A. ARTICLES OF ASSOCIATION

ARTICLE I – ORGANIZATION

1. The name of this organization shall be the “Facility Association” (hereinafter referred to in these Articles of Association and the Operating Principles as the “Association”). It may operate in Alberta under the name: "Market Availability Plan". It shall have its central office in such place within Canada as the Board of Directors (hereinafter referred to in these Articles of Association and Operating Principles as the “Board”) may from time to time determine.
2. The fiscal year end of the Association shall be as determined from time to time by the Board.

ARTICLE II – OBJECTS AND POWERS

1. The object of the Association shall be to ensure the availability of automobile insurance for owners and licensed drivers of motor vehicles who may otherwise have difficulty obtaining such insurance.
2. The Association may operate in any Province or Territory in Canada (hereinafter referred to as “jurisdiction”) where the legislation so permits or requires.
3. Where permitted or required by legislation and authorized by resolution of the Board the Association may operate a plan in connection with claims arising with respect to uninsured or unidentified motorists.
4. Where permitted by legislation and authorized by a majority of members in a jurisdiction the Association may operate a risk sharing pool or pools in such jurisdiction.
5. Where permitted by legislation and authorized by a majority of members in a jurisdiction, the Association may operate and may require the participation of its members and of all licensed agents and brokers in a supplementary market availability plan in such jurisdiction.

6.
 - (a) Where authorized by a majority of the votes of members in a jurisdiction and by resolution of the Board of Directors the Association shall operate a risk sharing pool or catastrophic claims fund to facilitate the due payment of statutory accident benefits to persons entitled thereto pursuant to the Ontario Insurance Act from a specified insolvent insurer that is subject to a winding-up order pursuant to the Winding-up Act R.S.C. 1985, c. W-10 as amended.
 - (b) Such pool or fund shall, as reasonably required by the insolvent insurer's liquidator, lend monies to the liquidator, or make guarantees to enable the liquidator to borrow monies, so as to ensure the prompt payment and administration of all such accident benefit claims.
 - (c) The Association may require that the administration of claims be undertaken by such member or members as proposed by the liquidator as the President and Chief Executive Officer may determine and may set such reasonable reporting requirements as the President and Chief Executive Officer may determine to be appropriate under the circumstances, following consultation with the liquidator.

7. The Association may establish, operate or participate in such programs, initiatives or activities and participate in such insurance industry programs, initiatives or activities as the Board may from time to time authorize in connection with the effective operation of the automobile insurance industry in a jurisdiction.

ARTICLE III – MEMBERSHIP

1. Every insurer licensed to write automobile liability insurance in any jurisdiction in which the Association is qualified to operate is by operation of law and shall remain a member of the Association and shall be bound by these Articles of Association and the rules and directives adopted pursuant thereto.

2. Except as otherwise specifically provided, a group of insurers under either one ownership or common management shall constitute a single member for the purposes of these Articles of Association. A group of insurers under either one ownership or common management, but not both, may elect to be treated either as separate members or a single member for the purposes of termination of membership in the event such member discontinues writing automobile insurance in a jurisdiction.

3. In the event that an insurer is merged with another insurer or there is a consolidation of insurers, the continuing insurer shall receive and be responsible for the assessments of each insurer merged or consolidated until the proportionate share of each such merged or consolidated insurer as established by its writings prior to such merger or consolidation has been determined and paid; provided, however, that the continuing insurer may be relieved from such obligations if another insurer has agreed to assume such obligations in a manner satisfactory to the Board.
4. In the event a member discontinues writing automobile insurance in a jurisdiction, it shall continue to pay assessments until its proportionate share established by its writings prior to discontinuance of business has been determined or fixed by the Board and paid; provided, however, that if the automobile business of an insurer discontinuing the writing of automobile insurance in the said jurisdiction has been purchased by, transferred to or reinsured by another insurer the latter shall receive and be responsible for the assessments of the former until the proportionate share of the former as established by its writings prior to such transfer has been determined and paid, unless another insurer has agreed to assume such obligation in a manner satisfactory to the Board.

