The conviction record of all persons who are regular or frequent drivers of the vehicle shall be reviewed to establish which conviction record develops the highest surcharge percentage in accordance with the surcharge schedule for convictions and/or the lowest driving record. That conviction record shall be used to determine the applicable driving record and calculate the conviction surcharge.

**b) More than one vehicle and more than one driver**

Each driver shall be allocated to the vehicle he/she drives most and that driver’s conviction record shall be considered in relation only to that vehicle.

**c) One driver and more than one vehicle**

The driver’s conviction record shall be applied to the vehicle that produces the highest combined Liability, Accident Benefits, Uninsured Automobile, DCPD and Collision premium prior to the application of any accident or conviction surcharges.

**C. Accident/Conviction Surcharge Table**

**Maximum surcharge to be applied for accidents, serious, major, minor and fraud convictions is 250%.**

**Events in the preceding Surcharge  
 36 months**

Ontario 1 October 2022

**Chargeable Accidents:**

1	0%
2	20%
3	30%
Each additional	15%

**Major Convictions**

1	25%
Each additional	25%

**Minor Convictions**

1	0%
2	5%
3	15%
4	25%
Each additional	15%

**Serious Convictions**

1	100%
Each additional	100%
Each Fraud – years from date of conviction	
First 3 years	100%
From 4 <sup>th</sup> to 10 <sup>th</sup> year	50%

**D. Conviction Definitions**

**a. Major**

Convictions for any of the following offences under any Act governing highway traffic or under the Compulsory Automobile Insurance Act (CAIA) or for any offence substantially the same committed within or outside Canada:

- Fail to report damage to highway property
- Failing to report an accident
- Failing, in the event of an accident, to give name and licence number to the police or any other person entitled to such information
- Fail to obey school crossing stop sign
- Improper passing of a school bus
- Improper passing/speeding in a school or playground zone
- Produce false evidence CAIA
- False statement re insurance MVACA
- Produced false insurance MVACA
- Make false statement CAIA
- Using a hand held wireless communication/entertainment device

**Ontario Graduated Licence**

- Permit novice drive in contravention of cond/rest
- Class G1 accompanying driver fails or refuses to provide a breath or blood test
- Class G1 accompanying driver has excess blood alcohol
- Class G1 driver unaccompanied by a qualified driver
- Class G1 drive with front seat passenger
- Class G1/G2 drive with excess passengers
- Class G1 drive on prohibited highway
- Class G1/M1 drive at unlawful hour
- Class M1 drive motorcycle with passenger
- Class M1 drive motorcycle on prohibited highway

**b. Minor**

The list of minor convictions is not all inclusive and other moving violations, including new offences under an Act governing highway traffic, may be considered Minor, whether committed within or outside Canada, if not specifically named in the Major or Serious list, including, but not limited to:

- Fail or refuse to surrender licence CAIA
- Fail to produce evidence of insurance CAIA
- Fail to carry insurance card CAIA
- Fail to carry evidence of insurance CAIA
- Fail to have insurance card CAIA
- Fail to disclose particulars CAIA
- Fail to notify police
- Fail to make written report
- Backing up - unsafe/illegal/improper - any type
- Brakes - none/inadequate/improper - any type
- Crowding driver's seat
- Door opening - illegal/obstructing traffic - any type
- Emergency vehicle - operating with no regard for safety
- Driving off roadway (including shoulder/sidewalk/median) - any type
- Flagman - disobeying
- Following too closely (including tailgating)
- Headlights/parking lights - improper/lack of use - any type
- Lack of control of vehicle - any type
- Motor-assisted bicycle - carrying passengers
- Motorcycle - operating with only an instruction permit
- Motorcycle - failure to wear helmet
- Passing infraction - any type except school bus or school/playground zone
- Pedestrian crossing violation - any type
- Radar warning device in motor vehicle - if illegal in province
- Railway crossing - any type
- Safety zone violation - any type
- Seatbelt – any offence
- Signalling offences - any type
- Slow driving - endangering others - any type
- Smokescreen device on vehicle
- Speeding - any type, except when listed as major or serious
- Squealing tires
- Stopping - illegal/improper - any type
- Tires - defective/worn - any type
- Towing - prohibited/unsafe - any type
- Traffic signals/regulating lights - any type
- Traffic signs - disobeying any legal sign except parking regulations
- Trailer - improper attachments/improper towing
- Turns - illegal/improper - any type
- Unlicensed driver - any type including improper licence class
- Unsafe move
- Unsafe vehicle - any type
- Wrong side of road/wrong way - any type
- Yield, failing to - any type including failing to yield to a public bus

**Note:** This is a generic list and will not, in all cases, match the exact wording printed on the driver record abstract.

**c. Serious**

Convictions for any of the following offences under the Criminal Code of Canada or under an Act governing highway traffic or under any other Act or for any offence substantially the same whether committed within or outside Canada or any conviction which appears on a driver record abstract identified as a Criminal Code conviction:

- Speeding 50 kph or more over the speed limit
- Driving without insurance
- Operate motor vehicle – no insurance CAIA
- Criminal negligence committed in the operation or use of a motor vehicle
- Manslaughter committed in the operation or use of a motor vehicle
- Driving while licence under suspension
- Racing
- Careless driving
- Driving without due care and attention
- Driving without an interlock device where its installation is a requirement for licence reinstatement
- Dangerous driving
- Impaired driving
- Driver under 22 years of age with alcohol in blood
- Failure or refusal to submit to a breath or blood test
- Failure to stop/remain at the scene of an accident
- Failure to pass a breath or blood test
- Class G1/G2/M1/M2 fail/refuse breath sample
- Class G1/G2/M1/M2 drive with alcohol in blood
- Failure to stop on request of or obey directions of a police officer
- Stunting
- Driver in the alcohol ignition interlock device programme operating a vehicle not so equipped

**Note:** If convictions for impaired driving and failure or refusal to take a breath or blood test relate to the same occurrence, they will be considered as one conviction.

**Fraud**

Where the Insured or any person who is a regular or frequent operator of the vehicle has been found by a court of competent jurisdiction in either criminal or civil proceedings to have committed a fraud in any way connected to automobile insurance during the 120 months immediately preceding the commencement of the period of insurance.

**Note:** If there is more than one vehicle on the policy, the surcharge will apply to the vehicle principally driven by the person who committed the fraud. If the person who committed the fraud is the Applicant but not a driver of any vehicle on the policy or is a driver but not the principal driver of any vehicle on the policy, the surcharge will be applied to the highest rated vehicle on the policy.

