RATING NOTES
TABLE A RATE GROUPS

The following table is for use when the rate group of the vehicle is shown in the Rate group Tables as 'A' (See Rule 116), or when the rate group of the vehicle is not provided for in the Schedule of Rates.

When no Accident Benefits Rate Group is shown in the Rate Group Tables use Rate Group 10.

Estimated Value \$	Rate Group	Estimated Value \$	Rate Group
2,800 or less	2	120,501 - 125,500	44
2,801 - 4,000	3	125,501 - 130,500	45

Rule 200: Filed Underwriting Rules

A. The Insurer's rules for declining to issue, terminating or refusing to renew a contract are:

1. The risk does not meet the object of the Facility Association which is to ensure the availability of automobile insurance, as required by law, in those provinces and territories of Canada in which the Association operates, to the owners and licensed drivers of motor vehicles who would otherwise have difficulty obtaining such insurance.

2. The Named Insured does not have an insurable interest in the vehicle.

3. The vehicle is registered in a jurisdiction other than one in which the application for coverage is being completed or the vehicle is not operated at any time in a jurisdiction in which the Association operates. If the vehicle is registered in another jurisdiction in which Facility Association operates, the vehicle may be insured through an Agent/Broker and Servicing Carrier licensed in that jurisdiction.

Exception: See Rule 200:C. Non-Residents and Vehicles not registered in jurisdiction.

4. The driver of the vehicle does not hold a valid operator's licence, based on the class of vehicle insured.

5. The application is incomplete, or has not been signed by the Named Insured, or the risk has not been bound by the Agent/Broker.

6. Failure or refusal to supply underwriting information as identified under Rule 200.D: Supplementary Underwriting Information, necessary to underwrite the risk or underwriting information is incomplete, or underwriting information received is outside the 'oldest report date permitted', or where indicated, information is not issued by the Federal or Provincial Authority of the jurisdiction of registration.

7. The vehicle is not in the possession of the Named Insured (i.e. has been stolen or cannot be located). This restriction is not intended to be used as a denial of a valid theft claim.

8. Non-payment of premium for the current policy period (for purposes of termination only).

9. Any risk where abusive or threatening behaviour of the Insured/Applicant/Driver within the previous 3 years has created a safety concern for Facility Association staff, Servicing Carrier staff or a representative acting on behalf of either and circumstances have been reported to police.

NOTE: Certain Endorsements require a signature. Where no signature is obtained, the policy may be:

- a) Cancelled in accordance with the Statutory Conditions;
- b) Issued without the endorsement;
- c) Removed and policy re-rated accordingly.

B. Rules for refusing to provide or continue a coverage are:

1. Where a Named Insured or any person who is a regular or frequent operator of the vehicle, has, within the immediately preceding thirty six months:

- a) When making a previous application for automobile insurance, given false particulars of an automobile to be insured to the prejudice of the Insurer;
or
- b) Knowingly misrepresented* or failed to disclose in an application any fact required to be stated therein;

* Misrepresentation means a Named Insured has either had a policy cancelled by registered letter for material misrepresentation or has had a claim denied for material misrepresentation.

- or**
- c) Has contravened a term of an insurance contract or been convicted of fraud in relation thereto;
or
- d) Wilfully made a false statement in respect of a claim;

Will be subject to the following coverage limitations:

- i. Maximum \$1 million Third Party Liability limit (*Not applicable in Alberta*);
- ii. Optional physical damage coverage shall not be provided;
- iii. Completion of U.S. Filings shall not be provided.

2. Optional physical damage coverage shall not be provided where an application for a branded vehicle (salvage or rebuilt) is submitted without a valid vehicle registration and, at the Servicing Carrier's discretion, a current safety certificate.

NOTE: No policy shall be written for vehicles branded 'nonrepairable'.

3. Where a vehicle is licensed for road use and is used on roads as well as for race or speed tests, optional physical damage coverage shall not be provided. For DCPD (*Not available in Northwest Territories, Nunavut and Yukon*) coverage establish the rate group according to Rule 211.

C. Non-residents and vehicles not registered in jurisdiction

As per the chart below,, these vehicles may be operated for certain number of days at which point they must be registered and plated in that jurisdiction. A policy of insurance may be required to cover the vehicle during this period. If necessary, FA will issue a short term policy for a period not exceed the time frame indicated in the chart below to cover the insurance requirement. Upon expiry, the policy will lapse and will not be renewed.

If the vehicle is registered in that jurisdiction prior to the expiry of the short term policy, the short term policy will be cancelled pro rata and a new POL 1 will be issued for a 6 or 12 month term.

Time frame to Register and Plate Vehicle	Jurisdiction
60 days	Ontario and Yukon
90 days	Alberta, Newfoundland & Labrador, Northwest Territories, Nunavut and Nova Scotia
4 months	Prince Edward Island
6 months	New Brunswick

D. Supplementary Underwriting Documents

The following documents are to be supplied to the Servicing Carrier in the circumstances described below, for the frequency specified. Failure to supply the following may result in policy cancellation, in accordance with Rule 200.A.6.

Document Type	Oldest Report date permitted	Frequency required
Articles of Incorporation: Where the Named Insured is an incorporated entity, or is a limited liability company.	Date of last revision	New Business
FMCSA SMS "Complete" Carrier Profile (with full documentation), including U.S. DOT and MC Numbers: On all Heavy Commercial Vehicles with a Gross Vehicle Weight exceeding 4,500kg on vehicles traveling into the U.S.	90 days from date report was generated	New Business*, Renewals
International Fuel Tax Assessment (IFTA): On all vehicles with 'IRP' plates, traveling outside the jurisdiction of registration, including into the U.S. Documents supplied must be issued by the Federal Authority, or Provincial Authority of the jurisdiction of vehicle registration	Prior four (4) quarters, including any reassessments immediately preceding the effective date of the policy.	New Business*, Renewals

NSC Carrier Profile (CVOR 'Level 2' in Ontario or Equivalent with full profile information): On all Heavy Commercial vehicles with a Gross Vehicle Weight exceeding 4,500kg. Documents supplied must be issued by the Provincial Authority of the jurisdiction of vehicle registration.	90 days from date report was generated	New Business*, Renewals
Document Type	Oldest Report date permitted	Frequency required
Prior Insurance Carrier Loss History/Experience Reports (Fleet Rated policies only): For prior insurance policies issued under the same Named Insured. Documents must be issued on Prior Carriers Letterhead, if the Servicing Carrier does not already have prior experience on file. Refer to Rule 209: Driving Record, for Individually-Rated Commercial Policies.	30 days from date report/letter was generated	New Business
Vehicle Registration: Complete document with vehicle plate/permit portions indicating that vehicle is registered to the Named Insured. Document supplied must be issued by the Provincial Authority of the jurisdiction of vehicle registration.	Date of last revision	New Business, Vehicle Additions

*For New Business Risks with 'No Prior Insurance', traveling out-of-province, including into the U.S., refer to Rule 204.F New Policies: No Prior Insurance, for special rating instructions.

Rule 201: Coverages Available and Minimum Deductibles

A. Liability

Not more than \$2,000,000 except:

- When required by Canadian or American federal or provincial statute, by regulation issued under authority thereof, or by municipal by-laws (but not by other local authorities such as school boards). The Liability limit may not exceed the amount required.
- Where the Named Insured is required to have limits higher than \$2,000,000 but not exceeding \$5,000,000 in order to obtain a contract of work or obtain employment and where failure to do so will result in loss of the contract or employment. The Insured will be required to provide documentation of the contract requirements or employment requirements for limits no higher than \$5,000,000. This documentation is required at the time the higher limit is requested but not for subsequent renewal terms.

The Servicing Carrier reserves the right to decline the application of a liability limit over \$2 million.

The policy states that an automobile and trailer are held to be one vehicle. A trailer and any attached vehicle must be insured for the same Liability limit.

If it is necessary to provide a Liability limit that falls between two limits for which premiums or limit factors are indicated in this manual, the premium or limit factor applicable to the higher of those two limits shall be used.

Where it is **required and permissible** to provide a higher Liability limit and the manual does not provide the necessary increased limit factor, contact your Servicing Carrier.

B. Accident Benefits

As prescribed by statute. Optional increased benefits are available in Ontario only.

C. Uninsured Automobile

As provided in the policy. Uninsured Automobile applicable to all jurisdictions except in Alberta, Northwest Territories, Nunavut and Yukon where Uninsured Automobile coverage is not available.

D. Direct Compensation Property Damage (DCPD)

DCPD applicable in all jurisdictions except in Northwest Territories, Nunavut and Yukon where DCPD coverage is not available.

E. Optional Physical Damage Coverage and Deductibles

All Perils coverage is no longer available. Comprehensive coverage is not available on logging vehicles in Alberta, Northwest Territories, Nunavut and Yukon.

No optional physical damage coverage shall be provided or offered for commercial vehicles valued at \$1,000,000 or more.

Optional physical damage coverage shall not be provided for off-road commercial vehicles e.g. logging trucks used solely in the bush.

Under this coverage, a motor vehicle and one or more trailers are separate automobiles; consequently, different deductibles for trailers and towing vehicles are permitted.

a) Minimum Deductibles for Light Commercial Vehicles (Gross Vehicle Weight Up To 4,500 kg)

The deductibles are to be no less than:

Rate Groups	Minimum Deductible
15 and under	\$500
16 - 18	\$1,000
19 - 21	\$2,500
22 and over	5% of List Price New rounded up to the nearest \$250 (minimum deductible \$2,500, maximum deductible \$5,000).
END 40	END 40 is mandatory on any vehicles with prior fire and total theft claims within the last 60 months

b) Minimum Deductibles for Heavy Commercial Vehicles (Gross Vehicle Weight Over 4,500kg)

The following deductibles are based on Vehicle List Price New, including the cost of any customizations and attached equipment. Deductibles are to be rounded up to the nearest \$250 and are to be no less than:

List Price New	Minimum Deductible
Vehicle Make and Model listed in Commercial Rate Group Table I	5% of List Price New rounded up to the nearest \$250 (minimum deductible \$2,500, maximum deductible \$5,000).
<\$50,001	\$2,500
\$50,001-\$65,000	\$3,500
\$65,001 - \$80,000	\$4,000
\$80,001 - \$100,000	\$5,000
\$100,001 and Over	5% of List Price New rounded up to the nearest \$250 (minimum deductible \$5,000, maximum deductible \$50,000).
END 40	END 40 is mandatory on all Heavy Commercial Vehicles with Physical Damage Coverage.

Example: If list price new of a Class 42 Sand & Gravel truck is \$123,000, 5% is \$6,150. The deductible shall be \$6,250 and the rating factor for \$2,500 or more applies.

c) Minimum Deductibles based on Prior Loss Experience

For risks with claims, refer to the chart below. Where a risk is eligible for one deductible based on rate group and another based on claims, the higher deductible applies.

Number of Automobile Insurance claims under each coverage (All Perils, Collision, Comprehensive, Specified Perils)			Deductible amount applicable to the coverage under which the claims were made*
In prior 12 months	In prior 36 months	In prior 60 months (fire and/or total theft)	
3	-	2	\$5,000
-	3	-	\$2,500
-	4	-	5% of List Price New rounded up to the nearest \$500 (minimum deductible \$5,000).
-	5 or more	-	No coverage offered
-	-	3 or more	No coverage offered

* Claims that have occurred under All Perils coverage shall be assigned to the appropriate section of the coverage i.e. Collision or Comprehensive.

Any higher minimum deductibles provided for in this manual shall override these amounts.

Higher deductibles shall only be imposed when there have been a sufficient number of claims under any given coverage to warrant such application.

For example, one Collision loss and three Comprehensive losses in the previous 12 months shall result in the application of a \$5,000 deductible on Comprehensive only. Only if the Insured has sustained three Collision losses as well, would \$5,000 deductible be applied to the Collision coverage.

d) Vehicles Insured for Comprehensive or Specified Perils Coverage Only

If Statutory coverages (Liability, DCPD, Accident Benefits and Uninsured Automobile) are removed or suspended by way of END 16 twice in one year, subsequent requests will not be permitted until the following renewal. It is not

necessary to remove the license plate from the vehicle while coverage is removed or suspended.

NOTE: Uninsured Automobile is applicable in all jurisdictions except in Alberta, Northwest Territories, Nunavut and Yukon. DCPD is available in all jurisdictions except Northwest Territories, Nunavut and Yukon.

If Statutory coverages are not added to the vehicle by the renewal date, the vehicle shall be renewed once with Comprehensive or Specified Perils Coverages only, then lapsed at the next renewal if there is no other vehicle with Statutory coverage on the policy. Vehicles insured for Comprehensive/Specified Perils only shall not be written as new business.

F. Family Protection Coverage END 44/ END 44R (Ontario only)

The premium varies with the Liability limit applicable to the vehicle. The coverage limit provided by this endorsement is the same as the Liability limit applicable to the vehicle.

For example: If the vehicle is insured with a Liability limit of \$2,000,000, the END 44/END 44R will also have a limit of \$2,000,000.

G. Minimum Coverage

Individually rated commercial policies are required to provide at least the statutory minimum coverage applicable to the jurisdiction in which the vehicle is registered except when an automobile is temporarily out of use and in storage.

Coverage other than Comprehensive or Specified Perils may be suspended by means of END 16 for those vehicles that are temporarily laid up. This endorsement does not suspend coverages that relate to 'driving other vehicles'.

The endorsement may be used in respect of most private passenger and commercial-type vehicles. In no event shall a refund be granted for any suspension of less than forty five (45) consecutive days in Ontario and Alberta; less than sixty (60) consecutive days in New Brunswick, Newfoundland & Labrador, Northwest Territories, Nova Scotia, Nunavut, Prince Edward Island and Yukon.

Suspended coverages are reinstated by means of END 17.

Note: END 44/END 44R (Ontario only) may remain on a policy only where 'moving' coverages have been suspended by means of END 16. END 16/17 is not available on experience rated risks.

Note: If all coverages except Comprehensive or Specified Perils are deleted entirely, END 44/END 44R (Ontario Only) must be deleted as well.

Statutory Minimum coverage is to be maintained at all times on policies (including all listed vehicles) where the following conditions exist:

- Vehicles for which proof of insurance is issued or filed;
- Vehicles that were never intended to be driven (e.g. vehicles in a collection), vehicles registered as Antique under the Traffic Safety Act;
- Vehicles held for sale whether or not on an auto dealer's lot;
- Experience rated risks

Definitions:

Temporarily: May be defined as 'a limited time only, as distinguished from that which is perpetual or indefinite in duration'. There is an anticipated end point to the vehicle being out of use. Agent/Broker must indicate on the application or policy change request what the anticipated end date is, whether that is 3, 8 or 36 months from the date of the request.

Out of use: The vehicle will not be driven either by the Insured or by garage personnel or potential purchasers.

In storage: The vehicle is not readily available for use e.g. the plates have been removed, the battery has been removed etc. The Agent/Broker must confirm on the application or policy change request that the vehicle is out of use and in storage.

Rule 202: Not applicable**Rule 203: Binding Coverage – New Policies****A. Requirements/Procedures for binding new policies**

- 1) The Agent/Broker must have a fully complete application signed by the Named Insured(s) of the vehicle(s) detailing all information on the risk.

Supplementary questionnaires, if required, must be completed and signed by the Named Insured(s). If the Servicing Carrier is required to have a driver's permission to obtain a driver record abstract, that written authorization must accompany the application.

Refer to Rule 204: New Policies for additional Information as to who may enter into a contract of Insurance.

- 2) Before binding coverage the Agent/Broker must either:
 - a) Collect or assume responsibility for the full indicated premium (experience rated risks at Driving Record 0 or, if established, the promulgated fleet rating)
 - or

b) Obtain a fully completed premium finance contract together with the full down payment required and promptly send that contract to the finance company office.

- 3) The insurance shall take effect as of the time and date the coverage is bound, as evidenced by the Application signed by the Insured. However, except when the binding time is 12:01 a.m. of a future date, the policy shall be shown as effective at 12:01 a.m. on the day the date coverage was bound. The premium rates to be applied are those in effect on the binding date.

For example:

a) Coverage is bound at 1:00 p.m. on June 1. The application is signed on June 1. The policy will be issued showing an effective date of 12:01 a.m. June 1. However, the coverage is in effect as of 1:00 p.m. on June 1.

b) Coverage is bound as of 12:01 a.m. June 1. The application was signed on May 29. The policy will be issued showing an effective date of 12:01 a.m. June 1.

- 4) If the application form cannot be sent to the Servicing Carrier on the date on which coverage was effected, it must be sent the next working day.
- 5) The Servicing Carrier shall normally issue the policy within 30 days of the received date. If the Agent/Broker does not receive the policy and the full term liability card within that time, a further temporary liability card must be issued by the Agent/Broker and the Servicing Carrier must be contacted immediately to determine the status of the policy.
- 6) Before optional physical damage coverage can be bound on a vehicle branded as 'salvage' or 'rebuilt', a valid vehicle registration and, at the Servicing Carrier's discretion, a current safety certificate must be provided to the Servicing Carrier with the application.

B. Term of binding new policies

The term of binding and of the temporary liability card is 30 days. The temporary liability card may not be amended to indicate a longer period. If a short term policy is to be issued, the temporary liability card shall be amended to indicate a shorter period.

Rule 204: New Policies

A. Name of the Insured and Who may Apply for Insurance

The contract of Insurance may be in the name of:

- a) An Individual; OR
- b) Partnership (unincorporated); OR
- c) Limited Liability Company (incorporated).
- d) Non-government organization (incorporated or unincorporated). *(Applicable to Alberta only).*

Insurance contracts must be made with individuals who have the capacity to enter into a contract and have the authority to enter into a contract on behalf of a Partnership, Joint Venture or Limited Liability Company. Upon the Servicing Carriers request, Articles of Incorporation will be required to confirm insurable interest.

The Name of Insured must reflect the full name, including all "operating as" and/or "Trade" names of the individual or the business as registered with the appropriate municipal, provincial or federal authority and must be the same as the name on the vehicle registration.

Two or More Names as Named Insured:

Where an application is received for vehicle(s) registered in two or more individual names or a Partnership, the application must be signed by all parties. In the event the policy is to be cancelled at the Insured's request, all parties are required to sign the request for cancellation.

Where an application is received for vehicle(s) registered in two or more limited liability companies, separate policies may be required. Copies of the Articles of Incorporation for all registered entities must be reviewed by the Servicing Carrier to establish common ownership.

The Servicing Carrier reserves the right to require separate applications for policies where common ownership cannot be established.

Two or more limited liability companies linked by common management will require separate policies if rated individually. Refer to Rule 239: Fleets, if policy is fleet rated.

Separate policies may not be required if the policy insures a combination of owned and leased vehicles subject to a long-term lease (leased over 30 days). The Lessee must be the same individual or entity as the registered owner of any owned vehicles. (Refer to Rule 237).

Where it is discovered in the middle of the policy term, that a single policy has been issued with two (or more) unrelated individuals or limited liability entities, both signatures shall be required on any subsequent request for cancellation of the policy or deletion of a vehicle or coverage. Separate policies must be issued at the time of next renewal.

B. Application Form

Every application for insurance must be made on the current approved Facility Association or Standard Application Form and must be fully completed and signed by the Named Insured(s) and Agent/Broker where required.

Commercial, garage, public, experience rated and some specially rated risks will require completion of supplementary questionnaires.

On the current standard approved application form *(Applicable to New Brunswick, Newfoundland & Labrador, Nova Scotia and Prince Edward Island)* under the Commercial Rated Vehicles section, if vehicle weight is over 4500kg and/or operating radius is greater than 40 kms, a completed Commercial Vehicle Supplement must be submitted with the application.

For all other jurisdictions, a completed Commercial Vehicle Supplement must always be submitted with the application.

A copy of the valid registration for all owned vehicles being insured, regardless of vehicle type or use, will be required with the application.

Refer to Rule 200.D for a list of Supplementary Underwriting documents that may be required when binding a new risk.

C. Owners Policy (APP 1)

Only a current approved Facility Association or Standard Application Form (APP 1) may be used. The Agent/Broker must indicate the time and date that coverage is bound.

D. Computer Generated Application Forms

These application forms are acceptable but must be in the standard format approved by the applicable regulatory authority and must include all information that is required to be provided on the current approved Standard Application Form.

The computerized application must be signed and dated by the Named Insured(s) as well as the Agent/Broker where required.

E. Named Insured(s) Signature

The Named Insured(s) signature shall be provided on the current approved Standard Application Form or the computerized application form at the time of binding whenever possible.

If the Named Insured(s) signature cannot be obtained at the time of binding, the Servicing Carrier shall allow the Agent/Broker 30 days to obtain a signature on the original application provided the Agent/Broker assumes

responsibility for the full indicated premium. In the meantime, the Agent/Broker must send a copy of the completed but unsigned application to the Servicing Carrier.

If a signed copy of the application is not received by the Servicing Carrier within the 30 day time period, the Servicing Carrier shall immediately cancel the policy by registered letter. The Agent/Broker shall be responsible for the full indicated earned premium for the time on risk.

F. No Prior Insurance with Out of Province including U.S. Exposure

In the event that Named Insured has no prior insurance with insured vehicles traveling outside of the province, including into the U.S., supplementary underwriting documents (as outlined under Rule 200.D) required to evaluate out of province exposure, may not be immediately available for review at New Business.

Where binding a new risk with no prior insurance or where the Named Insured has not previously traveled outside of the Province/Territory or into the U.S., the vehicle(s) will be treated as if they are travelling outside of the Province/Territory and/or U.S. 75% of the time. Refer to Rule 228 to determine the applicable out of Province /Territory and/or U.S. surcharge.

If during the first term of insurance, the Named Insured(s) claim entitlement to a lower Out-of-Province/U.S. Exposure amount and submits the required Supplementary Underwriting Documents as outlined under Rule 200.D to the satisfaction of the Servicing Carrier, the Out-of-Province/U.S. Exposure surcharge shall be adjusted effective the date the documentation was submitted. Backdating any adjustment to the Out-of-Province/U.S. Exposure surcharge is not permitted.

G. Other Insurance

If there is any other insurance in force in respect of a risk:

- a) Binding shall not be made effective before the expiry of that other insurance.
- b) If that other insurance is to be cancelled, a liability card may not be prepared before the Insurer concerned has issued the notice of cancellation, or the Insured has signed the request for cancellation as the case may be.

H. Variation in Coverage

To conform to the Insurance Act, the Named Insured(s) must be advised if the coverage provided by the policy is not as requested in the application.

If the information received on supplementary underwriting documents is different from that reported on the application, to the extent that premium or coverage changes, the Servicing Carrier shall issue the policy based on the revised premium and/or coverage in accordance with the Manual of Rules and Rates, and notify the Agent/Broker of the applicable changes.

I. Verification of Driving History

In order to verify the driving history, the Servicing Carrier is required to obtain the following before confirming the premium:

- a) Driver record abstract obtained from the appropriate government department in each Canadian or U.S. jurisdiction in which the driver has been licensed in the previous three years. The report date on the Driver Abstract shall not exceed 90 days prior to the effective date of the policy.
- b) All vehicles shall initially be rated at Driving Record 0 unless the application is accompanied by (or the Servicing Carrier already has) proof of the accident free period and the ownership period required for a better driving record.

If the Named Insured(s) claims entitlement to a driving record better than that permitted by the preceding paragraph and submits details of the previous insurance(s), the Servicing Carrier shall attempt to obtain confirmation of the previous experience. The claimed better driving record shall not be granted unless and until the entitlement is verified, but the re-rating shall then be backdated appropriately.

Previous Insurance history is not required for Named Insured(s) with only an International licence.

Rule 205: Definitions

A. Commercial Vehicle

A motor vehicle used primarily to transport materials, goods, tools or equipment in connection with the Applicant's occupation, and includes a police department truck, a fire department truck, driver training truck, a vehicle designed specifically for construction or maintenance purposes, a vehicle designed to perform a function by means of motive power which is both separate from and additional to the function of transportation and travel, or a trailer intended for use with a commercial vehicle.

Commercial vehicle does not include vehicles:

- a) Used primarily for the transportation of persons. Refer to the Private Passenger or Public Section.
- b) Held for sale, demonstration and/or testing. Refer to the Garage Section.

B. Vehicle

For the purposes of this section of the manual, the unqualified word 'vehicle' shall include 'trailer' unless otherwise indicated.

C. Trailer

A unit not equipped with its own motive power designed to be towed by a motor vehicle and intended to be used with a commercial vehicle.

D. Owned/Leased

The expression 'owned by' (as in a vehicle owned by the Applicant) includes 'leased to' if the Applicant is/was responsible for obtaining the Liability insurance for the leased vehicle/item concerned. A similar interpretation applies to 'owns, ownership', etc.

E. Rating Information

If indicated on the current standard approved application form as a requirement for certain types of commercial risks, a completed Commercial Vehicle Supplement must be submitted with the application.

The information in the application and the Commercial Vehicle Supplement (where required and/or provided) is used to determine classification and rating territory.

When a commercial vehicle is operated from different locations where required by different contracts, the territory shall be that of the highest rated location and the radius shall be determined from that location.

For Example: A construction company's gravel truck is used throughout the territory at various construction sites as required by various contracts. The work involves hauling from a pit to a nearby construction site. The territory will be the highest rated where work is done and the class is Class 42 (hauling within an 80 km radius).

F. Types of Commercial Vehicles

Standard Production

The following truck types are generally light and, if standard production models are rated from Rate Group Table I.

Pickup - A truck with an open box behind the vehicle cab (identified by Body Code 0 in Rate Group Table I). The cab may be extended to accommodate additional seating behind the regular driving seat – may be referred to as crew, extended, or super cabs.

Utility - A "jeep" like truck which may be completely open, have a cab similar to a pickup or have a canvas or full top (identified by Body Code M in Rate Group Table 1).

Van - A truck with a box like design (identified by Body Code 1 in Rate Group Table 1). Formerly known as panel trucks. Vans have the driver's compartment and the cargo area within the body.

Wagon - A truck built from a van or pickup chassis with seating for passengers (identified by Body Code W in Rate Group Table 1).

Non Standard Production

Other truck types that are built from a **chassis** (the basic frame of a vehicle, including the engine, wheels, and other mechanical parts but not the body) or **chassis and cab** (a chassis equipped with a driver's compartment) by the addition of a body to carry goods or for specialized uses. Because these vehicles vary greatly even within a particular

body style, Rate Group Table II must be used to establish a rate group.

The 'body' may be flat platform (**platform or flat deck**) or with racks (**stake**). Stake trucks often have canvas tops. With the addition of a fully enclosed box the vehicle is known as a **van**. Some have the cargo area open to the driver's compartment (**Step Van**); others have rear or side doors for access to the cargo.

Road Tractor - is a motor vehicle with a fifth wheel coupling device for attaching semi-trailers. A **fifth wheel** is a coupling device mounted on a road tractor and used to connect a semi trailer. It acts as a hinge point to assist longer vehicles in turning corners.

In addition, a commercial vehicle using Rate Group Table II:

a) may be of the private passenger or station wagon body type, in other words, a vehicle built on a private passenger chassis.

b) is a Snow Vehicle with a GVW in excess of 1000 KG, or a snow groomer regardless of weight.

c) may be another specialized vehicle such as road machinery (for example, graders).

d) is a Motorcycle designed and used for commercial purposes.

G. Gross Vehicle Weight ("GVW")

The Gross Vehicle Weight is the curb weight of the vehicle plus the maximum load capacity. Generally the vehicle registration (permit) will show the Gross Vehicle Weight. The gross vehicle weight is shown in manufacturer's specification and all truck data books. The GVW is not to be confused with load capacity such as a 3000 KG (3 ton) van or 500 KG (1/2 ton) pickup – the GVW for 500 KG (1/2 ton) pickup will range from 1400 to about 3000 KG (1.4 to 3.5 metric tonnes).

H. Machinery or Apparatus

Commercial vehicles are often equipped with machinery or apparatus. There are two types:

1. The equipment is designed to perform a function by means of motive power. This function is both additional to and separate from the functions of transportation and travel (e.g. welding, spraying, excavating, well drilling, cooking equipment). Insurance must be made subject to END 30 which excludes coverage under Liability and Accident Benefits while at the site of the work (operation of the machinery or apparatus). Refer to Rule 243: Endorsements Applicable to POL 1 (Owner's Policy).
2. Some equipment is permanently attached to and used for the loading/unloading operations of the vehicle (e.g. fuel oil delivery pumping equipment,

or, small hoisting equipment normally found on brick trucks) or the equipment requires the vehicle to be in motion on a public road in order for it to do the work (e.g. snow plows, street sweepers). END 30 is not used in these situations.

Some equipment owned by others may be attached to the vehicle. E.g. the Applicant owns the truck but uses a tank body and pumping equipment owned by another. The coverage may be extended by attaching END 31 (Non-Owned Equipment). The optional physical damage coverage may only be the same as that provided on the vehicle.

END 30 and 31 cannot be attached to the vehicle at the same time. In circumstances where coverage for attached machinery is excluded by endorsement from the commercial vehicle, coverage may be purchased on a commercial property/general liability policy.

Rule 206: Rating Territory

The rating territories are described in the Territory section of this manual.

If a filing is required for a higher rated territory, the rate for that higher rated territory must be used regardless of the number of trips to that higher rated territory.

The applicable rating territory is that in which the vehicle 'is and will be chiefly used'. If however, the vehicle is operated regularly i.e. more than 12 trips per year to or through other territories, the highest rated of those territories is to be used. This applies to all classes in the Commercial Section including Truckmen.

For vehicles used in other jurisdictions, refer to Rule 228: and Rule 234. Outside Province/Territory including U.S. exposure surcharge are to be applied where required.

Rule 207: Rating Class

A. Load Classification

Vehicles with a Gross Vehicle Weight not in excess of 4,500kg (10,000 lbs)	Light (L)
Vehicles with a Gross Vehicle Weight of more than 4,500kg (10,000 lbs.)	Heavy (H)
Road Tractors used to haul trailers	Heavy (H)

B. Radius

Radius means the road distance from the boundary of the city or town in which the vehicle is usually kept. Operation within a city or town or within 40 km (25 miles) of the boundaries of a city or town shall be regarded as within a 40 km (25 mile) radius. A radius of 80 km (50 miles) means

that the vehicle is being operated within 80 km (50 miles) of the boundaries of the city or town in which it is kept.

Note: A vehicle used for more than 12 trips per year (6 trips on a six month policy) beyond a radius of 80 km (50 miles) is to be rated:

Radius 81-160 km (100 miles)	Class 61
Radius 161- 400km	Class 62
Radius 401-750km	Class 63
Radius over 750km	Class 64

Special Increased Limits (for Chemical Products, Explosives, Petroleum Products, Radioactive Materials) classifications are to be used if the vehicle is transporting Dangerous Goods. Refer to Interurban Rate Pages for classification and rates.

For example: A vehicle hauling dangerous goods is used 13 times a year to transport those goods within a 100 km radius. Class 61B rates are applicable.

For policies issued for less than 6 months, the use of Special Increased limits (for Chemical Products, Explosives, Petroleum Products, Radioactive Materials) classifications shall apply if the percentage of mileage used beyond 80 km (50 miles) for the policy period, exceeds 5%.

The use of Special Increased limits (for Chemical Products, Explosives, Petroleum Products, Radioactive Materials) classifications does not apply if the vehicle is in transit and is not being used to transport goods or for the specialized purpose for which it was designed.

C. Exclusive Contract

A truckman's vehicles that are operated under contract exclusively for one party (other than for mail or milk transportation) may be classified as if owned and operated by that party if the vehicles are used within a radius of 40 km (25 miles). If used beyond a 40 km radius, rate as Truckmen.

For example: Acme Trucking has some trucks which are used solely for the delivery of Superior Drug Wholesaler's products to their customer drug stores within a 40 km radius. Superior Drug Wholesaler's do not have their own trucks. Rate the Acme trucks that are used solely for this purpose as Drug Manufacturer & Wholesalers.

D. Road Tractor Without Trailer

When a road tractor not used in connection with a farm is insured, it is presumed that it will be used with one or more trailers.

Note: The semi-trailer Liability premium must be charged even if no specific trailer is described. (see Rule 212: Rating of Trailers).

E. Vehicles in Transit

A vehicle that is in transit through the jurisdiction and not used to transport goods or for the special purpose for which it was manufactured is treated as a vehicle 'not specifically classified'.

For example: The Insured lives in one jurisdiction and purchases a road tractor in a different jurisdiction. The tractor is now being driven back to Alberta to be registered in the jurisdiction that the Insured resides in. The vehicle is in transit and not being used for the purpose for which it was designed. It shall be rated Class 44 (heavy vehicle not specifically classified).

F. Electrically Powered Vehicles

Discount no longer available in Alberta, New Brunswick, Northwest Territories, Nova Scotia, Nunavut, Ontario, Prince Edward Island and Yukon.

The Liability and DCPD premiums for electrically powered vehicles are subject to a reduction of 25%. (*Applicable in Newfoundland & Labrador only*).

G. Commercial Vehicles and Underage Operators

A light commercial vehicle principally or occasionally operated by a driver under 25 years old is to be rated as a private passenger vehicle with the underage operator as the principal operator if the private passenger premium shall be higher than if the vehicle was rated as a commercial vehicle. (*Applicable to Northwest Territories, Nunavut, Prince Edward Island and Yukon*).

H. Farm Trucks

The truck of a farmer who has no other gainful occupation and is residing on the farm may be rated as a farm truck. Vehicles owned by farm managers, farm labourers, transient harvesters and part time workers may not be rated as farm trucks.

Class 33 is permissible only when the Applicant has both a commercial and private passenger vehicle and is a listed driver rated on both. If the private passenger vehicle is not insured for mandatory coverage with the Servicing Carrier, the Agent/Broker must confirm in writing to the Servicing Carrier at each renewal that the Applicant owns and insures a private passenger vehicle; otherwise, the commercial vehicle is to be rated as a commercial vehicle not specifically classified.

Class 33 or 34 is not permissible if the vehicle is used for any retail/wholesale delivery or any use not considered part of the day-to-day operation of a farm.

For Class 34, a maximum 11,000 kg GVW is eligible. No extra heavy vehicles e.g. tractor trailers may be rated as farm vehicles.

Maximum annual mileage of any vehicle rated Class 33 or Class 34 may not exceed 10,000 km.

I. Artisan Class 35

This class is permissible only for those vehicles that are largely immobile i.e. parked during the business hours of the Applicant, at or near the place of employment. A vehicle used to go to more than two jobs in a day is not to be rated Class 35. Wholesale or retail delivery is not permitted. The Applicant or spouse also must have a private passenger vehicle insured for mandatory coverage.

J. Rating Class Table

Vehicle Type/Use	Class Code	
	Light	Heavy
All Commercial vehicles not specifically classified herein:		
Retail delivery of goods sold or serviced by the applicant	43	45
Excluding retail delivery (wholesale and no delivery)	36	44
All-Terrain Vehicles:		
GVW not more than 1 tonne (2,200 lbs.) - see Recreational Section		
GVW more than 1 tonne (2,200 lbs.) - rate according to use		
Ambulances - see Public Section		
Armored Cars	46	46
Artisan	35	n/a
This class is permissible only for those vehicles that are largely immobile i.e. parked, during the business hours of the Applicant, at or near the place of employment. A vehicle used to go to more than two jobs in a day is not to be rated as Class 35. Wholesale or retail delivery is not permitted. The Applicant or spouse also must have a private passenger vehicle insured for mandatory coverage.		
Automobile Hauling - see Truckmen		
Facility Association does not provide legal liability cover for cargo		
Auto Accessories and Parts:		
Retail delivery	43	45
Wholesale delivery	36	44
Bakeries and Distributors	44	45
Brewers and Distributors	45	45
Building materials - including bricks and blocks (excluding dump trucks)	46	46
Buses - see Public Section		
Butchers: Wholesale Butchers - see Meat Packers

Rule 208: Rating for More Than One Use

If the vehicle is used for more than one commercial purpose, the highest rated class (based on premium) must be used regardless of the percentage of exposure.

Since private passenger Classes 01, 02, 03 and 07 exclude commercial use, vehicles used for both private passenger and commercial use must be rated commercially.

Example 1:

The Insured has a minivan used for courier purposes and for pleasure. Rate the vehicle for courier delivery.

Example 2:

The Insured has a light pickup truck. During the day, the Insured makes business calls to clients of the company working as a salesman. During the night the Insured works for another company delivering pizza. Rate the vehicle for pizza delivery.

Example 3:

The Insured owns and operates a courier business with one Straight Truck currently rated for courier services. The Insured successfully bids on a contract to transport radioactive medical isotopes to local hospitals one day per month. Rate the vehicle for the transportation of dangerous goods.

Slip Tanks not carrying petroleum products are to be rated based on commodity hauled, Class 48 (Dangerous Goods) must not be used.

Rule 209: Driving Record

Driving record for individually rated policies are the number of years of verified 'Clear Record'. This rule does not apply to coverages that are experience (fleet) rated.

See special instructions under Rule 239: Fleets.

All vehicles shall initially be rated at Driving Record 0 unless the application is accompanied by (or the Servicing Carrier already has) proof of the accident free period and the ownership period required for a better driving record.

If the Named Insured(s) claim entitlement to a driving record better than that permitted by the preceding paragraph and submits details of the previous insurance details to the satisfaction of the Servicing Carrier, the re-rating shall then be backdated appropriately.

A. Clear Record

Throughout the period concerned:

1. There has been no accident involving the described vehicle or one for which it has been substituted;
and

2. The Named Insured(s) has owned the described vehicle or one of a similar type for which it has been substituted.

Ownership is established from the date on which the Applicant takes possession of the vehicle.

There is no requirement that drivers are accident free on other vehicles. The rating is determined from the vehicle history not the driver's history.

B. Driving Record Entitlement

Period of confirmed claims-free experience and vehicle ownership immediately preceding the commencement date of the period of insurance	Driving Record Entitlement
Less than 1 year	0
At least 1 year	1
At least 2 years	2
At least 3 years	3

Notes

1. The driving record established applies to all coverages for which driving record is a factor. There is no split rating. A chargeable accident will affect the rating of the Liability, DCPD (*Not available in Northwest Territories, Nunavut and Yukon*) and Collision coverages.
2. Where the Named Insured(s) owns more than one vehicle, each vehicle's driving record is established separately. Where an additional vehicle is acquired, it shall develop its own driving record (initially at Driving Record 0). Where a vehicle is deleted, an accident charged for on the deleted vehicle shall be transferred to a remaining vehicle with the best rated driving record.

For example: There are three vehicles on the policy all rated Class 36. Vehicle 1 is rated Driving Record 0 (due to an accident), Vehicle 2 is rated Driving Record 1 and Vehicle 3 is rated Driving Record 3. Vehicle 1 is deleted from the policy. The accident will be transferred to Vehicle 3 and the rating will be amended to Driving Record 0.
3. Where a vehicle replaces another it acquires the driving record of the replaced vehicle.
4. A loss history report or letter from the prior carrier is required to confirm claims-free experience for all driving records on individually-rated vehicles. Where a loss history report or letter from the previous Insurer verifying claims free experience in Canada or the U.S. is not provided, the Insured shall be eligible for a maximum of Driving Record 0.

5. Rateable gaps in insurance coverage within the 3 years immediately preceding the effective date of the insurance shall have the following impact on the assignment of the driving record:

- a) If the total gap in insurance coverage is less than 1 year in the past 3 years, the driving record will not be affected.
- b) If the total gap in insurance coverage is 1 year or more in the past 3 years, the driving record will be reduced by 1 for each year's gap in coverage.

C. Seasonal Use

Some commercial vehicles, such as those used for road construction, farming, lumbering and fishing may only be used seasonally. In these cases the Applicant may not be able to furnish proof of the accident-free period if the previous insurance policy did not retain Comprehensive or Specified Perils. Where this situation occurs and 'Seasonal Use' is confirmed from past insurance records, Facility Association shall require only proof of the accident free operation during the previous seasons.

If proof of ownership and accident free use in previous seasons is obtained, then the driving record shall not be affected. The risk shall retain the existing driving record or the driving record shall be allowed to progress in the same manner as vehicles that are used year round.

Rule 210: Not applicable

Rule 211: Vehicle Rate Group

The rate group is determined using Rate Group Table I or Rate Group Table II.

A. Rate Group Table I

This table lists by manufacturer, model and series, standard production pick-up, utility, van (panel or sedan delivery) or wagon types, having Gross Vehicle Weights not exceeding 4,500kg.

If a current year make/model is not listed but was listed in the immediately preceding year, use the rating group for the immediately preceding year.

If the year make/model was not listed in the immediately preceding year (It is a new model or there is a gap in model years.), contact your Servicing Carrier.

For vehicles with attached machinery (e.g. tow trucks, pickups with snow plow blades) or those that have been customized (e.g. special paint job) valued \$3,000 or greater, use Rate Group Table II. The Servicing Carrier will require a copy of the bills of sale or appraisal to substantiate the value of the attached equipment or customization.

Rate Group Table I is not to be used for models and series not specifically listed.

B. List Price New

The Manufacturer's Suggested Retail Price (MSRP) new (plus taxes) of the vehicle, including the value of the body, all permanently attached equipment and any customizing features

C. Rate Group Table II

The model year and list price new are used to determine the rate group.

Rate Group Table II is to be used for:

- Commercial vehicles of types and Gross Vehicle Weights not specified in Rating Group Table I.
- Private passenger vehicles being rated in the Commercial Section of the manual that are not listed in Rate Group Table I.
- Any vehicles equipped with attached machinery (e.g. tow trucks, pickups with snowplow blades) or with customization (e.g. special paint job, shelving) valued \$3,000 or greater.
- Motorcycles designed and used for commercial purposes e.g. a three wheel motorcycle with a box built in between the rear wheels that permits the carriage of small packages for delivery purposes.
- Vehicles classed as or rated as Interurban

Rule 212: Trailers

A. Types and Uses of Trailers

Non-Cargo Trailer

A trailer that does **not** supplement the load-carrying capacity of the towing vehicle. Such a trailer has a special function (e.g. compressor, tarpot, welding unit, canteen carts) and the insurance must be subject to END 30 described in Rule 205: Machinery or Apparatus.

Cargo Trailer

A trailer that does supplement the load-carrying capacity of the towing vehicle, i.e. it is used for carrying removable cargo.

Common Trailer

A trailer attached to a straight truck by a tongue.

Semi-trailer

A trailer equipped with a 'fifth wheel' or 'kingpin' coupling device for use with a road tractor. Includes 'bogies' used to convert containers into semi-trailers.

Pup Trailer

A second trailer attached to a lead trailer, either by means of a tongue or trailer converter dolly.

Low-bed Float Trailer

A trailer designed with a low center of gravity and used to haul very heavy loads (e.g. road graders, and transformers).

Gooseneck Trailer

A large trailer with a light cargo most commonly pulled by a pickup truck. Attachment to the pickup is by means of a small fifth wheel mounted on the bed of the pickup box.

Trailer Converter Dolly

A dual wheel axle with a fifth wheel mounted and a tongue for attachment to a lead trailer or straight truck.

Tractor-trailer-train or Tandem Rig

Road tractor with two or more trailers attached, or two or more trailers used with a truck.

Notes:

Except as provided above, trailers are classified in the same way as motor vehicles. E.g. a trailer used for grocery delivery is classified in the same manner as a road tractor used for grocery delivery.

For trailers designed or used for passenger carrying, demonstration, sales or office purposes, submit full details to the Servicing Carrier.

B. Rating of Trailers**1. Owned Trailer Liability**

Charge the indicated percentage of the premium applicable to the highest rated vehicle with which the trailer may be towed,

The percentage applied to the towing vehicle premium includes any surcharge:

Trailer Type	Liability
Converter Dolly (Non Cargo)	Nil
Converter Dolly (Cargo)	25%
Non-Cargo Trailer	10%
Low-bed Float Trailer	25%
Cargo Semi Trailer	10%
Cargo Other Trailer	25%
Pulling Modular Homes and the like	25%

Notes:

If tractor-trailer-trains or tandem rigs are operated, every trailer that may be used is to be rated as a 'Cargo Trailer - Other'.

The driving record for rating a trailer's Liability insurance is the same as the vehicle on which the trailer's premium is based.

A shipping container mounted on a frame is classified according to the frame upon which it is mounted. e.g. If mounted on a semi-trailer chassis then classify as a semi-trailer.

Accident Benefits

No charge, unless the trailer is used for purposes like living/dwelling, show room, office, demonstration or changing rooms. In these cases, charge 100% of the premium applicable to the towing vehicle.

Optional Physical Damage

Each trailer is rated as if it were a separate vehicle. Rating Group Table II is used to determine the rate group.

Each trailer and the vehicle by which it may be pulled use the same Collision driving record. Chargeable accidents will apply to the rating of both the trailer and the pulling vehicle.

Apply Outside Province/Territory exposure surcharge and accident surcharge will apply if required.

Conviction surcharges are not applied to Collision coverage unless the trailer is the only vehicle on the policy in which case they apply to all coverages for which a premium has been charged other than Comprehensive / Specified Perils.

2. Excess Trailers

If the number of trailers insured by a policy exceeds the number that could be used at any one time (including with any vehicles insured by other policies/Insurers), the premium under Liability for the 'excess' trailers is reduced by 50%. If all trailers do not produce the same premium, the trailer(s) that would otherwise produce the lowest premium shall be considered excess.

For example: There are two tractors and four trailers. Two of the trailers produce premiums of \$500 each. The other two trailers produce premiums of \$700 each. The trailers that produce premiums of \$500 each will be considered excess and the Liability premiums for each of those trailers will be reduced by 50%.

3. Non Owned Trailers**Liability**

When a road tractor is insured, it is presumed that it will be used with one or more trailers. Accordingly, the semi-trailer Liability premium must be charged even if no specific trailer is described. Charge the premium applicable to an owned trailer.

Accordingly, the semi-trailer Liability premium must be charged. Charge the premium applicable to an owned trailer.

Accident Benefits

No charge, unless the trailer is used for purposes like living/dwelling, show room, office, demonstration or changing rooms. In these cases, charge 100% of the premium applicable to the towing vehicle.

Optional Physical Damage

Charge the premium applicable for these coverages on a non-owned trailer as though the trailer was owned. Establish the rate group and premium for the non-owned trailer that has the highest value; model year is assumed to be the current year. Apply Outside Province/Territory exposure surcharge if required.

4. Policy Covers Trailers Only**Liability**

If it is not known how the trailer is being used, charge 25% of Class 64 Driving Record 0. If the purpose for which the trailer is being used is known (e.g. local haulage) charge 10% of the appropriate class (e.g. Class 49) at Driving Record 0. Apply surcharge for Outside Province/Territory exposure, accidents and convictions if required.

If the trailer is being used with a tractor insured under another FA policy with the same Servicing Carrier, the non-owned charge on that other FA policy can be eliminated, whether or not the same Insured owns both the tractor and trailer.

Accident Benefits

No charge, unless the trailer is used for purposes like living/dwelling, show room, office, demonstration or changing rooms. In these cases, charge 100% of the premium applicable to the towing vehicle.

Optional Physical Damage

Establish the rate group according to the trailer value. Charge the applicable optional physical damage premiums based on that rate group and the class/driving record established under Liability coverage. Apply surcharges, if required.

5. Livestock Trailers

Where the trailer is used for transporting livestock (including horses) as part of the insured's business, the trailer is to be rated as a commercial cargo trailer, either 'semi' or 'cargo other' depending on the type of trailer. Where the trailer is used for transporting livestock for pleasure purposes, the trailer is to be rated as a utility trailer in the Recreational Section.

Rule 213: Endorsement Forms/ Wordings

Changes to standard approved forms are not permitted.

Rule 243: Endorsements Applicable to POL 1 (Owner's Policy) provides certain details and rating instructions for approved endorsement forms. The descriptions are brief and reference must be made to the actual wordings of these forms to ascertain the full provisions and restrictions.

Provided the endorsement form does not indicate the expiry date of the policy and continues to refer to a particular vehicle on the Certificate of Automobile Insurance /Declaration page to which the endorsement is attached. Once an endorsement form has been signed, it need not be signed again on subsequent policy renewal terms.

Rule 214 : Not applicable**Rule 215: Premiums****A. Premium Quotations**

The Agent/Broker is responsible for calculating premiums in accordance with this manual, including the 'base' premiums applicable to experience (fleet) rated risks. Experience rated risk premiums are calculated at Driving Record 0.

Where there is any doubt on the matter, the Servicing Carrier will be pleased to assist in establishing risk classifications, but the Servicing Carrier shall not make premium quotations except where the manual does not provide for the particular coverage required.

The Servicing Carrier shall require clarification from the Agent/Broker if the information on the application contradicts the quoted premium.

B. Manual Rates

The rates published in this manual are for annual policy terms. For commercial six month automobile policies charge 52% of the annual premium.

Fleets as defined in Rule 239 are not eligible for six month policies.

C. Premium Rounding

The premium for each coverage shall be rounded to the nearest whole dollar. A premium that includes 50 cents or more shall be rounded up to the next whole dollar. (\$46.56 will be rounded up to \$47.00 and \$46.44 will be rounded down to \$46.00.)

This applies to all premium transactions, including refunds except where the policy is cancelled by registered letter at the request of the Agent/Broker or by the Servicing Carrier. In that event, the return premium shall **always** be rounded up to the next whole dollar (\$45.10 will be rounded up to \$46.00).

D. Minimum Premium/Minimum Retained Premium

The minimum premium for any commercial automobile policy or renewal and, the minimum retained premium in the event of cancellation of the policy, is \$25, regardless of the term of insurance. The minimum retained premium must be stated on the declaration page of the policy.

E. Premium Determination**1. Calculating Premium with No Outside Province/Territory Exposure:****Steps**

1. Ensure that the vehicle qualifies as a commercial vehicle. (See Rule 205).
2. Establish the rating territory (See Rule 206).
3. Establish the rating class. (See Rule 207).
- 4a. For Liability and Collision coverages, establish the driving record. (See Rule 209). *(Applicable to Northwest Territories, Nunavut and Yukon)*
- 4b. For Liability, DCPD and Collision coverages, establish the driving record (See Rule 209) *(Applicable to Alberta, New Brunswick, Newfoundland & Labrador, Nova Scotia, Ontario and Prince Edward Island).*
- 5a. For optional physical damage, establish the rate group and the minimum deductible. (See Rule 211 and Rule 201). *(Applicable to Northwest Territories, Nunavut and Yukon)*
- 5b. For DCPD establish the rate group and for optional physical damage, establish the rate group and the minimum deductible. (See Rule 211 and Rule 201). *(Applicable to Alberta, New Brunswick, Newfoundland & Labrador, Nova Scotia and Prince Edward Island).*
- 5c. For DCPD and optional physical damage, establish the rate group and the minimum deductible. (See Rule 211 and Rule 201). *(Applicable to Ontario only).*
6. Establish what, if any, special rating factors apply.
7. Refer to the Rate Pages in this section and establish the 'manual' premium for each coverage.
8. Where a premium for a rate group or deductible is not shown on the rate page, first calculate the rate group premium by multiplying the base premium by the rate group factor, and then multiply the rate group premium by the deductible factor. For trailers, also see Trailers in this section.
9. Apply any special use factor.
10. Apply fleet rating or accident/conviction surcharges if required.

2. Calculating Premium with Outside Province/Territory Exposure:**Towing Vehicles**

Calculate the 'manual' premium for the required coverages and deductibles in accordance with Rule 215.E.1.

Towing Vehicles	
Coverage	Description
Liability	Calculate the Outside Province/Territory exposure surcharge for Liability. Apply to the premium. Then apply any fleet rating or accident/conviction surcharge to the resulting premium.
Direct Compensation Property Damage (DCPD) <i>(Not available in Northwest Territories, Nunavut & Yukon)</i>	Calculate the Outside Province / Territory exposure surcharge for DCPD. Apply the premium. Then apply any accident/conviction surcharge to the resulting premium.
Accident Benefits / Uninsured Automobile <i>(UA not available in Alberta, Northwest Territories, Nunavut and Yukon)</i>	Apply the Outside Province / Territory exposure surcharge for Liability to the premium.
Collision	Calculate the Outside Province / Territory exposure surcharge for optional physical damage and apply to the premium. Then apply any accident/conviction surcharge to the resulting premium.
Comprehensive / Specified Perils	Apply the Outside Province / Territory exposure surcharge for physical damage to the premium.
END 44/44R	Apply the Outside Province / Territory exposure surcharge for Liability to the premium

Calculate the 'manual' premium for the required coverages and deductibles using steps outlined in Rule 215:E.1.

Trailers	
Coverage	Description
Liability	Determine the premium for the towing vehicle in accordance with Rule 215:E.1 (steps 1 to 9) plus any fleet rating surcharge or discount. Apply the appropriate trailer percentage charge to obtain the premium. If the towing vehicle is rated with an Outside Province / Territory exposure surcharge and/or conviction/accident surcharge, the appropriate percentage for the trailer applies to the towing vehicle premium including that surcharge. If the trailer is the only vehicle on the policy, apply the accident /conviction surcharge.

Direct Compensation Property Damage (DCPD) <i>(Not available in Northwest Territories, Nunavut & Yukon)</i>	Determine the premium for the towing vehicle in accordance with Rule 215:E.1 (steps 1 to 9) plus any fleet rating surcharge or discount. Apply the appropriate trailer percentage charge to obtain the premium. If the towing vehicle is rated with Outside Province/Territory exposure surcharge and/or conviction/accident surcharge, the appropriate percentage for the trailer applies to the towing vehicle premium including that surcharge. If the trailer is the only vehicle on the policy charge 10% of the DCPD premium applicable to the highest rated vehicle with which the trailer may be towed.
Accident Benefits / Uninsured Automobile (UA <i>not available in Alberta, Northwest Territories, Nunavut and Yukon</i>)	No charge
Collision	Calculate the premium for the required deductible in accordance with Rule 215:E.1 (steps 1 to 9), plus any fleet rating surcharge or discount. Calculate Outside Province/Territory exposure surcharge and accident surcharge and apply to the premium. Do not apply a conviction surcharge unless the trailer is the only vehicle on the policy.
Comprehensive / Specified Perils	Calculate the premium for the required coverages and deductibles in accordance with Rule 215:E.1 (steps 1 to 9), plus any fleet rating surcharge or discount. Calculate the Outside Province/Territory exposure surcharge and apply to premium.

Rule 216: Not applicable

Rule 217: Policy Changes

A. A change to a policy shall not be processed if:

- The change is substantial e.g. the Insured is covered under POL 1 and now requires POL 4 or 6 instead. A new policy may be necessary. If in doubt, the Agent/Broker should contact the Servicing Carrier for direction. If a new policy is required, a new application must be submitted. The existing policy shall be cancelled pro rata.
- There is a change of the jurisdiction in which a vehicle is registered and the vehicle must be registered in the new jurisdiction. The insurance on the vehicle must be cancelled. Upon receipt of a copy of the replacing policy application, or temporary liability card from the new jurisdiction, the refund shall be calculated on a pro rata basis, subject to the minimum retained premium.

B. Name of Insured When Adding or Deleting Vehicles

Leased Vehicles

- Where the Insured has a leased vehicle and is returning the vehicle to the lessor and replacing it with an owned vehicle, provided there is no change in the name of the Insured (the person who actually applied for the insurance), the change to remove the lessor's name from the policy and the vehicle substitution may be made by endorsement. A release of the lessor's interest must be obtained or comparable notification of the change must be sent to the lessor by registered mail.
- Where an Insured has an owned vehicle, and is now obtaining a leased vehicle and disposing of the owned vehicle, the change to the vehicle and name of Insured may be made by endorsement, provided there is no change in the name of the Applicant, other than to add the lessor's name to the policy.
- In situations where the Insured has an owned vehicle and a leased vehicle, separate policies may not be necessary for each vehicle.
- Where an Insured has two or more vehicles leased from different leasing companies, a separate application is required for each vehicle.
- In situations where an Insured has two or more vehicles leased from different leasing companies, separate policies may not be necessary for each vehicle.

Owned Vehicles

Two or More Names as Registered Owner of the Vehicle:

Where an application is received for vehicle(s) registered in two names, such as Pat and Drew Doe, the application must be signed by both parties. In the event the policy is to be cancelled at the Insured's request, both signatures are required on the request for cancellation. If the situation is other than the Applicant and spouse, refer to the Servicing Carrier prior to quoting or binding to verify the rating.

Two or More Vehicles Registered to Different Names:

If the Applicant has vehicles leased from different leasing companies or, one vehicle registered for example in the father's name and one in the son's name, separate policies must be maintained. Separate applications must be submitted for each policy.

C. Amending or Deleting Coverage on Vehicles with Lessees or Lienholders

Where optional physical damage coverage is being amended or deleted on a leased vehicle or a vehicle on which there is a lienholder, the Servicing Carrier must send a notice to the lessor or lienholder to advise of the coverage being amended or deleted and the effective date of the transaction.

D. Binding Coverage - Policy Changes

If the change involves a vehicle for which proof of insurance has been filed or is required (Refer to Rule 227). Before binding coverage the Agent/Broker must collect or assume responsibility for any indicated additional premium.

Procedure of notification

- 1) The Agent's/Broker's procedure for reporting changes to the Servicing Carrier must be acceptable to the Carrier. The request for change must be made in writing and **specify the effective date and the effective time.**
- 2) Faxed or mailed policy change requests are acceptable.
- 3) If the policy change request cannot be sent to the Servicing Carrier on the date the Insured makes the request, it must be sent to the Servicing Carrier on the next working day.
- 4) The Servicing Carrier shall normally issue any required endorsement, updated Certificate of Insurance (if required) and permanent liability card (if required) within 30 days of the effective date of the change.
- 5) Coverage may not be shown as effective prior to the date and time that the request was received by the Agent/Broker from the Insured, except when contractual coverage exists automatically under the policy and notice is given within the time permitted. A permissible policy change is in effect as of the time and date requested.
- 6) Before optional physical damage coverage can be bound on a vehicle branded as 'salvage' or 'rebuilt', a valid vehicle registration and, at the Servicing Carrier's discretion, a current safety certificate must be provided to the Servicing Carrier with the policy change request.

NOTE: No policy shall be written for vehicles branded 'nonrepairable'

- 7) Where a vehicle is being added or substituted, a copy of the valid vehicle registration will be required with the request for the policy change. If the registration cannot be submitted with the request for policy change, a copy of the registration must be submitted within 30 days of binding coverage.

Where a copy of the registration is not provided, the following shall apply:

- The vehicle(s) shall be added or substituted at the correct premium.
- If any registration is not provided within 30 days of the date requested by the Servicing Carrier, the policy shall be cancelled by registered letter.
- If the missing registration(s) is provided before the cancellation takes effect, the policy may be reinstated.
- Agent/Broker may submit a new application for the vehicles meeting the registration requirement.

E. Deletions of Vehicles and Coverages

a) If the request for deletion is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) within 30 days of the date the deletion is to be effected, the deletion shall take effect at 12:01 a.m. on the date that it was requested to be effective. In the event that the deletion was specifically requested to be effective at a time other than 12:01 a.m., the deletion will be effected at 12:01 a.m. the following day.

For example: The Insured requests deletion of the vehicle/coverage to be effective September 5. The deletion request is received by the Agent/Broker on September 20. The Servicing Carrier will issue the policy change effective 12:01 a.m. September 5. If the Insured requested the deletion to be effective at 3:40 p.m. on September 5, the Servicing Carrier will delete the vehicle/ coverage effective 12:01 a.m. on September 6.

b) If the request for deletion is received by the Agent/Broker (or Servicing Carrier if received directly from Insured) more than 30 days after the date the deletion was requested to be effected, the deletion will take effect at 12:01 a.m. on the date that the deletion request is received by the Agent/Broker (or Servicing Carrier if received directly from Insured).

For example: The Insured requests deletion of a vehicle/coverage to be effective September 5. The deletion request is received by the Agent/Broker on October 10. The Servicing Carrier will delete the vehicle/coverage effective 12:01 a.m. October 10.

NOTE for a) and b)

If the date the request was received by the Agent/Broker is not evident, the Agent/ Broker will be asked to provide proof of the date received acceptable to the Servicing Carrier. If proof cannot be provided, the request will be processed effective 12:01 a.m. on the date received by the Servicing Carrier.

c) In the event that the **vehicle has been sold**, and a copy of the bill of sale satisfactory to the Servicing Carrier is produced, the vehicle shall be deleted the day after the vehicle is sold.

For example: The vehicle was sold June 5. The Servicing Carrier does not receive the request to delete until September 5. If the Insured can produce a satisfactory bill of sale, the Servicing Carrier will delete the vehicle effective 12:01 a.m. June 6.

d) In the event that a vehicle has been **written off** in a claim, deletion shall not be effected prior to the day after the loss occurred. If the request for vehicle deletion is received more than 30 days after the date of loss, the deletion shall be effected:

i) The day after the salvage is signed over to the Insurer;

or

ii) The date the policy is no longer under the temporary substitute auto provision, if that date is later than the date salvage was signed over.

For example: The vehicle has been written off in a claim June 1. On September 1 the Servicing Carrier receives a request to delete the vehicle effective June 1. Upon checking with the claims department, the Servicing Carrier ascertains that salvage was signed over to the claims department on June 15. However, the Insured had a rental vehicle covered under the policy's temporary substitute auto coverage until June 20. The Servicing Carrier will delete the vehicle effective 12:01 a.m. June 21.

e) In the event the Insured has placed coverage through the voluntary market, upon receipt of a copy of the replacing policy application for the deleted vehicle or temporary liability card, the Servicing Carrier shall delete effective the date that the replacement coverage took effect.

Servicing Carriers shall proceed with deletion as outlined in a) or b) unless the Servicing Carrier is aware or is made aware, that the circumstances outlined in points c), d) or e) exist.

F. New or Replacement Driver

If the change includes an additional or replacement driver, the Servicing Carrier shall be required to verify the driving history by ordering:

a) Driver Record Abstract obtained from the appropriate government department in each Canadian and/or U.S. jurisdiction in which the driver has been licensed in the previous three years.

Driver Record Abstracts are not to be obtained on experience (fleet) rated risks.

b) Since the rating is determined from the vehicle history not the driver's history, there is no requirement that drivers are accident free on other vehicles and, consequently, previous

insurance history on the additional or replacement driver(s) is not required.

If the information is different from that reported, to the extent that the premium or coverage requires amendment, the Servicing Carrier shall promptly issue a correcting endorsement.

G. Midterm Policy Change Premium Calculation

In regard to the period licensed, period of ownership, the period since the date of an accident, the period since the date of a conviction, the rating is always based on the position as at the effective date of the policy period, (or, in the case of a subsequent addition/substitution of a driver or addition of a vehicle as at the addition/substitution date). Midterm rerating is NOT permissible in respect of changes that occur in regard to those matters during the period of insurance merely because of the lapse of time.

Rates to be used

Addition of a vehicle:

Rates in effect at the effective date of the transaction.

Addition of a coverage or other midterm transactions:

Rates in effect at the start of the policy period.

Method of premium calculation:

Premiums for midterm commercial automobile policy changes are calculated pro rata by using the Day Table.

Minimum premiums for midterm changes:

A minimum additional premium of \$5 shall be charged for any transaction that includes one or more of the following, regardless of the period of insurance:

- addition of a vehicle or a coverage
- increase of a Liability limit
- decrease of a deductible

Note 1: Any additional premium of **less** than \$5 may be waived by the Servicing Carrier unless mentioned above. Return premiums may not be waived.

Note 2: When a vehicle, not newly acquired, is substituted for another on the policy or added to the policy for less than 7 days, there will be a \$50 charge for each such transaction in excess of 2 in a 30 day period or more than 12 in a 12 month period.

Rule 218: Renewals

A. Before issuing a Renewal:

If the renewal involves a vehicle for which proof of insurance has been filed or is required see Rule 227.

Individually rated or experience rated commercial risks may require the Agent/Broker to determine whether the

information on record and/or coverages needs revision or updating.

A driver record abstract must be obtained for those risks where eligibility or rating is dependent upon driving history. These must be ordered on all drivers prior to every second renewal (for six month policies every fourth renewal). *(Applicable to Northwest Territories, Nunavut and Yukon only).*

Renewals shall only be offered on policies for annual or six month terms.

NOTE: Any risk where abusive or threatening behaviour of the Insured/Applicant/Driver within the previous 3 years has created a safety concern for Facility Association staff, Servicing Carrier staff or a representative acting on behalf of either and circumstances have been reported to police shall be non-renewed.

B. Accidents Occurring Between Renewal Process Date & Effective Date

Once a renewal or offer to renew has been processed, and the Servicing Carrier receives notice of an at fault loss that occurred prior to the renewal's effective date, the Servicing Carrier shall amend the renewal rating accordingly.

C. Renewal Processing

1. Other than Direct Billing

Servicing Carrier Responsibilities

The renewal documents shall be issued by the Servicing Carrier and must reach the Agent's/Broker's address no later than 30 days prior to the policy's current expiry date.

Agent/Broker Responsibilities

Before releasing any renewal documents the Agent/Broker must collect or assume responsibility for the full renewal premium. In the case of experience (fleet) rated risks, where renewals may be late due to missing information, the Agent/Broker is responsible for the premium calculated at Driving Record 0. For other than experience rated risks, if the Servicing Carrier is unable to issue renewals in the required time period, the Agent/Broker must issue a temporary liability card to the Insured and collect a downpayment based on the estimated annual premium for the upcoming renewal term.

Or

Obtain a fully completed premium finance contract together with the full downpayment required and promptly send that contract to the premium finance company.

Renewal not accepted

If the renewal is not accepted by the Insured, the Agent/Broker must submit one of the following acceptable evidence of renewal refusal to the Servicing Carrier:

- a) Return all the renewal documents (including liability cards) to the Servicing Carrier;
OR

- b) Written confirmation that the renewal has been returned complete with liability cards to the Agent/Broker AND that the documents were destroyed in the Agent/Broker's office;
OR
- c) Provide a signed (i.e. written, electronic or auto signature) request from the Insured to cancel the policy effective the renewal date.

If the evidence of renewal refusal is received by the Servicing Carrier within 15 days of the renewal's effective date, a full refund shall be credited to the Agent's/Broker's Facility Association account. If evidence of renewal refusal is not received within 15 days, the renewal shall be cancelled on a pro rata basis effective the date it is received by the Servicing Carrier. The Agent/Broker shall be responsible for earned premium or minimum retained premium whichever is greater.

Renewals where acceptable evidence of refusal has been submitted to the Servicing Carrier for cancellation may not be reissued unless the Servicing Carrier receives instructions no later than the renewal's effective date and the Agent/Broker collects or assumes responsibility for the full premium as outlined above.

If the renewal date has passed and the insurance is again required, there must be a new application and a new policy issued.

2. Direct Billing Renewals

Servicing Carrier Responsibilities

- a) For each policy an offer to renew shall be issued by the Servicing Carrier. The offer to renew must reach the Insured's last known address no later than 30 days prior to the policy's current expiry date.
- b) The payment due date must be clearly indicated on the offer to renew and must be the same as the policy's current expiry date.
- c) If the required premium is received by the Servicing Carrier no later than 15 days after the payment due date, the Servicing Carrier shall promptly issue the appropriate renewal documents to the Insured.
- d) The renewal documents must not be released by the Servicing Carrier until the full premium is received or the required first payment is received on time by the Servicing Carrier (by first payment due date if a deferred premium payment plan is available). If this rule is followed, neither the Carrier nor the Agent/Broker incurs any responsibility for the premium. If the Servicing Carrier follows any other unauthorized procedure, the Servicing Carrier will be responsible for the earned premium for the time on risk calculated on a pro rata basis and will be required to stop offering a Direct Bill option.

Payment Not Received

If the required payment is not received by the Servicing Carrier within 15 days of the payment due date, the policy shall be treated as though it has expired and the Servicing Carrier shall advise the Agent/Broker accordingly within the following 10 days.

Rule 219: Cancellations**A. Midterm Cancellation - Effective Date****1. Received by Agent/Broker or Servicing Carrier within 30 days**

If the request for midterm cancellation is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) within 30 days of the date the cancellation is to be effected, and no effective time is requested, the cancellation shall take effect at 12:01 a.m. on the date it was requested to be effective. In the event that the cancellation was specifically requested to be effective at a time other than 12:01 a.m., the cancellation shall be effected at 12:01 a.m. the following day.

For example: The Insured requests cancellation of the policy to be effective August 5. The cancellation request is received by the Agent/Broker on August 20. The Servicing Carrier shall cancel the policy effective 12:01 a.m. August 5. If the Insured requested cancellation to be effective at 3:40 p.m. on August 5, the Servicing Carrier shall cancel the policy effective 12:01 a.m. on August 6.

2. Received by Agent/Broker or Servicing Carrier after 30 days

If the request for cancellation is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) more than 30 days after the date the cancellation was requested to be effected, the cancellation shall take effect at 12:01 a.m. on the date that the cancellation request is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured).

For example: The Insured requests cancellation of the policy to be effective September 5. The cancellation request is received by the Agent/Broker on October 10. The Servicing Carrier shall cancel the policy effective 12:01 a.m. October 10.

NOTE for 1 and 2

If the date the request was received by the Agent/Broker is not evident, the Agent/Broker will be asked to provide proof of the date received acceptable to the Servicing Carrier. If proof cannot be provided, the request will be processed effective 12:01 a.m. on the date received by the Servicing Carrier.

3. Received by Servicing Carrier after 30 days and vehicle sold

In the event that the vehicle has been sold, and a copy of the bill of sale satisfactory to the Servicing Carrier is produced, the policy shall be cancelled the day after the vehicle is sold regardless of what that date might be.

For example: The vehicle was sold June 5. The Servicing Carrier does not receive the request to cancel until September 5. If the Insured can produce a satisfactory bill of sale, the Servicing Carrier will cancel the policy effective 12:01 a.m. June 6.

4. In the event of a total loss

In the event that a vehicle has been written off in a claim, cancellation shall be effected:

- a) The day after the salvage is signed over to the Insurer,
- Or**
- b) The date the policy is no longer providing coverage on a rental vehicle under the temporary substitute auto provision, if that date is later than the date salvage was signed over.

For example: The vehicle has been written off in a claim June 1. On September 1 the Servicing Carrier receives a request to cancel the policy effective June 1. Upon checking with the claims department, the Servicing Carrier ascertains that salvage was signed over to the claims department on June 15. However, the Insured had a rental vehicle covered under the policy's temporary substitute auto coverage until June 20. The Servicing Carrier will cancel the policy effective 12:01 a.m. June 21.

5. Coverage placed in Voluntary Market

In the event the Insured has placed coverage through the voluntary market, upon receipt of a copy of the replacing policy application, or temporary liability card, the Servicing Carrier shall cancel the policy effective the date that the replacement coverage took effect.

Servicing Carriers shall proceed with cancellation as outlined in points 1 or 2 unless the Servicing Carrier is aware or is made aware, that the circumstances outlined in points 3, 4 or 5 exist.

B. Policies with Lessors or Lienholders

If the policy is being cancelled at the Insured's request, a release of interest must be obtained from the lessor or the lienholder. In the event the Servicing Carrier does not receive a release of interest from the lessor, a notice is to be sent to the lessor by registered mail to advise that the policy is being cancelled and the effective date of cancellation. If no release is received from the lienholder, a notice is to be sent to the lienholder (registered mail is not required) to advise that the policy is being cancelled and the effective date of cancellation.

If the policy is being cancelled at the Agent's/Broker's request or Servicing Carrier's initiative by registered letter, a copy of the registered letter must be sent to the lessor or lienholder by registered mail.

C. Where Proof of Insurance Has Been Filed

If proof of insurance has been filed, the notice period required by the authority must expire before cancellation can be effected, therefore the Servicing Carrier shall cancel the policy effective the date the notice period expires.

D. Policy is Financed Through a Premium Finance Company

If a return premium is payable on a policy financed with a premium finance company, the gross refund is to be sent directly to the Agent/Broker **regardless of the reason** for cancellation. The Agent/Broker **must** return the applicable refund premium to the premium finance company. The Agent's/Broker's account shall be debited with the amount of the premium refund sent to the premium finance company.

E. Cancellation – Procedures**1. Cancellation at the request of the Insured or the Premium Finance Company – Broker Bill & Direct Bill**

Cancellation requested by the Insured or the premium finance company under power of attorney must be made in writing in a format suitable to the Servicing Carrier.

Facility Association shall accept faxed signed and dated cancellation requests.

The return premium shall be calculated as follows:

For commercial vehicles being placed in the voluntary market, calculate on a pro rata basis using the Day Table subject to any applicable minimum retained premium

For commercial vehicles, are not being placed in the voluntary market use Short Term Table No. 1 or No. 2 subject to any applicable minimum retained premium.

Note: For Recreational vehicles used for commercial purposes, refer to the Recreational Vehicle section of the manual.

If the policy is on Broker Bill, the Servicing Carrier shall credit the Agent's/Broker's account with the unearned premium refundable unless the premium is financed through a premium finance company.

2. Cancellation at the request of the Agent/Broker – Broker Bill**When additional premium cannot be collected on original quote**

If the Agent/Broker cannot collect the additional premium arising from an increase to the premium originally quoted for new business:

- a) The Agent/Broker must advise the Servicing Carrier of the amount of premium collected and request that a notice of cancellation be issued to the Insured,
- or**

- b) The Agent/Broker must have the policy signed off. The Facility Association shall accept faxed signed cancellation requests.

If the Agent/Broker reports non-payment of the additional premium within 30 days of receiving notice of those increases, the earned premium for cancellation shall be calculated pro rata on the Agent's/Broker's originally quoted premium. Otherwise, the earned premium shall be calculated pro rata on the revised premium. If a subsequent application is submitted by the same Agent/Broker to the same Servicing Carrier for substantially the same risk within 30 days of the effective date of cancellation of the first policy and, the Agent/Broker reports non-payment of additional premium, the earned premium shall be calculated pro rata on the revised premium.