ARTICLE IV – VOTING RIGHTS OF MEMBERS

1. Voting by members at an Annual General or Special meeting, or by mail, shall be based on the member's total volume of voluntary automobile direct written premium for the latest available full calendar year in all jurisdictions in which the Association has operated during such year with respect to coverages required to be obtained by insureds in accordance with the legislation applicable to them where the amount of such premium has been reported through the Automobile Statistical Plan in each case. The member shall have one vote for the initial \$1 of such premium and one vote for each additional full \$5,000,000 of such premium.
2. If the Board determines that any matter to be determined at any meeting of members affects only one jurisdiction, or if it is determined by resolution passed at any such meeting of members that such is the case, such matter shall be voted upon only by members operating in such jurisdiction.

Voting by members operating in such jurisdiction shall be based on a member's total volume of voluntary automobile direct written premiums for the latest available full calendar year in that jurisdiction with respect to coverages required to be obtained by insureds in accordance with the legislation applicable in that jurisdiction where the amount of the premium has been reported through the Automobile Statistical Plan in each case. The member will have one vote for the initial \$1 of such premiums and one vote for each additional full \$5,000,000 of such premium.

ARTICLE V – PARTICIPATION RATIOS AND SHARING

1. For the purpose of determining participation in Association business there shall be five classes of business:
 - (a) private passenger non-fleet non-pool automobile business;
 - (b) all automobile business other than that included in (a) or transferred to a risk sharing pool;
 - (c) business transferred to a risk sharing pool other than a pool operated in Alberta, New Brunswick or Nova Scotia or a fund established pursuant to Section 6 of Article II;

Calculations for an accident year shall include all policies earned during such calendar year. Profit shall be credited or distributed to each member and loss shall be charged against or collected from each member in accordance with the member's appropriate participation ratio determined in the manner hereinafter set forth in this Article V.

2. All of the data necessary to enable the proper determination of participation in Association Business and appropriate sharing shall be reported to the Statistical Agency by each member promptly as required.

3. (a) With respect to all business in Class 1 (a), participation ratios will be as follows:
- (i) in each jurisdiction in which a risk sharing pool is not in operation at any time during the year, other than the Northwest Territories, Nunavut and Yukon, each member will be liable for that proportion of private passenger non-fleet non-pool Association experience and all amounts expended in connection with such class that its respective “voluntary private passenger non-fleet third party liability direct earned car years” bears to the relevant provincial or territorial total of all such car years for all members for such jurisdiction. In any accident year in which a loss is sustained with respect to such business the member’s participation amount shall be reduced by three times the member’s “voluntary private passenger non-fleet third party liability direct earned car years” for business designated in the Automobile Statistical Plan as “Classes 08, 09, 10, 11, 12, 13, 18 and 19”.
 - (ii) in each jurisdiction in which a risk sharing pool is in operation at any time during the year, other than the Northwest Territories, Nunavut and Yukon, each member will be liable for that proportion of private passenger non-fleet non-pool Association experience that its respective “voluntary private passenger non-fleet third party liability direct earned car years” bears to the relevant provincial or territorial total of all such car years for all members for such jurisdiction;
 - (iii) in the Northwest Territories, Nunavut and Yukon each member will be liable for a proportion of private passenger non-fleet non-pool Association experience as set out in (i) and (ii) above except that the ratio to be used shall be that of the member’s “voluntary private passenger non-fleet third party liability direct earned car years” in all jurisdictions in which the Association was operating during that year to the totals of such amounts for all members in all jurisdictions;
- (b) With respect to all business in Class 1 (b), participation ratios will be as follows:
- (i) in each jurisdiction, other than the Northwest Territories, Nunavut and Yukon, each member will be liable for that proportion of Association experience on automobile business other than that included in 1(a) or transferred to a risk sharing pool and all amounts expended in connection with that portion of such class that its respective voluntary

