

**TO:** All Agents and Brokers (Alberta)

**BULLETIN NO.:** AB.AGCY 2023-01

**DATE:** February 9, 2023

**SUBJECT:** Interurban Video Telematics Incentive Reduction

---

Facility Association (FA) would like to notify Agents and Brokers across Alberta that the Video Telematics Incentive Reduction will be launched as of May 1, 2023 New Business and Renewals.

Agents and Brokers are encouraged to review the eligibility criteria with their clients, found under Rule 210: Interurban Vehicles with Video Telematics.

As well, a copy of the program [Terms of Use](#) and [Frequently Asked Questions](#), is available for review on the “FAQ” page of the Facility Association [Website](#).

Once an Insured has enrolled with an Approved Provider, please ensure the following prior to requesting the application of the Incentive Reduction on the New Business or Renewal term:

1. Ensure that the Approved Providers portal is updated with the information on all drivers who may drive the vehicle.
2. If required, review the existing policy to ensure that all drivers who may drive the vehicle are listed on the policy.

To obtain details on qualifying telematics service subscription types and fees, please contact our Approved Provider: [Foresight Analytics](#).

This bulletin is being distributed by Servicing Carriers to whom all enquiries should be addressed.