Note: For policies for which premium is paid directly to the Servicing Carrier and the Carrier initiates cancellation the words 'Agent/Broker' will be read to mean Servicing Carrier.

When outstanding premium cannot be collected in all other cases**Agent/Broker Responsibilities**

If cancellation of a policy is requested by the Agent/Broker due to inability to collect the full policy/renewal premium or a subsequent additional premium, the Agent/Broker will be responsible for the time on risk charge which will be pro rata of the full premium.

The Agent/Broker must advise the Servicing Carrier of the amount of premium collected and request that a notice of cancellation be issued to the Insured.

Servicing Carrier Responsibilities

The Servicing Carrier shall promptly issue a registered notice of cancellation in accordance with the Statutory Conditions. The earned premium for cancellation shall be calculated pro rata on the full term premium at the time of cancellation.

When the Servicing Carrier issues a registered letter of cancellation, any unearned premium shall be refunded directly to the Insured (unless the policy is financed through a premium finance company) and the Agent's/Broker's account shall be debited for the amount of the refund and credited for the unearned premium.

3. Cancellation of Late Issued Renewals

If the Servicing Carrier is unable to issue renewals in the required time period, the Agent/Broker must issue a temporary liability card to the Insured and collect a downpayment based on the estimated annual premium (or the estimated semi-annual premium for 6 month policies) for the upcoming renewal term.

Once the renewal is issued, if the Insured does not accept the renewal premium, the Agent/Broker shall advise the Servicing Carrier of the amount of premium collected and

request that notice of cancellation be issued to the Insured **or** shall have the Insured sign off the policy.

The Servicing Carrier shall then issue a registered letter of cancellation in accordance with the Statutory Conditions or issue the necessary cancellation documents. The earned premium shall be calculated pro rata based on the previous term premium.

4. Flat Cancellation

New Policy

Flat cancellation of a new policy is not allowed except as provided under Rule 219: Flat Cancellation Exceptions.

Additional Premium Policy Change

Flat cancellation of an additional premium policy change is not allowed.

Renewal

If evidence of renewal refusal is supplied by the Agent/Broker (per Rule 218) is received by the Servicing Carrier within 15 days of the renewal's effective date, a full refund shall be credited to the Agent's/Broker's Facility Association account. If evidence of renewal refusal is not received within 15 days, the renewal shall be cancelled on a pro rata basis effective the date it is received by the Servicing Carrier and the Agent/Broker shall be responsible for earned premium. A written request acceptable to the Servicing Carrier, for cancellation effective renewal date shall be accepted in lieu of evidence of renewal refusal.

5. Flat Cancellation Exceptions

1. Any policy returned to the Servicing Carrier complete with liability cards, prior to the effective date of the policy, may be cancelled flat.
2. Any policy returned to the Agent/Broker complete with liability cards and destroyed in the Agent/Broker's office, with written confirmation from the Agent/Broker to the Servicing Carrier, prior to the effective date of the policy, may be cancelled flat.
3. If a cheque or electronic payment received for a new policy or renewal premium or, for the first installment thereof is not honoured by the financial institution, flat cancellation shall be allowed to the Agent/Broker provided that:
 - i) The cheque was dated and issued on or before the effective date of the policy period concerned or the electronic payment was made on or before the effective date of the policy period concerned;
and
 - ii) The cheque was immediately deposited;
and
 - iii) In the case of a first installment, the amount of the cheque or electronic payment was sufficient to meet the Servicing Carrier's requirement or if financed under a contract with a premium finance company the full down payment required under the terms of the contract;

and

- iv) The return of the cheque by the financial institution or dishonour of the electronic payment is promptly reported to the Servicing Carrier. A copy of the cheque (front and back) or copy of the dishonour notice must be provided to the Servicing Carrier.

However, on the registered letter of cancellation to the Insured, the Servicing Carrier shall request payment of the full pro rata time on risk charge.

6. Cancellation initiated by the Servicing Carrier Non-Payment – Direct Bill

If premiums are paid directly to the Servicing Carrier, the Servicing Carrier may cancel an insurance policy for non-payment of premium. The earned premium shall be calculated pro rata.

Other Circumstances

The Servicing Carrier may not otherwise cancel an insurance policy unless approval of such action is contained elsewhere in this manual or is obtained in the manner prescribed by the Association's Board of Directors.

F. Refund Calculation

1. Insured's Request

For a policy cancellation requested by or on behalf of the Insured (e.g. requested by a premium finance company) the premium refund shall be calculated in accordance with the Short Term Tables, unless a pro rata cancellation is being allowed because the risk is being placed in the voluntary market.

2. Any Other Reason

Where the policy is being cancelled for any other reason (e.g. by registered letter) the premium refund shall be calculated on a pro rata basis using the Day Table.

Rule 220: Not applicable

Rule 221: Time on Risk Tables

A. Pro Rata

Calculation for Endorsements & Cancellations

Using the Day Table on the next page:

1. Determine the factor that corresponds to the policy's expiry month and day. For example March 26 is .233. Express the policy's expiry date in a decimal format by combining the year and the factor. March 26, 1999 would become 1999.233.
2. Determine the factor that corresponds to the effective date of the policy change or cancellation and express that date in a decimal format. If the effective date of policy change is November 20, 1998 that would be expressed as 1998.888. Note that if the effective date of change or cancellation is February 29, it should be treated as February 28.
3. Subtract the second number from the first.
Policy expiry date 1999.233
Policy change date 1998.888
Refund/change factor .345
4. Where the policy is a six month policy, double the refund/change factor.
5. For a policy cancellation, the refund is calculated by multiplying the policy premium as of the cancellation date by the refund/change factor. The policy premium is the full term premium for the coverage in force at the time of cancellation. Minimum retained premium must be taken into consideration.
6. For a policy change, the additional/return premium is obtained by multiplying the full term premium for the change by the refund/change factor.

B. Pro Rata Day Table

January			February			March			April			May			June		
Day of month	Factor	Day of year	Day of month	Factor	Day of year	Day of month	Factor	Day of year	Day of month	Factor	Day of year	Day of month	Factor	Day of year	Day of month	Factor	Day of year
1	.003	1	1	.088	32	1	.164	60	1	.249	91	1	.332	121	1	.416	152

C. Short Term Tables**Commercial Vehicles**

For a policy cancellation use Short Term Table No. 1 or No. 2. For a short term policy, use Short Term Table No.1.

Cancellation requested by or on behalf of Insured

- Referring to the Day Table calculate the number of days the policy has been in force.
- Referring to Table No. 1 (in the case of an annual policy) or Table No. 2 (in the case of a six month policy), determine the 'percentage of premium'.
- Subtract that percentage from 100% to determine the 'refund percentage'.

- Apply the refund percentage to the full term policy premium as at the cancellation date. Minimum retained premium must be taken into consideration.

Calculating premium for a Short Term policy:

- Referring to the Day Table, calculate the number of days the policy has been in force.
- Referring to Table No. 1, determine the 'percentage of premium'.
- Apply that percentage to the annual premium. Minimum retained premium must be taken into consideration.

SHORT TERM TABLE No. 1				SHORT TERM TABLE No. 2

Rule 222: Reinstatements

A. A policy may only be reinstated if:

- a) The Servicing Carrier receives instructions not later than **the day before** the cancellation takes effect. This includes instructions from a premium finance company. Where the Agent/Broker has not forwarded payments to a premium finance company, the policy cannot be reinstated. Cancellation takes effect at 12:01 a.m.

E.g. If the policy is to be cancelled effective July 1, the request for reinstatement must be received by the Servicing Carrier before midnight June 30. If the cancellation has taken effect, the policy cannot be reinstated and a new application must be completed. Any unpaid earned premium under the policy due to the Servicing Carrier must be paid with the new application.

- b) The policy was cancelled for non-payment, and the full required premium is received (by cash, money order or certified cheque from the Insured) or there is written confirmation from the Agent/Broker assuming full responsibility for that premium. Where a refund cheque accompanied the registered letter, the amount of the refund cheque must also be obtained from the Insured (by cash, money order or certified cheque) or the Agent/Broker shall assume full responsibility for that amount.

B. When a policy is reinstated

When a policy is reinstated, the Servicing Carrier shall issue a notice of reinstatement. If necessary, the Agent/Broker or Servicing Carrier shall issue a temporary or permanent liability card. If proof of insurance was cancelled, the necessary proof of insurance shall be reissued.

Rule 223: Not applicable

Rule 224: Not applicable

Rule 225: Definition of Accident

A. What Is A Chargeable Accident

A chargeable (at fault) accident is an occurrence resulting in damage to persons or property arising out of the ownership, use or operation of a vehicle, in consequence of which:

1. An amount has been paid or would have been paid but for the existence of provincial Direct Compensation laws or agreements,
or
2. A loss remains unsettled or unpaid,
or
3. A civil suit is pending **in respect of** Liability, Collision or the Collision portion of All Perils coverage
(No Fault Benefits Schedule (Accident Benefits) Ontario Only)

A chargeable accident is always taken into account in rating even if there was no insurance in effect or the loss was repaid to the Insurer by or on behalf of the Insured or if the Insured chose not to present the claim.

B. What Is Not A Chargeable Accident

An occurrence shall not be regarded as a chargeable accident if:

1. The Insured's degree of fault is determined as zero under the relevant provincial fault determination laws or agreements or dispute resolution mechanism.
2. Damage to the Applicant's vehicle
 - a) resulted from the vehicle being struck by an unidentified vehicle and is reported to the police within 24 hours;
 - b) occurred while the vehicle was legally parked and is reported to police within 24 hours;
 - c) resulted from collision with a wild or domestic animal;
 - d) is legally recoverable from the owner or driver of an uninsured or unidentified automobile.

Note: The words 'loss(es)' and 'claim(s)' where used in this manual are considered to have the same meaning as the word 'accident.'

The words 'at fault' and 'chargeable' where used in this manual are considered to have the same meaning.

C. How To Allocate Chargeable Accidents

No accident shall be used more than once in determining the premium for vehicles insured through FA with any Servicing Carrier whether or not on the same policy.

There is no requirement that drivers be accident free on other vehicles. The rating of the commercial vehicle is determined from the vehicle history not the driver's history. If the driver involved in the accident is removed from the policy, the accident shall continue to be assigned to the vehicle on which it occurred.

A chargeable accident will affect the rating of the Liability, DCPD (not available in Northwest Territories, Nunavut and Yukon) and Collision coverages. (For Ontario only, Accident Benefits and Uninsured Automobile is also affected).

At new business, where there are multiple vehicles and multiple drivers insured on a policy, any claims shall be assigned to the vehicle involved in the claim or one for which it has been substituted. At renewal, any at fault accidents which occurred during the policy term shall be assigned to the vehicle on which they occurred.

For example: A new application is received. Applicant is principal operator of vehicle 1 and has had 2 losses on vehicle 1 and 1 loss on vehicle 2. Employee is principal operator of vehicle 2 and has had 1 loss on vehicle 1 and 1 loss on vehicle 2. For purposes of allocating accidents, the 3 accidents involving vehicle 1 will be allocated to vehicle 1 and the 2 accidents involving vehicle 2 will be allocated to vehicle 2.

The following table illustrates how chargeable accidents are to be applied in the rating of other types of vehicles if they cannot be assigned to the vehicle actually involved

Type of vehicle involved in the accident	Type of vehicle to which the accident can be applied
Private Passenger	Private Passenger, Motor Home, Light Commercial, Taxi or Garage (Car Dealer)
Light Commercial	Light Commercial, Private Passenger, Motor Home or Garage (Car Dealer)
Heavy Commercial	Heavy Commercial or Garage (Car Dealer)
Public (excluding Taxi)	Public (excluding Taxi Class 7A,7B,7C)
Taxi	Taxi or Private Passenger
Motor Home	Motor Home, Private Passenger, Light Commercial
Motorcycle	Motorcycle
Garage	Garage
All Terrain Vehicle or Snow Vehicle	All Terrain Vehicle, Snow Vehicle

Where an at fault accident is being charged against a vehicle showing on the policy and that vehicle is deleted from the policy, the at-fault accident shall be re-assigned

on a remaining vehicle effective the date the vehicle was deleted.

Where an at-fault accident is being charged against a vehicle and more than one vehicle exists on the policy or in stances where mandatory coverage on that vehicle is removed/suspended, the at-fault accident shall be re-assigned as follows:

- to a remaining vehicle with active mandatory coverage i.e. not deleted or suspended
- to the vehicle that produces the highest premium where there is more than one remaining vehicle

Rule 226: Accident and Conviction Surcharges

These surcharges are applicable to Liability and Collision. These surcharges are not to be applied to coverages which are experience (fleet) rated.

A. Accidents

Accident surcharges are assessed in accordance with the surcharge schedule for chargeable accidents that occurred during the 36 months immediately preceding the effective date of the commencement of the insurance.

1. At New Business

No accident shall be used more than once in determining the surcharges for vehicles insured through FA by any Servicing Carrier, whether or not on the same policy.

Accidents arising from the ownership of any vehicle other than the described vehicle are not to be considered.

For example: The Insured owns a business in which three commercial vehicles are driven by employees. Two of the commercial vehicles are insured in the voluntary market; the other is insured through FA. There have been 2 accidents on each of the vehicles in the voluntary market, none of which arose from the use or operation of the vehicle by the Insured. There have been 3 accidents on the vehicle insured through FA. The accidents that occurred on the vehicles insured in the voluntary market are not used to calculate the accident surcharge on the vehicle insured through FA, as long as they are rated under another inforce automobile policy.

Where the term 'described vehicle' is used, it includes a vehicle substituted for it.

Accidents arising out of the use or operation of other vehicles for which another listed driver is responsible shall not be considered. There is no requirement that drivers are

accident free on other vehicles; the rating is determined from the vehicle history not the driver's history.

(a) One vehicle on the policy

Consider accidents that involved the described vehicle or a vehicle substituted for it.

For example: Applicant has had 1 at fault accident on the described vehicle and 1 accident on a neighbour's car. Employee had 1 at fault accident on own vehicle insured elsewhere but has now sold that vehicle. Only the accident on the described vehicle shall be considered.

(b) One driver and two or more vehicles

Accidents that involve one or more of the described vehicles shall be assigned to that vehicle. Accidents arising out of the use or operation of any other vehicle by the Applicant or any other listed operator shall not be considered.

For example: There are two commercial vehicles on the policy; Applicant is the only operator. There has been one accident on commercial vehicle 1 and one accident on commercial vehicle 2. Applicant also had two accidents on a pleasure vehicle insured elsewhere. The claims on the commercial vehicles are rated on the vehicles on which they occurred. The two accidents on the vehicle insured elsewhere are not considered.

(c) Two or more drivers and two or more vehicles

Each driver is to be assigned as principal operator on the vehicle they most frequently drive. Accidents that involve one of the described vehicles shall be assigned to that vehicle. Accidents arising out of the use or operation of any other vehicle by the Applicant or any other listed operator shall not be considered.

For example: There are two commercial vehicles on the policy and two operators. Applicant is principal operator of vehicle 1 and has had one accident on vehicle 1 and one accident on his personal vehicle insured elsewhere. Employee is principal operator of vehicle 2 on which there have been two accidents. On vehicle 1 count only the accident that occurred on the described vehicle. The accident on the personal vehicle insured elsewhere is not to be considered. On vehicle 2 count both accidents as they occurred on the described vehicle.

2. At Renewal (for surcharge only)

At renewal, the accident record shall be updated. Any accidents that occurred more than 36 months prior to renewal date shall be excluded and all accidents that occurred during the expiring term that involved the following shall be added:

- a) The described vehicle (regardless of driver)
- b) Other vehicles but were the subject of claims under this policy

B. Convictions

Conviction surcharges shall be assessed for traffic offences (as hereinafter described) for which the Insured was convicted in the 36 months immediately preceding the commencement of the period of insurance.

1. How to apply conviction surcharges

No conviction record shall be used more than once to determine conviction surcharges for vehicles insured through FA by any Servicing Carrier, whether or not insured on the same policy.

If convictions for impaired driving and failure or refusal to take a breath or blood test relate to the same occurrence, they shall be considered as one conviction.

(a) One vehicle and more than one driver

The conviction record of all listed drivers of the vehicle will be reviewed to establish the driving record and conviction surcharge (in accordance with the surcharge schedule). The listed driver that generates the highest premium impact will be used.

(b) More than one vehicle and more than one driver

Each driver shall be allocated to the vehicle they drive most and that driver's conviction record shall be considered in relation only to that vehicle.

(c) One driver and more than one vehicle

The driver's conviction record shall be applied to the vehicle that produces the highest premium prior to the application of any accident or conviction surcharges.

C. Accident/Conviction Surcharge Table

Events in the preceding 36 Months	Surcharge
Chargeable Accidents:	
2	20%
3	30%
Each additional	15%
Major Convictions:	
1	25%
Each additional	25%
Minor Convictions:	
2	5%
3	15%
4	25%
Each Additional	15%
Serious Convictions:	
1	100%
Each additional	100%

Maximum surcharge for accidents and all convictions 250%

D. Conviction Definitions

a. Major

Convictions for any of the following offences under any Act governing highway traffic or for any offence substantially the same whether committed within or outside Canada:

- Fail to report damage to highway property
- Failure to stop on request of or obey directions of a police officer
- Failing to report an accident
- Failing, in the event of an accident, to give name and licence number to the police or any other person entitled to such information
- Fail to obey school crossing stop sign
- Improper passing of a school bus
- Improper passing in a school or playground zone
- Improper speeding in a school or playground zone
- Using a hand held wireless communication/entertainment device
- Graduated Licence (where applicable)
 - Permit novice driver in contravention of cond/rest
 - Accompanying driver has excess blood alcohol
 - Driver unaccompanied by a qualified driver
 - Drive with front seat passenger
 - Drive with excess passengers
 - Drive on prohibited highway
 - Drive at unlawful hour
 - Drive motorcycle with passenger
 - Drive motorcycle on prohibited highway

b. Minor

The list of minor convictions is not all inclusive and other moving violations, including new offences under an Act governing highway traffic, may be considered Minor, whether committed within or outside Canada, if not specifically named in the Major or Serious list, including, but not limited to:

- Fail to notify police
- Fail to make written report
- Backing up/unsafe/illegal/improper: any type
- Brakes/none/inadequate/improper: any type
- Crowding driver's seat
- Door opening/illegal/obstructing traffic: any type
- Emergency vehicle/operating with no regard for safety
- Driving off roadway (including shoulder/sidewalk/median): any type
- Flagman/disobeying
- Following too closely (including tailgating)
- Headlights/parking lights/improper/lack of use: any type
- Lack of control of vehicle: any type
- Motor-assisted bicycle carrying passengers

- Motorcycle/operating with only an instruction permit
- Motorcycle/failure to wear helmet
- Passing infraction: any type except school bus or school/playground zone
- Pedestrian crossing violation: any type
- Radar warning device in motor vehicle: if illegal in province
- Railway crossing: any type
- Safety zone violation: any type
- Seatbelt: any offence
- Signalling offences: any type
- Slow driving/endangering other: any type
- Smokescreen device on vehicle
- Speeding: any type, except when listed as major or serious
- Squealing tires
- Stopping/illegal/improper: any type
- Tires/defective/worn: any type
- Towing/prohibited/unsafe: any type
- Traffic signals/regulating lights: any type
- Traffic signs/disobeying any legal sign except parking regulations
- Trailer: improper attachments/improper towing
- Turns/illegal/improper: any type
- Unlicensed driver: any type including improper licence class
- Unsafe move
- Unsafe vehicle: any type
- Wrong side of road/wrong way: any type
- Yield, failing to: any type

Note: This is a generic list and will not, in all cases, match the exact wording printed on the Driver Record Abstract.

c. Serious

Convictions for any of the following offences under the Criminal Code of Canada. Where a conviction shown below is not recorded on the Driver Record Abstract as a Criminal Code Conviction but is shown under any Act governing highway traffic or any other Act within or outside Canada:

- Criminal negligence committed in the operation or use of a motor vehicle
- Manslaughter committed in the operation or use of a motor vehicle
- Driving while licence under suspension
- Dangerous driving
- Exceeding the speed limit by 50 km/h or more
- Impaired driving
- Failure or refusal to submit to a breath or blood test
- Failure to pass a breath or blood test
- Failure to stop/remain at the scene of an accident
- Driving without insurance
- Racing
- Careless driving
- Driving without due care and attention
- Stunting
- Failure to stop on request of or obey directions of a police officer

- Failure to have alcohol ignition interlock device installed and functioning when it is a requirement for driver's licence requirement
- Driver in the alcohol ignition interlock device programme operating a vehicle not so equipped
- Learner/Level One driver fail/refuse breath sample
- Learner/Level One driver with alcohol in blood

Note: If convictions for impaired driving and failure or refusal to take a breath or blood test relate to the same occurrence, they will be considered as one conviction.

Rule 227: Proof of Insurance Where Notice of Cancellation or Deletion is Required

1. The Agent/Broker is authorized to issue proof of insurance on behalf of the Servicing Carrier in the form of the Servicing Carrier's standard certificate or a CSIO-approved Certificate of Insurance, with a notice of cancellation period not exceeding 15 days.
 - a) If a notice of cancellation period exceeding 15 days is required, the Agent/Broker is to obtain approval from the Servicing Carrier prior to certificate issuance.
 - b) Certificates must be issued only on a Described Automobiles basis. Should proof be required on a Blanket Basis, refer to Item #4 below.
 - c) Copies of all certificates issued by the Agent/Broker shall be submitted to the Servicing Carrier within one (1) business day for acceptance and documentation.
 - d) The Servicing Carrier is ultimately responsible for ensuring that all proof of insurance issued by the Agent/Broker is acceptable and reflects the limits of the policy. The Servicing Carrier will promptly reissue any certificate originally issued by the Agent/Broker, where indicated coverage differs from the policy or where the notice of cancellation period was not previously approved by Underwriting.
2. The Servicing Carrier is responsible for the completion of any non-standard certificates (i.e. certificates that are to be completed on a non-CSIO approved form), Out of Province, U.S. or Other filings.
 - a) The Agent/Broker must specify to the Servicing Carrier if proof of insurance (e.g. a financial responsibility certificate) must be issued or filed with a Local, Provincial, Federal or U.S. authority.
 - b) Where vehicles are operated in the U.S., Agents/Brokers must confirm with

Insured's if proof of insurance is to be filed and, if so, in what amount.

3. If proof of insurance is issued by the Servicing Carrier, a copy must be supplied to the Agent/Broker for their records.
4. Proof of Insurance must only be issued on a 'Described Automobile' basis. Proof may not be issued or filed on a 'Blanket Basis' (i.e. without specifying the insured vehicles), only if the authority concerned permits no alternative. In that case, the Facility Association's form of 'Indemnification and Hold Harmless Agreement' must be fully completed and include the signatures of the Applicant and a witness. The completed form is to be kept on file with to the Servicing Carrier.
5. Parties requiring proof cannot be added as additional named Insureds on the policy. The certificate showing proof of insurance guarantees to the Party that the vehicle is insured. This is the full extent of the guarantee.
6. Should the Servicing Carrier have any concern with the coverages or limits being guaranteed when asked to use a certificate prescribed by the organization or authority with whom the certificate is being filed, the Servicing Carrier should contact Facility Association Head Office.

A. Financial Responsibility Certificate

A temporary liability card may be issued for an Applicant who requires the filing of a financial responsibility certificate before they may be licensed to drive, provided a fully completed and signed application is submitted for the Applicant at the time the temporary liability card is issued. Details of the licence subsequently obtained must be reported promptly to the Servicing Carrier.

B. Renewal or Offer to Renew

If a renewal or offer to renew is issued where proof of insurance has been issued or filed and the renewal is not required, the Servicing Carrier must be notified in sufficient time to file a notice of cancellation in accordance with the applicable authority's requirements. Otherwise the Agent/Broker/Insured shall be responsible for time on risk charges.

C. Policy Cancellation or Vehicle Deletion,

1. Registered Letter

Where proof of insurance has been issued or filed and the policy is to be cancelled, the cancellation of coverages to which the proof of insurance relates shall be processed in accordance with the Statutory Conditions.

The notice of cancellation for the authority concerned must be issued on the same day as the notice of cancellation to the Insured. However, as a result of the

authority's requirements the effective date of cancellation may be different.

For example: The registered letter of cancellation for the policy is issued on June 1 for both the Insured and the provincial authority. For the Insured, cancellation shall take effect 15 days from the date the registered letter is received at the post office to which it was addressed. Let's say June 19. The provincial authority requires 30 days notice of cancellation. The effective date of cancellation for the authority shall be June 30. If the Insured had a Comprehensive loss on June 25, the policy would not respond. If however, the Insured had a Liability loss on June 25, the policy may have to respond as the proof of insurance provides that Liability coverage is in effect until cancelled on June 30.

2. Insured's Request

Where proof of insurance has been issued or filed, and the vehicle is to be deleted from the policy or the policy is to be cancelled, the cancellation of coverages to which the proof of insurance relates shall be processed after taking into consideration the period of notice required by the authority.

The effective date of cancellation or deletion shall be the same for both the Insured and the authority concerned.

For example: The Insured requests cancellation of the policy to be effective June 1. The provincial authority requires 30 days notice of cancellation. The notice to the provincial authority is sent on June 5. The effective date of cancellation for the Insured will be July 5.

D. Filing Liability Limits

The filing should always be made for the limit required by law even if the policy actually shows a higher limit. Where a vehicle requires filings in multiple jurisdictions, the filing should be made showing only the limits required in that jurisdiction. The policy should be written with the lowest limits necessary to meet all requirements.

For example: In one jurisdiction a filing for a vehicle requires a limit of \$1,000,000. A filing for a \$5,000,000 limit is also required in another jurisdiction for the same vehicle. The policy must be issued with a \$5,000,000 limit. One filing should be made showing the limits of \$1,000,000. The other filing should be made showing the \$5,000,000 limit.

Where a filing is to be made for a leased vehicle, the filing should be made in the name of the lessee only.

E. Processing Fees for Filings

Please contact your Servicing Carrier for a schedule of fees which will be charged on a 100% cost recovery basis.

Any charge required by the authority concerned shall be in addition to, and separate from, the processing fees.

Rule 228: Outside Territory Exposure

Any commercial or interurban vehicle that is operated in the U.S., or another Canadian jurisdiction, is subject to a surcharge (or discount).

The surcharge does not apply where the vehicle is used for personal use only and proof of insurance is not required.

Refer to Rule 200.D for a list of Supplementary Underwriting documents that may be required on vehicles traveling outside of the jurisdiction of registration, including into the U.S.

If the Named Insured(s) has no prior insurance, refer to Rule 204.F:

NOTE: If the Named Insured has not previously traveled outside of the Province/Territory or into the U.S., the vehicle(s) shall be underwritten with **75% Out of Province/Territory or U.S. Exposure surcharge**. This applies to both Commercial and Interurban Vehicles.

A. Outside Territory Exposure Surcharge (excluding Interurban Vehicles)

For Interurban vehicles (Class 61, 62, 63, 64, 99), refer to Rule 228.C to determine the applicable surcharges.

The percentage of exposure outside the Territory, including the U.S., will be determined based on the International Fuel Tax Agreement (IFTA) assessment reports from the last four (4) quarters immediately preceding the effective date of the policy or endorsement.

If the Named Insured does not participate in IFTA, please contact your Servicing Carrier for the documents required to confirm the percentage of exposure outside the Territory, including U.S. exposure.

NOTE: Where vehicles are operated in the U.S., Insureds must be asked whether or not proof of insurance must be filed and, if so, in what amount. If eligible, U.S. Filings will be completed using the minimum FMCSA required limit based on the type of carriage, commodity transported and State required.

Liability, Accident Benefits, END 44

If this exposure is 5.0% or less of total mileage in the U.S. or applicable Canadian jurisdiction, a 5% surcharge will apply to Liability, Accident Benefits and END 44.

If this exposure is over 5.0% of total mileage in another U.S., or applicable Canadian jurisdiction, surcharge 1% of the applicable premium.

For example:

Outside Territory Exposure	Applicable Surcharge
Up to 5%	5%
10%	10%
25%	25%
50%	50%

Optional Physical Damage

For each percentage point of total mileage in the U.S., or applicable Canadian jurisdiction, surcharge .50% of the applicable premium.

For example:

Outside Territory Exposure	Applicable Surcharge
5%	2.5%
10%	5%
25%	12.5%
50%	25%

B. Interurban Outside Territory Exposure Surcharge (Excluding Commercial Vehicles)

The percentage of exposure outside the Territory, including the U.S., will be determined based on the International Fuel Tax Agreement (IFTA) assessment reports from the last four (4) quarters immediately preceding the effective date of the policy or endorsement.

If the Named Insured does not participate in IFTA, please contact your Servicing Carrier for the documents required to confirm the percentage of exposure outside the Territory, including U.S. exposure.

NOTE: Where vehicles are operated in the U.S., Insureds must be asked whether or not proof of insurance must be filed and, if so, in what amount.

If eligible, U.S. Filings will be completed using the minimum FMCSA required limit based on the type of carriage, commodity transported and State required.

The surcharges applicable to Interurban Vehicles (Class 61, 62, 63, 64 and 99) traveling outside of the jurisdiction of registration is based on the total mileage reported in Canada and the U.S., and shall be calculated as follows.

Step 1: Determine the Canadian Out of Territory Exposure.

The Canadian Out of Territory exposure is determined by how often the vehicle travels outside the jurisdiction of registration within Canada.

a) If Canadian Out of Territory Exposure (Operating outside the Territories) is 50% or less:

Where an Interurban vehicle is registered in the Northwest Territories and reports 50% or less of its total Canadian mileage traveling **outside the Territories** (Northwest Territories, Nunavut and Yukon Territories), surcharge 1% per percentage (%) of exposure applies to the total Canadian mileage.

Example:

Canadian Out of Territory Exposure	Applicable Canadian Mileage Surcharge
5%	5%
10%	10%
25%	25%
50%	50%

b) If Canadian Out of Territory Exposure (Operating outside the Territories) is over 50%:

Any Interurban vehicle registered in the Northwest Territories and reports more than 50% of its total mileage **outside the Territories** (Northwest Territories, Nunavut and Yukon Territories), is subject to the surcharge outlined in this section. Otherwise, refer to section a) above.

To determine the surcharge amount, select the Region where the majority of the exposure is incurred from the table below.

Region	Applicable Surcharge
Atlantic Canada & Quebec	25%
<i>'Atlantic Canada' includes travel to Newfoundland & Labrador, New Brunswick, Nova Scotia and Prince Edward Island</i>	
Ontario	420%
Western Canada	45%
<i>'Western Canada' includes travel to British Columbia, Alberta, Saskatchewan and Manitoba</i>	

Example: A vehicle registered in the Northwest Territories travels 70% of the time in Alberta, 10% in the Northwest Territories and 20% in Nova Scotia. As the vehicle has accumulated over 50% of the Canadian mileage in Alberta, a 45% Western Canada surcharge applies.

If the vehicle travels across multiple Regions, where no clear majority exists, select the Region that generates the highest surcharge.

Example: A vehicle registered in the Northwest Territories travels 30% in the Territories, 30% in Western Canada, 30% in Ontario and 10% into the U.S. As the vehicle has equal exposure in the Territories, Western Canada and Ontario, a 420% Ontario surcharge applies, as the surcharge amount is higher and the surcharge applicable to

the U.S. exposure would be determined based on Step 2 below.

Step 2: Determine U.S. Exposure

The U.S. Exposure is determined by how often the vehicle travels into the U.S.

The U.S. surcharge is based on the States, in which a vehicle travels. See Chart below:

Region 1	Region 2	Region 3
Alaska Colorado Idaho Iowa Kansas Nebraska Nevada North Dakota Oregon Utah Wisconsin Wyoming	Arizona Arkansas California Georgia Illinois Indiana Kentucky Michigan Minnesota Missouri Montana New Mexico North Carolina Ohio Oklahoma Pennsylvania South Dakota Tennessee Virginia Washington	Alabama Connecticut Delaware Florida Hawaii Louisiana Maine Maryland Massachusetts Mississippi New Hampshire New Jersey New York Rhode Island South Carolina Texas Vermont West Virginia

The rate of the U.S. Exposure surcharge (per percentage of U.S. Exposure) is based on the Region where the majority of exposure exists:

Region	Applicable Surcharge per % of Exposure
Region 1	1%
Region 2	1.25%
Region 3	1.5%

Example: A vehicle travels 10% in Region 1, 40% in Region 2 and 50% in Region 3, then the rate U.S. surcharge would be 1.5% per % of U.S. Exposure.

In the event of a tie or where no clear majority exists in any Region, select the Region that generates the highest surcharge (per percentage of U.S. Exposure), as outlined in the chart above.

Example: A vehicle travels 20% in Region 1; 40% in both Region 2 and Region 3. A surcharge rate of Region 3 (1.5% per % of U.S. Exposure) would apply.

To determine the U.S. Exposure surcharge, multiply the rate of surcharge by the percentage of U.S. Exposure, as outlined in the chart above.

Example: A vehicle traveling 40% into the U.S. using Region 3 would have a 60% surcharge.

Step 3: Determine the Total Outside Territory Exposure Surcharge applicable to the Interurban Vehicle

The total surcharge applicable is determined by totaling the amounts calculated under Step 1 and Step 2.

The total surcharge is applicable to **Liability premiums**.

Example:

Step 1: Canadian Out of Territory Surcharge = 420%
 Step 2: U.S. Exposure Surcharge Region 3 = 60%
 Total Out of Territory Exposure Surcharge = 480%
 If applicable, round up to the nearest whole %.

In the above example, a 480% surcharge would apply to Liability Premiums.

Rule 229: Claims

Every accident, loss or claim that comes to the knowledge of the Agent/Broker in regard to the Insureds Facility Association policy must immediately be reported in the manner prescribed by the Servicing Carrier.

Collision with Animals

Losses involving Collision with animals, both wild and domestic, shall be paid under Comprehensive coverage. If the policy does not afford Comprehensive coverage but does provide Collision coverage, the loss shall be paid under Collision coverage and be regarded as not at fault.

Rule 230: Not applicable

Rule 231: Suspension and Reinstatement of Coverages – END16/17

Liability, DCPD (*not available in Northwest Territories, Nunavut and Yukon*) Accident Benefits, Uninsured Automobile (*not available in Alberta, Northwest Territories, Nunavut and Yukon*) and Collision as they relate to the use and operation of the described vehicles, new vehicles or temporary substitute vehicles may be suspended by means of END 16.

This endorsement leaves in place Comprehensive or Specified Perils coverage if present on the policy as well as the coverages mentioned above as they relate to the **ownership** of the vehicle. This means that END 16 does not suspend coverages related to 'drive other vehicles';

while a pedestrian; or while the vehicle is in storage. This endorsement is available on private passenger and commercial vehicles. Coverage is reinstated by means of END 17.

No refund is allowed in respect of Comprehensive and Specified Perils.

If Liability, DCPD (*not available in Northwest Territories, Nunavut and Yukon*) and Accident Benefits coverages are removed or suspended twice in one year, then removal of those coverages a third time will not be permitted until the following renewal. It is not necessary to remove the licence plate from the vehicle while coverage is removed or suspended.

END 16/17 is not available for the following:

1. Vehicles for which proof of insurance is issued or filed.
2. Experience rated risks
3. Recreational vehicles rated in the Recreational Section
4. Vehicles that were never intended to be driven.
5. Vehicles held for sale whether or not on an auto dealer's lot.

Rating

The refund for the period of coverage suspension / cancellation is calculated according to the table below (*except Ontario*):

Period of Suspension/Cancellation	% of Annual Premium
Less than 45 days**	Nil
Less than 2 months	Nil
45 days and less than 2 ½ months**	15%
2 months and less than 2 ½ months	15%
2 ½ months and less than 3 months	19%
3 months and less than 3 ½ months	22%
3 ½ months and less than 4 months	26%
4 months and less than 4 ½ months	30%
4 ½ months and less than 5 months	34%
5 months and less than 5 ½ months	38%
5 ½ months and less than 6 months	41%
6 months or more	45%

** *Applies to Alberta only*

In no event shall a refund be granted for any suspension period of less than forty five (45) consecutive days (*Applies to Alberta and Ontario only*) or sixty (60) consecutive days.

Rule 232: Suspension of Operator's Licence

The following provisions apply in the event of the suspension, cancellation or lapse of an operator's licence, or the right to obtain a licence of a person who is recorded as a driver of a vehicle to which the insurance applies, or where a driver is unlicensed. These provisions apply whether END 28/28A/28(C) is being added to the policy at

the request of the Insured or by the Servicing Carrier because of the below mentioned circumstances.

NOTE:

END 28 is applicable in New Brunswick, Northwest Territories, Nunavut and Yukon.

END 28A is applicable in Newfoundland & Labrador, Nova Scotia, Ontario and Prince Edward Island.

END 28(C) is applicable in Alberta.

A. If there is no other driver of the vehicle

1. An application for insurance of the vehicle shall be declined by the Agent/Broker.

2. If the situation is discovered after the policy has been issued, the Servicing Carrier shall cancel the policy by registered letter. The earned premium for cancellation will be pro rata of the premium applicable to the risk as submitted.

3. The time on risk charge for the period to expiration of notice of cancellation will be pro rata of the premium applicable to the risk as submitted.

4. If the situation is discovered as a result of enquiries prior to the renewal date, the Servicing Carrier shall issue a notice of non-renewal.

Note: Where the Insured's licence is suspended, the Insured shall be permitted to place the vehicle in storage and suspend or remove moving coverages. See Rule 201: Minimum Coverage.

B. If there is another licensed driver of the vehicle

(It is assumed that the person concerned will not drive without a valid licence.)

1. The Servicing Carrier shall issue END 28 restricting coverage to minimum statutory requirements and excluding optional physical damage where provided, for that person.

NOTE: END 8A shall be used in conjunction with END 28 except where END 28 applies to the Named Insured. (*Available in New Brunswick, Northwest Territories, Nunavut and Yukon*).

2. If that person being a driver affected the rating of the insurance, the insurance shall be re-rated to remove that person as a driver but any accidents that occurred while that person was driving shall continue to be taken into account in rating.

C. If the person concerned does drive without a valid licence

(*This rule is applicable to Alberta, New Brunswick, Northwest Territories, Nunavut and Yukon*)

If discovered after the policy has been issued, END 28 shall be deleted. The insurance shall be rated as if that person does drive the vehicle where:

- a) Subsequent to the current suspension becoming effective or during the 36 months immediately preceding the policy period effective date, the person involved is/was convicted of the offence of driving while licence suspended, cancelled or lapsed.
- b) It is established that the person involved has been driving e.g. by being convicted of any other driving offence or by being involved in an accident.

D. Unsigned END 28

If END 28 is not signed, END 28 shall be deleted and the policy shall be re-rated as though there was no END 28.

E. Completion of END 28 and END 8A

(Applicable to Alberta, New Brunswick, Northwest Territories, Nunavut and Yukon only)

The approved END 28 is to be completed showing the minimum statutory limits and the applicable driver is to be specified as 'Insured' under all mandatory coverages indicated on the form.

END 8A is to be completed showing the minimum statutory limit on the second line of the endorsement.
(Applicable to New Brunswick, Northwest Territories, Nunavut and Yukon).

Rule 233: 'Home-Made' Vehicles / Reconstruction / Imported Right Hand Drive / Imported Vehicles

The following provisions apply to right hand drive, imported vehicles and any vehicle that has been constructed, reconstructed or restored other than by a recognized manufacturer of such a vehicle.

This rule does not apply to vehicles with a manufacturer assigned VIN and a status of 'rebuilt' which are to be rated using CLEAR rate groups.

A. Liability, (DCPD not available in Northwest Territories, Nunavut and Yukon) and Accident Benefits

No coverages are permissible until the following are provided to the Servicing Carrier:

1. A valid vehicle registration and, at the Servicing Carrier's discretion, a certificate of roadworthiness or mechanical fitness acceptable to the Servicing Carrier and
2. For vehicles valued \$15,000 or more, an appraisal acceptable to the Servicing Carrier at the Applicant's

expense to enable the proper rating group to be determined. Vehicles valued under \$15,000 are rated based on value provided by the Insured.

3. Charge the normal rate for the type of vehicle concerned for Accident Benefits.

These certificates must accompany the application to the Servicing Carrier.

B. Optional Physical Damage Coverage

1. No optional physical damage coverage (for any value) will be available for:

- a) 'Home-made' / reconstruction vehicles until the construction, reconstruction, restoration has been completed and the mechanical fitness and value of the vehicles have been substantiated by a certificate from an independent appraiser or a recognized authority on such matters, acceptable to the Servicing Carrier.
- b) Imported right hand drive and imported vehicles until value of the vehicle has been substantiated by a certificate from an independent appraiser or a recognized authority on such matters, acceptable to the Servicing Carrier.
2. The premium is based on the appraised amount.
3. The insurance shall be subject to END 19 which must be attached to the policy and a copy signed by the Insured. END 19A is not available.

Rule 234: Vehicles Used Outside Jurisdiction of Registration

When a Named Insured takes up permanent residence, or registers the business in another jurisdiction, the Named Insured is required to register the vehicle(s) in the new jurisdiction. The existing policy must be cancelled (pro rata) and new insurance obtained in the new jurisdiction.

Facility Association shall not provide insurance for vehicles that are never operated in the jurisdiction in which they were registered.

When a vehicle is registered in one jurisdiction but garaged or chiefly used in another, the following is to be used as a guide for rating purposes:

1. The vehicle must be insured on a policy from the jurisdiction where it is legally registered, even if the vehicle is chiefly used in another jurisdiction.
2. If it is known in which territory the vehicle is being used and there are FA premiums for that territory, then the appropriate FA premiums for that territory must be used.
3. If the vehicle is operated outside the jurisdiction, which it is, registered, including into the U.S., Rates

for that jurisdiction are applied along with a surcharge. Refer to Rule 228 to determine the surcharges applicable.

Rule 235: Purchasing Vehicles in Jurisdiction Where FA Does Not Operate

When an Insured acquires a new vehicle and all vehicles owned by the Insured are covered under a POL 1, coverage is automatically provided for the newly acquired vehicle if the Insurer is notified of the acquisition within 14 days.

When the Insured:

- acquires a vehicle in the U.S. and brings it to Canada to a jurisdiction in which FA operates, or
- acquires a vehicle in a jurisdiction in Canada in which FA does not operate;

FA shall if necessary, issue a short term policy to provide coverage while the vehicle is in transit (under a transit authority permit) before it is registered in the jurisdiction of residence. The short term policy shall only be provided for a period of time sufficient to allow the vehicle to be driven from the point of purchase to the residence of the owner. This should correspond to the period of time the transit permit is valid.

When the Insured comes through Customs, the vehicle must be declared and the Insured will be provided with the appropriate forms to complete and submit to the provincial registry so that the vehicle may be registered. A new application can then be submitted for a 6 or 12 month policy if required.

Where an individual or company has a business that includes the purchasing of vehicles in the U.S. or jurisdictions where FA does not operate for shipment back to a Canadian FA jurisdiction for resale, coverage must be provided by means of a garage policy for Automobile Dealers.

Premium Calculation

The premium is to be calculated in accordance with Short Term tables subject to minimum premium.

Commercial vehicles classified as light are to be rated class 36. Commercial vehicles classified as heavy are to be rated class 44. Driving record is 0 and 100% Outside Province/Territory Exposure Surcharge applies.

The territory to be used is the territory where the insured resides.

Rule 236: Short Term Rentals-Unspecified Lessees - Leases of 30 Days or Less and Ride Sharing

A. Short-Term Rentals-Unspecified Lessees – Leases of 30 days or less – Class 7M

Use POL 1 and END 5C.

Insurance is provided on a specified vehicle/per vehicle basis and use of END 21A or END 21B is not permitted. Use of END 44/44R is not permitted.

Coverages/Premiums

1. Liability, DCPD (Not applicable for Yukon, Northwest Territories and Nunavut) Optional Physical Damage

Class of Vehicle	Premium
Private Passenger Vehicles	250% of 07/0 rate
<i>Commercial Vehicles</i>	
Light Trucks	200% of 43/0 rate
Heavy Trucks	200% of 45/0 rate
Tractor/Trailers	175% of 64/0 rate
<i>Private Type Trailers</i>	
Liability	Non-Pleasure Rate, plus \$15
Optional Physical Damage	250% of normal rate
<i>Motor Homes</i>	
Liability	250% of 07/0 rate
DCPD	N/A
Optional Physical Damage	250% of normal rate
<i>Vehicles with mounted Camper Unit</i>	
Liability	250% of 07/0 rate
Optional Physical Damage	250% of normal rate
Motorcycles & Mopeds	250% of Driving Record 0, rate applicable to Age 16-20
Snow Vehicles	250% of normal rate
All Terrain Vehicles	250% of normal rate
Any other vehicle	Refer to Servicing Carrier.

NOTE: No DCPD premium is applicable on Private Trailers and Camper Units. Refer to Rule 212 when rating Commercial Trailers.

2. Accident Benefits, Uninsured Automobile (Not applicable for Alberta, Northwest Territories, Nunavut and Yukon)

Charge the normal rate for the type of vehicle concerned.

B. Ride Sharing – Class 7N

Applicable where a vehicle is used in connection with a vehicle-sharing service, or peer-to-peer rental company

Use POL 1 and END 5C. Insurance is provided on a specified vehicle/per vehicle basis and use of END 21A or END 21B is not permitted. Use of END 44/44R is not permitted.

Rate as Short-Term Rental (as outlined in Section A above) and code as Class 7N.

Rule 237: Long Term Leases-Specified Lessees - Leases Exceeding 30 Days

A. Application

The lessee must complete a current approved Standard or Facility Association Application Form. The name and address of the Applicant/lessee and the name and address of the lessor must be shown where required on the application form.

B. Policy

Use POL 1 with END 5. The name and address of the lessor and the name and address of the lessee must appear on the policy declaration page.

C. Rating

The vehicle is rated as if owned by the lessee.

Rule 238: Driver Training Vehicles

All driver training vehicles (regardless of vehicle type) shall be rated based on the trainer and that individual's experience. These vehicles shall not be rated for the trainee.

Use POL 1 with END 6D. This endorsement extends the Liability section of the policy to cover the Applicant's liability for student drivers / observers.

A. Driving Record

Driving record is to be calculated in accordance with the section of the manual that applies to a similar class of vehicle, subject to a maximum of Driving Record 3. Clear record earned on a similar vehicle which was not previously used for driver training, shall be applied when determining the driving record for driver training vehicles.

For example: The Insured opens a driver training school and uses their own truck as a driver training vehicle. The Insured has no previous experience with driver training and is 5 years accident free. According to the rules in this section, the Insured is entitled to Driving Record 3 on the driver training vehicle. If the Insured had never owned a truck and purchased one to use for driver training, the driving record entitlement would be 0 according to the rules in this Commercial Section.

B. Vehicle used solely for Driver Training

Calculate the premium as follows, add any applicable accident and conviction surcharges, and then apply the surcharges indicated in the Driver Training Surcharge Table.

Private Passenger Vehicles:

Rate as Class 07 (Driving Record 0, 1, 2, 3 only)

Commercial Vehicles:

Light – Rate as Class 36; Heavy – Rate as Class 44

Public Vehicles (Buses, etc.):

Private Passenger Type Vehicles: Rate as Class 07

Other Vehicles: Light - Rate as Class 36; Heavy - Rate as Class 44

Recreational Vehicles:

Rate at non-pleasure rates

C. Vehicles used for Driver Training in addition to some other use

1. Calculate the premium as though the vehicle is used solely for driver training.

2. Calculate the premium as though the vehicle were used solely for the 'other use'. *For example:* If the vehicle is used for retail delivery of auto parts, use Class 43.

3. Add the dollar value of the driver training surcharge calculated in Step 1 below to the premium calculated in Step 2.

4. Compare the premium in Step 1 to the premium calculated through Steps 2 and 3 and use the higher of the two.

For example:

Step 1

The vehicle is a light commercial vehicle and using Class 36, the total premium is \$700. The Liability premium is \$200. The vehicle is equipped with dual controls so a surcharge of 35% is applied to the Liability premium for a surcharge of \$70. The total policy premium calculated in Step 1 is therefore \$770.

Step 2

The driver training use is part time and the Insured also uses the vehicle for retail delivery of auto parts; therefore, a premium of \$1000 is calculated by rating the vehicle as Class 43.

Step 3

The premium in Step 2 is \$1000 and we add to that the surcharge premium of \$70 calculated in Step 1.

Step 4

Use the higher of the results from Step 1 (\$770) or Step 3 (\$1070).

D. Driver Training Vehicle Surcharge Table**1. Vehicles used only for Secondary School, College or University training courses.**

Coverage	Equipped with Dual Controls	Other
Liability	35%	135%
Accident Benefits	0%	0%
DCPD*	35%	135%
Collision	0%	75%
Other Coverages	0%	0%

***DCPD Surcharge applicable to all jurisdictions except in Northwest Territories, Nunavut and Yukon where DCPD coverage is not available.**

2. Other Vehicles

Coverage	Equipped with Dual Controls	Other
Liability	70%	170%
Accident Benefits	0%	0%
DCPD*	70%	170%
Collision	25%	100%
Other Coverages	0%	0%

***DCPD Surcharge applicable to all jurisdictions except in Northwest Territories, Nunavut and Yukon where DCPD coverage is not available.**

Rule 239: Fleets**A. Definition**

A fleet is:

- A group of 10 or more self-propelled vehicles;
- Under common ownership or management;
- Used for business (incl. Class 07 and vehicles used for dual purposes), commercial or public transportation;
- The Applicant must have had 120 months of Liability insurance in the past 12 months i.e. 10 vehicles with Liability coverage for the past year, regardless of number of policies on which those vehicles were insured.

Notes:

- The Applicant is required to provide proof of vehicle registration and ownership.
- Vehicles that are leased for more than 30 days to others are not to be considered unless those vehicles are leased to one lessee and meet the definition of a fleet

Vehicles under 'common management' will be considered where the Named Insured has assumed full responsibility for the payment of insurance premiums and agreement is in place between the Named Insured and Vehicle Owner, demonstrating the following:

1. The Named Insured is responsible for the assignment of driver schedules and routes, ensuring compliance with hours of work regulations **and**
2. The Named Insured maintains records of and deems acceptable all drivers who may operate a Vehicle **and**
3. Vehicles and all associated drivers adhere to the vehicle and driver safety standards of the Named Insured, **and**
4. Vehicles and all associated drivers adhere to the Named Insured means and methods of work, including risk management practices, code of conduct, training and service standards, **and**
5. Failure to adhere to any of the above will result in the termination of the agreement between the Named Insured and Vehicle Owner.

A signed 'Facility Association Common Management Attestation', signed by the Named Insured and a copy of the common management agreement must accompany all new business applications.

A copy of the common management agreement will be required on subsequent renewals to maintain experience rating.

The Servicing Carrier reserves the right to deny experience rating in the event the above criteria are not met, and fails to otherwise meet other fleet rating criteria outlined under Rule 239.

B. Fleet Rating

Fleet policies may only be issued on an annual basis.

Fleets are subject to experience rating as of the commencement date of each policy period. If the fleet is insured through FA by two or more policies issued by one or more Servicing Carriers, the policies must have a common expiry date to facilitate experience rating.

Experience rating includes the following:

- All losses (At-Fault and Not-at-fault) are taken into account in rating even if there was no insurance in effect or the loss was repaid to the Insurer by or on behalf of the Insured or if the Insured chose not to present the claim;
- Claims (paid by the previous Insurer, reimbursed to the previous Insurer or paid by the Insured) outside the coverage on the application;

- Any amount paid back by the Insured due to an END 8 on the policy with the prior Insurer;
- Claims falling within a specific deductible not offered by FA e.g. on an occurrence basis regardless of the coverage involved in the loss;
- Amounts above FA deductibles when the prior Insurer had higher deductibles;
- Losses falling within any special agreements with the prior Insurer.

NOTE: Full experience details must be obtained directly from the prior Insurer to ensure all information on the risk is provided.

Fleets are to be written on a specified vehicle basis not on a blanket or receipts basis, therefore the use of END 21A and 21B is not permitted.

If a risk insured through Facility Association meets a the definition of a fleet, any vehicles added to the policy will be experience rated. The policy including any subsequent renewals will remain experience rated until the risk no longer meets the definition of fleet.

When a new fleet is being submitted to Facility Association and there is no verification of which claims involved which vehicles, the Facility Association formula shall take into account the claims that occurred on all vehicles. It is the responsibility of the Agent/Broker / Insured to provide the claim history documentation for the vehicles to be insured through Facility Association.

Midterm Rating

Midterm rating is not permissible for changes that occur (i.e. revision of claim reserves) during the policy term merely because of the lapse of time.

If it is discovered during a policy term that a risk is a fleet it shall be experience rated at the time of next renewal. If more than one policy qualifies for fleet rating, the fleet policy shall be issued effective the renewal date of the earliest expiring policy, based on the information for all vehicles. The remaining vehicles shall be added to the fleet at the expiry date of their policies.

Optional Physical Damage Coverage

Vehicles may not be covered for Comprehensive/Specified Perils only.

The Collision portion of All Perils and Collision coverage shall be regarded as the same coverage for the purposes of determining the number of months of coverage, similarly, the portion of All Perils and Comprehensive & Specified Perils shall be regarded as the same coverage.

Where Collision claims that have occurred in the past three years cannot be allocated to specific vehicles, the claims shall be assigned to the highest rated vehicles, one to each in descending order.

C. Loss Information

Any reserve change for a loss in any previous term shall be added to the incurred losses of the policy term in which the reserve was changed.

D. New Applications

1. Forms required for Fleet Submissions

- a) Facility Association application
The application form fully completed and signed. Under vehicle items show "Fleet Policy".
- b) Automobile Fleet Schedule
All vehicles including trailers for which insurance is required must be fully described.
- c) Fleet Vehicle Count Calculation
Must be completed to determine the number of vehicles insured by coverage.
- d) Fleet Rating Information Statement or Commercial Vehicle Supplement
This form provides additional information about the risk.
- e) Any additional supplements such as drivers list, taxi questionnaire.

2. Incomplete fleet submission forms

If the necessary information required by the Servicing Carrier to properly rate the policy is not received within 15 days of the intended effective date, the policy shall be issued at the quoted premium and cancelled by registered letter.

3. The Applicant must understand that:

The risk is bound from the effective date shown and an earned premium shall be charged.

The application is subject to the Facility Association fleet rating formula and the resulting premium may be substantially greater than the base premium quoted by the Agent/Broker.

The Servicing Carrier may require payment of additional fees if proof of insurance has to be issued. See Rule 227.

4. Agent/Broker responsibilities:

Submit all fully completed and signed fleet submission forms. Items on the binder application dealing with specific vehicles are to be answered 'Fleet Policy'. Incomplete forms shall be returned for completion resulting in policy issuance delays.

Premiums are to be calculated at Driving Record 0 and must include the Outside Province/Territory exposure surcharge if applicable.

If the manual does not provide information for rating a particular risk, the Servicing Carrier will assist the Agent/Broker in establishing a method of rating. The Servicing Carrier will also assist in determining rate groups which are not published.

Collect from the Applicant the premium quoted at Driving Record 0 or arrange a premium finance contract. The Agent/Broker is responsible for the pro rata earned premium based on the correct premium calculation at Driving Record 0 in the event of non-payment by the Insured.

Issue temporary (30 day) liability cards for each self-propelled vehicle listed on the Fleet Schedule as of the date coverage was bound. It is not permissible to use a 'blanket' wording of any kind.

A premium must be quoted and the risk bound before the fleet is submitted.

5. Servicing Carrier responsibilities:

The Servicing Carrier shall not provide quotations or accept fleet submissions which have not been bound.

Upon receipt of the properly completed documents, the Servicing Carrier shall verify the information and loss history of the risk with the previous carrier as required and ensure prompt issuance of the policy documents.

6. If the revised premium is not acceptable:

If a promulgated fleet rating is not acceptable to the Applicant, the coverages shall be cancelled without charge if the policy is cancelled by the Applicant no later than the intended effective date (the date coverage was bound).

After the effective date, where the Agent/Broker reports non-payment of the additional premium within 30 days of receiving notice of the additional premium, the earned premium for cancellation shall be calculated pro rata on the quoted premium calculated at Driving Record 0. Otherwise the earned premium shall be calculated pro rata on the promulgated fleet rating.

If a fleet rate has been established and the policy is cancelled because the Applicant rejects the premium, a new application is submitted within 30 days will remain fleet rated. Individually rating the vehicle will not be permitted unless the risk is no longer meets the definition of a fleet.

7. Premium Calculation

Note:

- Refer to Rule 215 on rating of experience (fleet) rated risk
- For other classes of business, refer to the appropriate section of the manual.

E. Renewals

Prior to the expiry of experience rated insurance, the Servicing Carrier may ask the Agent/Broker to have certain forms completed to update the information on record.

Such a request will usually be made well in advance of the expiry date because of the need to issue the renewal

policy/certificate/offer to renew before the insurance expires.

The appropriate renewal documents shall not be issued unless and until the required forms, properly completed, have been returned.

Rule 240: Not applicable

Rule 241: Carrying Explosives

The standard policy exclusion for carrying explosives may be modified to permit carriage of specified explosives only, by adding END 4a/4A/4(A). END 4a/4A/4CA) can be applied to all coverages or limited to the mandatory coverages.

An Explosive Questionnaire must be completed and signed by the Applicant and submitted to the Servicing Carrier.

1. A commercial type vehicle operated by an explosive manufacturer or dealer shall be rated in accordance with the Commercial Section of the manual.
2. For any other vehicle there shall be an additional charge applied to the vehicle premium. Contact your Servicing Carrier for the amount of the additional premium.

Rule 242: Carrying Radioactive Material

The standard policy exclusion for carrying radioactive material may be modified to permit the carriage of specified radioactive material only, by adding END 4b/4B/4(B). END 4b/4B/4(B) can be applied to all coverages or limited to the mandatory coverages.

A Radioactive Materials Questionnaire must be completed and signed by the Applicant and submitted to the Servicing Carrier. An additional charge shall be applied to the vehicle premium.

Contact your Servicing Carrier for the amount of the additional premium.

Rule 243: Endorsements Applicable To POL 1 (Owner's Policy)

Notes:

1. No endorsements, no special wordings and no changes to standard forms are permissible except as approved by or on behalf of the Superintendent(s) of Insurance.
2. This rule provides certain details of approved endorsement forms. The descriptions are necessarily very brief and reference must be made to the actual wordings of the endorsements to ascertain the full provisions and restrictions.
3. In certain cases a copy of the endorsement must be signed by the Applicant and filed with the Servicing Carrier. The insurance will not be continued or the policy will be re-rated, if this requirement is not met.
4. Not all endorsements may be applicable to commercial vehicles. Refer to the specific wording below.

Liability or (TPL) means B.I. and P.D. Tort;

Physical Damage means Optional Coverages – Loss or Damage (All Perils, Collision, Comprehensive, Specified Perils)

	Standard Endorsement Form Number, Title and Purpose	Rating
2	Drive Other Automobiles Endorsement Named Person(s) Extends the 'drive other automobiles' Liability and Accident Benefits coverage to persons other than the Insured and spouse.	The premium is dependent upon the Liability limit applicable to the vehicle: Limit in thousands \$200 \$300 \$500 \$1000 Premium per person 8 9 10 11 Accident Benefits per person \$1.
3	Drive Government Automobiles Covers the Insured's legal liability arising from the custody and use of a vehicle owned by the federal or a provincial government, including Liability for the loss of or damage to the vehicle arising from Collision and/or Comprehensive or Specified Perils. The Insured must specify the types of vehicle that may be in their custody and, in regard to the optional physical damage coverages, must indicate the required limit per occurrence.	Calculate the coverage premiums applicable to the highest rated government vehicle that may be in the Insured's custody as if they owned such a vehicle. Take into account driving record, type of vehicle, use and the coverage deductibles. Use the limit per occurrence as the vehicle's value for determining the rate group and, in respect of a commercial vehicle, assume the model year to be the current year. The charge for each coverage is this percentage of the calculated premium. Liability:20% Accident Benefits:50% Optional Physical Damage:100%
4a	Permission to Carry Explosives Removes the policy form's exclusion in regard to carrying specified explosives only.	If main cargo, rate vehicle as Class 48, 61B-64B plus special factors. If incidental, net annual \$50. Refer to additional rules within manual for further information.
4b	Permission to Carry Radioactive Material Removes the policy form's exclusion in regard to carrying radioactive materials only.	If main cargo, rate vehicle as Class 48, 61B-64B plus special factors. If incidental, net annual \$50. Refer to additional rules within manual for further information.
5	Permission to Rent or Lease (Specified Lessee) Applicable to leases exceeding 30 days.	No charge for the endorsement. Vehicle is rated as if owned by lessee. Refer to additional rules within manual for further information.
5c	Permission to Rent or Lease (unspecified lessees - short term leases only) Applicable to leases not exceeding 30 days	The following premiums apply to the policy and are not specifically for the endorsement: 1. Liability, Collision, Comprehensive, Specified Perils: Private Passenger 250% of 07/0 Commercial Vehicles Light Trucks 200% of 43/0 Heavy Trucks 200% of 45/0 Tractor/Trailers 175% of 64/0 Private Trailers a. Liability add \$15 b. Optional Physical Damage 250% of normal

		Motor Homes & Camper Units a. Liability250% of 07/0 b. Optional Physical Damage250% of normal Motorcycles & Mopeds250% of DR 0 for age 16 Snowmobiles & ATVs250% of normal Refer to additional rules within manual for further information.
5d	Conversion Coverage (rented or leased automobiles)	Not available on Facility Association policies.
6a	Permission to Carry Passengers for Compensation Modifies the policy form's restrictions in regard to the use of the vehicle for the carriage of passengers. The actual use of the vehicle must be specified in the endorsement. See Private Passenger Section and Public Section. The use of the endorsement is not permissible in respect of other vehicles. Also see END 22.	For private passenger vehicles used in car pools: add 10% of Liability premium. Attach 6a Volunteers: A volunteer transports persons to medical appointments and the like, and is reimbursed for reasonable driving expenses, including gas, vehicle wear and tear and meals. END 6a is not required and there is no additional premium charge. Other Private Passenger Vehicles used to transport passengers: i) If transportation of non-paying passengers is part of Insured's job and employer reimburses employee for expenses -then Class 07 rates apply. Attach 6a ii) If transportation is very occasional (no more than once a week - non-paying passengers) then Class 02 or Class 03 rates can apply. Attach 6a iii) All others, then appropriate taxi, limousine or bus rates are applicable. END 6a would be attached; however, only if the vehicle is used in a car pool, would the 10% surcharge apply. For public vehicles, rate vehicle accordingly. See Public Section of the manual.
6b	School Bus Used in respect of School Buses and, in regard to Passenger Hazard, provides either: (a) separate limits of liability in respect of (i) bodily injury to any one person, (ii) bodily injury to all persons, and (iii) passengers' property or (b) a combined limit in respect of all passengers' bodily injury and property damage.	Rate vehicle according to Public Section.
6c	Public Passenger Vehicles Used in respect of buses other than School Buses and, in regard to Passenger Hazard, provides either: (a) separate limits of liability in respect of (i) bodily injury to any one person, (ii) bodily injury to all persons, and (iii) damage to property carried in the automobile or (b) a combined limit in respect of all passengers' bodily injury and property damage.	Rate vehicle according to Public Section
6d	Driver Training School Gives permission for the vehicle to be used for Driver Training School purposes and extends the	Refer to additional rules within manual for further information.

	Liability section of the policy to provide coverage in respect of the Insured's liability for bodily injury to student drivers/observers. The Liability limit provided in respect of Road Hazard is to be repeated in the endorsement against both 'any one person' and 'two or more persons'. Also, see END 22	
6F	Public Passenger Vehicles Used instead of END 6c when a combined Road & Passenger Hazard Limit (B.I. & P.D.) is to be provided.	Rate vehicle according to Public Section
7	Separate Limits (Third Party Liability) Used only when proof of insurance is filed in respect of a vehicle. The authority concerned requires that, in respect of Road Hazard, the insurance provide separate Liability limits for (i) bodily injury to any one person, (ii) bodily injury to all persons, and (iii) damage to property.	Premium is that applicable to an inclusive limit equal to the sum of the limits of 'ii' and 'iii'.
8	Property Damage Reimbursement (Section A only)	Not available on Facility Association policies.
8A	Property Damage Reimbursement for Operation by Named Person (Section A only) (FOR USE IN THE NORTHWEST TERRITORIES ONLY) Used in conjunction with END 28. The Insured agrees to indemnify FA for loss or damage to property arising out of accidents while the person named on the endorsement is operating the vehicle. END 8A may not be used where the person to whom it applies is the named Insured.	No charge.
9	Marine Use Excluded (amphibious vehicles) Specifies that insurance is not provided while the vehicle is in or upon water or being launched or landed. The use of the endorsement is mandatory in respect of vehicles designed for use on both land and water (amphibious vehicles, all terrain vehicles, swamp buggies).	No charge.
13D	Limitation of Glass Coverage Endorsement Amends the Comprehensive coverage by deleting coverage for damage to glass unless caused by a hazard included in Specified Perils coverage.	Private Passenger Vehicles, Motor Homes and 'Light' Commercial Vehicles (excluding Trailers) Premium charged for reduced coverage is Specified Perils plus 10% of Comprehensive except for deductibles of \$1,000 or over where there is no discount from the full applicable Comprehensive premium. Note: For the purposes of the Automobile Statistical Plan, the reduced coverage is reported as Comprehensive Coverage. Other Vehicles: Not offered.
16	Agreement For Suspension of Coverage The Liability, Accident Benefits and Collision coverages in respect of a vehicle that is temporarily laid up may be suspended by means of END 16. The endorsement does not suspend the Liability and	The refund for the period of cancellation is calculated according to the table printed on the END 16 form. In no event shall refund be granted for any suspension of coverage less than sixty (60) consecutive days.

	Accident Benefits coverages that relate to 'driving other vehicles'. The endorsement may be used in respect of most private passenger and commercial type vehicles. It is not available in respect of: a. Vehicles for which proof of insurance is issued or filed; b. Experience rated vehicles; c. Recreational vehicles/items to which the Recreational Section relates. d. Vehicles that were never intended to be driven. e. Vehicles held for sale whether or not on an auto dealer's lot.	Refer to additional rules within manual for further information.
17	Reinstatement of Coverage Used in connection with END 16.	The refund for the period of cancellation is calculated according to the table printed on the END 16 form. In no event shall refund be granted for any suspension of coverage less than sixty (60) consecutive days. Refer to additional rules within manual for further information.
19	Limitation of Amount Provides that, in the event of loss or damage, the maximum amount of insurance under the physical damage sections of the policy is the actual cash value of the vehicle or the specified dollar amount (selected by the Insured), whichever is less. The use of the endorsement is mandatory in respect of Motorcycles and Mopeds and all vehicles for which the physical damage premiums are based on the estimated or appraised current value.	Base physical damage premiums on estimated or appraised current value.
19a	Valued Automobile(s)	Not available on Facility Association policies.
20	Loss of Use Provides coverage to pay for other means of transportation because of loss or damage to a described vehicle covered by END 20 caused by an insured peril and where the amount of loss or damage exceeds the deductible.	Not offered. Refer to additional rules within manual for further information.
21a	Monthly Reporting Basis Fleet (For Use in the Northwest Territories)	Not available on Facility Association policies.
21b	Blanket Basis Fleet (For Use in the Northwest Territories)	Not available on Facility Association policies.
22	Damage to Property of Passengers Used to insure the Passenger Property Damage hazard when either (a) END 6a or 6d is attached to the policy or (b) END 6b is attached but separate Passenger Hazard limits are required in respect of Bodily Injury and Property Damage	Charge the Passenger Hazard Property Damage premium for the class of vehicle concerned and attach END 22 when required. See Public Section.
23a	Mortgage Records the joint interest of a lienholder. If an END 23a is issued showing the coverages provided, the applicability of any restrictive endorsement (such as END 19/28/40) is also to be recorded.	No charge.
23b	Mortgage (Broad Form) Broader than END 23a in that it provides additional protection to the lienholder. If an END 23b is issued showing the coverages provided, the applicability of any restrictive endorsement (such as END 19/28/40) is also to be recorded.	10% of total optional physical damage premium; minimum net annual \$25.

24	Fire Apparatus Excludes optional physical damage coverage on equipment removed from the vehicle while at the location of a fire. Use of the endorsement is mandatory when the insurance applies to a fire-fighting vehicle	No charge.
25	Alteration (endorsement changing or correcting statement(s) in the application or changing the rating classification) Used by Servicing Carrier to record policy changes.	No charge. Minimum additional premium of \$5 for addition of coverage of vehicle, increase in Liability limit, or decrease in deductible amount.
26	Disappearing Deductible (all perils or collision)	Not available on Facility Association policies.
27	Legal Liability for Damage to Non-Owned Automobiles	Not offered on 'Commercial Vehicles' as described in the Commercial Section of this manual.
28	Reduction of Coverage as Respects Operation By Named Person(s) Used if the coverages provided by the policy are to be restricted when certain named operators are driving the vehicle.	No premium reduction.
29	Additional Coverage as Respects Operation By Named Person(s)	Not available on Facility Association policies
30	Excluding Operation of Attached Machinery Excludes Liability and Accident Benefits coverage in respect of the ownership or use of machinery or apparatus mounted on or attached to the vehicle, while at the site of such use. END30 may not be used in conjunction with END 31. The description of the machinery or apparatus shall read: 'all or any machinery or apparatus designed to perform a function additional to and separate from the function of travel' Where the equipment is used on a public road and the vehicle is subject to compulsory automobile insurance, the END 30 must exclude only non road use of equipment by adding 'while the vehicle is not being used upon a public highway'.	No charge
31	Non-Owned Equipment Provides coverage in respect of apparatus, machinery or equipment that is attached to the vehicle but is not owned by the Insured. Use of the endorsement is not permissible in respect of a vehicle to which END 30 applies. The optional physical damage coverages may only be the same as those provided in respect of the vehicle. The required limit in respect of loss of or damage to the equipment must be specified.	No specific charge - equipment cost to be included in vehicle value.
32	Recreational Vehicle Permits the use of the insured vehicle, off the public highway and for recreational purposes only, by an unlicensed and/or unqualified person.	No charge.
35	Emergency Service Expense No longer available	Note: On existing policies where END 35 has been applied on a vehicle, the endorsement will remain until the vehicle is removed from the policy.
36	Commercial Automobiles used exclusively for Pleasure Required when a commercial type vehicle is used only for pleasure purposes and is so rated.	No charge. When applicable this endorsement will be read in.
37	Limitation to Automobile Sound and Electronic Communication Equipment	No charge.

	(For use in the Northwest Territories) Provides that, in the event of loss or damage by theft or attempted theft, the maximum amount of insurance for the equipment or the actual cash value is \$1,500 in total. Where a vehicle is insured for Comprehensive or Specified Perils, this endorsement must be added if the Insured does not wish to purchase additional coverage. This endorsement must be signed by the Insured	
38	Increased Limit, Automobile Sound and Electronic Communication Equipment (For use in the Northwest Territories) Provides that, in the event of loss or damage by theft or attempted theft, the maximum amount of insurance for the described equipment is the limit shown in the endorsement or the actual cash value of the described equipment whichever is less.	\$30 per \$1,000 or part thereof, of the limit of coverage shown on the endorsement in excess of \$1,500. E.g. Equipment is valued at \$4,300. The premium for END 38 will be \$90.
40	Fire and Theft Deductible Used when the Comprehensive or Specified Perils deductible is to be made applicable to fire losses and to theft of the entire vehicle. This endorsement is mandatory for all motorized vehicles described in the Recreational Section of this manual.	No charge.
43R	Limited Waiver of Depreciation (FOR ALTA., YUK., N.W.T. and NUN ONLY)	Not available on Facility Association policies.
43R (L)	Limited Waiver of Depreciation (Specified Lessee) (FOR ALTA., YUK., N.W.T. and NUN ONLY)	Not available on Facility Association policies.
44	Family Protection Provides limited protection to the Insured, spouse and certain relatives in the event of bodily injuries caused by another motorist who has less Liability insurance than the Insured. For a complete description of the coverage, see the actual endorsement form and the 'Supplement'. The limit for any one accident (i.e. all claimants) is normally the difference between the Liability limit carried by the other motorist and the Liability limit applicable to the insured vehicle. The coverage limit provided by this endorsement is the same as the Liability limit applicable to the vehicle. For example: If the vehicle is insured with a Liability limit of \$2,000,000 the END 44 will also have a limit of \$2,000,000.	Premiums are dependent on class of vehicle and limit of Liability. Premiums are shown on rate pages in each section of the manual. This endorsement is not available on 'Public Vehicles' as described in the Public Section of this manual or any other vehicles used in the manner of 'Public Vehicles'.

2250	0.755	0.865	0.865
2500 or greater	0.750	0.860	0.860
Note: See Rule 201 regarding minimum deductibles. Establish the vehicle's premium for the base deductible (Collision - \$250 Comprehensive - \$100 Specified Perils - \$100) then multiply that premium by the appropriate factor shown above. For each step from the base deductible there is a minimum difference of \$1.			

Effective October 1, 2025

COMMERCIAL VEHICLES

LOGGING VEHICLES PREMIUM TABLE III

Third Party Liability

Refer to Rule 207: Rating Class Table

Accident Benefits

Refer to Rule 207: Rating Class Table

Physical Damage

Applicable to Collision and Specified Perils Insurance of all vehicles and trailers used to haul or transport logs, poles or pulpwood in connection with logging operations.