- automobile direct earned premium with respect to coverages required to be obtained by insureds in accordance with the legislation applicable to them where the amount of such premium has been reported through the Automobile Statistical Plan in each case is of the relevant provincial total of all such premiums for all members for such jurisdiction;
- (ii) in the Northwest Territories, Nunavut and Yukon each member will be liable for a proportion of Association experience on business other than that included in 1(a) or transferred to a risk sharing pool as set out in (i) above and all amounts expended in connection with that portion of such class except that the ratio to be used shall be that of the member's voluntary automobile direct earned premium with respect to coverages required to be obtained by insureds in accordance with the legislation applicable to them where the amount of such premium has been reported through the Automobile Statistical Plan in each case to the relevant total of all such premiums for all members in all jurisdictions in which the Association was operating during that year;
- (c) With respect to all business in Class 1 (c) , participation ratios will be as follows:
- (i) with respect to 50% of such amount and all amounts expended in connection with such class in the proportion that the member's total "voluntary private passenger non-fleet third party liability direct earned car years" is of the total of all such car years for all members for such jurisdiction; and
- (ii) with respect to the other 50% of such amount and all amounts expended in connection with such class on the basis of the proportion that the total earned third party liability car years with respect to risks ceded by such member to the risk sharing pool is of the total of such cars ceded by all members for such jurisdiction.
- (iii) any directions necessary for the restating of sharing on the above basis from January 1, 1993 may be authorized by the Board.
- (iv) with respect to members that are Servicing Carriers in such jurisdiction at the time of the commencement of operation of a risk sharing pool such members with respect to the period ending with the completion of the first full calendar year of operation of the risk sharing pool or such shorter period as may be determined by the Board having regard to the date of commencement shall share on the basis set

out in paragraph (i) above as to 100% and the shares of the other members shall be adjusted accordingly. Thereafter all members shall share on the basis set out in paragraphs (i) and (ii)

- (v) the sharing calculation for any period may be based upon estimated figures and such calculations shall be adjusted appropriately as soon as the actual figures become known.
 - (d) With respect to business and all amounts expended in connection with Class 1(d) each member will share in the proportion that the total of its "voluntary private passenger non-fleet third party liability direct earned car years" not ceded to a risk sharing pool is of the total of all "voluntary private passenger non-fleet third party liability direct earned car years" not ceded to a risk sharing pool by all members for such jurisdiction, subject to amendment by resolution of the Board.

Additional Servicing Carriers may be designated as necessary. The Board shall provide for the establishment of the scope, terms, standards and compensation applicable to the services to be provided. Servicing Carriers so designated must meet the eligibility requirements for Servicing Carriers. It is desirable to designate one or more Servicing Carriers from each of the types of marketing methods, provided each is qualified to handle Servicing Carrier responsibilities in an efficient manner.

2. Servicing Carriers shall be reimbursed for servicing Association business on the following basis:

(a) For operating costs excluding claims expenses, the following percentage of written premiums:

Ontario 9.9%; Other jurisdictions 9%; plus

A service fee equal to the following percentage of written premiums:

Ontario 0.9%; Other jurisdictions 1.0%; plus

The actual costs of Driver Record Abstracts, as well as an amount to defray the costs of obtaining Prior Carrier Reports, such amount to be as from time to time determined by the Board; and

(b) For claims expenses, both allocated and unallocated, the following percentage of earned premiums:

Nova Scotia; Northwest Territories; Nunavut and Yukon [effective February 1, 2003]	12%
Ontario [effective March 1, 2003]	12%
New Brunswick [effective October 1, 2008]	12%
Prince Edward Island [effective December 1, 2008]	12%
<u>Alberta and Newfoundland & Labrador</u> [amendment effective when approved]	10%

The rates of reimbursement are predicated on an earned/incurred loss ratio as follows:

Nova Scotia; Northwest Territories; Nunavut and Yukon [effective February 1, 2003]	65%
Ontario [effective March 1, 2003]	65%
New Brunswick [effective October 1, 2008]	65%

<u>Alberta and Newfoundland & Labrador</u> <u>[amendment effective when approved]</u>	<u>67.5%</u>

“Loss Ratio” refers to losses only, does not include loss expense or I.B.N.R. or actuarial present value adjustment and is computed by accident year and by jurisdiction.

