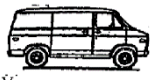
Extended, Crew or Super Cab

**Utility** - A 'jeep' like truck which may be completely open, have a cab similar to a pickup or have a canvas or full top (identified by Body Code M in Rating Group Table I).



Multi-purpose Vehicle

**Van** - A truck with a box like design (identified by Body Code 1 in Rating Group Table I). Formerly known as panel trucks, vans have the driver's compartment and the cargo area within the body.



Van

Window Van

**Wagon -** A truck built from a van or pickup chassis with seating for passengers (identified by Body Code W in Rating Group Table I).

Wagon

### Non Standard Production

Other truck types that are built from a chassis (the basic frame of a vehicle, including the engine, wheels, and other mechanical parts but not the body) or chassis and cab (a chassis equipped with a driver's compartment) by the addition of a body to carry goods or for specialized uses. Because these vehicles vary greatly even within a particular body style, Rating Group Table II must be used to establish a rate group.

Chassis

Chassis & Cab

The 'body' may be flat platform (platform or flat deck) or with racks (stake). Stake trucks often have canvas tops.

With the addition of a fully enclosed box the vehicle is known as a van. Some have the cargo area open to the driver's compartment (step van); others have rear or side doors for access to the cargo.

Van

Step Van

**Road Tractor** - A motor vehicle with a fifth wheel coupling device for attaching semi-trailers. A fifth wheel is a coupling device mounted on a road tractor and used to connect a semi trailer. It acts as a hinge point to assist longer vehicles in turning corners.

Road Tractor

### In addition, a commercial vehicle using Rating Group Table II:

a) may be of the private passenger or station wagon body type, in other words, a vehicle built on a private passenger chassis.
b) is a snow vehicle with a GVW in excess of 1 tonne (2,200 lbs.)
c) may be another specialized vehicle such as road machinery (e.g. graders).
d) is a motorcycle designed and used for commercial purposes.

### G. Gross Vehicle Weight (GVW)

The Gross Vehicle Weight is the curb weight of the vehicle **plus** the maximum load capacity. The gross vehicle weight is shown in the manufacturer's specification and all truck data books. The GVW is not to be confused with load capacity such as a 3 ton van or 1/2 ton pickup – the GVW for 1/2 ton pickup will range from 3000 to about 6600 pounds (1.4 to 3.5 metric tonnes).

### H. Machinery or Apparatus

Commercial vehicles are often equipped with machinery or apparatus. There are two types:

1. The equipment is designed to perform, by means of motive power, a function which is both additional to and separate from the functions of transportation and travel (e.g. welding, spraying, excavating, well drilling, cooking equipment). Insurance must be made subject to END 30 (Removing Coverage for Attached Machinery) which excludes coverage under Liability and Accident Benefits while at the site of the work (operation of the machinery or apparatus). Refer to Rule 243: Endorsements Applicable to POL 1 (Owner's Policy).

2. Some equipment is permanently attached to and used for the loading/unloading operations of the vehicle (e.g. fuel oil delivery pumping equipment, or small hoisting equipment normally found on brick trucks) or the equipment requires the vehicle to be in motion on a public road in order for it to do the work (e.g. snow plows, street sweepers). END 30 (Removing Coverage for Attached Machinery) is not used in these situations.

Some equipment owned by others may be attached to the vehicle e.g. the Applicant owns the truck but uses a tank body and pumping equipment owned by another. The coverage may be extended by attaching END 31 (Non-owned Equipment). The optional physical damage coverage may only be the same as that provided on the vehicle.
In circumstances where END 30 is required, cover for the non-owned equipment must be provided by separate general liability and property insurance. END 30 and 31 cannot be attached to the vehicle at the same time.

## Rule 206: Rating Territory

The rating territories are described in Rule 244: Territories.

If a filing is required for a higher rated territory, the rate for that higher rated territory must be used regardless of the number of trips to that higher rated territory.
The applicable rating territory is that in which the vehicle 'is and will be chiefly used'. If however, the vehicle is operated regularly i.e. more than 12 trips per year to or through other territories, the highest rated of those territories is to be used. A vehicle that travels through a higher rated territory from a lower rated territory where it is garaged, to another lower rated territory where the work is performed, shall be charged at the higher rated territory.
U.S. exposure and currency differential surcharge are to be applied where required.

*For example:* The Insured's furniture manufacturing plant is in Port Stanley (Territory 5) and furniture is delivered to London (Territory 16) every week. If the highest rated territory through which the vehicle is operated is London, the vehicle must be rated in Territory 16.

If the jurisdiction is one for which there are no Facility Association rates, the following rates apply:

Atlantic Provinces – rate as New Brunswick Territory 3
Central (Ontario and Quebec) – rate as Ontario Territory 20
West and North – rate as Alberta Territory 4

This applies to all commercial classes including Truckmen. U.S. exposure and currency differential surcharge are to be applied where required.

*For example:* The Insured's grocery store is in Ottawa and he delivers groceries to Hull, QC. The vehicle must be rated using Ontario Territory 20 rates.

Where the vehicle is operated in the U.S., see Rule 228: U.S. Exposure.

## Rule 207: Rating Class

### A. Load Classification

| | |
|---|---|
| Vehicles with a Gross Vehicle Weight not in excess of 4,500 kg (10,000 lbs.) | Light (L) |
| Vehicles with a Gross Vehicle Weight of more than 4,500 kg (10,000 lbs.) | Heavy (H) |
| Road Tractors used to haul trailers | Heavy (H) |

### B. Radius

Radius means the road distance from the boundary of the city or town in which the vehicle is usually kept. Operation within a city or town or within 40 km (25 miles) of the boundaries of a city or town shall be regarded as within a 40 km (25 mile) radius. A radius of 80 km (50 miles) means that the vehicle is being operated within 80 km (50 miles) of the boundaries of the city or town in which it is kept.

**Note**: A vehicle used for more than 12 trips per year (6 trips on

a six month policy) beyond a radius of 80 km (50 miles) is to be rated:

| | |
|---|---|
| Radius 81-160 km (100 miles) | Class 61 |
| Radius 161- 400km | Class 62 |
| Radius 401-750km | Class 63 |
| Radius over 750km | Class 64 |

Special Increased Limits (for Chemical Products, Explosives, Petroleum Products, Radioactive Materials) classifications are to be used if the vehicle is transporting Dangerous Goods. Refer to Interurban Rate Pages for classification and rates.

*For example:* A vehicle hauling dangerous goods is used 13 times a year to transport those goods within a 100 km radius. Class 61B rates are applicable.

For policies issued for less than 6 months, the use of Special increased limits (for Chemical Products, Explosives, Petroleum Products, Radioactive Materials) classifications shall apply if the percentage of mileage used beyond 80 km (50 miles) for the policy period, exceeds 5%.

The use of Special increased limits (for Chemical Products, Explosives, Petroleum Products, Radioactive Materials) classifications does not apply if the vehicle is in transit and is not being used to transport goods or for the specialized purpose for which it was designed.

## C. Exclusive Contract

A truckman's vehicles that are operated under contract exclusively for one party (other than for mail or milk transportation) may be classified as if owned and operated by that party if the vehicles are used within a radius of 40 km (25 miles). If used beyond a 40 km radius, rate as Truckmen.

*For example:* Acme Trucking has some trucks which are used solely for the delivery of Superior Drug Wholesalers' products to their customer drug stores within a 40 km radius. Superior Drug Wholesalers do not have their own trucks. Rate the Acme trucks that are used solely for this purpose as Drug Manufacturers & Wholesalers.

## D. Road Tractor Without Trailer

When a road tractor not used in connection with a farm is insured, it is presumed that it will be used with one or more trailers. Accordingly, the semi-trailer Liability and DCPD premiums (see Rule 212: Rating of Trailers) must be charged even if no specific trailer is described.

For tractors used in connection with a Farm, refer to Rule 207.H: Farm Trucks.

## E. Vehicles in Transit

A vehicle that is in transit through the jurisdiction and not used to transport goods or for the special purpose for which it was manufactured is treated as a vehicle 'not specifically classified'.

*For example:* The Insured lives in Ontario and purchases a road tractor in Nova Scotia which is now driven back to Ontario to be registered in that jurisdiction. The vehicle is in transit and not being used for the purpose for which it was designed. It shall be rated Class 44 (heavy vehicle not specifically classified).

## F. Electrically Powered Vehicles

- No longer applicable

## G. Commercial Vehicles and Underage Operators

A light commercial vehicle with a driver under 25 years old is to be rated as a private passenger vehicle with that driver as principal operator if the private passenger premium is higher than if the vehicle is rated as a commercial vehicle.

## H. Farm Trucks

The truck of a farmer who has no other gainful occupation and is residing on the farm may be rated as a farm truck. Vehicles owned by farm managers, farm labourers, transient harvesters and part time workers may not be rated as farm trucks.

Class 33 is permissible only when the Applicant has both a commercial and private passenger vehicle and is a listed driver rated on both. If the private passenger vehicle is not insured for mandatory coverage with the Servicing Carrier, the Agent/Broker must confirm in writing to the Servicing Carrier at each renewal that the Applicant owns and insures a private passenger vehicle; otherwise, the commercial vehicle is to be rated as a commercial vehicle not specifically classified. Class 33 or 34 is not permissible if the vehicle is used for any retail/wholesale delivery or any use not considered part of the day-to-day operation of a farm.

For Class 34, a maximum 11,000 kg GVW is eligible. No extra heavy vehicles e.g. tractor trailers may be rated as farm vehicles.

Maximum annual mileage of any vehicle rated Class 33 or Class 34 may not exceed 10,000 km.

## I. Artisan Class 35

This class is permissible only for those vehicles that are largely immobile i.e. parked during the business hours of the applicant, at or near the place of employment. A vehicle used to go to more than two jobs in a day is not to be rated Class 35. Wholesale or retail delivery is not permitted. The applicant or spouse also must have a private passenger vehicle insured for mandatory coverage.

## J. Rating Class Table

| Vehicle Type/Use | Class Code | |
|---|---|---|
| | Light | Heavy |

# Rule 208: Rating for More Than One Use

If a vehicle is used for more than one commercial purpose, the highest rated class (based on premium) must be used regardless of the percentage of exposure.

Since private passenger Classes 01, 02, 03 and 07 exclude commercial use, vehicles used for both private passenger and commercial use must be rated commercially.

### Examples

a) The Insured has a mini van used for courier purposes and for pleasure. Rate the vehicle for courier delivery.

b) The Insured has a light pickup truck. During the day he makes business calls to clients of the company he works for as a salesman. During the night he works for another company delivering pizza. Rate the vehicle for pizza delivery.

c) The Insured owns and operates a courier business with one Straight Truck currently rated for courier services. The Insured successfully bids on a contrat to transport medical isotopes to local hospitals one day per month. Rate the vehicle for the transportation of dangerous goods.

Slip Tanks not carrying petroleum products are to be rated based on commodity hauled, Class 48 (Dangerous Goods) must not be used.

Refer to Rule 236 for instructions on how to rate Driver Training Vehicles.

Refer to Rule 238 for instructions on how to rate Short Term Leases.

# Rule 209: Driving Record

Driving record for individually rated policies are the number of years of verified 'Clear Record'. This rule does not apply to coverages that are experience (fleet) rated.

See special instructions under Rule 239: Fleets.

All vehicles shall initially be rated at Driving Record 0 unless the application is accompanied by (or the Servicing Carrier already has) proof of the accident free period and the ownership period required for a better driving record.

If the Named Insured(s) claim entitlement to a driving record better than that permitted by the preceding paragraph and submits details of the previous insurance details to the satisfaction of the Servicing Carrier, the re-rating shall then be backdated appropriately.

## A. Clear Record

Through out the period concerned:
1. There has been no accident involving the described vehicle or one for which it has been substituted;
**and**
2. The Named Insured(s) has owned the described vehicle or one of a similar type for which it has been substituted.

Ownership is established from the date on which the Applicant takes possession of the vehicle.

There is no requirement that drivers be accident free on other vehicles; the rating is determined from the vehicle history not the driver's history.

## B. Driving Record Entitlement

| Period of confirmed claims free experience and vehicle ownership immediately preceding the commencement date of the period of insurance | Driving Record Entitlement |
|---|---|
| Less than 1 year | 0 |
| At least 1 year | 1 |
| At least 2 years | 2 |
| At least 3 years | 3 |

**Notes:**
1. The driving record established applies to all coverages concerned. There is no split rating.

2. Where the Named Insured(s) owns more than one vehicle, each vehicle's driving record is established separately. Where an additional vehicle is acquired it shall develop its own driving record (initially at Driving Record 0). Where a vehicle is deleted, an accident charged for on the deleted vehicle shall be transferred to the remaining vehicle developing the highest premium.

*For example*: There are three vehicles on the policy all rated Class 36. Vehicle 1 is rated Driving Record 0 (due to an accident), Vehicle 2 is rated Driving Record 1 and Vehicle 3 is rated Driving Record 3. Vehicle 1 is deleted from the policy. The accident shall be transferred to Vehicle 3 and the rating shall be amended to Driving Record 0.

3. Where a vehicle replaces another, it acquires the driving record of the replaced vehicle.

4. Unacceptable gaps in insurance are the result of:
   a. Policy cancelled for non-payment of premium
   b. Conviction of driving with no insurance
   c. Suspension of driver's licence because of 1 or more driving convictions
   d. Undisclosed at fault claim or conviction that would have generated a higher premium

Unacceptable gaps in insurance coverage within the 3 years immediately preceding the effective date of the insurance shall have the following impact on the assignment of the driving record:

– If the total gap in insurance coverage is less that 1 year in the past 3 years, the driving record will not be affected.
– If the total gap in insurance is 1 year or more in the past 3 years, the driving record will be reduced by 1 for each year's gap in coverage.

5. A loss history report or letter from the prior carrier is required to confirm claims free experience for all driving records on individually-rated vehicles. Where a loss history report or letter from the previous Insurer verifying claims free experience in Canada or the U.S. is not available, the Insured shall be eligible for a maximum of Driving Record 0

### C. Seasonal Use

Some commercial vehicles, such as those used for road construction, farming, lumbering and fishing may only be used seasonally. In these cases, the Applicant may not be able to furnish proof of the accident free period if the previous insurance policy did not retain Comprehensive or Specified Perils. Where this situation occurs and 'Seasonal Use' is confirmed from past insurance records, Facility Association shall require only proof of the accident free operation during the previous seasons.

If proof of ownership and accident free use in previous seasons is obtained, then the driving record shall not be affected. The risk shall retain the existing driving record or the driving record shall be allowed to progress in the same manner as vehicles that are used year round.

## Rule 210: Not applicable

## Rule 211: Rating Group

The rate group is determined from Rating Group Table I or Rating Group Table II.

### A. Rating Group Table I

This table lists by manufacturer, model and series, standard production pickup, utility, van (panel or sedan delivery) or wagon types, having Gross Vehicle Weights not exceeding 10,000 pounds (4.5 metric tons).

If a current year make/model is not listed but was listed in the immediately preceding year, use the rate group for the immediately preceding year.

If it was not listed in the immediately preceding year (It is a new model or there is a gap in model years.), the Servicing Carrier shall provide the rate group assigned by IAO.

For vehicles equipped with attached machinery (e.g. tow trucks, pickups with snowplow blades) or those that have been customized (e.g. special paint job) where the value of the equipment or customization is $3,000 or greater, an additional premium will be charged. For every $3,000 of equipment value or customization, a rate group increase of 1 shall be made. If the value of the equipment is less than $3,000 no additional premium shall be charged. The Servicing Carrier will require a copy of the bills of sale or if they are not available, an appraisal to substantiate the value of the attached equipment or customization.