## Rule 227: Proof of Insurance Where Notice of Cancellation or Deletion is Required

1. The Agent/Broker is authorized to issue proof of insurance on behalf of the Servicing Carrier in the form of the Servicing Carrier's standard certificate or a CSIO-approved Certificate of Insurance, with a notice of cancellation period not exceeding 15 days.
  - a) If a notice of cancellation period exceeding 15 days is required, the Agent/Broker it to obtain approval from the Servicing Carrier prior to certificate issuance.
  - b) Certificates must be issued only on a Described Automobiles basis. Should proof be required on a Blanket Basis, refer to item #4 below.
  - c) Copies of all certificates issued by the Agent/Broker shall be submitted to the Servicing Carrier within one (1) business day for acceptance and documentation.
  - d) The Servicing Carrier is ultimately responsible for ensuring that all proof of insurance issued by the Agent/Broker is acceptable and reflects the limits of the policy. The Servicing Carrier will promptly reissue any certificate originally issued by the Agent/Broker, where indicated coverage differs from the policy or where the notice of cancellation period was not previously approved by Underwriting.
2. The Servicing Carrier is responsible for the completion of any non-standard certificates (i.e. certificates that are to be completed on a non-CSIO approved form), Out of Province, U.S. or Other filings.
  - a) The Agent/Broker must specify to the Servicing Carrier if proof of insurance (e.g. a financial responsibility certificate) must be issued or filed with a Local, Provincial, Federal or U.S. authority.
  - b) Where vehicles are operated in the U.S., Agents/Brokers must confirm with Insured's if proof of insurance is to be filed and, if so, in what amount.
3. If proof of insurance is issued by the Servicing Carrier, a copy must be supplied to the Agent/Broker for their records.
4. Proof of Insurance must only be issued on a 'Described Automobile' basis. Proof may not be issued or filed on a 'Blanket Basis' (i.e. without specifying the insured vehicles), only if the authority concerned permits no alternative. In that case, the Facility Association's form of 'Indemnification and Hold Harmless Agreement' must be fully completed and include the signatures of the Applicant and a witness. The completed form is to be kept on file with the Servicing Carrier.
5. Parties requiring proof cannot be added as additional named Insureds on the policy. The certificate showing proof of insurance guarantees to the Party that the vehicle is insured. This is the full extent of the guarantee.

6. Should the Servicing Carrier have any concern with the coverages or limits being guaranteed when asked to use a certificate prescribed by the organization or authority with whom the certificate is being filed, the Servicing Carrier should contact Facility Association Head Office.

### A. Financial Responsibility Certificate

A temporary liability card may be issued for an Applicant who requires the filing of a financial responsibility certificate before he/she may be licensed to drive, provided a fully completed and signed application is submitted for the Applicant at the time the temporary liability card is issued. Details of the licence subsequently obtained must be reported promptly to the Servicing Carrier.

### B. Renewal or Offer to Renew

If a renewal or offer to renew is issued where proof of insurance has been issued or filed and the renewal is not required, the Servicing Carrier must be notified in sufficient time to file a notice of cancellation in accordance with the applicable authority's requirements. Otherwise the Agent/Broker/Insured shall be responsible for time on risk charges.

### C. Policy Cancellation or Vehicle Deletion

#### 1. Registered Letter

Where proof of insurance has been issued or filed and the policy is to be cancelled, the cancellation of coverages to which the proof of insurance relates shall be processed in accordance with the Statutory Conditions.

**The notice of cancellation for the authority concerned must be issued on the same day as the notice of cancellation to the Insured; however, as a result of the authority's requirements, the effective date of cancellation may be different.**

*For example:* The registered letter of cancellation for the policy is issued on June 1 for both the Insured and the provincial authority. For the Insured, cancellation shall take effect 15 days from the date the registered letter is received at the post office to which it was addressed. Let's say June 19. The provincial authority requires 30 days notice of cancellation. The effective date of cancellation for the authority shall be June 30. If the Insured had a Comprehensive loss on June 25, the policy would not respond. If however, the Insured had a Liability loss on June 25, the policy may have to respond as the proof of insurance provides that Liability coverage is in effect until cancelled on June 30.

#### 2. Insured's Request

Where proof of insurance has been issued or filed, and the vehicle is to be deleted from the policy or the policy is to be cancelled, the cancellation of coverages to which the proof of insurance relates shall be processed after taking into consideration the period of notice required by the authority.

**The effective date of cancellation or deletion shall be the same for both the Insured and the authority concerned.**

*For example:* The Insured requests cancellation of the policy to be effective June 1. The provincial authority requires 30 days notice of cancellation. The notice to the provincial authority is sent on June 5. The effective date of cancellation for the Insured will be July 5.

**D. Filing Liability Limits**

The filing should always be made for the limit required by law even if the policy actually shows a higher limit.

Where a vehicle requires filings in multiple jurisdictions, the filing should be made showing only the limits required in that jurisdiction. The policy should be written with the lowest limits necessary to meet all requirements.

*For example:* In one jurisdiction a filing for a vehicle requires a limit of \$1,000,000. A filing for a \$5,000,000 limit is also required in another jurisdiction for the same vehicle. The policy must be issued with a \$5,000,000 limit. One filing should be made showing the limit of \$1,000,000. The other filing should be made showing the \$5,000,000 limit.

Where a filing is to be made for a leased vehicle, the filing should be made in the name of the lessee only.

**E. Processing Fees for Filings**

Please contact your Servicing Carrier for a schedule of fees which will be charged on a 100% cost recovery basis.

**Any charge required by the authority concerned shall be in addition to, and separate from, the processing fees.**

**Rule 228: Outside Province Exposure**

Any commercial vehicle that is operated in the U.S. is subject to the U.S. exposure surcharge.

Any interurban vehicle that is operated in the U.S., or another Canadian jurisdiction, is subject to a surcharge (or discount).

The surcharge does not apply where the vehicle is used for personal use only and proof of insurance is not required.

Refer to Rule 200.D for a list of Supplementary Underwriting documents that may be required on vehicles traveling outside of the jurisdiction of registration, including into the U.S.

If the Named Insured(s) has no prior insurance, refer to Rule 204.G: No Prior Insurance with Out-of-Province including U.S. Exposure

**A. U.S. Exposure Surcharge (excluding Interurban Vehicles)**

*For Interurban Vehicles (Class 61, 62,63,64, 99), refer to Rule 228.C to determine the applicable surcharges.*

The percentage of U.S. Exposure will be determined based on the International Fuel Tax Agreement (IFTA) assessment reports from the last four (4) quarters immediately preceding the effective date of the policy or endorsement.

If the Named Insured does not participate in IFTA, please contact your Servicing Carrier for the documents required to confirm the percentage of U.S. exposure.

If this exposure is 5.0% or less of total mileage, a 5% surcharge will apply to Liability, Accident Benefits, Uninsured Automobile, DCPD and END 44R.