- (c) For the purpose of this section the term “written premiums” shall mean direct written premiums including commissions.

- 3. The Board at its sole discretion may offer or allow a Servicing Carrier reimbursement in whole or in part for specific extraordinary expenses incurred in qualifying for, continuing as or ceasing to be a Servicing Carrier. - 4. The Board at its sole discretion may authorize reimbursement to Servicing Carriers of normal insurance business losses incurred in connection with Association business. Such normal business losses shall be as defined and designated by the Board but shall not include any loss or expense incurred as a result of fraud or dishonesty on the part of the Servicing Carrier’s claims personnel (including but not limited to independent adjusters), and in the event of any loss or expense of this nature the

Servicing Carrier shall hold the Association harmless from and reimburse it for any such loss or expense incurred by the Association.

5. 2. For the purposes of the application of Article X, Article XI.1 and Part IV of the Operating Principles to the Pool the following definition shall apply:

(a) Private Passenger Vehicle:

Business use does not include use as driver training vehicles, funeral vehicles, courtesy cars, vehicles held for sale or used for demonstrating or testing or any use listed in the Commercial or Public Sections of the Manual of Rules and Rates, even though Private Passenger rates are used to determine the premium; but excluding any vehicle while in transit from a point of purchase to a permanent location where one of such points is within a jurisdiction in which the Pool is in operation and further excluding any vehicle insured as part of a fleet, synthetic fleet or group plan unless such vehicle is individually rated in accordance with rates filed with the applicable regulatory authority and is coded as a private passenger non-fleet automobile under the Automobile Statistical Plan.

Note: Any vehicle classified as a recreational vehicle, for example, an antique vehicle, a motor home, or a motorcycle, is not eligible for placement in the Ontario Pool.

3. Members are entitled to transfer, subject to the provisions hereinafter set out, the applicable percentage of any risk that satisfies the Eligibility Requirements.
4. (a) The following are the requirements for a risk to be eligible for transfer to the Ontario Pool:
 - (i) The vehicle is a Private Passenger Vehicle; and
 - (ii) The risk is not eligible for insurance through the Association as a Residual Market Risk as defined in Article X; and
 - (iii) The member has followed all appropriate classification and rate procedures and has requested previous-insurer report(s) and driver record abstract(s); and
 - (iv) The risk is insured against Third Party Liability for at least the statutory limit; and
 - (v) The premiums charged by the member to the insured for those parts of the insurance that are transferable to the Ontario Pool are in accordance with its approved premiums for such risk.

- (b) A risk purportedly transferred to the Ontario Pool which was not eligible for transfer at that time due to a failure to comply with one or more of requirements (i), (ii) or (iii) due to an intentionally incorrect classification or rate will be considered ineligible for transfer, the purported transfer shall be deemed to be invalid and all claims, expenses and receipts or credits will be for the account of the submitting member. This provision shall not apply to a risk in relation to a specific term of transfer where a period ending the later of 24 months from the date of such transfer or 2 months after the first audit of the member following such transfer has expired.
 - (c) A risk purportedly transferred to the Ontario Pool in connection with which there has been a failure to comply with one or more of the requirements with respect to previous-insurer report(s) or driver record abstract(s) shall be dealt with as set out in the Ontario Risk Sharing Pool Procedures Manual in accordance with provisions established by the Board from time to time.
 - (d) If it is determined that a company is not ordering the appropriate reports, or has adopted a practice which fails to provide for proper compliance with its obligations, the company will be dealt with as an exception and a further investigation, or, where determined by the President and Chief Executive Officer to be appropriate, a full audit will follow.
 - (e) Where it is decided that a full audit of all risks transferred by the member is appropriate the costs of the audit will be billed to the member.
 - (f) Where such investigation or audit demonstrates to the satisfaction of the Audit and Risk Committee that there has been a general failure to order the required reports on time the expense allowance referred to in subsection 6(b) to the member will be reduced by two percentage points for a period of six months.
 - (g) Flagrant or continued failure to comply with these obligations could result in a directive to the member to remove all risks from the Ontario Pool. This penalty would only be applied after a follow-up review by the President and Chief Executive Officer and the Audit and Risk Committee, and referral to the Board.
5. In respect of an eligible risk that a member wishes to transfer to the Ontario Pool:
- (a) The member may provide whatever coverages and limits it deems appropriate.
 - (b) During the first 12 months of operation of the Ontario Pool any risk