**Rating Group Table I is not to be used for models and series not specifically listed.**

### B. List Price New

The Manufacturer's Suggested Retail Price (MSRP) new (plus taxes) of the vehicle, including the value of the body, all permanently attached equipment and any customizing features

### C. Rating Group Table II

The model year and list price new are used to determine the rate group.

Rating Group Table II is to be used for:

- Commercial vehicles of types and Gross Vehicle Weights not specified in Rating Group Table I
- Any commercial vehicle not listed in Table I equipped with attached machinery (e.g. towing hoist on a pickup) or commercial vehicles that have been customized (e.g. special paint jobs)
- Commercial vehicles designated II in Rating Group Table I
- Private passenger vehicles being rated in the Commercial Section of the manual that are not listed in Rating Group Table I (e.g. car being used for courier purposes)
- Motorcycles designed and used for commercial purposes e.g. a three wheel motorcycle with a box built in between the rear wheels that permits the carriage of small packages for delivery purposes
- Vehicles classed as or rated as interurban

# Rule 212: Trailers

## A. Types and Uses of Trailers

### Non-Cargo Trailer
A trailer that does not supplement the load-carrying capacity of the towing vehicle. Such a trailer has a special function (e.g., compressor, tarpot, welding unit, canteen carts) and the insurance must be subject to END 30 (Removing Coverage for Attached Machinery) described in Rule 205: Machinery or Apparatus.

### Cargo Trailer
A trailer that does supplement the load-carrying capacity of the towing vehicle, i.e. it is used for carrying removable cargo.

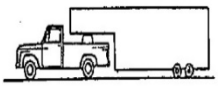
### Common Trailer
A trailer attached to a straight truck by a tongue.

### Semi-trailer
A trailer equipped with a 'fifth wheel' or 'kingpin' coupling device for use with a road tractor. Includes 'bogies' used to convert containers into semi-trailers.

### Pup Trailer
A second trailer attached to a lead trailer, either by means of a tongue or trailer converter dolly.

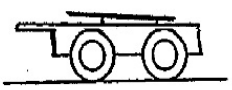
### Low-bed Float Trailer
A trailer designed with a low center of gravity and used to haul very heavy loads (e.g. road graders and transformers).

### Gooseneck Trailer



A large trailer with a light cargo most commonly pulled by a pickup truck. Attachment to the pickup is by means of a small fifth wheel mounted on the bed of the pickup box.

### Trailer Converter Dolly
A dual wheel axle with a fifth wheel mounted and a tongue for attachment to a lead trailer or straight truck.



### Tractor-trailer-train or Tandem Rig
Road tractor with two or more trailers attached, or two or more trailers used with a truck.

### Notes:
Except as provided above, trailers are classified in the same way as motor vehicles e.g. a trailer used for grocery delivery is classified in the same manner as a road tractor used for grocery delivery.

For trailers designed or used for passenger carrying, demonstration, sales or office purposes, submit full details to the Servicing Carrier.

## B. Rating of Trailers

### 1. Owned Trailer
### Liability
Charge the indicated percentage of the premium applicable to the highest rated vehicle with which the trailer may be towed:

| | |
|---|---|
| Trailer Converter Dolly: Non Cargo | Nil |
| Cargo | 25% |
| Non-Cargo Trailer | 10% |
| Low-bed Float Trailer | 25% |
| Cargo Trailer | |
| Semi-trailer | 10% |
| Other | 25% |
| Pulling Modular Homes and the like | 25% |

**Note:** If the towing vehicle is rated with a U.S. exposure surcharge and/or conviction/accident surcharge, the percentage applies to the towing vehicle premium including that surcharge

### Direct Compensation – Property Damage Rating
Establish the rate group for the trailer according to Rate Group Table II and charge the full DCPD premium based on that rate group and the class/driving record of the highest rated vehicle with which the trailer may be towed. Apply U.S. surcharge if required.

### Notes:
If tractor-trailer-trains or tandem rigs are operated, every trailer that may be used is to be rated as a 'Cargo Trailer- Other'.

If the number of trailers insured by a policy exceeds the number that could be used at any one time (including with any vehicles insured by other policies/Insurers), the premium under Liability and DCPD for the 'excess' trailers is reduced by 50%. If all trailers do not produce the same premium, the trailer(s) that would otherwise produce the lowest premium shall be considered excess.
*For example:* There are two tractors and four trailers. Two of the trailers produce premiums of $500 each. The other two trailers produce premiums of $700 each. The trailers that produce premiums of $500 each will be considered excess and the Liability premiums for each of those trailers will be reduced by 50%.

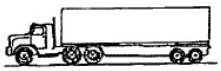
The driving record for rating a trailer's Liability insurance is the same as the vehicle on which the trailer's premium is based. (For reporting under the Automobile Statistical Plan, the trailer is identified by the use of Driving Record Code "7".)

Conviction surcharges are not applied to DCPD or Collision coverages unless the trailer is the only vehicle on the policy in which case they apply to all coverages for which a premium has been charged other than Comprehensive/Specified Perils.. A shipping container mounted on a frame is classified according to the frame upon which it is mounted e.g. If mounted on a semi-trailer chassis then classify as a semi-trailer.

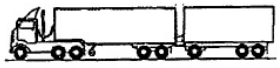
**Here are Rating Examples:**

Non Cargo 10%

Cargo Trailer –Other – 25%



Cargo Trailer – Semi– 10%



Road Tractor Semi-Trailer Pup Trailer

Tractor-Trailer-Train each trailer 25%

**Accident Benefits, Uninsured Automobile**
No charge, unless the trailer is used for purposes like living/dwelling, showroom, office, demonstration or changing rooms. In these cases, charge 100% of the premium applicable to the towing vehicle.

**Optional Physical Damage Coverage**
Each trailer is rated as if it were a separate vehicle. Rating Group Table II is used to determine the rate group.

Each trailer and the vehicle by which it may be pulled use the same Collision driving record. Chargeable accidents will apply to the rating of both the trailer and the pulling vehicle. Apply U.S. exposure surcharge and accident surcharge if required.

## 2. Non Owned Trailers

**Liability**
When a road tractor is insured, it is presumed that it will be used with one or more trailers. Accordingly, the semi-trailer Liability premium must be charged even if no specific trailer is described. Charge the premium applicable to an owned trailer.

**Accident Benefits, Uninsured Automobile**
No charge, unless the trailer is used for purposes like living/dwelling, showroom, office, demonstration or changing rooms. In these cases, charge 100% of the premium applicable to the towing vehicle

**Direct Compensation – Property Damage**
If END 27B includes assumed liability, establish the rate group according to the limit stated in END 27B and charge the full DCPD premium based on that rate group and the class/driving record of the highest rated vehicle with which the trailer may be towed. If END 27B excludes assumed liability, there is no charge for DCPD because there is no DCPD coverage under the policy. Apply U.S. surcharge if required.

**Optional Physical Damage Coverage**
Charge the premium applicable for these coverages on each trailer as though each trailer was owned. Establish the rate group and premium for the non-owned trailer that has the highest value and multiply that premium by the number of non-owned trailers that may be towed. The limit shown on END 27B will be the amount on which the rate group is based. Apply U.S. exposure surcharge if required.

NOTE: Since END 27B is a policy level endorsement, a premium must be charged for each non-owned trailer listed on the policy. (All non-owned trailers must be listed on the policy.)

## 3. Policy Covers Trailers Only

**Liability**
If it is not known how the trailer is being used, charge 25% of Class 64 Driving Record 0. If the purpose for which the trailer is being used is known (e.g. local haulage) charge 10% of the appropriate class (e.g. Class 49) at Driving Record 0. Apply surcharges for U.S. exposure, accidents and convictions if required.

If the trailer is being used with a tractor insured under another FA policy with the same Servicing Carrier, the non-owned charge on that other FA policy can be eliminated, whether or not the same Insured owns both the tractor and trailer.

**Accident Benefits, Uninsured Automobile**
No charge, unless the trailer is used for purposes like living/dwelling, showroom, office, demonstration or changing rooms. In these cases, charge 100% of the premium applicable to the towing vehicle.

**Direct Compensation – Property Damage**
Establish the rate group according to the trailer value and charge the full DCPD premium based on that rate group and the class/driving record established under Liability coverage. Apply surcharges for U.S. exposure and convictions if required.

**Optional Physical Damage Coverage**
Establish the rate group and rate accordingly. If required, apply surcharges for U.S. exposure to all Optional Physical Damage Coverage and surcharges for accidents and convictions to Collision coverage.

**4. Livestock Trailers**
Where the trailer is used for transporting livestock (including horses) as part of the Insured's business, the trailer is to be rated as a commercial cargo trailer, either 'semi' or 'cargo other' depending on the type of trailer. Where the trailer is used for transporting livestock for pleasure purposes, the trailer is to be rated as a utility trailer in the Recreational Vehicles Section.

# Rule 213: Endorsement (Policy Change) Forms and Wordings

Changes to standard approved forms are not permitted.

Rule 243: Endorsements Applicable to POL 1 (Owner's Policy) provides certain details and rating instructions for approved endorsement forms. The descriptions are brief and reference must be made to the actual wordings of these forms to ascertain the full provisions and restrictions.

Provided the endorsement form does not indicate the expiry date of the policy term, once an endorsement form has been signed, it need not be signed again on subsequent policy renewal terms.

# Rule 214: Commonly Used Endorsements

### END 13C – Restricting Glass Coverage

The coverage provided under Comprehensive for damage to glass may be amended by attaching END13C. This endorsement is only applicable to vehicles listed in Rating Group Table I and private passenger type vehicles.

The premium charged for the reduced Comprehensive coverage is the Specified Perils premium plus 10% of the Comprehensive premium.
Where the deductible is $1,000 or higher, there is no premium reduction.

### END 20 – Coverage for Transportation Replacement

Facility Association does not provide this coverage for commercial vehicles.

### END 27B – Business Operations - Legal Liability for Damage to Non-Owned Automobile(s) in your Care, Custody or Control

The Applicant must specify the types of vehicle/trailer that may be in the Applicant's custody and provide the required limit per occurrence.

The premiums to be charged are those applicable to the highest rated vehicle that may be in the Applicant's custody as though the vehicle was an owned vehicle. The rating is based upon the driving record, the type and use of the vehicle/trailer.

### Non-Owned Trailers

**Direct Compensation – Property Damage**
If END 27B includes assumed liability, establish the rate group according to the limit stated in END 27B and charge the full DCPD premium based on that rate group and the class/driving record of the highest rated vehicle with which the trailer may be towed. If END 27B excludes assumed liability, there is no charge for DCPD because there is no DCPD coverage under the policy. Apply U.S. surcharge if required.

**Optional Physical Damage**
Charge the premium applicable for these coverages on each trailer as though each trailer was owned. Establish the rate group and premium for the non-owned trailer that has the highest value and multiply that premium by the number of non-owned trailers that may be towed. The limit shown on END 27B will be the amount on which the rate group is based. Apply U.S. exposure surcharge if required.

NOTE: Since END 27B is a policy level endorsement, a premium must be charged for each non-owned trailer listed on the policy. (All non-owned trailers must be listed on the policy.)

### END 30 – Removing Coverage for Attached Machinery

The description of the machinery or apparatus shall read: 'all or any machinery or apparatus designed to perform a function additional to and separate from the function of travel'. Where the equipment is used on a public road and the vehicle is subject to compulsory automobile insurance, the END 30 must exclude only non road use of the equipment by adding 'while the vehicle is not being used upon a public highway'.

### END 31 – Non-owned Equipment

Use of this endorsement is not permitted in respect of a vehicle to which END 30 applies.

The physical damage coverages may only be the same as those provided in respect of the vehicle. The required limit must be specified. The rate group is based on Rating Group Table II using the list price new of the vehicle and the non-owned equipment.

### END 38 – Agreed Limit for Automobile Electronic Accessories and Equipment

Where a vehicle is covered for Comprehensive or Specified Perils, and the Applicant wishes to purchase additional coverage for the equipment, this endorsement may be added. Additional coverage may be purchased at a rate of $30 per $1,000 of value or part thereof in excess of $1,500. Documentation (appraisal or receipts) is necessary to substantiate the value stated in the endorsement. The endorsement must be signed by the Insured.

*For example:* END 38 has a limit of $3,500. The premium for END 38 shall be $60.

# Rule 215: Premiums

### A. Premium Quotations

The Agent/Broker is responsible for calculating premiums in accordance with this manual, including the 'base' premiums applicable to experience (fleet) rated risks. Experience rated risk premiums are calculated at Driving Record 0.
Where there is any doubt on the matter, the Servicing Carrier will be pleased to assist in establishing risk classifications, but the Servicing Carrier shall not make premium quotations except where the manual does not provide for the particular coverage required.

The Servicing Carrier shall require clarification from the Agent/Broker if the information on the application contradicts the quoted premium.

### B. Manual Rates

The rates published in this manual are for annual policy terms. For commercial six month policies, charge 52% of the annual premium

### C. Premium Rounding

The premium for each coverage shall be rounded to the nearest whole dollar. A premium that includes 50 cents or more shall be rounded up to the next whole dollar ($46.56 will be rounded up to $47.00 and $46.44 will be rounded down to $46.00).

This applies to all premium transactions, including refunds except where the policy is cancelled by registered letter at the request of the Agent/Broker or by the Servicing Carrier. In that event, the return premium shall always be rounded up to the next whole dollar ($45.10 will be rounded up to $46.00).

### D. Minimum Premium/Minimum Retained Premium

The minimum premium for any commercial automobile policy or renewal and, the minimum retained premium in the event of cancellation of the policy, is $25, excluding service fee regardless of the term of insurance. The minimum retained premium must be stated on the declaration page of the policy.

### E. Calculating Premium with No U.S. Exposure

**Steps**

1. Ensure that the vehicle qualifies as a commercial vehicle (See Rule 205: Definitions).
2. Establish the rating territory (See Rule 206: Rating Territory).
3. Establish the rating class (See Rule 207: Rating Class).
4. For Liability, Accident Benefits, Uninsured Automobile, DCPD and Collision coverages, establish the driving record (See Rule 209: Driving Record).
5. For DCPD and Optional Physical Damage Coverage, establish the rate group and the minimum deductible (see Rule 211: Rating Group and Rule 201: Coverages Available and Minimum Deductibles).
6. Establish what, if any, special rating factors apply.
7. Refer to the Rates Pages in this section and establish the 'manual' premium for each coverage.
8. Where a premium for a rate group or deductible is not shown on the rate page, first calculate the rate group premium by multiplying the base premium by the rate group factor, and then multiply the rate group premium by the deductible factor. For trailers, also see Trailers in this section.
9. Apply any special use factor.
10. Apply experience (fleet) rating or accident / conviction surcharges if required.

### F. Calculating Premium with U.S. Exposure Towing Vehicles

Calculate the 'manual' premium for the required coverages and deductibles in accordance with Rule 215: Steps 1 – 9.

**Liability** – Calculate the U.S. exposure surcharge for Liability and add to that the currency differential surcharge (if applicable). Apply to the premium. Then apply any fleet rating or accident/conviction surcharge to the resulting premium.

**Accident Benefits/Uninsured Automobile –** Apply the U.S. exposure surcharge for Liability to the premium. Then apply any experience (fleet) rating or accident / conviction surcharge to the resulting premium.

**DCPD** – Apply the U.S. exposure and currency differential surcharge to the premium. Then apply any fleet rating or accident/conviction surcharge to the resulting premium.

**Collision –** Calculate the U.S. exposure surcharge for physical damage and apply to the premium. Then apply any accident/conviction surcharge to the resulting premium.