**NOTE:** Where vehicles are operated in the U.S., Insureds must be asked whether or not proof of insurance must be filed and, if so, in what amount. If eligible, U.S. Filings will be completed using the minimum FMCSA required limit based on the type of carriage, commodity transported and State required.

**Liability, Accident Benefits, Uninsured Automobile, DCPD, END 44R**

For each percentage point of total mileage in the U.S., surcharge 1.5% of the applicable premium.

*For example:*

U.S. Exposure	Applicable Surcharge
Up to 5%	5%
10%	15%
25%	37.5%
50%	75%

**Optional Physical Damage**

For each percentage point of total mileage in the U.S., surcharge .75% of the applicable premium.

*For example:*

U.S. Exposure	Applicable Surcharge
Up to 5%	0%
8%	6%
10%	7.5%
25%	18.75%
50%	37.5%

**B. Currency Differential Surcharge ( Excluding Interurban Vehicles)**

Whenever proof of insurance is required by U.S. authorities, a currency differential surcharge is added to the Liability premium to provide for the potential additional loss arising from the payment of a claim in U.S. dollars.

The currency differential is the rate of exchange being charged for the U.S. dollar, to the nearest cent, as at the date the premium is calculated by the Servicing Carrier for policy issuance. The Servicing Carrier shall use the Bank of Canada closing rate from the previous published day.

**The surcharge percentage is calculated by means of the following formula:**

**Currency differential x Percentage of U.S. exposure**

For example:

The rate of exchange for the U.S. dollar is 1.3085 Canadian. Therefore, the currency differential is 0.31. The percentage of U.S. exposure is 25%.

**Currency differential surcharge: 0.31 X 25% = 7.75%**

**The currency differential surcharge is:**

1. Applied only to the Liability premium, not DCPD.
2. Not subject to a minimum surcharge
3. This surcharge is additional to but not compounded on the U.S. exposure surcharge.

Example:

The Liability premium is \$1,000

The percentage of U.S. exposure is: 25%  
The Currency Differential surcharge is 7.75%

Base premium	\$1,000
U.S. Exposure (\$1,000 X 0.25)	\$250
Currency Differential (\$1,000 X 0.0775)	\$78
<b>Total Liability premium</b>	<b>\$1,328</b>

4. In addition to the Servicing Carrier’s fee for filing proof of insurance.
5. Payable only when proof of insurance is required by U.S. authorities.
6. The combined dollar value of the Currency Differential Surcharge and the U.S. exposure surcharge is subject to a minimum of \$50 per policy term.

For example: Using the example above, the dollar value of the U.S. exposure surcharge is \$250 and the dollar value of the Currency Differential surcharge is \$78. The total combined dollar value is \$328, well exceeding the minimum required.

**C. Interurban Outside Province Exposure Surcharge (Excluding Commercial Vehicles)**

The percentage of exposure outside the Province, including the U.S., will be determined based on the International Fuel Tax Agreement (IFTA) assessment reports from the last four (4) quarters immediately preceding the effective date of the policy or endorsement.

If the Named Insured does not participate in IFTA, please contact your Servicing Carrier for the documents required to confirm the percentage of exposure outside the Province, including U.S. exposure.

**NOTE:** Where vehicles are operated in the U.S., Insureds must be asked whether or not proof of insurance must be filed and, if so, in what amount. If eligible, U.S. Filings will be completed using the minimum FMCSA required limit based on the type of carriage, commodity transported and State required.

The surcharge (or discount) applicable to Interurban Vehicles (Class 61, 62, 63, 64 and 99) traveling outside of the jurisdiction of registration is based on the total mileage reported in Canada and the U.S., and shall be calculated as follows.

**Step 1: Determine the Canadian Out of Province Exposure.**

The Canadian Out of Province exposure is determined by how often the vehicle travels outside the jurisdiction of registration within Canada.

**a) If Canadian Out of Province Exposure (Operating outside Ontario) is 50% or less:**

Where an Interurban vehicle is registered in Ontario and reports 50% or less of its total Canadian mileage traveling outside Ontario, no additional surcharge is applicable.

**b) If Canadian Out of Province Exposure (Operating outside Ontario) is over 50%:**

Any Interurban vehicle registered in Ontario that reports more than 50% of its total mileage outside Ontario, is subject to the discount outlined below.

To determine the discount amount, select the Region where the majority of the exposure is incurred from the table below.

Region	Applicable Surcharge/Discount
<b>Eastern Canada</b>	-75%
<i>‘Eastern Canada’ includes travel to Newfoundland &amp; Labrador, New Brunswick, Nova Scotia, Prince Edward Island and Quebec</i>	
<b>Western Canada</b>	-70%
<i>‘Western Canada’ includes travel to British Columbia, Alberta, Saskatchewan and Manitoba</i>	
<b>Territories</b>	-80%
<i>‘Territories’ includes travel to the Northwest Territories, Nunavut and the Yukon Territories</i>	

Example: A vehicle registered in Ontario travels 70% of the time in New Brunswick, 10% in Quebec and 20% in Ontario. As the vehicle has accumulated over 50% of the Canadian mileage in the Atlantic Provinces and Quebec, a 75% discount applies.

If the vehicle travels across multiple Regions, where no clear majority exists, select the Region that generates the lowest discount.

*Example:* A vehicle registered in Ontario travels 30% within Ontario, 30% in Atlantic Provinces and Quebec, 30% in Western Canada and 10% into the U.S. As the vehicle has equal exposure in Atlantic (including Quebec) and Western Canada, a 70% discount applies, as the discount amount is the lesser of the options available. The surcharge applicable to the U.S. exposure would be determined based on Step 2 below.

**Step 2: Determine U.S. Exposure**

Based on the total reported mileage (Canada and the U.S.), surcharge 1% per percentage (%) of exposure into the U.S.

*For example:*

U.S. Exposure	Applicable U.S. Surcharge
5%	5%
10%	10%
25%	25%
50%	50%

**Step 3: Determine the Total Outside Province Exposure Surcharge (or discount) applicable to the Interurban Vehicle**

The total surcharge (or discount) applicable is determined by totaling the surcharge amounts calculated under Step 1 and Step 2.

The total surcharge (or discount) is applicable to **Liability (BI and PD) and DCPD premiums.**

Example:

Step 1: Canadian Out of Province Discount = -70%  
 Step 2: U.S. Exposure Surcharge = 10%  
 Total Out of Province Exposure Adjustment -60%

In the above example, a 60% discount would apply to Liability (BI and PD) and DCPD Premiums.

**Rule 229: Claims**

Every accident, loss or claim that comes to the knowledge of the Agent/Broker in regard to his/her Facility Association policies must immediately be reported in the manner prescribed by the Servicing Carrier.