transferred will be transferred as to 100% for the period that it is in force during that 12 month period. Thereafter all transfers and all risks previously transferred and in force will be 85% for the account of the Ontario Pool and 15% for the account of the member.

- (c) The applicable percentage of all coverages provided by the member shall be transferred, subject to the following limitations:

- (a) The premium actually charged by the member to the Insured net of any premium payment service charges charged to the Insured shall be the transfer premium in respect of each coverage provided that it is as approved by the regulatory authority concerned for the coverage and the applicable limit or deductible.
 - (b) The member shall be entitled as a result of the transfer of premium to an expense allowance in an amount equal to a percentage of the written premium applicable to the transferred coverages, such percentage for use during a calendar year to be calculated on the basis set out in the Accounting and Statistical Manual using the base information employed to calculate the

expense factor included in the member's rate filing with respect to private passenger vehicle coverage last approved by the applicable rate approving body for the jurisdiction in which the Ontario Pool is operating prior to August 31st of the year immediately prior to the calendar year in which the transfer is made. The Board shall from time to time establish a maximum percentage of premium for such expense allowance and if the calculation of the member's expense allowance percentage is higher than such percentage, then the percentage established by the Board as a maximum shall be used.

- (c) Each member shall provide to the Association written details of the component amounts of the expense factor included in the rate filing to be used for the purposes of this calculation, such information to be provided in the form from time to time set out in the Accounting and Statistical Manual and such information being certified by the member's actuary. The member shall and hereby does authorize the release to the Association by the rate approving body of information in its possession in connection with the member's expense factor.

 - (e) In this section the word "member" shall mean "insurer" and the provisions of this section 6 shall apply to each insurer of a group of insurers separately.
7. In respect of an eligible risk that is "new" to the member – i.e., a new policy or a new (additional) vehicle:
- (a) If the required transfer notification by form, disc or tape is dispatched to the Ontario Pool no later than fifteen days after the commencement date of the period of insurance concerned, the transfer effective date shall be the said commencement date and there shall be no prejudice to the member's right to recover from the Ontario Pool in respect of a claim that arises within the period but prior to dispatch of the transfer form.
 - (b) If the required transfer notification is dispatched to the Ontario Pool more than fifteen days after the commencement date of the period of insurance concerned, the transfer effective date shall be the day following the date of dispatch of the notification and the transferred premium shall be pro-rata of

that applicable to the period of insurance provided by the policy.

8. In respect of an eligible risk that is a "renewal" to the member.
 - (a) If the required transfer notification is dispatched to the Ontario Pool no later than the commencement date of the period of insurance concerned, the transfer effective date shall be the said commencement date.

10. Satisfactory evidence sufficient to establish the "dispatch date" for the purposes of sections 7 and 8 above shall be as determined from time to time by the Board.

11. A member may not in a calendar year in which the Ontario Pool is operating, transfer to the Ontario Pool any risk where such transfer would constitute a transfer by it in such calendar year of voluntary private passenger non-fleet third party liability direct written car years in excess of the number of such car years equal to 5% of its total voluntary private passenger non-fleet third party liability direct written car years for such jurisdiction in the immediately preceding calendar year provided that:
 - (a) any purported transfer in contravention of such restriction shall be ineffective and the risk shall remain solely for the account of the member purporting to effect the transfer unless authorized as hereinafter set out;
 - (b) a member may apply to the Board for approval of transfers in excess of such limit. Such approval may be given retroactively and in such form as the Board deems advisable.