**Comprehensive/Specified Perils –** Apply the U.S. exposure surcharge for optional physical damage coverage to the premium.

**END 44R –** Apply the U.S. exposure surcharge for Liability to the premium.

#### Trailers

**Liability –** Determine the premium for the Towing Vehicle in accordance with Rule 215: Steps 1 – 9 above plus any fleet rating surcharge or discount. Apply the appropriate trailer percentage charge to obtain the premium. If the towing vehicle is rated with a U.S. exposure surcharge and/or conviction/accident surcharge, the appropriate percentage for the trailer applies to the towing vehicle premium including that surcharge. If the trailer is the only vehicle on the policy, apply the accident/conviction surcharge.

**Collision –** Calculate the premium for the required deductible in accordance with Rule 215: Steps 1 – 9 plus any fleet rating surcharge or discount. Calculate U.S. exposure surcharge and accident surcharge and apply to the premium. Do not apply a conviction surcharge unless the trailer is the only vehicle on the policy.

**Comprehensive/Specified Perils** – Calculate premium for the required coverages and deductibles in accordance with Rule 215: Steps 1 – 9 plus any fleet rating surcharge or discount. Calculate U.S. exposure surcharge and apply to premium.

**DCPD** - Calculate the premium for the required deductible in accordance with Rule 215: Steps 1 – 9 plus any fleet rating surcharge or discount. Calculate U.S. exposure surcharge and apply to the premium. Do not apply a conviction surcharge unless the trailer is the only vehicle on the policy.

**Accident Benefits, Uninsured Automobile -**
No charge unless the trailer is used for purposes like living/dwelling, showroom, office, demonstration or changing rooms. In these cases, charge 100% of the premium applicable to the towing vehicle.

# Rule 216: Policy Term

Every policy and renewal shall be issued for a term of either one year or six months.

A short term policy may be issued in the event that the vehicle/item is in transit in or through the jurisdiction, i.e. a single trip from a location within a jurisdiction in which Facility Association operates to another location within a jurisdiction in Canada or the continental U.S.A. A short term policy may also be issued for a vehicle being temporarily operated in a jurisdiction in which it is not registered.

The Servicing Carrier may accept an application for a short term policy and issue the policy accordingly or accept an application for a 6 or 12 month term and a cancellation voucher signed to provide coverage for only the shortened term.

The premium for the policy shall be calculated using the highest rated territory of the originating jurisdiction and the applicable short term table in this manual, subject always to the minimum retained policy premium.

See also Rule 235: Purchasing Vehicles in Jurisdiction Where FA Does Not Operate and Rule 200:C. Non-Residents and Vehicles Not Registered in Jurisdiction.

Policies subject to Rule 239: Fleets cannot be issued for a term of less than 12 months.

# Rule 217: Policy Changes

## A. A change to a policy shall not be processed if:

a) The change is substantial e.g. the Insured is covered under POL 1 and now requires POL 4 or 6 instead. A new policy may be necessary. If in doubt, the Agent/Broker should contact the Servicing Carrier for direction. If a new policy is required, a new application must be submitted. The existing policy shall be cancelled pro rata.

b) There is a change of the jurisdiction in which a vehicle is registered and the vehicle must be registered in the new jurisdiction. The insurance on the vehicle must be cancelled. Upon receipt of a copy of the replacing policy application, or temporary liability card from the new jurisdiction, the refund shall be calculated on a pro rata basis, subject to the minimum retained premium.

## B. Name of Insured When Adding or Deleting Vehicles

### Leased Vehicles

- Where the Insured has a leased vehicle and is returning the vehicle to the lessor and replacing it with an owned vehicle, provided there is no change in the name of the Insured (lessee i.e. the person who actually applied for the insurance), the change to remove the lessor's name from the policy and the vehicle substitution may be made by a policy change. A release of the lessor's interest must be obtained or comparable notification of the change must be sent to the lessor by registered mail.

- Where an Insured has an owned vehicle, and is now obtaining a leased vehicle and disposing of the owned vehicle, the change to the vehicle and name of Insured may be made by policy change, provided there is no change in the name of the Applicant, other than to add the lessor's name to the policy.
- In situations where the Insured has an owned vehicle and a leased vehicle, separate policies are not necessarily required for each vehicle.

- Where an Insured has two or more vehicles leased from different leasing companies, a separate application is required for each vehicle.

### Owned Vehicles

**Two or More Names as Registered Owner of the Vehicle:**
Where an application is received for vehicle(s) registered in two names, such as Pat and Drew Doe, the application must be signed by both parties. In the event the policy is to be cancelled at the Insured's request, both signatures are required on the request for cancellation. If the situation is other than the Applicant and spouse, refer to the Servicing Carrier prior to quoting or binding to verify the rating.

**Two or More Vehicles Registered to Different Names:**
If the Applicant has vehicles leased from different leasing companies or, one vehicle registered for example in the father's name and one in the son's name, separate policies must be maintained.

If the Applicant has vehicle(s) leased from the same leasing company and owned vehicle(s), separate policies may not be necessary.

## C. Amending or Deleting Coverage on Vehicles with Lessors or Lienholders

Where physical damage coverage is being amended or deleted on a leased vehicle or a vehicle on which there is a lienholder, the Servicing Carrier must send a notice to the lessor or lienholder to advise of the coverage being amended or deleted and the effective date of the transaction.

## D. Binding Coverage - Policy Changes

If the change involves a vehicle for which proof of insurance has been filed or is required, please also see Rule 227: Proof of Insurance. Before binding coverage the Agent/Broker must collect or assume responsibility for any indicated additional premium. In the case of a policy on Direct Bill, contact the Servicing Carrier for procedures.

Before optional physical damage coverage can be bound on a vehicle branded as 'salvage' or 'rebuilt', a valid vehicle registration and, at the Servicing Carrier's discretion, a current safety certificate must be provided to the Servicing Carrier with the policy change request.

**NOTE:** No policy shall be written for vehicles branded 'irreparable'.

At the Servicing Carrier's discretion, vehicles rated Class 41,42 or 49 may require a current inspection of the vehicle itself indicating that the vehicle is in satisfactory condition.

The inspection will include a written report and pictures to confirm the accuracy of the VIN and the absence of unrepaired damage. The inspection will be conducted by an inspection service determined by Facility Association.

NOTE: Normal wear and tear is not considered unrepaired damage.

This rule applies to new business, additions, substitutions and existing vehicles insured on an FA policy with optional physical damage coverage being added.

Where the inspection is not provided when required by the Servicing Carrier or where the inspection shows the vehicle is not in satisfactory condition, the following approach shall be taken:

- Policy shall be issued with all vehicles at the correct premium.
- If any inspection is not provided within 30 days from the date requested by the Servicing Carrier, the policy shall be cancelled by registered letter.
  Note: Extensions beyond 30 days may be permitted at the Servicing Carrier's discretion for Insureds living in remote locations.
- If the missing inspection is provided before the cancellation takes effect, the policy may be reinstated.
- Agent/Broker may submit a new application for the vehicles meeting the inspection requirement.

**Procedure of notification**

1. The Agent's/Broker's procedure for reporting changes to the Servicing Carrier must be acceptable to the Carrier. The request for change must be made in writing and specify the effective date and the effective time.

2. Faxed or mailed policy change requests are acceptable.

3. If the policy change request cannot be sent to the Servicing Carrier on the date the Insured makes the request, it must be sent to the Servicing Carrier on the next working day.

4. The Servicing Carrier shall normally issue any required policy change, updated Certificate of Insurance (if required) and permanent liability card (if required) within 30 days of the effective date of the change.

5. Coverage may not be shown as effective prior to the date and time that the request was received by the Agent/ Broker from the Insured, except when contractual coverage exists automatically under the policy and notice is given within the time permitted. A permissible policy change is in effect as of the time and date requested.

6. Where a vehicle is being added or substituted, a copy of the valid vehicle registration will be required with the request for the policy change. If the registration cannot be submitted with the request for policy change, a copy of the registration must be submitted within 30 days of binding coverage.

Where a copy of the registration is not provided, the following shall apply:

- The vehicle(s) shall be added or substituted at the correct premium.
- If any registration is not provided within 30 days of the date requested by the Servicing Carrier, the policy shall be cancelled by registered letter.
- If the missing registration(s) is provided before the cancellation takes effect, the policy may be reinstated.
- Agent/Broker may submit a new application for the vehicles meeting the registration requirement.

## E. Deletions of Vehicles and Coverages

a) If the request for deletion is received by the Agent/Broker Broker (or Servicing Carrier if received directly from the Insured) within 30 days of the date the deletion is to be effected, the deletion shall take effect at 12:01 a.m. on the date that it was requested to be effective. In the event that the deletion was specifically requested to be effective at a

time other than 12:01 a.m., the deletion shall be effected at 12:01 a.m. the following day.

*For example:* The Insured requests deletion of the vehicle/coverage to be effective September 5. The deletion request is received by the Agent/Broker on September 20. The Servicing Carrier will issue the policy change effective 12:01 a.m. September 5. If the Insured requested the deletion to be effective at 3:40 p.m. on September 5, the Servicing Carrier will delete the vehicle/coverage effective 12:01 a.m. on September 6.

b) If the request for deletion is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) more than 30 days after the date the deletion was requested to be effected, the deletion shall take effect at 12:01 a.m. on the date that the deletion request is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured).

*For example:* The Insured requests deletion of a vehicle/coverage to be effective September 5. The deletion request is received by the Agent/Broker on October 10. The Servicing Carrier will delete the vehicle/coverage effective 12:01 a.m. October 10.

NOTE for a) and b)
If the date the request was received by the Agent/Broker is not evident, the Agent/Broker will be asked to provide proof of the date received acceptable to the Servicing Carrier. If proof cannot be provided, the request will be processed effective 12:01 a.m. on the date received by the Servicing Carrier.

c) In the event that the vehicle has been sold, and a copy of the bill of sale satisfactory to the Servicing Carrier is produced, the vehicle shall be deleted the day after the vehicle is sold regardless of what that date might be.

*For example:* The vehicle was sold June 5. The Servicing Carrier does not receive the request to delete until September 5. If the Insured can produce a satisfactory bill of sale, the Servicing Carrier will delete the vehicle effective 12:01 a.m. June 6.

d) In the event that a vehicle has been written off in a claim, deletion shall not be effected prior to the day after the loss occurred. If the request for vehicle deletion is received more than 30 days after the date of loss, the deletion shall be effected:
   i) The day after the salvage is signed over to the Insurer;
   **or**
   ii)The date the policy is no longer providing coverage on a rental vehicle under the temporary substitute auto provision, if that date is later than the date salvage was signed over.

*For example:* The vehicle has been written off in a claim June 1. On September 1 the Servicing Carrier receives a request to delete the vehicle effective June 1. Upon checking with the claims department, the Servicing Carrier ascertains that salvage was signed over to the claims department on June 15. However, the Insured had a rental vehicle covered under the policy's temporary substitute auto coverage until June 20. The Servicing Carrier will delete the vehicle effective 12:01 a.m. June 21.

e) In the event the Insured has placed coverage through the voluntary market, upon receipt of a copy of the replacing policy application or temporary liability card, the Servicing Carrier shall delete effective the date that the replacement coverage took effect.

Servicing Carriers shall proceed with deletion as outlined in a) or b) unless the Servicing Carrier is aware or is made aware, that the circumstances outlined in points c), d) or e) exist.

## F. New or Replacement Driver

If the change includes an additional or replacement driver, the Servicing Carrier shall be required to verify the driving history by ordering:

1. Driver record abstract obtained from the appropriate government department in each Canadian or U.S. jurisdiction in which the new or replacement driver has been licensed in the previous three years.

2. Since the rating is determined from the vehicle history not the driver's history, there is no requirement that drivers are accident free on other vehicles and, consequently, previous insurance history on the additional or replacement driver(s) is not required.

If the information is different from that reported, to the extent that the premium or coverage requires amendment, the Servicing Carrier shall promptly issue a correcting policy change.

## G. Midterm Policy Change Premium Calculation

In regard to the period licensed, period of ownership, the period since the date of an accident, the period since the date of a conviction, the rating is always based on the position as at the effective date of the policy period, (or, in the case of a subsequent addition/substitution of a driver or addition of a vehicle as at the addition/substitution date).

Midterm rerating is NOT permissible in respect of changes that occur in regard to those matters during the period of insurance merely because of the lapse of time. Midterm change due to age is permissible, provided a request is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) within 30 days of the birthday. If the request is received after 30 days, then the change will be effective at 12:01a.m. following the date the Agent/Broker (or Servicing Carrier if received directly from the Insured) receives the request and back dating will not be permissible.

### Rates to be used

**Addition of a vehicle:**
Rates in effect at the effective date of the transaction.

**Addition of coverage or other midterm transactions:**
Rates in effect at the start of the policy period.

**Method of premium calculation:**
Premiums for midterm commercial policy changes are calculated pro rata by using the Day Table.

**Minimum premiums for midterm changes:**
A minimum additional premium of $5 shall be charged for any transaction that includes one or more of the following, regardless of the period of insurance:

- addition of a vehicle or a coverage
- increase of a Liability limit
- decrease of a deductible

**Note 1:** Any additional premium of less than $5 may be waived by the Servicing Carrier unless mentioned above. Return premiums may not be waived.

**Note 2:** When a vehicle, not newly acquired, is substituted for another on the policy or added to the policy for less than 7 days, there will be a $50 charge for each such transaction in excess of 2 in a 30 day period or more than 12 in a 12 month period.

# Rule 218: Renewals

## A. Before issuing a Renewal:

If the renewal involves a vehicle for which proof of insurance has been filed or is required, see Rule 227: Proof of Insurance.

Commercial risks may require the Agent/Broker to determine whether the information on record and/or coverages need revision or updating.

A driver record abstract must be obtained for those risks where eligibility or rating is dependent upon driving history. These must be ordered on all drivers prior to every renewal.

| |
|---|
| Abstracts must be ordered on 6 month renewals as well as 12 month renewals. |

Renewals shall only be offered on policies for annual or six month terms.

NOTE: Any risk where abusive or threatening behaviour of the Insured/Applicant/Driver within the previous 3 years has created a safety concern for Facility Association staff, Servicing Carrier staff or a representative acting on behalf of either and circumstances have been reported to police shall be non-renewed.

## B. Accidents Occurring Between Renewal Process Date & Effective Date

Once a renewal or offer to renew has been processed, and accepted by the Insured, if the Servicing Carrier receives notice of an at fault loss that occurred prior to the renewal's effective date, the Servicing Carrier shall not amend the renewal rating accordingly but charge for the at fault loss on the next renewal.

## C. Renewal Processing

### 1. Other than Direct Billing

**Servicing Carrier Responsibilities**
The renewal documents shall be issued by the Servicing Carrier and must reach the Agent's/Broker's address no later than 45 days prior to the policy's current expiry date.

**Agent/Broker Responsibilities**
Before releasing any renewal documents the Agent/Broker must collect or assume responsibility for the full renewal premium. In the case of experience (fleet) rated risks, where renewals may be late due to missing information, the Agent/Broker is responsible for the premium calculated at Driving Record 0. For other than experience rated risks, if the Servicing Carrier is unable to issue renewals in the required time period, the Agent/Broker must issue a temporary liability card to the Insured and:
a. Collect a downpayment based on the estimated annual premium for the upcoming renewal term.
**or**
b. Obtain a fully completed premium finance contract together with the full downpayment required and promptly send that contract to the premium finance company.