**Collision with Animals**

Losses involving Collision with animals, both wild and domestic, shall be paid under Comprehensive coverage. If the policy does not afford Comprehensive coverage but does provide Collision coverage, the loss shall be paid under Collision coverage and be regarded as not at fault.

**Rule 230: Not applicable**

**Rule 231: Suspension and Reinstatement of Coverages – END16/17**

Liability, Accident Benefits, Uninsured Automobile, DCPD and Collision as they relate to the use and operation of the described vehicles, new vehicles or temporary substitute vehicles may be suspended by means of END 16. This endorsement leaves in place Comprehensive or Specified Perils coverage if present on the policy as well as the coverages mentioned above as they relate to the ownership of the vehicle. This means that END 16 does not suspend coverages related to ‘drive other vehicles’; while a pedestrian; or the DCPD coverage while the vehicle is in storage. This endorsement is available on private passenger and commercial vehicles. Coverage is reinstated by means of END 17. No refund is allowed in respect of Comprehensive and Specified Perils.

**END16/17 is not available for the following:**

1. Vehicles for which proof of insurance is issued or filed.
2. Experience rated risks
3. Recreational vehicles rated in the Recreational Vehicles Section
4. Vehicles that were never intended to be driven
5. Vehicles held for sale whether or not on an auto dealer’s lot

**Rating**

1. If there are two or more vehicles insured through FA by the same Servicing Carrier, and one of the vehicles retains moving coverages, refund:
  - 90% of Liability
  - 100% of Accident Benefits, Uninsured Automobile
  - 90% of DCPD
  - 100% of Collision (if present)
2. If there is only one vehicle insured through FA by the same Servicing Carrier, refund:
  - 90% of Liability
  - 75% of Accident Benefits, Uninsured Automobile
  - 90% of DCPD
  - 100% of Collision (if present)

Determine the pro rata premium for the above coverages for the remainder of the term, and then refund the above percentage of that amount. When coverage is reinstated, the additional premium is the pro rata premium for these coverages for the remainder of the term. In no event shall a refund be granted for any suspension period of less than forty-five (45) consecutive days.

## Rule 232: Suspension of Operator's Licence

The following provisions apply in the event of the suspension, cancellation or lapse of an operator's licence. These provisions apply whether END 28A (Excluded Driver) is being added to the policy at the request of the Insured or by the Servicing Carrier because of the above mentioned circumstances.

### A. If there is no other driver of the vehicle

1. An application for insurance of the vehicle shall be declined by the Agent/Broker.
2. If the situation is discovered after the policy has been issued, the Servicing Carrier shall cancel the policy by registered letter in accordance with the applicable regulation.
3. The time on risk charge for the period to expiration of the notice of termination will be pro rata of the premium applicable to the risk as submitted.
4. If the situation is discovered as a result of enquiries prior to the renewal date, the Servicing Carrier shall issue a notice of nonrenewal.

**Note:** Where the Insured's licence is suspended, the Insured shall be permitted to place the vehicle in storage and suspend or remove moving coverages. See Rule 201: Minimum Coverage.

### B. If there is another licensed driver of the vehicle

(It is assumed that the person concerned will not drive without a valid licence.)

1. The Servicing Carrier shall issue END 28A (Excluded Driver) restricting coverage to minimum statutory Accident Benefits and excluding optional physical damage coverage, where provided, for that person.
2. If that person being a driver affected the rating of the insurance, the insurance will be re-rated to remove that person as a driver and any accidents involving that driver prior to being excluded will not be taken into account in rating. If the driver has a 'driving while suspended' conviction, all accidents and convictions will be taken into consideration for the rating and the END 28A (Excluded Driver) will be deleted.

### C. Unsigned END 28A (Excluded Driver)

If END 28A (Excluded Driver) is not signed, END 28A shall be deleted and the policy shall be re-rated as though there was no END 28A.

## Rule 233: 'Home-Made' Vehicles/ Reconstruction/Imported Right Hand Drive/Imported Vehicles

The following provisions apply to right hand drive, imported vehicles and any vehicle that has been constructed, reconstructed or restored other than by a recognized manufacturer of such a vehicle.

Where appropriate, this rule does not apply to vehicles with a manufacturer assigned VIN and a status of 'rebuilt' which are to be rated using CLEAR rate groups.

### A. Liability, Accident Benefits and DCPD

No coverages are permissible until the following are provided to the Servicing Carrier:

1. A valid vehicle registration and, at the Servicing Carrier's discretion, a certificate of roadworthiness or mechanical fitness acceptable to the Servicing Carrier and
2. For vehicles valued \$15,000 or more, an appraisal acceptable to the Servicing Carrier at the Applicant's expense to enable the proper rating group to be determined. Vehicles valued under \$15,000 are rated based on value provided by the Insured.
3. For private passenger vehicles, rate group 34 is to be used for Accident Benefits where vehicles are rated by value.

These certificates must accompany the application to the Servicing Carrier.

### B. Optional Physical Damage Coverage

1. No optional physical damage coverage (for any value) will be available for:
  - a) 'Home-made' / reconstruction vehicles until the construction, reconstruction, restoration has been completed and the mechanical fitness and value of the vehicles have been substantiated by a certificate from an independent appraiser or a recognized authority on such matters, acceptable to the Servicing Carrier.
  - b) Imported right hand drive and imported vehicles until value of the vehicle has been substantiated by a certificate from an independent appraiser or a recognized authority on such matters, acceptable to the Servicing Carrier.
2. The premium is based on the appraised amount.
3. The insurance shall be subject to END 19 (Limiting the Amount Paid for Loss or Damage Coverages) which must be attached to the policy and a copy signed by the Insured. END 19A (Agreed Value of Automobiles) is not available.

## Rule 234: Vehicles Used Outside Jurisdiction of Registration

When a Named Insured takes up permanent residence, or registers the business in another jurisdiction, the Named Insured is required to register the vehicle(s) in the new jurisdiction. The existing policy must be cancelled (pro rata) and new insurance obtained in the new jurisdiction.

Facility Association shall not provide insurance for vehicles that are never operated in the jurisdiction in which they were registered.

When a vehicle is registered in one jurisdiction but garaged or chiefly used in another, the following is to be used as a guide for rating purposes:

1. The vehicle must be insured on a policy from the jurisdiction where it is legally registered, even if the vehicle is chiefly used in another jurisdiction.
2. If it is known in which territory the vehicle is being used and there are FA premiums for that territory, then the appropriate FA premiums for that territory must be used.
3. If the vehicle is being used in the U.S., it must be rated in the territory in which it is registered. Refer to Rule 228: U.S. Exposure Surcharge to determine the surcharges applicable.
4. If the vehicle is used within one region as defined below, it is to be rated as though it is used in the highest rated territory of that region. If the vehicle is used in more than one region of Canada, it is to be rated as if used in the highest rated region.