- Notes:
1. All Perils and Comprehensive coverages are **not available**.
 2. The premiums are based on the replacement value of the vehicle/trailer (including customizing features, permanently-attached equipment and taxes), as selected by the Applicant. A completed END 19 ("Limitation of Amount") must be attached to the policy: Refer to Rule 243
 3. The annual premiums are applicable to all driving records.
 4. Physical damage shall not be provided or continued for any vehicle valued at \$1,000,000 or more.
- Physical damage shall not be provided for off-road commercial vehicles e.g. logging trucks used solely in the bush.

Annual Premiums

107,501-112,500	26	16,503	4,519	9,572	3,525
112,501-117,500	27	17,231	4,719	9,994	3,681
117,501-122,500	28	17,959	4,918	10,416	3,836
122,501-127,500	29	18,688	5,118	10,839	3,992
127,501-132,500	30	19,416	5,317	11,261	4,147
Each Additional 5,000 or part thereof	+1	add 728.34	add 199.46		

Example: Vehicle valued at \$145,000, add 728.34 times 3 to 19,416
which equals 21,601.02 rounded to 21,601 for \$250 deductible then apply the \$2500 deductible factor.

Minimum Deductibles

List Price New	Rate Group	Minimum Deductible
*\$52,501-\$76,000	16 - 18	\$2,500
\$76,001-\$100,000	19 - 21	\$4,000
over \$100,000	22+	5% of the List Price New
Note: END 40 is required under certain circumstances. Refer to Rule 201		

* For lower LPN, minimum deductible is \$500

Deductible Factors

Amount	Collision	S.P.
250	1.000	1.000
500	0.890	0.925
750	0.810	0.880
1000	0.750	0.860
1250	0.700	0.840
1500	0.660	0.820
1750	0.630	0.800
2000	0.610	0.790
2250	0.590	0.785
2500 or greater	0.580	0.780

For deductibles other than \$250:

1. Establish the vehicle's premium for \$250 deductible for the vehicle/trailer concerned;
2. Multiply Step 1 premium by the appropriate deductible factor shown above.
3. Round Step 3 premium to the nearest dollar.

Rule 300: Filed Underwriting Rules

A. The Insurer's rules for declining to issue, terminating or refusing to renew a contract are:

1. The risk does not meet the object of the Facility Association which is to ensure the availability of automobile insurance, as required by law, in those provinces and territories of Canada in which the Association operates, to the owners and licensed drivers of motor vehicles who would otherwise have difficulty obtaining such insurance.
2. The Applicant does not have an insurable interest in the vehicle.
3. The vehicle is registered in a jurisdiction other than one in which the application for coverage is being completed or the vehicle is not operated at any time in a jurisdiction in which the Association operates. (If the vehicle is registered in another jurisdiction in which Facility Association operates, the vehicle may be insured through an Agent/Broker and Servicing Carrier licensed in that jurisdiction.)
4. The driver of the vehicle does not hold a valid operator's licence. If the licence of the only driver is suspended, Facility Association shall provide a policy covering Comprehensive or Specified Perils cover only until there is a driver holding a valid operator's licence. See Rule 327: Suspension of Operator's Licence and Rule 301: Minimum Coverage.
5. The application is incomplete, has not been signed by the Applicant, or has not been bound by the Agent/Broker.
6. The Applicant/Agent/Broker refuses to provide the sufficient valid information to write the risk. 'Sufficient valid information to write the risk' includes data to properly rate the risk and to report the risk information in accordance with the Automobile Statistical Plan.
7. The vehicle is not in the possession of the Applicant (i.e. has been stolen or cannot be located). This restriction is not intended to be used as a denial of a valid theft claim.
8. A certificate of mechanical fitness and road worthiness has not been provided in accordance with the Manual of Rules and Rates e.g. home made vehicles.
9. Non-payment of premium for the current policy period (for purposes of termination only).
10. Any risk where abusive or threatening behaviour of the Insured/Applicant/Driver within the previous 3 years has created a safety concern for Facility Association staff, Servicing Carrier staff or a representative acting on behalf of either and circumstances have been reported to police.

B. Rules for refusing to provide or continue a coverage are:

1. Optional physical damage coverage shall not be provided where an Applicant or any person who is a

regular or frequent operator of the vehicle, has, within the immediately preceding thirty-six months:

- a) When making a previous application for automobile insurance, given false particulars of an automobile to be insured to the prejudice of the Insurer;
or
- b) Knowingly misrepresented* or failed to disclose in an application any fact required to be stated therein;
or
- c) Has contravened a term of an insurance contract or been convicted of fraud in relation thereto;
or
- d) Wilfully made a false statement in respect of a claim.

* Misrepresentation means an Applicant has either had a policy cancelled by registered letter for material misrepresentation or has had a claim denied for material misrepresentation.

2. Physical damage coverage shall not be provided where an application for a branded vehicle (salvage or rebuilt) is submitted without a valid vehicle registration and, at the Servicing Carrier's discretion, a current safety certificate.

NOTE: No policy shall be written for vehicles branded 'nonrepairable'.

3. Where a vehicle is licensed for road use and is used on roads as well as for race or speed tests, optional physical damage coverage shall not be provided.

Rule 301: Coverages Available and Minimum Deductibles

A. Liability

1. Maximum Limit(s) of Liability

Not more than \$2,000,000 except:

- a) When required by Canadian or American federal or provincial statute, by regulation issued under authority thereof, or by municipal by-laws (but not by other local authorities such as school boards). The Liability limit may not exceed the amount required.
- b) Where the Insured is required to have limits higher than \$2,000,000 but not exceeding \$5,000,000 in order to obtain a contract of work or obtain employment and where failure to do so will result in loss of the contract or employment. The Insured will be required to provide documentation of the contract requirements or employment requirements for limits no higher than \$5,000,000. This documentation is required at the time the higher limit is requested but not for subsequent renewal terms.

If the Liability insurance is required to provide distinct Road Hazard and Passenger Hazard BI limits, the maximum limit applies separately to the two hazards.

If it is necessary to provide a Liability limit that falls between two limits for which premiums or limit factors are indicated in this manual, the premium or limit factor applicable to the higher of those two limits shall be used.

Where it is **required and permissible** to provide a higher Liability limit, the increased limit factors can be found on Page 1 – Rating Notes. If the manual does not provide the necessary increased limit factor, contact your Servicing Carrier.

It is permissible to provide Passenger Property Damage coverage up to \$50,000 in addition to the amount(s) applicable to Road Hazard and Passenger BI.

Example 1: The Insured is required by law to provide the Road Hazard limit of \$200,000 and the municipal by-law requires \$2,000,000 for Passenger BI. The policy may be issued for up to \$1,000,000 Road, \$2,000,000 Passenger BI and \$5,000 Passenger PD using END 6C or, if licensed as a School Bus, 6B.

Example 2.: The Insured is required by a *school board regulation* to provide \$2,000,000 Passenger BI, however as this regulation is not a municipal by-law or a legislated requirement, FA will not provide the \$2,000,000 Passenger Hazard BI limit unless the Insured will be prevented from obtaining a contract of work.

The minimum limits required under the Motor Vehicle Liability Act Regulations are as follows:

- Road Hazard Liability \$1,000,000
- Passenger Hazard Bodily Injury \$1,000,000 for bodily injury or death of one or more passengers

The chart on Page 1 – Rating Notes indicates the appropriate endorsement form to be used with each vehicle type unless separate limits are required by law in which case 6c must be used.

It is the responsibility of the applicant to determine the limits that are required to be insured and advise the agent/broker/Servicing Carrier accordingly.

The coverage shall be written with END 6F unless separate limits are required by the Public Vehicles Act. In that event use END 6B if the vehicle is a school bus or END 6C if the vehicle is other than a school bus.

2. Proof of Insurance

Where filings are required the filing shall be made for the minimum limits that are required in that jurisdiction even if the policy is issued for a higher limit.

For example: The Liability limit chosen by the Applicant is \$1,000,000. Proof of insurance is required for \$500,000. The policy will be issued at \$1,000,000 but the proof of insurance shall only show \$500,000.

3. Policy Issuance Using Combined Limit – END 6F

END 6F is to be used unless separate limits are required by law for Road and Passenger Hazards. If separate limits are required END 6C is to be used.

END 6F deletes the Section A exclusion for carrying passengers for compensation and amends exclusions b) and d) of the insuring agreements to provide coverage for liability for bodily injury to occupants and damage to property of passengers.

The Section A limit on the declaration page will show the combined limit for Road Hazard, Passenger Hazard BI and Passenger Hazard PD. No limit is specified on END 6F. The combined limits for Road Hazard, Passenger Hazard BI and Passenger Hazard PD may not exceed the maximum limit of liability specified in this rule under 1a) and 1b).

- The limit for Road Hazard and Passenger Hazard BI must be the same.
- Establish the premium for the Road Hazard limit.
- Establish the premium for the Passenger Hazard BI limit.
- Apply the increased limit factor from Table D if excess limits are required.
- Establish the Passenger Hazard PD premium for \$5,000 and if required apply the increased limit factor from Table C.
- Add the three premiums together to calculate the Section A premium.

Where a combined limit is to be used, establish the premium for \$200,000 Road Hazard and Passenger Hazard BI. Apply the increased limit factor from Table D. Establish the Passenger Hazard PD premium for \$5,000 and if required apply the increased limit factor from Table C. Add the two premiums together. The combined total of Road Hazard and Passenger Hazard limits may not exceed the maximum limit of Liability stated in this rule, except as provided under 1a) or b).

4. Policy Issuance Using END 6B (School Bus only) or END 6C

END 6B and 6C are to be used only when separate limits are required by law. The Road Hazard limit is shown as the Section A limit on the declaration page of the policy. END 6B or 6C must be attached to the policy and must indicate the limits applicable to Passenger Hazard BI and Passenger Hazard PD.

On END 6B and 6C, the limits applicable to Passenger Hazard are shown separately for bodily injury to one person, bodily injury to two or more persons, and damage to property carried in the automobile. It is also possible to show a single limit for Passenger Hazard Bodily Injury and Passenger Hazard Property Damage under 2 (b).

For example: On END 6B or 6C the limits would be shown

2 (a)	\$1,000,000	for any one person
	\$1,000,000	for two or more persons
	\$5,000	damage to property

Do not show an amount under 2 (b) unless required by law in which case no amount is to be entered under 2 (a).

5. Policy Issuance Using END 22 (Passenger Property Damage)

This endorsement is used to insure the passenger property damage when END 6A, 6D or 6B (where separate limits are required for Passenger Hazard Bodily Injury & Property Damage) is attached to the policy. For END 6A and 6D use the Passenger Property Damage premium applicable to Taxi.

B. Accident Benefits

As prescribed by statute.

C. Optional Physical Damage

Optional Physical damage coverage shall not be provided or continued for any vehicle valued at \$1,000,000 or more.

All Perils coverage is no longer available.

The following table indicates the minimum deductible on any physical damage coverage for Public Buses:

PUBLIC BUSES	
List Price New	Minimum Deductible
Under \$52,501	\$500
\$52,501 – \$76,000	\$2,500
\$76,001 – \$100,000	\$4,000
Over \$100,000	5% of the said value to nearest \$250*
All Rate Groups	END 40 is mandatory on any vehicle with prior fire and total theft claims within the past 60 months

*Example: If the list price new is \$123,000 5% is \$6,150. The deductible shall be \$6,250 and the rating factor for \$2,500 or more applies.

OTHER PUBLIC VEHICLES

The following table indicates the minimum deductible on any physical damage coverage when Private Passenger rates and the CLEAR Rate Group Table or Table A are used:

CLEAR Rate Group	Minimum Deductibles Collision/ Comprehensive / Specified Perils	Table A
1-40	\$500	Up to \$30,000
41 – 59	\$1,000	\$30,001 - \$60,000
60 - 79	\$2,500	\$60,001 - \$80,000
80 - 89	\$5,000	\$80,001 - \$100,000

90 - 99	\$10,000	\$100,001+
END 40 is mandatory on any vehicle with prior fire and total theft claims within the past 60 months.		

The following table indicates the minimum deductible on any physical damage coverage when Commercial rates and Commercial Rating Group Table II are used:

Rate Groups	Minimum Deductible
Up to 15	\$500
16 - 18	\$1,000
19 - 21	\$2,500
22 and over	5% of LPN rounded to the nearest \$250 (minimum deductible \$2,500).*
All RGs	END 40 is mandatory on any vehicles with prior fire or total vehicle theft claims within the last 60 months

NOTE: For risks with claims, refer to the following chart. Where a risk is eligible for one deductible based on list price new and another based on claims, the higher deductible applies.

Number of Automobile Insurance Claims under each coverage (All Perils, Collision, Comprehensive, Specified Perils)			Deductible amount applicable to the coverage under which the claims were made*
In prior 12 months	In prior 36 months	In prior 60 months (fire and/or total theft)	
3	-	2	\$2,500
-	3	-	\$1,000
-	4	-	\$2,500
-	5 or more	-	5% of LPN (minimum deductible \$5000)
		3 or more	no coverage

* Claims that have occurred under All Perils coverage shall be assigned to the appropriate section of the coverage i.e. Collision or Comprehensive.

Higher deductibles shall only be imposed when there have been a sufficient number of claims under any given coverage to warrant such application. For example, one Collision loss and three Comprehensive losses in the previous 12 months will result in the application of a \$2,500 deductible on Comprehensive only. Only if the Insured has sustained three Collision losses as well, would \$2,500 deductible be applied to the Collision coverage.

D. Family Protection Coverage (END 44)

Not available on vehicles rated in this section of the manual.

E: Minimum Coverage

Policies are required to provide at least the statutory minimum coverage applicable to the jurisdiction in which the vehicle is registered except as indicated below:

Exception

When an automobile is temporarily out of use and in storage:

- a) Coverage other than Comprehensive or Specified Perils may be suspended by means of END 16 for those vehicles that are temporarily laid up. This endorsement does not suspend coverages that relate to 'driving other vehicles'. The endorsement may be used in respect of most private passenger and commercial-type vehicles.

Suspended coverages are reinstated by means of END 17. In no event shall a refund be granted for any suspension of less than sixty (60) consecutive days.

- b) In the case of an existing policy that includes Comprehensive or Specified Perils coverage, coverages other than Comprehensive or Specified Perils may be deleted.

Notes:

1. Neither a) nor b) above is applicable for the following:
 - Vehicles for which proof of insurance is issued or filed
 - Recreational vehicles to which the Recreational Section applies
 - Vehicles that were never intended to be driven (e.g. vehicles in a collection)
 - Vehicles for sale whether or not on an auto dealer's lot.
 - Experience rated risks
2. If Liability and Accident Benefits coverages are removed or suspended twice in one year, then removal of those coverages a third time will not be permitted until the following renewal. It is not necessary to remove the licence plate from the vehicle while coverage is removed or suspended.
3. If Liability and Accident Benefits coverages are not added to the vehicle by the renewal date, the vehicle shall be renewed once and then lapsed at the next renewal if there is no other vehicle with Liability and Accident Benefits coverages on the policy.
4. In the case of a new application, a policy may not be issued for Comprehensive or Specified Perils only.

Rule 302: Not applicable**Rule 303: Binding Coverage – New Policies****A. Requirements/Procedures for binding new policies**

- 1) The Agent/Broker must have a fully completed application signed by the registered owner(s) of the vehicle(s) detailing all information on the risk. Supplementary questionnaires, if required, must be completed and signed by the Applicant. If the Servicing Carrier is required to have a driver's permission to obtain a driver record abstract, that written authorization must accompany the application
- 2) Before binding coverage the Agent/Broker must either
 - a) Collect or assume responsibility for the full indicated premium (experience rated risks at Driving Record 0 or, if established, the promulgated fleet rating)
 - or**
 - b) Obtain a fully completed premium finance contract together with the full down payment required and promptly send that contract to the finance company office.
- 3) The insurance shall take effect as of the time and date the coverage is bound, as evidenced by the Application signed by the Insured. However, except when the binding time is 12:01 a.m. of a future date, the policy shall be shown as effective at 12:01 a.m. on the day following the date coverage was bound. The premium rates to be applied are those in effect on the binding date.

For example:

 - a) Coverage is bound at 1:00 p.m. on June 1. The application is signed on June 1. The policy will be issued showing an effective date of 12:01 a.m. June 1. However, the coverage is in effect as of 1:00 p.m. on June 1.
 - b) Coverage is bound as of 12:01 a.m. June 1. The application was signed on May 29. The policy will be issued showing an effective date of 12:01 a.m. June 1.
- 4) If the application form cannot be sent to the Servicing Carrier on the date on which coverage was effected, it must be sent the next working day.
- 5) The Servicing Carrier shall normally issue the policy within 30 days of the effective date. If the Agent/Broker does not receive the policy and the full term liability card within that time, a further temporary liability card must be issued by the Agent/Broker and the Servicing Carrier

must be contacted immediately to determine the status of the policy.

- 6) Before physical damage coverage can be bound on a vehicle branded as 'salvage' or 'rebuilt', a valid vehicle registration and, at the Servicing Carrier's discretion, a current safety certificate must be provided to the Servicing Carrier with the application.

B. Term of binding new policies

The term of binding and of the temporary liability card is 30 days. The temporary liability card may not be amended to indicate a longer period. If a short term policy is to be issued, the temporary liability card shall be amended to indicate a shorter period.

Rule 304: New Policies

A. Application Form

Every application for insurance must be made on a current approved Standard Application Form and must be fully completed and signed by both the Applicant and Agent/Broker where required or as prescribed under Rule 304: Computer Generated Application Forms.

Commercial, garage, public, experience rated and some specially rated risks will require completion of supplementary questionnaires.

A copy of the valid registration for all owned vehicles being insured, regardless of vehicle type or use, will be required with the application. If the registration cannot be submitted with the application, a copy of the registration is required within 30 days of binding coverage.

Where a copy of the valid registration is not provided, the following shall apply:

- Policy shall be issued with all vehicles at the correct premium.
- If any registration is not provided within 30 days from the date requested by the Servicing Carrier, the policy shall be cancelled by registered letter.
- If the missing registration is provided before the cancellation takes effect, the policy may be reinstated.
- Agent/Broker may submit a new application for the vehicles meeting the registration requirement.

B. Owners Policy (APP 1)

A current approved Standard Application Form (APP 1) is required. The Agent/Broker must indicate the time and date that coverage is bound.

C. Faxed Applications

Fully completed and signed current approved Standard Application Forms submitted by fax are acceptable in lieu of original applications. Where required, these applications must be accompanied by the appropriate questionnaires or supplements. Where the original application has been

submitted without signature, a signed and faxed copy of the application is acceptable to complete the signature requirement.

D. Computer Generated Application Forms

These application forms are acceptable but must be in the standard format approved by the applicable regulatory authority and must include all information that is required to be provided on the current approved Standard Application Form.

The computerized application must be signed and dated by the Applicant as well as the Agent/ Broker.

E. Applicant's Signature

The Applicant's signature shall be provided on the current approved Standard Application Form or the computerized application form at the time of binding whenever possible.

If the Applicant's signature cannot be obtained at the time of binding, the Servicing Carrier shall allow the Agent/Broker 30 days to obtain a signature on the original application provided the Agent/Broker assumes responsibility for the full indicated premium. In the meantime, the Agent/Broker must send a copy of the completed but unsigned application to the Servicing Carrier.

If a signed copy of the application is not received by the Servicing Carrier within the 30 day time period, the Servicing Carrier shall immediately cancel the policy by registered letter. The Agent/Broker shall be responsible for the full indicated earned premium for the time on risk.

F. Name of the Insured

Insurance contracts must be made with individuals who have both the capacity to contract and are legal entities. If the Applicant is not an individual(s), the name(s) appearing on the policy must be that of a legal entity i.e. a limited company or partnership.

The name of the Insured must include or be the same as the name on the vehicle registration.

Two or More Names as Registered Owner of the Vehicle:

Where an application is received for vehicle(s) registered in two names, such as husband's and wife's names, the application must be signed by both parties. In the event the policy is to be cancelled at the Insured's request, both signatures are required on the request for cancellation.

Two or More Vehicles Registered to Different Names:

If the Applicant has vehicles leased from different leasing companies, or, one vehicle registered for example in the father's name and one in the son's name, separate policies must be maintained.

If the vehicles are separately registered to an Applicant and his or her spouse only, they may be insured under the same policy. Both must sign the application and any subsequent request to cancel a policy or delete a vehicle or coverage.

If the Applicant has vehicle(s) leased from the same leasing company and owned vehicle(s), separate policies may not be necessary.

Where it is discovered in the middle of the policy term, that a single policy has been issued with two (or more) vehicles, one registered in one name and one in another name, both signatures shall be required on any subsequent request for cancellation of the policy or deletion of a vehicle or coverage.

Separate policies must be issued at the time of next renewal.

G. Other Insurance

If there is any other insurance in force in respect of a risk:

- a) Binding shall not be made effective before the expiry of that other insurance.
- b) If that other insurance is to be cancelled, a liability card may not be prepared before the Insurer concerned has issued the notice of cancellation, or the Insured has signed the request for cancellation.

H. Variation in Coverage

To conform to the Insurance Act, the Insured must be advised if the coverage provided by the policy is not as requested in the application.

I. Verification of Driving History

In order to verify the driving history, the Servicing Carrier is required to obtain the following before confirming the premium:

- a) Driver record abstract obtained from the appropriate government department in each Canadian or U.S. jurisdiction in which the driver has been licensed in the previous three years.

On experience (fleet) rated risks, the abstract is not required.

- b) All vehicles shall initially be rated at Driving Record 0 unless the application is accompanied by (or the Servicing Carrier already has) proof of the accident free period and the ownership period required for a better driving record.

If the applicant claims entitlement to a driving record better than the permitted by the preceding paragraph and submits details of the previous insurance(s), the Servicing Carrier shall attempt to obtain confirmation of the previous experience. The claimed better driving record shall not be granted unless and until the entitlement is verified, but the re-rating shall then be backdated appropriately.

Previous Insurance history is not required for Motorcycle, Moped, Snow Vehicles, Dirt Bikes, All Terrain Vehicles, Antique Vehicles or applicants with only an international licence. See special instructions under Fleets and the Garage section.

If the information received is different from that reported on the application, to the extent that the premium requires amendment, the policy shall be issued at the revised premium and coverage or the Servicing Carrier shall promptly issue a correcting endorsement.

Rule 305: Definitions

A. Public Vehicles

Vehicles used for the carrying of passengers classified in Rule 307: Rating Class. Vehicles rated as private passenger vehicles with END 6A attached to permit the occasional carriage of passengers for compensation are not considered to be public vehicles. Where a vehicle is used for carrying passengers for compensation but is not classified in Rule 307, full details must be provided to the Servicing Carrier including a description of the vehicle, its intended use and its seating capacity.

B. Road Hazard

Liability for bodily injury to others excluding passengers and liability for property damage excluding property carried in or on the insured vehicle.

C. Passenger Hazard - Bodily Injury (BI)

Liability for bodily injury to passengers (Passenger Hazard Bodily Injury (PHBI) and liability for damage to the property of passengers (PHPD).

D. Radius

The radius of operation is the distance between terminal points, which is taken to be one-half the distance travelled by the vehicle over its complete route from the starting point of its trip to its return to the same point.

E. Seating Capacity

The number of persons excluding the driver that can be carried/seated in the insured vehicle.

F. List Price New

The Manufacturer's Suggested Retail Price new (plus taxes) of the vehicle including the value of the body, all permanently attached equipment and any customizing features.

G. Owned /Leased

The expression 'owned by' (as in a vehicle owned by the Applicant) includes 'leased to' if the Applicant is/was responsible for obtaining the Liability insurance for the leased vehicle concerned. A similar interpretation applies to 'owns', 'ownership', etc.

Rule 306: Rating Territory

The rating territories are described in Rule 339: Territories.

If a filing is required for another jurisdiction, the Outside Province/Territory exposure surcharge must be used regardless of the percentage of total mileage driven in that other jurisdiction.

The applicable rating territory is that in which the vehicle 'is and will be chiefly used'. If however, the vehicle is operated regularly i.e. more than 12 trips per year to or through other territories, the highest rated of those territories is to be used.

For vehicles used in jurisdictions other than Northwest Territories refer to Rule 325 and Rule 330.

Outside Province/Territory exposure surcharge is to be applied where required.

Rule 307: Rating Class

A. Public Bus - Classes 70, 73, 74, 78

A vehicle that is used for carrying passengers for compensation on public streets or highways including charters and/or sightseeing trips. The Insured is in the business of providing transportation of persons.

For example: The Insured owns a bus which is used to transport people to and from a ski resort. The sole purpose of the Insured's business is to provide transportation. If the resort owned the bus then the rating would be that of a Hotel/Country Club Bus.

Radius of Operation		Class
1. Used solely within the corporate limits of a city or town		70
Radius of Operation		Class
2. Distance between terminal points:		
More than	Not more than	
	25 km (15 miles)	70
25 km	80 km (50 miles)	73
80 km	240 km (150 miles)	74
240 km (150 miles)		78

Use 6F or, if required by law, 6C.

B. School Bus - Class 71

A vehicle that is used for carrying students and teachers to and from school premises or school activities.

Rating Note:

a) Charter Trips

If a School Bus is also used for charter trips up to (and including) 20 trips per year the premium payable must be increased according to the following percentages:

Anticipated number of trips per year

1 to 12
13 to 20

All Coverages

25%
50%

If a School Bus is used for more than 20 charter trips per year, rate as a Public Bus.

Use 6F or 6B if required by law.

b) Vehicles Used by Day Care Operations

Run by Individuals

If the seating capacity is seven or less and is used by an individual who runs a day care out of his/her home, the charge for the appropriate private passenger rate class (02, 03 or underage class) will apply plus 10% for the 6A endorsement. If the seating capacity exceeds seven seats, school bus rates apply.

Day Care Organizations

If the vehicle is used by a day care organization, rate as a school bus.

C. Hotel or Country Club Bus - Class 72

A vehicle owned by and used by a hotel, summer camp, fishing camp, whitewater rafting enterprise, resort, golf or country club and the like for carrying guests, members or employees. The operation of the bus is secondary or incidental to the Insured's business.

To complete END 6F or 6C, after 'for compensation or hire only' enter "in connection with the Insured's business of [enter the Insured's business]"

D. Private Bus - Class 7M

A vehicle that is

- owned by an employer or employee or hired/contracted by employer and used to carry employees or passengers in connection with the activities of the business
- Or
- owned by an association, church or a charitable or similar organization, to carry passengers in connection with activities of the organization

NOTE: Where the use of a vehicle does not meet the definition of Public, Hotel/Country Club or School Bus, it will be rated as a Private Bus.

E. Van Pool - Class 7M

A vehicle owned by an employer and used for one round trip each day to carry commuting employees.

To complete END 6F or 6C, after 'Use of the automobile in connection with the Insured's business of [enter the Insured's business]"

F. Taxi - Class 7A

A vehicle that is not otherwise defined in this section, but is used for carrying passengers for compensation to a destination requested by the passenger.

A completed Taxi Questionnaire must be submitted with the application.

Attach END 6C and insert "Taxi".

Rating Notes

1. Owner Driven Taxis

Discount is no longer applicable.

2. Seating Capacity Exceeds Seven

1. Determine the Public Bus class based on the radius of operations as per Rule 307.A.
2. Obtain the per seat rates from the rate page for Public Bus for Passenger Hazard BI and PD for the limits required and for Accident Benefits. Factors for higher limits for Passenger Hazard BI are in Table B on the Rating Notes page and in Table C for Passenger Hazard PD.

Passenger Hazard BI

3. For the number of seats from 8-12 use the per seat rate for 1 – 12.
4. Multiply the per seat rate by the number of seats from 8 – 12.
5. For the number of seats over 12 use the per seat rate for 13 – 29.
6. Multiply the per seat rate by the number of seats in excess of 12 and add to the total from step 4.
7. If limits in excess of \$1,000,000 are required apply the excess limit factor from Table B.
8. Add the premium to the Passenger Hazard premium for Taxi.

Calculate the premium for Passenger Hazard PD and Accident Benefits in the same manner.

Example – Passenger Hazard BI calculation for 15 seat Taxi

- The Passenger Hazard BI premium for \$2,000,000 for Taxi is \$1,000.
- The Public Bus per seat rate for \$1,000,000 for seats 1-12 is \$18.00. The number of seats from 8-12 that exceeds 7 is 5. $\$18.00 \times 5 \text{ seats} = \90 .
- The Public Bus per seat rate for \$1,000,000 for seats 13-29 is \$10.00. The number of seats that exceed 12 is 3. $\$10.00 \times 3 \text{ seats} = \30 .
- Multiply $\$120 (\$90 + \$30)$ by 1.218 (the factor for \$2,000,000 found on the Rating Notes page) = \$146.
- Add \$146 to the Taxi Passenger Hazard BI premium of \$1,000.

G. Limousine – Class 7B

Attach END 6C and insert rated use of vehicle.

1. Private Passenger Vehicle (includes all vehicles listed in the Private Passenger Rate Group Tables, plus any similar type vehicles not specifically in the Rate Group Tables, such as but not limited to Passenger Vans and Stretch Limousines).

- a. Airport – A vehicle used in the business of carrying passengers to and from an airport.
- b. Excluding Airport – A vehicle used in the business of carrying passengers for compensation under contract for transporting passengers, or in connection with specific functions such as weddings, receptions and funerals.

2. For all uses listed above, code and rate as a Taxi.
3. Where seating capacity exceeds seven, rate as above and, for each seat over seven, add the per seat premium applicable to Passenger Bodily Injury and Accident Benefits for a Public Bus.
4. For vehicles manufactured as a bus and with a licence registration of a bus, code and rate as a Public Bus.

H. Ambulance - Class 76

Public

A vehicle constructed, equipped and used for carrying people who require medical attention or are under medical care.

Private Ambulance

An ambulance as described above but used exclusively for the carrying of the Insured's employees.

Use the percentage applicable to Emergency or Non Emergency use.

If the seating capacity exceeds seven, submit full details to the Servicing Carrier.

Attach END 6A and insert 'Ambulance' and 'Emergency' or 'Non emergency'.

I. Invalid Car - Class 76

A vehicle constructed, equipped and used for the transportation of wheelchair passengers and other disabled persons.

Rate and code according to use and attach the appropriate endorsement as indicated on the Rating Notes page.

For example: If the vehicle is being used as a private bus, then rate as a private bus.

J. Funeral Vehicles - Class 75

Attach END 6A and insert [rated use of vehicle].

Hearse/Casket Wagons

A vehicle used for the transportation of coffins, caskets, and flowers.

Funeral Carriage

A vehicle used for the transportation of passengers to and from funeral services.

If the seating capacity exceeds seven, submit full details to the Servicing Carrier. For other vehicles operated by a

Funeral Director, see the Private Passenger or Commercial Section of the manual.

K. Ride Hailing - Class 7C

Attach END 6C and insert rated use of vehicle.

A vehicle used in connection with Ride Hailing is a motor vehicle, used to provide pre-arranged transportation of passengers for compensation through use of a transportation network.

Ride Hailing vehicles do not solicit, accept or transport passengers other than through the use of a transportation network.

Code and rate as a Taxi

Where seating capacity exceeds seven, for each seat over seven, add the per seat premium applicable to Passenger Bodily Injury and Accident Benefits for a Public Bus.

Rule 308: Rating

A. Rating for More Than One Use

If the vehicle is used for more than one purpose, the highest rated class (based on premium) must be used regardless of the percentage of exposure.

If the rate for the other use is higher than the rate for the 'public' use, then the premium for Passenger Hazard Bodily Injury and/or Property Damage is not added to the premium for the other use.

For example: The Insured has a station wagon and has been contracted by the school authority to transport children to and from school. The Insured also uses the vehicle for strictly pleasure use. The school contract requires \$2,000,000. Road Hazard and \$3,000,000 Passenger Hazard Bodily Injury. Assuming Class 01 percentage of exposure is higher, the policy shall be issued using the Class 01 premium. The Liability limit on the face sheet of the policy shall show \$2,000,000.

END 6B must be attached. Under 2(a) the first and second lines shall be completed with a limit of \$3,000,000. END 6B provides that **while the vehicle is being operated as a school bus**, the policy shall provide \$2,000,000 Road Hazard and \$3,000,000 for bodily injury or death of one or more persons. If the Insured has an accident while driving the vehicle for pleasure the policy shall provide \$2,000,000 Liability.

The additional \$3,000,000 is only applicable while the vehicle is being operated as a school bus. The premium for 6B shall show as included on the face sheet of the policy.

B. Liability Coverages

The Liability premium is made up of three components:

1. Road Hazard Bodily Injury and Property Damage
2. Passenger Hazard Bodily Injury (PHBI)
3. Passenger Hazard Property Damage (PHPD)

The Schedule of Rates may show separate premiums for each component or combined premiums for some.

Where the Schedule of Rates does not provide the premium for the required limit, an increased limit factor must be applied to the premium. The factors are found in the Limits Table at the beginning of the rate pages. Each coverage component has its own Table (A, B and C). In addition there is Table D which is used instead when a combined limit (where permitted) for Road Hazard and Passenger Hazard BI is required.

If the limit exceeds \$1,000,000, an excess limit factor is applied to the premium for a limit of \$1,000,000.

C. Types of Rating used for Public Vehicles

The premiums for public vehicles are developed on a 'per vehicle', 'per seat' or a 'percentage' of a private passenger, commercial or another public vehicle premium.

'Per Vehicle' If the heading on the rate page states 'per vehicle', the premium shown on the rate page is a premium applicable to the vehicle depending upon the territory, class, driving record, seating capacity and limit.

'Per Seat' If the heading on the rate page states 'per seat', then to determine the premium for that coverage

1. Obtain the applicable per seat rate shown for the territory, class, driving record, seating capacity and limit. Develop the premium in stages if seat rates are shown for various numbers of seats.

For example: using hypothetical seat rates for a 35 passenger bus

Seating Capacity	Per Seat
1-12	28.66
13-29	6.97
30+	3.35

2. Multiply each rate by the number of seats in the stage

12 times 28.66 =	343.92
17 times 6.97 =	118.49
6 times 3.35 =	20.10
Total premium =	482.51
Rounded to \$483.	

3. If in addition to the per seat rate, a **basic** premium is shown on the rate page for that coverage, then it must be added to the per seat premium. In the example a hypothetical \$41.56 would be added to the \$482.51 and the total rounded to \$524.

'Percentage' The rate page may show a class and a percentage. The premium is obtained by applying the percentage on the rate page to the premium for the class

indicated at a Liability limit of \$200,000. The premiums for higher limits are obtained by applying the increased limit factors in the rate pages. Note that public vehicles are to be rated as Driving Record 0, 1, 2 or 3 even where there may be a better driving record available for the underlying class.

D. Physical Damage

Where a premium for a rate group or deductible is not shown on the rate page, first calculate the rate group premium by multiplying the base premium by the rate group factor, round to the nearest dollar, and then multiply by the deductible factor.

E. Premium Determination

Ensure that the vehicle is a public vehicle.

1. Establish the rating territory.
2. Establish the rating class, including any special factors.
3. Establish the driving record.
4. Establish the rate group and minimum deductible. Refer to the rate page and the rate per vehicle, per seat or percentage of underlying class.
5. Develop the total premium for each coverage.
6. Apply any required Outside Province/Territory exposure surcharge. Refer to Rule 325.
7. Apply fleet rating or any accident/conviction surcharge.

Rule 309: Driving Record

Driving record is the number of years of verified 'Clear Record'. This rule does not apply to coverages that are fleet rated.

All vehicles shall initially be rated at Driving Record 0 unless the application is accompanied by (or the Servicing Carrier already has) proof of the accident free period and the ownership period required for a better driving record.

If the Applicant claims entitlement to a driving record better than that permitted by the preceding paragraph and submits details of the previous insurance(s), the Servicing Carrier shall attempt to obtain confirmation of the previous experience. The claimed better driving record shall not be granted unless and until the entitlement is verified, but the re-rating shall then be backdated appropriately.

A. Clear Record

Throughout the period concerned:

1. There has been no accident involving the described vehicle or one for which it has been substituted;

and

2. The Applicant has owned the described vehicle or one of a similar type for which it has been substituted.

Ownership is established from the date on which the Applicant takes possession of the vehicle. There is no requirement that drivers are accident free on other vehicles – the rating is determined from the vehicle history not the driver's history.

B. Driving Record Entitlement

Period of confirmed claims-free experience and vehicle ownership immediately preceding the commencement date of the period of insurance	Driving Record Entitlement
Less than 1 year	0
At least 1 year	1
At least 2 years	2
At least 3 years	3

Notes

1. The driving record established applies to all coverages for which a driving record is a factor. There is no split rating. A chargeable accident will affect the rating of the Liability, DCPD (*Not available in Northwest Territories, Nunavut and Yukon*) and Collision coverages.
2. Where an Applicant owns more than one vehicle, each vehicle's driving record is established separately. Where an additional vehicle is acquired it shall develop its own driving record (initially at Driving Record 0). Where a vehicle is deleted, an accident charged for on the deleted vehicle shall be transferred to a remaining vehicle with the best rated driving record.
3. Where a vehicle replaces another it acquires the driving record of the replaced vehicle.
4. Gaps in insurance coverage within the 3 years immediately preceding the effective date of the insurance shall have the following effect on the assignment of the driving record:

If the total gap in insurance coverage is less than 1 year in the past 3 years, the driving record will not be impacted.

If the total gap in insurance coverage is 1 year or more in the past 3 years, the driving record will be reduced by 1 for each year's gap in coverage.

For example: The Applicant has proof of accident free insurance from June 1, 1999 to February 15, 2003. Effective date of FA policy is July 1, 2003. Since the gap is less than 1 year (February 15, 2003 to July 1, 2003),

there is no impact on the driving record. Risk qualifies for Driving Record 3.

The Applicant has proof of accident free insurance from June 1, 1999 to May 20, 2002. Effective date of FA policy is July 1, 2003. Since the gap is more than 1 year but less than 2 years (May 20, 2002 to July 1, 2003), the driving record is reduced by 1 year. Risk qualifies for Driving Record 2.

C. Incorrect Class of Licence

Some vehicles such as buses require the operator to maintain a specific class of licence in order to operate such vehicles. Where the operator fails to have the proper class of licence for the vehicle to be insured, rate at Driving Record 0. If evidence of the correct class of licence is not provided to the Servicing Carrier within 30 days, the policy will be cancelled by registered letter.

Rule 310: Rate Group

A. Public Bus

Determine the list price new and rate according to the 'List Price New' column on the Public Bus rate page.

B. Other Vehicles

Where the vehicle is listed in the CLEAR Rate Group Table in the Private Passenger Section of the manual, establish the CLEAR rate group. For similar type vehicles not specifically listed in the CLEAR Rate Group such as passenger vans and stretch limousines, determine list price new and obtain the rate group from Table A on the Rating Notes page in the Private Passenger Section.

For all other vehicles, determine the list price new and establish the rate group using Rating Group Table II in the Commercial Section of the manual.

Rule 311: Endorsement Forms/ Wordings

Changes to standard approved forms are not permitted.

Rule 338: Endorsements Applicable to POL 1 (Owner's Policy) provides certain details and rating instructions for approved endorsement forms. The descriptions are brief and reference must be made to the actual wordings of these forms to ascertain the full provisions and restrictions.

Certain endorsements require a signature. Where no signature is obtained, the policy may be cancelled in accordance with the Statutory Conditions or the endorsement may be deleted and the policy re-rated accordingly.

If a vehicle is registered in both the husband's name and the wife's name, endorsements that require signature must be signed by both husband and wife. If it is discovered that a policy is covering two vehicles (one registered in the husband's name and one in the wife's name), both signatures shall be required on any endorsements that require signature.

Provided the endorsement form does not indicate the expiry date of the policy and continues to refer to a particular vehicle (policy vehicle item number did not change), once an endorsement form has been signed, it need not be signed again on subsequent policy renewal terms.

Rule 312: Not applicable

Rule 313: Premiums

A. Premium Quotations

The Agent/Broker is responsible for calculating premiums in accordance with this manual, including the 'base' premiums applicable to experience (fleet) rated risks. Experience rated risk premiums are calculated at Driving Record 0.

Where there is any doubt on the matter, the Servicing Carrier will be pleased to assist in establishing risk classifications, but the Servicing Carrier shall not make premium quotations except where the manual does not provide for the particular coverage required.

The Servicing Carrier shall require clarification from the Agent/Broker if the information on the application contradicts the quoted premium.

B. Manual Rates

The rates published in this manual are for annual policy terms. For six month public vehicles policies, charge 52% of the annual premium.

Fleets as defined in Rule 335: Fleets are not eligible for six month policies.

C. Premium Rounding

The premium for each coverage shall be rounded to the nearest whole dollar. A premium that includes 50 cents or more shall be rounded up to the next whole dollar. (\$46.56 will be rounded up to \$47.00 and \$46.44 will be rounded down to \$46.00.)

This applies to all premium transactions, including refunds except where the policy is cancelled by registered letter at the request of the Agent/Broker or by the Servicing Carrier. In that event, the return premium shall **always** be rounded up to the next whole dollar (\$45.10 will be rounded up to \$46.00).

D. Minimum Premium/Minimum Retained Premium

The minimum premium for any public vehicle automobile policy or renewal and, the minimum retained premium in the event of cancellation of the policy, is \$25, regardless of the term of insurance. The minimum retained premium must be stated on the declaration page of the policy.

Rule 314: Policy Term

Every policy or renewal shall be issued for a term of either one year or six months.

A short term policy may be issued in the event that the vehicle/item is in transit in or through the jurisdiction, i.e. a single trip from a location within a jurisdiction in which Facility Association operates to another location within a jurisdiction in Canada or the continental U.S.A. The Servicing Carrier may accept an application for a short term policy and issue the policy accordingly or accept an application for a 6 or 12 month term and a cancellation voucher signed to provide coverage for only the shortened term.

The premium for the policy shall be calculated using the highest rated territory of the originating jurisdiction and the applicable short term table in this manual, subject always to the minimum retained policy premium.

See also Rule 331: Purchasing Vehicles in Jurisdictions Where FA Does Not Operate.

Policies subject to Rule 335: Fleets cannot be issued for a term of 6 months.

Rule 315: Policy Changes

A. A change to a policy shall not be processed if:

- a) The change is substantial e.g. the Insured is covered under POL 1 and now requires POL 4 or 6 instead. A new policy may be necessary. If in doubt, the Agent/Broker should contact the Servicing Carrier for direction. If a new policy is required, a new application must be submitted. The existing policy shall be cancelled pro rata.
- b) There is a change of the jurisdiction in which a vehicle is registered and the vehicle must be registered in the new jurisdiction. The insurance on the vehicle must be cancelled. Upon receipt of a copy of the replacing policy application, or temporary liability card from the new jurisdiction, the refund shall be calculated on a pro rata basis, subject to the minimum retained premium.

B. Name of Insured When Adding or Deleting Vehicles Leased Vehicles

- Where the Insured has a leased vehicle and is returning the vehicle to the lessor and replacing it with an owned vehicle, provided there is no change in the name of the Insured (the person who actually applied for the insurance), the change to remove the lessor's name from the policy and the vehicle substitution may be made by endorsement. A release of the lessor's interest must be obtained or comparable notification of the change must be sent to the lessor by registered mail.
- Where an Insured has an owned vehicle, and is now obtaining a leased vehicle and disposing of the owned vehicle, the change to the vehicle and name of Insured may be made by endorsement, provided there is no change in the name of the Applicant, other than to add the lessor's name to the policy.
- In situations where the Insured has an owned vehicle and a leased vehicle, separate policies may not be necessary for each vehicle.
- Where an Insured has two or more vehicles leased from different leasing companies, a separate application is required for each vehicle.

Owned Vehicles

Two or More Names as Registered Owner of the Vehicle:

Where an application is received for vehicle(s) registered in two names, such as Pat and Drew Doe, the application must be signed by both parties. In the event the policy is to be cancelled at the Insured's request, both signatures are required on the request for cancellation. If the situation is other than the Applicant and spouse, refer to the Servicing Carrier prior to quoting or binding to verify the rating.

Two or More Vehicles Registered to Different Names:

If the Applicant has vehicles leased from different leasing companies or, one vehicle registered for example in the father's name and one in the son's name, separate policies must be maintained.

C. Amending or Deleting Coverage on Vehicles with Lessees or Lienholders

Where physical damage coverage is being amended or deleted on a leased vehicle or a vehicle on which there is a lienholder, the Servicing Carrier must send a notice to the lessor or lienholder to advise of the coverage being amended or deleted and the effective date of the transaction.

D. Binding Coverage - Policy Changes

If the change involves a vehicle for which proof of insurance has been filed or is required, please also see Rule 324: Proof of Insurance. Before binding coverage the Agent/Broker must collect or assume responsibility for any indicated additional premium.

Procedure of notification

- 1) The Agent's/Broker's procedure for reporting changes to the Servicing Carrier must be acceptable to the Carrier. The request for change must be made in writing and **specify the effective date and the effective time.**
- 2) Faxed or mailed policy change requests are acceptable.
- 3) If the policy change request cannot be sent to the Servicing Carrier on the date the Insured makes the request, it must be sent to the Servicing Carrier on the next working day.
- 4) The Servicing Carrier shall normally issue any required endorsement, updated Certificate of Insurance (if required) and permanent liability card (if required) within 30 days of the effective date of the change.
- 5) Coverage may not be shown as effective prior to the date and time that the request was received by the Agent/Broker from the Insured, except when contractual coverage exists automatically under the policy and notice is given within the time permitted. A permissible policy change is in effect as of the time and date requested.
- 6) Where a vehicle is being added or substituted, a copy of the valid vehicle registration will be required with the request for the policy change. If the registration cannot be submitted with the request for policy change, a copy of the registration must be submitted within 30 days of binding coverage.
- 7) Before physical damage coverage can be bound on a vehicle branded as 'salvage' or 'rebuilt', a valid vehicle registration and, at the Servicing Carrier's discretion, a current safety certificate must be provided to the Servicing Carrier with the policy change request.

Where a copy of the valid registration is not provided, the following shall apply:

- The vehicle(s) shall be added or substituted at the correct premium.
- If any registration is not provided within 30 days of the date requested by the Servicing Carrier, the policy shall be cancelled by registered letter.
- If the missing registration(s) is provided before the cancellation takes effect, the policy may be reinstated.
- Agent/Broker may submit a new application for the vehicles meeting the registration requirement.

E. Deletions of Vehicles and Coverages

a) If the request for deletion is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) within 30 days of the date the deletion is to be effected, the deletion shall take effect at 12:01 a.m.

on the date that it was requested to be effective. In the event that the deletion was specifically requested to be effective at a time other than 12:01 a.m., the deletion will be effected at 12:01 a.m. the following day.

For example: The Insured requests deletion of the vehicle/coverage to be effective September 5. The deletion request is received by the Agent/Broker on September 20. The Servicing Carrier will issue the policy change effective 12:01 a.m. September 5. If the Insured requested the deletion to be effective at 3:40 p.m. on September 5, the Servicing Carrier will delete the vehicle/ coverage effective 12:01 a.m. on September 6.

b) If the request for deletion is received by the Agent/Broker (or Servicing Carrier if received directly from Insured) more than 30 days after the date the deletion was requested to be effected, the deletion will take effect at 12:01 a.m. on the date that the deletion request is received by the Agent/Broker (or Servicing Carrier if received directly from Insured).

For example: The Insured requests deletion of a vehicle/coverage to be effective September 5. The deletion request is received by the Agent/Broker on October 10. The Servicing Carrier will delete the vehicle/coverage effective 12:01 a.m. October 10.

NOTE for a) and b)

If the date the request was received by the Agent/Broker is not evident, the Agent/ Broker will be asked to provide proof of the date received acceptable to the Servicing Carrier. If proof cannot be provided, the request will be processed effective 12:01 a.m. on the date received by the Servicing Carrier.

- c) In the event that the **vehicle has been sold**, and a copy of the bill of sale satisfactory to the Servicing Carrier is produced, the vehicle shall be deleted the day after the vehicle is sold.

For example: The vehicle was sold June 5. The Servicing Carrier does not receive the request to delete until September 5. If the Insured can produce a satisfactory bill of sale, the Servicing Carrier will delete the vehicle effective 12:01 a.m. June 6.

- d) In the event that a vehicle has been **written off** in a claim, deletion shall not be effected prior to the day after the loss occurred. If the request for vehicle deletion is received more than 30 days after the date of loss, the deletion shall be effected:
 - i) The day after the salvage is signed over to the Insurer; or
 - ii) The date the policy is no longer under the temporary substitute auto provision, if that date is later than the date salvage was signed over.

For example: The vehicle has been written off in a claim June 1. On September 1 the Servicing

Carrier receives a request to delete the vehicle effective June 1. Upon checking with the claims department, the Servicing Carrier ascertains that salvage was signed over to the claims department on June 15. However, the Insured had a rental vehicle covered under the policy's temporary substitute auto coverage until June 20. The Servicing Carrier will delete the vehicle effective 12:01 a.m. June 21.

- e) In the event the Insured has placed coverage through the voluntary market, upon receipt of a copy of the replacing policy application for the deleted vehicle or temporary liability card, the Servicing Carrier shall delete effective the date that the replacement coverage took effect.

Servicing Carriers shall proceed with deletion as outlined in a) or b) unless the Servicing Carrier is aware or is made aware, that the circumstances outlined in points c), d) or e) exist.

F. New or Replacement Driver

If the change includes an additional or replacement driver, the Servicing Carrier shall be required to verify the driving history by ordering:

- a) Driver record abstract obtained from the appropriate government department in each Canadian or U.S. jurisdiction in which the driver has been licensed in the previous three years.
- On experience (fleet) rated risks, the abstract is not required.
- b) Since the rating is determined from the vehicle history not the driver's history, there is no requirement that drivers are accident free on other vehicles and, consequently, previous insurance history on the additional or replacement driver(s) is not required.
- c) See special instructions under Rule 335: Fleets.

If the information is different from that reported, to the extent that the premium or coverage requires amendment, the Servicing Carrier shall promptly issue a correcting endorsement.

G. Midterm Policy Change Premium Calculation

In regard to the period licensed, period of ownership, the period since the date of an accident, the period since the date of a conviction, the rating is always based on the position as at the effective date of the policy period, (or, in the case of a subsequent addition/substitution of a driver or addition of a vehicle as at the addition/substitution date). Midterm rerating is NOT permissible in respect of changes that occur in regard to those matters during the period of insurance merely because of the lapse of time.

Midterm change due to age is permissible, provided a request is received by the Agent/Broker (or Servicing

Carrier if received directly from the Insured) within 30 days of the birthday. If the request is received after 30 days, then the change will be effective at 12:01a.m. the date the Agent/Broker (or Servicing Carrier if received directly from the Insured) receives the request and back dating will not be permissible.

Rates to be used

Addition of a vehicle:

Rates in effect at the effective date of the transaction.

Addition of a coverage or other midterm transactions:

Rates in effect at the start of the policy period.

Method of premium calculation:

Premiums for midterm policy changes are calculated (pro rata) by using the Day Table.

Minimum premiums for midterm changes:

A minimum additional premium of \$5 shall be charged for any transaction that includes one or more of the following, regardless of the period of insurance:

- addition of a vehicle or a coverage
- increase of a Liability limit
- decrease of a deductible

Note 1: Any additional premium of **less** than \$5 may be waived by the Servicing Carrier unless mentioned above. Return premiums may not be waived.

Note 2: When a vehicle, not newly acquired, is substituted for another on the policy or added to the policy for less than 7 days, there will be a \$50 charge for each such transaction in excess of 2 in a 30 day period or more than 12 in a 12 month period.

Rule 316: Renewals

A. Before issuing a Renewal:

If the renewal involves a vehicle for which proof of insurance has been filed or is required, see Rule 324: Proof of Insurance.

Public vehicles may require the Agent/Broker to determine whether the information on record and/or coverages need revision or updating.

A driver record abstract must be obtained for those risks where eligibility or rating is dependent upon driving history. These must be ordered on all drivers prior to every second renewal (for six month policies every fourth renewal).

Renewals shall only be offered on policies for annual or six month terms.

NOTE: Any risk where abusive or threatening behaviour of the Insured/Applicant/Driver within the previous 3 years has created a safety concern for Facility Association staff,

Servicing Carrier staff or a representative acting on behalf of either and circumstances have been reported to police shall be non-renewed.

B. Accidents Occurring Between Renewal Process Date & Effective Date

Once a renewal or offer to renew has been processed, and the Servicing Carrier receives notice of an at fault loss that occurred prior to the renewal's effective date, the Servicing Carrier shall amend the renewal rating accordingly.

C. Renewal Processing

1. Other than Direct Billing Servicing Carrier Responsibilities

The renewal documents shall be issued by the Servicing Carrier and must reach the Agent's/Broker's address no later than 30 days prior to the policy's current expiry date.

Agent/Broker Responsibilities

Before releasing any renewal documents the Agent/Broker must collect or assume responsibility for the full renewal premium. In the case of experience (fleet) rated risks, where renewals may be late due to missing information, the Agent/Broker is responsible for the premium calculated at Driving Record 0. For other than experience rated risks, if the Servicing Carrier is unable to issue renewals in the required time period, the Agent/Broker must issue a temporary liability card to the Insured and collect a downpayment based on the estimated annual premium for the upcoming renewal term.

or

Obtain a fully completed premium finance contract together with the full downpayment required and promptly send that contract to the premium finance company.

Renewal not accepted

If the renewal is not accepted by the Insured, the Agent/Broker must submit one of the following acceptable evidence of renewal refusal to the Servicing Carrier:

- a) Return all the renewal documents (including liability cards) to the Servicing Carrier;
OR
- b) Written confirmation that the renewal has been returned complete with liability cards to the Agent/Broker AND that the documents were destroyed in the Agent/Broker's office;
OR
- c) Provide a signed (i.e. written, electronic or auto signature) request from the Insured to cancel the policy effective the renewal date.

If the evidence of renewal refusal is received by the Servicing Carrier within 15 days of the renewal's effective date, a full refund shall be credited to the Agent's/Broker's Facility Association account. If evidence of renewal refusal is not received within 15 days, the renewal shall be cancelled on a pro rata basis effective the date it is received by the Servicing Carrier. The Agent/Broker shall

be responsible for earned premium or minimum retained premium whichever is greater.

Renewals where acceptable evidence of refusal has been submitted to the Servicing Carrier for cancellation may not be reissued unless the Servicing Carrier receives instructions no later than the renewal's effective date and the Agent/Broker collects or assumes responsibility for the full premium as outlined above.

If the renewal date has passed and the insurance is again required, there must be a new application and a new policy issued.

2. Direct Billing Renewals

Servicing Carrier Responsibilities

- a) For each policy an offer to renew shall be issued by the Servicing Carrier. The offer to renew must reach the Insured's last known address no later than 30 days prior to the policy's current expiry date.
- b) The payment due date must be clearly indicated on the offer to renew and must be the same as the policy's current expiry date.
- c) If the required premium is received by the Servicing Carrier no later than 15 days after the payment due date, the Servicing Carrier shall promptly issue the appropriate renewal documents to the Insured.
- d) The renewal documents must not be released by the Servicing Carrier until the full premium is received or the required first payment is received on time by the Servicing Carrier (by first payment due date if a deferred premium payment plan is available). If this rule is followed, neither the Carrier nor the Agent/Broker incurs any responsibility for the premium. If the Servicing Carrier follows any other unauthorized procedure, the Servicing Carrier will be responsible for the earned premium for the time on risk calculated on a pro rata basis and will be required to stop offering a Direct Bill option.

Payment Not Received

If the required payment is not received by the Servicing Carrier within 15 days of the payment due date, the policy shall be treated as though it has expired and the Servicing Carrier shall advise the Agent/Broker accordingly within the following 10 days.

Rule 317: Cancellations

A. Midterm Cancellation - Effective Date

1. Received by Agent/Broker or Servicing Carrier within 30 days

If the request for midterm cancellation is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) within 30 days of the date the cancellation is to be effected, and no effective time is requested, the cancellation shall take effect at 12:01 a.m. on the date it was requested to be effective. In the event that the cancellation was specifically requested to be effective at a time other than 12:01 a.m., the cancellation shall be effected at 12:01 a.m. the following day.

For example: The Insured requests cancellation of the policy to be effective August 5. The cancellation request is received by the Agent/Broker on August 20. The Servicing Carrier shall cancel the policy effective 12:01 a.m. August 5. If the Insured requested cancellation to be effective at 3:40 p.m. on August 5, the Servicing Carrier shall cancel the policy effective 12:01 a.m. on August 6.

NOTE: For flat cancellations of renewals, refer to Rule 317:E.4.

2. Received by Agent/Broker or Servicing Carrier after 30 days

If the request for cancellation is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) more than 30 days after the date the cancellation was requested to be effected, the cancellation shall take effect at 12:01 a.m. on the date that the cancellation request is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured).

For example: The Insured requests cancellation of the policy to be effective September 5. The cancellation request is received by the Agent/Broker on October 10. The Servicing Carrier shall cancel the policy effective 12:01 a.m. October 10.

3. Received by Servicing Carrier after 30 days and vehicle sold

In the event that the vehicle has been sold, and a copy of the bill of sale satisfactory to the Servicing Carrier is produced, the policy shall be cancelled the day after the vehicle is sold regardless of what that date might be.

For example:

The vehicle was sold June 5. The Servicing Carrier does not receive the request to cancel until September 5. If the Insured can produce a satisfactory bill of sale, the Servicing Carrier will cancel the policy effective 12:01 a.m. June 6.

4. In the event of a total loss

In the event that a vehicle has been written off in a claim, cancellation shall be effected:

- a) The day after the salvage is signed over to the Insurer,
- or
- b) The date the policy is no longer providing coverage on a rental vehicle under the temporary substitute auto provision, if that date is later than the date salvage was signed over.

5. Coverage placed in Voluntary Market

In the event the Insured has placed coverage through the voluntary market, upon receipt of a copy of the replacing policy application, or temporary liability card, the Servicing Carrier shall cancel the policy effective the date that the replacement coverage took effect.

Servicing Carriers shall proceed with cancellation as outlined in points 1 or 2 unless the Servicing Carrier is aware or is made aware, that the circumstances outlined in points 3, 4 or 5 exist.

B. Policies with Lessors or Lienholders

If the policy is being cancelled at the Insured's request, a release of interest must be obtained from the lessor or the lienholder. In the event the Servicing Carrier does not receive a release of interest from the lessor, a notice is to be sent to the lessor by registered mail to advise that the policy is being cancelled and the effective date of cancellation. If no release is received from the lienholder, a notice is to be sent to the lienholder (registered mail is not required) to advise that the policy is being cancelled and the effective date of cancellation.

If the policy is being cancelled at the Agent's/Broker's request or Servicing Carrier's initiative by registered letter, a copy of the registered letter must be sent to the lessor or lienholder by registered mail.

C. Where Proof of Insurance Has Been Filed

If proof of insurance has been filed, the notice period required by the authority must expire before cancellation can be effected, and therefore the Servicing Carrier shall cancel the policy effective the date the notice period expires. See Rule 324: Proof of Insurance.

D. Policy is Financed Through a Premium Finance Company

If a return premium is payable on a policy financed with a premium finance company, the gross refund is to be sent directly to the premium finance company **regardless of the reason** for cancellation. The Agent's/Broker's account shall be debited with the amount of the premium refund sent to the premium finance company.

E. Cancellation – Procedures

1. Cancellation at the request of the Insured or the Premium Finance Company – Broker Bill & Direct Bill

Cancellation requested by the Insured or the premium finance company under power of attorney must be made in writing in a format suitable to the Servicing Carrier.

Facility Association shall accept faxed signed and dated cancellation requests.

The return premium shall be calculated as follows:

For public vehicles being placed in the voluntary market, calculate on a pro rata basis using the Day Table subject to any applicable minimum retained premium
For public vehicles not being placed in the voluntary market, use Short Term Table 1 or 2 subject to any applicable minimum retained premium.

If the policy is on Broker Bill, the Servicing Carrier shall credit the Agent's/Broker's account with the unearned premium refundable unless the premium is financed through a premium finance company.

2. Cancellation at the request of the Agent/Broker – Broker Bill

When additional premium cannot be collected on original quote

If the Agent/Broker cannot collect the additional premium arising from an increase to the premium originally quoted for new business:

- a) The Agent/Broker must advise the Servicing Carrier of the amount of premium collected and request that a notice of cancellation be issued to the Insured,
- or
- b) The Agent/Broker must have the policy signed off. Facility Association shall accept faxed signed cancellation requests.

If the Agent/Broker reports non-payment of the additional premium within 30 days of receiving notice of those increases, the earned premium for cancellation shall be calculated pro rata on the Agent's/Broker's originally quoted premium. Otherwise, the earned premium shall be calculated pro rata on the revised premium. If a subsequent application is submitted by the same Agent/Broker to the same Servicing Carrier for substantially the same risk within 30 days of the effective date of cancellation of the first policy and, the Agent/Broker reports non-payment of additional premium, the earned premium shall be calculated pro rata on the revised premium.

Note: For policies for which premium is paid directly to the Servicing Carrier and the Carrier initiates cancellation the words 'Agent/Broker' will be read to mean Servicing Carrier.

When outstanding premium cannot be collected in all other cases

Agent/Broker Responsibilities

If cancellation of a policy is requested by the Agent/Broker due to inability to collect the full policy/renewal premium or a subsequent additional premium, the Agent/Broker will be responsible for the time on risk charge which will be pro rata of the full premium.

The Agent/Broker must advise the Servicing Carrier of the amount of premium collected and request that a notice of cancellation be issued to the Insured.

Servicing Carrier Responsibilities

The Servicing Carrier shall promptly issue a registered notice of cancellation in accordance with the Statutory Conditions. The earned premium for cancellation shall be calculated pro rata on the full term premium at the time of cancellation.

When the Servicing Carrier issues a registered letter of cancellation, any unearned premium shall be refunded directly to the Insured (unless the policy is financed through a premium finance company) and the Agent's/Broker's account shall be debited for the amount of the refund and credited for the unearned premium.

3. Cancellation of Late Issued Renewals

If the Servicing Carrier is unable to issue renewals in the required time period, the Agent/Broker must issue a temporary liability card to the Insured and collect a downpayment based on the estimated annual premium (or the estimated semi-annual premium for 6 month policies) for the upcoming renewal term.

Once the renewal is issued, if the Insured does not accept the renewal premium, the Agent/Broker shall advise the Servicing Carrier of the amount of premium collected and request that notice of cancellation be issued to the Insured **or** shall have the Insured sign off the policy.

The Servicing Carrier shall then issue a registered letter of cancellation in accordance with the Statutory Conditions or issue the necessary cancellation documents. The earned premium shall be calculated pro rata based on the previous term premium.

4. Flat Cancellation

New Policy

Flat cancellation of a new policy is not allowed except as provided under Rule 317:E. Flat Cancellation Exceptions.

Additional Premium Policy Change

Flat cancellation of an additional premium policy change is not allowed.

Renewal

If evidence of renewal refusal is supplied by the Agent/Broker (per Rule 316) is received by the Servicing Carrier within 15 days of the renewal's effective date, a full refund shall be credited to the Agent's/Broker's Facility Association account. If evidence of renewal refusal is not received within 15 days, the renewal shall be cancelled on a pro rata basis effective the date it is received by the Servicing Carrier and the Agent/Broker shall be responsible for earned premium. A written request acceptable to the Servicing Carrier, for cancellation effective renewal date shall be accepted in lieu of evidence of renewal refusal.

5. Cancellation of Renewals in Outlying Areas

- No longer applicable

6. Flat Cancellation Exceptions

1. Any policy returned to the Servicing Carrier complete with liability cards, prior to the effective date of the policy, may be cancelled flat.
2. Any policy returned to the Agent/Broker complete with liability cards and destroyed in the Agent/Broker's office, with written confirmation from the Agent/Broker provided to the Servicing Carrier, prior to the effective date of the policy, may be cancelled flat.
3. If a cheque received for a new policy or renewal premium **or**, for the first installment thereof is not honoured by the financial institution, flat cancellation shall be allowed to the Agent/Broker provided that:

a) The cheque was dated and issued on or before the effective date of the policy period concerned or the electronic payment was made on or before the effective date of the policy period concerned; and

b) The cheque was immediately deposited; and

c) In the case of a first installment, the amount of the cheque or electronic payment was sufficient to meet the Servicing Carrier's requirement or if financed under a contract with a premium finance company the full down payment required under the terms of the contract; and

d) The return of the cheque by the financial institution or dishonour of the electronic payment is promptly reported to the Servicing Carrier. A copy of the cheque (front and back) or copy of the dishonour notice must be provided to the Servicing Carrier.

However, on the registered letter of cancellation to the Insured, the Servicing Carrier shall request payment of the full pro rata time on risk charge.

7. Cancellation initiated by the Servicing Carrier Non-Payment – Direct Bill

If premiums are paid directly to the Servicing Carrier, the Servicing Carrier may cancel an insurance policy for non-payment of premium. The earned premium shall be calculated pro rata.

Other Circumstances

The Servicing Carrier may not otherwise cancel an insurance policy unless approval of such action is contained elsewhere in this manual or is obtained in the

manner prescribed by the Association's Board of Directors.

F. Refund Calculation**1. Insured's Request**

For a policy cancellation requested by or on behalf of the Insured (e.g. requested by a premium finance company) the premium refund shall be calculated in accordance with the Short Term Tables, unless a pro rata cancellation is being allowed because the risk is being placed in the voluntary market.

2. Any Other Reason

Where the policy is being cancelled for any other reason (e.g. by registered letter) the premium refund shall be calculated on a pro rata basis using the Day Table.

Rule 318: Time on Risk Tables**A. Pro Rata****Calculation for Endorsements & Cancellations**

Using the Day Table on the next page:

1. Determine the factor that corresponds to the policy's expiry month and day. For example March 26 is .233. Express the policy's expiry date in a decimal format by combining the year and the factor. March 26, 1999 would become 1999.233.
2. Determine the factor that corresponds to the effective date of the policy change or cancellation and express that date in a decimal format. If the effective date of policy change is November 20, 1998 that would be expressed as 1998.888. Note that if the effective date of change or cancellation is February 29, it should be treated as February 28.
3. Subtract the second number from the first.
Policy expiry date 1999.233
Policy change date 1998.888
Refund/change factor .345
4. Where the policy is a six month policy, double the refund/change factor.
5. For a policy cancellation, the refund is calculated by multiplying the policy premium as of the cancellation date by the refund/change factor. The policy premium is the full term premium for the coverage in force at the time of cancellation. Minimum retained premium must be taken into consideration.
6. For a policy change, the additional/return premium is obtained by multiplying the full term premium for the change by the refund/change factor.

B. Pro Rata Table

C. Short Term Tables**Public Vehicles**

For a policy cancellation, use Short Term Table No. 1 or No. 2. For a short term policy, use Short Term Table No. 1.

Cancellation requested by or on behalf of Insured

- Referring to the Day Table, calculate the number of days the policy has been in force.
- Referring to Table No. 1 (in the case of an annual policy) or Table No. 2 (in the case of a six month policy), determine the 'percentage of premium'.

- Subtract that percentage from 100% to determine the 'refund percentage'.
- Apply the refund percentage to the full term policy premium as at the cancellation date. Minimum retained premium must be taken into consideration.

Calculating premium for a Short Term policy:

- Referring to the Day Table, calculate the number of days the policy has been in force.
- Referring to Table No. 1, determine the 'percentage of premium'.
- Apply that percentage to the annual premium. Minimum retained premium must be taken into consideration.

SHORT TERM TABLE NO. 1				SHORT TERM TABLE NO. 2

Rule 319: Reinstatements

A. A policy may only be reinstated if:

- a) The Servicing Carrier receives instructions not later than **the day before** the cancellation takes effect. This includes instructions from a premium finance company. Where the Agent/Broker has not forwarded payments to a premium finance company, the policy cannot be reinstated. Cancellation takes effect at 12:01 a.m. *For example:* If the policy is to be cancelled effective July 1, the request for reinstatement must be received by the Servicing Carrier before midnight June 30. If the cancellation has taken effect, the policy cannot be reinstated and a new application must be completed. Any unpaid earned premium under the policy due to the Servicing Carrier must be paid with the new application.
- b) The policy was cancelled for non-payment, and the full required premium is received (by cash, money order or certified cheque from the Insured) or there is written confirmation from the Agent/Broker assuming full responsibility for that premium. Where a refund cheque accompanied the registered letter, the amount of the refund cheque must also be obtained from the Insured (by cash, money order or certified cheque) or the Agent/Broker shall assume full responsibility for that amount.

B. When a policy is reinstated

When a policy is reinstated, the Servicing Carrier shall issue a notice of reinstatement. If necessary, the Agent/Broker or Servicing Carrier shall issue a temporary or permanent liability card. If proof of insurance was cancelled, the necessary proof of insurance shall be reissued.

Rule 320: Commission Schedule

The commission rates are:

Public Vehicles	Experience Rated	Individually Rated
Public Bus Class 70, 73, 74, 78	6%	6%
School Bus Class 71	7.5%	10%
Hotel & Country Club Bus Class 72	7.5%	10%
Private Bus Class 7M	7.5%	10%
Taxi, Class 7A	6%	6%
Limousine Class 7B	6%	6%
Ride Hailing Class 7C	6%	6%
Van Pool Class 7M	7.5%	10%

Ambulance Class 76	7.5%	10%
Funeral Vehicles Class 75	7.5%	10%
Short Term Rental Class 7M	7.5%	10%
Ride Sharing Class 7N	7.5%	10%

Rule 321: Not applicable

Rule 322: Definition of Accident

A. What Is A Chargeable Accident

A chargeable (at fault) accident is an occurrence resulting in damage to persons or property arising out of the ownership, use or operation of a vehicle, in consequence of which:

1. An amount has been paid or would have been paid but for the existence of provincial Direct Compensation laws or agreements,
or
2. A loss remains unsettled or unpaid,
or
3. A civil suit is pending **in respect of** Liability, Collision or the Collision portion of All Perils coverage

A chargeable accident is always taken into account in rating even if there was no insurance in effect or the loss was repaid to the Insurer by or on behalf of the Insured or if the Insured chose not to present the claim.

B. What Is Not A Chargeable Accident

An occurrence shall not be regarded as a chargeable accident if:

1. The Insured's degree of fault is determined as zero under the relevant provincial fault determination laws or agreements or dispute resolution mechanism.
2. Damage to the Applicant's vehicle
 - a) resulted from the vehicle being struck by an unidentified vehicle and is reported to the police within 24 hours;
 - b) occurred while the vehicle was legally parked and is reported to police within 24 hours;
 - c) resulted from collision with a wild or domestic animal;
 - d) is legally recoverable from the owner or driver of an uninsured or unidentified automobile.

Note: The words 'loss(es)' and 'claim(s)' where used in this manual are considered to have the same meaning as the word 'accident'.

The words 'at fault' and 'chargeable' where used in this manual are considered to have the same meaning.

C. How To Allocate Chargeable Accidents

No accident shall be used more than once in determining the premium for vehicles insured through FA with the same Servicing Carrier whether or not on the same policy.

A chargeable accident will affect the rating of the Liability and Collision coverages.

If the driver involved in the accident is removed from the policy, the accident shall be assigned to the vehicle on which it occurred.

At new business, where there are multiple vehicles and multiple drivers insured on a policy, any claims shall be assigned to the vehicle involved in the claim or one for which it has been substituted. At renewal, any at fault accidents which occurred during the policy term shall be assigned to the vehicle on which they occurred.

For example: A new application is received. Applicant is principal operator of Vehicle 1 and has had 2 losses on Vehicle 1 and 1 loss on Vehicle 2. Employee is principal operator of Vehicle 2 and has had 1 loss on Vehicle 1 and 1 loss on Vehicle 2. For purposes of allocating accidents, the 3 accidents the Applicant has had will be allocated to Vehicle 1 and the 2 accidents the employee has had will be allocated to Vehicle 2.

The term 'vehicle' includes 'one for which it has been substituted'.

The following table illustrates how chargeable accidents are to be applied in the rating of other types of vehicles if they cannot be assigned to the vehicle actually involved.

Type of vehicle involved in the accident	Type of vehicle to which the accident can be applied
Private Passenger	Private Passenger, Motor Home, Light Commercial, Taxi or Garage
Light Commercial	Commercial, Private Passenger, Motor Home or Garage
Commercial	Commercial or Garage
Public (excluding Taxi)	Public (excluding Taxi)
Taxi	Taxi or Private Passenger
Motor Home	Motor Home, Private Passenger or Light Commercial
Motorcycle	Motorcycle
Garage	Garage
All Terrain or Snow Vehicle	All Terrain or Snow Vehicle

Note: 'Type of vehicle' means the section of the manual in which the vehicle was or would have been rated.

For example: Insured owns a private passenger vehicle with which the Insured had an at fault accident. The

Insured is now going to begin using the vehicle as a taxi. The accident that occurred while the vehicle was rated for personal use will continue to be applied when the Insured begins driving the vehicle as a taxi.

Where an at fault accident is being charged against a vehicle showing on the policy and that vehicle is deleted from the policy or mandatory coverage on that vehicle is removed or suspended, the at fault accident shall be re-assigned on the following basis:

- to a remaining vehicle with active mandatory coverage i.e. not deleted or suspended
- to the vehicle that produces the highest premium where there is more than one remaining vehicle effective the date coverage on the original vehicle was deleted or suspended

Rule 323: Accident and Conviction Surcharges

These surcharges are applicable to Liability (including Passenger Liability) and Collision. These surcharges are not to be applied to coverages which are experience (fleet) rated.

A. Accidents

Accident surcharges are assessed in accordance with the surcharge schedule for chargeable accidents that occurred during the 36 months immediately preceding the effective date of the commencement of the insurance.