**Renewal not accepted**
If the renewal is not accepted by the Insured, the Agent/Broker must submit one of the following acceptable evidence of renewal refusal to the Servicing Carrier:

a) Return all the renewal documents (including liability cards) to the Servicing Carrier;
OR
b) Written confirmation that the renewal has been returned complete with liability cards to the Agent/Broker AND that the documents were destroyed in the Agent/Broker's office;
OR
c) Provide a signed (i.e. written, electronic or auto signature) request from the Insured to cancel the policy effective the renewal date.

If the evidence of renewal refusal is received by the Servicing Carrier within 15 days of the renewal's effective date, a full refund shall be credited to the Agent's/Broker's Facility Association account. If evidence of renewal refusal is not received within 15 days, the renewal shall be cancelled on a pro rata basis effective the date it is received by the Servicing Carrier. The Agent/Broker shall be responsible for earned premium or minimum retained premium whichever is greater.

Renewals where acceptable evidence of refusal has been submitted to the Servicing Carrier for cancellation may not be reissued unless the Servicing Carrier receives instructions no later than the renewal's effective date and the Agent/Broker collects or assumes responsibility for the full premium as outlined above.

If the renewal date has passed and the insurance is again required, there must be a new application and a new policy issued.

### 2. Direct Billing Renewals

#### Servicing Carrier Responsibilities

a) For each policy an offer to renew shall be issued by the Servicing Carrier. The offer to renew must reach the Insured's last known address no later than 30 days prior to the policy's current expiry date.

b) The payment due date must be clearly indicated on the offer to renew and must be the same as the policy's current expiry date.

c) If the required premium is received by the Servicing Carrier no later than 15 days after the payment due date, the Servicing Carrier shall promptly issue the appropriate renewal documents to the Insured.

d) The renewal documents must not be released by the Servicing Carrier until the full payment is received or the required first payment is received on time by the Servicing Carrier (by first payment due date if a deferred premium payment plan is available). If this rule is followed, neither the Carrier nor the Agent/Broker incurs any responsibility for the premium. If the Servicing Carrier follows any other unauthorized procedure, the Servicing Carrier will be responsible for the earned premium for the time on risk calculated on a pro rata basis and will be required to stop offering a Direct Bill option.

#### Payment Not Received

If the required payment is not received by the Servicing Carrier within 15 days of the payment due date, the policy shall be treated as though it has expired and the Servicing Carrier shall advise the Agent/Broker accordingly within the following 10 days.

# Rule 219: Cancellations

## A. Midterm Cancellation - Effective Date

### 1. Received by Agent/Broker or Servicing Carrier within 30 days

If the request for midterm cancellation is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) within 30 days of the date the cancellation is to be effected, and no effective time is requested, the cancellation shall take effect at 12:01 a.m. on the date it was requested to be effective. In the event that the cancellation was specifically requested to be effective at a time other than 12:01 a.m., the cancellation shall be effected at 12:01 a.m. the following day.

*For example:* The Insured requests cancellation of the policy to be effective August 5. The cancellation request is received by the Agent/Broker on August 20. The Servicing Carrier shall cancel the policy effective 12:01 a.m. August 5. If the Insured requested cancellation to be effective at 3:40 p.m. on August 5, the Servicing Carrier shall cancel the policy effective 12:01 a.m. on August 6.

Note: For Flat cancellations for renewal, refer to Rule 219:E.4.

### 2. Received by Agent/Broker or Servicing Carrier after 30 days

If the request for cancellation is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) more than 30 days after the date the cancellation was requested to be effected, the cancellation shall take effect at 12:01 a.m. on the date that the cancellation request is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured).

*For example:* The Insured requests cancellation of the policy to be effective September 5. The cancellation request is received by the Agent/Broker on October 10. The Servicing Carrier shall cancel the policy effective 12:01 a.m. October 10.

NOTE for 1. and 2.
If the date the request was received by the Agent/Broker is not evident, the Agent/Broker will be asked to provide proof of the date received acceptable to the Servicing Carrier. If proof cannot be provided, the request will be processed effective 12:01 a.m. on the date received by the Servicing Carrier.

### 3. Received by Servicing Carrier after 30 days and vehicle sold

In the event that the vehicle has been sold, and a copy of the bill of sale satisfactory to the Servicing Carrier is produced, the policy shall be cancelled the day after the vehicle is sold regardless of what that date might be.

*For example:* The vehicle was sold June 5. The Servicing Carrier does not receive the request to cancel until September 5. If the Insured can produce a satisfactory bill of sale, the Servicing Carrier will cancel the policy effective 12:01 a.m. June 6.

### 4. In the event of a total loss

In the event that a vehicle has been written off in a claim, cancellation shall be effected:

a) The day after the salvage is signed over to the Insurer,
**or**
b) The date the policy is no longer providing coverage on a rental vehicle under the temporary substitute auto provision, if that date is later than the date salvage was signed over.

*For example:* The vehicle has been written off in a claim June 1. On September 1 the Servicing Carrier receives a request to cancel the policy effective June 1. Upon checking with the claims department, the Servicing Carrier ascertains that salvage was signed over to the claims department on June 15. However, the Insured had a rental vehicle covered under the policy's temporary substitute auto coverage until June 20. The Servicing Carrier will cancel the policy effective 12:01 a.m. June 21.

#### 5. Coverage placed in Voluntary Market

In the event the Insured has placed coverage through the voluntary market, upon receipt of a copy of the replacing policy application or temporary liability card, the Servicing Carrier shall cancel the policy effective the date that the replacement coverage took effect.

Servicing Carriers shall proceed with cancellation as outlined in points 1 or 2 unless the Servicing Carrier is aware or is made aware, that the circumstances outlined in points 3, 4 or 5 exist.

## B. Policies with Lessors or Lienholders

If the policy is being cancelled at the Insured's request, a release of interest must be obtained from the lessor or the lienholder. In the event the Servicing Carrier does not receive a release of interest from the lessor, a notice is to be sent to the lessor by registered mail to advise that the policy is being cancelled and the effective date of cancellation. If no release is received from the lienholder, a notice is to be sent to the lienholder (registered mail is not required) to advise that the policy is being cancelled and the effective date of cancellation.

If the policy is being cancelled at the Agent's/Broker's request or Servicing Carrier's initiative by registered letter, a copy of the registered letter must be sent to the lessor or lienholder by registered mail.

## C. Where Proof of Insurance Has Been Filed

If proof of insurance has been filed, the notice period required by the authority must expire before cancellation can be effected; therefore the Servicing Carrier shall cancel the policy effective the date the notice period expires. (See Rule 227: Proof of Insurance.)

## D. Policy is Financed Through a Premium Finance Company

If a return premium is payable on a policy financed with a premium finance company, the gross refund is to be sent directly to the premium finance company regardless of the reason for cancellation. The Agent's/Broker's account shall be debited with the amount of the premium refund sent to the premium finance company.

## E. Cancellation – Procedures

#### 1. Cancellation at the request of the Insured or the Premium Finance Company – Broker Bill & Direct Bill

Cancellation requested by the Insured or the premium finance company under power of attorney must be made in writing in a format suitable to the Servicing Carrier.

Facility Association shall accept faxed signed and dated cancellation requests.

**The return premium shall be calculated as follows:**
For commercial vehicles being placed in the voluntary market, calculate on a pro rata basis using the Day Table subject to any applicable minimum retained premium

For commercial vehicles not being placed in the voluntary market, use Short Term Table 1 or 2 subject to any applicable minimum retained premium.

If the policy is on Broker Bill, the Servicing Carrier shall credit the Agent's/Broker's account with the unearned premium refundable unless the premium is financed through a premium finance company.

**If the service fee has been capped, see Rule 224.**

#### 2. Cancellation at the request of the Agent/Broker – Broker Bill

#### When additional premium cannot be collected on original quote

If the Agent/Broker cannot collect the additional premium arising from an increase to the premium originally quoted for new business:

a) The Agent/Broker must advise the Servicing Carrier of the amount of premium collected (including service fee and provincial sales tax) and request that a notice of cancellation be issued to the Insured,
**or**
b) The Agent/Broker must have the policy signed off. Facility Association shall accept faxed signed cancellation requests.

**If the service fee has been capped, see Rule 224.**

If the Agent/Broker reports non-payment of the additional premium within 30 days of receiving notice of those increases, the earned premium for cancellation shall be calculated pro rata on the Agent's/Broker's originally quoted premium. Otherwise, the earned premium shall be calculated pro rata on the revised premium. If a subsequent application is submitted by the same Agent/Broker to the same Servicing Carrier for substantially the same risk within 30 days of the effective date of cancellation of the first policy and, the Agent/Broker reports non-payment of additional premium, the earned premium shall be calculated pro rata on the revised premium.

Note: For policies for which premium is paid direct to the Servicing Carrier and the Carrier initiaties cancellation the words 'agent/broker' will be read to mean Servicing Carrier.

#### When outstanding premium cannot be collected in all other cases

#### Agent/Broker Responsibilities

If cancellation of a policy is requested by the Agent/Broker due to inability to collect the full policy/renewal premium or a subsequent additional premium, the Agent/Broker will be responsible for the time on risk charge which will be pro rata of the full premium.

The Agent/Broker must advise the Servicing Carrier of the amount of premium collected (including service fee) and request that a notice of cancellation be issued to the Insured.

### Servicing Carrier Responsibilities

The Servicing Carrier shall promptly issue a registered notice of cancellation in accordance with the Statutory Conditions. The earned premium for cancellation shall be calculated pro rata on the full term premium at the time of cancellation.

When the Servicing Carrier issues a registered letter of cancellation, any unearned premium including service fee shall be refunded directly to the Insured (unless the policy is financed through a premium finance company) and the Agent's/Broker's account shall be debited for the amount of the refund and credited for the unearned premium.

### 3. Cancellation of Late Issued Renewals

If the Servicing Carrier is unable to issue renewals in the required time period, the Agent/Broker must issue a temporary liability card to the Insured and collect a downpayment based on the estimated annual premium (or the estimated semi-annual premium for 6 month policies) for the upcoming renewal term.

### Once the Renewal is issued

If the Insured does not accept the renewal premium, the Agent/Broker shall advise the Servicing Carrier of the amount of premium collected and request that notice of cancellation be issued to the Insured **or** shall have the Insured sign off the policy.

The Servicing Carrier shall then issue a registered letter of cancellation in accordance with the Statutory Conditions or issue the necessary cancellation documents. The earned premium shall be calculated pro rata based on the previous term premium.

### 4. Flat Cancellation

### New Policy

Flat cancellation of a new policy is not allowed except as provided under Rule 219: Flat Cancellation Exceptions.

### Additional Premium Policy Change

If evidence of renewal refusal is not received within 15 days, the renewal shall be cancelled on a pro rata basis effective the date it is received by the Servicing Carrier and the Agent/Broker shall be responsible for earned premium. A written request acceptable to the Servicing Carrier, for cancellation effective renewal date shall be accepted in lieu of evidence of renewal refusal.

### 5. Cancellation of Renewals in Outlying Areas

No longer applicable.

### 6. Flat Cancellation Exceptions

1) Any policy returned to the Servicing Carrier complete with liability cards, prior to the effective date of the policy, may be cancelled flat.

2) Any policy returned to the Agent/Broker complete with liability cards and destroyed in the Agent/Broker's office, with written confirmation from the Agent/Broker provided to the Servicing Carrier, prior to the effective date of the policy, may be cancelled flat.

   a) The cheque was dated and issued on or before the effective date of the policy period concerned or the electronic payment was made on or before the effective date of the policy period concerned;
   **and**
   b) The cheque was immediately deposited;
   **and**
   c) If financed under a contract with a premium finance company the full down payment required under the terms of the contract;
   **and**
   d) The return of the cheque by the financial institution or dishonour of the electronic payment is promptly reported to the Servicing Carrier. A copy of the cheque front and back must be provided to the Servicing Carrier.

**However, on the registered letter of cancellation to the Insured, the Servicing Carrier shall request payment of the full pro rata time on risk charge.**

### 7. Cancellation initiated by the Servicing Carrier

### Non-Payment – Direct Bill

If premiums are paid directly to the Servicing Carrier, the Servicing Carrier may cancel an insurance policy for non-payment of premium. The earned premium shall be calculated pro rata.

### Other Circumstances

The Servicing Carrier may not otherwise cancel an insurance policy unless approval of such action is contained in this manual or is obtained in the manner prescribed by the Association's Board of Directors.

## F. Refund Calculation

### 1. Insured's Request

For a policy cancellation requested by or on behalf of the Insured (e.g. requested by a premium finance company), the premium refund shall be calculated in accordance with the Short Term Tables, unless a pro rata cancellation is being allowed because the risk is being placed in the voluntary market (excluding Motorcycles, Mopeds, Snow Vehicles and Antique Vehicles). If the service fee has been capped, see Rule 224.

### 2. Any Other Reason

Where the policy is being cancelled for any other reason (e.g. by registered letter) the premium refund shall be calculated on a pro rata basis using the Day Table.

## Rule 220: Not applicable

## Rule 221: Time on Risk Tables

### A. Pro Rata

#### Calculation for Endorsements & Cancellations

Using the Day Table on the next page:

1. Determine the factor that corresponds to the policy's expiry month and day. *For example* March 26 is .233. Express the policy's expiry date in a decimal format by combining the year and the factor. March 26, 1999 would become 1999.233.

2. Determine the factor that corresponds to the effective date of the policy change or cancellation and express that date in a decimal format. If the effective date of policy change is November 20, 1998 that would be expressed as 1998.888. Note that if the effective date of change or cancellation is February 29, it should be treated as February 28.

3. Subtract the second number from the first.

| | |
|---|---|
| Policy expiry date | 1999.233 |
| Policy change date | 1998.888 |
| Refund/change factor | .345 |

4. Where the policy is a six month policy, double the refund/change factor.

5. For a policy cancellation, the refund is calculated by multiplying the policy premium as of the cancellation date by the refund/change factor. The policy premium is the full term premium for the coverage in force at the time of cancellation. Minimum retained premium must be taken into consideration.

6. For a policy change, the additional/return premium is obtained by multiplying the full term premium for the change by the refund/change factor.

## C. Short Term Tables

### Commercial Vehicles

For a policy cancellation, use Short Term Table No. 1 or No. 2. For a short term policy, use Short Term Table No.1.

### Cancellation requested by or on behalf of Insured

1. Referring to the Day Table, calculate the number of days the policy has been in force.

2. Referring to Table No. 1 (in the case of an annual policy) or Table No. 2 (in the case of a six month policy), determine the 'percentage of premium'.

3. Subtract that percentage from 100% to determine the 'refund percentage'.

4. Apply the refund percentage to the full term policy premium as at the cancellation date. Minimum retained premium must be taken into consideration.

### Calculating premium for a Short Term policy:

1. Referring to the Day Table, calculate the number of days the policy has been in force.

2. Referring to Table No.1, determine the 'percentage of premium'.

3. Apply that percentage to the annual premium. Minimum retained premium must be taken into consideration.

# Rule 222: Reinstatements

## A. A policy may only be reinstated if:

a) The Servicing Carrier receives instructions not later than the day before the cancellation takes effect. This includes instructions from a premium finance company. Where the Agent/ Broker has not forwarded payments to a premium finance company, the policy cannot be reinstated. Cancellation takes effect at 12:01 a.m. e.g. If the policy is to be cancelled effective July 1, the request for reinstatement must be received by the Servicing Carrier before midnight June 30. If the cancellation has taken effect, the policy cannot be reinstated and a new application must be completed. Any unpaid earned premium under the policy due to the Servicing Carrier must be paid with the new application.

b) The policy was cancelled for non-payment, and the full required premium is received (by cash, money order or certified cheque from the Insured) or there is written confirmation from the Agent/Broker assuming full responsibility for that premium. Where a refund cheque accompanied the registered letter, the amount of the refund cheque must also be obtained from the Insured (by cash, money order or certified cheque) or the Agent/Broker shall assume full responsibility for that amount.