### Region 1 – Atlantic Provinces

Rate as New Brunswick Territory 3

### Region 2 – Central (Ontario and Quebec)

Rate as Ontario Territory 20

### Region 3 – West and North

Rate as Alberta Territory 4

5. If the vehicle is used in a Canadian jurisdiction for which Facility Association has no rates, the following shall apply:
  - Charge Alberta Territory 4 for British Columbia, Saskatchewan and Manitoba.
  - Charge Ontario Territory 20 for Quebec.

## Rule 235: Purchasing Vehicles in Jurisdiction Where FA Does Not Operate

When an Insured acquires a new vehicle and all vehicles owned by the Insured are covered under a POL 1, coverage is automatically provided for the newly acquired vehicle if the Insurer is notified of the acquisition within 14 days.

When the Insured:

a) acquires a vehicle in the U.S. and brings it to Canada to a jurisdiction in which FA operates,

**or**

b) acquires a vehicle in a jurisdiction in Canada in which FA does not operate;

FA shall if necessary, issue a short term policy to provide coverage while the vehicle is in transit (under a transit authority permit) before it is registered in the jurisdiction of residence. The short term policy shall be provided only for a period of time sufficient to allow the vehicle to be driven from the point of purchase to the residence of the owner. This should correspond to the period of time the transit permit is valid.

When the Insured comes through Customs, the vehicle must be declared and the Insured will be provided with the appropriate forms to complete and submit to the provincial registry so that the vehicle may be registered. A new application can then be submitted for a 6 or 12 month policy if required.

Where an individual or company has a business that includes the purchasing of vehicles in the U.S. or jurisdictions where FA does not operate for shipment back to a Canadian FA jurisdiction for resale, coverage must be provided by means of a garage policy for Automobile Dealers.

### Premium Calculation

The premium is to be calculated in accordance with Short Term tables subject to minimum premium.

Commercial vehicles classified as light are to be rated Class 36. Commercial vehicles classified as heavy are to be rated Class 44. Driving record is 0. 100% U.S. exposure surcharge applies.

The territory to be used is the territory where the Insured resides.

## Rule 236: Short Term Rentals-Unspecified Lessees - Leases of 30 Days or Less and Ride Sharing

### A. Short-Term Rentals-Unspecified Lessees-Leases of 30 days or less – Class 7M

Use POL 1 and END 5C.

Insurance is provided on a specified vehicle/per vehicle basis and use of END 21A/B is not permitted. Use of END 44R is not permitted.

#### Coverages/premiums

##### 1. Liability, DCPD, Optional Physical Damage

Class of Vehicle	Premium
Private passenger	250% of 070 rate
Commercial Vehicles	
- Light Trucks	200% of 43/0 rate
- Heavy Trucks	200% of 45/0 rate
- Tractors/Trailers	175% of 64/0 rate
Private Type Trailers	
- BI	Non-pleasure rate plus \$15
- PD	Non-pleasure rate
- DCPD	Normal rate
- Optional Physical Damage	250% of normal rate
Motor Homes and Vehicles with mounted Camper Unit	
- Liability	250% of 07/0 rate
- DCPD	250% of 07/0 rate
- Optional Physical Damage	250% of normal rate
Motorcycles & Mopeds	250% of Driving Record 0 rate applicable to Age 16
Snow Vehicles	250% of the normal rate
All-Terrain Vehicles	250% of the normal rate
Any other vehicle	Refer to Servicing Carrier

##### 2. Accident Benefits, Uninsured Automobile

Charge the normal rate for the type of vehicle concerned using Driving Record 0.

### B. Ride Sharing – Class 7N

Applicable where a vehicle is used in connection with a vehicle-sharing service, or peer-to-peer rental company.

Use POL 1 and END 5C. Insurance is provided on a specified vehicle/per vehicle basis and use of END 21A/B is not permitted. Use of END 44 is not permitted.

Rate as Short-Term Rental (as outlined in Section A above) and code as Class 7N.

## Rule 237: Long Term Leases-Specified Lessees - Leases Exceeding 30 Days

### A. Application

Each lessee must complete an application form. The name and address of the Applicant/lessee and the name and address of the lessor must be shown where required on the application form.

### B. Policy

Use POL 1 with END 5. The name and address of the lessor and the name and address of the lessee must appear on the policy declaration page.

### C. Rating

The vehicle is rated as if owned by the lessee.

## Rule 238: Driver Training Vehicles

All driver training vehicles shall be rated based on the trainer and that individual's experience. These vehicles shall not be rated for the trainee.

Use POL 1 with END 6D. This endorsement extends the Liability section of the policy to cover the Applicant's liability for student drivers/observers.

### A. Driving Record

Driving record is to be calculated in accordance with the section of the manual that applies to a similar class of vehicle, subject to a maximum of Driving Record 3. Clear record earned on a similar vehicle which was not previously used for driver training shall be applied when determining the driving record for driver training vehicles.

*For example:* The Insured opens a driver training school and uses his own truck as a driver training vehicle. The Insured has no previous experience with driver training and is 5 years accident free. According to the rules in this section, the Insured is entitled to Driving Record 3; therefore, the Insured is entitled to Driving Record 3 on the driver training vehicle. If the Insured had never owned a truck and purchased one to use for driver training, the driving record entitlement would be 0 according to the rules in this Commercial Section.

### B. Vehicle used solely for Driver Training

Calculate the premium as follows, add any applicable accident and conviction surcharges, and then apply the surcharges indicated in the Driver Training Vehicle Surcharge Table:

#### Private passenger vehicles:

Rate as Class 07 (Driving Records 0, 1, 2, 3 only).

#### Commercial vehicles:

Light - Rate as Class 36; Heavy - Rate as Class 44

**Public vehicles (Buses etc):**

Private passenger vehicles - Rate as Class 07  
 Other vehicles - Light: Rate as Class 36; Heavy: Rate as Class 44

**Recreational vehicles:**

Rate at non-pleasure rates

**C. Vehicles used for Driver Training in addition to some other use**

1. Calculate the premium as though the vehicle is used solely for driver training.
2. Calculate the premium as though the vehicle were used solely for the 'other use'. *For example:* If the vehicle is used for retail delivery of auto parts, use Class 43.
3. Add the dollar value of the driver training surcharge calculated in Step 1 below to the premium calculated in Step 2.
4. Compare the premium in Step 1 to the premium calculated through Steps 2 and 3 and use the higher of the two.