1. At New Business

No accident shall be used more than once in determining the surcharges for vehicles insured through FA by the same Servicing Carrier, whether or not on the same policy.

Accidents arising from the ownership of any vehicle other than the described vehicle are not to be considered.

For example: The Insured owns a tour bus business in which three buses are driven by employees. Two of the buses are insured in the voluntary market, the other is insured through FA. There have been two accidents on each of the vehicles in the voluntary market. There have been three accidents on the vehicle insured through FA. The accidents that occurred on the vehicles insured in the voluntary market are not used to calculate the accident surcharge on the bus insured through FA.

Where the term 'described vehicle' is used, it includes a vehicle substituted for it.

There is no requirement that drivers be accident free on other vehicles; the rating is determined from the vehicle history not the driver's history.

(a) One vehicle on the policy

Consider accidents that involved the described vehicle or a vehicle substituted for it.

For example: Applicant has had 1 at fault accident on the described vehicle and 1 accident on a neighbour's car. Employee had 1 at fault accident on own vehicle insured elsewhere but has now sold that vehicle. Only the accident on the described vehicle shall be considered.

(b) One driver and two or more vehicles

Accidents that involve one of the described vehicles shall be assigned to that vehicle.

For example: There are two buses on the policy; Applicant is the only operator. There has been one accident on Bus 1 and one accident on Bus 2. Applicant also had two accidents on a pleasure vehicle insured elsewhere. The claims on the buses are rated on the buses on which they occurred. The two accidents on the vehicle insured elsewhere are not considered.

(c) Two or more drivers and two or more vehicles

Each driver is to be assigned as principal operator on the vehicle he/she most frequently drives. Accidents that involve one of the described vehicles shall be assigned to that vehicle.

For example: There are two taxis on the policy and two operators. Applicant is principal operator of Taxi 1 and has had one accident on Taxi 1 and one accident on his personal vehicle insured elsewhere. Employee is principal operator of Taxi 2 on which there have been two accidents. On Taxi 1 count only the accident that occurred on the described vehicle. The accident on the personal vehicle insured elsewhere is not to be considered. On Taxi 2 count both accidents as they occurred on the described vehicle.

2. At Renewal (for surcharge only)

At the time of renewal, the accident record shall be updated. Any accidents that occurred more than 36 months prior to renewal date shall be excluded and all accidents that occurred during the expiring term that involved the following shall be added:

- a) The described vehicle (regardless of driver).
- b) Other vehicles but were the subject of claims under this policy.

B. Convictions

Conviction surcharges shall be assessed for traffic offences (as hereinafter described) for which the Insured was convicted in the 36 months immediately preceding the commencement of the period of insurance.

1. How to apply conviction surcharges

No conviction record shall be used more than once to determine conviction surcharges for vehicles insured through FA by the same Servicing Carrier, whether or not insured on the same policy.

If convictions for impaired driving and failure or refusal to take a breath or blood test relate to the same occurrence, they shall be considered as one conviction.

(a) One vehicle and more than one driver

The conviction record of all persons who are listed drivers of the vehicle shall be reviewed to establish which conviction record has the greatest impact on the driving record (including developing the highest surcharge percentage in accordance with the surcharge schedule for convictions). That conviction record shall be used in calculating the maximum driving record and the conviction surcharge.

(b) More than one vehicle and more than one driver

Each driver shall be allocated to the vehicle he/she drives most and that driver's conviction record shall be considered in relation only to that vehicle.

(c) One driver and more than one vehicle

The driver's conviction record shall be applied to the vehicle that produces the highest premium prior to the application of any accident or conviction surcharges.

C. Accident/Conviction Surcharge Table

Events in the preceding 36 months	Surcharge
Chargeable Accidents:	
2	20%
3	30%
Each additional	15%
Major Convictions	
1	25%
Each additional	25%
Minor Convictions	
2	5%
3	15%
4	25%
Each additional	15%
Serious Convictions	
1	100%
Each additional	100%
Maximum surcharge for accidents and all convictions	250%

D. Conviction Definitions**a. Major**

Convictions for any of the following offences under any Act governing highway traffic or for any offence substantially the same whether committed within or outside Canada:

- Fail to report damage to highway property
- Failing to report an accident

- Failing, in the event of an accident, to give name and licence number to the police or any other person entitled to such information
- Fail to obey school crossing stop sign
- Improper passing of a school bus
- Improper passing in a school or playground zone
- Improper speeding in a school or playground zone
- Using a hand held wireless communication/entertainment device
- Graduated Licence (where applicable):
 - Permit novice driver in contravention of cond/rest
 - Accompanying driver has excess blood alcohol
 - Driver unaccompanied by a qualified driver
 - Drive with front seat passenger
 - Drive with excess passengers
 - Drive on prohibited highway
 - Drive at unlawful hour
 - Drive motorcycle with passenger
 - Drive motorcycle on prohibited highway

b. Minor

The list of Minor convictions is not all inclusive and other moving violations, including new offences under an Act governing highway traffic, may be considered Minor, whether committed within or outside Canada, if not specifically named in the Major or Serious list, including but not limited to:

- Fail to notify police
- Fail to make written report
- Backing up/unsafe/illegal/improper: any type
- Brakes/none/inadequate/improper: any type
- Crowding driver's seat
- Door opening/illegal/obstructing traffic: any type
- Emergency vehicle/operating with no regard for safety
- Driving off roadway (including shoulder/sidewalk/median): any type
- Flagman/disobeying
- Following too closely (including tailgating)
- Headlights/parking lights/improper/lack of use: any type
- Lack of control of vehicle: any type
- Motor-assisted bicycle carrying passengers
- Motorcycle/operating with only an instruction permit
- Motorcycle/failure to wear helmet
- Passing infraction: any type except school bus or school/playground zone
- Pedestrian crossing violation: any type
- Radar warning device in motor vehicle: if illegal in province
- Railway crossing: any type
- Safety zone violation: any type
- Seatbelt: any offence
- Signalling offences: any type
- Slow driving/endangering other: any type
- Smokescreen device on vehicle
- Speeding: any type, except when listed as major or serious
- Squealing tires
- Stopping/illegal/improper: any type

- Tires/defective/worn: any type
- Towing/prohibited/unsafe: any type
- Traffic signals/regulating lights: any type
- Traffic signs/disobeying any legal sign except parking regulations
- Trailer: improper attachments/improper towing
- Turns/illegal/improper: any type
- Unlicensed driver: any type including improper licence class
- Unsafe move
- Unsafe vehicle: any type
- Wrong side of road/wrong way: any type
- Yield, failing to: any type

Note: This is a generic list and will not, in all cases, match the exact wording printed on the Driver Record Abstract.

c. Serious

Convictions for any of the following offences under the Criminal Code of Canada. When a conviction shown below is not recorded on the Driver Record Abstracts as a Criminal Code conviction but is shown under any Act governing highway traffic or any other Act within or outside Canada:

- Criminal negligence committed in the operation or use of a motor vehicle
- Manslaughter committed in the operation or use of a motor vehicle
- Driving while licence under suspension
- Dangerous driving
- Exceeding the speed limit by 50 km/h or more
- Impaired driving
- Failure or refusal to submit to a breath or blood test
- Failure to pass a breath or blood test
- Failure to stop/remain at the scene of an accident
- Driving without insurance
- Racing
- Careless driving
- Driving without due care and attention
- Stunting
- Failure to stop on request of or obey directions of a police officer
- Failure to have alcohol ignition interlock device installed and functioning when it is a requirement for driver's licence reinstatement
- Driver in the alcohol ignition interlock device programme operating a vehicle not so equipped
- Learner/Level One driver fail/refuse breath sample
- Learner/Level One driver with alcohol in blood.

Note: If convictions for impaired driving and failure or refusal to take a breath or blood test relate to the same occurrence, they will be considered as one conviction.

Rule 324: Proof of Insurance Where Notice of Cancellation or Deletion is Required

1. The Agent/Broker is authorized to issue proof of insurance on behalf of the Servicing Carrier in the form of the Servicing Carrier's standard certificate or a CSIO-approved Certificate of Insurance, with a notice of cancellation period not exceeding 15 days.
 - a) If a notice of cancellation period exceeding 15 days is required, the Agent/Broker is to obtain approval from the Servicing Carrier prior to certificate issuance.
 - b) Certificates must be issued only on a Described Automobiles basis. Should proof be required on a Blanket Basis, refer to Item #4 below.
 - c) Copies of all certificates issued by the Agent/Broker shall be submitted to the Servicing Carrier within one (1) business day for acceptance and documentation.
 - d) The Servicing Carrier is ultimately responsible for ensuring that all proof of insurance issued by the Agent/Broker is acceptable and reflects the limits of the policy. The Servicing Carrier will promptly reissue any certificate originally issued by the Agent/Broker, where indicated coverage differs from the policy or where the notice of cancellation period was not previously approved by Underwriting.
2. The Servicing Carrier is responsible for the completion of any non-standard certificates (i.e. certificates that are to be completed on a non-CSIO approved form), Out of Province, U.S. or Other filings.
 - a) The Agent/Broker must specify to the Servicing Carrier if proof of insurance (e.g. a financial responsibility certificate) must be issued or filed with a Local, Provincial, Federal or U.S. authority.
 - b) There vehicles are operated in the U.S., Agents/Brokers must confirm with Insured's if proof of insurance is to be filed and, if so, in what amount.
3. If proof of insurance is issued by the Servicing Carrier, a copy must be supplied to the Agent/Broker for their records.
4. Proof of Insurance must only be issued on a 'Described Automobile' basis. Proof may not be issued or filed on a 'Blanket Basis' (i.e. without

specifying the insured vehicles), only if the authority concerned permits no alternative. In that case, the Facility Association's form of 'Indemnification and Hold Harmless Agreement' must be fully completed and include the signatures of the Applicant and a witness. The completed form is to be kept on file with to the Servicing Carrier.

5. Parties requiring proof cannot be added as additional named Insureds on the policy. The certificate showing proof of insurance guarantees to the Party that the vehicle is insured. This is the full extent of the guarantee.
6. Should the Servicing Carrier have any concern with the coverages or limits being guaranteed when asked to use a certificate prescribed by the organization or authority with whom the certificate is being filed, the Servicing Carrier should contact Facility Association Head Office.

A. Financial Responsibility Certificate

A temporary liability card may be issued for an Applicant who requires the filing of a financial responsibility certificate before he/she may be licensed to drive, provided a fully completed and signed application is submitted for the Applicant at the time the temporary liability card is issued. Details of the licence subsequently obtained must be reported promptly to the Servicing Carrier.

B. Renewal or Offer to Renew

If a renewal or offer to renew is issued where proof of insurance has been issued or filed and the renewal is not required, the Servicing Carrier must be notified in sufficient time to file a notice of cancellation in accordance with the applicable authority's requirements. Otherwise the Agent/Broker/Insured shall be responsible for time on risk charges.

C. Policy Cancellation or Vehicle Deletion

1. Registered Letter

Where proof of insurance has been issued or filed and the policy is to be cancelled, the cancellation of coverages to which the proof of insurance relates shall be processed in accordance with the Statutory Conditions.

The notice of cancellation for the authority concerned must be issued on the same day as the notice of cancellation to the Insured. However, as a result of the authority's requirements the effective date of cancellation may be different.

For example: The registered letter of cancellation for the policy is issued on June 1 for both the Insured and the provincial authority. For the Insured, cancellation shall take effect 15 days from the date the registered letter is received at the post office to which it was addressed. Let's say June 19. The provincial authority requires 30 days notice of cancellation. The effective date of cancellation

for the authority shall be June 30. If the Insured had a Comprehensive loss on June 25, the policy would not respond. If however, the Insured had a Liability loss on June 25, the policy may have to respond as the proof of insurance provides that Liability coverage is in effect until cancelled on June 30.

2. Insured's Request

Where proof of insurance has been issued or filed, and the vehicle is to be deleted from the policy or the policy is to be cancelled, the cancellation of coverages to which the proof of insurance relates shall be processed after taking into consideration the period of notice required by the authority.

The effective date of cancellation or deletion shall be the same for both the Insured and the authority concerned.

For example: The Insured requests cancellation of the policy to be effective June 1. The provincial authority requires 30 days notice of cancellation. The notice to the provincial authority is sent on June 5. The effective date of cancellation for the Insured will be July 5.

D. Filing Liability Limits

The filing should always be made for the limit required by law even if the policy actually shows a higher limit.

Where a vehicle requires filings in multiple jurisdictions, the filing should be made showing only the limits required in that jurisdiction. The policy should be written with the lowest limits necessary to meet all requirements.

For example: In one jurisdiction a filing for a vehicle requires a split limit of \$1,000,000 road hazard and \$1,000,000 passenger hazard. A filing for a \$5,000,000 combined limit is also required in another jurisdiction for the same vehicle. The policy must be issued with a \$5,000,000 inclusive limit. One filing should be made showing the split limits of \$1,000,000 and \$1,000,000. The other filing should be made showing the \$5,000,000 limit.

Where a filing is to be made for a leased vehicle, the filing should be made in the name of the lessee only.

E. Processing Fees for Filings

Please contact your Servicing Carrier for a schedule of fees which will be charged on a 100% cost recovery basis.

Any charge required by the authority concerned shall be in addition to, and separate from, the processing fees.

Rule 325: Outside Territory Exposure

Outside Territory Exposure Surcharge

Any vehicle that is operated in another Canadian jurisdiction or the U.S. is subject to a surcharge. This surcharge shall apply to all classes of vehicles where proof of insurance is required or where the vehicles are used for business, commercial purposes or are carrying passengers.

The surcharge does not apply where the vehicle is used for personal use only and proof of insurance is not required.

The Insured must advise the Agent/Broker the percentage of the total mileage that the vehicle will be used outside Province/Territory including the U.S. and the jurisdiction(s) into which the vehicle is and will be driven. Refer to Rule 330.

NOTE: Where vehicles are operated in the U.S., Agents/Brokers must ask Insureds whether or not proof of insurance must be filed and, if so, in what amount.

Liability, Accident Benefits

If the exposure is 5.0% or less of total mileage in the U.S. or applicable Canadian jurisdiction, a 5% surcharge will apply to Liability and Accident Benefits.

If this exposure is over 5% of total mileage in the U.S. or applicable Canadian jurisdiction, surcharge 1% of the applicable premium.

For example:

Outside Territory Exposure	Applicable Surcharge
Up to 5%	5%
10%	10%
25%	25%
50%	50%

Optional Physical Damage

For each percentage point of total mileage in the U.S., or applicable Canadian jurisdiction, surcharge .50% of the applicable premium.

For example:

Outside Territory Exposure	Applicable Surcharge
6%	3%
10%	5%
25%	12.5%
50%	25%

Rule 326: Claims

Every accident, loss or claim that comes to the knowledge of the Agent/Broker in regard to his/her Facility Association policies must immediately be reported in the manner prescribed by the Servicing Carrier.

Collision with Animals

Losses involving Collision with animals, both wild and domestic, shall be paid under Comprehensive coverage. If the policy does not afford Comprehensive coverage but does provide Collision coverage, the loss shall be paid under Collision coverage and be regarded as not at fault.

Rule 327: Suspension and Reinstatement of Coverages – END16/17

Liability, DCPD (*not available in Northwest Territories, Nunavut and Yukon*) Accident Benefits, Uninsured Automobile (*not available in Alberta, Northwest Territories, Nunavut and Yukon*) and Collision as they relate to the use and operation of the described vehicles, new vehicles or temporary substitute vehicles may be suspended by means of END 16.

This endorsement leaves in place Comprehensive or Specified Perils coverage if present on the policy as well as the coverages mentioned above as they relate to the **ownership** of the vehicle. This means that END 16 does not suspend coverages related to 'drive other vehicles'; while a pedestrian; or while the vehicle is in storage.

This endorsement is available on private passenger and commercial vehicles. Coverage is reinstated by means of END 17.

No refund is allowed in respect of Comprehensive and Specified Perils.

If Liability, DCPD (*not available in Northwest Territories, Nunavut and Yukon*) and Accident Benefits coverages are removed or suspended twice in one year, then removal of those coverages a third time will not be permitted until the following renewal. It is not necessary to remove the licence plate from the vehicle while coverage is removed or suspended.

END 16/17 is not available for the following:

1. Vehicles for which proof of insurance is issued or filed.
2. Experience rated risks
3. Recreational vehicles rated in the Recreational Vehicle section
4. Vehicles that were never intended to be driven.
5. Vehicles held for sale whether or not on an auto dealer's lot.

Rating

The refund for the period of coverage suspension / cancellation is calculated according to the table below (except Ontario):

Period of Suspension/Cancellation	% of Annual Premium
Less than 45 days**	Nil
Less than 2 months	Nil
45 days and less than 2 ½ months**	15%
2 months and less than 2 ½ months	15%
2 ½ months and less than 3 months	19%
3 months and less than 3 ½ months	22%
3 ½ months and less than 4 months	26%
4 months and less than 4 ½ months	30%
4 ½ months and less than 5 months	34%
5 months and less than 5 ½ months	38%
5 ½ months and less than 6 months	41%
6 months or more	45%

In no event shall a refund be granted for any suspension period of less than forty five (45) consecutive days (*Applies to Alberta and Ontario only*) or sixty (60) consecutive days.

Rule 328: Suspension of Operator's Licence – Use of END 28

The following provisions apply in the event of the suspension, cancellation or lapse of an operator's licence, or the right to obtain a licence of a person who is recorded as a driver of a vehicle to which the insurance applies, or where a driver is unlicensed. These provisions apply whether END 28 is being added to the policy at the request of the Insured or by the Servicing Carrier because of the above mentioned circumstances.

A. If there is no other driver of the vehicle

1. An application for insurance of the vehicle shall be declined by the Agent/Broker.
2. If the situation is discovered after the policy has been issued, the Servicing Carrier shall cancel the policy by registered letter. The earned premium for cancellation will be pro rata of the premium applicable to the risk as submitted.
3. If the situation is discovered as a result of enquiries prior to the renewal, the Servicing Carrier shall issue a notice of nonrenewal.

Note: Where the Insured's licence is suspended, the Insured shall be permitted to place the vehicle in storage and suspend or remove moving coverages. See Rule 301: Minimum Coverage.

B. If there is another licensed driver of the vehicle

(It is assumed that the person concerned will not drive without a valid licence.)

1. The Servicing Carrier shall issue END 28 (Reduction of Coverage as Respects Named Persons) restricting coverage to minimum statutory requirements and excluding physical damage where provided, for that person. END 8A shall be used in conjunction with END 28 except where END 28 applies to the named Insured.

2. If that person being a driver affected the rating of the insurance, the insurance shall be re-rated to remove that person as a driver but any accidents that occurred while that person was driving shall continue to be taken into account in rating.

C. If the person concerned does drive without a valid licence

If discovered after the policy has been issued, END 28 shall be deleted. The insurance shall be rated as if that person does drive the vehicle where:

a) Subsequent to the current suspension becoming effective or during the 36 months immediately preceding the policy period effective date, the person involved is/was convicted of the offence of driving while licence suspended, cancelled or lapsed.

b) It is established that the person involved has been driving e.g. by being convicted of any other driving offence or by being involved in an accident.

D. Unsigned END 28

If END 28 is not signed, END 28 shall be deleted and the policy shall be re-rated as though there was no END 28.

E. Completion of END 28 and END 8a

END 28 is to be completed showing the minimum statutory limit under Section A – Limits and Amounts and the word ‘Insured’ in the Insured/Not Insured column. In any jurisdiction where Accident Benefits and Uninsured Automobile are mandatory when Liability coverage is provided, the word ‘Insured’ must be shown against Section B and Section D in the Insured/Not Insured column.

END 8A is to be completed showing the minimum statutory limit on the second line of the endorsement.

Rule 329: ‘Home-Made’ Vehicles / Reconstruction / Imported Right Hand Drive / Imported Vehicles

The following provisions apply to right hand drive, imported vehicles and any vehicle that has been constructed, reconstructed or restored other than by a recognized manufacturer of such a vehicle.

Where appropriate, this rule does not apply to vehicles with a manufacturer assigned VIN and a status of ‘rebuilt’ which are to be rated using CLEAR rate groups.

A. Liability, Accident Benefits

No coverages are permissible until the following are provided to the Servicing Carrier:

1. A valid vehicle registration and, at the Servicing Carrier’s discretion, a certificate of roadworthiness or mechanical fitness acceptable to the Servicing Carrier and

2. For vehicles valued \$15,000 or more, an appraisal acceptable to the Servicing Carrier at the Applicant’s expense to enable the proper rating group to be determined. Vehicles valued under \$15,000 are rated based on value provided by the Insured.

3. Charge the normal rate for the type of vehicle concerned for Accident Benefits.

These certificates must accompany the application to the Servicing Carrier.

B. Physical Damage Coverage

1. No physical damage coverage (for any value) will be available for:

a) ‘Home-made’ / reconstruction vehicles until the

construction, reconstruction, restoration has been completed and the mechanical fitness and value of the vehicles have been substantiated by a certificate from an independent appraiser or a recognized authority on such matters, acceptable to the Servicing Carrier.

b) Imported right hand drive and imported vehicles until value of the vehicle has been substantiated by a certificate from an independent appraiser or a recognized authority on such matters, acceptable to the Servicing Carrier.

2. The premium is based on the appraised amount.

3. The insurance shall be subject to END 19 (Limitation of Amount) which must be attached to the policy and a copy signed by the Insured. END 19A (Valued Automobile) is not available.

Rule 330: Vehicles Used Outside Jurisdiction of Registration

Rule 300: Filed Underwriting Rules requires that the vehicle must be registered in the jurisdiction in which the policy is issued. ‘If the vehicle is registered in another jurisdiction in which Facility Association operates, the vehicle may be insured through an Agent/Broker and Servicing Carrier licensed in that jurisdiction.

When an Insured takes up residence in another jurisdiction, the Insured is required to register the vehicle in the new jurisdiction. The existing policy must be cancelled (pro rata) and new insurance obtained in the new jurisdiction.

However, there are circumstances under which the vehicle may be used for a period of time in another jurisdiction where vehicle registration in that jurisdiction is not required.

For example: The Insured resides in Northwest Territories and the vehicle is registered in that jurisdiction; however, the Insured will be travelling the Atlantic provinces for the next year.

When a vehicle is registered in one jurisdiction but garaged or chiefly used in another, the following is to be used as a guide for rating purposes.

1. The vehicle must be insured on a policy from the jurisdiction where it is legally registered, even if the vehicle is chiefly used in another jurisdiction.
2. Surcharges do not apply to private passenger vehicles that are used for personal use only and where proof of insurance is not required.
3. If the vehicle is operated outside the jurisdiction which it is, registered, including into the U.S. Rates for that jurisdiction are applied along with a surcharge. Refer to Rule 325 to determine the surcharges applicable.

NOTE: At the Servicing Carrier's discretion, a copy of fuel tax information, log books and/or other pertinent records may be required to verify mileage and travelled jurisdictions.

Rule 331: Purchasing Vehicles in Jurisdiction Where FA Does Not Operate

When an Insured acquires a new vehicle and all vehicles owned by the Insured are covered under a POL 1, coverage is automatically provided for the newly acquired vehicle if the Insurer is notified of the acquisition within 14 days. When the Insured:

- a) acquires a vehicle in the U.S. and brings it to Canada to a jurisdiction in which FA operates, or
- b) acquires a vehicle in a jurisdiction in Canada in which FA does not operate;

FA shall if necessary, issue a short term policy to provide coverage while the vehicle is in transit (under a transit authority permit) before it is registered in the jurisdiction of residence. The short term policy shall only be provided for a period of time sufficient to allow the vehicle to be driven from the point of purchase to the residence of the owner. This should correspond to the period of time the transit permit is valid.

When the Insured comes through Customs, the vehicle must be declared and the Insured will be provided with the appropriate forms to complete and submit to the provincial registry so that the vehicle may be registered. A new application can then be submitted for a 6 or 12 month policy if required.

Where an individual or company has a business that includes the purchasing of vehicles in the U.S. or jurisdictions where FA does not operate for shipment back to a Canadian FA jurisdiction for resale, coverage must be provided by means of a garage policy for Automobile Dealers.

Premium Calculation

The premium is to be calculated in accordance with Short Term tables subject to minimum premium.

The territory to be used is the territory where the Insured resides.

Private passenger type public vehicles are to be rated Class 01 or 08-19 using the appropriate driving record. There is no surcharge for Outside Northwest Territories exposure.

Commercial type public vehicles classified as light are to be rated Class 36. Commercial vehicles classified as heavy are to be rated Class 44. Driving record is 0. 100% Outside Northwest Territories Exposure Surcharge applies.

Rule 332: Short Term Rentals- Unspecified Lessees - Leases of 30 Days or Less and Ride Sharing

A. Short-Term Rentals-Unspecified Lessees – Leases of 30 days or less – Class 7M

Use POL 1 and END 5c.

Insurance is provided on a specified vehicle/per vehicle basis and use of END 21A/B is not permitted. Use of END 44 is not permitted.

Coverages/Premiums

1. Liability, Optional Physical Damage

Class of Vehicle	Premium
Private Passenger Vehicles	250% of 07/0 rate
Commercial Vehicles	
Light Trucks	200% of 43/0 rate
Heavy Trucks	200% of 45/0 rate
Tractors/Trailers	175% of 64/0 rate
Private Type Trailers-	
Liability	Non Pleasure rate plus \$15
Optional Physical Damage	250% of normal rate
Motor Homes and Vehicles with mounted Camper Unit	
Liability	250% of 07/0 rate
Optional Physical Damage	250% of normal rate
Motorcycles & Mopeds	250% of Driving Record 0 rate applicable to Age 16-20

Snow Vehicles	250% of normal rate
All Terrain Vehicles	250% of normal rate
Any other vehicle	Refer to Servicing Carrier

2. Accident Benefits

Charge the normal rate for the type of vehicle concerned.

B. Ride Sharing – Class 7N

Applicable where a vehicle is used in connection with a vehicle-sharing service, or peer-to-peer rental company

Use POL 1 and END 5C. Insurance is provided on a specified vehicle/per vehicle basis and use of END 21A/B is not permitted. Use of END 44 is not permitted.

Rate as Short-Term Rental (as outlined in Section A above) and code as Class 7N.

Rule 333: Long Term Leases-Specified Lessees- Leases Exceeding 30 Days

A. Application

The lessee must complete a current approved Standard Application Form. The name and address of the Applicant/lessee and the name and address of the lessor must be shown where required on the application form.

B. Policy

Use POL 1 with END 5. The name and address of the lessor and the name and address of the lessee must appear on the policy declaration page.

C. Rating

The vehicle is rated as if owned by the lessee.

Rule 334: Driver Training Vehicles

Driver training vehicles (regardless of vehicle type) shall be rated based on the trainer and that individual's experience. These vehicles shall not be rated for the trainee.

Use POL 1 with END 6D. This endorsement extends the Liability section of the policy to cover the Applicant's liability for student drivers/observers.

A. Driving Record

Driving record is to be calculated in accordance with the section of the manual that applies to a similar class of vehicle, subject to a maximum of Driving Record 3. Clear record earned on a similar vehicle which was not previously used for driver training, shall be applied when determining the driving record for driver training Vehicles

For example: The Insured opens a driver training school for tour buses and uses his own tour bus as a driver training vehicle. The Insured has no previous experience with driver training and is 5 years accident free on the tour bus. Clear record earned on a similar vehicle which was not previously used for driver training, shall be applied when determining the driving record for driver training vehicles. According to the rules in this section, the Insured is entitled to Driving Record 3; therefore, the Insured is entitled to Driving Record 3 on the driver training vehicle. If the Insured had never owned a tour bus (or similar vehicle) and purchased one to use for driver training, the driving record entitlement would be 0 according to the rules in this Public Section.

B. Vehicle used solely for Driver Training

Calculate the premium as follows, add any applicable accident and conviction surcharges, and then apply the surcharges indicated in the Driver Training Surcharge Table.

Private Passenger Vehicles:

Rate as Class 07 (Driving Records 0, 1, 2, 3 only)

Commercial Vehicles:

Light: Rate as Class 36; Heavy: Rate as Class 44

Public Vehicles (Buses, etc.):

Private Passenger Type Vehicles: Rate as Class 07

Other Vehicles:

Light: Rate as Class 36; Heavy: Rate as Class 44

Recreational Vehicles:

Rate at non-pleasure rates

C. Vehicles used for Driver Training in addition to some other use

1. Calculate the premium as though the vehicle is used solely for driver training.
2. Calculate the premium as though the vehicle were used solely for the 'other use'. *For example:* If the vehicle is used as a taxi, use taxi rates.
3. Add the dollar value of the driver training surcharge calculated in Step 1 to the premium calculated in Step 2.
4. Compare the premium in Step 1 to the premium calculated through Steps 2 and 3 and use the higher of the two.

For example:

Step 1

The vehicle is a private passenger type vehicle and using Class 07, the total premium is \$700. The Liability premium is \$200. The vehicle is equipped with dual controls so a surcharge of 35% is applied to the Liability premium for a surcharge of \$70. The total policy premium calculated in Step 1 is therefore \$770.

Step 2

The driver training use is part time and the Insured also uses the vehicle as a taxi. Therefore a premium of \$400 is calculated by rating the vehicle as a taxi.

Step 3

The premium in Step 2 is \$400 and we add to that the surcharge premium of \$70 calculated in Step 1.

Step 4

Use the higher of the results from Step 1 (\$770) or Step 3 (\$470).

D. Driver Training Vehicle Surcharge Table**1. Vehicles used only for Secondary School, College or University training courses.**

Coverage	Equipped with dual controls	Other
Liability	35%	135%
Collision	0%	75%

2. Other Vehicles

Coverage	Equipped with dual controls	Other
Liability	70%	170%
Collision	25%	100%

Rule 335: Fleets**A. Definition**

A fleet is:

- A group of 10 or more self-propelled vehicles;
- Under Common ownership or management;
- Used for business (incl. Class 07 and vehicles used for dual purposes), commercial or public transportation;
- Includes vehicles on a long term lease;
- The Applicant must have had 120 months of Liability insurance in the past 12 months i.e. 10 vehicles with Liability coverage for the past year, regardless of number of policies on which those vehicles were insured.

Notes:

- The Applicant is required to provide proof of vehicle registration and ownership.
- Vehicles that are leased for more than 30 days to others are not to be considered unless those vehicles are leased to one lessee and meet the definition of a fleet.

Vehicles under 'common management' will be considered where the Named Insured has assumed full responsibility for the payment of insurance premiums and agreement is in place between the Named Insured and Vehicle Owner, demonstrating the following:

1. The Named Insured is responsible for the assignment of driver schedules and routes, ensuring compliance with hours of work regulations **and**
2. The Named Insured maintains records of and deems acceptable all drivers who may operate a Vehicle **and**
3. Vehicles and all associated drivers adhere to the vehicle and driver safety standards of the Named Insured, **and**
4. Vehicles and all associated drivers adhere to the Named Insured means and methods of work, including risk management practices, code of conduct, training and service standards, **and**
5. Failure to adhere to any of the above will result in the termination of the agreement between the Named Insured and Vehicle Owner.

A signed 'Facility Association Common Management Attestation', signed by the Named Insured and a copy of the common management agreement must accompany all new business applications.

A copy of the common management agreement will be required on subsequent renewals to maintain experience rating.

The Servicing Carrier reserves the right to deny experience rating in the event the above criteria are not met and fails to otherwise meet other fleet rating criteria outlined under Rule 335.

B. Fleet Rating

Fleet policies may only be issued on an annual basis.

Fleets are subject to experience rating as of the commencement date of each policy period. If the fleet is insured through FA by two or more policies issued by one or more Servicing Carriers, the policies must have a common expiry date to facilitate experience rating.

Experience rating includes the following:

- All losses (At-Fault and Not-at-fault) are taken into account in rating even if there was no insurance in effect or the loss was repaid to the Insurer by or on behalf of the Insured or if the Insured chose not to present the claim;
- Claims (paid by the previous Insurer, reimbursed to the previous Insurer or paid by the Insured) outside the coverage on the application;
- Any amount paid back by the Insured due to an END 8 on the policy with the prior Insurer;
- Claims falling within a specific deductible not offered by FA e.g. on an occurrence basis regardless of the coverage involved in the loss;

- Amounts above FA deductibles when the prior Insurer had higher deductibles;
- Losses falling within any special agreements with the prior Insurer.

NOTE: Full experience details must be obtained directly from the prior Insurer to ensure all information on the risk is provided.

Fleets are to be written on a specified vehicle basis not on a blanket or receipts basis, therefore the use of END 21A and 21B is not permitted.

If a risk insured through FA meets the definition of a fleet, any vehicles added to the policy will be experience rated. The policy including any subsequent renewals will remain experience rated until the risk no longer meets the definition of fleet.

Where a new fleet is being submitted to FA and there is no verification of which claims involved which vehicles, the FA formula shall take into account the claims that occurred on all vehicles. It is the responsibility of the Agent/Broker/Insured to provide the claim history documentation for the vehicles to be insured through FA.

Midterm Rating

Midterm rating is not permissible for changes that occur (i.e. revision of claim reserves) during the policy term merely because of the lapse of time.

If it is discovered during a policy term that a risk is a fleet it shall be experience rated at the time of next renewal. If more than one policy qualifies for fleet rating, the fleet policy shall be issued effective the renewal date of the earliest expiring policy, based on the information for all vehicles. The remaining vehicles shall be added to the fleet at the expiry date of their policies.

Optional Physical Damage Coverage

Vehicles may not be covered for Comprehensive/Specified Perils only.

The Collision portion of All Perils and Collision coverage shall be regarded as the same coverage for the purposes of determining the number of months of coverage, similarly, the portion of All Perils and Comprehensive and Specified Perils shall be regarded as the same coverage.

Where Collision claims that have occurred in the past three years cannot be allocated to specific vehicles, the claims shall be assigned to the highest rated vehicles, one to each in descending order.

C. Loss Information

Any reserve change for a loss in any previous term shall be added to the incurred losses of the policy term in which the reserve was changed.

D. New Applications

1. Forms required for Fleet Submissions

- Facility Association application
The application form fully completed and signed. Under vehicle items show 'Fleet Policy'.
- Automobile Fleet Schedule
All vehicles including trailers for which insurance is required must be fully described.
- Fleet Vehicle Count Calculation
Must be completed to determine the number of vehicles insured by coverage.
- Fleet Rating Information Statement or Commercial Vehicle Supplement
This form provides additional information about the risk.
- Any additional supplements such as drivers list, taxi questionnaire.

2. Incomplete Fleet submission forms

If the necessary information required by the Servicing Carrier to properly rate the policy is not received within 15 days of the intended effective date, the policy shall be issued at the quoted premium and cancelled by registered letter.

3. The Applicant must understand that:

The risk is bound from the effective date shown and an earned premium shall be charged.

The application is subject to the Facility Association fleet rating formula and the resulting premium may be substantially greater than the base premium quoted by the Agent/Broker.

The Servicing Carrier may require payment of additional fees if proof of insurance has to be issued. See Rule 324.

4. Agent/Broker responsibilities:

Submit all fully completed and signed fleet submission forms. Items on the binder application dealing with specific vehicles are to be answered 'Fleet Policy'. Incomplete forms shall be returned for completion resulting in policy issuance delays.

Premiums are to be calculated at Driving Record 0 and must include the Outside Province/Territory Exposure surcharge if applicable.

If the manual does not provide information for rating a particular risk, the Servicing Carrier will assist the Agent/Broker in establishing a method of rating. The Servicing Carrier will also assist in determining rate groups which are not published.

Collect from the Applicant the premium quoted at Driving Record 0 or arrange a premium finance contract. The Agent/Broker is responsible for the pro rata earned premium based on the correct premium calculation at Driving Record 0 in the event of non-payment by the Insured.

Issue temporary (30 day) liability cards for each self-propelled vehicle listed on the Fleet Schedule as of the date coverage was bound. It is not permissible to use a 'blanket' wording of any kind.

A premium must be quoted and the risk bound before the fleet is submitted.

5. Servicing Carrier responsibilities:

The Servicing Carrier shall not provide quotations or accept fleet submissions which have not been bound.

Upon receipt of the properly completed documents the Servicing Carrier shall verify the information and loss history of the risk with the previous carrier as required and ensure prompt issuance of the policy documents.

6. If the revised premium is not acceptable:

If a promulgated fleet rating is not acceptable to the Applicant, the coverages shall be cancelled without charge if the policy is cancelled by the Applicant no later than the intended effective date (the date coverage was bound).

After the effective date, where the Agent/Broker reports non-payment of the additional premium within 30 days of receiving notice of the additional premium, the earned premium for cancellation shall be calculated pro rata on the quoted premium calculated at Driving Record 0. Otherwise the earned premium shall be calculated pro rata on the promulgated fleet rating.

If a fleet rate has been established and the policy is cancelled because the Applicant rejects the premium, a new application is submitted within 30 days will remain fleet rated. Individually rating the vehicle will not be permitted unless the risk no longer meets the definition of a fleet.

7. Premium Calculation

Note:

- Refer to Rule 313 on rating of experience (fleet) rated risk.
- For other classes of business, refer to the appropriate section of the manual.

E. Renewals

Prior to the expiry of experience rated insurance, the Servicing Carrier may ask the Agent/Broker to have certain forms completed to update the information on record.

Such a request will usually be made well in advance of the expiry date because of the need to issue the renewal policy/certificate/offer to renew before the insurance expires.

The appropriate renewal documents shall not be issued unless and until the required forms, properly completed, have been returned.

Rule 336: Carrying Explosives

The standard policy exclusion for carrying explosives may be modified to permit carriage of specified explosives only, by adding END 4A. END 4A can be applied to all coverages or limited to the mandatory coverages. An Explosive Questionnaire must be completed and signed by the Applicant and submitted to the Servicing Carrier.

1. A commercial type vehicle operated by an explosive manufacturer or dealer shall be rated in accordance with the Commercial section of the manual.
2. For any other vehicle there shall be an additional charge applied to the vehicle premium. Contact your Servicing Carrier for the amount of the additional premium.

Rule 337: Carrying Radioactive Material

The standard policy exclusion for carrying radioactive material may be modified to permit the carriage of specified radioactive material only, by adding END 4B. END 4B can be applied to all coverages or limited to the mandatory coverages.

A Radioactive Materials Questionnaire must be completed and signed by the Applicant and submitted to the Servicing Carrier. An additional charge shall be applied to the vehicle premium.

Contact your Servicing Carrier for the amount of the additional premium.

Rule 338: Endorsements Applicable to POL 1 (Owner's Policy)

Notes:

1. No endorsements, no special wordings and no changes to standard forms are permissible except as approved by or on behalf of the Superintendent(s) of Insurance.
2. This rule provides certain details of approved endorsement forms. The descriptions are necessarily very brief and reference must be made to the actual wordings of the endorsements to ascertain the full provisions and restrictions.
3. In certain cases a copy of the endorsement must be signed by the Applicant and filed with the Servicing Carrier. The insurance will not be continued or the policy will be re-rated, if this requirement is not met.
4. Not all endorsements may be applicable to public vehicles. Refer to the specific wording below.

Liability or (TPL) means B.I. and P.D. Tort;

Physical Damage means Optional Coverages – Loss or Damage (All Perils, Collision, Comprehensive, Specified Perils)

	Standard Endorsement Form Number, Title and Purpose	Rating
2	Drive Other Automobiles Endorsement Named Person(s) Extends the 'drive other automobiles' Liability and Accident Benefits coverage to persons other than the Insured and spouse.	The premium is dependent upon the Liability limit applicable to the vehicle: Limit in thousands \$200 \$300 \$500 \$1000 Premium per person 8 9 10 11 Accident Benefits per person \$1.
3	Drive Government Automobiles Covers the Insured's legal liability arising from the custody and use of a vehicle owned by the federal or a provincial government, including Liability for the loss of or damage to the vehicle arising from Collision and/or Comprehensive or Specified Perils. The Insured must specify the types of vehicle that may be in their custody and, in regard to the optional physical damage coverages, must indicate the required limit per occurrence.	Calculate the coverage premiums applicable to the highest rated government vehicle that may be in the Insured's custody as if they owned such a vehicle. Take into account driving record, type of vehicle, use and the coverage deductibles. Use the limit per occurrence as the vehicle's value for determining the rate group and, in respect of a commercial vehicle, assume the model year to be the current year. The charge for each coverage is this percentage of the calculated premium. Liability:20% Accident Benefits:50% Optional Physical Damage:100%
4a	Permission to Carry Explosives Removes the policy form's exclusion in regard to carrying specified explosives only.	If main cargo, rate vehicle as Class 48, 61B-64B plus special factors. If incidental, net annual \$50. Refer to additional rules within manual for further information.
4b	Permission to Carry Radioactive Material Removes the policy form's exclusion in regard to carrying radioactive materials only.	If main cargo, rate vehicle as Class 48 61B-64B plus special factors. If incidental, net annual \$50. Refer to additional rules within manual for further information.
5	Permission to Rent or Lease (Specified Lessee) Applicable to leases exceeding 30 days.	No charge for the endorsement. Vehicle is rated as if owned by lessee. Refer to additional rules within manual for further information.
5c	Permission to Rent or Lease (unspecified lessees - short term leases only) Applicable to leases not exceeding 30 days	The following premiums apply to the policy and are not specifically for the endorsement: 1. Liability, Collision, Comprehensive, Specified Perils: Private Passenger.....250% of 07/0 Commercial Vehicles Light Trucks.....200% of 43/0 Heavy Trucks.....200% of 45/0 Tractor/Trailers.....175% of 62-64/0* Private Trailers a. Liability.....add \$15 b. Optional Physical Damage.....250% of normal MotorHomes & Camper Units a. Liability.....250% of 07/0 b. Optional Physical Damage.....250% of normal Motorcycles & Mopeds.....250% of DR 0 for age 16 Snowmobiles & ATVs.....250% of normal Refer to additional rules within manual for further information

5d	Conversion Coverage (rented or leased automobiles)	Not available on Facility Association policies.
6a	Permission to Carry Passengers for Compensation Modifies the policy form's restrictions in regard to the use of the vehicle for the carriage of passengers. The actual use of the vehicle must be specified in the endorsement. See Private Passenger Section and Public Section. The use of the endorsement is not permissible in respect of other vehicles. Also see END 22.	For private passenger vehicles used in car pools : add 10% of Liability premium. Attach 6a Volunteers: A volunteer transports persons to medical appointments and the like, and is reimbursed for reasonable driving expenses, including gas, vehicle wear and tear and meals. END 6a is not required and there is no additional premium charge. Other Private Passenger Vehicles used to transport passengers: i) If transportation of non-paying passengers is part of Insured's job and employer reimburses employee for expenses -then Class 07 rates apply. Attach 6a ii) If transportation is very occasional (no more than once a week - non-paying passengers) then Class 02 or Class 03 rates can apply. Attach 6a iii) All others, then appropriate taxi, limousine or bus rates are applicable. END 6a would be attached; however, only if the vehicle is used in a car pool would the 10% surcharge apply. For public vehicles, rate vehicle accordingly. See Public Section of the manual.
6b	School Bus Used in respect of School Buses and, in regard to Passenger Hazard, provides either: (a) separate limits of liability in respect of (i) bodily injury to any one person, (ii) bodily injury to all persons, and (iii) passengers' property or (b) a combined limit in respect of all passengers' bodily injury and property damage.	Rate vehicle according to Public Section.
6c	Public Passenger Vehicles Used in respect of buses other than School Buses and, in regard to Passenger Hazard, provides either: (a) separate limits of liability in respect of (i) bodily injury to any one person, (ii) bodily injury to all persons, and (iii) damage to property carried in the automobile or (b) a combined limit in respect of all passengers' bodily injury and property damage.	Rate vehicle according to Public Section.
6d	Driver Training School Gives permission for the vehicle to be used for Driver Training School purposes and extends the Liability section of the policy to provide coverage in respect of the Insured's liability for bodily injury to student drivers/observers. The Liability limit provided in respect of Road Hazard is to be repeated in the endorsement against both 'any one person' and 'two or more persons'. Also, see END 22	Refer to additional rules within manual for further information.
6F	Public Passenger Vehicles Used instead of END 6c when a combined Road & Passenger Hazard Limit (B.I. & P.D.) is to be provided.	Rate vehicle according to Public Section.

7	Separate Limits (Third Party Liability) Used only when proof of insurance is filed in respect of a vehicle. The authority concerned requires that, in respect of Road Hazard, the insurance provide separate Liability limits for (i) bodily injury to any one person, (ii) bodily injury to all persons, and (iii) damage to property.	Premium is that applicable to an inclusive limit equal to the sum of the limits of “ii” and “iii”.
8	Property Damage Reimbursement (Section A only)	Not available on Facility Association policies.
8a	Property Damage Reimbursement for Operation by Named Person (Section A only) (FOR USE IN THE NORTHWEST TERRITORIES ONLY) Used in conjunction with END 28. The Insured agrees to indemnify FA for loss or damage to property arising out of accidents while the person named on the endorsement is operating the vehicle. END 8a may not be used where the person to whom it applies is the named Insured.	No charge.
9	Marine Use Excluded (amphibious vehicles) Specifies that insurance is not provided while the vehicle is in or upon water or being launched or landed. The use of the endorsement is mandatory in respect of vehicles designed for use on both land and water (amphibious vehicles, all terrain vehicles, swamp buggies).	No charge.
13D	Limitation of Glass Coverage Endorsement	Not offered on ‘Public Vehicles’ as described in the Public Section of this manual.
16	Agreement for Suspension of Coverage The Liability, Accident Benefits and Collision coverages in respect of a vehicle that is temporarily laid up may be suspended by means of END 16. The endorsement does not suspend the Liability and Accident Benefits coverages that relate to ‘driving other vehicles’. The endorsement may be used in respect of most private passenger and commercial-type vehicles. It is not available in respect of: a. Vehicles for which proof of insurance is issued or filed; b. Experience-rated vehicles; c. Recreational vehicles/items to which the Recreational Section relates. d. Vehicles that were never intended to be driven. e. Vehicles held for sale whether or not on an auto dealer’s lot.	The refund for the period of cancellation is calculated according to the table printed on the END 16 form. In no event shall refund be granted for any suspension of coverage less than sixty (60) consecutive days. Refer to additional rules within manual for further information.
17	Reinstatement of Coverage Used in connection with END 16.	The refund for the period of cancellation is calculated according to the table printed on the END 16 form. In no event shall refund be granted for any suspension of coverage less than sixty (60) consecutive days. Refer to additional rules within manual for further information.
19	Limitation of Amount Provides that, in the event of loss or damage, the maximum amount of insurance under the optional physical damage sections of the policy is the actual cash value of the vehicle or the specified dollar amount (selected by the Insured), whichever is less. The use of the endorsement is mandatory in respect of Motorcycles and Mopeds and all vehicles for which the optional physical damage premiums are based on the estimated or appraised current value.	Base optional physical damage premiums on estimated or appraised current value.
19a	Valued Automobile(s)	Not available on Facility Association policies.

20	Loss of Use	Not offered. Refer to additional rules within manual for further information
21a	Monthly Reporting Basis Fleet (For Use in the Northwest Territories)	Not available on Facility Association policies.
21b	Blanket Basic Fleet (For Use in the Northwest Territories)	Not available on Facility Association policies.
22	Damage to Property of Passengers Used to insure the Passenger Property Damage hazard when either (a) END 6a or 6d is attached to the policy or (b) END 6b is attached but separate Passenger Hazard limits are required in respect of Bodily Injury and Property Damage	Charge the Passenger Hazard Property Damage premium for the class of vehicle concerned and attach END 22 when required. See Public Section.
23a	Mortgage Records the joint interest of a lienholder. If an END 23a is issued showing the coverages provided, the applicability of any restrictive endorsement (such as END 19/28/40) is also to be recorded.	No charge.
23b	Mortgage (Broad Form) Broader than END 23a in that it provides additional protection to the lienholder. If an END 23b is issued showing the coverages provided, the applicability of any restrictive endorsement (such as END 19/28/40) is also to be recorded.	10% of total optional physical damage premium; minimum net annual \$25.
24	Fire Apparatus Excludes optional physical damage coverage on equipment removed from the vehicle while at the location of a fire. Use of the endorsement is mandatory when the insurance applies to a fire-fighting vehicle.	No charge.
25	Alteration (endorsement changing or correcting statement(s) in the application or changing the rating classification) Used by Servicing Carrier to record policy changes.	No charge. Minimum additional premium of \$5 for addition of coverage of vehicle, increase in Liability limit, or decrease in deductible amount.
26	Disappearing Deductible (all perils or collision)	Not available on Facility Association policies.
27	Legal Liability for Damage to Non-Owned Automobiles	Not offered on 'Public Vehicles' as described in the Public Section of this manual.
28	Reduction of Coverage as Respects Operation By Named Person(s) Used if the coverages provided by the policy are to be restricted when certain named operators are driving the vehicle.	No premium reduction.
29	Additional Coverage as Respects Operation By Named Person(s)	Not available on Facility Association policies
30	Excluding Operation of Attached Machinery Excludes Liability and Accident Benefits coverage in respect of the ownership or use of machinery or apparatus mounted on or attached to the vehicle, while at the site of such use. END 30 may not be used in conjunction with END 31.	No charge
31	Non-Owned Equipment Provides coverage in respect of apparatus, machinery or equipment that is attached to the vehicle but is not owned by the Insured. Use of the endorsement is not permissible in respect of a vehicle to which END 30 applies. The optional physical damage coverages may only be the same as those provided in respect of the vehicle. The required limit in respect of loss of or damage to the equipment must be specified.	No specific charge - equipment cost to be included in vehicle value

32	Recreational Vehicle Permits the use of the insured vehicle, off the public highway and for recreational purposes only, by an unlicensed and/or unqualified person.	No charge.
35	Emergency Service Expense No longer Available	Note: On existing policies where END 35 has been applied on a vehicle, the endorsement will remain until the vehicle is removed from the policy.
36	Commercial Automobiles used exclusively for Pleasure Required when a commercial type vehicle is used only for pleasure purposes and is so rated.	No charge. When applicable this endorsement will be read in.
37	Limitation to Automobile Sound and Electronic Communication Equipment (For use in the Northwest Territories) Provides that, in the event of loss or damage by theft or attempted theft, the maximum amount of insurance for the equipment or the actual cash value is \$1,500 in total. Where a vehicle is insured for Comprehensive or Specified Perils, this endorsement must be added if the Insured does not wish to purchase additional coverage. This endorsement must be signed by the Insured.	No charge.
38	Increased Limit, Automobile Sound and Electronic Communication Equipment (For use in the Northwest Territories) Provides that, in the event of loss or damage by theft or attempted theft, the maximum amount of insurance for the described equipment is the limit shown in the endorsement or the actual cash value of the described equipment whichever is less.	\$30 per \$1,000 or part thereof, of the limit of coverage shown on the endorsement in excess of \$1,500. E.g. Equipment is valued at \$4,300. The premium for END 38 will be \$90.
40	Fire and Theft Deductible Used when the Comprehensive or Specified Perils deductible is to be made applicable to fire losses and to theft of the entire vehicle. This endorsement is mandatory for all motorized vehicles described in the Recreational Section of this manual.	No charge.
43R	Limited Waiver of Depreciation (FOR ALTA., YUK., N.W. T. and NUN ONLY)	Not available on Facility Association policies.
43R (L)	Limited Waiver of Depreciation (Specified Lessee) (FOR ALTA., YUK., N.W.T. and NUN ONLY)	Not available on Facility Association policies.
44	Family Protection	Not offered on 'Public Vehicles' as described in the Public Section of this manual.

Rule 339: Territories

NORTHWEST TERRITORIES

The entire territory

LIMIT PREMIUMS ON RATE PAGE

The rate page shows premiums or rates for limits as required by public vehicle regulations.

Passenger Hazard limits for one person and one accident, e.g., 200/200 means \$200,000 any one person and \$200,000 any one accident.

Combined Limits for Passenger Hazard Bodily Injury and Property Damage (b limit on END 6b or c)

Public and School Buses, Taxis

Determine the premium for the Passenger Bodily Injury accident limit required and add the premium for \$50,000 Passenger Property Damage.

Combined Limit for Road and Passenger Hazards other than Public and School Buses

1. Determine the premium for the Road Hazard limit of \$200,000.
2. Determine the premium for the Passenger Bodily Injury limit of \$200,000 any one person and \$200,000 any one accident.
3. Add Steps 1 and 2 Road and Passenger Bodily Injury premiums together and apply the Table D factor for the required limit.
4. From the rate table obtain the premium for Passenger Hazard Property Damage for a limit of \$50,000.
5. Total the premiums from Steps 3 and 4. This is the liability premium for the combined limit.
6. END 6f must be used.

LIABILITY LIMIT TABLES

Table A: Road Hazard				
Limit in thousands	200	300	500	1000

Note:
Passenger Hazard
Per Seat rates are
applied
incrementally

Seating Capacity
1 - 12 Seats
The 1-12 Per Seat rate
times number of seats =
Passenger Hazard premium

Seating Capacity
13-29
1. Multiply the 1-12 Per
Seat rate by 12
2. Multiply the 13-29 Per
Seat rate by the number
of seats up to 29
3. Add steps 1 & 2 =
Passenger Hazard premium

Seating Capacity
30 or more
1. Multiply the 1-12 Per
Seat rate by 12
2. Multiply the 13-29 Per
Seat rate by 17
3. Multiply the 13-29 Per
Seat rate by the number
of seats over 29.
4. Steps 1+ 2+ 3 =
Passenger Hazard premium

Accident Benefits
12 or less seats
Charge:
\$ 2.83 per seat

13 to 29 seats
Charge:
\$ 33.96 plus
\$ 1.42 for each seat
over 12.
over 29 seats
\$ 58.10 plus
\$ 0.71 for each seat
over 29.

Rule 400: Filed Underwriting Rules

A. The Insurer's rules for declining to issue, terminating or refusing to renew a contract are:

1. The risk does not meet the object of the Facility Association which is to ensure the availability of automobile insurance, as required by law, in those provinces and territories of Canada in which the Association operates, to the owners and licensed drivers of motor vehicles who would otherwise have difficulty obtaining such insurance.

2. The Applicant does not have an insurable interest in the vehicle.

3. The vehicle is registered in a jurisdiction other than one in which the application for coverage is being completed or the vehicle is not operated at any time in a jurisdiction in which the Association operates. If the vehicle is registered in another jurisdiction in which Facility Association operates, the vehicle may be insured through an Agent/Broker and Servicing Carrier licensed in that jurisdiction.

Exception: Refer to 400:C. Non-Residents and Vehicles Not Registered in Jurisdiction.

4. The only driver of the vehicle does not hold a valid operator's licence where required for the vehicle type being insured.

5. The application is incomplete, has not been signed by the Applicant, or has not been bound by the Agent/Broker.

6 The Applicant/Agent/Broker refuse to provide the sufficient valid information to write the risk. 'Sufficient valid information to write the risk' includes data to properly rate the risk and to report the risk information in accordance with the Automobile Statistical Plan.

7. The vehicle is not in the possession of the Applicant (i.e. has been stolen or cannot be located). This restriction is not intended to be used as a denial of a valid theft claim.

8. A certificate of mechanical fitness and road worthiness has not been provided in accordance with the Manual of Rules and Rates e.g. home made vehicles.

9. Non-payment of premium for the current policy period (for purposes of termination only).

10. Any risk where abusive or threatening behaviour of the Insured/Applicant/Driver within the previous 3 years has created a safety concern for Facility Association staff, Servicing Carrier staff or a representative acting on behalf of either and circumstances have been reported to police.

B. Rules for refusing to provide or continue a coverage are:

1. Optional physical damage coverage shall not be provided where an Applicant or any person who is a regular or frequent operator of the vehicle, has, within the immediately preceding thirty-six months:

- a) When making a previous application for automobile insurance, given false particulars of an automobile to be insured to the prejudice of the Insurer;
or
- b) Knowingly misrepresented* or failed to disclose in an application any fact required to be stated therein;
or
- c) Has contravened a term of an insurance contract or been convicted of fraud in relation thereto;
or
- d) Wilfully made a false statement in respect of a claim.

* Misrepresentation means an Applicant has either had a policy cancelled by registered letter for material misrepresentation or has had a claim denied for material misrepresentation.

2. Physical damage coverage shall not be provided where an application for a branded vehicle (salvage or rebuilt) is submitted without a valid vehicle registration and, at the Servicing Carrier's discretion, a current safety certificate.

NOTE: No policy shall be written for vehicles branded 'nonrepairable'.

3. Where a vehicle is licenced for road use or for off road use and is used as well for race or speed tests, optional physical damage coverage shall not be provided.

C. Non-residents and vehicles not registered in jurisdiction

These vehicles may be operated for 90 days at which point they must be registered and plated in Northwest Territories. A policy of insurance may be required to cover the vehicle during this period. If necessary, FA will issue a short term policy for a period not exceeding 90 days to cover the insurance requirement. Upon expiry, the policy will lapse and will not be renewed. If the vehicle is registered in Northwest Territories prior to the expiry of the short term policy, the short term policy will be cancelled pro rata and a new POL 1 will be issued for a 6 or 12 month term excluding seasonal vehicles (motorcycles, mopeds, antique vehicles and snow vehicles) which shall be issued for one year.

Rule 401: Coverages Available and Minimum Deductibles

A. Liability

Not more than \$2,000,000 except:

- When required by American or Canadian federal or provincial statute, by regulations issued under authority thereof, or by municipal by-laws (but not by other local authorities such as school boards). If proof of insurance is issued, the amounts shown on the proof may not exceed those required by the authority concerned.

If it is necessary to provide a Liability limit that falls between two limits for which premiums or limit factors are indicated in this manual, the premium or limit factor applicable to the higher of those two limits shall be used.

Where it is **required and permissible** to provide a higher Liability limit and the manual does not provide the necessary increased limit factor, contact your Servicing Carrier.

B. Accident Benefits

As prescribed by statute.

C. Physical Damage

Physical damage coverage shall not be provided or continued for any vehicle valued at \$1,000,000 or more.

All Perils coverage is no longer available.

Minimum Deductibles

The following table indicates the minimum deductibles when the value is \$24,000 or more. Where the value is less than \$24,000, the minimum deductible is \$500.

Value on which the premium is based	Minimum Deductibles
Under \$24,000	\$500
\$24,000-\$29,000	\$750
\$29,001-\$34,000	\$1,000
\$34,001-\$39,000	\$1,250
\$39,001-\$44,000	\$1,500
\$44,001-\$49,000	\$1,750
\$49,001-\$54,000	\$2,000
\$54,001-\$59,000	\$2,250
\$59,001-\$64,000	\$2,500
\$64,001 or more	5% of valued rounded to the nearest \$250. For example: If the appraised value is \$123,000, 5% is \$6,150. The deductible shall be \$6,250 and the rating factor for \$2,500 or more applies.

NOTE: For risks with claims, refer to the following chart. Where a risk is eligible for one deductible based on rate group/vehicle and another based on claims, the higher deductible applies.

Number of Automobile Insurance Claims under each coverage (All Perils, Collision, Comprehensive, Specified Perils)			Deductible amount applicable to the coverage under which the claims were made*
In prior 12 months	In prior 36 months	In prior 60 months (fire and/or total theft)	
3	-	2	\$2,500
-	3	-	\$1,000
-	4	-	\$2,500
-	5 or more	-	5% of LPN (minimum deductible \$5000)
		3 or more	no coverage offered

* Claims that have occurred under All Perils coverage shall be assigned to the appropriate section of the coverage i.e. Collision or Comprehensive.

Higher deductibles shall only be imposed when there have been a sufficient number of claims under any given coverage to warrant such application. For example one Collision loss and three Comprehensive losses in the previous 12 months will result in the application of a \$2,500 deductible on Comprehensive only. Only if the Insured has sustained three Collision losses as well, would \$2,500 deductible be applied to the Collision coverage.

D. Family Protection Coverage (END 44)

For a brief description refer to Rule 442: Endorsements Applicable to POL 1 (Owner's Policy). The premium varies with the Liability limit applicable to the vehicle. The coverage limit provided by this endorsement is the same as the Liability limit applicable to the vehicle.

For example: If the vehicle is insured with a Liability limit of \$2,000,000 the END 44 will also have a limit of \$2,000,000.

END 44 is not available for vehicles that are subject to the Public Section of this manual.

	2M	3M	5M
MC 100 cc or less	35	51	75
MC 101 cc or more	150	234	388
ATV, SNO	35	51	75

E. Minimum Coverage

Policies are required to provide at least the statutory minimum coverage applicable to the jurisdiction in which the vehicle is registered.

For recreational vehicles to which this section of the manual applies:

- a) Coverage other than Comprehensive or Specified Perils may not be suspended by means of END 16 (Agreement for Suspension of Coverage).
- b) In the case of an existing policy that includes Comprehensive or Specified Perils coverage, coverages other than Comprehensive or Specified Perils coverage may not be deleted.
- c) In the case of a new application, a policy may not be issued for Comprehensive or Specified Perils only.

be issued showing an effective date of 12:01 a.m. June 1. However, the coverage is in effect as of 1:00 p.m. on June 1.

b) Coverage is bound as of 12:01 a.m. June 1. The application was signed on May 29. The policy will be issued showing an effective date of 12:01 a.m. June 1.

- 4) If the application form cannot be sent to the Servicing Carrier on the date on which coverage was effected, it must be sent the next working day.
- 5) The Servicing Carrier shall normally issue the policy within 30 days of the effective date. If the Agent/Broker does not receive the policy and the full term liability card within that time, a further temporary liability card must be issued by the Agent/Broker and the Servicing Carrier must be contacted immediately to determine the status of the policy.
- 6) Before physical damage coverage can be bound on a vehicle branded as 'salvage' or 'rebuilt', a valid vehicle registration and, at the Servicing Carrier's discretion, a current safety certificate must be provided to the Servicing Carrier with the application.

Rule 402: Not applicable

Rule 403: Binding Coverage – New Policies

A. Requirements/Procedures for binding new policies

- 1) The Agent/Broker must have a fully completed application signed by the registered owner(s) of the vehicle(s) detailing all information on the risk. Supplementary questionnaires, if required, must be completed and signed by the Applicant. If the Servicing Carrier is required to have a driver's permission to obtain a driver record abstract, that written authorization must accompany the application.
- 2) Before binding coverage the Agent/Broker must either:
 - a) Collect or assume responsibility for the full indicated premium (experience rated risks at Driving Record 0 or, if established, the promulgated fleet rating).
 - or**
 - b) Obtain a fully completed premium finance contract together with the full down payment required and promptly send that contract to the finance company office.
- 3) The insurance shall take effect as of the time and date the coverage is bound, as evidenced by the Application signed by the Insured. However, except when the binding time is 12:01 a.m. of a future date, the policy shall be shown as effective at 12:01 a.m. on the day the date coverage was bound. The premium rates to be applied are those in effect on the binding date.

For example:

- a) Coverage is bound at 1:00 p.m. on June 1. The application is signed on June 1. The policy will

B. Term of binding new policies

The term of binding and of the temporary liability card is 30 days. The temporary liability card may not be amended to indicate a longer period. If a short term policy is to be issued, the temporary liability card shall be amended to indicate a shorter period.

Rule 404: New Policies

A. Application Form

Every application for insurance must be made on a current approved Standard Application Form and must be fully completed and signed by both the Applicant and Agent/Broker where required. See also Rule 404:D. Computer Generated Application Forms.

Commercial, garage, public, experience rated and some specially rated risks will require completion of supplementary questionnaires.

A copy of the valid registration for all owned vehicles being insured in this section, regardless of vehicle type or use, will be required with the application. If the registration cannot be submitted with the application, a copy of the registration is required within 30 days of binding coverage.

Where a copy of the valid registration is not provided, the following shall apply:

- Policy shall be issued with all vehicles at the correct premium.
- If any registration is not provided within 30 days from the date requested by the Servicing Carrier, the policy shall be cancelled by registered letter.
- If the missing registration is provided before the cancellation takes effect, the policy may be reinstated.
- Agent/Broker may submit a new application for the vehicles meeting the registration requirement.

B. Owners Policy (APP 1)

A current approved Standard Application Form (APP 1) is required. The Agent/Broker must indicate the time and date that coverage is bound.

C. Faxed Applications

Fully completed and signed current approved Standard Application Forms submitted by fax are acceptable in lieu of original applications. Where required, these applications must be accompanied by the appropriate questionnaires or supplements. Where the original application has been submitted without signature, a signed and faxed copy of the application is acceptable to complete the signature requirement.

D. Computer Generated Application Forms

These application forms are acceptable but must be in the standard format approved by the applicable regulatory authority and must include all information that is required to be provided on the current approved Standard Application Form.

The computerized application must be signed and dated by the Applicant as well as the Agent/ Broker.

E. Applicant's Signature

The Applicant's signature shall be provided on the current approved Standard Application Form or the computerized application form at the time of binding whenever possible.

If the Applicant's signature cannot be obtained at the time of binding, the Servicing Carrier shall allow the Agent/Broker 30 days to obtain a signature on the original application provided the Agent/Broker assumes responsibility for the full indicated premium. In the meantime, the Agent/Broker must send a copy of the completed but unsigned application to the Servicing Carrier.

If a signed copy of the application is not received by the Servicing Carrier within the 30 day time period, the Servicing Carrier shall immediately cancel the policy by registered letter. The Agent/Broker shall be responsible for the full indicated earned premium for the time on risk.

F. Name of the Insured

Insurance contracts must be made with individuals who have both the capacity to contract and are legal entities. If the Applicant is not an individual(s), the name(s) appearing on the policy must be that of a legal entity i.e. a limited company or partnership.

The name of the Insured must include or be the same as the name on the vehicle registration.

Two or More Names as Registered Owner of the Vehicle:

Where an application is received for vehicle(s) registered in two names, such as husband's and wife's names, the application must be signed by both parties. In the event the policy is to be cancelled at the Insured's request, both signatures are required on the request for cancellation.

Two or More Vehicles Registered to Different Names:

If the Applicant has vehicles leased from different leasing companies, or, one vehicle registered for example in the father's name and one in the son's name, separate policies must be maintained.

If the vehicles are separately registered to an Applicant and his or her spouse only, they may be insured under the same policy. Both must sign the application and any subsequent request to cancel a policy or delete a vehicle or coverage.

If the Applicant has vehicle(s) leased from the same leasing company and owned vehicle(s), separate policies may not be necessary.

Where it is discovered in the middle of the policy term, that a single policy has been issued with two (or more) vehicles, one registered in one name and one in another name, both signatures shall be required on any subsequent request for cancellation of the policy or deletion of a vehicle or coverage.

Separate policies must be issued at the time of next renewal.

G. Other Insurance

If there is any other insurance in force in respect of a risk:

- a) Binding shall not be made effective before the expiry of that other insurance.
- b) If that other insurance is to be cancelled, a liability card may not be prepared before the Insurer concerned has issued the notice of cancellation, or the Insured has signed the request for cancellation

H. Variation in Coverage

To conform to the Insurance Act, the Insured must be advised if the coverage provided by the policy is not as requested in the application.

I. Verification of Driving History

In order to verify the driving history, the Servicing Carrier is required to obtain the following before confirming the premium:

- a) Driver record abstract obtained from the appropriate government department in each Canadian or U.S. jurisdiction in which the driver has been licensed in the previous three years.

On experience (fleet) rated risks, the abstract is not required.

Driver record abstracts are not to be obtained for the operators of any snow vehicles, dirt bikes, all terrain vehicles or antique vehicles to be insured.

- b) Previous Insurance History obtained on all drivers with the exception of drivers with only an international licence. This may be an electronic report ordered from a service provider, letters from previous carriers or telephone calls to previous carriers (which must be properly documented on file including name of persons spoken to, date, time etc.).

Insurance history is not required for Motorcycles, Mopeds, Snow Vehicles, Dirt Bikes, All Terrain Vehicles or Antique Vehicles. See special instructions under Fleets and the Garage Section.

If the information received is different from that reported on the application, to the extent that the premium requires amendment, the policy shall be issued at the revised premium and coverage or the Servicing Carrier shall promptly issue a correcting endorsement.

be increased to include applicable taxes. For the model years 1991 and earlier, GST shall not be added.

In the event that the model to be covered is new and therefore not listed in one of these publications, the manufacturer's suggested retail price can be obtained from a dealer. In the event the model is not listed for that year in one of these publications, the manufacturer's suggested retail price for that model for a prior year or subsequent year may be used.

Actual cash value may be used for snow vehicles and all terrain vehicles with a value of \$15,000 or more provided the Insured produces at his/her own expense an appraisal acceptable to the Servicing Carrier and END 19 is attached.

B. Non-Pleasure Use

Used for renting, driver training, demonstration, sales office or any other business or commercial purposes.

C. Pleasure Use

Used for pleasure/recreational purposes, including driving to and from work.

D. Rating for more than one use

If a vehicle is used for more than one purpose, the highest rated class (based on premium) must be used regardless of the percentage of exposure.

Example

The Insured has a motorcycle used for courier purposes and for pleasure. Rate the vehicle for courier delivery.

Rule 405: Not applicable

Rule 406: General Definitions

A. List Price New

The Manufacturer's Suggested Retail Price (MSRP) new (plus taxes) of the vehicle/unit, including the cost of any customizing features and all permanently attached equipment.

For snow vehicles and all terrain vehicles, list price new must be established by using the price in one of the industry publications such as *Sanford Evans Gold Book* (Suggested Factory Price or MSRP) or the *Canadian ATV, Snowmobile & Watercraft Dealers Blue Book* (Original Retail Price). The figure found in these publications must

Rule 407: Policy Issuance – General

A. Vehicle Not Used on Public Roads

The object of the Facility Association, as stated in the Plan of Operation is to 'ensure the availability of automobile insurance as required by law'.

A vehicle (e.g. snow vehicle, all terrain vehicle, dirt bike) operated solely on the Applicant's own land may not be required to be registered/licensed in which case Provincial/Territorial Acts do not require a motor vehicle policy. FA will decline to provide insurance to the owners of vehicles that are not required by law to be insured.

In the event the vehicle is registered/licensed, and a motor vehicle policy is required, FA will, in those cases, provide an automobile policy. Agents/Brokers must confirm with the Insured that the vehicle is (or will be) registered/licensed and provide such confirmation to the Servicing Carrier at the time of application. This may take the form of a statement to that effect in the remarks section of the application.

Where FA is required to provide coverage, i.e.

- the vehicle is licensed;
- the vehicle is principally operated by a driver under age 16;
- and the rating is dependent on driving record;

The driving record assigned to that driver shall be no greater than 0 until the operator has reached age 16.

B. END 32 – Recreational Vehicle Endorsement

This endorsement is permissible on any vehicle of the types specified in the standard endorsement whether the vehicle is registered/licensed for road use or off road use. The vehicle types are as follows:

All Terrain Vehicles	Motor-assisted Vehicles
Dune Buggy	Motor Scooters
Midget Automobiles	Motorized Toboggans
Mini-cycles	Snow Vehicles
Mopeds	Snow Planes
Trailbikes	

C. Calculating Premium for Short Term Policies and Midterm Changes

Due to the nature of the following vehicles and the seasonal use to which they may be put, special premium calculation procedures are applicable to Liability, Accident Benefits, Collision and END 44 coverages if the period of insurance is less than 12 months either from addition or deletion of coverage or cancellation:

1. Motorcycles and Mopeds

The premium is calculated in accordance with Rules 419:C and 419:D (Short Term Table 3).

2. Snow Vehicles

The premium is calculated in accordance with Rules 419:C and 419:D (Short Term Table 4)

3. Antique Automobiles

The premium is calculated in accordance with Rules 419:C and 419:D (Short Term Table 3).

The Comprehensive and Specified Perils premiums are calculated in accordance with Rules 419:C and 419:D (Short Term Table 1).

D. Use Outside Jurisdiction in Which Vehicle is Registered

If there is regular or frequent use of a vehicle outside the jurisdiction in which the vehicle is usually garaged, full details must be submitted to the Servicing Carrier so that the appropriate rates may be established. Refer to Rule 427.

E. Driver Record Abstracts & Convictions

Motorcycles, Mopeds and Motorhomes

Driving record abstracts and previous insurance history reports are required for motor homes.

Driving record abstracts are required for motorcycles and mopeds.

Off Road Vehicles and/or Antique Vehicles

Driver record abstracts and previous insurance history reports are not obtained for persons who operate only off road vehicles and/or antique vehicles.

Traffic offence convictions that do not relate to off road vehicles or antique vehicles are not used in the rating of these vehicles.

F. END 20 – Loss of Use Endorsement

Facility Association does not provide this coverage for recreational vehicles.

G. After Market Sound and Electronic Communication Equipment

Where the vehicle is equipped with sound or electronic communication equipment, other than factory installed equipment, application of either the END 37 or END 38 is mandatory. See Rule 442: Endorsements Applicable to POL 1 (Owner's Policy).

END 37 - Limitation to Automobile Sound and Electronic Communication Equipment

Where a vehicle is covered for Comprehensive or Specified Perils, this endorsement must be added if the Insured does not wish to purchase additional coverage.

END 38 – Increased Limit, Automobile Sound and Electronic Communication Equipment

Where a vehicle is covered for Comprehensive or Specified Perils, and the Insured wishes to purchase additional coverage for the equipment, this endorsement may be added.

Additional coverage may be purchased at a rate of \$30 per \$1,000 or part thereof, on the value in excess of \$1,500. Documentation (appraisal or receipts) is necessary to substantiate the value stated in the endorsement. The endorsement must be signed by the Insured.

For example: END 38 has a limit of \$4,300. The premium for END 38 shall be \$90.

H. END 40 – Fire and Theft Deductible

Where the vehicle is covered for Comprehensive or Specified Perils, the deductible applicable to the coverage is also applicable to fire losses and to theft of the entire vehicle. This endorsement is mandatory for all motorized vehicles described in the Recreational Section of this manual.