## B. When a policy is reinstated

When a policy is reinstated, the Servicing Carrier shall issue a notice of reinstatement. If necessary, the Agent/Broker or Servicing Carrier shall issue a temporary or permanent liability card. If proof of insurance was cancelled, the necessary proof of insurance shall be reissued.

# Rule 223: Service Fee Schedule (Commission)

For vehicles on 6 month policies, the cap is 50% of the annual amount shown. **Where risks are 'experience rated', there is no cap; however, the maximum commission rate shall not exceed 7 ½ % per vehicle.**

| | Experience Rated | Individually Rated | Cap |
|---|---|---|---|
| **Commercial Vehicles** | | | |
| Long haul vehicles (including trailers) Classes 61-64, 99 | 6% | 6% | $370 |
| Classes 33-36, 41-49, 54, 55 | 7.5% | 10% | No cap |
| **Commercial Use including Fire & Police Department Class 53** | | | |
| Motorcycle, Moped, Snow Vehicle, All Terrain Vehicle , Other recreational vehicles | 7.5% | 7.5% | $185 |
| All Other Vehicles | 7.5% | 10% | $370 |

**No other additional fee for service may be charged.**

# Rule 224: Service Fee

Facility Association premiums are published on a net of commission basis. Agents/Brokers are compensated by means of a service fee. The service fee is subject to a maximum amount (cap) per vehicle in most circumstances. The service fee is legally a part of every premium. Premium is the net premium plus service fee.

The fee is charged on a per vehicle basis including the premium for applicable policy changes.

The fee is subject to a cap per vehicle per policy term for all vehicles except commercial (not public) other than long haul and those that are experience (fleet) rated. Please see the service fee schedule. For vehicles on 6 month policies, the cap is 50% of the annual cap shown on the schedule.

The service fee must be shown on the application (in the Additional Charges Column if possible) as 'Facility Association Service Fee' and must be added to the net premium to produce the total policy premium.

The policy documents for all premium transactions must show the net premium, 'Facility Association Service Fee' and total amount payable. Every registered notice/letter of cancellation must show the earned premium, earned service fee and applicable provincial sales tax.

## A. Broker Bill

At the time of binding an application for insurance, the Agent/Broker shall calculate the service fee subject to the cap. When the policy is issued or an additional premium policy change is issued, the Servicing Carrier shall debit the Agent's/Broker's account with the net premium amount. The fee shall not appear on the statement as an amount payable. The Agent/Broker remits the premium only to the Servicing Carrier and retains the fee. When the Insured requests that the policy be cancelled, or that a coverage or vehicle be deleted, the Servicing Carrier shall credit the Agent's/Broker's account with the unearned premium and it is the Agent's/Broker's responsibility to refund the unearned service fee and applicable provincial sales tax.

Where the Agent/Broker is requesting cancellation by registered letter for non-payment, it is the Agent's/Broker's responsibility to inform the Servicing Carrier of the amount of premium including service fee and provincial sales tax collected from the Insured. Failure to do so may make the cancellation null and void and will leave the Agent/Broker open to an errors and omissions risk. When issuing the registered letter, the Servicing Carrier must refund the unearned portion of the premium to the Insured including the unearned service fee and applicable provincial sales tax. Failure to do so would make the cancellation null and void. The Servicing Carrier shall then debit the Agent's/Broker's statement for the unearned premium, service fee and provincial sales tax refunded to the Insured.

## B. Sample Worksheet for Service Fee Calculation on Policy changes

At the time of binding an application for insurance, the Agent/Broker shall calculate the service fee subject to the cap. When the policy is issued or an additional premium policy change is issued, the Servicing Carrier shall credit the Agent's/Broker's account with the service fee. The Servicing Carrier shall pay the Agent/Broker the credited service fee within 30 days of the accounting month's close.

When the Insured requests that a policy be cancelled, or that a coverage or vehicle be deleted, or the Servicing Carrier is required to cancel the policy for non-payment, the unearned service fee shall be debited to the Agent's/Broker's account. The Agent/Broker must pay the Servicing Carrier the amount of debited service fee within 30 days of the accounting month's close.

## C. Collection of Charges in Excess of Service Fee

The collection of any fee or additional charge in excess of the service fee is expressly forbidden. The Agency-Broker/Servicing Carrier Agreement states in note 3 of Exhibit A 'No other additional fee for service may be charged'. To charge an additional fee would constitute a breach of the agreement. In addition, the law requires that Facility Association rates must be those filed with and approved by the Financial Services Commission of Ontario and that Agents/Brokers comply with the Facility Association Plan.

The definition of 'rate' like 'premium' includes any commission or fees and an Agent/Broker who collects an additional charge on a Facility Association policy is in contravention of the Act.

## D. Calculation of the Capped Service Fee

In order to calculate the service fee (commission) for any kind of transaction (new business, renewal, additional premium or return premium policy change or cancellation):

### Step 1

Commission % X Total Net Premium to Date (including this transaction) = Uncapped Fee to Date

### Step 2

Determine the capped fee for the period of time the vehicle is insured.

### Step 3

Choose the lesser of the result from Step 1 or Step 2.
The cap is calculated per vehicle, and is dependent on the length of time the vehicle is insured.

*For example,* if a vehicle is added to the annual policy after 3 months, the cap would be reduced from $370 to $278. (9 months/12 months =.75 x $370 = $278)

The following table provides an example of the activity and resulting fee attributable to one policy. Note: This is an illustration and not meant to reflect the actual premiums associated with any transaction.

| TRANSACTION | | PREMIUMS | | SERVICE FEE | | | |
|---|---|---|---|---|---|---|---|
| Date | Type | This Transaction | Net to Date | Fee Calculated @ 10% | Cap | This Transaction | Fee Charged/ Credited |
| Oct. 1 | New business | 4,000 | 4,000 | 400 | 370 | 370 | 370 |
| Nov. 1 | Delete Collision | -1,000 | 3,000 | 300 | 370 | -70 | 300 |
| Dec. 1 | Add Comp | 100 | 3,100 | 310 | 370 | 10 | 310 |
| Jan. 1 | Add Collision | 800 | 3,900 | 390 | 370 | 60 | 370 |
| Feb. 1 | Increase limits | 50 | 3,950 | 395 | 370 | ----- | 370 |
| Jul. 1 | Cancel policy | -400 | 3,550 | 355 | 278 | -92 | 278 |

## Calculation of the Capped Service Fee

***Examples:***

On October 1st, one vehicle is insured for a 12 month term. The premium is $4000. The uncapped fee at 10% would be $400 and this is capped at $370.

On November 1st, the Insured deletes Collision resulting in a return premium of $1,000.
The total premium for the 12 months is now $3,000 that generates $300 fee. Therefore, $70 of the previously collected $370 must be returned.

On December 1st, the Insured adds Comprehensive, resulting in an additional premium of $100, for a total 12 month premium of $3,100. This results in an uncapped fee of $310. This is less than the cap and a charge of $10 (the difference between $310 and $300) is made.

On January 1st, the Insured adds Collision at a cost of $800. This results in a new 12 month premium of $3,900.
The resulting uncapped fee at 10% equals $390. This is more than the $370 cap and thus the cap comes into play.
Since the fee has not already reached the cap, there is an additional fee of $60 to be charged for the transaction.

On February 1st, the Insured increases the liability limit on the policy, which results in an additional premium of $50.
The total 12 month premium becomes $3,950 and the uncapped fee would be $395. Since the fee has already reached the cap, there is no additional fee to be charged for this transaction.

On July 1st, the Insured cancels the policy. The premium for the 9 month period is $3,550.
The uncapped fee would be $355. Since the policy period for this vehicle is now 9 months, the cap is decreased accordingly and becomes $278 (9 months/12 months (.75) x 370). The Agent/Broker must refund $92 of the fee to the Insured.

### Endorsements

| Item | | Example | | Actual |
|---|---|---|---|---|
| Renewal Net Premium | | 2859 | | |
| Renewal Commission | | 286 | | |
| Endorsements | | | | |

There are two calculation options that may be used:

**1. Obtain using new premium**

**Example**

2859 - 869 = 1990
44
Net Premium: 2034
X .10
Commission: 203
Refund: (286 – 203) = 83

**2. Obtain using actual endorsement**

**Example**

-82.50
285.9 (2859 x .10)
-82.50
203.40
83 Refund (286– 203.40)

### Cancellations

If a policy is cancelled short rate, the return premium is calculated short rate. The service fee is calculated on a pro rata basis. The cap however may limit the fee.

*Examples assume annual policy in force one month at short rate of 15%.*

| | Premium Being Charged | Uncapped Fee | Cap | Applicable Fee | Total Premium Charged |
|---|---|---|---|---|---|
| **Example 1** | | | | | |
| Policy | $3000 | $300 | $370 | $300 | $3300 |
| Cancelled after One month | $450 (15%) | $25.00 (8.333%) | $30.83 (1/12 = 8.333% of $310) | $25.00 | $475 |
| **Example 2** | | | | | |
| Policy | $500 | $50 | $370 | $50 | $550 |
| Cancelled after One month | $75 (15%) | $4.17 (8.333%) | $30.83 (1/12 of $370) (1/12 = 8.333% of $370) | $4.17 | $79 |

# Rule 225: Definition of Accident

## A. What Is A Chargeable Accident

A chargeable (at fault) accident is an occurrence resulting in damage to persons or property arising out of the ownership, use or operation of a vehicle, in consequence of which:

1. An amount has been paid or would have been paid but for the existence of provincial Direct Compensation laws or agreements,
or
2. A loss remains unsettled or unpaid,
or
3. A civil suit is pending in respect of
   Liability
   No Fault Benefits Schedule (Accident Benefits)
   Collision or the Collision portion of All Perils coverage

A chargeable accident is always taken into account in rating even if there was no insurance in effect or the loss was repaid to the Insurer by or on behalf of the Insured or if the Insured chose not to present the claim.

## B. What Is Not A Chargeable Accident

An occurrence shall not be regarded as a chargeable accident if:

1. For a minor accident occurring on or after June 1, 2016 the following criteria are met:

- Damage to each vehicle including property damage does not exceed $2000 and is paid by or on behalf of the at fault driver.
- No personal injuries are sustained.
- No payment is made by any insurer.
- This is the first minor at fault accident involving the vehicle in the previous three years.

2. For accidents not meeting the definition of minor accident or occurring prior to June 1, 2016:

- The Insured's degree of fault is determined as 25% or less under the relevant provincial fault determination laws or agreements or dispute resolution mechanism.
- The damage resulted from the vehicle being struck by an unidentified vehicle and is reported to the police within 24 hours.
- The damage occurred while the vehicle was legally parked and is reported to police within 24 hours.
- The damage results from collision with a wild or domestic animal.
- All damages are legally recoverable from the owner or driver of an uninsured or unidentified automobile.

**Notes:**
The words 'loss(es)' and 'claim(s)' where used in this manual are considered to have the same meaning as the word 'accident'.

The words 'at fault' and 'chargeable' where used in this section of the manual are considered to have the same meaning.

Any accident involving a vehicle insured on this policy and allocated to a driver who subsequently has signed a valid END 28A (Excluded Driver) will not be considered a chargeable accident, unless the excluded driver has driven the insured vehicle resulting in a claim. Under that circumstance, the policy will be rated as if there is no excluded driver.

## C. How To Allocate Chargeable Accidents

No accident shall be used more than once in determining the premium for vehicles insured through FA with any Servicing Carrier whether or not on the same policy.
There is no requirement that drivers be accident free on other vehicles. The rating of the commercial vehicle is determined from the vehicle history not the driver's history.

If the driver involved in the accident is removed from the policy, the accident shall continue to be assigned to the vehicle on which it occurred.

At new business, where there are multiple vehicles and multiple drivers insured on a policy, any claims shall be assigned to the vehicle involved in the claim or one for which it has been substituted. At renewal, any at fault accidents which occurred during the policy term shall be assigned to the vehicle on which they occurred.

*For example:* A new application is received. Applicant is principal operator of Vehicle 1 and has had 2 losses on Vehicle 1 and 1 loss on Vehicle 2. Employee is principal operator of Vehicle 2 and has had 1 loss on Vehicle 1 and 1 loss on Vehicle 2. For purposes of allocating accidents, the 3 accidents involving Vehicle 1 will be allocated to Vehicle 1 and the 2 accidents involving Vehicle 2 will be allocated to Vehicle 2. The term 'vehicle' includes 'one for which it has been substituted'.

The following table illustrates how chargeable accidents are to be applied in the rating of other types of vehicles if they cannot be assigned to the vehicle actually involved

| Type of vehicle involved in the accident | Type of vehicle to which the accident can be applied |
|---|---|
| Private Passenger | Private Passenger, Motor Home, Light Commercial |
| Light Commercial | Commercial, Private Passenger, Motor Home |
| Commercial | Commercial |
| Public | Public |
| Motor Home | Motor Home, Private Passenger, Light Commercial |
| Motorcycle | Motorcycle |
| Garage | Garage |
| All Terrain, Snow Vehicle | All Terrain, Snow Vehicle |

**Note: '**Type of vehicle' means the section of the manual in which the vehicle was or would have been rated.

Where an at fault accident is being charged against a vehicle showing on the policy and that vehicle is deleted from the policy or mandatory coverage on that vehicle is removed or suspended, the at fault accident shall be re-assigned on the following basis:

- to a remaining vehicle with active mandatory coverage i.e. not deleted or suspended
- to the vehicle that produces the highest premium where there is more than one remaining vehicle,
- effective the date coverage on the original vehicle was deleted or suspended

Where an at fault accident is being charged against a vehicle NOT showing on the policy and it is discovered that the associated vehicle is deleted from the policy or mandatory coverage on that vehicle is removed or suspended, the at fault accident shall be re-assigned on the same basis as that shown above.

**Note**: The vehicle to which the at fault accident is re-assigned must be the type of vehicle to which the accident can be applied. Refer to preceding table.

# Rule 226: Accident and Conviction Surcharges

These surcharges are applicable to Liability, Accident Benefits, Uninsured Automobile, Direct Compensation Property Damage and Collision. These surcharges are not to be applied to coverages which are experience (fleet) rated.

## A. Accidents

Accident surcharges are assessed in accordance with the surcharge schedule for chargeable accidents that occurred during the 36 months immediately preceding the commencement of the period of insurance.

### 1. At New Business

No accident shall be used more than once in determining the surcharges for vehicles insured through FA by any Servicing Carrier, whether or not on the same policy.

Accidents arising from the ownership of any vehicle other than the described vehicle are not to be considered.

*For example:* The Insured owns a business in which three commercial vehicles are driven by employees. Two of the commercial vehicles are insured in the voluntary market; the other is insured through FA. There have been 2 accidents on each of the vehicles in the voluntary market, none of which arose from the use or operation of the vehicle by the Insured himself. There have been 3 accidents on the vehicle insured through FA. The accidents that occurred on the vehicles insured in the voluntary market are not used to calculate the accident surcharge on the vehicle insured through FA, as long as they are rated under another inforce automobile policy.

Where the term 'described vehicle' is used, it includes a vehicle substituted for it.

Accidents arising out of the use or operation of other vehicles for which another listed driver is responsible shall not be considered. There is no requirement that drivers be accident free on other vehicles; the rating is determined from the vehicle history not the driver's history.

#### a) One vehicle on the policy

Consider accidents that involved the described vehicle or a vehicle substituted for it.