*For example:*

**Step 1**

The vehicle is a light commercial vehicle and using Class 43, the total premium is \$700. The Liability premium is \$200. The vehicle is equipped with dual controls so a surcharge of 35% is applied to the Liability premium for a surcharge of \$70. The total policy premium calculated in Step 1 is therefore \$770.

**Step 2**

The driver training use is part time and the Insured also uses the vehicle for retail delivery of auto parts; therefore, a premium of \$1000 is calculated by rating the vehicle as Class 43.

**Step 3**

The premium in Step 2 is \$1000 and we add to that the surcharge premium of \$70 calculated in Step 1.

**Step 4**

Use the higher of the results from Step 1 (\$770) or Step 3 (\$1070).

**D. Driver Training Vehicle Surcharge Table**

**1. Vehicles used only for Secondary School, College or University training courses**

Coverage	Equipped with	
	Dual controls	Other
Liability	35%	135%
Accident Benefits	0%	0%
DCPD	35%	135%
Collision	0%	75%
Other Coverages	0%	0%

**2. Other Vehicles**

Coverage	Equipped with	
	Dual controls	Other
Liability	70%	170%
Accident Benefits	0%	0%
DCPD	70%	170%
Collision	25%	100%
Other Coverages	0%	0%

**Rule 239: Fleets**

**A. Definition**

A fleet is a group of not less than five automobiles:

- that are under common ownership or management
- of which at least five are commercial vehicles, public vehicles or vehicles used for business purposes, and
- of which any that are subject to a lease agreement for a period in excess of 30 days are leased to the same insured person.

Vehicles under "common management" will be considered where the Named Insured has assumed full responsibility for the payment of insurance premiums and agreement is in place between the Named Insured and Vehicle Owner, demonstrating the following:

1. The Named Insured is responsible for the assignment of driver schedules and routes, ensuring compliance with hours of work regulations **and**
2. The Named Insured maintains records of and deems acceptable all drivers who may operate a Vehicle **and**
3. Vehicles and all associated drivers adhere to the vehicle and driver safety standards of the Named Insured, **and**
4. Vehicles and all associated drivers adhere to the Named Insured means and methods of work, including risk management practices, code of conduct, training and service standards, **and**
5. Failure to adhere to any of the above will result in the termination of the agreement between the Named Insured and Vehicle Owner.

A signed "Facility Association Common Management Attestation", signed by the Named Insured and a copy of the common management agreement must accompany all new business applications.

A copy of the common management agreement will be required on subsequent renewals to maintain experience rating. The Servicing Carrier reserves the right to deny experience rating in the event the above criteria are not met, and fails to

otherwise meet other fleet rating criteria outlined under Rule 239.

### B. Fleet Rating

Fleet policies may only be issued on an annual basis. Fleets of 9 or fewer self-propelled vehicles will be individually rated; fleets of 10 or more self-propelled vehicles will be experience (fleet) rated.

Fleets are subject to experience rating as of the commencement date of each policy period. If the fleet is insured through FA by two or more policies issued by one or more Servicing Carriers, the policies must have a common expiry date to facilitate experience rating.

For experience (fleet) rating, the Applicant must have had 120 months of Liability insurance in the past 12 months i.e. 10 vehicles with Liability coverage for the past year, regardless of the number of policies on which those vehicles were insured.

*For example:* If the Insured owned 10 vehicles and leased (on a long term basis) 1 vehicle that were insured for Liability for the past 12 months, the Insured has 132 months of Liability insurance. If the Insured only had 7 vehicles insured for Liability in that period, there would only be 84 months of Liability insurance and the policy would not be experience rated.

The 120 months is established on the basis of vehicles the Insured has owned or leased from others. The Applicant may be required to provide proof of vehicle registration and ownership. Vehicles that are leased for more than 30 days to others are not to be considered unless those vehicles are leased to one lessee and meet the definition of a fleet.

Vehicles that the Insured leases from others must be insured on a separate policy with the same expiry date as the policy for owned vehicles. If the policy for owned vehicles and the policy for the leased vehicles are insured through FA whether or not with the same Servicing Carrier, the policies shall be experience rated. If however, one policy is insured in the voluntary market and the other policy is insured through FA, the FA policy shall only be experience rated if there has been 120 months of liability insurance in the past 12 months for the vehicles insured through FA. If the policy does qualify for experience rating, only the experience on the vehicles insured through FA shall be used to promulgate the rate.

The months of Liability insurance for vehicles whose rates are derived from a Class 07 base and for commercial vehicles rated as private passenger (because of dual use), are included in the 120 month calculation. The months of Liability insurance on personal use recreational vehicles and private passenger vehicles solely used for pleasure (no driving to and from work for the Applicant's business) are not included in the 120 month calculation. However, once it has been established that a risk is to be experience rated, private passenger vehicles other than those rated Class 07 shall be included (with any claims) on the policy and in the experience rating.

Where a new fleet is being submitted to FA consisting of vehicles which are a sub-group of a voluntary market fleet and there is no verification of which claims involved which vehicles, the FA formula shall take into account the claims that occurred on all vehicles. It is the responsibility of the Agent/Broker/Insured to provide the claim history documentation for the vehicles to be insured through FA. Where a vehicle(s) on an existing fleet is being newly insured through FA, the claim history shall follow the vehicle(s).

Experience rating includes the following:

- All losses (At-Fault and Not-at-fault) are taken into account in rating even if there was no insurance in effect or the loss was repaid to the Insurer by or on behalf of the Insured or if the Insured chose not to present the claim;
- Claims (paid by the previous Insurer, reimbursed to the previous Insurer or paid by the Insured) outside the coverage on the application;
- Any amount paid back by the Insured due to an END 8 on the policy with the prior Insurer;
- Claims falling within a specific deductible not offered by FA e.g. on an occurrence basis regardless of the coverage involved in the loss;
- Amounts above FA deductibles when the prior Insurer had higher deductibles;
- Losses falling within any special agreements with the prior Insurer.

**NOTE:** Full experience details must be obtained directly from the prior Insurer to ensure all information on the risk is provided.

Fleets are to be written on a specified vehicle basis not on a blanket or receipts basis, therefore the use of END 21A and 21B is not permitted.

### Midterm Rating

Midterm rating is not permissible for changes that occur (i.e. revision of claim reserves) during the policy term merely because of the lapse of time.

If it is discovered during a policy term that a risk is a fleet and is eligible for experience rating, it shall be experience rated at the time of next renewal. If more than one policy qualifies for experience (fleet) rating, the fleet policy shall be issued effective the renewal date of the earliest expiring policy, based on the information for all vehicles. The remaining vehicles shall be added to the fleet at the expiry date of their policies.

If the insurance is written by more than one Servicing Carrier, each policy upon expiry shall be subject to experience rating and shall be insured to the common expiry date.

