---

On behalf of the Board of Directors of Facility Association, I am pleased to announce the appointment of Saskia Matheson to the position of President and CEO, replacing David Simpson who is retiring after over 17 years in the role.

Ms. Matheson brings over 30 years of experience in the Canadian property and casualty industry, where she has held numerous company positions. Most recently, Ms. Matheson lead the Canadian arm of Esurance, a subsidiary of Allstate, through the company's formation and launch.

Saskia Matheson began her insurance career as a member of the Ontario government's Osborne Inquiry into Motor Vehicle Accident Compensation. She then progressed through successively senior roles at Facility Association, Zurich Insurance Canada, Royal Sun Alliance, and Allstate Canada, and has served on numerous industry and government working groups.

Ms. Matheson holds a B.A. (Hons.) in Economics from Queen's University. She lives in Toronto with her husband and two daughters.

Ms. Matheson will assume her new role on February 11, 2019. To ensure a smooth leadership transition, Mr. Simpson will remain President and CEO until that time.