*For example*: Applicant has had 1 at fault accident on the described vehicle and 1 accident on a neighbour's car. Employee had 1 at fault accident on own vehicle insured elsewhere but has now sold that vehicle. Only the accident on the described vehicle shall be considered.

#### b) One driver and two or more vehicles

Accidents that involve one of the described vehicles shall be assigned to that vehicle. Accidents arising out of the use or operation of any other vehicle by the Applicant or any other listed operator shall not be considered.

*For example:* There are two commercial vehicles on the policy with the Applicant as the only operator. There has been one accident on Vehicle 1 and one accident on Vehicle 2. Applicant also had two accidents on a pleasure vehicle insured elsewhere. The claims on the commercial vehicles are rated on the vehicles on which they occurred. The two accidents on the vehicle insured elsewhere are not considered.

#### c) Two or more drivers and two or more vehicles

Each driver is to be assigned as principal operator on the vehicle he or she most frequently drives. Accidents that involve one of the described vehicles shall be assigned to that vehicle. Accidents arising out of the use or operation of any other vehicle by the Applicant or any other listed driver shall not be considered.

*For example:* There are two commercial vehicles on the policy and two operators. Applicant is principal operator of Vehicle 1 and has had one accident on Vehicle 1 and one accident on his personal vehicle insured elsewhere. Employee is principal operator of Vehicle 2 on which there have been two accidents. On Vehicle 1 count only the accident that occurred on the described vehicle. The accident on the personal vehicle insured elsewhere is not to be considered. On Vehicle 2 count both accidents as they occurred on the described vehicle.

### 2. At Renewal (for surcharge only)

At the time of renewal, the accident record shall be updated. Any accidents that occurred more than 36 months prior to renewal date shall be excluded and all accidents that occurred during the expiring term that involved the following shall be added:

a) The described vehicle (regardless of driver).

b) Other vehicles but were the subject of claims under this policy.

## B. Convictions

Conviction surcharges shall be assessed for traffic offences (as hereinafter described) for which the Insured was convicted in the 36 months immediately preceding the commencement of the period of insurance.

No convictions related to an excluded driver shall be taken into consideration. END 28A (Excluded Driver) must be properly signed by the named Insured and excluded driver.

### 1. How to apply conviction surcharges

No conviction record shall be used more than once to determine conviction surcharges for vehicles insured through FA by the same Servicing Carrier, whether or not insured on the same policy.

If convictions for impaired driving and failure or refusal to take a breath or blood test relate to the same occurrence, they shall be considered as one conviction.

Convictions for road offences shall not be used in the rating of off road vehicles (e.g. snow vehicles, all terrain vehicles) and vice versa.

If more than one CAIA/MVACA conviction relates to the same occurrence, only the one that develops the highest surcharge shall be used.
CAIA – Compulsory Automobile Insurance Act
MVACA – Motor Vehicle Accident Claim Act.

### a) One vehicle and more than one driver

The conviction record of all persons who are regular or frequent drivers of the vehicle shall be reviewed to establish which conviction record develops the highest surcharge percentage in accordance with the surcharge schedule for convictions and/or the lowest driving record. That conviction record shall be used to determine the applicable driving record and calculate the conviction surcharge.

### b) More than one vehicle and more than one driver

Each driver shall be allocated to the vehicle he/she drives most and that driver's conviction record shall be considered in relation only to that vehicle.

### c) One driver and more than one vehicle

The driver's conviction record shall be applied to the vehicle that produces the highest combined Liability, Accident Benefits, Uninsured Automobile, DCPD and Collision premium prior to the application of any accident or conviction surcharges.

## C. Accident/Conviction Surcharge Table

**Note**: If there is more than one vehicle on the policy, the surcharge will apply to the vehicle principally driven by the person who committed the fraud. If the person who committed the fraud is the Applicant but not a driver of any vehicle on the policy or is a driver but not the principal driver of any vehicle on the policy, the surcharge will be applied to the highest rated vehicle on the policy.

# Rule 227: Proof of Insurance Where Notice of Cancellation or Deletion is Required

1. The Agent/Broker is authorized to issue proof of insurance on behalf of the Servicing Carrier in the form of the Servicing Carrier's standard certificate or a CSIO-approved Certificate of Insurance, with a notice of cancellation period not exceeding 15 days.
   a) If a notice of cancellation period exceeding 15 days is required, the Agent/Broker it to obtain approval from the Servicing Carrier prior to certificate issuance.

   b) Certificates must be issued only on a Described Automobiles basis. Should proof be required on a Blanket Basis, refer to item #4 below.
   c) Copies of all certificates issued by the Agent/Broker shall be submitted to the Servicing Carrier within one (1) business day for acceptance and documentation.
   d) The Servicing Carrier is ultimately responsible for ensuring that all proof of insurance issued by the Agent/Broker is acceptable and reflects the limits of the policy. The Servicing Carrier will promptly reissue any certificate originally issued by the Agent/Broker, where indicated coverage differs from the policy or where the notice of cancellation period was not previously approved by Underwriting.

2. The Servicing Carrier is responsible for the completion of any non-standard certificates (i.e. certificates that are to be completed on a non-CSIO approved form), Out of Province, U.S. or Other filings.
   a) The Agent/Broker must specify to the Servicing Carrier if proof of insurance (e.g. a financial responsibility certificate) must be issued or filed with a Local, Provincial, Federal or U.S. authority.
   b) Where vehicles are operated in the U.S., Agents/Brokers must confirm with Insured's if proof of insurance is to be filed and, if so, in what amount.

3. If proof of insurance is issued by the Servicing Carrier, a copy must be supplied to the Agent/Broker for their records.

4. Poof of Insurance must only be issued on a 'Described Automobile' basis. Proof may not be issued or filed on a 'Blanket Basis'(i.e. without specifying the insured vehicles), only if the authority concerned permits no alternative. In that case, the Facility Association's form of 'Indemnification and Hold Harmless Agreement' must be fully completed and include the signatures of the Applicant and a witness. The completed form is to be kept on file with the Servicing Carrier.

5. Parties requiring proof cannot be added as additional named Insureds on the policy. The certificate showing proof of insurance guarantees to the Party that the vehicle is insured. This is the full extent of the guarantee.

6. Should the Servicing Carrier have any concern with the coverages or limits being guaranteed when asked to use a certificate prescribed by the organization or authority with whom the certificate is being filed, the Servicing Carrier should contact Facility Association Head Office.

## A. Financial Responsibility Certificate

A temporary liability card may be issued for an Applicant who requires the filing of a financial responsibility certificate before he/she may be licensed to drive, provided a fully completed and signed application is submitted for the Applicant at the time the temporary liability card is issued. Details of the licence subsequently obtained must be reported promptly to the Servicing Carrier.

## B. Renewal or Offer to Renew

If a renewal or offer to renew is issued where proof of insurance has been issued or filed and the renewal is not required, the Servicing Carrier must be notified in sufficient time to file a notice of cancellation in accordance with the applicable authority's requirements. Otherwise the Agent/Broker/Insured shall be responsible for time on risk charges.

## C. Policy Cancellation or Vehicle Deletion

### 1. Registered Letter

Where proof of insurance has been issued or filed and the policy is to be cancelled, the cancellation of coverages to which the proof of insurance relates shall be processed in accordance with the Statutory Conditions.

**The notice of cancellation for the authority concerned must be issued on the same day as the notice of cancellation to the Insured; however, as a result of the authority's requirements, the effective date of cancellation may be different.**

*For example:* The registered letter of cancellation for the policy is issued on June 1 for both the Insured and the provincial authority. For the Insured, cancellation shall take effect 15 days from the date the registered letter is received at the post office to which it was addressed. Let's say June 19. The provincial authority requires 30 days notice of cancellation. The effective date of cancellation for the authority shall be June 30. If the Insured had a Comprehensive loss on June 25, the policy would not respond.
If however, the Insured had a Liability loss on June 25, the policy may have to respond as the proof of insurance provides that Liability coverage is in effect until cancelled on June 30.

### 2. Insured's Request

Where proof of insurance has been issued or filed, and the vehicle is to be deleted from the policy or the policy is to be cancelled, the cancellation of coverages to which the proof of insurance relates shall be processed after taking into consideration the period of notice required by the authority.

**The effective date of cancellation or deletion shall be the same for both the Insured and the authority concerned.**

*For example:* The Insured requests cancellation of the policy to be effective June 1. The provincial authority requires 30 days notice of cancellation. The notice to the provincial authority is sent on June 5. The effective date of cancellation for the Insured will be July 5.

### D. Filing Liability Limits

The filing should always be made for the limit required by law even if the policy actually shows a higher limit.

Where a vehicle requires filings in multiple jurisdictions, the filing should be made showing only the limits required in that jurisdiction. The policy should be written with the lowest limits necessary to meet all requirements.

*For example:* In one jurisdiction a filing for a vehicle requires a limit of $1,000,000. A filing for a $5,000,000 limit is also required in another jurisdiction for the same vehicle. The policy must be issued with a $5,000,000 limit. One filing should be made showing the limit of $1,000,000. The other filing should be made showing the $5,000,000 limit.

Where a filing is to be made for a leased vehicle, the filing should be made in the name of the lessee only.

### E. Processing Fees for Filings

Please contact your Servicing Carrier for a schedule of fees which will be charged on a 100% cost recovery basis.

**Any charge required by the authority concerned shall be in addition to, and separate from, the processing fees.**

## Rule 228: U.S. Exposure

### A. U.S. Exposure Surcharge

Any commercial vehicle that is operated in the U.S. is subject to the U.S. exposure surcharge.

Refer to Rule 200.D for a list of Supplementary Underwriting documents that may be required on vehicles traveling outside of the jurisdiction of registration, including into the U.S.

The percentage of U.S. Exposure will be determined based on the International Fuel Tax Assessment (IFTA) reports from the last four (4) quarters immediately preceding the effective date of the policy or endorsement.

If the Named Insured(s) has no prior insurance, refer to Rule 204.G: No Prior Insurance with Out-of-Province including U.S. Exposure

If the Named Insured does not participate in IFTA, please contact your Servicing Carrier for the documents required to confirm the percentage of U.S. exposure.

If this exposure is 5.0% or less of total mileage, a 5% surcharge will apply to Liability, Accident Benefits, Uninsured Automobile, DCPD and END 44R.
**NOTE**: Where vehicles are operated in the U.S., Insureds must be asked whether or not proof of insurance must be filed and, if so, in what amount. If eligible, U.S. Filings will be completed using the minimum FMCSA required limit based on the type of carriage, commodity transported and State required.

#### Liability, Accident Benefits, Uninsured Automobile, DCPD, END 44R

For each percentage point of mileage in the U.S., surcharge 1.5% of the applicable premium.

*For example*:

| U.S. Exposure | Applicable Surcharge |
|---|---|
| Up to 5% | 5% |
| 10% | 15% |
| 25% | 37.5% |
| 50% | 75% |

#### Optional Physical Damage Coverage

For each percentage point of mileage in the U.S., surcharge .75% of the applicable premium..

*For example*:

| U.S. Exposure | Applicable Surcharge |
|---|---|
| Up to 5% | 0% |
| 8% | 6% |
| 10% | 7.5% |
| 25% | 18.75% |
| 50% | 37.5% |

### B. Currency Differential Surcharge

Whenever proof of insurance is required by U.S. authorities, a currency differential surcharge is added to the Liability (not DCPD) premium to provide for the potential additional loss arising from the payment of a claim in U.S. dollars.

The currency differential is the rate of exchange being charged for the U.S. dollar, to the nearest cent, as at the date the premium is calculated by the Servicing Carrier for policy issuance. The Servicing Carrier shall use the Bank of Canada closing rate from the previous published day.

#### The surcharge percentage is calculated by means of the following formula:

**Currency differential x U.S. exposure surcharge**

*For example*:
The rate of exchange for the U.S. dollar is 1.3085 Canadian;
Therefore, the currency differential is 0.31.
The U.S. exposure surcharge is 25%.

**Currency differential surcharge: 0.31 X 25% = 7.75%**

**The currency differential surcharge is:**

1. Applied only to the Liability premium, not DCPD. There is no minimum surcharge applicable.
2. Additional to but not compounded on the U.S. exposure surcharge.

*Example:*

| | |
|---|---|
| The Liability premium is | $1,000 |
| U.S. exposure surcharge is | 25% |
| The currency differential surcharge is | 7.75% |
| | |
| Base premium | $1,000 |
| U.S. exposure $1,000 X .25 = | $250 |
| Currency differential $1,000 X 7.75 = 77.50 | $78 |
| Total Liability premium | $1,328 |

3. In addition to the Servicing Carrier's fee for filing proof of insurance.
4. Payable only when proof of insurance is required by U.S. authorities.
5. The combined dollar value of the currency differential surcharge and the U.S. exposure surcharge is subject to a minimum of $50 per policy term.

*For example*: Using the example above, the dollar value of the U.S. exposure surcharge is $250 and the dollar value of the currency differential surcharge is $78. The total combined dollar value is $328, well exceeding the minimum required.

## Rule 229: Claims

Every accident, loss or claim that comes to the knowledge of the Agent/Broker in regard to his/her Facility Association policies must immediately be reported in the manner prescribed by the Servicing Carrier.

**Collision with Animals**

Losses involving Collision with animals, both wild and domestic, shall be paid under Comprehensive coverage. If the policy does not afford Comprehensive coverage but does provide Collision coverage, the loss shall be paid under Collision coverage and be regarded as not at fault.

## Rule 230: Not applicable

## Rule 231: Suspension and Reinstatement of Coverages – END16/17

Liability, Accident Benefits, Uninsured Automobile, DCPD and Collision as they relate to the use and operation of the described vehicles, new vehicles or temporary substitute vehicles may be suspended by means of END 16. This endorsement leaves in place Comprehensive or Specified Perils coverage if present on the policy as well as the coverages mentioned above as they relate to the ownership of the vehicle. This means that END 16 does not suspend coverages related to 'drive other vehicles'; while a pedestrian; or the DCPD coverage while the vehicle is in storage. This endorsement is available on private passenger and commercial vehicles. Coverage is reinstated by means of END 17.
No refund is allowed in respect of Comprehensive and Specified Perils.

**END16/17 is not available for the following:**

1. Vehicles for which proof of insurance is issued or filed.
2. Experience rated risks
3. Recreational vehicles rated in the Recreational Vehicles Section
4. Vehicles that were never intended to be driven
5. Vehicles held for sale whether or not on an auto dealer's lot

**Rating**

1. If there are two or more vehicles insured through FA by the same Servicing Carrier, and one of the vehicles retains moving coverages, refund:
90% of Liability
100% of Accident Benefits, Uninsured Automobile
90% of DCPD
100% of Collision (if present)

2. If there is only one vehicle insured through FA by the same Servicing Carrier, refund:
90% of Liability
75% of Accident Benefits, Uninsured Automobile
90% of DCPD
100% of Collision (if present)

Determine the pro rata premium for the above coverages for the remainder of the term, and then refund the above percentage of that amount. When coverage is reinstated, the additional premium is the pro rata premium for these coverages for the remainder of the term. In no event shall a refund be granted for any suspension period of less than forty-five (45) consecutive days.

# Rule 232: Suspension of Operator's Licence

The following provisions apply in the event of the suspension, cancellation or lapse of an operator's licence. These provisions apply whether END 28A (Excluded Driver) is being added to the policy at the request of the Insured or by the Servicing Carrier because of the above mentioned circumstances.