Rule 408: Trailers, Motor Homes & Camper Units

Definitions, Rating and Policy Issuance

1. Trailer

A unit designed to be towed by a motor vehicle and falling into one of the following categories:

- Cabin or Home Trailer
- Tent Trailer
- Other Trailer designed for pleasure use (e.g. boat trailer, utility trailer or horse trailer used for pleasure only).

Trailer used only with a Motorcycle/Moped

See Rule 409: Motorcycle/Moped Trailer.

2. Motor Home

A self-propelled vehicle containing living quarters that are an integral part of the vehicle and not removable.

Some vehicles are manufactured with refrigerator, stove, sink and bed as standard equipment. An example is the Volkswagen Vanagon. Where a vehicle such as this is listed in the Private Passenger Rate Group Table, the vehicle is to be rated as a private passenger vehicle and not a motor home.

Commercial/Public Vehicles converted to Motor Homes

Where the Insured requires coverage on such a vehicle before the conversion has taken place, Liability and Accident Benefits coverages only may be provided. Physical damage coverage is not available.

The vehicle will be rated in accordance with the rules in the Private Passenger Section.

Once the conversion or reconstruction of the vehicle is complete, the rating for the vehicle will be amended to that for a motor home. An appraisal will be required before physical damage coverage can be added. The rate group for physical damage will be based on the appraised value. See Rule 432: Home Made Vehicles/Reconstruction. The insurance shall be subject to END 19 (Limitation of Amount) which must be attached to the policy and a copy signed by the Insured. END 19A (Valued Automobile) is not available.

Physical Damage

Except as otherwise stated for motor homes to be rated in the Private Passenger Section and for commercial/public vehicles being converted to motor homes, rate groups are established as follows:

- If the value of the vehicle is less than \$15,000 the rate group for physical damage may be based on the limit chosen by the Insured subject to END 19 or the rate group may be established using list price new.

- If the value of the vehicle is \$15,000 or more, the rate group for physical damage must be established based on list price new.

END 19 is not required where the rate group is based on list price new.

3. Camper Unit

A specifically constructed unit for living purposes, mounted on and removable from a vehicle. Non-owned camper units may be covered by attaching END 31 (Non-Owned Equipment) and rating as outlined in Rule 442: Endorsements Applicable to POL 1 (Owner's Policy).

Physical Damage

For physical damage coverage, camper units are rated based on list price new fully equipped, independently of the vehicle on which they are mounted. The deductibles applicable to the camper unit must be the same as the deductibles for the vehicle on which the camper unit is mounted.

4. Non-Pleasure Use

Rentals and Driver Training:

See Rule 435: Short Term Rental and Rule 437: Driver Training Vehicles.

Other: Special rates found in the Schedule of Rates apply to Liability and Accident Benefits. There are no special rates applicable to physical damage coverage.

Rule 409: Motorcycles & Mopeds

A. Definitions

1. Motorcycle

A self-propelled vehicle designed to travel on two or three wheels, steered by handlebars and having a seat or saddle for the use of the driver. This includes 'motor scooters' 'mini-bikes' and motorcycles converted for use on snow and ice. This definition does not include mopeds, vehicles designed and used for commercial purposes and vehicles licensed but not for road use.

Rule 419.D.3 provides direction for calculating additional premium when a motorcycle/ski bike will be operated from November through February.

A motorcycle that has been converted solely for use during the winter months will be rated as a motorcycle with no additional premium charged for the period November through February.

2. Moped

A vehicle defined in Canadian federal regulations or under similar legislation as a moped, power bicycle or motor driven cycle. Where no such definition exists, a moped shall be defined as a bicycle with an attached motor. The

motor is driven by electricity or has a piston displacement of not more than 50 cubic centimetres.

The operator of a moped must meet the licence requirement of the jurisdiction in which the vehicle is operated.

B. Driving Record

1. Driving Record Entitlement

The full number of years immediately preceding the commencement date of the period of insurance for which:

- the principal driver has continuously held a valid operator's licence; and
- there have been no chargeable accidents

Regardless of the period during which an operator has held a Learner's Licence/Permit or Level One Licence, the risk will qualify for only Driving Record 0 until a regular motorcycle licence is obtained.

Years Licensed	Learner Level 1	Valid or Level 2
Less than 1	0	0
1 Year	0	1
2 Years	0	2
3 Years	0	3
4 Years	0	4
5 Years	0	5

Where an accident or conviction surcharge (15% or more) is applied to a vehicle premium, a maximum of Driving Record 3 shall be allowed.

The driving record established applies to all coverage for which a driving record is a factor. There is no split rating. A chargeable accident will affect the rating of Liability, DCPD (*Not available in Northwest Territories, Nunavut and Yukon*) and Collision coverages.

2. Calculating Driving Record with a Licence Suspension/Cancellation/Lapse

Suspension of Operator's Licence can be one of two types:

A. Suspension for cause:

A driver's licence suspension or cancellation for more than two weeks resulting from a conviction or an accumulation of demerit points.

With suspensions for cause

- For the total of all suspensions within the last 5 years, deduct 1 year for each year (or partial year) of suspension from the driving record (maximum Driving Record 3).

Example 1.

Principal operator is eligible for Driving Record 4. Driver has 6 month suspension for demerit points. Now qualifies for Driving Record 3.

Example 2.

Principal operator is eligible for Driving Record 4. Driver has been reinstated after an 18 month suspension for convictions. Now qualifies for Driving Record 2.

B. Administrative Suspension / Cancellation / Lapse:

A suspension/cancellation/lapse for one year or more for any reason other than those outlined in item A.

With administrative suspension / cancellation/lapse:

- If the total time the driver's licence has been suspended/cancelled/lapsed is less than 1 year in the past 5 years, the driving record will not be affected.
- If the total time the driver's licence has been suspended/cancelled/lapsed is 1 year or more in the past 5 years, the driving record will be reduced by 1 for every year (or partial year) suspended/cancelled/ lapsed.

Example 1.

Risk is eligible for Driving Record 4. One operator has 10 month suspension for unpaid fines. Risk still qualifies for Driving Record 4.

Example 2.

Risk is eligible for Driving Record 4. One operator has 24 month suspension for unpaid fines. Now qualifies for Driving Record 2.

A person whose licence has been cancelled or lapsed for five or more years immediately preceding the commencement date of this insurance shall initially be rated Driving Record 0 whether or not a new licence has been obtained.

3. Valid Operator's Licence

A valid licence to drive the **type** of vehicle concerned. A Learner's Permit/Licence or Level One Licence where there is Graduated Licensing will be regarded as a valid operator's licence except as it pertains to the accumulation of experience.

The operator of a Moped must meet the licence requirements of the jurisdiction in which the vehicle is operated.

For purposes of policy issuance, the operator of a motorcycle must possess a valid driver's licence. Where the operator fails to have the proper class of licence, the policy will be issued at Driving Record 0. If evidence of the correct class of licence is not provided to the Servicing Carrier within 30 days, the policy will be cancelled by registered letter.

4. Age

The driver's age on the last birthday preceding the commencement date of the period of insurance. In the case of an additional or substitute driver, the driver's age as of the effective date of the addition/substitution. No grace period is permitted with respect to age. If for example, the driver will be 21 two days after the effective date of the policy, the policy must be issued on the basis that the Insured is 20 as that was the Insured's age at the commencement of the period of insurance. Midterm change due to age is permissible, provided a request is received by the Servicing Carrier within 30 days of the birthday. If the request is received after 30 days, then the change will be effective at 12:01 a.m. following the date the Servicing Carrier receives the request and backdating will not be permissible.

5. New Drivers

Where the Applicant, actual owner or operator holds only a Learner's Licence/Permit or Level One Licence, the risk will qualify for only Driving Record 0 until a regular motorcycle licence is obtained. Refer to Rule 409:B.1.

Accumulation of experience begins only when a permanent licence (Level 2) is obtained. A newly licensed driver will qualify for only Driving Record 0 for the first year. 'Newly licensed' does not include Learner's Licence/ Permit or Level One Licence.

A licensed (above level 1) new driver shall be rated at Driving Record 0. For each year the driver has no at fault claims or no licence suspensions, the driving record will progress up to a maximum of Driving Record 3.

Maximum of Driving Record 2 is applicable for any driver having a licence suspension within the past 3 years.

6. Driver Training

Driver training credit is no longer available.

C. Rating Notes – Optional Physical Damage

1. Vehicle Rate Group

The limit chosen for END 19 must include the value of the vehicle and any additional accessories and customization including sidecars. The vehicle's rate group is established from that amount using the Rating Group Table and the factors found on the Motorcycles and Mopeds rate pages.

If the value of the vehicle is less than \$15,000 the rate group for optional physical damage (if purchased) will be based on the limit chosen by the Insured.

If the value of the vehicle is \$15,000 or more, the rate group for optional physical damage (if purchased) must be established in accordance with the following conditions:

a) Where the vehicle is newly acquired from a dealer, a copy of the purchase agreement (dated within the 15 days prior to the effective date of the insurance) must be

attached to the application or the change request. The purchase agreement must confirm the vehicle's year, make, model, serial number and purchase price.

b) In any other case, the value must be substantiated by a certificate (including photo) from an independent appraiser acceptable to the Servicing Carrier. The certificate must be obtained at the Applicant's expense and must be attached to the application or the change request.

2. END 19 – Limitation of Amount

This endorsement must be applied to every vehicle on which optional physical damage coverage is provided. The endorsement requires the Insured's signature.

3. END 40 – Fire and Theft Deductible

This endorsement must be applied to every vehicle on which Comprehensive or Specified Perils coverage is provided. The endorsement requires the Insured's signature.

4. Motorcycles 750 cc and over

At the Servicing Carrier discretion, the following may be required to apply Comprehensive/Specified Perils coverage:

a) **Bill of Sale:** Where the vehicle is newly acquired from a dealer, a copy of the purchase agreement must be attached to the application or the change request. The purchase agreement must confirm the vehicle's year, make, model, serial number and purchase price.

OR

b) **Independent Appraisal:** The report at minimum should verify the vehicle year, make, model and serial number with the information shown on the vehicle registration and on the application. This report must be obtained at the Applicant's expense and must be attached to the application or change request.

OR

c) **Motorcycle Inspection:** The Agent/Broker completes the Motorcycle Inspection Report verifying that they have seen the vehicle and has verified its licence number, year, make, model and serial number with the information shown on the vehicle registration and on the application.

5. Motorcycle & Sidecar

A motorcycle and sidecar are to be treated and rated as **one** vehicle.

6. Motorcycle/Moped Trailer Liability and Accident Benefits

No charge

Physical Damage

Establish the rate group based on the trailer's value.

Establish the physical damage premium by rating the trailer as though it were a motorcycle. Charge 10% of that premium.

For reporting under the Automobile Statistical Plan the trailer is identified as such by use of Driving Record code '7'.

7. Non-Pleasure Use Commercial Vehicle:

If the vehicle is designed and used for commercial purposes, it is rateable in the Commercial or Public Sections of this Manual. The vehicle rate group and minimum deductibles must be established using Rate Group Table II in the Commercial Section of this manual. e.g. A three wheel motorcycle with a box built in between the rear wheels that permit the carriage of small packages for delivery purposes.

Rentals and Driver Training:

See Rule 435: Short Term Rentals and Rule 437: Driver Training Vehicles.

Other Non-Pleasure Uses:

See the Special Use Factors in the Schedule of Rates.

8. Motorcycles Converted for Use on Snow and Ice

These are to be rated using motorcycle rates. Motorcycle rates are established for seasonal use during the months of March through October as shown in Rule 419:D. under Short Term Table 3. When a motorcycle is converted for use during the winter months the period of exposure increases and requires an additional premium.

D. Premium Determination

The rate pages are to be used in conjunction with the following instructions:

1. Establish the territory.
2. Establish the vehicle type.
3. Establish the driving record.
4. Establish the vehicle's rate group.
5. Establish a premium for each coverage from the rate page.
6. Apply accident and conviction surcharges if required as outlined in Rule 425.
7. Apply Rule 407:C if the period of insurance is less than one year.

Rule 410: Not applicable

Rule 411: Off Road Vehicles

A. Definitions

1. All Terrain Vehicle (A.T.V.)

A self-propelled vehicle licensed but not for road use, excluding those vehicles that meet the definition of a

private passenger vehicle (see **Private Passenger Section**). It is designed for use off road on rugged terrain or on both land and water. It includes 'dune buggy', 'trail bike' and 'all terrain cycle' but not snow vehicle unless adapted for year round use. If a snow vehicle has been adapted for year round use, it shall be rated as an all terrain vehicle but is subject to the provisions outlined under Rule 432: Home Made Vehicles / Reconstruction.

2. Snow Vehicle

A self-propelled vehicle designed to be driven exclusively on snow or ice.

B. Rating & Policy Issuance Notes

The Schedule of Rates is to be used in conjunction with the following instructions:

1. All Terrain Vehicle

Two or Three Wheeled Vehicles

Two or three wheeled vehicles are to be rated using motorcycle rates and not as all terrain vehicles. Initially, these vehicles will be rated at Driving Record 0 and the driving record will increase by 1 each year thereafter as experience in Facility Association warrants. The physical damage coverages are subject to END 19 and 40; however, Short Term Table No. 3 does not apply.

Other All Terrain Vehicles

The Liability premium is dependent on the vehicle's engine capacity and horsepower.

2. Pickups, 4x4s and Similar Vehicles Designed for Road Use

These vehicles may be licensed for off road use only. If used for pleasure purposes, rate in the Private Passenger Section of this manual. If used for commercial purposes, rate in the Commercial Section of this manual.

Optional Physical Damage

Except as otherwise stated for Pickups, 4x4s and Similar Vehicles Designed for Road Use, rate groups are established as follows:

If the value of the vehicle is less than \$15,000 the rate group for optional physical damage (if purchased) may be based on the limit chosen by the Insured subject to END 19 or the rate group may be established using list price new.

If the value of the vehicle is \$15,000 or more, the rate group for optional physical damage (if purchased) must be established in accordance with the following conditions:

- a) Where the vehicle is newly acquired from a dealer, a copy of the purchase agreement (dated within the 15 days prior to the effective date of the insurance) must be attached to the application or the change request. The purchase agreement must confirm the vehicle's year, make, model, serial number and purchase price.

- b) In any other case, the value must be substantiated by a certificate (including photo) from an independent appraiser acceptable to the Servicing Carrier. The certificate must be obtained at the Applicant's expense and must be attached to the application or the change request.

3. Amphibious Vehicles – Marine Use excluded

In respect of amphibious vehicles (designed for use on both land and water), END 9 is mandatory so as to exclude coverage while the vehicle is in or upon water or being launched or landed. Amphibious vehicles include vehicles designed to be used in muskeg, swamps/bogs or to cross streams.

4. Snow Sleds, Toboggans or Komatiks

Liability and Accident Benefits

No charge

Physical Damage

Establish list price new and rate according to the physical damage premiums for snow vehicles found in the Schedule of Rates.

Note:

If an Insured produces at his or her own expense an appraisal acceptable to the Servicing Carrier then the all terrain or snow vehicle may be rated according to the actual cash value (plus applicable tax). END 19 is mandatory if rated on actual cash value..

C. Non-Pleasure Use

1. Public Vehicle

If the vehicle is used in the manner of a public vehicle, it must be rated in the Public Section of this manual in accordance with all the rules of that section (including the establishment of rate group).

2. Rentals and Driver Training

See Rule 435: Short Term Rentals and Rule 437: Driver Training Vehicles.

3. Other Non-Pleasure purposes

- a) If the Gross Vehicle Weight exceeds 1 tonne (2,200 lbs.) or is a snow groomer of any weight the vehicle is rated as a commercial vehicle in accordance with all the rules of that section. The Rate group must be established using Rating Group Table II in the Commercial Section of this manual.

- b) Otherwise, see the Special Use Factors on the rate page.

D. Premium Determination

The rate pages are to be used in conjunction with the following instructions:

1. Establish the territory.
2. Establish the vehicle type.
3. Establish the vehicle's rate group.
4. Establish a premium for each coverage from the rate page.
5. Apply accident and conviction surcharges if required

as outlined in Rule 425.

6. Apply Rule 407:C if the period of insurance is less than one year (Snow Vehicles).

Rule 412: Antique and Classic Vehicles

A. Definition

A vehicle that is a collector's item, used only in parades, exhibitions, auto club activities and other such functions and not for regular transportation. The vehicle must have a special antique vehicle plate issued by the jurisdiction in which it is registered. If the jurisdiction does not issue such plates, the vehicle must be at least 30 years old. The vehicle must not be changed or modified in any way from the original manufacturer's product and must be coded as 67 under the Statistical Plan.

A 'classic vehicle' is rated as an antique vehicle if it meets the preceding definition otherwise it is to be rated in the appropriate section of this manual according to its type and use.

B. Physical Damage

1. Appraisal

The value of the vehicle must be substantiated by a certificate from an independent appraiser (acceptable to the Servicing Carrier) who is a recognized authority on the valuation of antique vehicles. The certificate must be obtained at the Insured's expense.

2. Amount of Insurance

END 19 (Limitation of Amount) is to be attached to the policy showing the appraised value of the automobile as the maximum amount of insurance.

END 19A (Valued Automobile) is not available.

C. Annual Premium Rates

1. Liability, Accident Benefits:

Charge 60% of private passenger rate Class 01 Driving Record 3 in the rating territory concerned.

2. Physical Damage

Rates per \$1,000 of the appraised value of the vehicles are shown in the Schedule of Rates.

Factors for other deductibles when the base deductible is \$250:

Deductible	Comprehensive Specified		
	Collision	Perils	
100	N/A	N/A	N/A
250	1.00	1.00	1.00
500	0.86	0.90	0.92

Deductible	Comprehensive Specified		
	Collision	Perils	
750	0.79	0.86	0.88
1,000	0.75	0.83	0.85
1,250	0.72	0.81	0.83
1,500	0.70	0.80	0.82

1,750	0.69	0.795	0.815
2,000	0.68	0.79	0.81
2,250	0.675	0.785	0.805
2,500 or more	0.67	0.78	0.80

Note: Refer to Rule 401 for minimum deductibles.

3. Short Term Insurance

Apply Rule 407:C if the period of insurance is less than one year.

Rule 413: Endorsement Forms/ Wordings

Changes to standard approved forms are not permitted.

Rule 442: Endorsements Applicable to POL 1 (Owner's Policy) provides certain details and rating instructions for approved endorsement forms. The descriptions are brief and reference must be made to the actual wordings of these forms to ascertain the full provisions and restrictions.

Certain endorsements require a signature. Where no signature is obtained, the policy may be cancelled in accordance with the Statutory Conditions or the endorsement may be deleted and the policy rated accordingly.

If a vehicle is registered in both the husband's name and the wife's name, endorsements that require signature must be signed by both husband and wife. If it is discovered that a policy is covering two vehicles (one registered in the husband's name and one in the wife's name), both signatures shall be required on any endorsements that require signature.

Provided the endorsement form does not indicate the expiry date of the policy and continues to refer to a particular vehicle (policy vehicle item number did not change), once an endorsement form has been signed, it need not be signed again on subsequent policy renewal terms.

Rule 414: Premiums

A. Premium Quotations

The Agent/Broker is responsible for calculating premiums in accordance with this manual, including the 'base' premiums applicable to experience (fleet) rated risks. Experience rated risk premiums are calculated at Driving Record 0.

Where there is any doubt on the matter, the Servicing Carrier will be pleased to assist in establishing risk classifications, but the Servicing Carrier shall not make

premium quotations except where the manual does not provide for the particular coverage required.

The Servicing Carrier shall require clarification from the Agent/Broker if the information on the application contradicts the quoted premium.

B. Manual Rates

The rates published in this manual are for annual policy terms. For six month policies charge 52% of the annual premium **except** for motorcycles/mopeds, snow vehicles and antique vehicles. See Rule 415: Policy Term and Rule 419: Time on Risk Tables.

C. Premium Rounding

The premium for each coverage shall be rounded to the nearest whole dollar. A premium that includes 50 cents or more shall be rounded up to the next whole dollar. (\$46.56 will be rounded up to \$47.00 and \$46.44 will be rounded down to \$46.00.)

This applies to all premium transactions, including refunds except where the policy is cancelled by registered letter at the request of the Agent/Broker or by the Servicing Carrier. In that event, the return premium shall **always** be rounded up to the next whole dollar (\$45.10 will be rounded up to \$46.00).

D. Minimum Premium/Minimum Retained Premium

The minimum premium for any recreational vehicle policy or renewal and, the minimum retained premium in the event of cancellation of the policy, is \$25, regardless of the term of insurance. The minimum retained premium must be stated on the declaration page of the policy.

Rule 415: Policy Term

Every policy and renewal shall be issued for a term of either one year or six months, excluding seasonal vehicles (motorcycles, mopeds, antique vehicles and snow vehicles) which shall be issued for one year.

A short term policy may be issued in the event that the vehicle/item is in transit in or through the jurisdiction, i.e. a single trip from a location within a jurisdiction in which Facility Association operates to another location within a jurisdiction in Canada or the continental U.S. A short term policy may also be issued for a vehicle being temporarily operated in a jurisdiction in which it is not registered.

The Servicing Carrier may accept an application for a short term policy and issue the policy accordingly or accept an application for a 6 or 12 month term excluding seasonal vehicles (motorcycles, mopeds, antique vehicles and snow vehicles) which shall be issued for one year and a cancellation voucher signed to provide coverage for only the shortened term.

The premium for the policy shall be calculated using the highest rated territory of the originating jurisdiction and the applicable short term table in this manual, subject always to the minimum retained policy premium. See also Rule 434: Purchasing Vehicles in Jurisdiction Where FA Does Not Operate and Rule 400:C. Non-Residents and Vehicles Not Registered in Jurisdiction.

Policies subject to Rule 438: Fleets cannot be issued for a term of 6 months.

Rule 416: Policy Changes

A. A change to a policy shall not be processed if:

- a) The change is substantial e.g. the Insured is covered under POL 1 and now requires POL 4 or 6 instead. A new policy may be necessary. If in doubt, the Agent/Broker should contact the Servicing Carrier for direction. If a new policy is required, a new application must be submitted. The existing policy shall be cancelled pro rata.
- b) There is a change of the jurisdiction in which a vehicle is registered and the vehicle must be registered in the new jurisdiction. The insurance on the vehicle must be cancelled. Upon receipt of a copy of the replacing policy application, or temporary liability card from the new jurisdiction, the refund shall be calculated on a pro rata basis, subject to the minimum retained premium.

B. Name of Insured When Adding or Deleting Vehicles

Leased Vehicles

- Where the Insured has a leased vehicle and is returning the vehicle to the lessor and replacing it with an owned vehicle, provided there is no change in the name of the Insured (the person who actually applied for the insurance), the change to remove the lessor's name from the policy and the vehicle substitution may be made by endorsement. A release of the lessor's interest must be obtained or comparable notification of the change must be sent to the lessor by registered mail.
- Where an Insured has an owned vehicle, and is now obtaining a leased vehicle and disposing of the owned vehicle, the change to the vehicle and name of Insured may be made by endorsement, provided there is no change in the name of the Applicant, other than to add the lessor's name to the policy.
- In situations where the Insured has an owned vehicle and a leased vehicle, separate policies may not be necessary for each vehicle. Where an Insured has two or more vehicles leased from

different leasing companies, a separate application is required for each vehicle.

Owned Vehicles

Two or More Names as Registered Owner of the Vehicle:

Where an application is received for vehicle(s) registered in two names, such as Pat and Drew Doe, the application must be signed by both parties. In the event the policy is to be cancelled at the Insured's request, both signatures are required on the request for cancellation. If the situation is other than the Applicant and spouse, refer to the Servicing Carrier prior to quoting or binding to verify the rating.

Two or More Vehicles Registered to Different Names:

If the Applicant has vehicles leased from different leasing companies or, one vehicle registered for example in the father's name and one in the son's name, separate policies must be maintained.

C. Amending or Deleting Coverage on Vehicles with Lessees or Lienholders

Where physical damage coverage is being amended or deleted on a leased vehicle or a vehicle on which there is a lienholder, the Servicing Carrier must send a notice to the lessor or lienholder to advise of the coverage being amended or deleted and the effective date of the transaction.

D. Binding Coverage - Policy Changes

If the change involves a vehicle for which proof of insurance has been filed or is required, please also see Rule 426: Proof of Insurance. Before binding coverage the Agent/Broker must collect or assume responsibility for any indicated additional premium.

Procedure of notification

- 1) The Agent's/Broker's procedure for reporting changes to the Servicing Carrier must be acceptable to the Carrier. The request for change must be made in writing and **specify the effective date and the effective time.**
- 2) Faxed or mailed policy change requests are acceptable.
- 3) If the policy change request cannot be sent to the Servicing Carrier on the date the Insured makes the request, it must be sent to the Servicing Carrier on the next working day.
- 4) The Servicing Carrier shall normally issue any required endorsement, updated Certificate of Insurance (if required) and permanent liability card (if required) within 30 days of the effective date of the change.
- 5) Coverage may not be shown as effective prior to the date and time that the request was received

by the Agent/Broker from the Insured, except when contractual coverage exists automatically under the policy and notice is given within the time permitted. A permissible policy change is in effect as of the time and date requested.

- 6) Where a vehicle is being added or substituted, a copy of the valid vehicle registration will be required with the request for the policy change. If the registration cannot be submitted with the request for policy change, a copy of the registration must be submitted within 30 days of binding coverage.
- 7) Before physical damage coverage can be bound on a vehicle branded as 'salvage' or 'rebuilt', a valid vehicle registration and, at the Servicing Carrier's discretion, a current safety certificate must be provided to the Servicing Carrier with the policy change request.

Where a copy of the valid registration is not provided, the following shall apply:

- The vehicle(s) shall be added or substituted at the correct premium.
- If any registration is not provided within 30 days of the date requested by the Servicing Carrier, the policy shall be cancelled by registered letter.
- If the missing registration(s) is provided before the cancellation takes effect, the policy may be reinstated.
- Agent/Broker may submit a new application for the vehicles meeting the registration requirement.

E. Deletions of Vehicles and Coverages

- a) If the request for deletion is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) within 30 days of the date the deletion is to be effected, the deletion shall take effect at 12:01 a.m. on the date that it was requested to be effective. In the event that the deletion was specifically requested to be effective at a time other than 12:01 a.m., the deletion will be effected at 12:01 a.m. the following day.

For example: The Insured requests deletion of the vehicle/coverage to be effective September 5. The deletion request is received by the Agent/Broker on September 20. The Servicing Carrier will issue the policy change effective 12:01 a.m. September 5. If the Insured requested the deletion to be effective at 3:40 p.m. on September 5, the Servicing Carrier will delete the vehicle/ coverage effective 12:01 a.m. on September 6.

- b) If the request for deletion is received by the Agent/Broker (or Servicing Carrier if received directly from Insured) more than 30 days after the date the deletion was requested to be effected, the deletion will take effect at 12:01 a.m. on the date that the deletion request is received by the Agent/Broker (or Servicing Carrier if received directly from Insured).

For example: The Insured requests deletion of a vehicle/coverage to be effective September 5. The deletion request is received by the Agent/Broker on October 10. The Servicing Carrier will delete the vehicle/coverage effective 12:01 a.m. October 10.

NOTE for a) and b)

If the date the request was received by the Agent/Broker is not evident, the Agent/ Broker will be asked to provide proof of the date received acceptable to the Servicing Carrier. If proof cannot be provided, the request will be processed effective 12:01 a.m. on the date received by the Servicing Carrier.

- c) In the event that the **vehicle has been sold**, and a copy of the bill of sale satisfactory to the Servicing Carrier is produced, the vehicle shall be deleted the day after the vehicle is sold.

For example: The vehicle was sold June 5. The Servicing Carrier does not receive the request to delete until September 5. If the Insured can produce a satisfactory bill of sale, the Servicing Carrier will delete the vehicle effective 12:01 a.m. June 6.

- d) In the event that a vehicle has been **written off** in a claim, deletion shall not be effected prior to the day after the loss occurred. If the request for vehicle deletion is received more than 30 days after the date of loss, the deletion shall be effected:
 - i) The day after the salvage is signed over to the Insurer
 - or
 - ii) The date the policy is no longer under the temporary substitute auto provision, if that date is later than the date salvage was signed over.

For example: The vehicle has been written off in a claim June 1. On September 1, the Servicing Carrier receives a request to delete the vehicle effective June 1. Upon checking with the claims department, the Servicing Carrier ascertains that salvage was signed over to the claims department on June 15. However, the Insured had a rental vehicle covered under the policy's temporary substitute auto coverage until June 20. The Servicing Carrier will delete the vehicle effective 12:01 a.m. June 21.

- e) In the event the Insured has placed coverage through the voluntary market, upon receipt of a copy of the replacing policy application for the deleted vehicle or temporary liability card, the Servicing Carrier shall delete effective the date that the replacement coverage took effect.

Servicing Carriers shall proceed with deletion as outlined in a) or b) unless the Servicing Carrier is aware or is made aware, that the circumstances outlined in points c), d) or e) exist.

F. New or Replacement Driver

If the change includes an additional or replacement driver, the Servicing Carrier shall be required to verify the driving history by ordering:

- a) Driver record abstract obtained from the appropriate government department in each Canadian or U.S. jurisdiction in which the driver has been licensed in the previous three years.

On experience (fleet) rated risks, the abstract is not required.

Driver record abstracts are not to be obtained for the operators of any snow vehicles, dirt bikes, all terrain vehicles or antique vehicles to be insured.

- b) Previous insurance history obtained on the additional or replacement driver(s). This may be an electronic report ordered from a service provider, letters from previous carriers or telephone calls to previous carriers (which must be properly documented on file including name of persons spoken to, date, time etc.). Insurance history is not required for snow vehicles, dirt bikes, all terrain vehicles or antique vehicles.

If the information is different from that reported, to the extent that the premium or coverage requires amendment the Servicing Carrier shall promptly issue a correcting endorsement.

G. Midterm Policy Change Premium Calculation

In regard to the period licensed, period of ownership, the period since the date of an accident, the period since the date of a conviction, the rating is always based on the position as at the effective date of the policy period, (or, in the case of a subsequent addition/substitution of a driver or addition of a vehicle as at the addition/substitution date). Midterm rerating is NOT permissible in respect of changes that occur in regard to those matters during the period of insurance merely because of the lapse of time.

Midterm change due to age is permissible, provided a request is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) within 30 days of the birthday. If the request is received after 30 days, then the change will be effective at 12:01a.m. the date the Agent/Broker (or Servicing Carrier if received directly from the Insured) receives the request and back dating will not be permissible.

Rates to be used

Addition of a vehicle:

Rates in effect at the effective date of the transaction.

Addition of a coverage or other midterm transactions:

Rates in effect at the start of the policy period.

Method of premium calculation:

Premiums for midterm policy changes are calculated pro rata by using the Day Table except in the case of snow vehicles, motorcycles/mopeds and antique vehicles. For those vehicles, Short Term Tables 3 and 4 are to be used for all coverages except Comprehensive/Specified Perils for which the Day Table is used.

Minimum premiums for midterm changes:

A minimum additional premium of \$5 shall be charged for any transaction that includes one or more of the following, regardless of the period of insurance:

- addition of a vehicle or a coverage
- increase of a Liability limit
- decrease of a deductible

Note 1: Any additional premium of **less** than \$5 may be waived by the Servicing Carrier unless mentioned above. Return premiums may not be waived.

Note 2: When a vehicle, not newly acquired, is substituted for another on the policy or added to the policy for less than 7 days, there will be a \$50 charge for each such transaction in excess of 2 in a 30 day period or more than 12 in a 12 month period.

Rule 417: Renewals

A. Before issuing a Renewal:

If the renewal involves a vehicle for which proof of insurance has been filed or is required, see Rule 426: Proof of Insurance.

Experience rated, garage and commercial risks may require the Agent/Broker to determine whether the information on record and/or coverages needs revision or updating.

A driver record abstract must be obtained for those risks where eligibility or rating is dependent upon driving history. These must be ordered on all drivers prior to every second renewal (for six month policies every fourth renewal).

Renewals shall only be offered on policies for annual or six month terms. Refer to Rule 415: Policy Term.

NOTE: Any risk where abusive or threatening behaviour of the Insured/Applicant/Driver within the previous 3 years has created a safety concern for Facility Association staff, Servicing Carrier staff or a representative acting on behalf of either and circumstances have been reported to police shall be non-renewed.

B. Accidents Occurring Between Renewal Process Date & Effective Date

Once a renewal or offer to renew has been processed, and the Servicing Carrier receives notice of an at fault loss that

occurred prior to the renewal's effective date, the Servicing Carrier shall amend the renewal rating accordingly.

C. Renewal Processing

1. Other than Direct Billing

Servicing Carrier Responsibilities

The renewal documents shall be issued by the Servicing Carrier and must reach the Agent's/Broker's address no later than 30 days prior to the policy's current expiry date.

Agent/Broker Responsibilities

Before releasing any renewal documents the Agent/Broker must collect or assume responsibility for the full renewal premium. In the case of experience (fleet) rated risks, where renewals may be late due to missing information, the Agent/Broker is responsible for the premium calculated at Driving Record 0. For other than experience rated risks, if the Servicing Carrier is unable to issue renewals in the required time period, the Agent/Broker must issue a temporary liability card to the insured and collect a downpayment based on the estimated annual premium for the upcoming renewal term.

or

Obtain a fully completed premium finance contract together with the full downpayment required and promptly send that contract to the premium finance company.

Renewal not accepted

If the renewal is not accepted by the Insured, the Agent/Broker must submit one of the following acceptable evidence of renewal refusal to the Servicing Carrier:

- a) Return all the renewal documents (including liability cards) to the Servicing Carrier;
OR
- b) Written confirmation that the renewal has been returned complete with liability cards to the Agent/Broker AND that the documents were destroyed in the Agent/Broker's office;
OR
- c) Provide a signed (i.e. written, electronic or auto signature) request from the Insured to cancel the policy effective the renewal date.

If the evidence of renewal refusal is received by the Servicing Carrier within 15 days of the renewal's effective date, a full refund shall be credited to the Agent's/Broker's Facility Association account. If evidence of renewal refusal is not received within 15 days, the renewal shall be cancelled on a pro rata basis effective the date it is received by the Servicing Carrier. The Agent/Broker shall be responsible for earned premium or minimum retained premium whichever is greater.

Renewals where acceptable evidence of refusal has been submitted to the Servicing Carrier for cancellation may not be reissued unless the Servicing Carrier receives instructions no later than the renewal's effective date and

the Agent/Broker collects or assumes responsibility for the full premium as outlined above.

If the renewal date has passed and the insurance is again required, there must be a new application and a new policy issued.

2. Direct Billing Renewals

Servicing Carrier Responsibilities

- a) For each policy an offer to renew shall be issued by the Servicing Carrier. The offer to renew must reach the Insured's last known address no later than 30 days prior to the policy's current expiry date.
- b) The payment due date must be clearly indicated on the offer to renew and must be the same as the policy's current expiry date.
- c) The renewal documents must not be released by the Servicing Carrier until the full premium is received or the required first payment is received on time by the Servicing Carrier (by first payment due date if a deferred premium payment plan is available). If this rule is followed, neither the Carrier nor the Agent/Broker incurs any responsibility for the premium. If the Servicing Carrier follows any other unauthorized procedure, the Servicing Carrier will be responsible for the earned premium for the time on risk calculated on a pro rata basis and will be required to stop offering a Direct Bill option.

Payment Not Received

If the required payment is not received by the Servicing Carrier within 15 days of the payment due date, the policy shall be treated as though it has expired and the Servicing Carrier shall advise the Agent/Broker accordingly within the following 10 days.

Rule 418: Cancellations

A. Midterm Cancellation - Effective Date

1. Received by Agent/Broker or Servicing Carrier within 30 days

If the request for midterm cancellation is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) within 30 days of the date the cancellation is to be effected, and no effective time is requested, the cancellation shall take effect at 12:01 a.m. on the date it was requested to be effective. In the event that the cancellation was specifically requested to be effective at a time other than 12:01 a.m., the cancellation shall be effected at 12:01 a.m. the following day.

For example: The Insured requests cancellation of the policy to be effective August 5. The cancellation request is

received by the Agent/Broker on August 20. The Servicing Carrier shall cancel the policy effective 12:01 a.m. August 5. If the Insured requested cancellation to be effective at 3:40 p.m. on August 5, the Servicing Carrier shall cancel the policy effective 12:01 a.m. on August 6.

NOTE: For flat cancellations of renewals, refer to Rule 418:E.4.

2. Received by Agent/Broker or Servicing Carrier after 30 days

If the request for cancellation is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) more than 30 days after the date the cancellation was requested to be effected, the cancellation shall take effect at 12:01 a.m. on the date that the cancellation request is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured).

For example: The Insured requests cancellation of the policy to be effective September 5. The cancellation request is received by the Agent/Broker on October 10. The Servicing Carrier shall cancel the policy effective 12:01 a.m. October 10.

3. Received by Servicing Carrier after 30 days and vehicle sold

In the event that the vehicle has been sold, and a copy of the bill of sale satisfactory to the Servicing Carrier is produced, the policy shall be cancelled the day after the vehicle is sold regardless of what that date might be.

For example: The vehicle was sold June 5. The Servicing Carrier does not receive the request to cancel until September 5. If the Insured can produce a satisfactory bill of sale, the Servicing Carrier will cancel the policy effective 12:01 a.m. June 6.

4. In the event of a total loss

In the event that a vehicle has been written off in a claim, cancellation shall be effected:

- a) The day after the salvage is signed over to the Insurer,
- or**
- b) The date the policy is no longer providing coverage on a rental vehicle under the temporary substitute auto provision, if that date is later than the date salvage was signed over.

For example: The vehicle has been written off in a claim June 1. On September 1 the Servicing Carrier receives a request to cancel the policy effective June 1. Upon checking with the claims department, the Servicing Carrier ascertains that salvage was signed over to the claims department on June 15. However, the Insured had a rental vehicle covered under the policy's temporary substitute auto coverage until June 20. The Servicing Carrier will cancel the policy effective 12:01 a.m. June 21.

5. Coverage placed in Voluntary Market

In the event the Insured has placed coverage through the voluntary market, upon receipt of a copy of the replacing policy application, or temporary liability card, the Servicing Carrier shall cancel the policy effective the date that the replacement coverage took effect.

Servicing Carriers shall proceed with cancellation as outlined in points 1 or 2 unless the Servicing Carrier is aware or is made aware, that the circumstances outlined in points 3, 4 or 5 exist.

B. Policies with Lessors or Lienholders

If the policy is being cancelled at the Insured's request, a release of interest must be obtained from the lessor or the lienholder. In the event the Servicing Carrier does not receive a release of interest from the lessor, a notice is to be sent to the lessor by registered mail to advise that the policy is being cancelled and the effective date of cancellation. If no release is received from the lienholder, a notice is to be sent to the lienholder (registered mail is not required) to advise that the policy is being cancelled and the effective date of cancellation.

If the policy is being cancelled at the Agent's/Broker's request or Servicing Carrier's initiative by registered letter, a copy of the registered letter must be sent to the lessor or lienholder by registered mail.

C. Where Proof of Insurance Has Been Filed

If proof of insurance has been filed, the notice period required by the authority must expire before cancellation can be effected, and therefore the Servicing Carrier shall cancel the policy effective the date the notice period expires. See Rule 426: Proof of Insurance.

D. Policy is Financed Through a Premium Finance Company

If a return premium is payable on a policy financed with a premium finance company, the gross refund is to be sent directly to the premium finance company **regardless of the reason** for cancellation. The Agent's/Broker's account shall be debited with the amount of the premium refund sent to the premium finance company.

E. Cancellation – Procedures

1. Cancellation at the request of the Insured or the Premium Finance Company – Broker Bill & Direct Bill

Cancellation requested by the Insured or the premium finance company under power of attorney must be made in writing in a format suitable to the Servicing Carrier.

Facility Association shall accept faxed signed and dated cancellation requests.

The return premium shall be calculated as follows:

For motorcycles, mopeds, snow vehicles, and antique vehicles use Short Term Table 3 or 4 for all coverages except Comprehensive/Specified Perils and Short Term Table 1 or 2 for Comprehensive/Specified Perils subject to any applicable minimum retained premium.

For all other vehicles being placed in the voluntary market calculate on a pro rata basis using the Day Table subject to any applicable minimum retained premium

For all other vehicles not being placed in the voluntary market use Short Term Table 1 or 2 subject to any applicable minimum retained premium.

If the policy is on Broker Bill, the Servicing Carrier shall credit the Agent's/Broker's account with the unearned premium refundable unless the premium is financed through a premium finance company.

2. Cancellation at the request of the Agent/Broker – Broker Bill

When additional premium cannot be collected on original quote

If the Agent/Broker cannot collect the additional premium arising from an increase to the premium originally quoted for new business:

- a) The Agent/Broker must advise the Servicing Carrier of the amount of premium collected and request that a notice of cancellation be issued to the Insured,

or

- b) The Agent/Broker must have the policy signed off. Facility Association shall accept faxed signed cancellation requests.

If the Agent/Broker reports non-payment of the additional premium within 30 days of receiving notice of those increases, the earned premium for cancellation shall be calculated pro rata on the Agent's/Broker's originally quoted premium. Otherwise, the earned premium shall be calculated pro rata on the revised premium. If a subsequent application is submitted by the same Agent/Broker to the same Servicing Carrier for substantially the same risk within 30 days of the effective date of cancellation of the first policy and, the Agent/Broker reports non-payment of additional premium, the earned premium shall be calculated pro rata on the revised premium.

Note: For policies for which premium is paid directly to the Servicing Carrier and the Carrier initiates cancellation the words 'Agent/Broker' will be read to mean Servicing Carrier.

When outstanding premium cannot be collected in all other cases

Agent/Broker Responsibilities

If cancellation of a policy is requested by the Agent/Broker due to inability to collect the full policy/renewal premium

or a subsequent additional premium, the Agent/Broker will be responsible for the time on risk charge which will be pro rata of the full premium.

The Agent/Broker must advise the Servicing Carrier of the amount of premium collected and request that a notice of cancellation be issued to the Insured.

Servicing Carrier Responsibilities

The Servicing Carrier shall promptly issue a registered notice of cancellation in accordance with the Statutory Conditions. The earned premium for cancellation shall be calculated pro rata on the full term premium at the time of cancellation.

When the Servicing Carrier issues a registered letter of cancellation, any unearned premium shall be refunded directly to the Insured (unless the policy is financed through a premium finance company) and the Agent's/Broker's account shall be debited for the amount of the refund and credited for the unearned premium.

3. Cancellation of Late Issued Renewals

If the Servicing Carrier is unable to issue renewals in the required time period, the Agent/Broker must issue a temporary liability card to the Insured and collect a downpayment based on the estimated annual premium (or the estimated semi-annual premium for 6 month policies) for the upcoming renewal term.

Once the renewal is issued, if the Insured does not accept the renewal premium, the Agent/Broker shall advise the Servicing Carrier of the amount of premium collected and request that notice of cancellation be issued to the Insured **or** shall have the Insured sign off the policy.

The Servicing Carrier shall then issue a registered letter of cancellation in accordance with the Statutory Conditions or issue the necessary cancellation documents. The earned premium shall be calculated pro rata based on the previous term premium.

4. Flat Cancellation

New Policy

Flat cancellation of a new policy is not allowed except as provided under Rule 418:E.6 Flat Cancellation Exceptions.

Additional Premium Policy Change

Flat cancellation of an additional premium policy change is not allowed.

Renewal

If evidence of renewal refusal is supplied by the Agent/Broker (per Rule 417) is received by the Servicing Carrier within 15 days of the renewal's effective date, a full refund shall be credited to the Agent's/Broker's Facility Association account. If evidence of renewal refusal is not received within 15 days, the renewal shall be cancelled on a pro rata basis effective the date it is received by the Servicing Carrier and the Agent/Broker shall be

responsible for earned premium. A written request acceptable to the Servicing Carrier, for cancellation effective renewal date shall be accepted in lieu of evidence of renewal refusal.

5. Cancellation of Renewals in Outlying Areas

– No longer applicable

6. Flat Cancellation Exceptions

1. Any policy returned to the Servicing Carrier complete with liability cards, prior to the effective date of the policy, may be cancelled flat.
2. Any policy returned to the Agent/Broker complete with liability cards and destroyed in the Agent / Broker's office, with written confirmation from the Agent/Broker provided to the Servicing Carrier, prior to the effective date of the policy, may be cancelled flat.
3. If a cheque or electronic payment received for a new policy or renewal premium or, for the first installment thereof is not honoured by the financial institution, flat cancellation shall be allowed to the Agent/Broker provided that:
 - i. The cheque was dated and issued on or before the effective date of the policy period concerned or the electronic payment was made on or before the effective date of the policy period concerned; and
 - ii. The cheque was immediately deposited; and
 - iii. In the case of a first installment, the amount of the cheque or electronic payment was sufficient to meet the Servicing Carrier's requirement or if financed under a contract with a premium finance company the full down payment required under the terms of the contract; and
 - iv. The return of the cheque by the financial institution or dishonour of the electronic payment is promptly reported to the Servicing Carrier. A copy of the cheque (front and back) or copy of the dishonour notice must be provided to the Servicing Carrier.

However, on the registered letter of cancellation to the Insured, the Servicing Carrier shall request payment of the full pro rata time on risk charge.

7. Cancellation initiated by the Servicing Carrier Non-Payment – Direct Bill

If premiums are paid directly to the Servicing Carrier, the Servicing Carrier may cancel an insurance policy for non-payment of premium. The earned premium shall be calculated pro rata.

Other Circumstances

The Servicing Carrier may not otherwise cancel an insurance policy unless approval of such action is contained elsewhere in this manual or is obtained in the manner prescribed by the Association's Board of Directors.

F. Refund Calculation

1. Insured's Request

For a policy cancellation requested by or on behalf of the Insured (e.g. requested by a premium finance company) the premium refund shall be calculated in accordance with the Short Term Tables, unless a pro rata cancellation is being allowed because the risk (excluding Motorcycles, Mopeds, Snow Vehicles and Antique Vehicles) is being placed in the voluntary market. Refer to Rule 418:E.1. Cancellation Procedures.

2. Any Other Reason

Where the policy is being cancelled for any other reason (e.g. by registered letter) the premium refund shall be calculated on a pro rata basis using the Day Table.

Rule 419: Time on Risk Tables

A. Pro Rata

Calculation for Endorsements & Cancellations

Using the Day Table on the next page:

1. Determine the factor that corresponds to the policy's expiry month and day. For example March 26 is .233. Express the policy's expiry date in a decimal format by combining the year and the factor. March 26, 1999 would become 1999.233.
2. Determine the factor that corresponds to the effective date of the policy change or cancellation and express that date in a decimal format. If the effective date of policy change is November 20, 1998 that would be expressed as 1998.888. Note that if the effective date of change or cancellation is February 29, it should be treated as February 28.
3. Subtract the second number from the first.
Policy expiry date 1999.233
Policy change date 1998.888
Refund/change factor .345
4. Where the policy is a six month policy, double the refund/change factor.
5. For a policy cancellation, the refund is calculated by multiplying the policy premium as of the cancellation date by the refund/change factor. The policy premium is the full term premium for the coverage in force at the time of cancellation.

Minimum retained premium must be taken into consideration.

premium for the change by the refund/change factor.

6. For a policy change, the additional/return premium is obtained by multiplying the full term

C. Short Term Tables**1. Motorcycles, Mopeds, Antique Vehicles**

Use Short Term Table 3 for all coverages other than Comprehensive/Specified Perils which are subject to Short Term Table 1 or 2.

2. Snow Vehicles

Use Short Term Table 4 for all coverages other than Comprehensive/Specified Perils which are subject to Short Term Table 1 or 2.

3. All Other Vehicles

For a policy cancellation use Short Term Table 1 or 2.
For a short term policy, use Short Term Table 1.

Cancellation requested by or on behalf of Insured

1. Referring to the Day Table, calculate the number of days the policy has been in force
2. Referring to Table No. 1 (in the case of an annual policy) or Table No. 2 (in the case of a six month policy), determine the 'percentage of premium'.
3. Subtract that percentage from 100% to determine the 'refund percentage'.
4. Apply the refund percentage to the full term policy premium as at the cancellation date. Minimum retained premium must be taken into consideration.

Calculating premium for a Short Term policy:

1. Referring to the Day Table, calculate the number of days the policy has been in force.
2. Referring to Table No. 1, determine the 'percentage of premium'.
3. Apply that percentage to the annual premium. Minimum retained premium must be taken into consideration.

SHORT TERM TABLE No. 1				SHORT TERM TABLE No. 2			
ANNUAL POLICIES				SIX MONTH POLICIES			
Days in force	% of Premium	Days in force	% of Premium	Days in force	% of Premium	Days in force	% of Premium

D. Short Term Tables No. 3 and No. 4 (seasonal use vehicles)

These tables apply to all coverages except Comprehensive or Specified Perils for motorcycles, mopeds, snow vehicles and antique vehicles. For Comprehensive or Specified Perils coverage, use Short Term Table No. 1 or No. 2 or a pro rata calculation, depending upon the circumstances.

1. For each full month that insurance was provided, charge the corresponding 'percentage of annual premium' indicated below.

2. For part of a month charge pro rata of the percentage applicable to the complete month. For example, in respect of a motorcycle insurance that commences on June 7th:
30 days minus 6 days = 24; 24 divided by 30 = .8;
.8 times 20% = 16% for the month of June.

3. The tables below apply to seasonal use / Canadian conditions.

If there is use outside the season or Canada during a month where the table indicates the charges as 'Nil' there shall be an additional premium charged for that month equal to pro rata of the annual premium. The surcharge for U.S. exposure is applicable, except where the vehicle is used for personal use only and proof of insurance is not required.

Example 1: The Insured has a motorcycle to be driven in Florida during the months of November and December in addition to regular use for the year in Yellowknife. The annual premium is \$1,250 excluding any premium calculation for November and December. Using the Pro Rata Day Table, calculate the pro rata factor for the months of November and December (.164) and apply that to the total annual premium. The additional premium charge for November and December will be \$205.

Example 2: The Insured has a motorcycle that will be converted for use on snow and ice for the months of November through February in addition to regular use for the remaining months of the year. The annual premium is \$1,250 excluding any premium calculation for November, December, January and February. Using the Pro Rata Day Table, calculate the pro rata factor for the months of November through February (.326) and apply that to the total annual premium. The additional premium charge for November through February will be \$408.

SHORT TERM TABLE No. 3 Motorcycles & Mopeds and Antique Vehicles Excluding Comprehensive/Specified Perils			
Period	Percentage of annual premium	Period	Percentage of annual premium
January	Nil	July	20
February	Nil	August	20
March	5	September	10
April	10	October	5
May	10	November	Nil
June	20	December	Nil

SHORT TERM TABLE No. 4 Snow Vehicles Excluding Comprehensive/Specified Perils			
Period	Percentage of annual premium	Period	Percentage of annual premium
January	25	July	Nil
February	25	August	Nil
March	15	September	Nil
April	Nil	October	Nil
May	Nil	November	10
June	Nil	December	25

Rule 420: Not applicable

Rule 421: Reinstatements

A. A policy may only be reinstated if:

- a) The Servicing Carrier receives instructions not later than **the day before** the cancellation takes effect. This includes instructions from a premium finance company. Where the Agent/Broker has not forwarded payments to a premium finance company, the policy cannot be reinstated. Cancellation takes effect at 12:01 a.m. e.g. If the policy is to be cancelled effective July 1, the request for reinstatement must be received by the Servicing Carrier before midnight June 30. If the cancellation has taken effect, the policy cannot be reinstated and a new application must be completed. Any unpaid earned premium under the policy due to the Servicing Carrier must be paid with the new application.
- b) The policy was cancelled for non-payment, and the full required premium is received (by cash, money order or certified cheque from the Insured) or there is written confirmation from the Agent/Broker assuming full responsibility for that premium. Where a refund cheque accompanied the registered letter, the amount of the refund cheque must also be obtained from the Insured (by cash, money order or certified cheque) or the Agent/Broker shall assume full responsibility for that amount.

B. When a policy is reinstated

When a policy is reinstated, the Servicing Carrier shall issue a notice of reinstatement. If necessary, the Agent/Broker or Servicing Carrier shall issue a temporary or permanent liability card. If proof of insurance was cancelled, the necessary proof of insurance shall be reissued.

Rule 422: Commission Schedule

The commission rates for recreational vehicles:

	Experience Rated	Individually Rated
Cabin or Home Trailers		
Other private type Trailers		
Motor Homes		
Camper Units		
a) Used for pleasure purposes only:		
Class 10, 11, 12	7.5%	9%
All other private passenger classes	7.5%	11%
b) Used for other purposes: use the commission rate applicable to the class applicable to the use		
Motorcycles & Mopeds*	7.5%	7.5%
All Terrain Vehicles*	7.5%	7.5%
Snow Vehicles*	7.5%	7.5%
*including use of the above vehicles for police/fire department or commercial use		

Note: For the purpose of determining Commission Rates, Antique/Classic automobiles are considered private passenger vehicles.

Rule 423: Not applicable

Rule 424: Definition of Accident

A. What Is A Chargeable Accident

A chargeable (at fault) accident is an occurrence resulting in damage to persons or property arising out of the ownership, use or operation of a vehicle, in consequence of which:

1. An amount has been paid or would have been paid but for the existence of provincial Direct Compensation laws or agreements,
- or**
2. A loss remains unsettled or unpaid,
- or**
3. A civil suit is pending **in respect of** Liability, Collision or the Collision portion of All Perils coverage

A chargeable accident is always taken into account in rating even if there was no insurance in effect or the loss was repaid to the Insurer by or on behalf of the Insured or if the Insured chose not to present the claim.

B. What Is Not A Chargeable Accident

An occurrence shall not be regarded as a chargeable accident if:

1. The Insured's degree of fault is determined as zero under the relevant provincial fault determination laws or agreements or dispute resolution mechanism.
2. Damage to the Applicant's vehicle
 - a) resulted from the vehicle being struck by an unidentified vehicle and is reported to the police within 24 hours;
 - b) occurred while the vehicle was legally parked and is reported to police within 24 hours;
 - c) resulted from collision with a wild or domestic animal;
 - d) is legally recoverable from the owner or driver of an uninsured or unidentified automobile.

Note: The words 'loss(es)' and 'claim(s)' where used in this manual are considered to have the same meaning as the word 'accident.'

The words 'at fault' and 'chargeable' where used in this manual are considered to have the same meaning.

C. How To Allocate Chargeable Accidents

A chargeable accident will affect the rating of the Liability and Collision coverages.

No accident shall be used more than once in determining the premium for vehicles insured through FA with the same Servicing Carrier whether or not on the same policy.

When an occasional driver (including male or female under age 25) is responsible for a chargeable accident, the accident must be included for rating purposes. If the occasional driver is removed from the policy, the accident shall be assigned to the vehicle on which it occurred.

At new business, where there are multiple vehicles and multiple drivers insured on a policy, any claims shall be assigned first to the vehicle for which the responsible driver is principal operator regardless of which vehicle was involved in the claim. If the responsible driver is principal operator of more than one vehicle, the claim shall be assigned first to the vehicle involved in the claim and if this is not possible, to the vehicle which that person principally operates that produces the highest premium. At renewal, any at fault accidents which occurred during the policy term shall be assigned to the vehicle on which they occurred.

For example: A new application is received. Applicant is principal operator of Vehicle 1 and has had 2 losses on Vehicle 1 and 1 loss on Vehicle 2. Spouse is principal operator of Vehicle 2 and has had 1 loss on Vehicle 1 and 1 loss on Vehicle 2. For purposes of allocating accidents, the 3 accidents the Applicant has had will be allocated to

Vehicle 1 and the 2 accidents the spouse has had will be allocated to Vehicle 2.

The term 'vehicle' includes 'one for which it has been substituted'.

The following table illustrates how chargeable accidents are to be applied in the rating of other types of vehicles if they cannot be assigned to the vehicle actually involved.

Type of vehicle involved in the accident	Type of vehicle to which the accident can be applied
Private Passenger	Private Passenger, Motor Home, Light Commercial, Taxi or Garage
Light Commercial	Commercial, Private Passenger, Motor Home or Garage
Commercial	Commercial or Garage
Public (excluding Taxi)	Public (excluding Taxi)
Taxi	Taxi or Private Passenger
Motor Home	Motor Home, Private Passenger or Light Commercial
Motorcycle	Motorcycle
Garage	Garage
All Terrain or Snow Vehicle	All Terrain or Snow Vehicle

Note: 'Type of vehicle' means the section of the manual in which the vehicle was or would have been rated.

For example: A car is rated as a private passenger vehicle and the Insured had an at fault accident. The Insured is now going to begin using the vehicle as a taxi. The accident that occurred while the vehicle was rated for personal use will continue to be applied when the Insured begins using the vehicle as a taxi.

Where an at fault accident is being charged against a vehicle showing on the policy and that vehicle is deleted from the policy or mandatory coverage on that vehicle is removed or suspended, the at fault accident shall be re-assigned on the following basis:

- to a remaining vehicle with active mandatory coverage i.e. not deleted or suspended
- to the vehicle that produces the highest premium where there is more than one remaining vehicle
- effective the date coverage on the original vehicle was deleted or suspended

Rule 425: Accident and Conviction Surcharges

These surcharges are applicable to Liability and Collision. These surcharges are not to be applied to coverages which are experience (fleet) rated.

A. Accidents

Accident surcharges are assessed in accordance with the surcharge schedule for chargeable accidents that occurred during the 36 months immediately preceding the effective date of the commencement of the insurance.

1. At New Business

No accident shall be used more than once in determining the surcharges for vehicles insured through FA by the same Servicing Carrier, whether or not on the same policy.

As long as there is a Class 05 or Class 06 premium charged on the policy, accidents relating to Class 05 or Class 06 drivers shall only be used to calculate surcharges on the Class 05 or Class 06 premium. The Class 05 or Class 06 premium develops its own surcharge independent of the underlying class.

If the only vehicles on the policy are private type trailers as described under Rule 408, surcharges shall be assessed on the Collision premium only.

Accidents arising from the ownership of any vehicle other than the described vehicle are not to be considered.

For example: The Insured owns three motorcycles driven by employees. Two of the motorcycles are insured in the voluntary market; the other is insured through FA. There have been two accidents on each of the motorcycles in the voluntary market, none of which arose from the use or operation of the motorcycles by the Insured himself. There have been three accidents on the motorcycle insured through FA. The accidents that occurred on the motorcycles insured in the voluntary market are not used to calculate the accident surcharge on the motorcycle insured through FA, as long as they are rated under another inforce automobile policy.

Where the term 'described vehicle' is used, it includes a vehicle substituted for it.

Accidents arising out of the use or operation of other vehicles for which another listed driver is responsible shall not be considered if the other listed driver is being charged with the accident as the principal operator of another vehicle.

(a) One vehicle on the policy

Consider accidents that involved the described vehicle and accidents arising out of the use or operation of any other vehicle by the Applicant or any other listed operator (excluding any other listed operator currently being charged with the accident as principal operator of another

vehicle), subject to Rule 424: How to Allocate Chargeable Accidents.

For example: Applicant has had 1 at fault accident on the described motor home and 1 accident on the neighbour's car. Spouse had 1 at fault accident on her own vehicle insured elsewhere but has now sold that vehicle. All accidents shall be allocated to the described motor home and a surcharge shall be applied.

(b) One driver and two or more vehicles

Accidents that involve one of the described vehicles shall be assigned to that vehicle. Accidents arising out of the use or operation of any other vehicle by the Applicant or any other listed operator (excluding any other listed operator currently being charged with the accident as principal operator of another vehicle) shall be assigned to the vehicle that produces the highest premium before the application of any accident or conviction surcharge.

For example: There are two motor homes on the policy, Applicant is the only operator. There has been one accident on Motor Home 1 and one accident on Motor Home 2. Applicant also had two accidents on a company car insured elsewhere. The premium for Motor Home 2 is higher than the premium for Motor Home 1. As the Applicant is principal operator of both vehicles, the claims are rated on the vehicle on which they occurred. A surcharge applies to Motor Home 2 as a result of the two accidents on the company car and the one accident that occurred on Motor Home 2.

(c) Two or more drivers and two or more vehicles

Each driver is to be assigned as principal operator on the vehicle he/she most frequently drives. Accidents that the principal operator had on any vehicle are to be considered. Accidents that occurred on the assigned (described) vehicle that cannot be assigned to the principal operator of another vehicle on the policy are to be considered. Accidents that arose from the use or operation of any other vehicle by any other listed driver, who has not been charged with the accident as a principal operator of another vehicle, shall be allocated to the vehicle which develops the highest premium before the application of any accident or conviction surcharges.

For example: Applicant is principal operator of Motorcycle 1 and has had one accident on Motorcycle 1, two accidents on Motorcycle 2 and 1 accident on his company car. Spouse is principal operator of Motorcycle 2 and has had no accidents. The daughter has had one accident on Motorcycle 2. The Applicant's four accidents will be rated against Motorcycle 1. The daughter's accident is rated on Motorcycle 2. A surcharge for the Applicant's four accidents applies to Motorcycle 1 as the Applicant is principal operator of Motorcycle 1.

2. At Renewal (for surcharge only)

At renewal time, the accident record shall be updated. Any accidents that occurred more than 36 months prior to renewal date shall be excluded and all accidents that

occurred during the expiring term that involved the following shall be added:

- a) The described vehicle (regardless of driver).
- b) Other vehicles but were the subject of claims under this policy.

B. Convictions

Conviction surcharges shall be assessed for traffic offences (as hereinafter described) for which the Insured was convicted in the 36 months immediately preceding the commencement of the period of insurance.

1. How to apply conviction surcharges

No conviction record shall be used more than once to determine conviction surcharges for vehicles insured through FA by the same Servicing Carrier, whether or not insured on the same policy.

If convictions for impaired driving and failure or refusal to take a breath or blood test relate to the same occurrence, they shall be considered as one conviction.

Convictions for road offences shall not be used in the rating of off road vehicles (e.g. snow vehicles, all terrain vehicles) and vice versa.

As long as there is a Class 05 or Class 06 premium charged on the policy, the conviction records relating to Class 05 or Class 06 drivers shall only be used to calculate surcharges on the Class 05 or Class 06 premium. The Class 05 or Class 06 premium develops its own surcharge independent of the underlying class.

Surcharges shall not be assessed on private type trailers as described under this section of the manual.

(a) One vehicle and more than one driver

The conviction record of all persons who are listed drivers of the vehicle shall be reviewed to establish which conviction record has the greatest impact on the driving record (including developing the highest surcharge percentage in accordance with the surcharge schedule for convictions). That conviction record shall be used in calculating the maximum driving record and the conviction surcharge.

(b) More than one vehicle and more than one driver

Each driver shall be allocated to the vehicle he/she drives most and that driver's conviction record shall be considered in relation only to that vehicle.

(c) One driver and more than one vehicle

The driver's conviction record shall be applied to the vehicle that produces the highest premium prior to the application of any accident or conviction surcharges.

C. Accident/Conviction Surcharge Table

Events in the preceding 36 months	Surcharge
Chargeable Accidents:	
2	20%
3	30%
Each additional	15%
Major Convictions	
1	25%
Each additional	25%
Minor Convictions	
2	5%
3	15%
4	25%
Each additional	15%
Serious Convictions	
1	100%
Each additional	100%
Maximum surcharge for accidents and all convictions	250%

D. Conviction Definitions**a. Major**

Convictions for any of the following offences under any Act governing highway traffic or for any offence substantially the same whether committed within or outside Canada:

- Fail to report damage to highway property
- Failing to report an accident
- Failing, in the event of an accident, to give name and licence number to the police or any other person entitled to such information
- Fail to obey school crossing stop sign
- Improper passing of a school bus
- Improper passing in a school or playground zone
- Improper speeding in a school or playground zone
- Using a hand held wireless communication/entertainment device
- Graduated Licence (where applicable):
 - Permit novice driver in contravention of cond/rest
 - Accompanying driver has excess blood alcohol
 - Driver unaccompanied by a qualified driver
 - Drive with front seat passenger
 - Drive with excess passengers
 - Drive on prohibited highway
 - Drive at unlawful hour
 - Drive motorcycle with passenger
 - Drive motorcycle on prohibited highway

b. Minor

The list of Minor convictions is not all inclusive and other moving violations, including new offences under an Act governing highway traffic, may be considered Minor, whether committed within or outside Canada, if not specifically named in the Major or Serious list, including but not limited to:

- Fail to notify police
- Fail to make written report
- Backing up/unsafe/illegal/improper: any type
- Brakes/none/inadequate/improper: any type
- Crowding driver's seat
- Door opening/illegal/obstructing traffic: any type
- Emergency vehicle/operating with no regard for safety
- Driving off roadway (including shoulder/sidewalk/median): any type
- Flagman/disobeying
- Following too closely (including tailgating)
- Headlights/parking lights/improper/lack of use: any type
- Lack of control of vehicle: any type
- Motor-assisted bicycle carrying passengers
- Motorcycle/operating with only an instruction permit
- Motorcycle/failure to wear helmet
- Passing infraction: any type except school bus or school/playground zone
- Pedestrian crossing violation: any type
- Radar warning device in motor vehicle: if illegal in province
- Railway crossing: any type
- Safety zone violation: any type
- Seatbelt: any offence
- Signalling offences: any type
- Slow driving/endangering other: any type
- Smokescreen device on vehicle
- Speeding: any type, except when listed as major or serious
- Squealing tires
- Stopping/illegal/improper: any type
- Tires/defective/worn: any type
- Towing/prohibited/unsafe: any type
- Traffic signals/regulating lights: any type
- Traffic signs/disobeying any legal sign except parking regulations
- Trailer: improper attachments/improper towing
- Turns/illegal/improper: any type
- Unlicensed driver: any type including improper licence class
- Unsafe move
- Unsafe vehicle: any type
- Using handheld / operated electronic / wireless device
- Wrong side of road/wrong way: any type
- Yield, failing to: any type

Note: This is a generic list and will not, in all cases, match the exact wording printed on the driver record abstract.

c. Serious

Convictions for any of the following offences under the Criminal Code of Canada. Where a conviction shown below is not recorded on the Driver Record Abstract as a Criminal Code Conviction but is shown under any Act governing highway traffic or any other Act within or outside Canada:

- Criminal negligence committed in the operation or use of a motor vehicle
- Manslaughter committed in the operation or use of a motor vehicle
- Driving while licence under suspension
- Dangerous driving
- Exceeding the speed limit by 50 km/h or more
- Impaired driving
- Failure or refusal to submit to a breath or blood test
- Failure to pass a breath or blood test
- Failure to stop/remain at the scene of an accident
- Driving without insurance
- Racing
- Careless driving
- Driving without due care and attention
- Stunting
- Failure to stop on request of or obey directions of a police officer
- Failure to have alcohol ignition interlock device installed and functioning when it is a requirement for driver's licence reinstatement
- Driver in the alcohol ignition interlock device programme operating a vehicle not so equipped
- Learner/Level One driver fail/refuse breath sample
- Learner/Level One driver with alcohol in blood

Note: If convictions for impaired driving and failure or refusal to take a breath or blood test relate to the same occurrence, they will be considered as one conviction.

Rule 426: Proof of Insurance Where Notice of Cancellation or Deletion is Required

1. The Agent/Broker is authorized to issue proof of insurance on behalf of the Servicing Carrier in the form of the Servicing Carrier's standard certificate or a CSIO-approved Certificate of Insurance, with a notice of cancellation period not exceeding 15 days.
 - a) If a notice of cancellation period exceeding 15 days is required, the Agent/Broker is to obtain approval from the Servicing Carrier prior to certificate issuance.
 - b) Certificates must be issued only on a Described Automobiles basis. Should proof be required on a Blanket Basis, refer to Item #4 below.
2. The Servicing Carrier is responsible for the completion of any non-standard certificates (i.e. certificates that are to be completed on a non-CSIO approved form), Out of Province, U.S. or Other filings.
 - a) The Agent/Broker must specify to the Servicing Carrier if proof of insurance (e.g. a financial responsibility certificate) must be issued or filed with a Local, Provincial, Federal or U.S. authority.
 - b) Where vehicles are operated in the U.S., Agents/Brokers must confirm with Insured's if proof of insurance is to be filed and, if so, in what amount.
3. If proof of insurance is issued by the Servicing Carrier, a copy must be supplied to the Agent/Broker for their records.
4. Proof of Insurance must only be issued on a 'Described Automobile' basis. Proof may not be issued or filed on a 'Blanket Basis' (i.e. without specifying the insured vehicles), only if the authority concerned permits no alternative. In that case, the Facility Association's form of 'Indemnification and Hold Harmless Agreement' must be fully completed and include the signatures of the Applicant and a witness. The completed form is to be kept on file with to the Servicing Carrier.
5. Parties requiring proof cannot be added as additional named Insureds on the policy. The certificate showing proof of insurance guarantees to the Party that the vehicle is insured. This is the full extent of the guarantee.
6. Should the Servicing Carrier have any concern with the coverages or limits being guaranteed when asked to use a certificate prescribed by the organization or authority with whom the certificate is being filed, the Servicing Carrier should contact Facility Association Head Office.

A. Financial Responsibility Certificate

A temporary liability card may be issued for an Applicant who requires the filing of a financial responsibility certificate before he/she may be licensed to drive, provided a fully completed and signed application is submitted for the Applicant at the time the temporary liability card is issued. Details of the licence subsequently obtained must be reported promptly to the Servicing Carrier.

B. Renewal or Offer to Renew

If a renewal or offer to renew is issued where proof of insurance has been issued or filed and the renewal is not required, the Servicing Carrier must be notified in sufficient time to file a notice of cancellation in accordance with the applicable authority's requirements. Otherwise the Agent/Broker/Insured shall be responsible for time on risk charges.

C. Policy Cancellation or Vehicle Deletion,**1. Registered Letter**

Where proof of insurance has been issued or filed and the policy is to be cancelled, the cancellation of coverages to which the proof of insurance relates shall be processed in accordance with the Statutory Conditions.

The notice of cancellation for the authority concerned must be issued on the same day as the notice of cancellation to the Insured; however, as a result of the authority's requirements the effective date of cancellation may be different.

For example: The registered letter of cancellation for the policy is issued on June 1 for both the Insured and the provincial authority. For the Insured, cancellation shall take effect 15 days from the date the registered letter is received at the post office to which it was addressed. Let's say June 19. The provincial authority requires 30 days notice of cancellation. The effective date of cancellation for the authority shall be June 30. If the Insured had a Comprehensive loss on June 25, the policy would not respond. If however, the Insured had a Liability loss on June 25, the policy may have to respond as the proof of insurance provides that Liability coverage is in effect until cancelled on June 30.

2. Insured's Request

Where proof of insurance has been issued or filed, and the vehicle is to be deleted from the policy or the policy is to be cancelled, the cancellation of coverages to which the proof of insurance relates shall be processed after taking into consideration the period of notice required by the authority.

The effective date of cancellation or deletion shall be the same for both the Insured and the authority concerned.

For example: The Insured requests cancellation of the policy to be effective June 1. The provincial authority requires 30 days notice of cancellation. The notice to the

provincial authority is sent on June 5. The effective date of cancellation for the Insured will be July 5.

D. Filing Liability Limits

The filing should always be made for the limit required by law even if the policy actually shows a higher limit.

Where a vehicle requires filings in multiple jurisdictions, the filing should be made showing only the limits required in that jurisdiction. The policy should be written with the lowest limits necessary to meet all requirements.

For example: In one jurisdiction a filing for a vehicle requires a limit of \$1,000,000. A filing for a \$5,000,000 limit is also required in another jurisdiction for the same vehicle. The policy must be issued with a \$5,000,000 limit. One filing should be made showing the limit of \$1,000,000. The other filing should be made showing the \$5,000,000 limit.

Where a filing is to be made for a leased vehicle, the filing should be made in the name of the lessee only.

E. Processing Fees for Filings

Please contact your Servicing Carrier for a schedule of fees which will be charged on a 100% cost recovery basis.

Any charge required by the authority concerned shall be in addition to, and separate from, the processing fees.

Rule 427: Outside Territory Exposure**Outside Territory Exposure Surcharge**

Any vehicle that is operated in another Canadian jurisdiction or the U.S. is subject to a surcharge. This surcharge shall apply to all classes of vehicles where proof of insurance is required or where the vehicles are used for business, commercial purposes or are carrying passengers.

The surcharge does not apply where the vehicle is used for personal use only and proof of insurance is not required.

The Insured must advise the Agent/Broker the percentage of the total mileage that the vehicle will be used outside Northwest Territories and the jurisdiction(s) into which the vehicle is and will be driven. Refer to Rule 433.

NOTE: Where vehicles are operated in the U.S., Agents/Brokers must ask Insureds whether or not proof of insurance must be filed and, if so, in what amount.

Liability, Accident Benefits, END 44

If this exposure is 5.0% or less of total mileage in the U.S. or applicable Canadian jurisdiction, a 5% surcharge will apply to Liability, Accident Benefits, and END 44.

If this exposure is over 5% of total mileage in the U.S. or applicable Canadian jurisdiction, surcharge 1% of the applicable premium.

For example:

Outside Territory Exposure	Applicable Surcharge
Up to 5%	5%
10%	10%
25%	25%
50%	50%

Optional Physical Damage

For each percentage point of total mileage in the U.S. or applicable Canadian jurisdiction, surcharge .50% of the applicable premium.

For example:

Outside Territory Exposure	Applicable Surcharge
6%	3%
10%	5%
25%	12.5%
50%	25%

Rule 428: Claims

Every accident, loss or claim that comes to the knowledge of the Agent/Broker in regard to his Facility Association policies must immediately be reported in the manner prescribed by the Servicing Carrier.

