BULLETIN NO: ALL –CANADA SC 2022-06

DATE: SEPTEMBER 26, 2023

SUBJECT: HURRICANE FIONA – REINSTATEMENT OF BINDING AUTHORITY

To ALL FARM Project Managers:

Further to bulletin number All Canada SC 2022-05, where binding authority was suspended in regards to suspending adding physical damage coverage (Collision, Comprehensive and Specified Perils) to any class of vehicles located in the four Atlantic Provinces where the vehicle does not already have that specific coverage:

Be advised that effective September 26, 2022 this suspension has now been lifted and physical damage coverage can now be bound again.

We thank you for your understanding in this matter.