If vehicles being added to a fleet insured through FA were previously on another fleet with the same common ownership or management as the FA fleet, these added vehicles are subject to experience rating as outlined in Rule 239:B. Fleet Rating.

### Optional Physical Damage Coverage

Vehicles may not be covered for Comprehensive/Specified Perils only.

The Collision portion of All Perils and Collision coverage shall be regarded as the same coverage for the purposes of determining the number of months of coverage, similarly, the portion of All Perils and, Comprehensive and Specified Perils shall be regarded as the same coverage.

Where Collision claims that have occurred in the past three years cannot be allocated to specific vehicles, the claims shall be assigned to the highest rated vehicles, one to each in descending order.

### C. Loss Information

For experience rated fleets, any reserve change for a loss in any previous term shall be added to the incurred losses of the policy term in which the reserve was changed.

*For example:* The new policy term will be May 1, 1999 to May 1, 2000. The Insured had 2 losses between May 1, 1998 and May 1, 1999.

The Insured had 2 losses between May 1, 1997 and May 1, 1998. The Insured had no losses between May 1, 1996 and May 1, 1997 but in September 1996 there was a \$20,000 reserve increase on a claim that occurred in 1994. When listing the losses that occurred in the 2nd Prior Year (25-36 months) on the Automobile Fleet Schedule, the \$20,000 reserve must be entered.

### D. New Applications

#### 1. Forms required for Fleet Submissions

- a) Facility Association binder application form fully completed and signed. Under vehicle items show 'Fleet Policy'.
- b) Automobile Fleet Schedule  
All vehicles including trailers for which insurance is required must be fully described.
- c) Fleet Vehicle Count Calculation  
Must be completed to determine the number of vehicles insured by coverage.
- d) Fleet Rating Information Statement  
This form provides additional information about the risk.
- e) Any additional supplements such as drivers list, taxi questionnaire.

#### 2. Incomplete Fleet submission forms

If the necessary information required by the Servicing Carrier to properly rate the policy is not received within 15 days of the intended effective date, the policy shall be issued at the quoted premium and cancelled by registered letter.

#### 3. The Applicant must understand that:

The risk is bound from the effective date shown and an earned premium shall be charged.

The application is subject to the Facility Association fleet rating formula and the resulting premium may be substantially greater than the base premium quoted by the Agent/Broker.

If proof of insurance is required by U.S. authorities, a currency differential surcharge shall be applied to the Liability premium. See Rule 228: U.S. Exposure.

The Servicing Carrier may require payment of additional fees if proof of insurance has to be issued. See Rule 227: Proof of Insurance.

#### 4. Agent/Broker responsibilities:

Submit all fully completed and signed fleet submission forms. Items on the binder application dealing with specific vehicles are to be answered 'Fleet Policy'. Incomplete forms shall be returned for completion resulting in policy issuance delays.

Premiums are to be calculated at Driving Record 0 and must include the U.S. exposure surcharge if applicable. The Servicing Carrier shall provide assistance to the Agent/Broker if rates for a particular type of risk or vehicle are not published in this manual.

Collect from the Applicant the premium quoted at Driving Record 0 or arrange a premium finance contract. The Agent/Broker is responsible for the pro rata earned premium based on the correct premium calculation at Driving Record 0 in the event of non-payment by the Insured.

Issue temporary (30 day) liability cards for each self-propelled vehicle listed on the fleet schedule as of the date coverage was bound. Each vehicle must be specifically shown; it is not permissible to use a 'blanket' wording of any kind.

A premium must be quoted and the risk bound before the fleet is submitted.

#### 5. Servicing Carrier responsibilities:

The Servicing Carrier shall not provide quotations or accept fleet submissions which have not been bound.

If the manual does not provide information for rating a particular risk, the Servicing Carrier shall assist the Agent/Broker in establishing a method of rating. The Servicing Carrier shall also assist in determining rate groups which are not published.

Upon receipt of the properly completed documents the Servicing Carrier shall verify the information and loss history of the risk with the previous carrier as required and ensure prompt issuance of the policy documents.

#### 6. If the revised premium is not acceptable:

If a promulgated fleet rating is not acceptable to the Applicant, the coverages shall be cancelled without charge if all temporary liability cards are returned and received by the Servicing Carrier no later than the intended effective date (the date coverage was bound). Where the temporary liability cards are not received by the intended effective date and the Agent/Broker reports non-payment of the additional premium within 30 days of receiving notice of the additional premium, the earned premium for cancellation shall be calculated pro rata on the quoted premium calculated at Driving Record 0.

Otherwise the earned premium shall be calculated pro rata on the promulgated fleet rating.

*For example:* The Agent/Broker bound coverage as of June 1 and quoted the Applicant a premium of \$10,000 at Driving Record 0. On June 20, the Agent/Broker receives the fleet policy from the Servicing Carrier. The fleet has been promulgated at a premium of \$12,000. The Agent/Broker advises the Insured of the premium increase and the Insured advises he/she wants to cancel the policy. On July 15, the Agent/Broker advises the Insurer to cancel the policy for nonpayment. Because the request for cancellation was received within 30 days of June 20, the earned premium will be calculated pro rata on a premium of \$10,000.

If a fleet rating has been established for a risk and the Applicant has rejected the premium, a new application covering any vehicle in the Applicant's name previously on the fleet, must be quoted to the Applicant at the fleet rate not Driving Record 0. In the event that a policy issued from that new application must be cancelled because the Applicant rejects the premium, the earned premium shall be calculated pro rata of the fleet rate not Driving Record 0.

*For example:* Using the above example, on September 1, the Agent/Broker resubmits substantially the same fleet for the same Insured to the Servicing Carrier, quoting a premium of \$10,000 at Driving Record 0. The policy is issued at the previously established premium of \$12,000 and the Agent/Broker receives it on September 22. The Insured again rejects the additional premium and the Agent/Broker requests cancellation for non-payment on October 10. The earned premium will be calculated pro rata on a premium of \$12,000.

## 7. Premium Calculation – Commercial Vehicles

### Liability and DCPD

Where the Applicant requires limits in excess of \$1,000,000 the Agent/Broker must discuss the risk with the Servicing Carrier prior to binding. Many risks will not be eligible for limits in excess of \$1,000,000.

**Note:** The application form must indicate the limits or combined limit actually required and the applicable endorsements (END 6A/B/C/F, 22).

### Commercial Vehicles

Enter the premium applicable to the statutory minimum limit.

### Optional Physical Damage Coverages

#### All Perils

This coverage is no longer offered on FA policies.

Record All Perils losses according to the peril under which they were paid i.e. Collision losses under Collision and Comprehensive/Specified Perils losses under Comprehensive/Specified Perils.