12. Any risk transferred to the Ontario Pool within the first fifteen days after the commencement date of the period of insurance with respect to which a claim is

incurred during such fifteen day period and any risk with respect to which a claim is incurred while such risk is within the Ontario Pool must remain within the Ontario Pool and may not be withdrawn by the member until at least the date of the first renewal following the incurring of such claim. XI.4 – NOVA SCOTIA RISK SHARING POOL

1. The Association hereby establishes a risk sharing pool (herein called the "Inexperienced Driver Pool") into which Nova Scotia members are entitled to transfer, subject to the provisions hereinafter set out, the applicable percentage of any Nova Scotia risk that satisfies the Eligibility Requirements with respect to such Pool.
2. For the purposes of the application of Article X, Article XI.4 and Part IV of the Operating Principles to the Nova Scotia Pool the following definitions shall apply:
- (a) Private Passenger Vehicle:

A motor vehicle listed in the Private Passenger Rate Group Tables contained in the Manual of Rules and Rates and used for pleasure, commute or business. Business use does not include use as driver training vehicles, funeral vehicles, courtesy cars, vehicles held for sale or used for demonstrating or testing or any use listed in the Commercial or Public Sections of the Manual of Rules and Rates, even though Private Passenger rates are used to determine the premium; but excluding any vehicle while in transit from a point of purchase to a permanent location where one of such points is within a jurisdiction in which a Nova Scotia Pool is in operation and further excluding any vehicle insured as part of a fleet, synthetic fleet or group plan unless such vehicle is individually rated in accordance with rates filed with the applicable regulatory authority and is coded as a private passenger non-fleet automobile under the Automobile Statistical Plan.

Note: Any vehicle classified as a recreational vehicle, for example, an antique vehicle, a motor home, or a motorcycle, is not eligible for placement in a Nova Scotia Pool.

3. (a) The following are the requirements for a risk to be eligible for transfer to the Inexperienced Driver Pool:
- (i) The risk includes coverages on a motor vehicle with respect to which one or more household members is a driver with less than six years of licensed driving experience and having had no Accidents and no Convictions arising from events occurring during such period;
 - (ii) The vehicle is a Private Passenger Vehicle;
 - (iii) The member has obtained the appropriate classification and rate procedures and has requested previous insurer reports and drivers record abstracts in order to verify that the conditions set out in (i) apply;
 - (iv) The risk is insured against Third Party Liability for at least the statutory limit,
 - (v) The premiums charged by the member to the insured for those parts of the insurance transferred to the Nova Scotia Pool are in accordance with its approved premiums for such risk.
- (b) A risk purportedly transferred to a Nova Scotia Pool which was not eligible for transfer at that time due to a failure to comply with one or more of requirements set out above will be considered ineligible for transfer, the purported transfer shall be deemed to be invalid and all claims, expenses and receipts or credits will be for the account of the submitting member. This provision shall not apply to a risk in relation to a specific term of transfer where a period ending the later of 24 months from the date of such transfer or 2 months after the first audit of the member following such transfer has expired.
- (c) A risk purportedly transferred to a Nova Scotia Pool in connection with which there has been a failure to comply with one or more of the requirements with respect to previous-insurer report(s), driver record abstract(s) or Autoplus report(s) shall be dealt with as set out in the appropriate Risk Sharing Pool Procedures Manual in accordance with provisions established by the Board from time to time.
- (d) If it is determined that a company is not ordering the appropriate reports, or has adopted a practice which fails to provide for proper compliance with its obligations, the company will be dealt with as an exception and a further investigation, or, where determined by the President and Chief Executive Officer to be appropriate, a full audit will follow.