1. Snow Vehicles and All Terrain Vehicles (with or without END 9) on Ice/Water

The following scenarios shall be considered

Comprehensive losses:

An Insured drives a snow vehicle or all terrain vehicle on a frozen lake and hits open water.

An Insured drives a snow vehicle or all terrain vehicle on a frozen lake. The ice cracks and the snow vehicle or all terrain vehicle sinks to the bottom.

A snow vehicle or all terrain vehicle is parked on ice. The ice cracks under the machine and it sinks to the bottom.

2. Collision with Animals

Losses involving Collision with animals, both wild and domestic, shall be paid under Comprehensive coverage. If the policy does not afford Comprehensive coverage but does provide Collision coverage, the loss shall be paid under Collision coverage and be regarded as not at fault.

Rule 429: Not applicable

Rule 430: Not applicable

Rule 431: Suspension of Operator's Licence – Use of END 28

The following provisions apply in the event of the suspension, cancellation or lapse of an operator's licence, or the right to obtain a licence of a person who is recorded as a driver of a vehicle to which the insurance applies, or where a driver is unlicensed. These provisions apply whether END 28 is being added to the policy at the request of the Insured or by the Servicing Carrier because of the above mentioned circumstances.

A. If there is no other driver of the vehicle

1. An application for insurance of the vehicle shall be declined by the Agent/Broker.
2. If the situation is discovered after the policy has been issued, the Servicing Carrier shall cancel the policy by registered letter. The earned premium for cancellation will be pro rata of the premium applicable to the risk as submitted.
3. If the situation is discovered as a result of enquiries prior to the renewal date, the Servicing Carrier shall issue a notice of nonrenewal.

B. If there is another licensed driver of the vehicle

(It is assumed that the person concerned will not drive without a valid licence.)

1. The Servicing Carrier shall issue END 28 (Reduction of Coverage as Respects Named Persons) restricting coverage to minimum statutory requirements and excluding physical damage where provided, for that person. END 8A shall be used in conjunction with END 28 except where END 28 applies to the named Insured.
2. If that person being a driver affected the rating of the insurance, the insurance shall be re-rated to remove that person as a driver but any accidents that occurred while that person was driving shall continue to be taken into account in rating.

C. If the person concerned does drive without a valid licence

If discovered after the policy has been issued, END 28 shall be deleted. The insurance shall be rated as if that person does drive the vehicle where:

- a) Subsequent to the current suspension becoming effective or during the 36 months immediately preceding the policy period effective date, the person involved is/was convicted of the offence of driving while licence suspended, cancelled or lapsed.
- b) It is established that the person involved has been driving e.g. by being convicted of any other driving offence or by being involved in an accident.

D. Unsigned END 28

If END 28 is not signed, END 28 shall be deleted and the policy shall be re-rated as though there was no END 28.

E. Completion of END 28 and END 8a

END 28 is to be completed showing the minimum statutory limit under Section A – Limits and Amounts and the word ‘Insured’ in the Insured/Not Insured column. In any jurisdiction where Accident Benefits and Uninsured Automobile are mandatory when Liability coverage is provided, the word ‘Insured’ must be shown against Section B and Section D in the Insured/Not Insured column.

END 8A is to be completed showing the minimum statutory limit on the second line of the endorsement.

Rule 432: ‘Home-Made’ Vehicles / Reconstruction / Imported Right Hand Drive / Imported Vehicles

The following provisions apply to right hand drive, imported vehicles and any vehicle that has been constructed, reconstructed or restored other than by a recognized manufacturer of such a vehicle.

This rule does not apply to vehicles with a manufacturer assigned VIN and a status of ‘rebuilt’ which are to be rated using CLEAR rate groups.

A. Liability, Accident Benefits

No coverages are permissible until the following are provided to the Servicing Carrier:

1. A valid vehicle registration and, at the Servicing Carrier’s discretion, a certificate of roadworthiness or mechanical fitness acceptable to the Servicing Carrier and
2. For vehicles valued \$15,000 or more, an appraisal acceptable to the Servicing Carrier at the Applicant’s expense to enable the proper rating group to be determined. Vehicles valued under \$15,000 are rated based on value provided by the Insured.
3. Charge the normal rate for the type of vehicle concerned for Accident Benefits.

These certificates must accompany the application to the Servicing Carrier.

B. Physical Damage Coverage

1. No physical damage coverage (for any value) will be available for:
 - a) ‘Home-made’ / reconstruction vehicles until the construction, reconstruction, restoration has been completed and the mechanical fitness and value of the vehicles have been substantiated by a certificate from an

independent appraiser or a recognized authority on such matters, acceptable to the Servicing Carrier.

- b) Imported right hand drive and imported vehicles until value of the vehicle has been substantiated by a certificate from an independent appraiser or a recognized authority on such matters, acceptable to the Servicing Carrier.

2. The premium is based on the appraised amount.

3. The insurance shall be subject to END 19 (Limitation of Amount) which must be attached to the policy and a copy signed by the Insured. END 19A (Valued Automobile) is not available.

Rule 433: Vehicles Used Outside Jurisdiction of Registration

Rule 400: Filed Underwriting Rules requires that the vehicle must be registered in the jurisdiction in which the policy is issued. ‘If the vehicle is registered in another jurisdiction in which Facility Association operates, the vehicle may be insured through an Agent/Broker and Servicing Carrier licensed in that jurisdiction.’

When an Insured takes up residence in another jurisdiction, the Insured is required to register the vehicle in the new jurisdiction. The existing policy must be cancelled (pro rata) and new insurance obtained in the new jurisdiction.

However, there are circumstances under which the vehicle may be used for a period of time in another jurisdiction where vehicle registration in that jurisdiction is not required.

For example: The Insured resides in Northwest Territories and the vehicle is registered in that jurisdiction; however, the Insured will be travelling the Atlantic provinces for the next year.

When a vehicle is registered in one jurisdiction but garaged or chiefly used in another, the following is to be used as a guide for rating purposes.

1. The vehicle must be insured on a policy from the jurisdiction where it is legally registered, even if the vehicle is chiefly used in another jurisdiction.
2. Surcharges do not apply to private passenger vehicles that are used for personal use only and where proof of insurance is not required.
3. If the vehicle is operated outside the jurisdiction which it is, registered, including into the U.S. Rates for that jurisdiction are applied along with a surcharge. Refer to Rule 427 to determine the surcharges applicable.

NOTE: At the Servicing Carrier's discretion, a copy of fuel tax information, log books and/or other pertinent records may be required to verify mileage and travelled jurisdictions.

Rule 434: Purchasing Vehicles in Jurisdiction Where FA Does Not Operate

When an Insured acquires a new vehicle and all vehicles owned by the Insured are covered under a POL 1, coverage is automatically provided for the newly acquired vehicle if the Insurer is notified of the acquisition within 14 days.

When the Insured:

- a) acquires a vehicle in the U.S. and brings it to Canada to a jurisdiction in which FA operates;
- or
- b) acquires a vehicle in a jurisdiction in Canada in which FA does not operate;

FA shall if necessary, issue a short term policy to provide coverage while the vehicle is in transit (under a transit authority permit) before it is registered in the jurisdiction of residence. The short term policy shall only be provided for a period of time sufficient to allow the vehicle to be driven from the point of purchase to the residence of the owner. This should correspond to the period of time the transit permit is valid.

When the Insured comes through Customs, the vehicle must be declared and the Insured will be provided with the appropriate forms to complete and submit to the provincial registry so that the vehicle may be registered. A new application can then be submitted for a 6 or 12 month policy (depending on the vehicle type) if required.

Where an individual or company has a business that includes the purchasing of vehicles in the U.S. or jurisdictions where FA does not operate for shipment back to a Canadian FA jurisdiction for resale, coverage must be provided by means of a garage policy for Automobile Dealers.

Premium Calculation

The premium is to be calculated in accordance with Short Term tables subject to minimum premium.

Rule 435: Short Term Rentals- Unspecified Lessees - Leases of 30 Days or Less and Ride Sharing

Use POL 1 and END 5c.

Insurance is provided on a specified vehicle/per vehicle basis and use of END 21A/B is not permitted. Use of END 44 is not permitted.

Coverages/Premiums

1. Liability, Optional Physical Damage

Class of Vehicle	Premium
Private Passenger Vehicles	250% of 07/0 rate
Commercial Vehicles	
Light Trucks	200% of 43/0 rate
Heavy Trucks	200% of 45/0 rate
Tractors/Trailers	175% of 64/0 rate
Private Type Trailers	
Liability	Non Pleasure rate plus \$15
Optional Physical Damage	250% of normal rate
Motor Homes and Vehicles with mounted Camper Unit	
Liability	250% of 07/0 rate
Optional Physical Damage	250% of normal rate
Motorcycles & Mopeds	250% of Driving Record 0 rate applicable to Age 16-20
Snow Vehicles	250% of normal rate
All Terrain Vehicles	250% of normal rate
Any other vehicle	Refer to Servicing Carrier

2. Accident Benefits

Charge the normal rate for the type of vehicle concerned.

B. Ride Sharing – Class 7N

Applicable where a vehicle is used in connection with a vehicle-sharing service, or peer-to-peer rental company

Use POL 1 and END 5C. Insurance is provided on a specified vehicle/per vehicle basis and use of END 21A/B is not permitted. Use of END 44 is not permitted.

Rate as Short-Term Rental (as outlined in Section A above) and code as Class 7N.

Rule 436: Long Term Leases-Specified Lessees - Leases Exceeding 30 Days

A. Application

The lessee must complete an FA application form. The name and address of the Applicant/lessee and the name and address of the lessor must be shown where required on the application form.

B. Policy

Use POL 1 with END 5. The name and address of the lessor and the name and address of the lessee must appear on the policy declaration page.

C. Rating

The vehicle is rated as if owned by the lessee.

Rule 437: Driver Training Vehicles

All driver training vehicles (regardless of vehicle type) shall be rated based on the trainer and that individual's experience. These vehicles shall not be rated for the trainee.

Use POL 1 with END 6D. This endorsement extends the Liability section of the policy to cover the Applicant's liability for student drivers/observers.

A. Driving Record

Driving record is to be calculated in accordance with the section of the manual that applies to a similar class of vehicle, subject to a maximum of Driving Record 3. Clear record earned on a similar vehicle which was not previously used for driver training, shall be applied when determining the driving record for driver training vehicles.

For example: The Insured opens a driver training school teaching drivers how to handle small motor homes and either uses his own motor home or buys another motor home to use as a driver training vehicle. The Insured has no previous experience with driver training and is 5 years accident free with motor homes, private passenger and light commercial vehicles. The Insured is eligible for a maximum Driving Record 3 on the driver training vehicle.

B. Vehicle used solely for Driver Training

Calculate the premium as follows, add any applicable accident and conviction surcharges, and then apply the surcharges indicated in the Driver Training Surcharge Table.

Private Passenger Vehicles:

Rate as Class 07 (Driving Records 0, 1, 2, 3 only).

Commercial Vehicles:

Light –Rate as Class 36; Heavy – Rate as Class 44

Public Vehicles (Buses, etc.):

Private Passenger Type Vehicles: Rate as Class 07

Other Vehicles: Light Rate as Class 36; Heavy Rate as Class 44

Recreational Vehicles:

Rate at non-pleasure rates

C. Vehicles used for Driver Training in addition to some other use

1. Calculate the premium as though the vehicle is used solely for driver training.
2. Calculate the premium as though the vehicle were used solely for the 'other use'. *For example:* If the vehicle is a motor home used for pleasure use only, use Class 01.
3. Add the dollar value of the driver training surcharge calculated in Step 1 to the premium calculated in Step 2.
4. Compare the premium in Step 1 to the premium calculated through Steps 2 and 3 and use the higher of the two.

For example:

Step 1

The vehicle is a motor home and using non-pleasure use, the total premium is \$700. The Liability premium is \$200. The vehicle is equipped with dual controls so a surcharge of 35% is applied to the Liability premium for a surcharge of \$70. The total policy premium calculated in Step 1 is therefore \$770.

Step 2

The driver training use is part time and the Insured also uses the motor home for pleasure. Therefore a premium of \$400 is calculated by rating the vehicle as Class 01.

Step 3

The premium in Step 2 is \$400 and we add to that the surcharge premium of \$70 calculated in Step 1.

Step 4

Use the higher of the results from Step 1 (\$770) or Step 3 (\$470).

D. Driver Training Vehicle Surcharge Table

1. Vehicles used only for Secondary School, College or University training courses.

Coverage	Equipped with dual controls	Other
Liability	35%	135%
Collision	0%	75%

2. Other Vehicles

Coverage	Equipped with dual controls	Other
Liability	70%	170%
Collision	25%	100%

Rule 438: Fleets

A. Definition

A fleet is:

- A group of 10 or more self-propelled vehicles;
- Under Common ownership or management;
- Used for business (incl. Class 07 and vehicles used for dual purposes), commercial or public transportation;
- Includes vehicles on a long term lease;
- The Applicant must have had 120 months of Liability insurance in the past 12 months i.e. 10 vehicles with Liability coverage for the past year, regardless of number of policies on which those vehicles were insured.

Notes:

- The Applicant is required to provide proof of vehicle registration and ownership.
- Vehicles that are leased for more than 30 days to others are not to be considered unless those vehicles are leased to one lessee and meet the definition of a fleet.

Vehicles under 'common management' will be considered where the Named Insured has assumed full responsibility for the payment of insurance premiums and agreement is in place between the Named Insured and Vehicle Owner, demonstrating the following:

1. The Named Insured is responsible for the assignment of driver schedules and routes, ensuring compliance with hours of work regulations **and**
2. The Named Insured maintains records of and deems acceptable all drivers who may operate a Vehicle **and**
3. Vehicles and all associated drivers adhere to the vehicle and driver safety standards of the Named Insured, **and**
4. Vehicles and all associated drivers adhere to the Named Insured means and methods of work, including risk management practices, code of conduct, training and service standards, **and**
5. Failure to adhere to any of the above will result in the termination of the agreement between the Named Insured and Vehicle Owner.

A signed 'Facility Association Common Management Attestation', signed by the Named Insured and a copy of the common management agreement must accompany all new business applications.

A copy of the common management agreement will be required on subsequent renewals to maintain experience rating.

The Servicing Carrier reserves the right to deny experience rating in the event the above criteria are not met, and fails to otherwise meet other fleet rating criteria outlined under Rule 438.

B. Fleet Rating

Fleet policies may only be issued on an annual basis.

Fleets are subject to experience rating as of the commencement date of each policy period. If the fleet is insured through FA by two or more policies issued by one or more Servicing Carriers, the policies must have a common expiry date to facilitate experience rating.

Experience rating includes the following:

- All losses (At-Fault and Not-at-fault) are taken into account in rating even if there was no insurance in effect or the loss was repaid to the Insurer by or on behalf of the Insured or if the Insured chose not to present the claim;
- Claims (paid by the previous Insurer, reimbursed to the previous Insurer or paid by the Insured) outside the coverage on the application;
- Any amount paid back by the Insured due to an END 8 on the policy with the prior Insurer;
- Claims falling within a specific deductible not offered by FA e.g. on an occurrence basis regardless of the coverage involved in the loss;
- Amounts above FA deductibles when the prior Insurer had higher deductibles;
- Losses falling within any special agreements with the prior Insurer.

NOTE: Full experience details must be obtained directly from the prior Insurer to ensure all information on the risk is provided.

Fleets are to be written on a specified vehicle basis not on a blanket or receipts basis, therefore the use of END 21A and 21B is not permitted.

If a risk insured through FA meets the definition of a fleet, any vehicles added to the policy will be experience rated. The policy including any subsequent renewals will remain experience rated until the risk no longer meets the definition of fleet.

Where a new fleet is being submitted to FA and there is no verification of which claims involved which vehicles, the FA formula shall take into account the claims that occurred on all vehicles. It is the responsibility of the Agent/Broker/Insured to provide the claim history documentation for the vehicles to be insured through FA.

Midterm Rating

Midterm rating is not permissible for changes that occur (i.e. revision of claim reserves) during the policy term merely because of the lapse of time.

If it is discovered during a policy term that a risk is a fleet, it shall be experience rated at the time of next renewal. If more than one policy qualifies for fleet rating, the fleet policy shall be issued effective the renewal date of the earliest expiring policy, based on the information for all vehicles. The remaining vehicles shall be added to the fleet at the expiry date of their policies.

Optional Physical Damage Coverage

Vehicles may not be covered for Comprehensive/Specified Perils only.

The Collision portion of All Perils and Collision coverage shall be regarded as the same coverage for the purposes of determining the number of months of coverage, similarly, the portion of All Perils and Comprehensive and Specified Perils shall be regarded as the same coverage.

Where Collision claims that have occurred in the past three years cannot be allocated to specific vehicles, the claims shall be assigned to the highest rated vehicles, one to each in descending order.

C. Loss Information

Any reserve change for a loss in any previous term shall be added to the incurred losses of the policy term in which the reserve was changed.

D. New Applications**1. Forms required for Fleet Submissions**

- a) Facility Association application
The application form fully completed and signed. Under vehicle items show 'Fleet Policy'.
- b) Automobile Fleet Schedule
All vehicles including trailers for which insurance is required must be fully described.
- c) Fleet Vehicle Count Calculation
Must be completed to determine the number of vehicles insured by coverage.
- d) Fleet Rating Information Statement or Commercial Vehicle Supplement
This form provides additional information about the risk.
- e) Any additional supplements such as drivers list, taxi questionnaire.

2. Incomplete fleet submission forms

If the necessary information required by the Servicing Carrier to properly rate the policy is not received within 15 days of the intended effective date, the policy shall be issued at the quoted premium and cancelled by registered letter.

3. The Applicant must understand that:

The risk is bound from the effective date shown and an earned premium shall be charged.

The application is subject to the Facility Association fleet rating formula and the resulting premium may be substantially greater than the base premium quoted by the Agent/Broker.

The Servicing Carrier may require payment of additional fees if proof of insurance has to be issued. See Rule 426.

4. Agent/Broker responsibilities:

Submit all fully completed and signed fleet submission forms. Items on the binder application dealing with specific vehicles are to be answered 'Fleet Policy'. Incomplete forms shall be returned for completion resulting in policy issuance delays.

Premiums are to be calculated at Driving Record 0 and must include Outside Province/Territory Exposure surcharge if applicable.

If the manual does not provide information for rating a particular risk, the Servicing Carrier will assist the Agent/Broker in establishing a method of rating. The Servicing Carrier will also assist in determining rate groups which are not published.

Collect from the Applicant the premium quoted at Driving Record 0 or arrange a premium finance contract. The Agent/Broker is responsible for the pro rata earned premium based on the correct premium calculation at Driving Record 0 in the event of non-payment by the Insured.

Issue temporary (30 day) liability cards for each self-propelled vehicle listed on the Fleet Schedule as of the date coverage was bound. It is not permissible to use a 'blanket' wording of any kind.

A premium must be quoted and the risk bound before the fleet is submitted.

5. Servicing Carrier responsibilities:

The Servicing Carrier shall not provide quotations or accept fleet submissions which have not been bound.

Upon receipt of the properly completed documents the Servicing Carrier shall verify the information and loss history of the risk with the previous carrier as required and ensure prompt issuance of the policy documents.

6. If the revised premium is not acceptable:

If a promulgated fleet rating is not acceptable to the Applicant, the coverages shall be cancelled without charge if the policy is cancelled by the Applicant no longer than the intended effective date (the date coverage was bound).

After the effective date, where the Agent/Broker reports non-payment of the additional premium within 30 days of receiving notice of the additional premium, the earned premium for cancellation shall be calculated pro rata on the quoted premium calculated at Driving Record 0. Otherwise the earned premium shall be calculated pro rata on the promulgated fleet rating.

If a fleet rate has been established and the policy is cancelled because the Applicant rejects the premium, a new application is submitted within 30 days will remain fleet rated. Individually rating the vehicle will not be permitted unless the risk no longer meets the definition of a fleet.

7. Premium Calculation

Note:

- Refer to Rule 414 on rating of experience (fleet) rated risk.
- For other classes of business, refer to the appropriate section of the manual.

E. Renewals

Prior to the expiry of experience rated insurance, the Servicing Carrier may ask the Agent/Broker to have certain forms completed to update the information on record.

Such a request will usually be made well in advance of the expiry date because of the need to issue the renewal policy/certificate/offer to renew before the insurance expires.

The appropriate renewal documents shall not be issued unless and until the required forms, properly completed, have been returned.

Rule 439: Not applicable

Rule 440: Not applicable

Rule 441: Not applicable

Rule 442: Endorsements Applicable to POL 1 (Owner's Policy)

Notes:

1. No endorsements, no special wordings and no changes to standard forms are permissible except as approved by or on behalf of the Superintendent(s) of Insurance.
2. This rule provides certain details of approved endorsement forms. The descriptions are necessarily very brief and reference must be made to the actual wordings of the endorsements to ascertain the full provisions and restrictions.
3. In certain cases a copy of the endorsement must be signed by the Applicant and filed with the Servicing Carrier. The insurance will not be continued or the policy will be re-rated, if this requirement is not met.
4. Not all endorsements may be applicable to recreational vehicles. Refer to the specific wording below.

Liability or (TPL) means B.I. and P.D. Tort;

Physical Damage means Optional Coverages – Loss or Damage (All Perils, Collision, Comprehensive, Specified Perils)

	Standard Endorsement Form Number, Title and Purpose	Rating
2	Drive Other Automobiles Endorsement Named Person(s) Extends the 'drive other automobiles' Liability and Accident Benefits coverage to persons other than the Insured and spouse.	The premium is dependent upon the Liability limit applicable to the vehicle: Limit in thousands \$200 \$300 \$500 \$1000 Premium per person 8 9 10 11 Accident Benefits per person \$1.
3	Drive Government Automobiles Covers the Insured's legal liability arising from the custody and use of a vehicle owned by the federal or a provincial government, including Liability for the loss of or damage to the vehicle arising from Collision and/or Comprehensive or Specified Perils. The Insured must specify the types of vehicle that may be in their custody and, in regard to the optional physical damage coverages, must indicate the required limit per occurrence.	Calculate the coverage premiums applicable to the highest rated government vehicle that may be in the Insured's custody as if they owned such a vehicle. Take into account driving record, type of vehicle, use and the coverage deductibles. Use the limit per occurrence as the vehicle's value for determining the rate group and, in respect of a commercial vehicle, assume the model year to be the current year. The charge for each coverage is this percentage of the calculated premium. Liability:20% Accident Benefits:50% Optional Physical Damage:100%
4a	Permission to Carry Explosives Removes the policy form's exclusion in regard to carrying specified explosives only.	If main cargo, rate vehicle as Class 48, 61B-64B plus special factors. If incidental, net annual \$50. Refer to additional rules within manual for further information.
4b	Permission to Carry Radioactive Material Removes the policy form's exclusion in regard to carrying radioactive materials only.	If main cargo, rate vehicle as Class 48, 61B-64B plus special factors. If incidental, net annual \$50. Refer to additional rules within manual for further information.
5	Permission to Rent or Lease (Specified Lessee) Applicable to leases exceeding 30 days.	No charge for the endorsement. Vehicle is rated as if owned by lessee. Refer to additional rules within manual for further information.
5c	Permission to Rent or Lease (unspecified lessees - short term leases only) Applicable to leases not exceeding 30 days.	The following premiums apply to the policy and are not specifically for the endorsement: 1. Liability, Collision, Comprehensive, Specified Perils: Private Passenger 250% of 07/0 Commercial Vehicles Light Trucks 200% of 43/0 Heavy Trucks 200% of 45/0 Tractor/Trailers175% of 64/0 Private Trailers a. Liability add \$15 b. Optional Physical Damage250% of normal

		Motor Homes & Camper Units a. Liability250% of 07/0 b. Optional Physical Damage250% of normal Motorcycles & Mopeds 250% of DR 0 for age 16 Snowmobiles & ATVs 250% of normal Refer to additional rules within manual for further information.
5d	Conversion Coverage (rented or leased automobiles)	Not available on Facility Association policies.
6a	Permission to Carry Passengers for Compensation Modifies the policy form's restrictions in regard to the use of the vehicle for the carriage of passengers. The actual use of the vehicle must be specified in the endorsement. See Private Passenger Section and Public Section. The use of the endorsement is not permissible in respect of other vehicles. Also see END 22.	For private passenger vehicles used in car pools: add 10% of Liability premium. Attach 6a Volunteers: A volunteer transports persons to medical appointments and the like, and is reimbursed for reasonable driving expenses, including gas, vehicle wear and tear and meals. END 6a is not required and there is no additional premium charge. Other Private Passenger Vehicles used to transport passengers: i) If transportation of non-paying passengers is part of Insured's job and employer reimburses employee for expenses - then Class 07 rates apply. Attach 6a ii) If transportation is very occasional (no more than once a week - non-paying passengers) then Class 02 or Class 03 rates can apply. Attach 6a iii) All others, then appropriate taxi, limousine or bus rates are applicable. END 6a would be attached, however, only if the vehicle is used in a car pool would the 10% surcharge apply. For public vehicles, rate vehicle accordingly. See Public Section of the manual.
6b	School Bus Used in respect of School Buses and, in regard to Passenger Hazard, provides either: (a) separate limits of liability in respect of (i) bodily injury to any one person, (ii) bodily injury to all persons, and (iii) passengers' property or (b) a combined limit in respect of all passengers' bodily injury and property damage.	Rate vehicle according to Public Section.
6c	Public Passenger Vehicles Used in respect of buses other than School Buses and, in regard to Passenger Hazard, provides either: (a) separate limits of liability in respect of (i) bodily injury to any one person, (ii) bodily injury to all persons, and (iii) damage to property carried in the automobile or (b) a combined limit in respect of all passengers' bodily injury and property damage.	Rate vehicle according to Public Section.
6d	Driver Training School Gives permission for the vehicle to be used for Driver Training School purposes and extends the Liability section of the policy to provide coverage in respect of the Insured's liability for bodily injury to student drivers/observers. The Liability limit provided in respect of Road Hazard is to be repeated in the endorsement against both 'any one person' and 'two or more persons'. Also, see END 22	Refer to additional rules within manual for further information.

6F	Public Passenger Vehicles Used instead of END 6c when a combined Road & Passenger Hazard Limit (B.I. & P.D.) is to be provided.	Rate vehicle according to Public Section.
7	Separate Limits (Third Party Liability) Used only when proof of insurance is filed in respect of a vehicle. The authority concerned requires that, in respect of Road Hazard, the insurance provide separate Liability limits for (i) bodily injury to any one person, (ii) bodily injury to all persons, and (iii) damage to property.	Premium is that applicable to an inclusive limit equal to the sum of the limits of "ii" and "iii".
8	Property Damage Reimbursement (Section A only)	Not available on Facility Association policies.
8a	Property Damage Reimbursement for Operation by Named Person (Section A only) (FOR USE IN THE NORTHWEST TERRITORIES ONLY) Used in conjunction with END 28. The Insured agrees to indemnify FA for loss or damage to property arising out of accidents while the person named on the endorsement is operating the vehicle. END 8a may not be used where the person to whom it applies is the named Insured.	No charge.
9	Marine Use Excluded (amphibious vehicles) Specifies that insurance is not provided while the vehicle is in or upon water or being launched or landed. The use of the endorsement is mandatory in respect of vehicles designed for use on both land and water (amphibious vehicles, all terrain vehicles, swamp buggies).	No charge.
13D	Limitation of Glass Coverage Endorsement Amends the Comprehensive coverage by deleting coverage for damage to glass unless caused by a hazard included in Specified Perils coverage.	Private Passenger Vehicles, Motor Homes and 'Light' Commercial Vehicles (excluding Trailers) Premium charged for reduced coverage is Specified Perils plus 10% of Comprehensive except for deductibles of \$1,000 or over where there is no discount from the full applicable Comprehensive premium. Note: For the purposes of the Automobile Statistical Plan, the reduced coverage is reported as Comprehensive Coverage. Other Vehicles: Not offered.
16	Agreement for Suspension of Coverage The Liability, Accident Benefits and Collision coverages in respect of a vehicle that is temporarily laid up may be suspended by means of END 16. The endorsement does not suspend the Liability and Accident Benefits coverages that relate to 'driving other vehicles'. The endorsement may be used in respect of most private passenger and commercial-type vehicles. It is not available in respect of: a. Vehicles for which proof of insurance is issued or filed; b. Experience-rated vehicles; c. Recreational vehicles/items to which the Recreational Section relates. d. Vehicles that were never intended to be driven. e. Vehicles held for sale whether or not on an auto dealer's lot.	The refund for the period of cancellation is calculated according to the table printed on the END 16 form. In no event shall refund be granted for any suspension of coverage less than sixty (60) consecutive days. Refer to additional rules within manual for further information.

17	Reinstatement of Coverage Used in connection with END 16.	The refund for the period of cancellation is calculated according to the table printed on the END 16 form. In no event shall refund be granted for any suspension of coverage less than sixty (60) consecutive days. Refer to additional rules within manual for further information.
19	Limitation of Amount Provides that, in the event of loss or damage, the maximum amount of insurance under the optional physical damage sections of the policy is the actual cash value of the vehicle or the specified dollar amount (selected by the Insured), whichever is less. The use of the endorsement is mandatory in respect of Motorcycles and Mopeds and all vehicles for which the optional physical damage premiums are based on the estimated or appraised current value.	Base optional physical damage premiums on estimated or appraised current value.
19a	Valued Automobile(s)	Not available on Facility Association policies.
20	Loss of Use Provides coverage to pay for other means of transportation because of loss or damage to a described vehicle covered by END 20 caused by an insured peril and where the amount of loss or damage exceeds the deductible.	Not offered. Refer to additional rules within manual for further information
21a	Monthly Reporting Basis Fleet (For Use in the Northwest Territories)	Not available on Facility Association policies.
21b	Blanket Basic Fleet (For use in the Northwest Territories)	Not available on Facility Association policies.
22	Damage to Property of Passengers Used to insure the Passenger Property Damage hazard when either (a) END 6a or 6d is attached to the policy or (b) END 6b is attached but separate Passenger Hazard limits are required in respect of Bodily Injury and Property Damage	Charge the Passenger Hazard Property Damage premium for the class of vehicle concerned and attach END 22 when required. See Public Section.
23a	Mortgage Records the joint interest of a lienholder. If an END 23a is issued showing the coverages provided, the applicability of any restrictive endorsement (such as END 19/28/40) is also to be recorded.	No charge.
23b	Mortgage (Broad Form) Broader than END 23a in that it provides additional protection to the lienholder. If an END 23b is issued showing the coverages provided, the applicability of any restrictive endorsement (such as END 19/28/40) is also to be recorded.	10% of total optional physical damage premium; minimum net annual \$25.
24	Fire Apparatus Excludes optional physical damage coverage on equipment removed from the vehicle while at the location of a fire. Use of the endorsement is mandatory when the insurance applies to a fire-fighting vehicle.	No charge.
25	Alteration (endorsement changing or correcting statement(s) in the application or changing the rating classification) Used by Servicing Carrier to record policy changes..	No charge. Minimum additional premium of \$5 for addition of coverage of vehicle, increase in Liability limit, or decrease in deductible amount.
26	Disappearing Deductible (all perils or collision)	Not available on Facility Association policies.
27	Legal Liability for Damage to Non-Owned Automobiles	Not offered on 'Recreational Vehicles' as described in the Recreational Section of this manual.

28	Reduction of Coverage as Respects Operation By Named Person(s) Used if the coverages provided by the policy are to be restricted when certain named operators are driving the vehicle.	No premium reduction.
29	Additional Coverage as Respects Operation By Named Person(s)	Not available on Facility Association policies
30	Excluding Operation of Attached Machinery Excludes Liability and Accident Benefits coverage in respect of the ownership or use of machinery or apparatus mounted on or attached to the vehicle, while at the site of such use. END30 may not be used in conjunction with END 31.	No charge
31	Non-Owned Equipment Provides coverage in respect of apparatus, machinery or equipment that is attached to the vehicle but is not owned by the Insured. Use of the endorsement is not permissible in respect of a vehicle to which END 30 applies. The optional physical damage coverages may only be the same as those provided in respect of the vehicle. The required limit in respect of loss of or damage to the equipment must be specified.	No specific charge - equipment cost to be included in vehicle value.
32	Recreational Vehicle Permits the use of the insured vehicle, off the public highway and for recreational purposes only, by an unlicensed and/or unqualified person.	No charge.
35	Emergency Service Expense No longer available	Note: On existing policies where END 35 has been applied on a vehicle, the endorsement will remain until the vehicle is removed from the policy.
36	Commercial Automobiles used exclusively for Pleasure Required when a commercial type vehicle is used only for pleasure purposes and is so rated.	No charge. When applicable this endorsement will be read in.
37	Limitation to Automobile Sound and Electronic Communication Equipment (For use in the Northwest Territories) Provides that, in the event of loss or damage by theft or attempted theft, the maximum amount of insurance for the equipment or the actual cash value is \$1,500 in total.	No charge.
38	Increased Limit, Automobile Sound and Electronic Communication Equipment (For use in the Northwest Territories) Provides that, in the event of loss or damage by theft or attempted theft, the maximum amount of insurance for the described equipment is the limit shown in the endorsement or the actual cash value of the described equipment whichever is less.	\$30 per \$1,000 or part thereof, of the limit of coverage shown on the endorsement in excess of \$1,500. E.g. Equipment is valued at \$4,300. The premium for END 38 will be \$90.
40	Fire and Theft Deductible Used when the Comprehensive or Specified Perils deductible is to be made applicable to fire losses and to theft of the entire vehicle. This endorsement is mandatory for all motorized vehicles described in the Recreational Section of this manual.	No charge.

43R	Limited Waiver of Depreciation (FOR ALTA., YUK., N.W.T. and NUN ONLY)	Not available on Facility Association policies.
43R (L)	Limited Waiver of Depreciation (Specified Lessee) (FOR ALTA., YUK., N.W.T. and NUN ONLY)	Not available on Facility Association policies.
44	Family Protection Provides limited protection to the Insured, spouse and certain relatives in the event of bodily injuries caused by another motorist who has less Liability insurance than the Insured. For a complete description of the coverage, see the actual endorsement form and the 'Supplement'. The limit for any one accident (i.e. all claimants) is normally the difference between the Liability limit carried by the other motorist and the Liability limit applicable to the insured vehicle. The coverage limit provided by this endorsement is the same as the Liability limit applicable to the vehicle. For example: If the vehicle is insured with a Liability limit of \$2,000,000 the END 44 will also have a limit of \$2,000,000.	Premiums are dependent on class of vehicle and limit of Liability. Premiums are shown on rate pages in each section of the manual. This endorsement is not available on 'Public Vehicles' as described in the Public Section of this manual or any other vehicles used in the manner of 'Public Vehicles'.

NORTHWEST TERRITORIES

The entire territory

STAT CODE 010

TRAILERS, MOTOR HOMES, CAMPER UNITS and ANTIQUE VEHICLES

PAGE 1

SCHEDULE OF RATES

THIRD PARTY LIABILITY and ACCIDENT BENEFITS

Note: The dollar amounts indicated below for Liability apply whatever the Liability Limit: for a trailer, the limit should be the same as that of the towing vehicle, and for a camper unit, the same as that of the vehicle on which the unit is mounted, for a motor home the underlying premium varies with the Liability Limit.

TRAILERS		
Type	Pleasure Use Only	Including Non-Pleasure Use *
A. THIRD PARTY LIABILITY		
<i>Note: If the number of trailers exceeds the number of towing vehicles for Third Party Liability charge:</i> <i>(i) the full premium for the number of highest-rated trailers equal to the number of towing vehicles, plus</i> <i>(ii) for each additional trailer, 50% of the indicated premium.</i>		
a. Cabin or Home Trailer	\$35	\$217
b. Tent Trailer	No Charge, but rate as a Cabin Trailer if the towing vehicle is not insured by the same policy.	\$217
c. Other Trailer		\$217
B. ACCIDENT BENEFITS		
a. Cabin or Home Trailer	Where the trailer and the towing vehicle are insured by the same policy: charge 50% of the premium applicable to the towing vehicle. Otherwise: charge 100% of the premium applicable to the towing vehicle	\$135
b. Tent Trailer	No Charge, but rate as a Cabin Trailer if the towing vehicle is not insured by the same policy.	\$135
c. Other Trailer	Not Applicable	Not Applicable
MOTOR HOMES		
Type	Pleasure Use Only	Including Non-Pleasure Use *
A. THIRD PARTY LIABILITY		
All	Rate the vehicle as a Private Passenger Vehicle plus \$32	Rate the vehicle as a Private Passenger Vehicle plus \$32
B. ACCIDENT BENEFITS		
All	Rate the vehicle as a Private Passenger Vehicle using the rate group shown in Table A in the Private Passenger Section.	Rate the vehicle as a Private Passenger Vehicle plus \$68
CAMPER UNITS		
Type	Pleasure Use Only	Including Non-Pleasure Use *
A. THIRD PARTY LIABILITY		
All	Rate the vehicle as a Private Passenger Vehicle; for the Camper Unit charge \$32	Rate the vehicle as a Private Passenger Vehicle; for the Camper Unit charge \$32
B. ACCIDENT BENEFITS		
All	Rate the vehicle as a Private Passenger Vehicle for the Camper Unit -no charge	Rate the vehicle as a Private Passenger Vehicle; for the Camper Unit charge \$68

* In the event of commercial use that includes carrying passengers, refer to the Servicing Carrier with complete details of risk.

TRAILERS, MOTOR HOMES, CAMPER UNITS and ANTIQUE VEHICLES

SCHEDULE OF RATES

C. PHYSICAL DAMAGE

Motor Home Collision Insurance: Rate the vehicle as a Private Passenger Vehicle, using the Rate Group shown below for the relevant List Price New.								
Camper Units: 1. The premiums are additional to the premiums applicable to the vehicle on which the Camper Unit is mounted. 2. These premiums apply whatever the deductible; the deductible should be the same as that for the vehicle on which the Camper Unit is mounted. 3. The List Price New (see Definition) applies to the Camper Unit fully equipped - but does not include the value of the vehicle on which the Unit is mounted.								
List Price New (see definition)	Motor Homes	Motor Home	Trailers only	Trailers and Motor Homes		Camper Units		
	Collision	Comp. S.P.	Collision	Comprehensive	Specified Perils	Collision	Compre- hensive	Specified Perils

29,001 - 30,000	14	30	371	707	448	449	737	481
Higher Values	See Note 1	See Note 2				See Note 3		

Note 1. Obtain the Rate Group from the Private Passenger Estimated Value Rate Group Table, then rate Collision in that Section.

Note 2. For **each** additional \$1,000 of value add to the Rate Group 30 Base Deductible premium above the following amounts:

Collision -: \$12.59; Comprehensive - \$23.56; Specified Perils - \$14.93 in order to obtain the Base Deductible premium.

Note 3. Each additional \$1,000, add to the Rate Group 30 premium: \$14.61 for Collision; \$ 24.05 for Comprehensive; \$15.55 for Specified Perils.

OTHER DEDUCTIBLES: Determine the Base Deductible premium for required Rate Group (rounded to nearest \$),

then multiply by applicable deductible factor. Minimum deductible applies. Refer to Rule 401.

Deductible Amount		500	750	1000	1250	1500	1750	2000	2250	2500+
Collision Factor	(Base \$250)	0.860	0.790	0.750	0.720	0.700	0.690	0.680	0.675	0.670
Comp. & S. P. Factor	(Base \$100)	0.960	0.940	0.920	0.910	0.900	0.890	0.885	0.880	0.875
Note: For each step from the Base Deductible there is a minimum difference of \$1.					Other Deductibles NOT applicable to Camper Units.					

ANTIQUÉ VEHICLES

Rule 600: Garage Policy

A. Overview

The Garage Automobile Policy (POL 4) may be issued only for the garage risks identified in Rule 601: Definitions. It is understood that pickup and delivery of customer vehicles may be supplementary to the Insured's described business of selling, repairing, servicing or parking vehicles.

B. Underwriting Rules

Facility Association's rules for declining to issue, terminating or refusing to renew a POL 4 (Garage Automobile Policy) contract:

1. The risk does not meet the object of the Facility Association which is to ensure the availability of automobile insurance, as required by law, in those provinces and territories of Canada in which the Facility Association operates, to the owners and licensed drivers of motor vehicles who would otherwise have difficulty obtaining such insurance.
2. The Applicant does not have an insurable interest in the garage business or the inventory of owned vehicles
3. The business is registered and located in a jurisdiction other than Northwest Territories. (If the business is registered and located in another jurisdiction in which Facility Association operates, the business may be insured through an Agent/Broker and Servicing Carrier licensed in that jurisdiction.)
4. Dealer plates are not Northwest Territories issued or are never used in Northwest Territories.
5. The application is incomplete, has not been signed by the Applicant or has not been bound and signed by the Agent/Broker.
6. The Applicant/Agent/Broker does not provide sufficient current valid information e.g. Garage Rating / Underwriting Supplement to properly rate the risk.
7. Owned automobiles are not in the possession of the Applicant i.e. cannot be located. (This restriction is not intended to be used as a denial of a valid theft claim.)
8. Owned automobiles are branded 'nonrepairable'.
9. Non-payment of premium for the current policy period (for purposes of termination only).
10. Any risk where abusive or threatening behaviour of the Insured/Applicant/Driver within the previous 3 years has created a safety concern for Facility Association staff, Servicing Carrier staff or a representative acting on behalf of either and circumstances have been reported to police.

Facility Association's rules for refusing to provide or continue a coverage on a POL 4 (Garage Automobile Policy) contract:

1. Owned automobiles are branded as 'salvage' or are in pieces.
2. Within the preceding thirty six months, the Applicant, owner or proprietor:
 - a) knowingly misrepresented or failed to disclose in an application any fact to be stated therein resulting in a policy being cancelled by registered letter for material misrepresentation or a claim being denied for material misrepresentation.
OR
 - b) wilfully made a false statement in respect of a claim.
OR
 - c) contravened a term of an insurance contract or been convicted of fraud in relation thereto.
OR
 - d) when making a previous application for automobile insurance, gave false particulars of a risk to be insured to the prejudice of the Insurer.

NOTE:

Where rating from a specific section of the Facility Association Rules and Rates Manual (e.g. Private Passenger Section) applies, the rules pertaining to the rating also apply.

Rule 601: Definitions

A. Auction - Stat. Class 86

This risk is engaged in the business of auctioning or selling customer vehicles i.e. non-owned vehicles. END 71 (Excluding Owned Automobiles) must be attached to the policy. Owned vehicles used in the course of the Insured's business must be insured on POL 1 (Owner's Policy) at full manual rates.

A risk that is engaged in the business of auctioning owned vehicles must be insured as an automobile dealer. Where the Insured is engaged in the business of auctioning both owned and customer vehicles (non-owned vehicles), the risk must be rated as an automobile dealer.

B. Auto Hauler

A vehicle designed for the transportation of more than one automobile

C. Bailiff - Stat. Class 89

This risk is engaged in the business of repossessing vehicles whether or not using a dealer plate.

D. Courtesy Cars

These are vehicles supplied to customers for their use for a period not to exceed 30 days, while their own vehicles are being repaired or while they are awaiting delivery of a newly

purchased or leased vehicle, regardless of whether or not the customer is charged a fee for use of the vehicle.

Supplying vehicles to customers for a charge in other than the circumstances outlined above is considered renting or leasing of vehicles, is expressly **excluded** under POL 4 (Garage Automobile Policy) and requires a separate POL 1 (Owner's Policy).

E. Customer Automobiles

These are vehicles owned by customers in the Insured's care, custody or control. Vehicles on consignment are considered to be customer automobiles.

F. Dealer - Stat. Class 86

This risk is engaged in selling new or used vehicles. Repair or servicing of vehicles is included.

POL 4 (Garage Automobile Policy) is not issued for collections of antique or classic vehicles whether or not publicly displayed.

G. Dealer Plates

Dealer Plates

They are used by automobile dealers for private use or for sales purposes on motor vehicles owned as part of the dealer's inventory of vehicles for sale.

Note: For charges applicable to the dealer plate, refer to the rule in the Garage Section pertaining to the type of garage risk being insured. This charge is in addition to the premium applicable to the garage risk being insured.

H. Delivery Services - Stat. Class 91

This risk involves an Insured picking up and delivering vehicles using the owner's vehicle plates.

This is not a garage risk and must be insured on a non-owned automobile policy – POL 6 or POL 2. Refer to Non-Owned or Drivers Section of the manual.

Examples of Delivery Services:

- a) The Insured's customer moves to a new address. The Insured picks up the customer's vehicle from the old location and delivers it to the new location. This may be done by driving, towing or carrying the vehicle on a trailer to the new location.
This may also be done by driving or towing the vehicle to a location from where it will be shipped by train or transport truck. Upon reaching its destination, the Insured will deliver the vehicle to the customer.
- b) The Insured's customer drives to Florida and flies home. The Insured picks up the customer's vehicle in Florida and drives it back.
- c) The Insured picks up vehicles on behalf of an automobile dealer using that dealer's dealer plate. The Insured is performing a delivery service for the automobile dealer.
- d) The Insured picks up a motor home in the U.S. and takes it to a Northwest Territories dealer who will sell it. The owner of the motor home leaves the owner's plate on the

motor home during this process and the vehicle is driven using the owner's plate.

NOTE: Any vehicle which is not a tow truck (as defined under Tow Truck), must be rated in the Commercial Section of the manual.

I. Demonstrator Models (Demos)

These are considered owned vehicles. See Rule 601.J. There is no additional charge (unless it bears a regular plate) as these vehicles are typically driven using a dealer plate for which we are already charging a premium.

J. Detailers – Stat Class 82

1. Cleaning and Reconditioning

These are risks that complete detailed cleaning and reconditioning (fine painting and upholstery cleaning) of automobiles with no installation of equipment and no body and mechanical repairs. Rate as a service station with END 71 (Excluding Owned Automobiles).

2. Installations

These are risks operating under contract with an automobile dealer to install equipment options (CD players, navigation equipment) to new automobiles and no body or mechanical repairs. Rate as a service station with END 71 (Excluding Owned Automobiles).

For both types of operation described above:

Pickup and delivery of customer automobiles using the customer's plates or dealer plate is included.

K. Driveaway Service - Stat. Class 89

The Insured delivers customer vehicles using the Insured's own dealer plate. END 71 (Excluding Owned Automobiles) must be attached to the policy. Owned vehicles must be insured on POL 1 at full manual rates.

Examples of Driveaway Service:

- a) The Insured delivers tractors from Northwest Territories to Alberta and uses his/her own dealer plate to do this.
- b) The Insured picks up motor homes in the U.S. and takes them to a dealer in Northwest Territories who will sell them. The Insured uses his/her own dealer plate to do this.

L. Owned Automobiles

Vehicles owned by the insured (the garage) and used for pleasure and/or in connection with the business stated in the application and/or held for sale or demonstration and/or sold but not delivered.

Vehicles leased by or from a garage must be insured using POL 1 written in the name of the lessor with END 5 attached.

M. Parking Lot - Stat. Class 84

This is a risk engaged in the business of operating an open air parking lot which may include parking and moving of customer vehicles by employees, and/or washing and cleaning of customer vehicles. END 71 (Excluding Owned Automobiles) must be attached to the policy. Owned vehicles must be insured on POL 1 at full manual rates.

N. Repair Garage - Stat. Class 81

This is a risk engaged in repairing and servicing but not selling vehicles. Any garage performing engine, body or transmission repair along with incidental minor repair is classified as a repair garage. A salvage/junk yard without vehicle sales is classified as a repair garage. Possession of a dealer plate that is incidental to the operation of a repair garage is permissible.

O. Service Station - Stat. Class 82

This is a risk engaged in operating a refuelling station and/or service station providing any of these services:

- Selling, servicing and installation of incidental vehicle parts and accessories
- Lubrication
- Washing and detailing (including automatic wash)
- Minor repairs excluding body, engine or transmission
- Auto electric repairs
- Muffler installation and repairs
- Glass installation and repairs
- Sound equipment installation and service (including mobile phone systems)
- Tire installation and repairs

END 71 (Excluding Owned Automobiles) must be attached to the policy. Owned vehicles must be insured on POL 1 at full manual rates. Possession of a dealer plate that is incidental to the operation of a service station garage is permissible.

P. Shuttle Bus

A vehicle used to transport garage customers to or from the garage to facilitate the purchase, servicing or repair of the customers vehicle regardless of whether or not the customer is charged a fee for this service. Use of the vehicle to carry passengers for compensation for any other purpose is expressly excluded under POL 4. See Rule 629: Courtesy Cars and Shuttle Buses for rating.

Q. Staff Units

Staff is comprised of all owners, proprietors, active partners, employees and other persons (persons on contract) engaged in the business declared in item 3 of the application regardless of their driver's licence status. Drivers who are unlicensed or have a suspended licence are to be included in the staff count as well as those listed on END 78 (Reduction of Coverage for Named Persons).

When counting staff units:

- a) Each owner, proprietor, active partner, full time employee and full time other person = 1 staff unit
- b) Each part time employee, clerical staff and part time other person = 1/2 staff unit
- c) Total a) and b) and, if necessary, round up to the next whole number

For example: 1 proprietor, 1 full time employee, 3 part time employees = 3 1/2 staff units which, when rounded up to the next whole number, will be 4 staff units.

END 76 (Additional Insured) must be used on automobile dealer and repair garage policies to provide coverage for persons other than active partners, proprietors and full time

employees, who have been provided with a vehicle for their regular use.

Inactive/Silent Partners

Silent partners are those who do not participate in the management of the business and do not receive remuneration of any kind from the business. They are not counted in staff units.

Example: An incorporated company requires three directors. Applicant and partner are incorporating a garage business. The lawyer who signs the incorporation papers becomes the third director. The lawyer is an inactive or silent partner.

R. Storage Garage - Stat. Class 85

This risk is engaged in the business of operating a storage/parking garage which may include parking and moving of customer vehicles by employees and/or washing and cleaning of customer vehicles. END 71 (Excluding Owned Automobiles) must be attached to the policy. Owned vehicles must be insured on POL 1 at full manual rates.

Possession of a dealer plate that is incidental to the operation of a storage garage is permissible.

S. Tow Truck

This is a vehicle designed for towing a vehicle. A tilt deck truck (a flatbed with a winch) designed to carry a single vehicle rather than towing it will be considered a tow truck.

If a tilt deck truck is towing another vehicle by means of a towbar or similar equipment, the 'Cargo Other' trailer charge (found in the Commercial Section of this manual) applies.

If the vehicle is designed to carry more than 1 vehicle, it must be insured on POL 1 for Automobile Hauling.

T. Valet Parking - Stat. Class 85

This risk is engaged in the business of taking away, parking and returning customer vehicles at (for example) social or special events. This does not include risks that are operating as Storage Garage or Parking Lot. END 71 (Excluding Owned Automobiles) must be attached to the policy. Owned vehicles must be insured on POL 1 at full manual rates.

U. Vehicles

These include private passenger, commercial type vehicles including buses and recreational type vehicles.

Rule 602: Application**A. Application Types****1. Faxed Applications**

Fully completed and signed current approved Standard Garage Application Forms submitted by fax are acceptable in lieu of original applications. These applications must be accompanied by the required Garage Rating / Underwriting Supplements. Where an original application has been submitted without signature, a signed and faxed copy of the application is acceptable to complete the signature requirement.

2. Computer Generated Application Forms

These application forms are acceptable but must be in the standard format approved by the applicable regulatory authority and must include all information that is required to be provided on the current approved Standard Garage Application Form.

The computerized application must be signed and dated by the Applicant as well as the Agent/Broker.

B. Completing the Application

When underwriting a garage policy, the **following is required:**

1. A fully completed and signed current approved Standard Garage Application Form showing the date and time coverage was bound, as evidenced by the Application signed by the Insured. If there is any other insurance in force in respect of the risk, binding shall not be made effective before the expiry of that other insurance.
2. A fully completed and signed Facility Association Garage Rating / Underwriting Supplement attached to the Garage Application Form.
3. If the application form cannot be sent to the Servicing Carrier on the date on which coverage was effected, it must be sent the next working day.
4. The Servicing Carrier will normally issue the policy within 30 days of the effective date. If the Agent/Broker does not receive the policy and the full term liability card within that time, a further temporary liability card must be issued by the Agent/Broker and the Servicing Carrier must be contacted immediately to determine the status of the policy. The term of binding and of the temporary liability card is 30 days. The temporary liability card may not be amended to indicate a longer period.
5. The employee's/driver's authorization to enable the Servicing Carrier to obtain a driver record abstract where such authorization is required by law.
6. The Agent/Broker shall collect or assume responsibility for the full indicated premium

OR

Obtain a fully completed premium finance contract together with the full down payment required and promptly send that contract to the finance company office.

7. A copy of the valid registration of all owned plated vehicles not held for sale being insured, regardless of vehicle type or use, should accompany the application. If the valid registration cannot be submitted with the application, a copy of the registration is required within 30 days of binding coverage.

Where a copy of the valid registration is not provided, the following shall apply:

- Policy shall be issued with all vehicles at the correct premium.
- If any registration is not provided within 30 days from the date requested by the Servicing Carrier, the policy shall be cancelled by registered letter.

- If the missing registration is provided before the cancellation takes effect, the policy may be reinstated.
- Agent/Broker may submit a new application for the vehicle meeting the registration requirement.

C. Item 1 of the Application

The name appearing on the policy must be that of a legal entity i.e. an adult individual, limited company or partnership. The name of the business registered with the appropriate municipal, provincial or federal authority must be used.

If the Insured operates a location with both building and open lot exposure, each must be shown on a separate line of the application as a separate location.

D. Item 3 of the Application

Specify the principal business e.g. Automobile Dealer, as well as dealer/Service Plate Numbers. Should the risk have other business in respect of which automobile insurance is to be provided, then it must be listed. Any business/operation/plate number not listed is not covered.

E. Applicant's Signature

The Applicant's signature shall be provided on the manual application form or the computerized application at the time of binding whenever possible. If the Applicant's signature cannot be obtained at the time of binding, the Servicing carrier shall allow the Agent/Broker 30 days to obtain a signature on the original application provided the Agent/Broker assumes responsibility for the full indicated premium. In the meantime, the Agent/Broker must send a copy of the completed but unsigned application to the Servicing Carrier. If a signed copy of the application is not received by the Servicing Carrier within the 30 day time period, the Servicing Carrier shall immediately cancel the policy by registered letter. The Agent/Broker shall be responsible for the full indicated earned premium for the time on risk.

Rule 603: Policy Term

Garage policies may only be issued for a term of one year. No six month policies are available.

Rule 604: Coverage Available

Unless otherwise stated, garage risks are written on POL 4 (Garage Automobile Policy), which provides Liability and Accident Benefits while owned, customer and non-owned vehicles are being operated.

Coverage for owned vehicles is only provided to Automobile Dealers and Repair Garages. Owned vehicles may also be covered for Collision, Comprehensive, Specified Perils and Specified Perils without Theft.

For risks other than Automobile Dealer and Repair Garage, END 71 (Excluding Owned Automobiles) must be attached to

the policy and owned vehicles must be insured by means of POL 1 (Owner's Policy).

Legal Liability coverage for Collision and Specified Perils coverage to customer vehicles may also be provided.

If the Insured operates a location with both building and open lot exposure, each must be shown on the application. **Open Lot Pilferage – Owned Automobiles (END 74), Customer Automobiles (END 75 and END 77) are not available on policies written through Facility Association.**

A. Liability Limit

(Policies are required to provide at least the statutory minimum coverage applicable to the jurisdiction.)

Not more than \$2,000,000 except:

- When required by Canadian or American federal or provincial statute, by regulation issued under authority thereof, or by municipal by-laws (but not by other local authorities such as school boards). The Liability limit may not exceed the amount required.
- Where the Insured is required to have limits higher than \$2,000,000 but not exceeding \$5,000,000 in order to obtain a contract of work or obtain employment and where failure to do so will result in loss of the contract or employment. The Insured will be required to provide documentation of the contract requirements or employment requirements for limits no higher than \$5,000,000. This documentation is required at the time the higher limit is requested but not for subsequent renewal terms.

B. Accident Benefits

- As prescribed by statute

C. Physical Damage - Owned and Non-Owned Vehicles

All Perils coverage is not available on POL 4 (Garage Policy).

Physical damage coverage shall not be provided or continued for any vehicle valued at \$1,000,000 or more.

1. Owned Vehicles

Coverage may only be provided where owned vehicles are not excluded e.g. END 71 (Excluding Owned Automobiles) has not been attached.

a) Collision - Owned Automobiles

Coverage is available for Automobile Dealers. Coverage may be restricted to operation by a named person (END 70) or specific vehicles (END 80).

For repair garages, Section C coverage may be provided by means of END 70 or END 80.

For all other garage risks END 71 must be attached to the policy and coverage for owned vehicles must be provided by a separate POL 1 (Owner's Policy).

If all owned vehicles including those held for sale are to be insured for Collision, the deductible will be a minimum of

\$1,000. Where END 70 (Named Chauffeur) or END 80 (Specified Owned Automobile Physical Damage Coverage) is being used, the deductibles are determined on a per vehicle basis in accordance with the section of the manual under which the vehicle is rated. Therefore, when using END 70 and 80, the minimum deductible under the Garage section does not apply.

b) Comprehensive / Specified Perils Coverage / Specified Perils Excluding Theft provides coverage for:

- Automobiles at locations specified in Item 1 of the application

This coverage is to be written on an 80% co-insurance basis. Policies are not written on a monthly average basis. The required limit must be in line with the values shown in item 4 of the Garage Supplement - Vehicles Held for Sale.

Due to the co-insurance provision, it is important for the Agent/Broker and Insured to discuss this limit carefully.

One possible method of calculating the required limit is the maximum number of vehicles times the average value.

The deductible per occurrence will be determined as follows based on the 'Maximum Number' of 'Vehicles Held for Sale' in item 4 of the Garage Rating/Underwriting Supplement.

<u>Number of Vehicles</u>	<u>Deductible</u>
1 - 5 VEHICLES	1,000
6 - 10 VEHICLES	2,500
OVER 10 VEHICLES	5,000

Rating - Refer to Rule 624: Automobile Dealers

- Automobiles at newly acquired locations not in excess of the amount of the lowest limit of any stated location. The Servicing Carrier must be notified of new locations. Only locations in Northwest Territories may be insured under this policy.

- Not more than four automobiles at any location not used by the Insured in the business specified in item 3 of the application.

- Automobiles specified in END 80

2. Legal Liability for Damage to Customer Automobiles

Limits in excess of \$5,000,000 must be referred to Facility Association Central Office.

a) Collision

The required limit is the value of the most expensive vehicle for which the insured will be responsible. The deductible for any one occurrence is 5% of the required limit subject to a minimum \$500 deductible.

b) Specified Perils

The application must specify the maximum number of customer automobiles at each location and a limit of liability. The minimum required limit for each location

must be the total value of all customer vehicles at that location.

Each location is subject to a 100% co-insurance clause based upon the number of vehicles at each location at the time of loss relative to the maximum number of customer vehicles stated in the application for that location.

Due to the co-insurance provision, it is important for the Agent/Broker and Insured to discuss this limit carefully.

One possible method of calculating the required limit is the maximum number of vehicles multiplied by the value of the most expensive vehicle. The Applicant has 5 customer vehicles; 4 are valued at \$10,000 and 1 is valued at \$16,000. The required limit would therefore be \$80,000.

Rule 605: Minimum Deductibles

a) Owned Automobiles

Collision: \$1,000.

Comprehensive/Specified Perils/Specified Perils
Excluding Theft: \$1,000.

b) Legal Liability For Customer Automobiles

Collision: 5% of the required limit rounded to the nearest \$250, subject to a minimum deductible of \$500.

Specified Perils Excluding Open Lot Pilferage: No deductible applicable.

c) Individually Rated Vehicles

These vehicles are subject to the minimum deductible requirements outlined in the section of the manual in which they are being rated.

d) Risks with Claims

Where garage operations have incurred claims, physical damage insurance shall be provided at the higher of the deductibles referred to above or the following minimum deductible amounts:

Number of automobile insurance claims under each coverage			Deductible amount applicable to the coverage under which the claims were made
In prior 12 months	In prior 36 months	In prior 60 months (fire and/or total theft)	
3	-	2	\$5,000
-	3	-	\$2,500
-	4	-	\$5,000
-	5 or more	-	5% of LPN (minimum deductible \$5000)
		3 or more	No coverage offered

Rule 606: Garage Endorsements

Changes to standard approved forms are not permitted.

Refer to Rule 638: Standard Endorsement Forms Applicable to Garage Automobile Policy (POL 4) for more information. The descriptions are brief and reference must be made to the actual wordings of these forms to ascertain the full provisions and restrictions.

Certain endorsement forms require one or more signatures. Where the required signatures are not obtained, the policy may be cancelled in accordance with the Statutory Conditions or issued without the endorsement and related accordingly.

Provided the endorsement form does not indicate the expiry date of the policy term, once an endorsement form has been signed, it need not be signed again on subsequent policy renewal terms.

The following endorsements are not available on policies written through Facility Association:

END 74 Open Lot Pilferage – Owned Automobiles

END 75 and END 77 Open Lot Pilferage – Customer Automobiles

Rule 607: Outside Territory Exposure

Outside Territory Exposure Surcharge

Any vehicle that is operated another Canadian jurisdiction or the U.S. is subject to a surcharge. This surcharge shall apply to all classes of vehicles where proof of insurance is required or where the vehicles are used for business, commercial purposes or are carrying passengers.

The surcharge does not apply where the vehicle is used for personal use only and proof of insurance is not required.

The Insured must advise the Agent/Broker the percentage of the total mileage that the vehicle will be used outside Province/Territory including U.S. and the jurisdiction(s) into which the vehicle is and will be driven.

NOTE: Where vehicles are operated in the U.S., Agents/Brokers must ask Insureds whether or not proof of insurance must be filed and, if so, in what amount.

Basic Garage Premium - Liability, Accident Benefits, END 81

If the exposure is 5.0% or less of total mileage in the U.S. or applicable Canadian jurisdiction, a 5% surcharge will apply to Liability, Accident Benefits and END 81.

If the exposure is over 5.0% of total mileage in the U.S. or applicable Canadian jurisdiction, surcharge 1% of the applicable premium.

For example:

Outside Territory Exposure	Applicable Surcharge
Up to 5%	5%
10%	10%
25%	25%
50%	50%

Basic Garage Premium – Optional Physical Damage

For each percentage point of total mileage in the U.S. or applicable Canadian jurisdiction, surcharge .50% of the applicable premium.

For example:

Outside Territory Exposure	Applicable Surcharge
6%	3%
10%	5%
25%	12.5%
50%	25%

At the Servicing Carrier's discretion, a copy of fuel tax information, log books and/or other pertinent records may be required to verify mileage and travelled jurisdictions.

Rule 608: Proof of Insurance Where Notice of Cancellation or Deletion is Required

A. General Information

1. The Agent/Broker is authorized to issue proof of insurance on behalf of the Servicing Carrier in the form of the Servicing Carrier's standard certificate or a CSIO-approved Certificate of Insurance, with a notice of cancellation period not exceeding 15 days.
 - a) If a notice of cancellation period exceeding 15 days is required, the Agent/Broker is to obtain approval from the Servicing Carrier prior to certificate issuance.
 - b) Certificates must be issued only on a Described Automobiles basis. Should proof be required on a Blanket Basis, refer to Item #4 below.
 - c) Copies of all certificates issued by the Agent/Broker shall be submitted to the Servicing Carrier within one (1) business day for acceptance and documentation.

- d) The Servicing Carrier is ultimately responsible for ensuring that all proof of insurance issued by the Agent/Broker is acceptable and reflects the limits of the policy. The Servicing Carrier will promptly reissue any certificate originally issued by the Agent/ Broker, where indicated coverage differs from the policy or where the notice of cancellation period was not previously approved by Underwriting.

2. The Servicing Carrier is responsible for the completion of any non-standard certificates (i.e. certificates that are to be completed on a non-CSIO approved form), Out of Province, U.S. or Other filings.
 - a) The Agent/Broker must specify to the Servicing Carrier if proof of insurance (e.g. a financial responsibility certificate) must be issued or filed with a Local, Provincial, Federal or U.S. authority.
 - b) Where vehicles are operated in the U.S., Agents/Brokers must confirm with Insured's if proof of insurance is to be filed and, if so, in what amount.
3. If proof of insurance is issued by the Servicing Carrier, a copy must be supplied to the Agent/Broker for their records.
4. Proof of Insurance must only be issued on a 'Described Automobile' and/or 'Described Location' basis. Proof may not be issued or filed on a 'Blanket Basis' (i.e. without specifying the insured vehicles or garage locations), only if the authority concerned permits no alternative. In that case, the Facility Association's form of 'Indemnification and Hold Harmless Agreement' must be fully completed and include the signatures of the Applicant and a witness. The completed form is to be kept on file with to the Servicing Carrier.
5. Parties requiring proof cannot be added as additional named Insureds on the policy. The certificate showing proof of insurance guarantees to the party that the vehicle is insured. This is the full extent of the guarantee.
6. Should the Servicing Carrier have any concern with the coverages or limits being guaranteed when asked to use a certificate prescribed by the organization or authority with whom the certificate is being filed, the Servicing Carrier should contact Facility Association Head Office.

B. Renewal or Offer to Renew

If a renewal or offer to renew is issued where proof of insurance has been issued or filed and the renewal is not required, the Servicing Carrier must be notified in sufficient time to file a notice of cancellation in accordance with the applicable authority's requirements. Otherwise, the Agent/Broker/Insured shall be responsible for time on risk charges.

C. Policy Cancellation**1. Registered Letter**

Where proof of insurance has been issued or filed and the policy is to be cancelled, the cancellation of coverages to which the proof of insurance relates shall be processed in accordance with the Statutory Conditions.

The notice of cancellation for the authority concerned must be issued on the same day as the notice of cancellation to the Insured. However, as a result of the authority's requirements, the effective date of cancellation may be different.

2. Insured's Request

Where proof of insurance has been issued or filed, and the policy is to be cancelled, the cancellation of coverages to which the proof of insurance relates shall be processed after taking into consideration the period of notice required by the authority.

The effective date of cancellation shall be the same for both the Insured and the authority concerned.

3. Filing Liability Limits

The filing should always be made for the limit required by law even if the policy actually shows a higher limit. Where filings are required in multiple jurisdictions, the filing should be made showing only the limits required in that jurisdiction. The policy should be written with the lowest limits necessary to meet all requirements.

4. Processing Fees for Filings

Please contact your Servicing Carrier for a schedule of fees which will be charged on a 100% cost recovery basis.

Any charge required by the authority concerned shall be in addition to, and separate from, the processing fees.

Insured), which provides insurance for vehicles that are supplied for the regular or frequent use of specified persons who are not active partners or full time employees.

- Vehicles designed for bulk transportation of petroleum products or other materials while being used for such purposes.
- Vehicles designed for the transportation of other vehicles, but tow trucks shall not be deemed to be designed for such purposes.

C. Excluded Drivers

The following provisions apply in the event of the suspension, cancellation or lapse of an operator's licence. These provisions apply whether END 78 is being added to the policy at the request of the Insured or by the Servicing Carrier because of the above mentioned circumstances.

1. If there is no other driver on the garage policy

- a) An application for insurance shall be declined by the Agent/Broker.
- b) If the situation is discovered after the policy has been issued, the Servicing Carrier shall cancel the policy by registered letter in accordance with the Statutory Conditions.
- c) The time on risk charge for the period to expiration of the notice of termination will be pro rata of the premium applicable to the risk as submitted.
- d) If the situation is discovered as a result of enquiries prior to the renewal date, the Servicing Carrier shall issue a notice of non-renewal.

2. If there is another licensed driver on the garage policy
(It is assumed that the person concerned will not drive without a valid licence.)

- a) The Servicing Carrier shall issue END 78 (Reduction of Coverage as Respects Operation by Named Person) restricting coverage to mandatory minimum coverage and excluding physical damage where provided, for that person.
- b) If that person being a driver affected the rating of the insurance, the insurance shall be re-rated to remove that person as a driver and any convictions involving that driver prior to issuance of END 78 shall not be taken into account in rating. If the driver has a 'driving while suspended' conviction, all accidents and convictions shall be taken into consideration for the rating and the END 78 shall be deleted.

D. Unsigned END 78 (Reduction of Coverage as Respects Operation by Named Person)

If END 78 is not completed, signed and returned within 30 days of endorsement issuance, END 78 shall be deleted and the policy shall be re-rated as though there was no END 78.

Rule 609: Excluded Uses, Automobiles and Drivers**A. Excluded Uses**

- Renting or leasing to others (either short term rental or long term leasing)
- Carriage of passengers or goods for compensation
- Others as described in the POL 4 (Garage Automobile Policy) wording

B. Excluded Automobiles

- Vehicles owned in connection with, or used for the purpose of any business not described in item 3 of the application
- Vehicles owned by the Insured which are designed for racing purposes
- Vehicles provided for the regular use of persons other than active partners and fulltime employees. On automobile dealer policies, coverage may be extended to these vehicles from the inventory of vehicles held for sale (not regular plated) by adding END 76 (Additional

Rule 610: Claims

Every accident, loss or claim that comes to the knowledge of the Agent/Broker in regard to Facility Association policies must immediately be reported in the manner prescribed by the Servicing Carrier.

Losses involving collision with animals, both wild and domestic, shall be paid under Comprehensive coverage. If the policy does not provide Comprehensive coverage but does provide Collision coverage, the loss shall be paid under Collision coverage and be regarded as not at fault.

Rule 611: Renewals

A. Renewal processing

If the renewal involves a vehicle for which proof of insurance has been filed or is required, refer to Rule 608: Proof of Insurance.

Every 2nd renewal, prior to the expiry date of the policy, the Servicing Carrier shall ask the Agent/Broker to have a new Garage Rating / Underwriting Supplement completed and signed to update the information on record for the upcoming renewal term. Such a request shall be made well in advance of the expiry date because of the need to issue the renewal policy before the insurance expires. The onus remains on the Broker to communicate any changes to the policy between Garage Supplement requests.

The renewal will not be issued unless and until the properly completed and signed Garage Rating / Underwriting Supplement has been returned.

NOTE: Renewals shall only be offered for annual terms.

A driver record abstract must be obtained for those risks where rating is dependent upon driving history. These must be ordered on all drivers prior to every renewal.

Before releasing any renewal documents, the Agent/Broker must collect or assume responsibility for the full renewal premium. If the Servicing Carrier is unable to issue renewals in the required time period, the Agent/Broker must issue a temporary liability card and collect a downpayment based on the estimated annual premium for the upcoming renewal term.
OR

Obtain a fully completed premium finance contract together with the full downpayment required and promptly send that contract to the premium finance company.

Once a renewal or offer to renew has been processed, and accepted by the Insured, if the Servicing Carrier receives notice of an at fault loss that occurred prior to the renewal's effective date, the Servicing Carrier shall amend the renewal rating accordingly.

NOTE: Any risk where abusive or threatening behaviour of the Insured/Applicant/Driver within the previous 3 years has created a safety concern for Facility Association staff, Servicing Carrier staff or a representative acting on behalf of

either and circumstances have been reported to police shall be non-renewed.

B. Direct Bill Renewals

Servicing Carrier Responsibilities

1. For each policy an offer to renew shall be issued by the Servicing Carrier. The offer to renew must reach the Insured's last known address no later than 30 days prior to the policy's current expiry date.
2. The payment due date must be clearly indicated on the offer to renew and must be the same as the policy's current expiry date.
3. If the required premium is received by the Servicing Carrier no later than 15 days after the payment due date, the Servicing Carrier shall promptly issue the appropriate renewal documents to the Insured.
4. If the required payment is not received by the Servicing Carrier within 15 days of the payment due date, the policy will be treated as though it has expired and the Servicing Carrier shall advise the Agent/Broker accordingly within the following 10 days.
5. The renewal documents must not be released by the Servicing Carrier until the full premium is received or the required first payment is received on time by the Servicing Carrier (by first payment due date if a deferred premium payment plan is available). If this rule is followed, neither the Carrier nor the Agent/Broker incurs any responsibility for the premium. If the Servicing Carrier follows any other unauthorized procedure, the Servicing Carrier will be responsible for the earned premium for the time on risk calculated on a pro rata basis and will be required to stop offering a Direct Bill option.

C. Renewal Not Accepted

If a renewal or offer to renew is issued where proof of insurance has been issued or filed and the renewal is not required, the Servicing Carrier must be notified in sufficient time to file a notice of cancellation in accordance with the applicable authority's requirements. Otherwise, the Agent/Broker/Insured shall be responsible for time on risk charges.

If the renewal is not accepted by the Insured, the Agent/Broker must submit one of the following acceptable evidence of renewal refusal to the Servicing Carrier:

- a) Return all the renewal documents (including liability cards) to the Servicing Carrier;
OR
- b) Written confirmation that the renewal has been returned complete with liability cards to the Agent/Broker AND that the documents were destroyed in the Agent/Broker's office;
OR
- c) Provide a signed (i.e. written, electronic or auto signature) request from the Insured to cancel the policy effective the renewal date.

If the evidence of renewal refusal is received by the Servicing Carrier within 15 days of the renewal's effective date, a full refund shall be credited to the Agent's/Broker's Facility Association account. If evidence of renewal refusal is not received within 15 days, the renewal shall be cancelled on a pro rata basis effective the date it is received by the Servicing Carrier. The Agent/Broker shall be responsible for earned premium or minimum retained premium whichever is greater.

Renewals where acceptable evidence of refusal has been submitted to the Servicing Carrier for cancellation may not be reissued unless the Servicing Carrier received instructions no later than the renewal's effective date and the Agent/Broker collects or assumes responsibility for the full premium as outline above.