## A. If there is no other driver of the vehicle

1. An application for insurance of the vehicle shall be declined by the Agent/Broker.
2. If the situation is discovered after the policy has been issued, the Servicing Carrier shall cancel the policy by registered letter in accordance with the applicable regulation.
3. The time on risk charge for the period to expiration of the notice of termination will be pro rata of the premium applicable to the risk as submitted.
4. If the situation is discovered as a result of enquiries prior to the renewal date, the Servicing Carrier shall issue a notice of nonrenewal.

**Note:** Where the Insured's licence is suspended, the Insured shall be permitted to place the vehicle in storage and suspend or remove moving coverages. See Rule 201: Minimum Coverage.

## B. If there is another licensed driver of the vehicle

(It is assumed that the person concerned will not drive without a valid licence.)

1. The Servicing Carrier shall issue END 28A (Excluded Driver) restricting coverage to minimum statutory Accident Benefits and excluding optional physical damage coverage, where provided, for that person.

2. If that person being a driver affected the rating of the insurance, the insurance will be re-rated to remove that person as a driver and any accidents involving that driver prior to being excluded will not be taken into account in rating. If the driver has a 'driving while suspended' conviction, all accidents and convictions will be taken into consideration for the rating and the END 28A (Excluded Driver) will be deleted.

## C. Unsigned END 28A (Excluded Driver)

If END 28A (Excluded Driver) is not signed, END 28A shall be deleted and the policy shall be re-rated as though there was no END 28A.

# Rule 233: 'Home-Made' Vehicles/ Reconstruction/Imported Right Hand Drive/Imported Vehicles

The following provisions apply to right hand drive, imported vehicles and any vehicle that has been constructed, reconstructed or restored other than by a recognized manufacturer of such a vehicle.

Where appropriate, this rule does not apply to vehicles with a manufacturer assigned VIN and a status of 'rebuilt' which are to be rated using CLEAR rate groups.

## A. Liability, Accident Benefits and DCPD

No coverages are permissible until the following are provided to the Servicing Carrier:

1. A valid vehicle registration and, at the Servicing Carrier's discretion, a certificate of roadworthiness or mechanical fitness acceptable to the Servicing Carrier
   and
2. For vehicles valued $15,000 or more, an appraisal acceptable to the Servicing Carrier at the Applicant's expense to enable the proper rating group to be determined. Vehicles valued under $15,000 are rated based on value provided by the Insured.
3. For private passenger vehicles, rate group 34 is to be used for Accident Benefits where vehicles are rated by value.

These certificates must accompany the application to the Servicing Carrier.

## B. Optional Physical Damage Coverage

1. No optional physical damage coverage (for any value) will be available for:

a) 'Home-made' / reconstruction vehicles until the construction, reconstruction, restoration has been completed and the mechanical fitness and value of the vehicles have been substantiated by a certificate from an independent appraiser or a recognized authority on such matters, acceptable to the Servicing Carrier.

b) Imported right hand drive and imported vehicles until value of the vehicle has been substantiated by a certificate from an independent appraiser or a recognized authority on such matters, acceptable to the Servicing Carrier.

2. The premium is based on the appraised amount.

3. The insurance shall be subject to END 19 (Limiting the Amount Paid for Loss or Damage Coverages) which must be attached to the policy and a copy signed by the Insured. END 19A (Agreed Value of Automobiles) is not available.

## Rule 234: Vehicles Used Outside Jurisdiction of Registration

When a Named Insured takes up permanent residence, or registers the business in another jurisdiction, the Named Insured is required to register the vehicle(s) in the new jurisdiction. The existing policy must be cancelled (pro rata) and new insurance obtained in the new jurisdiction.

Facility Association shall not provide insurance for vehicles that are never operated in the jurisdiction in which they were registered.

When a vehicle is registered in one jurisdiction but garaged or chiefly used in another, the following is to be used as a guide for rating purposes:

1. The vehicle must be insured on a policy from the jurisdiction where it is legally registered, even if the vehicle is chiefly used in another jurisdiction.

2. If it is known in which territory the vehicle is being used and there are FA premiums for that territory, then the appropriate FA premiums for that territory must be used.

3. If the vehicle is being used in the U.S., it must be rated in the territory in which it is registered. Refer to Rule 228: U.S. Exposure Surcharge to determine the surcharges applicable.

4. If the vehicle is used within one region as defined below, it is to be rated as though it is used in the highest rated territory of that region. If the vehicle is used in more than one region of Canada, it is to be rated as if used in the highest rated region.

**Region 1 – Atlantic Provinces**
Rate as New Brunswick Territory 3

**Region 2 – Central (Ontario and Quebec)**
Rate as Ontario Territory 20

**Region 3 – West and North**
Rate as Alberta Territory 4

5. If the vehicle is used in a Canadian jurisdiction for which Facility Association has no rates, the following shall apply:
   - Charge Alberta Territory 4 for British Columbia, Saskatchewan and Manitoba.
   - Charge Ontario Territory 20 for Quebec.

## Rule 235: Purchasing Vehicles in Jurisdiction Where FA Does Not Operate

When an Insured acquires a new vehicle and all vehicles owned by the Insured are covered under a POL 1, coverage is automatically provided for the newly acquired vehicle if the Insurer is notified of the acquisition within 14 days.

When the Insured:
a) acquires a vehicle in the U.S. and brings it to Canada to a jurisdiction in which FA operates,
**or**
b) acquires a vehicle in a jurisdiction in Canada in which FA does not operate;
FA shall if necessary, issue a short term policy to provide coverage while the vehicle is in transit (under a transit authority permit) before it is registered in the jurisdiction of residence. The short term policy shall be provided only for a period of time sufficient to allow the vehicle to be driven from the point of purchase to the residence of the owner. This should correspond to the period of time the transit permit is valid.

When the Insured comes through Customs, the vehicle must be declared and the Insured will be provided with the appropriate forms to complete and submit to the provincial registry so that the vehicle may be registered. A new application can then be submitted for a 6 or 12 month policy if required.

Where an individual or company has a business that includes the purchasing of vehicles in the U.S. or jurisdictions where FA does not operate for shipment back to a Canadian FA jurisdiction for resale, coverage must be provided by means of a garage policy for Automobile Dealers.

**Premium Calculation**
The premium is to be calculated in accordance with Short Term tables subject to minimum premium.

Commercial vehicles classified as light are to be rated Class 36. Commercial vehicles classified as heavy are to be rated Class 44. Driving record is 0. 100% U.S. exposure surcharge applies.

The territory to be used is the territory where the Insured resides.

# Rule 236: Short Term Rentals-Unspecified Lessees - Leases of 30 Days or Less and Ride Sharing

**A. Short-Term Rentals-Unspecified Lessees-Leases of 30 days or less – Class 7M**

Use POL 1 and END 5C.

Insurance is provided on a specified vehicle/per vehicle basis and use of END 21A/B is not permitted. Use of END 44R is not permitted.

### 2. Accident Benefits, Uninsured Automobile

Charge the normal rate for the type of vehicle concerned using Driving Record 0.

### B. Ride Sharing – Class 7N

Applicable where a vehicle is used in connection with a vehicle-sharing service, or peer-to-peer rental company.

Use POL 1 and END 5C. Insurance is provided on a specified vehicle/per vehicle basis and use of END 21A/B is not permitted. Use of END 44 is not permitted.

Rate as Short-Term Rental (as outlined in Section A above) and code as Class 7N.

# Rule 237: Long Term Leases-Specified Lessees - Leases Exceeding 30 Days

## A. Application

Each lessee must complete an application form. The name and address of the Applicant/lessee and the name and address of the lessor must be shown where required on the application form.

## B. Policy

Use POL 1 with END 5. The name and address of the lessor and the name and address of the lessee must appear on the policy declaration page.

## C. Rating

The vehicle is rated as if owned by the lessee.

# Rule 238: Driver Training Vehicles

All driver training vehicles shall be rated based on the trainer and that individual's experience. These vehicles shall not be rated for the trainee.

Use POL 1 with END 6D. This endorsement extends the Liability section of the policy to cover the Applicant's liability for student drivers/observers.

## A. Driving Record

Driving record is to be calculated in accordance with the section of the manual that applies to a similar class of vehicle, subject to a maximum of Driving Record 3. Clear record earned on a similar vehicle which was not previously used for driver training shall be applied when determining the driving record for driver training vehicles.

*For example:* The Insured opens a driver training school and uses his own truck as a driver training vehicle. The Insured has no previous experience with driver training and is 5 years accident free. According to the rules in this section, the Insured is entitled to Driving Record 3; therefore, the Insured is entitled to Driving Record 3 on the driver training vehicle. If the Insured had never owned a truck and purchased one to use for driver training, the driving record entitlement would be 0 according to the rules in this Commercial Section.

## B. Vehicle used solely for Driver Training

Calculate the premium as follows, add any applicable accident and conviction surcharges, and then apply the surcharges indicated in the Driver Training Vehicle Surcharge Table:

**Private passenger vehicles:**
Rate as Class 07 (Driving Records 0, 1, 2, 3 only).

**Commercial vehicles:**
Light - Rate as Class 36; Heavy - Rate as Class 44

**Public vehicles (Buses etc):**
Private passenger vehicles - Rate as Class 07
Other vehicles - Light: Rate as Class 36; Heavy: Rate as Class 44

**Recreational vehicles:**
Rate at non-pleasure rates

### C. Vehicles used for Driver Training in addition to some other use

1. Calculate the premium as though the vehicle is used solely for driver training.

2. Calculate the premium as though the vehicle were used solely for the 'other use'. *For example:* If the vehicle is used for retail delivery of auto parts, use Class 43.

3. Add the dollar value of the driver training surcharge calculated in Step 1 below to the premium calculated in Step 2.

4. Compare the premium in Step 1 to the premium calculated through Steps 2 and 3 and use the higher of the two.

*For example:*
**Step 1**
The vehicle is a light commercial vehicle and using Class 43, the total premium is $700. The Liability premium is $200. The vehicle is equipped with dual controls so a surcharge of 35% is applied to the Liability premium for a surcharge of $70. The total policy premium calculated in Step 1 is therefore $770.

**Step 2**
The driver training use is part time and the Insured also uses the vehicle for retail delivery of auto parts; therefore, a premium of $1000 is calculated by rating the vehicle as Class 43.

**Step 3**
The premium in Step 2 is $1000 and we add to that the surcharge premium of $70 calculated in Step 1.

**Step 4**
Use the higher of the results from Step 1 ($770) or Step 3 ($1070).

### D. Driver Training Vehicle Surcharge Table

#### 1. Vehicles used only for Secondary School, College or University training courses

| Coverage | Equipped with | |
|---|---|---|
| | Dual controls | Other |
| Liability | 35% | 135% |
| Accident Benefits | 0% | 0% |
| DCPD | 35% | 135% |
| Collision | 0% | 75% |
| Other Coverages | 0% | 0% |

#### 2. Other Vehicles

| Coverage | Equipped with | |
|---|---|---|
| | Dual controls | Other |
| Liability | 70% | 170% |
| Accident Benefits | 0% | 0% |
| DCPD | 70% | 170% |
| Collision | 25% | 100% |
| Other Coverages | 0% | 0% |

## Rule 239: Fleets

### A. Definition

A fleet is a group of not less than five automobiles:

- that are under common ownership or management
- of which at least five are commercial vehicles, public vehicles or vehicles used for business purposes, and
- of which any that are subject to a lease agreement for a period in excess of 30 days are leased to the same insured person.

Vehicles under "common management" will be considered where the Named Insured has assumed full responsibility for the payment of insurance premiums and agreement is in place between the Named Insured and Vehicle Owner, demonstrating the following:

1. The Named Insured is responsible for the assignment of driver schedules and routes, ensuring compliance with hours of work regulations **and**

2. The Named Insured maintains records of and deems acceptable all drivers who may operate a Vehicle **and**

3. Vehicles and all associated drivers adhere to the vehicle and driver safety standards of the Named Insured, **and**

4. Vehicles and all associated drivers adhere to the Named Insured means and methods of work, including risk management practices, code of conduct, training and service standards, **and**

5. Failure to adhere to any of the above will result in the termination of the agreement between the Named Insured and Vehicle Owner.

A signed "Facility Association Common Management Attestation", signed by the Named Insured and a copy of the common management agreement must accompany all new business applications.

A copy of the common management agreement will be required on subsequent renewals to maintain experience rating. The Servicing Carrier reserves the right to deny experience rating in the event the above criteria are not met, and fails to

otherwise meet other fleet rating criteria outlined under Rule 239.

## B. Fleet Rating

Fleet policies may only be issued on an annual basis.
Fleets of 9 or fewer self-propelled vehicles will be individually rated; fleets of 10 or more self-propelled vehicles will be experience (fleet) rated.

Fleets are subject to experience rating as of the commencement date of each policy period. If the fleet is insured through FA by two or more policies issued by one or more Servicing Carriers, the policies must have a common expiry date to facilitate experience rating.

For experience (fleet) rating, the Applicant must have had 120 months of Liability insurance in the past 12 months i.e. 10 vehicles with Liability coverage for the past year, regardless of the number of policies on which those vehicles were insured.

*For example:* If the Insured owned 10 vehicles and leased (on a long term basis) 1 vehicle that were insured for Liability for the past 12 months, the Insured has 132 months of Liability insurance. If the Insured only had 7 vehicles insured for Liability in that period, there would only be 84 months of Liability insurance and the policy would not be experience rated.

The 120 months is established on the basis of vehicles the Insured has owned or leased from others. The Applicant may be required to provide proof of vehicle registration and ownership. Vehicles that are leased for more than 30 days to others are not to be considered unless those vehicles are leased to one lessee and meet the definition of a fleet.

Vehicles that the Insured leases from others must be insured on a separate policy with the same expiry date as the policy for owned vehicles. If the policy for owned vehicles and the policy for the leased vehicles are insured through FA whether or not with the same Servicing Carrier, the policies shall be experience rated. If however, one policy is insured in the voluntary market and the other policy is insured through FA, the FA policy shall only be experience rated if there has been 120 months of liability insurance in the past 12 months for the vehicles insured through FA. If the policy does qualify for experience rating, only the experience on the vehicles insured through FA shall be used to promulgate the rate.

The months of Liability insurance for vehicles whose rates are derived from a Class 07 base and for commercial vehicles rated as private passenger (because of dual use), are included in the 120 month calculation. The months of Liability insurance on personal use recreational vehicles and private passenger vehicles solely used for pleasure (no driving to and from work for the Applicant's business) are not included in the 120 month calculation. However, once it has been established that a risk is to be experience rated, private passenger vehicles other than those rated Class 07 shall be included (with any claims) on the policy and in the experience rating.

Where a new fleet is being submitted to FA consisting of vehicles which are a sub-group of a voluntary market fleet and there is no verification of which claims involved which vehicles, the FA formula shall take into account the claims that occurred on all vehicles. It is the responsibility of the Agent/Broker/Insured to provide the claim history documentation for the vehicles to be insured through FA. Where a vehicle(s) on an existing fleet is being newly insured through FA, the claim history shall follow the vehicle(s).

Experience rating includes the following:

- All losses (At-Fault and Not-at-fault) are taken into account in rating even if there was no insurance in effect or the loss was repaid to the Insurer by or on behalf of the Insured or if the Insured chose not to present the claim;
- Claims (paid by the previous Insurer, reimbursed to the previous Insurer or paid by the Insured) outside the coverage on the application;
- Any amount paid back by the Insured due to an END 8 on the policy with the prior Insurer;
- Claims falling within a specific deductible not offered by FA e.g. on an occurrence basis regardless of the coverage involved in the loss;
- Amounts above FA deductibles when the prior Insurer had higher deductibles;
- Losses falling within any special agreements with the prior Insurer.

**NOTE:** Full experience details must be obtained directly from the prior Insurer to ensure all information on the risk is provided.