- (e) Where it is decided that a full audit of all risks transferred by the member is appropriate the costs of the audit will be billed to the member.
 - (f) Where such investigation or audit demonstrates to the satisfaction of the Audit and Risk Committee that there has been a general failure to order the required reports on time the expense allowance referred to in subsection 5(b) to the member will be reduced by two percentage points for a period of six months.
 - (g) Flagrant or continued failure to comply with these obligations could result in a directive to the member to remove all risks from a Nova Scotia Pool. This penalty would only be applied after a follow-up review by the President and Chief Executive Officer and the Audit and Risk Committee, and referral to the Board.
4. In respect of an eligible risk that a member wishes to transfer to a Nova Scotia Pool:
- (a) The member may provide whatever coverages and limits it deems appropriate.
 - (b) Any risk transferred will be transferred at 100%. The Board may from time to time by resolution establish maximum transfer limits and minimum deductibles with respect to risks transferred. Members may write coverage in excess of these limitations but such coverage and all expenses and liabilities in connection therewith will be for the member's own account.
5. In respect of each risk being transferred to a Nova Scotia Pool:
- (a) The premium actually charged by the member to the Insured net of any premium payment service charges charged to the Insured shall be the transfer premium in respect of each coverage provided that it is as approved by the regulatory authority concerned for the coverage and the applicable limit or deductible, and that it is a premium that is no lower than the member's manual rate.
 - (b) The member shall be entitled as a result of the transfer of premium to an expense allowance in an amount equal to a percentage of the written premium applicable to the transferred coverages, such percentage for use during a calendar year to be determined by the Board.
 - (c) Such allowance is to settle all expenses incurred by the member including acquisition costs, operating costs and loss adjustment costs, but not including premium taxes and professional fees (such professional fees to be stipulated

- in the applicable Risk Sharing Pool Claims Guide with compensation to be as therein directed).
- (d) In this section the word “member” shall mean “insurer” and the provisions of this section 5 shall apply to each insurer of a group of insurers separately.
6. In respect of an eligible risk that is “new” to the member – i.e., a new policy or a new (additional) vehicle:
- (a) If the required transfer notification by form, disc or tape is dispatched to the applicable Nova Scotia Pool no later than fifteen days after the commencement date of the period of insurance concerned, the transfer effective date shall be the said commencement date and there shall be no prejudice to the member’s right to recover from such Pool in respect of a claim that arises within the period but prior to dispatch of the transfer form.
- (b) If the required transfer notification is dispatched to the applicable Nova Scotia Pool more than fifteen days after the commencement date of the period of insurance concerned, the transfer effective date shall be the day following the date of dispatch of the notification and the transferred premium shall be pro-rata of that applicable to the period of insurance provided by the policy.
7. In respect of an eligible risk that is a “renewal” to the member:
- (a) If the required transfer notification is dispatched to the applicable Nova Scotia Pool no later than the commencement date of the period of insurance concerned, the transfer effective date shall be the said commencement date.
- (b) If the required transfer notification is dispatched to the applicable Nova Scotia Pool later than the commencement date of the period of insurance concerned, the transfer effective date shall be the day following the date of dispatch of the transfer notification and the transferred premium shall be pro-rata of that applicable to the period of insurance provided by the policy.
8. In respect of all other eligible risks that are transferred to a Nova Scotia Pool in mid-term the transfer effective date shall be the day following the date of dispatch of the transfer notification and the transferred premium shall be pro-rata of that applicable to the period of insurance provided by the policy.

9. Satisfactory evidence sufficient to establish the “dispatch date” for the purposes of sections 7 and 8 above shall be as determined from time to time by the Board.
10. Any risk transferred to a Nova Scotia Pool within the first fifteen days after the commencement date of the period of insurance with respect to which a claim is incurred during such fifteen day period and any risk with respect to which a claim is incurred while such risk is within such Pool must remain within that Pool and may not be withdrawn by the member until at least the date of the first renewal following the incurring of such claim. Members may withdraw other risks transferred by them to a Nova Scotia Pool in accordance with the procedures set out in the appropriate Risk Sharing Pool Procedures Manual.
11. The share of any loss or gain resulting from the operation of the Nova Scotia Pool for each fiscal year for each member shall be calculated in accordance with the procedures set out in the Accounting and Statistical Manual and communicated to such member by the Association. The member will include the recapture of such loss in its calculations with respect to subsequent rate calculations with such loss or gain to be distributed evenly to all drivers.