If the renewal date has passed and the insurance is again required, there must be a new application and a new policy issued.

Rule 612: Midterm Changes

Changes to drivers, vehicles, dealer plates, locations etc. must be reported in writing (showing the effective date and time) to the Servicing Carrier at the time of the change and the appropriate endorsements will be issued.

1. Physical Damage

Once chosen, physical damage limits may not be reduced during the policy term.

For example:

The Insured chooses a limit of \$65,000 for Legal Liability on Customer Vehicles. A month later the limit is increased to \$85,000 and the Servicing Carrier processes the endorsement. The next month, the Insured wants to reduce the limit back down to \$65,000. The Insured must wait until renewal date to have the limit reduced.

2. Binding Coverage – Policy Changes

Before binding coverage, the Agent/Broker must collect or assume responsibility for any indicated additional premium. For policies requiring Proof of Insurance, refer to Rule 608.

- a) The Agent's/Broker's procedure for reporting changes to the Servicing Carrier must be acceptable to the Carrier. The request for change must be made in writing and specify the effective date and the effective time.
- b) Faxed or mailed policy change requests are acceptable.
- c) If the policy change request cannot be sent to the Servicing Carrier on the date the Insured makes the request, it must be sent to the Servicing Carrier on the next working day.
- d) The Servicing Carrier shall normally issue any required policy change, updated Certificate of Insurance (if required) and permanent liability card (if required) within 30 days of the effective date of the change.

- e) Coverage may not be shown as effective prior to the date and time that the request was received by the Agent/Broker from the Insured, except when contractual coverage exists automatically under the policy and notice is given within the time permitted. A permissible policy change is in effect as of the time and date requested.

3. Changes Not to be Processed

A change to a policy shall not be processed if the change is substantial e.g. the Insured is covered under a POL 4 (Garage Automobile Policy) and now requires a POL 1 (Owner's Policy) instead. A new policy may be necessary. If in doubt, the Agent/Broker should contact the Servicing Carrier for direction. If a new policy is required, a new application must be submitted. The existing policy shall be cancelled pro rata.

4. Rates to be used

- Rates in effect at the start of the policy period
- Calculated pro rata by using the Day Table

5. Minimum Premiums for Midterm Changes

A minimum additional premium of \$5 shall be charged for any transaction that includes one or more of the following, regardless of the period of insurance:

- Addition of coverage or location
- Increase of Liability limit
- Increase of limit on owned or customer automobiles

Any additional premium of less than \$5 may be waived by the Servicing Carrier unless mentioned above. Return premiums may not be waived.

When there are frequent policy changes requested by the Insured, there will be a \$50 charge for each such transaction in excess of 2 in a 30 day period or more than 12 in a 12 month period.

Rule 613: Rating / Underwriting Supplement

The Garage Rating / Underwriting Supplement is designed to obtain information that is not requested in the garage application. If the additional information provided by the Supplement does not fully explain the risk to be written, the problematic points must be discussed with the Agent/Broker/Insured. Some of the information provided by the supplement can be verified when the driver record abstracts, previous insurance history, inspection reports and vehicle plate search reports (where available) are obtained.

The signed Garage Rating / Underwriting Supplement must accompany every new garage application. If there is no supplement on an existing policy, one must be obtained on the next renewal. A signed updated supplement must be obtained prior to each renewal.

Rule 614: Reports

A. Driver Record Abstracts

The Servicing Carrier is required to order Driver Record Abstracts (MVRs) on all listed drivers (listed under question 2a. and b. of the Supplement) at the beginning of each policy term.

Driver record abstracts must be obtained from the appropriate government department in each Canadian or U.S. jurisdiction in which the driver has been licensed in the previous three years.

B. Previous Insurance History

This may take the form of an electronic report or a letter from the previous carrier. It must be ordered by the Servicing Carrier on the garage risk itself and on the principal operator of every owned vehicle for which a separate premium is being charged. In lieu of an electronic report or letter, a phone call to the prior insurance company to confirm insurance history is acceptable. The Servicing Carrier's file must be clearly documented with details of the phone call.

C. Inspection Reports

An underwriting report (Sentinel, Equifax, IAO etc.) maybe ordered at the Servicing Carrier's discretion on new garage risk. If the information in the underwriting report is not consistent with the information in the Garage Rating/Underwriting Supplement or the garage application, the Agent/Broker, Insured and underwriting report company must be queried to resolve the inconsistency. In the event that the inconsistency cannot be resolved the matter must be referred to Facility Association Central Office.

If the information received is different from than reported on the application, to the extent that the premium requires amendment, the policy shall be issued at the revised premium and coverage or the Servicing Carrier shall promptly issue a correcting policy change.

Rule 615: Premiums

A. Minimum Policy Premium and Minimum Retained Premium

The minimum premium for a policy term is \$250, subject to the minimum retained premium of \$250 in the event of cancellation midterm.

B. Premium Rounding

The premium for each coverage shall be rounded to the nearest whole dollar. A premium that includes 50 cents or more shall be rounded up to the next whole dollar (\$46.56 shall be rounded up to \$47.00 and \$46.44 shall be rounded down to \$46.00.)

This applies to all premium transactions, including refunds except where the policy is cancelled by registered letter at the request of the Agent/Broker or by the Servicing Carrier. In

that event, the return premium shall always be rounded up to the next whole dollar (\$45.10 shall be rounded up to \$46.00).

C. Premium Quotations

The Agent/Broker is responsible for calculating premiums in accordance with this manual. Where there is any doubt on the matter the Servicing Carrier will be pleased to assist, but the Servicing Carrier shall not make premium quotations except where the manual does not provide for the particular coverage required.

The Servicing Carrier shall require clarification from the Agent/Broker if the information on the application contradicts the quoted premium.

D. Rating Example

Insurance is required for the operator of a garage (automobile dealer), the spouse who is a part time bookkeeper and two children who are not involved in the business (24 year old son with 4 speeding convictions and a 16 year old daughter with a clear record). There is one owned vehicle and one dealer plate.

Since the spouse is only a part time employee and the son and daughter are not involved in the business, END 76 naming the spouse, son and daughter must be attached.

The owned vehicle is individually rated at Class 03 with the spouse as principal operator (more than two other drivers other than Class 06.) plus the Class 06 premium including the appropriate conviction surcharge.

The garage owner will be assigned to and rated as principal operator of the dealer plate. Under the POL 4 (Garage Automobile Policy), there are 1 ½ staff units so 2 staff unit rates are charged. The garage premium is the staff unit rate plus the rate for the owned automobile and the dealer plate.

For statistical purposes, the total policy premium is reported as Class 86. The garage commission rate is applicable to all premiums. The premium field on END 76 will show 'included'. The endorsement field on the declaration page will show 'included'.

Rule 616: Cancellations

Midterm Cancellation - Effective Date

1. Agent/Broker or Servicing Carrier within 30 days

If the request for midterm cancellation is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) within 30 days of the date the cancellation is to be effected, and no effective time is requested, the cancellation shall take effect at 12:01 a.m. on the date it was requested to be effective. In the event that the cancellation was specifically requested to be effective at a time other than 12:01 a.m., the cancellation shall be effected at 12:01 a.m. the following day.

For example: The Insured requests cancellation of the policy to be effective August 5. The cancellation request is received by the Agent/Broker on August 20. The Servicing Carrier shall cancel the policy effective 12:01 a.m. August 5. If the Insured requested cancellation to be effective at 3:40 p.m. on August 5,

the Servicing Carrier shall cancel the policy effective 12:01 a.m. on August 6.

NOTE: For flat cancellations of renewals, refer to Rule 617:4.

2. Received by Agent/Broker or Servicing Carrier after 30 days

If the request for cancellation is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) more than 30 days after the date the cancellation was requested to be effected, the cancellation shall take effect at 12:01 a.m. on the date that the cancellation request is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured).

For example: The Insured requests cancellation of the policy to be effective September 5. The cancellation request is received by the Agent/Broker on October 10. The Servicing Carrier shall cancel the policy effective 12:01 a.m. October 10.

3. Received by Servicing Carrier after 30 days and business sold

In the event that the business has been sold, and a copy of the bill of sale, satisfactory to the Servicing Carrier, is produced, the policy shall be cancelled the day after the business is sold regardless of what that date might be.

4. Coverage placed in Voluntary Market

In the event the Insured has placed coverage through the voluntary market, upon receipt of a copy of the replacing policy application, the Servicing Carrier shall cancel the policy effective the date that the replacement coverage took effect.

Servicing Carriers shall proceed with cancellation as outlined in points 1 or 2 unless the Servicing Carrier is aware or is made aware that the circumstances outlined in points 3 or 4 exist.

5. Policy is Financed Through a Premium Finance Company

If a return premium is payable on a policy financed with a premium finance company, the gross refund is to be sent directly to the premium finance company regardless of the reason for cancellation. The Agent's/Broker's account shall be debited with the amount of the premium refund sent to the premium finance company.

6. Proof of Insurance has been filed

Where proof of insurance has been filed, refer to Rule 608: Proof of Insurance.

Rule 617: Cancellation Procedures

1. Cancellation at the request of the Insured or Premium Finance Company – Broker Bill & Direct Bill

Cancellation requested by the Insured or premium finance company under power of attorney must be made in writing in a format suitable to the Servicing Carrier.

Facility Association shall accept faxed signed and dated cancellation requests.

Cancellation of risks being placed in the voluntary market are calculated on a pro rata basis using the Day Table subject to the applicable minimum retained premium.

If the policy is on Broker Bill, the Servicing Carrier shall credit the Agent's/Broker's account with the unearned premium refundable unless the premium is financed through a premium finance company.

2. Cancellation at the request of the Agent/Broker – Broker Bill

When additional premium cannot be collected on original quote

If the Agent/Broker cannot collect the additional premium arising from an increase to the premium originally quoted for new business:

- a) The Agent/Broker must advise the Servicing Carrier of the amount of premium collected and request that a notice of cancellation be issued to the Insured

OR

- b) The Agent/Broker must have the policy signed off. Facility Association shall accept faxed signed cancellation requests.

If the Agent/Broker reports non-payment of the additional premium within 30 days of receiving notice of those increases, the earned premium for cancellation shall be calculated pro rata on the Agent's/Broker's originally quoted premium. Otherwise, the earned premium shall be calculated pro rata on the revised premium. If a subsequent application is submitted by the same Agent/Broker to the same Servicing Carrier for substantially the same risk within 30 days of the effective date of cancellation of the first policy and, the Agent/Broker reports non-payment of additional premium, the earned premium shall be calculated pro rata on the revised premium.

Note: For policies for which premium is paid directly to the Servicing Carrier and the Carrier initiates cancellation the words 'Agent/Broker' will be read to mean Servicing Carrier.

When outstanding premium cannot be collected in all other cases

Agent/Broker Responsibilities

If cancellation of a policy is requested by the Agent/Broker due to inability to collect the full policy/renewal premium or a subsequent additional premium, the Agent/Broker will be responsible for the time on risk charge which will be pro rata of the full premium.

The Agent/Broker must advise the Servicing Carrier of the amount of premium collected and request that a notice of cancellation be issued to the Insured.

Servicing Carrier Responsibilities

The Servicing Carrier shall promptly issue a registered notice of cancellation in accordance with the Statutory Conditions. The earned premium for cancellation shall be calculated pro rata on the full term premium at the time of cancellation.

When the Servicing Carrier issues a registered letter of cancellation, any unearned premium shall be refunded directly to the Insured (unless the policy is financed through a premium finance company) and the Agent's/Broker's account shall be debited for the amount of the refund and credited for the unearned premium.

3. Cancellation of Late Issued Renewals

If the Servicing Carrier is unable to issue renewals in the required time period, the Agent/Broker must issue a temporary liability card to the Insured and collect a downpayment based on the estimated annual premium for the upcoming renewal term.

Once the Renewal is issued

If the Insured does not accept the renewal premium, the Agent/Broker shall advise the Servicing Carrier of the amount of premium collected and request that notice of cancellation be issued to the Insured or shall have the Insured sign off the policy.

The Servicing Carrier shall then issue a registered letter of cancellation in accordance with the Statutory Conditions or issue the necessary cancellation documents. The earned premium shall be calculated pro rata on the previous term premium.

4. Flat Cancellation

New Policy

Flat cancellation of a new policy is not allowed except as provided under Rule 617:5. Flat Cancellation Exceptions.

Additional Premium Policy Change

Flat cancellation of an additional premium policy change is not allowed.

Renewal

If evidence of renewal refusal is supplied by the Agent/Broker (per Rule 611) is received by the Servicing Carrier within 15 days of the renewal's effective date, a full refund shall be credited to the Agent's/Broker's Facility Association account.

If evidence of renewal refusal is not received within 15 days, the renewal shall be cancelled on a pro rata basis effective the date it is received by the Servicing Carrier and the Agent/Broker shall be responsible for the earned premium. A written request acceptable to the Servicing Carrier, for cancellation effective renewal date shall be accepted in lieu of evidence of renewal refusal.

5. Flat Cancellation Exceptions

1. Any policy returned to the Servicing Carrier complete with liability cards, prior to the effective date of the policy, may be cancelled flat.
2. Any policy returned to the Agent/Broker complete with liability cards and destroyed in the Agent/Broker's office, with written confirmation from the Agent/Broker provided to the Servicing Carrier, prior to the effective date of the policy, may be cancelled flat.
3. If a cheque or electronic payment received for a new policy or renewal premium or, for the first installment thereof is not honoured by the financial institution, flat cancellation shall be allowed to the Agent/Broker provided that:
 - a. The cheque was dated and issued on or before the effective date of the policy period concerned or the electronic payment was made on or before the effective date of the policy period concerned; and
 - b. The cheque was immediately deposited; and
 - c. In the case of a first installment, the amount of the cheque or electronic payment was sufficient to meet the Servicing Carrier's requirement or if financed under a contract with a premium finance company the full down payment required under the terms of the contract; And
 - d. The return of the cheque by the financial institution or dishonour of the electronic payment is promptly reported to the Servicing Carrier. A copy of the cheque (front and back) or copy of the dishonour notice must be provided to the Servicing Carrier.

However, on the registered letter of cancellation to the Insured, the Servicing Carrier shall request payment of the full pro rata time on risk charge.

6. Cancellation initiated by the Servicing Carrier

If premiums are paid directly to the Servicing Carrier, the Servicing Carrier may cancel an insurance policy for non-payment of premium. The earned premium shall be calculated pro rata.

The Servicing Carrier may not otherwise cancel an insurance policy unless approval of such action is contained in the Garage Section of the manual or is obtained in the manner prescribed by the Facility Association's Board of Directors.

7. Refund Calculation

a. Insured’s Request

For a policy cancellation requested by or on behalf of the Insured (e.g. requested by a premium finance company), the premium refund shall be calculated in accordance with the Short Term Table, unless a pro rata cancellation is being allowed because the risk is being placed in the voluntary market.

b. Any Other ReasonWhere the policy is being cancelled for any other reason (e.g. by registered letter), the premium refund shall be calculated on a pro rata basis using the Day Table.

Rule 618: Time on Risk Tables

A. Pro Rata

Calculation for Endorsements and Cancellations

Using the Day Table on the next page:

- 1. Determine the factor that corresponds to the policy’s expiry month and day. For example March 26 is .233. Express the policy’s expiry date in a decimal format by combining the year and the factor. March 26, 1999 would become 1999.233.
- 2. Determine the factor that corresponds to the effective date of the policy change or cancellation and express that date

in a decimal format. If the effective date of policy change or cancellation is November 20, 1998 that would be expressed as 1998.888. Note that if the effective date of change or cancellation is February 29, it should be treated as February 28.

- 3. Subtract the second number from the first.

Policy expiry date	1999.233
Policy change/cancellation date	1998.888
Refund/change factor	.345

- 4. For a policy cancellation, the refund is calculated by multiplying the policy premium as of the cancellation date by the refund/change factor. The policy premium is the full term premium for the coverage in force at the time of cancellation. Minimum retained premium must be taken into consideration.
- 5. For a policy change, the additional/return premium is obtained by multiplying the full term premium for the change by the refund/change factor.

B. (Pro Rata) Day Table

C. Short Term Tables**Cancellation requested by or on behalf of Insured**

1. Referring to the Day Table, calculate the number of days the policy has been in force.
2. Referring to the Short Term Table, determine the 'percentage of premium'.

3. Subtract that percentage from 100% to determine the 'refund percentage'.
4. Apply the refund percentage to the full term policy premium as at the cancellation date. Minimum retained premium must be taken into consideration.

SHORT TERM TABLE No. 1

Rule 619: Reinstatements

1. A policy may only be reinstated if:

- a) The Servicing Carrier receives instructions not later than the day before the cancellation takes effect. This includes instructions from a premium finance company. Where the Agent/Broker has not forwarded payments to a premium finance company, the policy cannot be reinstated.

If the cancellation has taken effect, the policy cannot be reinstated and a new application must be completed. Any unpaid earned premium under the policy due to the Servicing Carrier must be paid with the new application.

- b) The policy was cancelled for non-payment and the full required premium is received (by cash, money order or certified cheque from the Insured) or written confirmation from the Agent/Broker assuming full responsibility for that premium. Where a refund cheque accompanied the registered letter, the amount of the refund cheque must also be obtained from the Insured (by cash, money order or certified cheque) or the Agent/Broker shall assume full responsibility for that amount.

2. When a policy is reinstated

When a policy is reinstated, the Servicing Carrier shall issue a notice of reinstatement.

Rule 620: Commission

The commission rate is:

Garage Policy POL 4

Classes 80-89 10%

Rule 621: Rating

There is a basic garage premium based on staff units which is charged every garage risk to cover the exposure of the garage operation itself.

If END 71 (Excluding Owned Automobiles) is not attached to the policy, an individual premium is charged for each regularly plated (non-dealer plate) vehicle on automobile dealer and repair garage policies and each dealer plate on automobile dealer policies. Refer to Rule 622: Additional Charges to the Basic Garage Premium.

A. Liability

1. Determine territory, class (Automobile Dealer, Service Station, Repair Garage etc.), number of staff units and limit of Liability.
2. Multiply the number of staff units by the appropriate staff unit rate.
3. Multiply the result by the increased limit factor if limits in excess of \$200,000 are required.
4. Add any applicable accident and conviction surcharge.

B. Accident Benefits

1. Determine territory, class (Automobile Dealer, Service Station, Repair Garage etc.) number of staff units.
2. Multiply the number of staff units by the appropriate staff unit rate.

C. Owned Automobiles – Collision

Automobile Dealers only

For owned automobiles held for sale with no plates, the premium is calculated on the rate multiplied by the number of staff units as follows :

1. Determine territory, number of staff units and deductible.
2. Multiply the number of staff units by the appropriate staff unit rate.
3. Multiply the result by the deductible factor.
4. Add any applicable accident and conviction surcharge.

D. Owned Automobiles - Comprehensive / Specified Perils / Specified Perils Excluding Theft

Automobile Dealers only

1. Multiply the required limit for each location by the rate per \$1,000 depending on the type of coverage required (Comprehensive, Specified Perils or Specified Perils Excluding Theft).
2. Multiply the result by the deductible factor.

E. Legal Liability for Customer Automobiles - Collision

1. Determine territory, class (Automobile Dealer, Service Station, Repair Garage etc.), number of staff units, required limit and deductible.
2. Multiply number of staff units by the staff unit rate.
3. Multiply the result by the 'Other Limit Per Automobile' factor if a limit of other than \$10,000 per vehicle is required.
4. Multiply the result by the deductible factor.
5. Add any applicable accident and conviction surcharge.

F. Legal Liability for Customer Automobiles - Specified Perils Excluding Open Lot Pilferage

Multiply the required limit for each location by the rate per \$1,000.

Rule 622: Additional Charges to the Basic Garage Premium

A. Owned Vehicles

For Automobile Dealer and Repair Garage only, each regularly plated vehicle will be charged a premium for all coverage according to the appropriate section of the manual (Private Passenger, Commercial or Recreational).

B. Dealer Plates

The premium associated with dealer plates used by garages classed as Automobile Dealers while picking up, delivering, repairing, road testing or combinations of these uses with new or used vehicles held for sale is determined as outlined under Rule 624: Automobile Dealers

C. END 76 (Additional Insured)

For Automobile Dealer and Repair Garage policies, a premium is charged for each operator insured by END 76 (Additional Insured) who is not rated principal operator on a regularly plated vehicle or dealer plate (automobile dealer only). See Rule 624: Automobile Dealer and Rule 625: Repair Garage.

D. Accidents

Additional charges for accidents shall be assessed based on the following pertaining to accidents:

a) What is a chargeable accident

A chargeable (at fault) accident is an occurrence resulting in damage to persons or property arising out of the ownership, use or operation of a vehicle, in consequence of which:

1. An amount has been paid or would have been paid but for the existence of provincial Direct Compensation laws or agreements
OR
2. A loss remains unsettled or unpaid
OR
3. A civil suit is pending in respect of
 - Liability
 - No Fault Benefits Schedule (Accident Benefits)
 - Collision or the Collision portion of All Perils coverage

A chargeable accident is always taken into account in rating even if there was no insurance in effect or the loss was repaid to the Insurer by or on behalf of the Insured or if the Insured chose not to present the claim.

b) What is not a chargeable accident

An occurrence shall not be regarded as a chargeable accident if:

- The Insured's degree of fault is determined as zero under the relevant provincial fault determination laws or agreements or dispute resolution mechanism.
- The damage resulted from the vehicle being struck by an unidentified vehicle and is reported to the police within 24 hours.
- The damage occurred while the vehicle was legally parked and is reported to the police within 24 hours.

- The damage results from collision with a wild or domestic animal.
- All damages are legally recoverable from the owner or driver of an uninsured or unidentified automobile.

NOTES:

The words 'loss(es)' and 'claim(s)' where used in this manual are considered to have the same meaning as the word 'accident'.

The words 'at fault' and 'chargeable' where used in this manual are considered to have the same meaning.

No accident shall be used more than once in determining the premium for risks insured through Facility Association with the same Servicing Carrier whether or not on the same policy.

E. Accident Surcharge

All at fault accidents arising out of the use of vehicles in the business stated in item 3 of the application and all at fault accidents arising out of the use of any vehicle by a person listed as a driver are to be counted.

At fault accidents of a listed driver will first be counted against the individually rated vehicles (includes service/parts trucks, tow trucks, END 70, END 76, END 80 dealer plates) to which they have been assigned in accordance with the section of the manual in which they are rated.

If accidents cannot be counted in this manner because the driver has not been assigned an individually rated vehicle, the accidents will be counted against the Basic Garage Premium.

Accidents for which a charge has been made on another policy written through Facility Association with the same Servicing Carrier are not included when determining the surcharge amount for the Basic Garage Premium.

Accidents occurring after the original inception date of the policy involving customer vehicles and non-owned vehicles are to be counted against the Basic Garage Premium on renewal. All other at fault accidents are to be charged against the owned vehicle on which the accident occurred.

Where END 78 has been attached to the policy, any accidents that occurred while the person named in the endorsement was driving the insured vehicle must be taken into account in rating.

F. Convictions

Additional charges for convictions shall be assessed based on the following pertaining to convictions.

Conviction surcharges shall be assessed for traffic offences for which the driver was convicted in the 36 months immediately preceding the commencement of the period of insurance.

No convictions related to a driver restricted by END 78 shall be taken into consideration.

Surcharging the Basic Garage Premium

The conviction surcharge for the Basic Garage Premium will be determined by reviewing the conviction records of all persons who are regular and frequent drivers but are not principal drivers of individually rated vehicles.

Establish which of the conviction records produces the highest charge percentage in accordance with the conviction surcharge schedule. (Refer to Rule 623: Conviction Definitions and Surcharge Tables.) That record is used to determine the conviction surcharge percentage.

Once determined, this surcharge is applied to each coverage under the Basic Garage Liability and Owned Automobiles Collision premium. This surcharge should apply to one staff unit only.

For example:

A valet parking risk that employs a driver with many convictions increases the risk's exposure while that person is driving customer vehicles. Although that person may be surcharged for those convictions under his/her own policy insured elsewhere, there is an additional risk on the garage policy through Facility Association when that person is driving customer vehicles.

Surcharging Drivers with their own Individual Rating

If the garage risk is an automobile dealer or repair garage, the conviction record of the principal drivers and Class 05 or 06 drivers will be considered in calculating the premium for individually rated vehicles (includes service/parts trucks, tow trucks, END 70, END 76, END 80, dealer plates).

Convictions and accidents will be used only once in the determination of premium for vehicles/garages insured through Facility Association with the same Servicing Carrier.

Rule 623: Conviction Definitions and Surcharge Tables**A. Accident / Conviction Surcharge Table**

Events in the preceding 36 months	Percentage
Chargeable Accidents	
2	20%
3	30%
Each additional	15%
Serious Convictions	
1	100%
Each additional	100%
Major Convictions	
1	25%
Each additional	25%

Minor Convictions	
2	5%
3	15%
4	25%
Each additional	15%
Maximum surcharge	250%

B. Conviction Definitions**a. Major**

Convictions for any of the following offences under any Act governing highway traffic or for any offence substantially the same whether committed within or outside Canada:

- Fail to report damage to highway property
- Failing to report an accident
- Failing, in the event of an accident, to give name and licence number to the police or any other person entitled to such information
- Fail to obey school crossing stop sign
- Improper passing of a school bus
- Improper passing in a school or playground zone
- Improper speeding in a school or playground zone
- Using a hand held wireless communication/entertainment device
- Graduated Licence (where applicable):
 - Permit novice driver in contravention of cond/rest
 - Accompanying driver has excess blood alcohol
 - Driver unaccompanied by a qualified driver
 - Drive with front seat passenger
 - Drive with excess passengers
 - Drive on prohibited highway
 - Drive at unlawful hour
 - Drive motorcycle with passenger
 - Drive motorcycle on prohibited highway

b. Minor

The list of Minor convictions is not all inclusive and other moving violations, including new offences under an Act governing highway traffic, may be considered Minor, whether committed within or outside Canada; if not specifically named in Major or Serious list, including but not limited to:

- Fail to notify police
- Fail to make written report
- Backing up/unsafe/illegal/improper: any type
- Brakes/none/inadequate/improper: any type
- Crowding driver's seat
- Door opening/illegal/obstructing traffic: any type
- Emergency vehicle/operating with no regard for safety
- Driving off roadway (including shoulder/sidewalk/median): any type
- Flagman/disobeying
- Following too closely (including tailgating)
- Headlights/parking lights/improper/lack of use: any type
- Lack of control of vehicle: any type
- Motor-assisted bicycle carrying passengers
- Motorcycle/operating with only an instruction permit
- Motorcycle/failure to wear helmet
- Passing infraction: any type except school bus or

- school/playground zone
- Pedestrian crossing violation: any type
- Radar warning device in motor vehicle: if illegal in province
- Railway crossing: any type
- Safety zone violation: any type
- Seatbelt: any offence
- Signalling offences: any type
- Slow driving/endangering other: any type
- Smokescreen device on vehicle
- Speeding: any type, except when listed as major or serious
- Squealing tires
- Stopping/illegal/improper: any type
- Tires/defective/worn: any type
- Towing/prohibited/unsafe: any type
- Traffic signals/regulating lights: any type
- Traffic signs/disobeying any legal sign except parking regulations
- Trailer: improper attachments/improper towing
- Turns/illegal/improper: any type
- Unlicensed driver: any type including improper licence class
- Unsafe move
- Unsafe vehicle: any type
- Wrong side of road/wrong way: any type
- Yield, failing to: any type

Note: This is a generic list and will not, in all cases, match the wording printed on the Driver Record Abstract

c. Serious

Convictions for any of the following offences under the Criminal Code of Canada. When a conviction shown below is not recorded on the Driver Record Abstract as a Criminal Code Conviction but is shown under any Act governing highway traffic or any other Act within or outside Canada:

- Criminal negligence committed in the operation or use of a motor vehicle
- Manslaughter committed in the operation or use of a motor vehicle
- Driving while licence under suspension
- Dangerous driving
- Exceeding the speed limit by 50 km/h or more
- Impaired driving
- Failure or refusal to submit to a breath or blood test
- Failure to pass a breath or blood test
- Failure to stop/remain at the scene of an accident
- Driving without insurance
- Racing
- Careless driving
- Driving without due care and attention
- Stunting
- Failure to stop on request of or obey directions of a police officer
- Failure to have alcohol ignition interlock device installed and functioning when it is a requirement for driver's licence reinstatement
- Driver in the alcohol ignition interlock device programme operating a vehicle not so equipped
- Learner/Level One driver fail/refuse breath sample
- Learner/Level One driver with alcohol in blood

Note: If convictions for impaired driving and failure or refusal to take a breath or blood test relate to the same occurrence, they will be considered as one conviction.

Rule 624: Automobile Dealers

In addition to the premium developed from the staff unit rate (Basic Garage Premium), premiums are also chargeable for each regularly plated vehicle and dealer plate registered to the Insured.

If the Applicant owns an antique or classic vehicle or a vehicle that is being reconstructed or restored, that vehicle must be insured on a POL 1 (Owner's Policy).

A. END 76 (Additional Insured)

This endorsement is available on automobile dealer policies to extend coverage to the persons named on the endorsement who have been provided with a vehicle from the inventory of vehicles held for sale for their regular use.

Because only full time employees, active partners, owners and proprietors have coverage under the policy for pleasure and business use other than that stated in item 3 of the application, END 76 must be used to provide coverage for other persons e.g. part time employees or family members of the Insured.

B. Owned Automobiles

(An owned automobile may have regular plates or dealer plates attached)

1. For each vehicle used by an owner or partner for non garage purposes
2. For each vehicle provided regularly or frequently to a full time employee
3. For each vehicle provided to another person (insured by means of END 76)
4. For each vehicle used in connection with the business stated in item 3, including

Parts & Service Trucks. (see Rule 627)

Snowplowing (see Rule 628)

Courtesy Cars. (see Rule 629)

Tow Trucks (see Rule 630)

Charge a premium for all coverage according to the appropriate section (Private Passenger, Commercial, Recreational) of the manual. All rules pertaining to that section of the manual including all additional charges and discounts will apply except commission. Add this premium to the Basic Garage Premium.

Those drivers that develop the highest premium must be designated as principal operator of a vehicle before those that would develop a lower premium.

This charge does not apply if a dealer plate is attached to the vehicle and a full premium for the vehicle has been charged under dealer plate. (See Rule 624:C. Dealer Plates.)

Where satisfactory evidence is supplied to the Servicing Carrier that an individual vehicle is insured elsewhere, no charge will be made under this policy for that vehicle.

Individually rated Owned Vehicle includes a vehicle owned and separately insured by the owner, full time employee or person named under an END 76. It does not include tow trucks, courtesy cars or parts trucks for which a separate premium must be charged. For rating purposes, 'Owned Automobile', does not include vehicles with no licence plates that are exclusively held for sale.

a) if there are no owned automobiles:

- Each operator will be assigned principal operator of a dealer plate, if any, and there is no charge for excess operators who are full time employees.
- Excess operators who are not full time employees must be named under END 76 and a premium charged for each under the rules of the section of the manual that relates to their use of garage vehicles e.g. private passenger, commercial, recreational. Refer to Rule 624:C. for rate groups to be used.
- Operators are assigned to the dealer plates in the order that develops the most premium

Where the number of individually rated Owned Vehicles (regardless of Insurer) and Dealer Plates is:

b) less than the number of owners, full time employees and persons named on END 76:

- Assign a driver to be rated principal operator of each Owned Vehicle. Remaining drivers will be rated principal operator of each Dealer Plate.
- If there are more drivers than Owned Vehicles and Dealer Plates, no charge will be made for excess full time employees. Excess non-employees, e.g. Class 06 occasional males and Class 05 occasional females and spouse, are rated under END 76 for their pleasure use of garage Owned Vehicles. However, drivers are assigned to Owned Vehicles and Dealer Plates in the order that will develop the highest premium.

c) more than the number of owners, full time employees and persons named on END 76:

- Assign a driver to be rated principal operator of each Owned Vehicle. Remaining drivers will be rated as principal operator of each Dealer Plate.
- If there are more Owned Vehicles than drivers, assign one or more drivers as principal operator of each remaining vehicle, so each vehicle is rated with a principal operator.

C. Dealer Plates

If there are dealer plates with no driver to be rated as principal operator of them, then rate each as excess dealer plates as described under D. Excess Dealer Plates.

For each dealer plate charge a premium as follows:

- Private passenger vehicles are rated Class 08 to 19 for principal operators under age 25 or Class 07 if age 25 or over using rate group 12 for physical damage and rate group from Table A Rate Groups in the Private Passenger Section for Accident Benefits.
- Commercial type vehicles are rated Class 08 to 19 for principal operators under age 25 or Class 44 if age 25 or over using rate group 10 for physical damage..
- Recreational Vehicles are rated Age 16-20 in the over 750 cc category for motorcycles. All terrain vehicles are to be rated as heavy. Use rate group 12 for motorcycles and motor homes and rate group 11 for all terrain and snow vehicles.

The driving record of the assigned operator is used as the initial driving record, at 0, 1, 2 or 3 maximum, subject to proof of prior accident free insurance acceptable to the Servicing Carrier.

On subsequent renewals, the driving record may increase by one, each year the driver/vehicle remains accident free to a maximum of Driving Record 3.

Conviction and accident surcharges apply.

D. Excess Dealer Plates

For each dealer plate in excess of the number of operators (who are rated as principal operator of a dealer plate or a regularly plated owned vehicle), for all coverage except Comprehensive or Specified Perils, charge 25% of Class 07 premium Driving Record 0 or 25% of the non-pleasure recreational premium for the type of vehicle concerned at Driving Record 0 where applicable. The driving record will increase by 1 each year the excess plates remain accident free based on FA experience.

For example: The Insured is a snowmobile dealer and has 3 dealer plates. Assign 2 of the dealer plates to full time employees and have individually rated them accordingly. The premium for the excess plate will be 25% of the non-pleasure recreational rate for snow vehicles at rate group 11.

E. Owned Vehicles Insured Elsewhere

Where owned vehicles (other than those held for sale) are insured elsewhere, the name of the Insurer and policy number must be recorded on the garage supplement.

Servicing Carriers will verify this information at new business and renewal. The Premium Computation Statement will include a statement to the effect that the described vehicle(s) or vehicles are insured by that company and policy number stated on the PCS form and should this information change, the Servicing Carrier must be notified. These vehicles will not be charged for under this policy.

For example: "2010 Chevrolet Silverado insured with XYZ Company under Policy #1223. Should this information change, this Insurer must be notified immediately."

Where a full time employee or person named on END 76 has an owned vehicle insured elsewhere and is the principal operator of that vehicle, that person will not be designated as an operator of either an owned vehicle or dealer plate under this policy.

F. Automobile Dealer Rating Examples

- 1) There is one owner and spouse who is a part time employee. There are no owned regular plated vehicles. There is one dealer plate. The spouse must be named on END 76 so the spouse is covered to drive vehicles owned by the garage. In addition to the Basic Garage premium, a private passenger rate will be charged for the spouse. The owner will be assigned to and rated as principal operator of the dealer plate.
- 2) There is one owner and spouse who is a part time employee. The spouse has own vehicle insured elsewhere. The owner is an occasional driver on that policy. There is one dealer plate. The spouse must be named on END 76 so the spouse is covered to drive vehicles owned by the garage. No premium will be charged for the spouse because of the owned vehicle insured elsewhere. In addition to the Basic Garage premium, the owner will be assigned to and rated as principal operator of the dealer plate.
- 3) There is one owner and one full time employee. Neither has an owned vehicle insured elsewhere. There are 2 dealer plates. In addition to the Basic Garage premium, the owner will be assigned to and rated as principal operator of one of the dealer plates and the full time employee will be assigned to and rated as principal operator of the other dealer plate.
- 4) There is one owner and one full time employee. The full time employee has own vehicle insured elsewhere. There are 2 dealer plates. In addition to the Basic Garage premium, the owner will be assigned to and rated as principal operator of the dealer plate. The second dealer plate will be rated as an excess plate.
- 5) There are 3 owned vehicles that have regular plates and 1 dealer plate. There are 6 drivers on the policy. There is one owner, 2 full time employees. Spouse, son and daughter are listed drivers but are not involved in the business (they must be named on END 76). The employees do not own their own vehicles. The number of drivers exceeds the number of vehicles and dealer plates.

In addition to the Basic Garage premium, the spouse will be assigned to one of the vehicles with regular plates and rated as principal operator. The son and daughter will be assigned as occasional operators of that vehicle and a class 05 or 06 premium will be charged depending on which occasional driver generates the higher premium.

The owner and one of the full time employees will be each be assigned to each of the remaining vehicles with regular plates. Each will be rated as principal operator of that vehicle.

The other full time employee will be assigned to the dealer plate and will be rated as principal operator of that dealer plate.

G. END 70

This endorsement is used when Owned Automobiles Collision coverage is to be provided when specified persons are personally in control of the vehicles. The premium is calculated on the number of highest rated vehicles equal to the number of named persons, using 120% of the Collision rates applicable to those vehicles and persons.

H. END 80

If the Insured does not wish to cover the vehicles held for sale for Section C coverage, END 80 may be used to provide physical damage coverage for specific owned vehicles. Calculate the rate for Section C coverage in accordance with the applicable section of the manual (Private Passenger, Recreational etc.).

Rule 625: Repair Garage

In addition to the premium developed from the staff unit rate (Basic Garage Premium), premiums are also chargeable for each regularly plated vehicle registered to the Insured.

If the Applicant owns any antique or classic vehicle or a vehicle that is being reconstructed or restored, that vehicle must be insured on a POL 1 (Owner's Policy).

A. END 76 (Additional Insured)

This endorsement is available on repair garage policies to extend coverage to the persons named on the endorsement who have been provided with a vehicle owned by the repair garage for their use.

Because only full time employees, active partners, owners and proprietors have coverage under the policy for pleasure and business use other than that stated in item 3 of the application, END 76 must be used to provide coverage for other persons e.g. part time employees or family members of the Insured.

B. Owned Automobiles

- a. For each vehicle used by an owner or partner for non garage purposes
- b. For each vehicle provided regularly or frequently to a full time employee
- c. For each vehicle provided to another person (insured by means of END 76)
- d. For each vehicle used in connection with the business stated in item 3, including
 - Parts & Service Trucks. (see Rule 627)
 - Snowplow Operations (see Rule 628)
 - Courtesy Cars. (see Rule 629)
 - Tow Trucks (see Rule 630)

Charge a premium for all coverages according to the appropriate section (Private Passenger, Recreational) of the manual. All rules pertaining to that section of the manual including all additional charges and discounts except commission. Add this premium to the Basic Garage Premium.

Those drivers who develop the highest premium must be designated as principal operator of a vehicle before those who would develop a lower premium.

If the number of proprietors, active partners, full time employees or persons named under END 76 exceeds the number of owned vehicles, each vehicle must have a different person designated as the principal operator for rating purposes. No one proprietor, active partner, full time employee or person named under END 76 may be designated as the principal operator of more than one vehicle.

Where physical damage is being provided for owned vehicles, END 80 must be attached to the policy. The endorsement must provide a full description of each vehicle and indicate the appropriate premium and deductible for each coverage applicable to each vehicle.

A separate premium in addition to that for other vehicles owned by the repair garage must be charged for Tow Trucks, Courtesy Cars and Parts Trucks.

C. Owned Vehicles Insured Elsewhere

Where owned vehicles are insured elsewhere, the name of the Insurer and policy number must be recorded on the Garage Rating/Underwriting Supplement.

Servicing Carriers will verify this information at new business and renewal. The Premium Computation Statement will include a statement to the effect that the described vehicle(s) are insured by that company and policy number stated on the PCS form and should this information change, the Servicing Carrier must be notified. These vehicles will not be charged for under this policy.

For example: “2010 Chevrolet Silverado insured with XYZ Company under Policy #1223. Should this information change, this Insurer must be notified immediately.”

Where a full time employee has an owned vehicle insured elsewhere, and is the principal operator of that vehicle that person will not be designated as an operator of an owned vehicle under this policy.

D. Repair Garage Rating Examples

1. There is 1 owned vehicle. There is one proprietor, a spouse and daughter not involved in the business. The spouse and daughter are named on END 76. In addition to the Basic Garage premium, the proprietor will be rated as principal operator of the vehicle based on private passenger rules and the daughter will be rated as an occasional driver.
2. There are 2 owned vehicles. There is one proprietor and one full time employee. The full time employee does not own his own vehicle. In addition to the Basic Garage premium, the proprietor and full time employee will

each be rated as principal operator of one of the vehicles.

3. There are 3 owned vehicles, one of which is a tow truck. There is one proprietor, one full time employee and a spouse not involved in the business. The spouse is named on END 76. The full time employee has their own vehicle insured elsewhere. In addition to the Basic Garage premium, the proprietor and spouse will each be rated as principal operator of 2 of the vehicles based on Private Passenger Section rules. The tow truck will be rated separately.
4. There are 4 owned vehicles. There is one proprietor, two full time employees and a spouse and son not involved in the business. The spouse and son are named on END 76. The full time employees have their own vehicles insured elsewhere. In addition to the Basic Garage premium, the proprietor, spouse and son will each be rated as principal operator of 3 of the vehicles based on Private Passenger Section rules. There will be no premium charged for the fourth vehicle.

E. END 70

This endorsement is used when Owned Automobiles Collision coverage is to be provided when specified persons are personally in control of the vehicles. The premium is calculated on the number of highest rated vehicles equal to the number of named persons, using 120% of the Collision rates applicable to those vehicles and persons.

F. END 80

END 80 must be used to provide physical damage coverage for specific owned vehicles. Calculate the rate for Section C coverage in accordance with the applicable section of the manual (Private Passenger, Recreational etc.).

Rule 626: Service Station, Parking Lot, Storage Garage

See the definition under Rule 601. Owned Automobiles are not covered and END 71 (Excluding Owned Automobiles) must be attached.

The Basic Garage Premium is calculated at the staff unit rate.

There is no additional premium charged for dealer plates used by service stations, parking lots or storage garages.

Rule 627: Parts And Service Trucks

The premium for these vehicles is determined by using the Commercial Section of this manual (including any accident and conviction surcharge) The determined premium is then added to the Basic Garage Premium.

Rule 628: Snowplow Operations

Unless declared in item 3 of the application, snowplowing for others performed by the Insured is not covered under the garage policy. However, snowplowing to clear the Insured's own lot is considered incidental to the garage operation and is therefore covered.

Rule 629: Courtesy Cars and Shuttle Buses

These vehicles are to be rated Class 07, Driving Record 0 + 50% for all coverage. Driving Records 1, 2 and 3 are not available.

Where demonstrator models are used as courtesy cars, the above rating also applies to demonstrators.

If the courtesy vehicle is a recreational vehicle, rate in the Recreational Section and use the special non-pleasure factors found in that section plus 50% for all coverage. For motorcycles, use the age 16 – 20 and over 750cc.

Shuttle buses are to be rated as Hotel & Country Club Buses according to the rules in the Public Section of the manual.

Rule 630: Tow Trucks

Tow Trucks Incidental To An Automobile Dealer and Repair Garage Operation - Use Pol 4 Only

Because END No. 71 is not applied to risks rated as Auto Dealers and Repair Garage, coverage for tow trucks is included on the POL. 4.

Charge Class 43 + 50% for Liability and Class 43 for all other coverage for each tow truck regardless of the radius of operations within the same province and add the premium to the basic garage premium.

For Legal Liability for Customer Autos for Collision and Specified Perils, calculate the rate as indicated below and include under the basic garage premium.

All Other Tow Trucks

These vehicles must be insured on POL 1, as owned autos are excluded by means of END 71 from all garage operations other than Automobile Dealer and Repair Garage.

Legal Liability for Customer Automobiles, must be provided by means of POL 4. It is recommended that both POL 1 and POL 4 be placed with the same Insurer to protect the Insured in the event of a claim dispute and that the Liability limits be the same on both policies.

POL 1 - Charge Class 43 + 50% for Liability and Class 43 for all other coverage regardless of the radius of operations

within the same province. The driving record is determined in the Commercial Section of the manual.

POL 4 - Charge the staff unit rate for Liability and Accident Benefits according to the type of garage operation (Service Station, Storage Garage). If the garage operation is other than a Service Station or Storage Garage, charge Storage Garage rates or Service Station rates if the Insured does not store vehicles.

Legal Liability For Collision To Customer Automobiles will be rated as follows based on the vehicles towed:

A) PPV, Light Commercial and Light Motor Homes (4.5Tonnes or 10,000 LBS and under)

- Use Class 02 and the same driving record as the tow truck.
- Use the estimated rate group value table in the Private Passenger Section of the manual to determine the rate group based on the limit chosen.
- Calculate the Class 02 Collision premium.
- Charge 50% of that premium.

B) Vehicles over 4.5 tonnes or 10,000 LBS GVW

- Use the same driving record as the tow truck.
- Use Rate Group Table II in the Commercial Section of the manual to determine the rate group based on the limit chosen. The model year is assumed to be the current year.
- Determine the Commercial Collision premium.
- The charge will be 50% of that premium for each tow truck.

Legal Liability for Specified Perils on Customer Automobiles will be rated as follows:

Multiply the limit chosen by the open lot rate for Specified Perils on Customer Automobiles.

Rule 631: Driveaways

Please see the definition found under Rule 601. These risks are written on POL 4 with END 71. Use Service Station rates for Liability and Accident Benefits based on the number of staff units and add each of the applicable following premiums:

For Each Dealer Plate

The premium for Liability and Accident Benefits is to be calculated for each plate by using Class 07 rates or Class 08-19 if the principal operator is under 25.

The driving record will be the 0, 1, 2 or 3 years accident free based on risk qualifications. The driving record is based on FA experience only for all coverages.

The rate group for Accident Benefits is obtained from Table A Rate Groups in the Private Passenger section.

If the Insured tows a vehicle behind the vehicle being delivered in order to make a return trip home, charge 10% of the Liability premium. The towed vehicle must have separate coverage on a POL 1.

If the Insured is delivering more than one vehicle by means of driving one and towing or piggybacking others, then charge an additional premium as follows using Liability and Accident Benefits premium:

- a) If only 1 vehicle is being towed or piggybacked, charge 10%.
- b) If more than 1 vehicle is being towed or piggybacked, charge 25% for each towed or piggybacked vehicle.

Legal Liability for Collision To Customer Automobiles will be rated as follows:

a) Private Passenger Vehicles, Light Commercial and Light Motor Homes (4.5 Tonnes or 10,000 lbs and under)

- Use Private Passenger Rating Notes in the Private Passenger Section of the manual to determine the rate group based on the limit chosen.
- Calculate the Class 07 (or Class 08-19 if the principal operator is under 25) Collision premium.

b) Vehicles over 4.5 tonnes (10,000 lbs)

- Use Rate Group Table II in the Commercial Section of the manual to determine the rate group based on the limit chosen. The model year is assumed to be the current year.
- Determine the Commercial Collision premium.

Legal Liability for Specified Perils on Customer Automobiles

Multiply the limit chosen by the open lot rate for Specified Perils on Customer Automobiles.

Rule 632: Bailiff

This description includes those persons lawfully repossessing vehicles. If the Insured owns a compound and is storing vehicles there, the limit per occurrence must reflect the total exposure at that location. These risks are written on POL 4 with END 71.

Use Service Station rates for Liability and Accident Benefits, based on the number of staff units and add each of the applicable following premiums:

For each owner and full time employee:

The premium for Liability and Accident Benefits is calculated for each owner and full time employee using Class 07 rates or Class 08-19 if the principal operator is under 25.

The driving record will be 0, 1, 2 or 3 years accident free based on risk qualifications. The driving record is based on FA experience only for all coverages.

The rate group for Accident Benefits is obtained from Table A Rate Groups in the Private Passenger section.

If the Insured uses a tow truck, see Rule 630: Tow Truck.

Legal Liability for Collision to Customer Automobiles will be rated based on the vehicles towed as follows :

a) Private Passenger Vehicles, Light Commercial and Light Motor Homes (4.5 Tonnes and under)

- Use Private Passenger Rating Notes in the Private Passenger Section of the manual to determine the rate group based on the limit chosen.
- Determine the Class 07 (or 08-19 if the principal operator is under 25) Collision premium.

b) Vehicles over 4.5 tonnes (10,000 lbs)

- Use Rate Group Table II in the Commercial Section of the manual to determine the rate group based on the limit chosen. The model year is assumed to be the current year.
- Determine the Commercial Collision premium.

Legal Liability for Specified Perils on Customer Automobiles

- Multiply the limit chosen by the open lot rate for Specified Perils on Customer Automobiles.

Rule 633: Auctions

Please see Rule 601: Definitions. These risks are written on POL 4 with END 71. Use Storage Garage rates for Liability and Accident Benefits based on the number of staff units and add the following premium:

For each dealer plate and special permit or plate that the Insured holds to permit delivery of vehicles:

The premium for Liability and Accident Benefits is to be calculated for each plate by using Class 07 rates (or Class 08 – 19 if the principal operator is under age 25).

The driving record will be 0, 1, 2 or 3 years accident free based on risk qualifications. The driving record is based on FA experience only for all coverage.

The rate group for Accident Benefits is obtained from Table A Rate Groups in the Private Passenger section.

Legal Liability for Collision to Customer Automobiles

Rating is based on the vehicles to be transported and auctioned.

a) Private Passenger Vehicles, Light Commercial and Light Motor Homes (4.5 Tonnes and under)

- Use Private Passenger Rating Notes in the Private Passenger Section of the manual to determine the rate group based on the limit chosen.
- Determine the Class 07 (or 08-19 if the principal operator is under 25) Collision premium.

b) Vehicles over 4.5 tonnes (10,000 lbs)

- Use Rate Group Table II in the Commercial Section of the manual to determine the rate group based on the limit chosen. The model year is assumed to be the current year.
- Determine the Commercial Collision premium.

Legal Liability for Specified Perils on Customer Automobiles:

- Multiply the chosen limit by the open lot rate for Specified Perils on Customer Automobiles.

Rule 634: Raffles

The vehicle must be insured on POL 1 (Owner's Policy). If the organization raffling the vehicle does not own the vehicle, that organization should be insured under POL 6 (Non-Owned Automobile Policy).

On POL 1 (Owner's Policy), the vehicle is to be rated Class 07. The driving record will be 0.

If the vehicle is private passenger, the rate group will be determined using the Private Passenger Rating Notes in the Private Passenger Section; if the vehicle is commercial, the rate group will be determined using Commercial Rate Group Table II in the Commercial Section.

Rule 635: Consignment

Vehicles on consignment, not being owned by the Insured, are Customer Automobiles.

Rule 636: Valet Parking

For each employee (full or part time) charge the Storage Garage staff unit rate. Coverage for Open Lot Pilferage is not available. END 71 (Excluding Owned Automobiles) must be attached to the policy and owned vehicles must be insured on POL 1 (Owner's Policy).

Rule 637: Auto Hauler

The vehicle must be insured on POL 1. A cargo policy must be purchased if legal liability for damage to vehicles being carried is required while in transit. The insured may purchase POL 4 with END 71 to cover the exposure for loading and unloading vehicles. Item 3 of the policy declaration must state "loading and unloading vehicles from auto hauler". Use Storage Garage rates for Liability and Accident Benefits and Legal Liability for Damage to Customers Automobiles based on the number of staff units.

Rule 638: Endorsements Applicable to POL 4 (Garage Policy)

Notes:

1. No endorsements, no special wordings and no changes to standard forms are permissible except as approved by or on behalf of the Superintendent(s) of Insurance.
2. This rule provides certain details of approved endorsement forms. The descriptions are necessarily very brief and reference must be made to the actual wordings of the endorsements to ascertain the full provisions and restrictions.
3. In certain cases a copy of the endorsement must be signed by the Applicant and filed with the Servicing Carrier. The insurance will not be continued or the policy will be re-rated, if this requirement is not met.

Liability (or TPL) means B.I. and P.D. Tort;

Physical Damage means Optional Coverages – Loss or Damage (Collision, Comprehensive, Specified Perils)

	Standard Endorsement Form Number, Title and Purpose	Rating
70	Named Chauffeur (For Attachment Only to a Garage Policy S.P.F. No. 4) This endorsement is used when Owned Automobiles Collision coverage is to be provided only while specified persons are personally in control of the vehicles.	Instead of applying a rate to staff units, the premium for the coverage is calculated on the number of highest rated vehicles equal to the number of named persons, using 120% of the Collision rates applicable to those vehicles and persons.
71	Excluding Owned Automobiles (for attachment only to a Garage Policy S.P.F. No. 4) The use of this endorsement is mandatory on policies issued in respect of risks not rated as Automobile Dealers or Repair Garages.	No charge
72	Multiple Alteration (for attachment only to a Garage Policy S.P.F. No. 4) This form is used by the Servicing Carrier to record a change of the information supplied on the application form and the change (if any) of the policy premium.	No charge
73	Excluding Financed Automobiles (for attachment only to a Garage Policy S.P.F. No. 4) This endorsement is used when it is required to specify that the Owned Automobiles. Comprehensive/Specified Perils coverage does not apply to any vehicle which, although held for sale by the Insured, is financed by a named lienholder or mortgagee.	No charge
74	Open Lot Pilferage – Owned Automobiles (for attachment only to a Garage Policy S.P.F. No. 4) This endorsement is not available for Facility Association business.	This endorsement is not available for Facility Association business.
75	Open Lot Pilferage – Customers' Automobiles (for attachment only to a Garage Policy S.P.F. No. 4) This endorsement is not available for Facility Association business.	This endorsement is not available for Facility Association business.
76	Additional Insured (Broad Form) (for attachment only to a Garage Policy S.P.F. No. 4) The purpose of this endorsement is to provide insurance in respect of vehicles that are provided for the regular or frequent use of specified persons who are not active partners or full-time employees. Full details of each such vehicle and person must be supplied on an APP 1 (Owner's Policy Application form).	The premium is developed from the applicable Private Passenger, Commercial or Recreational Vehicle rates. The calculated premium becomes the additional premium on the END76.

77	Legal Liability for Comprehensive Damage to a Customer's Automobiles (Including Open Lot Pilferage) (for attachment only to a Garage Policy S.P.F. No. 4)	This endorsement is not available for Facility Association business.
78	Reduction of Coverage As Respects Operation by Named Persons (For attachment only to a Garage Policy S.P.F. No. 4) This endorsement is used if the coverages provided by the policy are to be restricted when certain named persons are driving a vehicle.	This endorsement is not available for Facility Association business.
79	Fire and Theft Deductible (for attachment Only to a Garage Policy S.P.F. No. 4) This endorsement is used when the deductible shown for the Owned Automobiles Comprehensive/ Specified Perils coverage is to be made applicable also to fire losses or theft of the entire automobile.	No charge
80	Specified Owned Automobile Physical Damage Coverage (for attachment only to a Garage Policy S.P.F. No. 4) This endorsement is used when physical damage coverage is to be provided only to specified automobile(s).	No charge

Rule 700: POL 2 – Driver's Policy Overview

The purpose of the POL 2 (Driver's Policy) is to provide coverage that is excess of any policy specifically insuring the automobile concerned.

Insureds wishing to purchase this policy instead of the coverage available through a car rental company should be advised that Facility Association does not offer primary coverage through non-owned policies.

A Driver's Policy indemnifies the Insured against legal liability for bodily injury or property damage that arises from the use or operation of any non-owned automobile while the Insured is personally in control of the automobile with the owner's consent. Under the Highway Traffic Act, owners of vehicles and drivers of vehicles are liable in the event of an accident.

The Insurance Act provides that, in the event of an accident, the Third Party Liability coverage provided by a Driver's Policy is not primary coverage. It is excess of the coverage provided by any policy specifically insuring the automobile concerned.

This provision cannot be varied and every Applicant should be made aware of it when the insurance is arranged.

Rule 701: Filed Underwriting Rules

A. The Insurer's rules for declining to issue, terminating or refusing to renew a contract are:

1. The risk does not meet the object of the Facility Association which is to ensure the availability of automobile insurance, as required by law, in those provinces and territories of Canada in which the Association operates, to the owners and licensed drivers of motor vehicles who would otherwise have difficulty obtaining such insurance.
2. The risk is not a non-owned risk.
3. The non-owned exposure is in a jurisdiction other than one in which the application for coverage is being completed or the vehicle is not operated at any time in a jurisdiction in which the Facility Association operates. For another jurisdiction in which Facility Association operates, the risk may be insured through an Agent/Broker and Servicing Carrier licensed in that jurisdiction.
4. The Applicant does not hold a valid operator's licence.
5. The application is incomplete, has not been signed by the Applicant, or has not been bound by the Agent/Broker.
6. The Applicant/Agent/Broker refuses to provide the sufficient valid information to write the risk. 'Sufficient

valid information to write the risk' includes data to properly rate the risk and to report the risk information in accordance with the Automobile Statistical Plan.

7. Non-payment of premium for the current policy period (for purposes of termination only).

8. Any risk where abusive or threatening behaviour of the Insured/Applicant/Driver within the previous 3 years has created a safety concern for Facility Association staff, Servicing Carrier staff or a representative acting on behalf of either and circumstances have been reported to police.

B. Rules for refusing to provide or continue a coverage are:

1. Optional physical damage coverage shall not be provided where an Applicant or any person who is a regular or frequent operator of the vehicle, has, within the immediately preceding thirty six months:

- a) When making a previous application for automobile insurance, given false particulars of an automobile to be insured to the prejudice of the Insurer;
or
- b) Knowingly misrepresented* or failed to disclose in an application any fact required to be stated therein;
or
- c) Has contravened a term of an insurance contract or been convicted of fraud in relation thereto;
or
- d) Wilfully made a false statement in respect of a claim.

* Misrepresentation means an Applicant has either had a policy cancelled by registered letter for material misrepresentation or has had a claim denied for material misrepresentation

2. Where a non-owned vehicle is licensed for highway/road use and is used on roads as well as for race or speed tests, physical damage coverage shall not be provided.

Rule 702: Coverages Available

A. Third Party Liability

Not more than \$2,000,000 except:

- When required by Canadian or American federal or provincial/state statute through regulation or by municipal by-laws. Municipal by-laws do not include other local authorities such as school boards. The Liability limit may not exceed the amount required. The amounts shown on any proof of insurance may not exceed those required by the authority concerned.

If it is necessary to provide a Liability limit that falls between two limits for which premiums or limit factors are indicated in this manual, the premium or limit factor applicable to the higher of those two limits shall be used.

Where it is **required and permissible** to provide a higher Liability limit, the increased limit factors can be found in the relevant section. If the manual does not provide the necessary increased limit factor, contact your Servicing Carrier.

B. Legal Liability Physical Damage

The insurance may be extended by means of END 60 to cover the Insured's legal liability for damage to the non-owned automobile arising from Collision and/or Comprehensive/ Specified Perils.

See Rule 731: Endorsements Applicable to POL 2 (Driver's Policy).

1. Minimum Deductibles

Refer to the section of the manual pertaining to the type of automobile to be driven e.g. Private Passenger Section.

Refer to the same section for minimum deductibles applicable due to claims.

2. Legal Liability Physical Damage

Policies may not be written for this coverage only.

Rule 703: Rating

A. Liability

This coverage is rated according to the use, driving record, territory, etc., as if the Applicant owned the type of automobile driven e.g. private passenger. This premium is subject to a 50% discount.

B. Accident Benefits

Where the Insurance Act of the jurisdiction requires that Accident Benefits be provided on a policy that provides Liability coverage, the premium for Accident Benefits shall be determined based on use and territory as if the Applicant owned the type of automobile driven. This premium is subject to a 50% discount.

C END 60 (Legal Liability for Damage to Non-Owned Automobile)

All premiums (Collision, Comprehensive and Specified Perils) are calculated by charging the premiums applicable to the highest rated vehicle that would be driven, as if the Applicant owned the vehicle.

The limit per occurrence is used to calculate the rate group. The model year is assumed to be the current year unless the specific vehicle(s) is known. There is no discount applicable to the premium calculated.

D. Coding

For the Statistical Plan, the Class (Type of Use) Code to be reported is 98.

All other codes (including coverage codes for END 60 physical damage premiums) are the same as those applicable to POL 1 (Owner's Policy).

Rule 704: Binding Coverage – New Policies

A. Requirements/Procedures for binding new policies

- 1) The Agent/Broker must have a fully completed application signed by the Applicant detailing all information on the risk. Supplementary questionnaires, if required, must be completed and signed by the Applicant. If the Servicing Carrier is required to have a driver's permission to obtain a driver record abstract, that written authorization must accompany the application.
- 2) Before binding coverage the Agent/Broker must either
 - a) Collect or assume responsibility for the full indicated premium
 - or**
 - b) Obtain a fully completed premium finance contract together with the full down payment required and promptly send that contract to the finance company office.
- 3) The insurance shall take effect as of the time and date the coverage is bound, as evidenced by the Application signed by the Insured. However, except when the binding time is 12:01 a.m. of a future date, the policy shall be shown as effective at 12:01 a.m. on the day the date coverage was bound. The premium rates to be applied are those in effect on the binding date.

For example:

 - a) Coverage is bound at 1:00 p.m. on June 1. The application is signed on June 1. The policy will be issued showing an effective date of 12:01 a.m. June 1. However, the coverage is in effect as of 1:00 p.m. on June 1.
 - b) Coverage is bound as of 12:01 a.m. June 1. The application was signed on May 29. The policy will be issued showing an effective date of 12:01 a.m. June 1.
- 4) If the application form cannot be sent to the Servicing Carrier on the date on which coverage was effected it must be sent the next working day.
- 5) The Servicing Carrier shall normally issue the policy within 30 days of the effective date. If the Agent/Broker does not receive the policy and the full term liability card within that time, a further temporary liability card must be issued by the Agent/Broker and the Servicing Carrier

must be contacted immediately to determine the status of the policy.

B. Term of binding new policies

The term of binding and of the temporary liability card is 30 days. The temporary liability card may not be amended to indicate a longer period. If a short term policy is to be issued, the temporary liability card shall be amended to indicate a shorter period.

Rule 705: New Policies

A. Application Form

Every application for insurance must be made on the current approved Standard Application Form and must be fully completed and signed by both the Applicant and Agent/Broker where required. See also Rule 705:D. Computer Generated Application Forms.

B. Application (APP 2)

The Servicing Carrier's APP 2 must be used. The application must be clearly marked 'Facility Association'. The information on APP 2 must include:

1. Applicant's name and postal address
2. Policy period including the effective date and binding time and date
3. Applicant's signature
4. Date of Applicant's signature
5. Year, make and model of the vehicle on which the premium is calculated. This is only required where END 60 (Legal Liability for Damage to Non-Owned Automobile) is purchased.
6. Territory, rate class and driving record on which the premium is calculated
7. Driver's name, driver's licence number and details of any losses in the last 5 years

NOTE – The temporary and permanent liability certificates for the Driver's Policy must not show the year, make and model of the vehicle on which the premium is calculated.

C. Faxed Applications

Fully completed and signed current approved Standard Application Forms submitted by fax are acceptable in lieu of original applications. Where required, these applications must be accompanied by the appropriate questionnaires or supplements. Where the original application has been submitted without signature, a signed and faxed copy of the application is acceptable to complete the signature requirement.

D. Computer Generated Application Forms

These application forms are acceptable but must be in the standard format approved by the applicable regulatory authority and must include all information that is required to be provided on the current approved Standard Application Form.

The computerized application must be signed and dated by the Applicant as well as the Agent/ Broker.

E. Applicant's Signature

The Applicant's signature shall be provided on the current approved Standard Application Form or the computerized application form at the time of binding whenever possible.

If the Applicant's signature cannot be obtained at the time of binding, the Servicing Carrier shall allow the Agent/Broker 30 days to obtain a signature on the original application provided the Agent/Broker assumes responsibility for the full indicated premium. In the meantime, the Agent/Broker must send a copy of the completed but unsigned application to the Servicing Carrier.

If a signed copy of the application is not received by the Servicing Carrier within the 30 day time period, the Servicing Carrier shall immediately cancel the policy by registered letter. The Agent/Broker shall be responsible for the full indicated earned premium for the time on risk.

F. Name of the Insured

Insurance contracts must be made with individuals who have both the capacity to contract and are legal entities.

G. Verification of Driving History

In order to verify the driving history, the Servicing Carrier is required to obtain the following before confirming the premium:

- a) Driver record abstract obtained from the appropriate government department in each Canadian or U.S. jurisdiction in which the driver has been licensed in the previous three years.
- b) Previous Insurance History obtained on all drivers with the exception of drivers with only an international licence. This may be an electronic report ordered from a service provider, letters from previous carriers or telephone calls to previous carriers (which must be properly documented on file including name of persons spoken to, date, time etc.).

Insurance history is not required for Motorcycle, Moped, Snow Vehicles, Dirt Bikes, All Terrain Vehicles, Antique Vehicles. See special instructions under Fleet and the Garage section.

If the information received is different from that reported on the application, to the extent that the premium requires amendment, the policy shall be issued at the revised premium and coverage or the Servicing Carrier shall promptly issue a correcting endorsement.

Rule 706: Definitions

A. Automobile

The word 'automobile' includes a recreational vehicle and/or a trailer unless otherwise indicated.

B. Non-owned Automobile

An automobile that is not owned in whole or in part by or registered in the name of the Applicant.

C. Valid Operator's Licence

1. Definition

A valid Canadian licence to drive the type of vehicle concerned. Where there is graduated licensing, a level two licence is a valid operator's licence.

A Learner's permit or a Level One licence (where there is graduated licensing) is not regarded as a valid operator's licence.

2. International Driving Permit

An international driving permit is not a valid licence in and of itself. It is a permit to drive in another country if the driver already has a valid licence. It is valid in Canada only for temporary residents e.g. embassy staff, exchange students, tourists.

Permanent residents must apply for a licence in the Canadian jurisdiction in which they reside. Where a driver holds an international driving permit, the application must show complete details of the driver's licence upon which it was granted. This would include the country in which the valid licence was issued, driver's licence number, expiry date etc.

D. Types of Licence Suspension

1. Suspension for Cause

A suspension or cancellation of the operator's licence for a period exceeding two weeks resulting from a conviction or from the accumulation of demerit points.

A suspension/cancellation/lapse because a fine was not paid is treated as an administrative suspension/cancellation/lapse even if the fine resulted from a conviction.

2. Administrative Suspension/Cancellation/Lapse

A suspension/cancellation/lapse for a period of one year or more for any reason other than those outlined under Suspension for Cause.

NOTE:

Under the Ignition Interlock Program, it is a condition of the driver's licence reinstatement that the driver is prohibited from driving any motor vehicle that is not equipped with an approved ignition interlock device.

For drivers who have entered the Ignition Interlock Program, the length of the licence suspension shall be calculated from the date the licence was suspended to the date the Ignition Interlock Program was entered.

For example: Licence was suspended from January 1 to July 1. The driver entered the Interlock Program on March 1. Therefore the total time the driver's licence is considered to have been suspended is 2 months not 6 months.

Rule 707: Rating Territory

Rating territories are described in Rule 732: Territories. The rating territory refers to where the non-owned vehicle is garaged.

Rule 708: Rating Class

Rating class is determined by the type of vehicle being driven and the use. Refer to the specific section of the manual for rating criteria.

Vehicle Type	Section of Manual
Private passenger	Private Passenger Section
Truck	Commercial Section
Taxi	Public Section
Bus	Public Section

Rule 709: Driving Record

Driving record is determined by the type of vehicle being driven and the driver's experience. Refer to the specific section of the manual for driving record requirements.

Vehicle Type	Section of Manual
Private passenger	Private Passenger Section
Truck	Commercial Section
Taxi	Public Section
Bus	Public Section

Rule 710: Not applicable

Rule 711: Vehicle Rate Group

When END 60 (Legal Liability for Damage to Non-Owned Automobile) is to be added to the policy, the applicable rate group is determined by the type of vehicle.

All premiums (Collision, Comprehensive and Specified Perils) are calculated by charging the premiums applicable to the highest rated vehicle that would be driven, as if the Applicant owned the vehicle. The limit per occurrence is used to calculate the rate group. The model year is assumed to be the current year unless the specific vehicle(s) is known. There is no discount applicable to the premium calculated.

Rule 712: Claims

Every accident, loss or claim that comes to the knowledge of the Agent/Broker in regard to his/her Facility Association POL 2 (Driver's Policy) must immediately be reported in the manner prescribed by the Servicing Carrier.

Collision with Animals

If END 60 (Legal Liability for Damage to Non-Owned Automobile) is purchased, losses involving Collision with animals, both wild and domestic, may be paid.

Rule 713: Endorsement Forms/ Wordings

Changes to standard approved forms are not permitted.

Rule 731: Endorsements Applicable to POL 2: Driver's Policy provides certain details and rating instructions for approved endorsement forms. The descriptions are brief and reference must be made to the actual wordings of these forms to ascertain the full provisions and restrictions.

Certain endorsements require a signature. Where no signature is obtained, the policy may be cancelled in accordance with the Statutory Conditions or the endorsement may be deleted and the policy rerated accordingly.

Provided the endorsement form does not indicate the expiry date of the policy and continues to refer to a particular vehicle (policy vehicle item number did not change), once an endorsement form has been signed, it need not be signed again on subsequent policy renewal terms.

Rule 714: Premiums

A. Premium Quotations

The Agent/Broker is responsible for calculating premiums in accordance with this manual.

Where there is any doubt on the matter, the Servicing Carrier will be pleased to assist in establishing risk classifications, but the Servicing Carrier shall not make premium quotations except where the manual does not provide for the particular coverage required.

The Servicing Carrier shall require clarification from the Agent/Broker if the information on the application contradicts the quoted premium.

B. Manual Rates

The rates published in this manual are for annual policy terms. For six month policies charge 52% of the annual premium.

C. Premium Rounding

The premium for each coverage shall be rounded to the nearest whole dollar. A premium that includes 50 cents or more shall be rounded up to the next whole dollar. (\$46.56 will be rounded up to \$47.00 and \$46.44 will be rounded down to \$46.00.)

This applies to all premium transactions, including refunds except where the policy is cancelled by registered letter at the request of the Agent/Broker or by the Servicing Carrier. In that event, the return premium shall **always** be rounded up to the next whole dollar (\$45.10 will be rounded up to \$46.00).

D. Minimum Premium/Minimum Retained Premium

The minimum premium for any automobile policy or renewal and, the minimum retained premium in the event of cancellation of the policy, is \$25, regardless of the term of insurance. The minimum retained premium must be stated on the declaration page of the policy.

Rule 715: Policy Term

Every policy or renewal shall be issued for a term of either one year or six months.

A short term policy may be issued in the event that the non-owned vehicle/item is in transit in or through the jurisdiction, i.e. a single trip from a location within a jurisdiction in which Facility Association operates to another location within a jurisdiction in Canada or the continental U.S. The Servicing Carrier may accept an application for a short term policy and issue the policy accordingly or accept an application for a 6 or 12 month term and a cancellation voucher signed to provide coverage for only the shortened term.

The premium for the policy shall be calculated using the highest rated territory of the originating jurisdiction and the applicable short term table in this manual, subject always to the minimum retained policy premium.

Rule 716: Policy Changes

A. A change to a policy shall not be processed if:

- a) The change is substantial e.g. the Insured is covered under POL 2 (Driver's Policy) and now requires POL 1 (Owner's Policy) instead. A new policy is necessary and a new application must be submitted. If in doubt, the Agent/Broker should contact the Servicing Carrier for direction. The existing policy shall be cancelled pro rata.
- b) There is a change of the jurisdiction in which the non-owned vehicle is registered.

B. Binding Coverage - Policy Changes

If the change involves an Insured for whom proof of insurance has been filed or is required, please also see Rule 725: Proof of Insurance. Before binding coverage the Agent/Broker must collect or assume responsibility for any indicated additional premium.

Procedure of notification

- 1) The Agent's/Broker's procedure for reporting changes to the Servicing Carrier must be acceptable to the Carrier. The request for change must be made in writing and **specify the effective date and the effective time.**
- 2) Faxed or mailed policy change requests are acceptable.
- 3) If the policy change request cannot be sent to the Servicing Carrier on the date the Insured makes the request, it must be sent to the Servicing Carrier on the next working day.
- 4) The Servicing Carrier shall normally issue any required endorsement, updated Certificate of Insurance (if required) and permanent liability card (if required) within 30 days of the effective date of the change.
- 5) Coverage may not be shown as effective prior to the date and time that the request was received by the Agent/Broker from the Insured, except when contractual coverage exists automatically under the policy and notice is given within the time permitted. A permissible policy change is in effect as of the time and date requested

C. Midterm Policy Change Premium Calculation

In regard to the period licensed, period of ownership, the period since the date of an accident, the period since the date of a conviction, the rating is always based on the position as at the effective date of the policy period, (or, in the case of a subsequent addition/substitution of a driver or addition of a vehicle as at the addition/substitution date). Midterm rerating is NOT permissible in respect of changes that occur in regard to those matters during the period of insurance merely because of the lapse of time.

Midterm change due to age is permissible, provided a request is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) within 30 days of the birthday. If the request is received after 30 days, then the change will be effective at 12:01a.m. following the date the Agent/Broker (or Servicing Carrier if received directly from the Insured) receives the request and back dating will not be permissible.

Rates to be used**Addition of a coverage or other midterm transactions:**

Rates in effect at the start of the policy period.

Method of premium calculation:

Premiums for midterm policy changes are calculated pro rata by using the Day Table.

Minimum premiums for midterm changes:

A minimum additional premium of \$5 shall be charged for any transaction that includes one or more of the following, regardless of the period of insurance:

- addition of a coverage
- increase of a Liability limit
- decrease of a deductible

Note 1: Any additional premium of **less** than \$5 may be waived by the Servicing Carrier unless mentioned above. Return premiums may not be waived.