Fleets are to be written on a specified vehicle basis not on a blanket or receipts basis, therefore the use of END 21A and 21B is not permitted.

**Midterm Rating**

Midterm rating is not permissible for changes that occur (i.e. revision of claim reserves) during the policy term merely because of the lapse of time.

If it is discovered during a policy term that a risk is a fleet and is eligible for experience rating, it shall be experience rated at the time of next renewal. If more than one policy qualifies for experience (fleet) rating, the fleet policy shall be issued effective the renewal date of the earliest expiring policy, based on the information for all vehicles. The remaining vehicles shall be added to the fleet at the expiry date of their policies.

If the insurance is written by more than one Servicing Carrier, each policy upon expiry shall be subject to experience rating and shall be insured to the common expiry date.

If vehicles being added to a fleet insured through FA were previously on another fleet with the same common ownership or management as the FA fleet, these added vehicles are subject to experience rating as outlined in Rule 239:B. Fleet Rating.

### Optional Physical Damage Coverage

Vehicles may not be covered for Comprehensive/Specified Perils only.

The Collision portion of All Perils and Collision coverage shall be regarded as the same coverage for the purposes of determining the number of months of coverage, similarly, the portion of All Perils and, Comprehensive and Specified Perils shall be regarded as the same coverage.

Where Collision claims that have occurred in the past three years cannot be allocated to specific vehicles, the claims shall be assigned to the highest rated vehicles, one to each in descending order.

## C. Loss Information

For experience rated fleets, any reserve change for a loss in any previous term shall be added to the incurred losses of the policy term in which the reserve was changed.

*For example*: The new policy term will be May 1, 1999 to May 1, 2000. The Insured had 2 losses between May 1, 1998 and May 1, 1999.
The Insured had 2 losses between May 1, 1997 and May 1, 1998. The Insured had no losses between May 1, 1996 and May 1, 1997 but in September 1996 there was a $20,000 reserve increase on a claim that occurred in 1994. When listing the losses that occurred in the 2nd Prior Year (25-36 months) on the Automobile Fleet Schedule, the $20,000 reserve must be entered.

## D. New Applications

**1. Forms required for Fleet Submissions**

a) Facility Association binder application form fully completed and signed. Under vehicle items show 'Fleet Policy'.
b) Automobile Fleet Schedule
All vehicles including trailers for which insurance is required must be fully described.
c) Fleet Vehicle Count Calculation
Must be completed to determine the number of vehicles insured by coverage.
d) Fleet Rating Information Statement
This form provides additional information about the risk.
e) Any additional supplements such as drivers list, taxi questionnaire.

### 2. Incomplete Fleet submission forms

If the necessary information required by the Servicing Carrier to properly rate the policy is not received within 15 days of the intended effective date, the policy shall be issued at the quoted premium and cancelled by registered letter.

### 3. The Applicant must understand that:

The risk is bound from the effective date shown and an earned premium shall be charged.

The application is subject to the Facility Association fleet rating formula and the resulting premium may be substantially greater than the base premium quoted by the Agent/Broker.

If proof of insurance is required by U.S. authorities, a currency differential surcharge shall be applied to the Liability premium. See Rule 228: U.S. Exposure.

The Servicing Carrier may require payment of additional fees if proof of insurance has to be issued. See Rule 227: Proof of Insurance.

### 4. Agent/Broker responsibilities:

Submit all fully completed and signed fleet submission forms. Items on the binder application dealing with specific vehicles are to be answered 'Fleet Policy'. Incomplete forms shall be returned for completion resulting in policy issuance delays.

Premiums are to be calculated at Driving Record 0 and must include the U.S. exposure surcharge if applicable. The Servicing Carrier shall provide assistance to the Agent/Broker if rates for a particular type of risk or vehicle are not published in this manual.
Collect from the Applicant the premium quoted at Driving Record 0 or arrange a premium finance contract. The Agent/Broker is responsible for the pro rata earned premium based on the correct premium calculation at Driving Record 0 in the event of non-payment by the Insured.

Issue temporary (30 day) liability cards for each self-propelled vehicle listed on the fleet schedule as of the date coverage was bound. Each vehicle must be specifically shown; it is not permissible to use a 'blanket' wording of any kind.

A premium must be quoted and the risk bound before the fleet is submitted.

### 5. Servicing Carrier responsibilities:

The Servicing Carrier shall not provide quotations or accept fleet submissions which have not been bound.

If the manual does not provide information for rating a particular risk, the Servicing Carrier shall assist the Agent/Broker in establishing a method of rating. The Servicing Carrier shall also assist in determining rate groups which are not published.

Upon receipt of the properly completed documents the Servicing Carrier shall verify the information and loss history of the risk with the previous carrier as required and ensure prompt issuance of the policy documents.

### 6. If the revised premium is not acceptable:

If a promulgated fleet rating is not acceptable to the Applicant, the coverages shall be cancelled without charge if all temporary liability cards are returned and received by the Servicing Carrier no later than the intended effective date (the date coverage was bound). Where the temporary liability cards are not received by the intended effective date and the Agent/Broker reports non-payment of the additional premium within 30 days of receiving notice of the additional premium,

the earned premium for cancellation shall be calculated pro rata on the quoted premium calculated at Driving Record 0. Otherwise the earned premium shall be calculated pro rata on the promulgated fleet rating.

*For example*: The Agent/Broker bound coverage as of June 1 and quoted the Applicant a premium of $10,000 at Driving Record 0. On June 20, the Agent/Broker receives the fleet policy from the Servicing Carrier. The fleet has been promulgated at a premium of $12,000. The Agent/Broker advises the Insured of the premium increase and the Insured advises he/she wants to cancel the policy. On July 15, the Agent/Broker advises the Insurer to cancel the policy for nonpayment. Because the request for cancellation was received within 30 days of June 20, the earned premium will be calculated pro rata on a premium of $10,000.

If a fleet rating has been established for a risk and the Applicant has rejected the premium, a new application covering any vehicle in the Applicant's name previously on the fleet, must be quoted to the Applicant at the fleet rate not Driving Record 0. In the event that a policy issued from that new application must be cancelled because the Applicant rejects the premium, the earned premium shall be calculated pro rata of the fleet rate not Driving Record 0.

*For example*: Using the above example, on September 1, the Agent/Broker resubmits substantially the same fleet for the same Insured to the Servicing Carrier, quoting a premium of $10,000 at Driving Record 0. The policy is issued at the previously established premium of $12,000 and the Agent/Broker receives it on September 22. The Insured again rejects the additional premium and the Agent/Broker requests cancellation for non-payment on October 10. The earned premium will be calculated pro rata on a premium of $12,000.

### 7. Premium Calculation – Commercial Vehicles

#### Liability and DCPD

Where the Applicant requires limits in excess of $1,000,000 the Agent/Broker must discuss the risk with the Servicing Carrier prior to binding. Many risks will not be eligible for limits in excess of $1,000,000.

***Note:*** The application form must indicate the limits or combined limit actually required and the applicable endorsements (END 6A/B/C/F, 22).

#### Commercial Vehicles

Enter the premium applicable to the statutory minimum limit.

#### Optional Physical Damage Coverages

**All Perils**

This coverage is no longer offered on FA policies.

Record All Perils losses according to the peril under which they were paid i.e. Collision losses under Collision and Comprehensive/Specified Perils losses under Comprehensive/Specified Perils.

**All Optional Physical Damage Coverages**

Enter premium and deductibles where indicated.

#### Premium Totals

**Liability**

a) Total the appropriate premiums and enter the totals under the appropriate tables.

b) Apply the increased limit factor for limits up to $1,000,000.

c) Apply the increased limit factor for limits over $1,000,000 if required.

d) Add the final total under each table to the total derived from adding together all other premiums.

**Other Coverages**

Total the premiums in each column.

### E. Renewals

Prior to the expiry of experience rated insurance, the Servicing Carrier may ask the Agent/Broker to have certain forms completed to update the information on record.

Such a request shall usually be made well in advance of the expiry date because of the need to issue the renewal policy/certificate/offer to renew before the insurance expires.

The appropriate renewal documents shall not be issued unless and until the required forms, properly completed, have been returned.

## Rule 240: Not applicable

## Rule 241: Carrying Explosives

The standard policy exclusion for carrying explosives may be modified to permit carriage of specified explosives only, by adding END 4A. END 4A can be applied to all coverages or limited to the mandatory coverages.

An Explosive Questionnaire must be completed and signed by the Applicant, submitted to the Servicing Carrier and subject to the acceptance of the completed questionnaire.

a) A commercial type vehicle operated by an explosive manufacturer or dealer shall be rated in accordance with the Commercial Section of the manual.

b) For any other vehicle there shall be an additional charge applied to the vehicle premium. Contact your Servicing Carrier for the amount of the additional premium.

## Rule 242: Carrying Radioactive Material

The standard policy exclusion for carrying radioactive material may be modified to permit the carriage of specified radioactive material only, by adding END 4B. END 4B can be applied to all coverages or limited to the mandatory coverages.

A Radioactive Materials Questionnaire must be completed and signed by the Applicant and submitted to the Servicing Carrier. Subject to acceptance of a completed questionnaire, an additional charge shall be applied to the vehicle premium.

Contact your Servicing Carrier for the amount of the additional premium.

# Rule 243: Endorsements Applicable to POL 1 (Owner's Policy)

**Notes:**

1. **No endorsements, no special wordings and no changes to standard forms are permissible except as approved by or on behalf of the Superintendent(s) of Insurance.**
2. **This rule provides certain details of approved endorsement forms. The descriptions are necessarily very brief and reference must be made to the actual wordings of the endorsements to ascertain the full provisions and restrictions.**
3. **In certain cases a copy of the endorsement must be signed by the Applicant and filed with the Servicing Carrier. The insurance will not be continued or the policy will be re-rated, if this requirement is not met.**
4. **Not all policy change forms may be applicable to commercial vehicles. Refer to the specific wording below.**

# Rule 300: Filed Underwriting Rules

**A. The Insurer's rules for declining to issue, terminating or refusing to renew a contract are:**

1. The risk does not meet the object of the Facility Association which is to ensure the availability of automobile insurance, as required by law, in those provinces and territories of Canada in which the Association operates, to the owners and licensed drivers of motor vehicles who would otherwise have difficulty obtaining such insurance.

2. The Applicant does not have an insurable interest in the vehicle.

3. The vehicle is registered in a jurisdiction other than Ontario. (If the vehicle is registered in another jurisdiction in which Facility Association operates, the vehicle may be insured through an Agent/Broker and Servicing Carrier licensed in that jurisdiction.)

4. The driver of the vehicle does not hold a valid operator's licence. If the licence of the only driver is suspended, Facility Association shall provide a policy covering Comprehensive or Specified Perils cover only until there is a driver holding a valid operator's licence. See Rule 328: Suspension of Operator's Licence and Rule 301: Minimum Coverage.

5. The application is incomplete, has not been signed by the Applicant, or has not been bound by the Agent/Broker.

6 The Applicant/Agent/Broker refuses to provide the sufficient valid information to write the risk. 'Sufficient valid information to write the risk' includes data to properly rate the risk and to report the risk information in accordance with the Automobile Statistical Plan.

7. The vehicle is not in the possession of the Applicant (i.e. has been stolen or cannot be located). This restriction is not intended to be used as a denial of a valid theft claim.

8. A certificate of mechanical fitness and road worthiness has not been provided in accordance with the Manual of Rules and Rates.

9. Non-payment of premium for the current policy period (for purposes of termination only).

10. Any risk where abusive or threatening behaviour of the Insured/Applicant/Driver within the previous 3 years has created a safety concern for Facility Association staff, Servicing Carrier staff or a representative acting on behalf of either and circumstances have been reported to police.

**B. Rules for refusing to provide or continue a coverage are:**

1. Optional physical damage coverage shall not be provided where an Applicant or any person who is a regular or frequent operator of the vehicle, has, within the immediately preceding thirty-six months:

a) When making a previous application for automobile insurance, given false particulars of an automobile to be insured to the prejudice of the Insurer;
**or**
b) Knowingly misrepresented* or failed to disclose in an application any fact required to be stated therein;
**or**
c) Has contravened a term of an insurance contract or been convicted of fraud in relation thereto;
**or**
d) Wilfully made a false statement in respect of a claim.

* Misrepresentation means an Applicant has either had a policy cancelled by registered letter for material misrepresentation or has had a claim denied for material misrepresentation.

2. Optional physical damage coverage shall not be provided where an application for a branded vehicle (salvage or rebuilt) is submitted without a valid vehicle registration and, at the Servicing Carrier's discretion, a current safety certificate.

NOTE: No policy will be written for vehicles branded 'irreparable'.

3. Where a vehicle is licensed for road use and is used on roads as well as for race or speed tests, optional physical damage coverage shall not be provided. For DCPD coverage, establish rate group according to Rule 310 Vehicle Rate Group.

# Rule 301: Coverages Available and Minimum Deductibles

## A. Liability

**1. Maximum Limit(s) of Liability**

Not more than$2,000,000 except:
a) When required by Canadian or American federal or provincial statute, by regulation issued under authority thereof, or by municipal by-laws (but not by other local authorities such as school boards). The Liability limit may not exceed the amount required.

b) Where the Insured is required to have limits higher than $2,000,000 but not exceeding $5,000,000 in order to obtain a contract of work or obtain employment and where failure to do so will result in loss of the contract or employment. The Insured will be required to provide documentation of the contract requirements or employment requirements for limits no higher than $5,000,000. This documentation is required at the time the higher limit is requested but not for subsequent renewal terms.

NOTE:
Where filings are required the filing shall be made for the minimum limits that are required in that jurisdiction even if the policy is issued for a higher limit.

*For example*: The Liability limit chosen by the applicant is $1,000,000. Proof of insurance is required for $500,000. The policy will be issued at $1,000,000 but the proof of insurance shall only show $500,000.

If it is necessary to provide a Liability limit that falls between two limits for which premiums or limit factors are indicated in this manual, the premium or limit factor applicable to the higher of those two limits shall be used. Where it is required and permissible to provide a higher Liability limit, the increased limit factors can be found on Page 1 – Rating Notes. If the manual does not provide the necessary increased limit factor, contact your Servicing Carrier.

If the Liability insurance is required to provide distinct Road Hazard and Passenger Hazard BI limits, the maximum limit applies separately to the two hazards.

For example: The Insured is required by a school bus to provide $2,000,000 Passenger BI; however, this is not a municipal by-law or a legislated requirement. The policy may not be issued for more than $1,000,000 Passenger Hazard BI.

Maximum limits as follows will be provided as required by the Public Vehicles Act for public vehicles licensed under this Act.

Road Hazard Liability $1,000,000

Passenger Bodily Injury

| Limit | Seating Capacity |
|---|---|
| $1,000,000 | Up to 7 passengers |
| $5,000,000 | 8-12 passengers |
| $8,000,000 | 13 or more passengers |

Passenger Property Damage $5,000

The chart on Page 1 - Rating Notes indicates the appropriate endorsement form to be used with each vehicle type unless separate limits are required by law in which case 6c must be used.

It is the responsibility of the applicant to determine the limits that are required to be insured and advise the agent/broker/Servicing Carrier accordingly.

The coverage shall be written with END 6F unless separate limits are required by the Public Vehicles Act. In that event use END 6B if the vehicle is a school bus or END 6c if the vehicle is other than a school bus.

The amounts shown on any proof of insurance may not exceed those required by the authority concerned.
For example: The Liability limit chosen by the Applicant is $1,000,000. Proof of Insurance is required for $500,000. The policy will be issued at 1,000,000 but the proof of insurance shall only show $500,000.