In the event that such agent or broker does not have a voluntary market contract or agreement such agent or broker, unless otherwise authorized by the provisions of the Plan, shall immediately direct the applicant to an agent or broker who does have a voluntary market agreement for submission of an application as herein before provided. In the absence of any agreement to the contrary this shall not result in a sub-agency or sub-brokerage relationship being created.

Unless other suitable arrangements are approved by the Board, the Servicing Carrier will (a) continue all policy service and accounting functions until existing policies expire and (b) administer all claims reported on Association policies to their ultimate conclusion, or to the expiry of a period of 60 months following the said date of discontinuance, whichever first occurs. rating of the risk (such as an undisclosed use of the vehicle or undisclosed prior claims and/or convictions) and does not cancel the insurance for non-disclosure:

- (1) If the information does not affect the risk's eligibility for transfer, the risk may remain transferred to the RSP provided that the member amends the premium appropriately and proceeds as stated in item B below – provided however that if the member received the information later than sixty days after the commencement date of the period of insurance, the member may permit the premium to remain unchanged until the expiry of that period of insurance.
- (2) If the eligibility requirement is no longer satisfied, the member shall cancel the transfer effective no later than twenty-one days after the date on which the information came to its knowledge and claim a refund of the transferred premium on a pro-rata basis – except that, if the member received the information later than sixty days after the commencement date of the period of insurance, the member may permit the transfer to remain until the expiry of that period of insurance.

B. MID-TERM CHANGES

Any change of coverage that occurs during the period of insurance, and any other change that affects the premium and/or statistical information previously reported, shall promptly be reported by the member by means of an approved method. The individual forms or records shall contain all the applicable statistical information.

SECTION 3 – SERVICING OF TRANSFERRED RISKS

SECTION 4 – CLAIM PROCEDURES**A. INVESTIGATION AND SETTLEMENT**

In respect of every claim on insurance transferred to the RSP:

- (1) It shall be the responsibility of the member concerned to investigate, defend and settle the claim or suit as it would in the absence of the RSP. - (2) The RSP shall contribute to the loss adjustment cost in connection with internal costs and external loss adjustment costs other than professional fees through payment of the amount determined on a basis to be established by the Board from time to time as set out in the applicable provisions of Article XI.1, Section 6(b) or Article XI.2, Section 5(b). The member shall be reimbursed in connection with expenses for professional fees on the basis established in the applicable Facility Association Risk Sharing Pool Claims Guide.

In respect of claims on transferred risk:

- (1) Members shall promptly complete and submit individual Claim Transfer Forms and Claim Batch Control Forms by written, tape, disc or other approved method in respect of all claim payments and recoveries and all new reserves and reserve changes in accordance with procedures authorized by the Board and published by the Association. The individual forms shall contain all the applicable statistical information.

C. LARGE CLAIMS

- (1) When the cost of any one loss on a transferred risk is estimated by the member to reach or exceed such amount as may require reporting pursuant to the provisions of the Facility Association Risk Sharing Claims Guide as a large loss the member shall comply with the procedures set out in the applicable Facility Association Risk Sharing Claims Guide as approved by the Board from time to time.
- (2) When the total amount paid by the member and recoverable from the RSP in respect of one accident exceeds \$100,000.00 or such other amount as may from time to time be determined by the Board it will upon the request of the member be paid such amount by special remittance immediately upon receipt by the RSP of the required information as stipulated in the applicable Risk Sharing Pool Procedures Manual.

D. CLAIMS REPORTING