Rule 717: Renewals**A. Before issuing a Renewal**

If the renewal involves an Insured for whom an FRC (financial responsibility certificate) has been filed or is required, see Rule 725: Proof of Insurance.

Since rating is dependent on driving history, a driver record abstract must be obtained. This must be ordered on the driver prior to every renewal (for six month policies prior to every other renewal).

Renewals shall only be offered on policies for annual or six month terms.

NOTE: Any risk where abusive or threatening behaviour of the Insured/Applicant/Driver within the previous 3 years has created a safety concern for Facility Association staff, Servicing Carrier staff or a representative acting on behalf of either and circumstances have been reported to police shall be non-renewed.

B. Accidents Occurring Between Renewal Process Date & Effective Date

Once a renewal or offer to renew has been processed, and the Servicing Carrier receives notice of an at fault loss that occurred prior to the renewal's effective date, the Servicing Carrier shall amend the renewal rating accordingly.

C. Renewal Processing**1. Other than Direct Billing****Servicing Carrier Responsibilities**

The renewal documents shall be issued by the Servicing Carrier and must reach the Agent's/Broker's address no later than 30 days prior to the policy's current expiry date.

Agent/Broker Responsibilities

Before releasing any renewal documents the Agent/Broker must collect or assume responsibility for the full renewal premium. If the Servicing Carrier is unable to issue renewals in the required time period, the Agent/Broker must issue a temporary liability card to the Insured and

collect a downpayment based on the estimated annual premium for the upcoming renewal term.

Or

Obtain a fully completed premium finance contract together with the full downpayment required and promptly send that contract to the premium finance company.

Renewal not accepted

If the renewal is not accepted by the Insured, the Agent/Broker must submit one of the following acceptable evidence of renewal refusal to the Servicing Carrier:

- a) Return all the renewal documents (including liability cards) to the Servicing Carrier;
OR
- b) Written confirmation that the renewal has been returned complete with liability cards to the Agent/Broker AND that the documents were destroyed in the Agent/Broker's office;
OR
- c) Provide a signed (i.e. written, electronic or auto signature) request from the Insured to cancel the policy effective the renewal date.

If the evidence of renewal refusal is received by the Servicing Carrier within 15 days of the renewal's effective date, a full refund shall be credited to the Agent's/Broker's Facility Association account. If evidence of renewal refusal is not received within 15 days, the renewal shall be cancelled on a pro rata basis effective the date it is received by the Servicing Carrier. The Agent/Broker shall be responsible for earned premium or minimum retained premium whichever is greater.

Renewals where acceptable evidence of refusal has been submitted to the Servicing Carrier for cancellation may not be reissued unless the Servicing Carrier receives instructions no later than the renewal's effective date and the Agent/Broker collects or assumes responsibility for the full premium as outlined above.

If the renewal date has passed and the insurance is again required, there must be a new application and a new policy issued.

2. Direct Billing Renewals

Servicing Carrier Responsibilities

- a) For each policy, an offer to renew shall be issued by the Servicing Carrier. The offer to renew must reach the Insured's last known address no later than 30 days prior to the policy's current expiry date.
- b) The payment due date must be clearly indicated on the offer to renew and must be the same as the policy's current expiry date.
- c) If the required premium is received by the Servicing Carrier no later than 15 days after the payment due date, the Servicing Carrier shall

promptly issue the appropriate renewal documents to the Insured.

- d) The renewal documents must not be released by the Servicing Carrier until the full premium is received or the required first payment is received on time by the Servicing Carrier (by first payment due date if a deferred premium payment plan is available). If this rule is followed, neither the Carrier nor the Agent/Broker incurs any responsibility for the premium. If the Servicing Carrier follows any other unauthorized procedure, the Servicing Carrier will be responsible for the earned premium for the time on risk calculated on a pro rata basis and will be required to stop offering a Direct Bill option.

Payment Not Received

If the required payment is not received by the Servicing Carrier within 15 days of the payment due date, the policy shall be treated as though it has expired and the Servicing Carrier shall advise the Agent/Broker accordingly within the following 10 days.

Rule 718: Cancellations

A. Midterm Cancellation - Effective Date

1. Received by Agent/Broker or Servicing Carrier within 30 days

If the request for midterm cancellation is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) within 30 days of the date the cancellation is to be effected, and no effective time is requested, the cancellation shall take effect at 12:01 a.m. on the date it was requested to be effective. In the event that the cancellation was specifically requested to be effective at a time other than 12:01 a.m., the cancellation shall be effected at 12:01 a.m. the following day.

For example: The Insured requests cancellation of the policy to be effective August 5. The cancellation request is received by the Agent/Broker on August 20. The Servicing Carrier shall cancel the policy effective 12:01 a.m. August 5. If the Insured requested cancellation to be effective at 3:40 p.m. on August 5, the Servicing Carrier shall cancel the policy effective 12:01 a.m. on August 6.

NOTE: For flat cancellations of renewals, refer to Rule 718:E.4.

2. Received by Agent/Broker or Servicing Carrier after 30 days

If the request for cancellation is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) more than 30 days after the date the cancellation was requested to be effected, the cancellation shall take effect at 12:01 a.m. on the date that the cancellation request is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured).

For example: The Insured requests cancellation of the policy to be effective September 5. The cancellation

request is received by the Agent/Broker on October 10. The Servicing Carrier shall cancel the policy effective 12:01 a.m. October 10.

3. Coverage placed in Voluntary Market

In the event the Insured has placed coverage through the voluntary market, upon receipt of a copy of the replacing policy application, or temporary liability card, the Servicing Carrier shall cancel the policy effective the date that the replacement coverage took effect.

Servicing Carriers shall proceed with cancellation as outlined in points 1 or 2 unless the Servicing Carrier is aware, or is made aware, that the circumstances outlined in point 3 exist.

B. Where Financial Responsibility Certificate Has Been Filed

If an FRC (financial responsibility certificate) has been filed, the notice period required by the authority must expire before cancellation can be effected, and therefore the Servicing Carrier shall cancel the policy effective the date the notice period expires. See Rule 725: Proof of Insurance.

C. Policy is Financed Through a Premium Finance Company

If a return premium is payable on a policy financed with a premium finance company, the gross refund is to be sent directly to the premium finance company **regardless of the reason** for cancellation. The Agent's/Broker's account shall be debited with the amount of the premium refund sent to the premium finance company.

D. Cancellation – Procedures

1. Cancellation at the request of the Insured or the Premium Finance Company – Broker Bill & Direct Bill

Cancellation requested by the Insured or the premium finance company under power of attorney must be made in writing in a format suitable to the Servicing Carrier.

Facility Association shall accept faxed signed and dated cancellation requests.

The return premium shall be calculated as follows:

For POL 2 (Driver's Policy) being placed in the voluntary market, calculate on a pro rata basis using the Day Table subject to any applicable minimum retained premium

For POL 2 (Driver's Policy) not being placed in the voluntary market, use Short Term Table No. 1 or No. 2 subject to any applicable minimum retained premium.

If the policy is on Broker Bill, the Servicing Carrier shall credit the Agent's/Broker's account with the unearned premium refundable unless the premium is financed through a premium finance company.

2. Cancellation at the request of the Agent/Broker-Broker Bill

When additional premium cannot be collected on original quote

If the Agent/Broker cannot collect the additional premium arising from an increase to the premium originally quoted for new business:

a) The Agent/Broker must advise the Servicing Carrier of the amount of premium collected and request that a notice of cancellation be issued to the Insured,

or

b) The Agent/Broker must have the policy signed off. Facility Association shall accept faxed signed cancellation requests.

If the Agent/Broker reports non-payment of the additional premium within 30 days of receiving notice of those increases, the earned premium for cancellation shall be calculated pro rata on the Agent's/Broker's originally quoted premium. Otherwise, the earned premium shall be calculated pro rata on the revised premium. If a subsequent application is submitted by the same Agent/Broker to the same Servicing Carrier for substantially the same risk within 30 days of the effective date of cancellation of the first policy and, the Agent/Broker reports non-payment of additional premium, the earned premium shall be calculated pro rata on the revised premium.

Note: For policies for which premium is paid directly to the Servicing Carrier and the Carrier initiates cancellation the words 'Agent/Broker' will be read to mean Servicing Carrier.

When outstanding premium cannot be collected in all other cases

Agent/Broker Responsibilities

If cancellation of a policy is requested by the Agent/Broker due to inability to collect the full policy/renewal premium or a subsequent additional premium, the Agent/Broker will be responsible for the time on risk charge which will be pro rata of the full premium.

The Agent/Broker must advise the Servicing Carrier of the amount of premium collected and request that a notice of cancellation be issued to the Insured.

Servicing Carrier Responsibilities

The Servicing Carrier shall promptly issue a registered notice of cancellation in accordance with the Statutory Conditions. The earned premium for cancellation shall be calculated pro rata on the full term premium at the time of cancellation.

When the Servicing Carrier issues a registered letter of cancellation, any unearned premium shall be refunded directly to the Insured (unless the policy is financed through a premium finance company) and the

Agent's/Broker's account shall be debited for the amount of the refund and credited for the unearned premium.

3. Cancellation of Late Issued Renewals

If the Servicing Carrier is unable to issue renewals in the required time period, the Agent/Broker must issue a temporary liability card to the Insured and collect a downpayment based on the estimated annual premium (or the estimated semi-annual premium for 6 month policies) for the upcoming renewal term.

Once the renewal is issued, if the Insured does not accept the renewal premium, the Agent/Broker shall advise the Servicing Carrier of the amount of premium collected and request that notice of cancellation be issued to the Insured or shall have the Insured sign off the policy.

The Servicing Carrier shall then issue a registered letter of cancellation in accordance with the Statutory Conditions or issue the necessary cancellation documents. The earned premium shall be calculated pro rata based on the previous term premium.

4. Flat Cancellation

New Policy

Flat cancellation of a new policy is not allowed except as provided under Rule 718: Flat Cancellation Exceptions

Additional Premium Policy Change

Flat cancellation of an additional premium policy change is not allowed.

Renewal

If evidence of renewal refusal is supplied by the Agent/Broker (per Rule 717) is received by the Servicing Carrier within 15 days of the renewal's effective date, a full refund shall be credited to the Agent's/Broker's Facility Association account. If evidence of renewal refusal is not received within 15 days, the renewal shall be cancelled on a pro rata basis effective the date it is received by the Servicing Carrier and the Agent/Broker shall be responsible for earned premium. A written request acceptable to the Servicing Carrier, for cancellation effective renewal date shall be accepted in lieu of evidence of renewal refusal.

5. Cancellation of Renewals in Outlying Areas

– No longer applicable

6. Flat Cancellation Exceptions

1. Any policy returned to the Servicing Carrier complete with liability cards, prior to the effective date of the policy, may be cancelled flat.
2. Any policy returned to the Agent/Broker complete with liability cards and destroyed in the Agent/Broker's office, with written confirmation from the Agent/Broker provided to the Servicing Carrier, prior to the effective date of the policy, may be cancelled flat.
3. If a cheque or electronic payment received for a new policy or renewal premium or, for the first installment

thereof is not honoured by the financial institution, flat cancellation shall be allowed to the Agent/Broker provided that:

- a) The cheque was dated and issued on or before the effective date of the policy period concerned or the electronic payment was made on or before the effective date of the policy period concerned; and
 - b) The cheque was immediately deposited; and
 - c) In the case of a first installment, the amount of the cheque or electronic payment was sufficient to meet the Servicing Carrier's requirement or if financed under a contract with a premium finance company the full down payment required under the terms of the contract;
- and
- d) The return of the cheque by the financial institution or dishonour of the electronic payment is promptly reported to the Servicing Carrier. A copy of the cheque (front and back) or copy of the dishonour notice must be provided to the Servicing Carrier.

However, on the registered letter of cancellation to the Insured, the Servicing Carrier shall request payment of the full pro rata time on risk charge.

7. Cancellation initiated by the Servicing Carrier

Non-Payment – Direct Bill

If premiums are paid directly to the Servicing Carrier, the Servicing Carrier may cancel an insurance policy for non-payment of premium. The earned premium shall be calculated pro rata.

Other Circumstances

The Servicing Carrier may not otherwise cancel an insurance policy unless approval of such action is contained elsewhere in this manual or is obtained in the manner prescribed by the Association's Board of Directors.

E. Refund Calculation

1. Insured's Request

For a policy cancellation requested by or on behalf of the Insured (e.g. requested by a premium finance company) the premium refund shall be calculated in accordance with the Short Term Tables, unless a pro rata cancellation is being allowed because the risk is being placed in the voluntary market.

2. Any Other Reason

Where the policy is being cancelled for any other reason (e.g. by registered letter) the premium refund shall be calculated on a pro rata basis using the Day Table.

Rule 719: Time on Risk Tables

A. Pro Rata

Calculation for Endorsements & Cancellations

Using the Day Table on the next page:

1. Determine the factor that corresponds to the policy's expiry month and day. For example March 26 is .233. Express the policy's expiry date in a decimal format by combining the year and the fraction. March 26, 1999 would become 1999.233.
2. Determine the factor that corresponds to the effective date of the policy change or cancellation and express that date in a decimal format. If the effective date of policy change is November 20, 1998 that would be expressed as 1998.888. Note that if the effective date of change or cancellation is February 29, it should be treated as February 28.
3. Subtract the second number from the first.
Policy expiry date 1999.233
Policy change date 1998.888
Refund/change factor .345
4. Where the policy is a six month policy, double the refund/change factor.
5. For a policy cancellation, the refund is calculated by multiplying the policy premium as of the cancellation date by the refund/change factor. The policy premium is the full term premium for the coverage in force at the time of cancellation. Minimum retained premium must be taken into consideration.
6. For a policy change, the additional/return premium is obtained by multiplying the full term premium for the change by the refund/change factor.

C. Short Term Tables

For a policy cancellation of a Driver's Policy, use Short Term Table No. 1 or No. 2. For a short term policy, use Short Term Table No. 1.

Cancellation requested by or on behalf of Insured

1. Referring to the Day Table calculate the number of days the policy has been in force.
2. Referring to Table No. 1 (in the case of an annual policy) or Table No. 2 (in the case of a six month policy), determine the 'percentage of premium'.
3. Subtract that percentage from 100% to determine the 'refund percentage'.

4. Apply the refund percentage to the full term policy premium as at the cancellation date. Minimum retained premium must be taken into consideration.

Calculating premium for a Short Term policy:

1. Referring to the Day Table, calculate the number of days the policy has been in force.
2. Referring to Table No. 1, determine the 'percentage of premium'.
3. Apply that percentage to the annual premium. Minimum retained premium must be taken into consideration.

SHORT TERM TABLE No. 1				SHORT TERM TABLE No. 2			
ANNUAL POLICIES				SIX MONTH POLICIES			
Days in force	% of Premium	Days in force	% of Premium	Days in force	% of Premium	Days in force	% of Premium
1-3	8	181-184	55	1	15	87-88	58

Rule 720: Reinstatements

A. A policy may only be reinstated if:

- a) The Servicing Carrier receives instructions not later than **the day before** the cancellation takes effect. This includes instructions from a premium finance company. Where the Agent/Broker has not forwarded payments to a premium finance company, the policy cannot be reinstated. Cancellation takes effect at 12:01 a.m. e.g. If the policy is to be cancelled effective July 1, the request for reinstatement must be received by the Servicing Carrier before midnight June 30. If the cancellation has taken effect, the policy cannot be reinstated and a new application must be completed. Any unpaid earned premium under the policy due to the Servicing Carrier must be paid with the new application.
- b) The policy was cancelled for non-payment, and the full required premium is received (by cash, money order or certified cheque from the Insured) or there is written confirmation from the Agent/Broker assuming full responsibility for that premium. Where a refund cheque accompanied the registered letter, the amount of the refund cheque must also be obtained from the Insured (by cash, money order or certified cheque) or the Agent/Broker shall assume full responsibility for that amount.

B. When a policy is reinstated

When a policy is reinstated, the Servicing Carrier shall issue a notice of reinstatement. If necessary, the Agent/Broker or Servicing Carrier shall issue a temporary or permanent liability card. If an FRC (financial responsibility certificate) was cancelled, the necessary FRC shall be reissued.

Rule 721: Commission Schedule

The commission rates are:

	Experience Rated	Individually Rated
1. Private Passenger Vehicles		
Class 10, 11, 12	7.5%	9%
All other private passenger	7.5%	11%

For the purpose of determining Commission Rates, the expression 'Private Passenger Vehicles' includes Antique/Classic automobiles, Commercial-Type vehicles that are rated as Private Passenger vehicles and Driving School vehicles (Class 07), but excludes vehicles rated as Commercial or Public vehicles, Fire and Police Department vehicles (Class 53) and Funeral vehicles (Class 75).

2. Commercial Vehicles

Long haul vehicles (including trailers) Classes 61-64, 99	6%	6%
Classes 33-36, 41-49, 53-55	7.5%	10%

3. Public Vehicles

Public Bus		
Classes 70, 73, 74 or 78	6%	6%
School Bus Class 71	7.5%	10%
Hotel & Country Club Bus		
Class 72	7.5%	10%
Private Bus Class 7M	7.5%	10%
Taxi Class 7A	6%	6%
Limousine Class 7B	6%	6%
Ride Hailing Class 7C	6%	6%
Van Pool Class 7M	7.5%	10%
Ambulance Class 76	7.5%	10%
Funeral Vehicles Class 75	7.5%	10%
Short Term Rental Class 7M	7.5%	10%
Ride Sharing Class 7N	7.5%	10%

4. Recreational Vehicles

- Cabin or Home Trailers
Other private type Trailers
Motor Homes
Camper Units
- a) Used for Pleasure purposes only: use Private Passenger Vehicles commission rates
 - b) Used for Other purposes, use the commission rate applicable to the class applicable to the use.

Motorcycles & Mopeds*	7.5%	7.5%
All Terrain Vehicles*	7.5%	7.5%
Snow vehicles*	7.5%	7.5%

* Including use of the above vehicles for police/fire department or commercial use.

5. Garage Policy Class 80-89 10%

6. Driver's Policy Class 98 According to the rating.

7. Non-Owned Automobile Policy Class 91 10%

No other additional fee for service may be charged.

Rule 722: Not applicable

Rule 723: Definition of Accident

A. What Is A Chargeable Accident

A chargeable (at fault) accident is an occurrence resulting in damage to persons or property arising out of the ownership, use or operation of a vehicle, in consequence of which:

1. An amount has been paid or would have been paid but for the existence of provincial Direct Compensation laws or agreements,

or

2. A loss remains unsettled or unpaid,
or
3. A civil suit is pending **in respect of:**
 - Liability,
 - Collision or
 - Collision portion of All Perils coverage

A chargeable accident is always taken into account in rating even if there was no insurance in effect or the loss was repaid to the Insurer by or on behalf of the Insured or if the Insured chose not to present the claim.

B. What Is Not A Chargeable Accident

An occurrence shall not be regarded as a chargeable accident if:

1. The Insured's degree of fault is determined as zero under the relevant provincial fault determination laws or agreements or dispute resolution mechanism.
2. Damage resulted from the non-owned vehicle being struck by an unidentified vehicle and is reported to the police within 24 hours;
3. Damage occurred while the non-owned vehicle was legally parked and is reported to police within 24 hours;
4. Damage resulted from collision with a wild or domestic animal;
5. Damage is legally recoverable from the owner or driver of an uninsured or unidentified automobile.

Note: The words 'loss(es)' and 'claim(s)' where used in this manual are considered to have the same meaning as the word 'accident.'

The words 'at fault' and 'chargeable' where used in this manual are considered to have the same meaning.

C. How To Allocate Chargeable Accidents

No accident shall be used more than once in determining the premium for risks insured through FA with the same Servicing Carrier whether or not on the same policy. A chargeable accident will affect the rating of the Liability coverage and the rating of the Collision coverage on END 60 (Legal Liability for Damage to Non-Owned Automobile).

Rule 724: Accident and Conviction Surcharges

These surcharges are applicable to Liability and Collision on END 60 (Legal Liability for Damage to Non-Owned Automobile).

A. Accidents

Accident surcharges are assessed in accordance with the Surcharge Schedule for chargeable accidents that occurred

during the 36 months immediately preceding the effective date of the commencement of the insurance.

1. At New Business

Consider accidents arising out of the use or operation of any vehicle by the Applicant.

2. At Renewal (for surcharge only)

At the time of renewal, the accident record shall be updated. Any accidents that occurred more than 36 months prior to renewal date shall be excluded and all accidents that occurred during the expiring term that involved the driver on the POL 2 (Driver's Policy) shall be added.

B. Convictions

Conviction surcharges shall be assessed for traffic offences (as hereinafter described) for which the Insured was convicted in the 36 months immediately preceding the commencement of the period of insurance.

1. How to apply conviction surcharges

If convictions for impaired driving and failure or refusal to take a breath or blood test relate to the same occurrence, they shall be considered as one conviction.

C. Accident/Conviction Surcharge Table

Events in the preceding 36 months	Surcharge
Chargeable Accidents:	
2	20%
3	30%
Each additional	15%
Major Convictions	
1	25%
Each additional	25%
Minor Convictions	
2	5%
3	15%
4	25%
Each additional	15%
Serious Convictions	
1	100%
Each additional	100%
Maximum surcharge for accidents and all convictions	250%

D. Conviction Definitions

a. Major

Convictions for any of the following offences under any Act governing highway traffic or for any offence substantially the same whether committed within or outside Canada:

- Fail to report damage to highway property
- Failing to report an accident

- Failing, in the event of an accident, to give name and licence number to the police or any other person entitled to such information
- Fail to obey school crossing stop sign
- Improper passing of a school bus
- Improper passing in a school or playground zone
- Improper speeding in a school or playground zone
- Using a hand held wireless communication/entertainment device
- Graduated Licence (where applicable):
 - Permit novice driver in contravention of cond/rest
 - Accompanying driver has excess blood alcohol
 - Driver unaccompanied by a qualified driver
 - Drive with front seat passenger
 - Drive with excess passengers
 - Drive on prohibited highway
 - Drive at unlawful hour
 - Drive motorcycle with passenger
 - Drive motorcycle on prohibited highway

b. Minor

The list of Minor convictions is not all inclusive and other moving violations, including new offences under an Act governing highway traffic, may be considered Minor, whether committed within or outside Canada, if not specifically named in the Major or Serious list, including but not limited to:

- Fail to notify police
- Fail to make written report
- Backing up/unsafe/illegal/improper: any type
- Brakes/none/inadequate/improper: any type
- Crowding driver's seat
- Door opening/illegal/obstructing traffic: any type
- Emergency vehicle/operating with no regard for safety
- Driving off roadway (including shoulder/sidewalk/median): any type
- Flagman/disobeying
- Following too closely (including tailgating)
- Headlights/parking lights/improper/lack of use: any type
- Lack of control of vehicle: any type
- Motor-assisted bicycle carrying passengers
- Motorcycle/operating with only an instruction permit
- Motorcycle/failure to wear helmet
- Passing infraction: any type except school bus or school/playground zone
- Pedestrian crossing violation: any type
- Radar warning device in motor vehicle: if illegal in province
- Railway crossing: any type
- Safety zone violation: any type
- Seatbelt: any offence
- Signalling offences: any type
- Slow driving/endangering other: any type
- Smokescreen device on vehicle
- Speeding: any type, except when listed as major or serious
- Squealing tires
- Stopping/illegal/improper: any type

- Tires/defective/worn: any type
- Towing/prohibited/unsafe: any type
- Traffic signals/regulating lights: any type
- Traffic signs/disobeying any legal sign except parking regulations
- Trailer: improper attachments/improper towing
- Turns/illegal/improper: any type
- Unlicensed driver: any type including improper licence class
- Unsafe move
- Unsafe vehicle: any type
- Wrong side of road/wrong way: any type
- Yield, failing to: any type

Note: This is a generic list and will not, in all cases, match the exact wording printed on the driver record abstract.

c. Serious

Convictions for any of the following offences under the Criminal Code of Canada. When a conviction shown below is not recorded on the Driver Record Abstract as Criminal Code Conviction but is shown under any Act governing highway traffic or any other Act within or outside Canada:

- Criminal negligence committed in the operation or use of a motor vehicle
- Manslaughter committed in the operation or use of a motor vehicle
- Driving while licence under suspension
- Dangerous driving
- Exceeding the speed limit by 50 km/h or more
- Impaired driving
- Failure or refusal to submit to a breath or blood test
- Failure to pass a breath or blood test
- Failure to stop/remain at the scene of an accident
- Driving without insurance
- Racing
- Careless driving
- Driving without due care and attention
- Stunting
- Failure to stop on request of or obey directions of a police officer
- Failure to have alcohol ignition interlock device installed and functioning when it is a requirement for driver's licence reinstatement
- Driver in the alcohol ignition interlock device programme operating a vehicle not so equipped
- Learner/Level One driver fail/refuse breath sample
- Learner/Level One driver with alcohol in blood

Note: If convictions for impaired driving and failure or refusal to take a breath or blood test relate to the same occurrence, they will be considered as one conviction.

Rule 725: Proof of Insurance Where Notice of Cancellation or Deletion is Required

1. The Servicing Carrier must make all filings. The Agent/Broker is not permitted to do so.
2. The Agent/Broker must promptly advise the Servicing Carrier if proof of insurance (e.g. a financial responsibility certificate) must be issued or filed with a local, provincial, federal or U.S. Authority.

NOTE: Where vehicles are operated in the U.S., Agents/Brokers must ask Insureds whether or not proof of insurance must be filed and, if so, in what amount.
3. Once the proof of insurance is issued, a copy should be supplied to the Agent/Broker for their records.
4. Parties requiring proof cannot be added as additional named Insureds on the policy. The certificate showing proof of insurance guarantees to the Party that the driver is insured. This is the full extent of the guarantee.
5. Should the Servicing Carrier have any concern with the coverages or limits being guaranteed when asked to use a certificate prescribed by the organization or authority with whom the certificate is being filed, the Servicing Carrier should contact Facility Association Head Office.

A. Financial Responsibility Certificate

A temporary liability card may be issued for an Applicant who requires the filing of a financial responsibility certificate before he/she may be licensed to drive, provided a fully completed and signed application is submitted for the Applicant at the time the temporary liability card is issued. Details of the licence subsequently obtained must be reported promptly to the Servicing Carrier.

B. Renewal or Offer to Renew

If a renewal or offer to renew is issued where proof of insurance has been issued or filed and the renewal is not required, the Servicing Carrier must be notified in sufficient time to file a notice of cancellation in accordance with the applicable authority's requirements. Otherwise the Agent/Broker/Insured shall be responsible for time on risk charges.

C. Policy Cancellation

1. Registered Letter

Where proof of insurance has been issued or filed and the policy is to be cancelled, the cancellation of coverages to which the proof of insurance relates shall be processed in accordance with the Statutory Conditions.

The notice of cancellation for the authority concerned must be issued on the same day as the notice of cancellation to the Insured; however, as a result of the authority's requirements the effective date of cancellation may be different.

For example: The registered letter of cancellation for the policy is issued on June 1 for both the Insured and the provincial authority. For the Insured, cancellation shall take effect 15 days from the date the registered letter is received at the post office to which it was addressed. Let's say June 19. The provincial authority requires 30 days notice of cancellation. The effective date of cancellation for the authority shall be June 30.

2. Insured's Request

Where proof of insurance has been issued or filed, and the policy is to be cancelled, the cancellation of coverages to which the proof of insurance relates shall be processed after taking into consideration the period of notice required by the authority.

The effective date of cancellation or deletion shall be the same for both the Insured and the authority concerned.

For example: The Insured requests cancellation of the policy to be effective June 1. The provincial authority requires 30 days notice of cancellation. The notice to the provincial authority is sent on June 5. The effective date of cancellation for the Insured will be July 5.

D. Filing Liability Limits

The filing should always be made for the limit required by law even if the policy actually shows a higher limit.

E. Processing Fees for Filings

Please contact your Servicing Carrier for a schedule of fees which will be charged on a 100% cost recovery basis.

Any charge required by the authority concerned shall be in addition to, and separate from, the processing fees.

Rule 726: Outside Territory Exposure

Outside Territory Exposure Surcharge

Any driver operating a non-owned vehicle in another Canadian jurisdiction or the U.S. is subject to a surcharge. This surcharge shall apply to all classes of vehicles where proof of insurance is required or where the vehicles are used for business, commercial purposes or are carrying passengers.

The surcharge does not apply where the non-owned vehicle is used for personal use only and proof of insurance is not required.

The Insured must advise the Agent/Broker the percentage of the total mileage that the non-owned vehicle will be used outside Province/Territory including U.S. and the jurisdiction(s) into which the vehicle is and will be driven. Refer also to Rule 728.

NOTE: Where vehicles are operated in the U.S., Agents/Brokers must ask Insureds whether or not proof of insurance must be filed and, if so, in what amount.

Liability, Accident Benefits, END 44

If the exposure is 5.0% or less of total mileage in the U.S. or applicable Canadian jurisdiction, a 5% surcharge will apply to Liability, Accident Benefits, and END 44.

If this exposure is over 5.0% of total mileage in the U.S. or applicable Canadian jurisdiction surcharge 1% of the applicable premium.

For example:

Outside Territory Exposure	Applicable Surcharge
Up to 5%	5%
10%	10%
25%	25%
50%	50%

Optional Physical Damage (END 60 – Legal Liability for Damage to Non-Owned Automobile)

For each percentage point of total mileage in the U.S. or applicable Canadian jurisdiction, surcharge .50% of the applicable premium.

For example:

Outside Territory Exposure	Applicable Surcharge
6%	3%
10%	5%
25%	12.5%
50%	25%

Rule 727: Suspension of Operator's Licence

In the event of the suspension, cancellation or lapse of the driver's licence, the POL 2 (Driver's Policy) shall be cancelled in accordance with the Statutory Conditions.

1. An application for insurance shall be declined by the Agent/Broker.
2. If the situation is discovered after the policy has been issued, the Servicing Carrier shall cancel the policy by registered letter. The earned premium for cancellation will be pro rata of the premium applicable to the risk as submitted.
3. If the situation is discovered as a result of enquiries prior to the renewal date, the Servicing Carrier shall issue a notice of non-renewal.

Rule 728: Vehicles Used Outside Jurisdiction of Registration

Rule 701: Filed Underwriting Rules requires that the non-owned vehicle must be registered in the jurisdiction in which the policy is issued. Where the non-owned vehicle is registered in another jurisdiction, the policy must be cancelled in accordance with Statutory Conditions.

However, there are circumstances under which the non-owned vehicle may be used for a period of time in another jurisdiction where the vehicle registration in that jurisdiction is not required.

When a vehicle is registered in one jurisdiction but garaged or chiefly used in another, the following is to be used as a guide for rating purposes

1. The policy must be issued in the jurisdiction where the Insured resides even if the non-owned vehicle is chiefly used in another jurisdiction.
2. Surcharges do not apply to non-owned private passenger vehicles that are used for personal use only and where proof of insurance is not required.
3. If the vehicle is operated outside the jurisdiction which it is, registered, including into the U.S. Rates for that jurisdiction are applied along with a surcharge. Refer to Rule 726 to determine the surcharges applicable.

NOTE: At the Servicing Carrier's discretion, a copy of fuel tax information may be required to verify mileage and travelled jurisdictions.

Rule 729: Not applicable

Rule 730: Not applicable

Rule 731: Endorsements Applicable to POL 2 (Driver's Policy)

Notes:

1. No endorsements, no special wordings and no changes to standard forms are permissible except as approved by or on behalf of the Superintendent(s) of Insurance.
2. This rule provides certain details of approved endorsement forms. The descriptions are necessarily very brief and reference must be made to the actual wordings of the endorsements to ascertain the full provisions and restrictions.
3. In certain cases a copy of the endorsement must be signed by the Applicant and filed with the Servicing Carrier. The insurance will not be continued or the policy will be re-rated, if this requirement is not met.

Liability or (TPL) means B.I. and P.D. Tort;

Physical Damage means Optional Coverages – Loss or Damage (All Perils, Collision, Comprehensive, Specified Perils)

	Standard Endorsement Form Number, Title and Purpose	Rating
4a	Permission to Carry Explosives Removes the policy form's exclusion in regard to carrying specified explosives only.	If main cargo, rate as Class 48, 61B-64B plus special factors. If incidental, net annual \$50. Refer to additional rules within manual for further information.
4b	Permission to Carry Radioactive Material Removes the policy form's exclusion in regard to carrying radioactive materials only.	If main cargo, rate as Class 48, 61B-64B plus special factors. If incidental, net annual \$50. Refer to additional rules within manual for further information.
6a	Permission to Carry Passengers for Compensation Used to modify the policy form's restrictions in regard to the use of the non-owned vehicle for the carriage of passengers. The actual use of the vehicle must be specified in the endorsement. See Private Passenger Section and Public Section. The use of the endorsement is not permissible in respect of other vehicles. Also see END 22.	For non-owned private passenger vehicles used in car pools : add 10% of Liability premium. Attach 6a Volunteers: A volunteer transports persons to medical appointments and the like, and is reimbursed for reasonable driving expenses, including gas, vehicle wear and tear and meals. END 6a is not required and there is no additional premium charge. Other Private Passenger Vehicles used to transport passengers: i) If transportation of non-paying passengers is part of Insured's job and employer reimburses employee for expenses - then Class 07 rates apply. Attach 6a ii) If transportation is very occasional (no more than once a week non-paying passengers) then Class 02 or Class 03 rates can apply. Attach 6a iii) All others, then appropriate taxi, limousine or bus rates are applicable. END 6a would be attached; however, only if the non-owned vehicle is used in a car pool would the 10% surcharge apply. For public vehicles, rate vehicle accordingly. See Public Section of the manual.
25	Alteration (endorsement changing or correcting statement(s) in the application or changing the rating classification) Used by Servicing Carrier to record policy changes.	No charge. Minimum additional premium of \$5 for addition of coverage of vehicle, increase in Liability limit, or decrease in deductible amount.
60	Legal Liability for Damage to Non-Owned Automobile (for attachment only to a Driver's Policy S.P.F. No. 2) The purpose of this endorsement is the same as that specified for END 27 in Private Passenger Section	All premiums (Collision, Comprehensive, Specified Perils) are calculated by charging the premiums applicable to the highest rated vehicle that would be driven as if the Applicant owned the vehicle. The limit per occurrence is used to calculate the rate group. The model year is assumed to be the current year unless the specific vehicle is known. There is no discount to the premium calculated.

Rule 800: POL 6 (Non-Owned Automobile Policy) Overview

A Non-Owned Automobile Liability Policy indemnifies the named Insured against legal liability for bodily injury and property damage that arises from the use or operation of non-owned automobiles by others.

Rule 801: Filed Underwriting Rules

A. The Insurer's rules for declining to issue, terminating or refusing to renew a contract are:

1. The risk does not meet the object of the Facility Association which is to ensure the availability of automobile insurance, as required by law, in those provinces and territories of Canada in which the Association operates, to the owners and licensed drivers of motor vehicles who would otherwise have difficulty obtaining such insurance.
2. The risk is not a non-owned risk.
3. The non-owned exposure is in a jurisdiction other than one in which the application for coverage is being completed or the vehicle is not operated at any time in a jurisdiction in which the Facility Association operates. For another jurisdiction in which Facility Association operates, the risk may be insured through an Agent/Broker and Servicing Carrier licensed in that jurisdiction.
4. The application is incomplete, has not been signed by the Applicant, or has not been bound by the Agent/Broker.
5. The Applicant/Agent/Broker refuses to provide the sufficient valid information to write the risk. 'Sufficient valid information to write the risk' includes data to properly rate the risk and to report the risk information in accordance with the Automobile Statistical Plan.
6. Non-payment of premium for the current policy period (for purposes of termination only).
7. Any risk where abusive or threatening behaviour of the Insured/Applicant/Driver within the previous 3 years has created a safety concern for Facility Association staff, Servicing Carrier staff or a representative acting on behalf of either and circumstances have been reported to police.

B. Rules for refusing to provide or continue a coverage are:

1. Optional physical damage coverage shall not be provided where an Applicant or any person who is a regular or frequent operator of the vehicle, has, within the immediately preceding thirty-six months:
 - a) When making a previous application for automobile insurance, given false particulars of

an automobile to be insured to the prejudice of the Insurer;

or

- b) Knowingly misrepresented* or failed to disclose in an application any fact required to be stated therein;
- or**
- c) Has contravened a term of an insurance contract or been convicted of fraud in relation thereto;
- or**
- d) Wilfully made a false statement in respect of a claim.

* Misrepresentation means an applicant has either had a policy cancelled by registered letter for material misrepresentation or has had a claim denied for material misrepresentation.

Rule 802: Coverages Available

A. Third Party Liability

Not more than \$2,000,000 except:

- When required by Canadian or American federal or provincial/state statute through regulation or by municipal by-laws. Municipal by-laws do not include other local authorities such as school boards. The Liability limit may not exceed the amount required.

The amounts shown on any proof of insurance may not exceed those required by the authority concerned. If it is necessary to provide a Liability limit that falls between two limits for which premiums or limit factors are indicated in this manual, the premium or limit factor applicable to the higher of those two limits shall be used.

Where it is **required and permissible** to provide a higher Liability limit, if the manual does not provide the necessary increased limit factors, contact your Servicing Carrier.

B. Coverage Extension

1. For hired automobiles, the insurance may be extended by means of END 94 to cover the Insured's legal liability for damage to those automobiles arising from Collision and/or Comprehensive/Specified Perils. For non-owned automobiles other than hired automobiles, legal liability for physical damage coverage may be insured by attaching END 27 to the Insured's own POL 1 (Owner's Policy).
2. POL 6 contains an exclusion providing that the Insurer is not liable for any liability which arises from the operation of any automobile while personally driven by the Insured if the Insured is

an individual. The insurance may be extended to cover the operation of non-owned automobiles by the Insured personally, by attaching END 97.

Rule 803: Binding Coverage – New Policies

A. Requirements/Procedures for binding new policies

- 1) The Agent/Broker must have a fully completed application signed by the Applicant detailing all information on the risk. Supplementary questionnaires, if required, must be completed and signed by the Applicant.
- 2) Before binding coverage the Agent/Broker must either
 - a) Collect or assume responsibility for the full indicated premium
 - Or**
 - b) Obtain a fully completed premium finance contract together with the full down payment required and promptly send that contract to the finance company office.
- 3) The insurance shall take effect as of the time and date the coverage is bound, as evidenced by the Application signed by the Insured. However, except when the binding time is 12:01 a.m. of a future date, the policy shall be shown as effective at 12:01 a.m. on the day the date coverage was bound. The premium rates to be applied are those in effect on the binding date.

For example:

 - a) Coverage is bound at 1:00 p.m. on June 1. The application is signed on June 1. The policy will be issued showing an effective date of 12:01 a.m. June 1. However, the coverage is in effect as of 1:00 p.m. on June 1.
 - b) Coverage is bound as of 12:01 a.m. June 1. The application was signed on May 29. The policy will be issued showing an effective date of 12:01 a.m. June 1.
- 4) If the application form cannot be sent to the Servicing Carrier on the date on which coverage was effected, it must be sent the next working day.
- 5) The Servicing Carrier shall normally issue the policy within 30 days of the effective date. If the Agent/Broker does not receive the policy within that time, the Servicing Carrier must be contacted immediately to determine the status of the policy.

B. Term of binding new policies

The term of binding is 30 days.

Rule 804: New Policies

A. Application Form

Every application for insurance must be made on a current approved Standard Application Form and must be fully completed and signed by both the Applicant and Agent/Broker where required or as prescribed under Rule 804:D. Computer Generated Application Forms.

B. Application (APP 6)

The Servicing Carrier's APP 6 must be used. The app must be clearly marked '**Facility Association**'. The following information must be included on APP 6:

1. Applicant's name and postal address
2. Policy period – including the effective date and binding time and date
3. Applicant's signature
4. Date of Applicant's signature

Even though the advance premiums are subject to retroactive adjustment, the 'estimated cost of hire' and 'estimated contract cost' must be reported as accurately as possible. The Agent/Broker should ensure the Applicant is aware the premium is subject to adjustment at the end of the policy term.

C. Faxed Applications

Fully completed and signed current approved Standard Application Forms submitted by fax are acceptable in lieu of original applications. Where required, these applications must be accompanied by the appropriate questionnaires or supplements. Where the original application has been submitted without signature, a signed and faxed copy of the application is acceptable to complete the signature requirement.

D. Computer Generated Application Forms

These application forms are acceptable but must be in the standard format approved by the applicable regulatory authority and must include all information that is required to be provided on the current approved Standard Application Form.

The computerized application must be signed and dated by the Applicant as well as the Agent/ Broker.

E. Applicant's Signature

The Applicant's signature shall be provided on the current approved Standard Application Form or the computerized application form at the time of binding whenever possible.

If the Applicant's signature cannot be obtained at the time of binding, the Servicing Carrier shall allow the

Agent/Broker 30 days to obtain a signature on the original application provided the Agent/Broker assumes responsibility for the full indicated premium. In the meantime, the Agent/Broker must send a copy of the completed but unsigned application to the Servicing Carrier.

If a signed copy of the application is not received by the Servicing Carrier within the 30 day time period, the Servicing Carrier shall immediately cancel the policy by registered letter. The Agent/Broker shall be responsible for the full indicated earned premium for the time on risk.

F. Name of the Insured

Insurance contracts must be made with individuals who have both the capacity to contract and are legal entities. If the Applicant is not an individual(s), the name(s) appearing on the policy must be that of a legal entity i.e. a limited company or partnership.

Rule 805: Definitions

A. Advance Premium

A premium that is based on an estimated exposure (e.g. cost of hired automobiles) and is subject to retroactive adjustment at the end of the period of insurance in accordance with the actual exposure during that period. See Rule 812: Premiums.

B. Automobile(s)

The words 'automobile' and 'automobiles' include recreational vehicles and trailers unless otherwise indicated.

C. Automobiles Operated Under Contract

Non-owned automobiles where the complete supervision, direction and control remain with the owners of the automobiles. Excludes any automobiles owned in whole or in part by, or registered in the name of any partner, officer or employee of the Applicant.

For example: The Food World grocery chain contracts with ABC Trucking Ltd. to pick up and deliver groceries to their chain of stores. ABC Trucking is responsible for scheduling the pick ups and deliveries, hiring drivers, maintaining the trucks, paying drivers salaries etc. although Food World's name may appear on some of ABC's trucks or trailers.

D. Contract Cost

The entire costs incurred for 'automobiles operated under contract'.

E. Cost of Hire

Automobiles hired with drivers

The entire cost incurred for 'hired automobiles' and their drivers.

Automobiles hired without drivers

The entire cost incurred for 'hired automobiles' **plus** the wages paid to the drivers thereof.

F. Hired

The word 'hired' includes 'rented' and/or 'leased'. A similar interpretation applies to 'hire', 'hiring', etc.

G. Hired Automobiles

Non-owned automobiles hired with or without drivers but used under the Applicant's control. Excludes any automobiles owned in whole or in part by, or registered in the name of any partner, officer or employee of the Applicant.

For example: XYZ Construction Company hires Joe Smith who owns a dump truck to pick up gravel and deliver it to various construction sites. XYZ Construction Company specifies where the gravel is to be picked up and to what site it is to be delivered. They may specify the route to be used in the process.

When automobiles are hired without drivers, END 99 (Excluding Long Term Leased Vehicle) must be attached to the policy. Such automobiles, if hired for terms exceeding 30 days, must be insured on POL 1 with END 5 attached.

H. Non-owned Automobiles

Automobiles that are not owned in whole or in part by or registered in the name of the Applicant but used for the purposes of the Applicant's business.

I. Partners, Officers, Employees and Agents

Class A1

Partners, officers and employees of the applicant who regularly use private passenger type non-owned automobiles.

For example: A marketing representative for an insurance company who regularly uses his/her own vehicle to visit Agents/Brokers of the insurance company.

Class A2

Partners, officers and employees of the Applicant who regularly use commercial type non-owned automobiles.

Class B

All other partners, officers and employees of the Applicant who do not regularly use their own vehicles on the business of the Applicant.

Class C

All agents of the Applicant. Persons operating independently of the Applicant but on the Applicant's behalf.

For example: A real estate agent or a life insurance agent.

Rule 806: Driver Services

POL 6 may not be provided to those Applicants whose business activities include the provision of drivers to operate automobiles not owned by the Applicant or the driver unless:

- a. Each driver is insured under a POL 2. A Certificate of Insurance stating the policy period and a limit equal to or more than the POL 6 Section A limit must be filed with the Servicing Carrier. The Certificate must state that if the policy is to be cancelled or not renewed or the Liability limits reduced, fifteen days prior notice shall be given to the Servicing Carrier. This Certificate is not required if the POL 2 is written by the same Servicing Carrier;

And

- b. POL 6 includes END 91 naming those for whom a POL 2 has been issued.
- c. The premium for POL 6 shall be 20% of the Liability, Accident Benefit and Uninsured Automobile premium applicable to each POL 2 policy. No additional Class A, B or C premium is charged.

Example 1: Saddle Up Roadhouse provides a drive home service for those patrons who have consumed alcohol. FA will provide a POL 6 for Saddle Up on condition that each designated driver is insured on a POL 2.

Example 2: Acme Personnel Services will supply drivers to operate customers' trucks, some of which may be interurban petroleum tractors and tank trailers. FA shall provide a POL 6 only if each of the drivers has a POL 2 covering the operation of the type and purpose of the customers' vehicles, in this case interurban petroleum tractors and tank trailers.

Rule 807: Delivery Service

A risk where the Applicant picks up and delivers non-owned automobiles using the owner's plates.

For POL 6, the premium is calculated by determining the appropriate Class 07 – 19 Liability premium (from the Private Passenger Section) for each driver depending upon the driver's age, in the applicable territory. The driving record shall be 0 for the first year, to be increased by one

for each consecutive year the driver remains accident free to a maximum of Driving Record 3. No additional Class A, B or C premium is charged.

Rule 808: Taxi Dispatch

Facility Association will not consider the dispatch of taxis (by a company whose only function is to dispatch taxis) as exercising supervision, direction or control of the automobile.

The premium for POL 6 shall be 2% of Class 07, Driving Record 3 premium in the applicable territory for each \$1,000 cost of hire. The cost of hire for each taxi, regardless of the actual contract cost, is deemed to be \$1,000. In other words, the rate for each taxi is 2% of Class 073 in the applicable territory. No additional Class A, B or C premium is charged.

Rule 809: Driver Training Schools

The premium for POL 6 shall be calculated by charging 5% of Class 07, Driving Record 3 premium in the applicable territory for each Class A1 partner, officer and employee. No additional Class A, B or C premium is charged. The application must state the maximum number of partners, officers, employees and agents during the policy period.

For example: A policy is written with an effective date of January 1st and at that time there are only three partners, officers and employees. During the summer season, an additional ten school teachers are employed by the Applicant, then the partners, officers and employees must be declared as 13.

Rule 810: Legal Liability for Damage to Non-Owned Automobiles

In each of the cases described under Rules 806, 807, 808 and 809, only Liability may be provided by POL 6 because the vehicles being driven are not 'hired automobiles' as defined by POL 6. END 94 (Legal Liability for Damage to Hired Automobiles) may only be provided to hired automobiles and is therefore not available in these situations. However, this coverage may be provided by attaching END 27 to the named Insured's POL 1.

Rule 811: Rating

The premium calculated in respect of the complete policy period, even if based on estimates, is payable in full at the commencement of that period.

A. Third Party Liability

Partners, officers, employees and agents

The premium is dependent on the numbers of such individuals. See the Schedule of Rates.

Hired automobiles

The premium is dependent on the types of automobile hired and the cost of hire. Refer to the Schedule of Rates.

Automobiles operated under contract

The premium is dependent on the types of automobile and the contract cost. Refer to the Schedule of Rates.

B. Liability Assumed under Contract (END 96)

If the applicant enters into a contract or agreement by which he assumes any liability for bodily injury and property damage, a copy of the contract/agreement must be submitted to the Servicing Carrier so that the appropriate rates may be assessed.

Note:

'Blanket' contractual liability coverage is not available. The date and name of the other contracting party or parties must be specified on the endorsement.

Coverage is not available for the assumption of the legal liability of the owner of the automobile(s), by the Applicant.

C. Liability for Damage to Hired Automobiles (END 94)

A copy of every hiring contract/agreement together with the following information must be submitted to the Servicing Carrier so that the appropriate rates may be assessed:

- The type(s) of automobile concerned, including the estimated manufacturer list price new; whether hired with or without drivers; the period(s) for which the automobiles will be hired; the estimated cost of hire.
- The required coverage and the desired limit of liability and deductible in respect of any one occurrence.

Note: In END 94, below the heading 'Section B', the words 'or assumed by him under any contract or agreement' must be deleted unless a copy of the contract/agreement is submitted and provision of coverages in respect of the assumed liability is in fact approved by the Servicing Carrier.

For private passenger type vehicles, the rate per \$1,000 cost of hire shall be 2.5% of the appropriate Class 07, Driving

Record 0 physical damage premium in the applicable territory. Rate group shall be determined using Table A, based on the manufacturer list price new of the current model year.

For commercial type vehicles, the rate per \$1,000 cost of hire shall be 2.5% of the commercial vehicle Driving Record 0 in the applicable territory. Rate group shall be determined using Table II, based on manufacturer list price new of the current model year.

D. Coding

The codes to be reported to the IBC for POL 6 are as follows:

Type of business	3
Class (Type of use)	91
Driving Record	9
Coverage codes	Same as POL 1

Rule 812: Premiums

A. Premium Quotations

The Agent/Broker is responsible for calculating premiums in accordance with this manual.

Where there is any doubt on the matter, the Servicing Carrier will be pleased to assist in establishing risk classifications, but the Servicing Carrier shall not make premium quotations except where the manual does not provide for the particular coverage required.

The Servicing Carrier shall require clarification from the Agent/Broker if the information on the application contradicts the quoted premium.

B. Manual Rates

The rates published in this manual are for annual policy terms. For six month policies charge 52% of the annual premium

C. Premium Rounding

The premium for each coverage shall be rounded to the nearest whole dollar. A premium that includes 50 cents or more shall be rounded up to the next whole dollar. (\$46.56 will be rounded up to \$47.00 and \$46.44 will be rounded down to \$46.00.)

This applies to all premium transactions, including refunds except where the policy is cancelled by registered letter at the request of the Agent/Broker or by the Servicing Carrier. In that event, the return premium shall **always** be rounded up to the next whole dollar (\$45.10 will be rounded up to \$46.00).

D. Retroactive Premium Adjustments

If insurance is provided for hired automobiles and/or automobiles operated under contract, the policy provides that the Insured shall, at the end of each policy period, provide a statement of the actual costs of hire and/or contract costs incurred for that period.

The Insurer then calculates the appropriate retroactive adjustment of premium subject to minimum premium. If the total adjusted premium exceeds the total advance premium, the balance is immediately payable by the Insured; if it is less, the balance shall immediately be refunded to the Insured.

In the event the policy is cancelled, the appropriate premium adjustment shall be taken into consideration as stated above.

E. Audits

The policy provides that the Insurer shall, through any authorized representative and at all reasonable times, have access to the Insured's books and records for the purpose of determining any fact relating to insurance.

F. Minimum Premium / Minimum Retained Premium

The minimum premium for POL 6 (Non-Owned Automobile Policy) shall be \$400 and the minimum retained premium, in the event of cancellation, shall be \$400.

Rule 813: Policy Term

Every policy or renewal shall be issued for a term of either one year or six months.

Rule 814: Endorsement Forms/ Wordings

Changes to standard approved forms are not permitted.

Rule 822: Endorsements Applicable to POL 6 (Non-Owned Automobile Policy) provides certain details and rating instructions for approved endorsement forms. The descriptions are brief and reference must be made to the actual wordings of these forms to ascertain the full provisions and restrictions.

Certain endorsements require a signature. Where no signature is obtained, the policy may be cancelled in accordance with the Statutory Conditions or the endorsement may be deleted and the policy rated accordingly.

Provided the endorsement form does not indicate the expiry date of the policy and continues to refer to a particular vehicle (policy vehicle item number did not change), once an endorsement form has been signed, it need not be signed again on subsequent policy renewal

Rule 815: Policy Changes**A. A change to a policy shall not be processed if:**

The change is substantial. A new policy may be necessary. If in doubt, the Agent/Broker should contact the Servicing Carrier for direction. If a new policy is required, a new application must be submitted. The existing policy shall be cancelled pro rata.

B. Binding Coverage - Policy Changes

Before binding coverage the Agent/Broker must collect or assume responsibility for any indicated additional premium.

Procedure of notification

- 1) The Agent's/Broker's procedure for reporting changes to the Servicing Carrier must be acceptable to the Carrier. The request for change must be made in writing and **specify the effective date and the effective time.**
- 2) Faxed or mailed policy change requests are acceptable.
- 3) If the policy change request cannot be sent to the Servicing Carrier on the date the Insured makes the request, it must be sent to the Servicing Carrier on the next working day.
- 4) The Servicing Carrier shall normally issue any required endorsement, updated Certificate of Insurance (if required) and permanent liability card (if required) within 30 days of the effective date of the change.
- 5) Coverage may not be shown as effective prior to the date and time that the request was received by the Agent/Broker from the Insured, except when contractual coverage exists automatically under the policy and notice is given within the time permitted. A permissible policy change is in effect as of the time and date requested.

C. Midterm Policy Change Premium Calculation

In regard to the period licensed, the period since the date of an accident, the rating is always based on the position as at the effective date of the policy period, (or, in the case of a subsequent addition of a driver or addition of a vehicle as at

the addition date). Midterm rerating is NOT permissible in respect of changes that occur in regard to those matters during the period of insurance merely because of the lapse of time. Midterm change due to age is permissible, provided a request is received by the Servicing Carrier within 30 days of the birthday. If the request is received after 30 days, then the change will be effective at 12:01a.m. following the date the Servicing Carrier receives the request, and back dating will not be permissible.

Rates to be used

Addition of a coverage or other midterm transactions:

Rates in effect at the start of the policy period.

Method of premium calculation:

Premiums for midterm policy changes are calculated (pro rata) by using the Day Table.

Minimum premiums for midterm changes:

A minimum additional premium of \$5 shall be charged for any transaction that includes one or more of the following, regardless of the period of insurance:

- addition of a partner, officer, employee or agent
- addition of hired automobiles or automobiles hired under contract
- increase of a Liability limit

Note 1: Any additional premium of **less** than \$5 may be waived by the Servicing Carrier unless mentioned above. Return premiums may not be waived.

Rule 816: Renewals

A. Before issuing a Renewal:

Renewals shall only be offered on policies for annual or six month terms.

NOTE: Any risk where abusive or threatening behaviour of the Insured/Applicant/Driver within the previous 3 years has created a safety concern for Facility Association staff, Servicing Carrier staff or a representative acting on behalf of either and circumstances have been reported to police shall be non-renewed.

B. Renewal Processing

1. Other than Direct Billing

Servicing Carrier Responsibilities

The renewal documents shall be issued by the Servicing Carrier and must reach the Agent's/Broker's address no later than 30 days prior to the policy's current expiry date.

Agent/Broker Responsibilities

Before releasing any renewal documents the Agent/Broker must collect or assume responsibility for the full renewal premium. If the Servicing Carrier is unable to issue renewals in the required time period, the Agent/Broker must collect a downpayment based on the estimated annual premium for the upcoming renewal term.

or

Obtain a fully completed premium finance contract together with the full downpayment required and promptly send that contract to the premium finance company.

Renewal not accepted

If the renewal is not accepted by the Insured, the Agent/Broker must submit one of the following acceptable evidence of renewal refusal to the Servicing Carrier:

- a) Return all the renewal documents (including liability cards) to the Servicing Carrier;
OR
- b) Written confirmation that the renewal has been returned complete with liability cards to the Agent/Broker AND that the documents were destroyed in the Agent/Broker's office.
OR
- c) Provide a signed (i.e. written, electronic or auto signature) request from the Insured to cancel the policy effective the renewal date.

If the evidence of renewal refusal is received by the Servicing Carrier within 15 days of the renewal's effective date, a full refund shall be credited to the Agent's/Broker's Facility Association account. If evidence of renewal refusal is not received within 15 days, the renewal shall be cancelled on a pro rata basis effective the date it is received by the Servicing Carrier. The Agent/Broker shall be responsible for earned premium or minimum retained premium whichever is greater.

Renewals where acceptable evidence of refusal has been submitted to the Servicing Carrier for cancellation may not be reissued unless the Servicing Carrier receives instructions no later than the renewal's effective date and the Agent/Broker collects or assumes responsibility for the full premium as outlined above.

If the renewal date has passed and the insurance is again required, there must be a new application and a new policy issued.

2. Direct Billing Renewals

Servicing Carrier Responsibilities

- a) For each policy an offer to renew shall be issued by the Servicing Carrier. The offer to renew must reach the Insured's last known address no later than 30 days prior to the policy's current expiry date.

- b) The payment due date must be clearly indicated on the offer to renew and must be the same as the policy's current expiry date.
- c) If the required premium is received by the Servicing Carrier no later than 15 days after the payment due date, the Servicing Carrier shall promptly issue the appropriate renewal documents to the insured.
- d) The renewal documents must not be released by the Servicing Carrier until the full premium is received or the required first payment is received on time by the Servicing Carrier (by first payment due date if a deferred premium payment plan is available). If this rule is followed, neither the Carrier nor the Agent/Broker incurs any responsibility for the premium. If the Servicing Carrier follows any other unauthorized procedure, the Servicing Carrier will be responsible for the earned premium for the time on risk calculated on a pro rata basis and will be required to stop offering a Direct Bill option.

Payment Not Received

If the required payment is not received by the Servicing Carrier within 15 days of the payment due date, the policy shall be treated as though it has expired and the Servicing Carrier shall advise the Agent/Broker accordingly within the following 10 days.

Rule 817: Cancellations

A. Midterm Cancellation - Effective Date

1. Midterm Received by Agent/Broker or Servicing Carrier within 30 days

If the request for midterm cancellation is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) within 30 days of the date the cancellation is to be effected, and no effective time is requested, the cancellation shall take effect at 12:01 a.m. on the date it was requested to be effective. In the event that the cancellation was specifically requested to be effective at a time other than 12:01 a.m., the cancellation shall be effected at 12:01 a.m. the following day.

For example: The Insured requests cancellation of the policy to be effective August 5. The cancellation request is received by the Agent/Broker on August 20. The Servicing Carrier shall cancel the policy effective 12:01 a.m. August 5. If the Insured requested cancellation to be effective at 3:40 p.m. on August 5, the Servicing Carrier shall cancel the policy effective 12:01 a.m. on August 6.

NOTE: For flat cancellations of renewals, refer to Rule 817:C.4.

2. Received by Agent/Broker or Servicing Carrier after 30 days

If the request for cancellation is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) more than 30 days after the date the cancellation was requested to be effected, the cancellation shall take effect at 12:01 a.m. on the date that the cancellation request is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured).

For example: The Insured requests cancellation of the policy to be effective September 5. The cancellation request is received by the Agent/Broker on October 10. The Servicing Carrier shall cancel the policy effective 12:01 a.m. October 10.

3. Coverage placed in Voluntary Market

In the event the Insured has placed coverage through the voluntary market, upon receipt of a copy of the replacing policy application, the Servicing Carrier shall cancel the policy effective the date that the replacement coverage took effect.

Servicing Carriers shall proceed with cancellation as outlined in points 1 or 2 unless the Servicing Carrier is aware or is made aware, that the circumstances outlined in point 3 exist.

B. Policy is Financed Through a Premium Finance Company

If a return premium is payable on a policy financed with a premium finance company, the gross refund is to be sent directly to the premium finance company **regardless of the reason** for cancellation. The Agent's/Broker's account shall be debited with the amount of the premium refund sent to the premium finance company.

C. Cancellation – Procedures

1. Cancellation at the request of the Insured or the Premium Finance Company – Broker Bill & Direct Bill

Cancellation requested by the Insured or the premium finance company under power of attorney must be made in writing in a format suitable to the Servicing Carrier.

Facility Association shall accept faxed signed and dated cancellation requests.

The return premium shall be calculated as follows:

For POL 6 (Non-Owned Automobile Policy) being placed in the voluntary market, calculate on a pro rata basis using the Day Table subject to any applicable minimum retained premium

For POL 6 (Non-Owned Automobile Policy) not being placed in the voluntary market use Short Term Table No. 1 or No. 2 subject to any applicable minimum retained premium.

If the policy is on Broker Bill, the Servicing Carrier shall credit the Agent's/Broker's account with the unearned premium refundable unless the premium is financed through a premium finance company.

2. Cancellation at the request of the Agent/Broker – Broker Bill

When additional premium cannot be collected on original quote

If the Agent/Broker cannot collect the additional premium arising from an increase to the premium originally quoted for new business:

- a) The Agent/Broker must advise the Servicing Carrier of the amount of premium collected and request that a notice of cancellation be issued to the Insured.
- or**
- b) The Agent/Broker must have the policy signed off. Facility Association shall accept faxed signed cancellation requests.

If the Agent/Broker reports non-payment of the additional premium within 30 days of receiving notice of those increases, the earned premium for cancellation shall be calculated pro rata on the Agent's/Broker's originally quoted premium. Otherwise, the earned premium shall be calculated pro rata on the revised premium. If a subsequent application is submitted by the same Agent/Broker to the same Servicing Carrier for substantially the same risk within 30 days of the effective date of cancellation of the first policy and, the Agent/Broker reports non-payment of additional premium, the earned premium shall be calculated pro rata on the revised premium.

Note: For policies for which premium is paid directly to the Servicing Carrier and the Carrier initiates cancellation the words 'Agent/Broker' will be read to mean Servicing Carrier.

When outstanding premium cannot be collected in all other cases

Agent/Broker Responsibilities

If cancellation of a policy is requested by the Agent/Broker due to inability to collect the full policy/renewal premium or a subsequent additional premium, the Agent/Broker will be responsible for the time on risk charge which will be pro rata of the full premium

The Agent/Broker must advise the Servicing Carrier of the amount of premium collected and request that a notice of cancellation be issued to the Insured.

Servicing Carrier Responsibilities

The Servicing Carrier shall promptly issue a registered notice of cancellation in accordance with the Statutory Conditions. The earned premium for cancellation shall be calculated pro rata on the full term premium at the time of cancellation.

When the Servicing Carrier issues a registered letter of cancellation, any unearned premium shall be refunded directly to the Insured (unless the policy is financed through a premium finance company) and the Agent's/Broker's account shall be debited for the amount of the refund and credited for the unearned premium.

3. Cancellation of Late Issued Renewals

If the Servicing Carrier is unable to issue renewals in the required time period, the Agent/Broker must collect a downpayment based on the estimated annual premium (or the estimated semi-annual premium for 6 month policies) for the upcoming renewal term.

Once the renewal is issued, if the Insured does not accept the renewal premium, the Agent/Broker shall advise the Servicing Carrier of the amount of premium collected and request that notice of cancellation be issued to the Insured **or** shall have the insured sign off the policy.

The Servicing Carrier shall then issue a registered letter of cancellation in accordance with the Statutory Conditions or issue the necessary cancellation documents. The earned premium shall be calculated pro rata based on the previous term premium.

4. Flat Cancellation

New Policy

Flat cancellation of a new policy is not allowed except as provided under Rule 817: Flat Cancellation Exceptions.

Additional Premium Policy Change

Flat cancellation of an additional premium policy change is not allowed.

Renewal

If evidence of renewal refusal is supplied by the Agent/Broker (per Rule 816) is received by the Servicing Carrier within 15 days of the renewal's effective date, a full refund shall be credited to the Agent's/Broker's Facility Association account. If evidence of renewal refusal is not received within 15 days, the renewal shall be cancelled on a pro rata basis effective the date it is received by the Servicing Carrier and the Agent/Broker shall be responsible for earned premium. A written request acceptable to the Servicing Carrier, for cancellation effective renewal date shall be accepted in lieu of evidence of renewal refusal.

5. Cancellation of Renewals in Outlying Areas

– No longer applicable

6. Flat Cancellation Exceptions

1. Any policy returned to the Servicing Carrier complete with liability cards, prior to the effective date of the policy, may be cancelled flat.
2. Any policy returned to the Agent/Broker complete with liability cards and destroyed in the Agent/Broker's office, with written confirmation from the Agent/Broker provided to the Servicing

Carrier, prior to the effective date of the policy, may be cancelled flat.

3. If a cheque or electronic payment received for a new policy or renewal premium or, for the first installment thereof is not honoured by the financial institution, flat cancellation shall be allowed to the Agent/Broker provided that:
 - a) The cheque was dated and issued on or before the effective date of the policy period concerned or the electronic payment was made on or before the effective date of the policy period concerned; and
 - b) The cheque was immediately deposited; and
 - c) In the case of a first installment, the amount of the cheque or electronic payment was sufficient to meet the Servicing Carrier's requirement or if financed under a contract with a premium finance company the full down payment required under the terms of the contract; and
 - d) The return of the cheque by the financial institution or dishonour of the electronic payment is promptly reported to the Servicing Carrier. A copy of the cheque (front and back) or copy of the dishonour notice must be provided to the Servicing Carrier.

However, on the registered letter of cancellation to the insured, the Servicing Carrier shall request payment of the full pro rata time on risk charge.

7. Cancellation initiated by the Servicing Carrier

Non-Payment – Direct Bill

If premiums are paid directly to the Servicing Carrier, the Servicing Carrier may cancel an insurance policy for non-payment of premium. The earned premium shall be calculated pro rata.

Other Circumstances

The Servicing Carrier may not otherwise cancel an insurance policy unless approval of such action is contained elsewhere in this manual or is obtained in the manner prescribed by the Association's Board of Directors.

D. Refund Calculation

1. Insured's Request

For a policy cancellation requested by or on behalf of the insured (e.g. requested by a premium finance company) the premium refund shall be calculated in accordance with the Short Term Tables, unless a pro rata cancellation is being allowed because the risk is being placed in the voluntary market.

2. Any Other Reason

Where the policy is being cancelled for any other reason (e.g. by registered letter) the premium refund shall be calculated on a pro rata basis using the Day Table.

Rule 818: Time on Risk Tables

A. Pro Rata

Calculation for Endorsements & Cancellations

Using the Day Table on the next page:

1. Determine the factor that corresponds to the policy's expiry month and day. For example March 26 is .233. Express the policy's expiry date in a decimal format by combining the year and the factor. March 26, 1999 would become 1999.233.
2. Determine the factor that corresponds to the effective date of the policy change or cancellation and express that date in a decimal format. If the effective date of policy change is November 20, 1998 that would be expressed as 1998.888. Note that if the effective date of change or cancellation is February 29, it should be treated as February 28.
3. Subtract the second number from the first.
Policy expiry date 1999.233
Policy change date 1998.888
Refund/change factor .345
4. Where the policy is a six month policy, double the refund/change factor.
5. For a policy cancellation, the refund is calculated by multiplying the policy premium as of the cancellation date by the refund/change factor. The policy premium is the full term premium for the coverage in force at the time of cancellation. Minimum retained premium must be taken into consideration.
6. For a policy change, the additional/return premium is obtained by multiplying the full term premium for the change by the refund/change factor.

B. Pro Rata Day Table

January			February			March			April			May			June		
Day of month	Factor	Day of year	Day of month	Factor	Day of year	Day of month	Factor	Day of year	Day of month	Factor	Day of year	Day of month	Factor	Day of year	Day of month	Factor	Day of year

C. Short Term Tables

For a policy cancellation, use Short Term Table No. 1 or No. 2. For a short term policy, use Short Term Table No. 1.

Cancellation requested by or on behalf of Insured

1. Referring to the Day Table calculate the number of days the policy has been in force.
2. Referring to Table No. 1 (in the case of an annual policy) or Table No. 2 (in the case of a six month policy), determine the 'percentage of premium'.
3. Subtract that percentage from 100% to determine the 'refund percentage'.
4. Apply the refund percentage to the full term policy premium as at the cancellation date. Minimum retained premium must be taken into consideration.

Calculating premium for a Short Term policy:

1. Referring to the Day Table, calculate the number of days the policy has been in force.
2. Referring to Table No. 1, determine the 'percentage of premium'.
3. Apply that percentage to the annual premium. Minimum retained premium must be taken into consideration.

SHORT TERM TABLE No. 1				SHORT TERM TABLE No. 2			
ANNUAL POLICIES				SIX MONTH POLICIES			
Days in force	% of Premium	Days in force	% of Premium	Days in force	% of Premium	Days in force	% of Premium
1-3	8	181-184	55	1	15	87-88	58

Rule 819: Reinstatements

A. A policy may only be reinstated if:

- a) The Servicing Carrier receives instructions not later than **the day before** the cancellation takes effect. This includes instructions from a premium finance company. Where the Agent/Broker has not forwarded payments to a premium finance company, the policy cannot be reinstated. Cancellation takes effect at 12:01 a.m. *For example:* If the policy is to be cancelled effective July 1, the request for reinstatement must be received by the Servicing Carrier before midnight June 30. If the cancellation has taken effect, the policy cannot be reinstated and a new application must be completed. Any unpaid earned premium under the policy due to the Servicing Carrier must be paid with the new application.
- b) The policy was cancelled for non-payment, and the full required premium is received (by cash, money order or certified cheque from the insured) or there is written confirmation from the Agent/Broker assuming full responsibility for that premium. Where a refund cheque accompanied the registered letter, the amount of the refund cheque must also be obtained from the insured (by cash, money order or certified cheque) or the Agent/Broker shall assume full responsibility for that amount.

B. When a policy is reinstated

When a policy is reinstated, the Servicing Carrier shall issue a notice of reinstatement.

Rule 820: Commission Schedule

The commission rate is:

Non-Owned Automobile Policy Class 91	10%
--------------------------------------	-----

Rule 821: Not applicable

Rule 822: Endorsements Applicable to POL 6 (Non-Owned Automobile Policy)

Notes:

1. No endorsements, no special wordings and no changes to standard forms are permissible except as approved by or on behalf of the Superintendent(s) of Insurance.
2. This rule provides certain details of approved endorsement forms. The descriptions are necessarily very brief and reference must be made to the actual wordings of the endorsements to ascertain the full provisions and restrictions.
3. In certain cases a copy of the endorsement must be signed by the Applicant and filed with the Servicing Carrier. The insurance will not be continued or the policy will be re-rated, if this requirement is not met.

Liability or (TPL) means B.I. and P.D. Tort;

Physical Damage means Optional Coverages – Loss or Damage (All Perils, Collision, Comprehensive, Specified Perils)

	Standard Endorsement Form Number, Title and Purpose	Rating
90	Limitation to Operation of Automobiles by Partners Officers and Employees (for attachment only to a Non-owned Policy S.P.F. No. 6) Used when the insurance is to apply only to automobiles driven by partners, officers and employees (i.e. no agents and no 'hired automobiles' or automobiles operated under contract). The classes concerned (A1/A2/B) are to be specified in the endorsement.	No charge
91	Limitation to Operation of Automobiles by Named Persons (for attachment only to a Non-owned Policy S.P.F. No. 6) Used when the insurance is to apply only to automobiles driven by the persons whose names, occupations and locations are specified in the endorsement.	No charge
92	Limitation to Hired Automobiles and Automobiles Operated Under Contract (for attachment only to a Non-owned Policy S.P.F. No. 6) Used when the insurance is to apply only to 'hired automobiles' and/or automobiles operated under contract.	No charge
93	Limitation to Automobiles Owned by Named Persons (for attachment only to a Non-owned Policy S.P.F. No. 6) Used when the insurance is to apply only to the operation of automobiles owned by the persons, firms or corporations whose names and addresses are specified in the endorsement.	No charge
94	Legal Liability for Damage to Hired Automobiles (For Attachment Only to a Non-owned Policy S.P.F. No. 6) Used when the insurance is to be extended to cover the Insured's legal liability for damage to hired automobiles arising from Collision and/or Comprehensive / Specified Perils. See Rule 811: Rating.	Refer to additional rules within the manual for further information.

95	Limitation to Business Conducted at Specified Locations (for attachment only to a Non-owned Policy S.P.F. No. 6) Used when the insurance is to apply only to the use of automobiles in connection with the Insured's specified business locations.	No charge
96	Contractual Liability (For Attachment Only to a Non-owned Policy S.P.F. No. 6) Used when the policy's exclusion of liability assumed under any contract or agreement is to be deleted in respect of specified contracts; the dates of the contracts and the names of the contracting parties to be specified.	Refer to additional rules within the manual for further information.
97	Operation by Individual Named Insured (for attachment only to a Non-owned Policy S.P.F. No. 6) Used if the named Insured is an individual and coverage is to be provided in respect of the operation by the Insured, in the business of the Insured, of a non-owned automobile to which the insurance relates. The endorsement also extends the coverage provided by END 94.	If the endorsement is required, it is necessary for full details of the risk to be submitted to the Servicing Carrier so that the appropriate premium(s) may be assessed.
98	Excluding Automobiles Personally Driven by Named Person(s) (For Attachment Only to a Non-owned Policy S.P.F. No. 6) Used when it is required to exclude coverage in respect of automobiles driven by specific named persons.	No charge
99	Excluding Long Term Leased Vehicle (For Attachment Only to a Non-owned Policy S.P.F. No. 6) Applicable to insurance in respect of hired automobiles and must be used when the automobiles are hired without drivers. The insurance is provided in respect of non-owned automobiles, that are hired or leased with drivers or that are hired or leased <i>without</i> drivers for periods not exceeding 30 days. Refer to additional rules within the manual for further information	No charge
100	Alteration (endorsement changing or correcting statement(s) in the application or changing the rating classification) Used by the Servicing Carrier to record a change of the information provided on the application form and the change (if any) of the policy premium.	No charge