#### All Optional Physical Damage Coverages

Enter premium and deductibles where indicated.

### Premium Totals

Ontario 1 October 2022

### Liability

- Total the appropriate premiums and enter the totals under the appropriate tables.
- Apply the increased limit factor for limits up to \$1,000,000.
- Apply the increased limit factor for limits over \$1,000,000 if required.
- Add the final total under each table to the total derived from adding together all other premiums.

### Other Coverages

Total the premiums in each column.

### E. Renewals

Prior to the expiry of experience rated insurance, the Servicing Carrier may ask the Agent/Broker to have certain forms completed to update the information on record.

Such a request shall usually be made well in advance of the expiry date because of the need to issue the renewal policy/certificate/offer to renew before the insurance expires.

The appropriate renewal documents shall not be issued unless and until the required forms, properly completed, have been returned.

## Rule 240: Not applicable

## Rule 241: Carrying Explosives

The standard policy exclusion for carrying explosives may be modified to permit carriage of specified explosives only, by adding END 4A. END 4A can be applied to all coverages or limited to the mandatory coverages.

An Explosive Questionnaire must be completed and signed by the Applicant, submitted to the Servicing Carrier and subject to the acceptance of the completed questionnaire.

- a) A commercial type vehicle operated by an explosive manufacturer or dealer shall be rated in accordance with the Commercial Section of the manual.
- b) For any other vehicle there shall be an additional charge applied to the vehicle premium. Contact your Servicing Carrier for the amount of the additional premium.

## Rule 242: Carrying Radioactive Material

The standard policy exclusion for carrying radioactive material may be modified to permit the carriage of specified radioactive material only, by adding END 4B. END 4B can be applied to all coverages or limited to the mandatory coverages.

A Radioactive Materials Questionnaire must be completed and signed by the Applicant and submitted to the Servicing Carrier. Subject to acceptance of a completed questionnaire, an additional charge shall be applied to the vehicle premium.

Contact your Servicing Carrier for the amount of the additional premium.

### Rule 243: Endorsements Applicable to POL 1 (Owner's Policy)

Notes:

1. No endorsements, no special wordings and no changes to standard forms are permissible except as approved by or on behalf of the Superintendent(s) of Insurance.
2. This rule provides certain details of approved endorsement forms. The descriptions are necessarily very brief and reference must be made to the actual wordings of the endorsements to ascertain the full provisions and restrictions.
3. In certain cases a copy of the endorsement must be signed by the Applicant and filed with the Servicing Carrier. The insurance will not be continued or the policy will be re-rated, if this requirement is not met.
4. Not all policy change forms may be applicable to commercial vehicles. Refer to the specific wording below.

Liability or (TPL) means B.I. and P.D. Tort; DCPD means Direct Compensation – Property Damage  
 Physical Damage means Optional Coverages – Loss or Damage (All Perils, Collision, Comprehensive, Specified Perils)

Standard Endorsement Form Number, Title and Purpose		Rating
2	<b>Providing Coverage When Named Persons Drive or Rent or Lease Other Automobiles</b> Extends the 'drive other automobiles' Liability and Accident Benefits coverage to persons other than the Insured and spouse.	Net Annual Premium depending on Liability limit on vehicle Limit in thousands    \$200    \$300    \$500    \$1000 Premium per person        7        8        9        10  Accident Benefits per person \$1.
3	<b>Drive Government Automobiles</b> The purpose of this endorsement is to cover the Insured's legal liability arising from the custody and use of a vehicle owned by the federal or a provincial government, including liability for the loss of or damage to the vehicle arising from Collision and/or Comprehensive or Specified Perils. The Insured must specify the types of vehicle that may be in his custody and, in regard to the 'Physical Damage' coverages, must indicate the required limit per occurrence.	Calculate the coverage premiums applicable to the highest rated government vehicle that may be in the Insured's custody as if he owned such a vehicle. Take into account driving record as well as the type and use of the vehicle and the coverage deductibles; use the limit per occurrence as the vehicle's value for determining the rating group and, in respect of a commercial vehicle, assume the model year to be the current year. The charge for each coverage is the under-noted percentage of the calculated premium. Liability/DCPD: . . . . .20% Accident Benefits: . . . . .50% Physical Damage: . . . . .100%
4A	<b>Permission to Carry Explosives</b>	If main cargo, rate vehicle as Class 48, 61B-64B plus special factors. If incidental, net annual \$50. Refer to additional rules within manual for further information.
4B	<b>Permission to Carry Radioactive Material</b>	If main cargo, rate vehicle as Class 48, 61B-64B plus special factors. If incidental, net annual \$50. Refer to additional rules within manual for further information.
5	<b>Permission to Rent or Lease Automobiles and Extending Coverage to the Specified Lessee(s)</b> Applicable to leases exceeding 30 days.	No charge for the endorsement. Vehicle is rated as if owned by lessee. Refer to additional rules within manual for further information.
5C	<b>Permission to Rent or Lease (unspecified lessees - short term leases only)</b> Applicable to leases not exceeding 30 days	The following premiums apply to the policy and are not specifically for the endorsement: <b>1. Liability, DCPD, Collision, Comprehensive, Specified Perils:</b> Private Passenger . . . . .250% of 07/0 Commercial Vehicles Light Trucks . . . . .200% of 43/0 Heavy Trucks . . . . .200% of 45/0 Tractor/Trailers . . . . .175% of 64/0 Private Trailers a. Liability, DCPD . . . . .add \$15 b. Physical Damage . . . . .250% of normal MotorHomes & Camper Units a. Liability, DCPD . . . . .250% of 07/0 b. Physical Damage . . . . .250% of normal Motorcycles & Mopeds . . . . .250% of DR 0 for age 16 Snowmobiles & ATVs . . . . .250% of normal <b>2. Accident Benefits, Uninsured Automobile</b> All Vehicles . . . . .100% of DR 0 Refer to additional rules within manual for further information.

Standard Endorsement Form Number, Title and Purpose		Rating
5D	<b>Conversion Coverage (rented or leased automobiles)</b>	Not offered
6A	<b>Permission to Carry Paying Passengers</b> When appropriate, this endorsement is used to modify the policy forms restrictions in regard to the use of the vehicle for the carriage of passengers. The actual use of the vehicle must be specified in the endorsement. See Private Passenger Section and Public Section. The use of the endorsement is not permissible in respect of other vehicles. Also see END 22.	For Private Passenger Vehicles used in <b>car pools</b> , add 10% of Liability and DCPD premium. Attach 6A.  <b>Volunteers:</b> A volunteer transports persons to medical appointments and the like, and is reimbursed for their reasonable driving expenses, including gas, vehicle wear and tear and meals. END 6A is not required and there is no additional premium charge.  <b>Other Private Passenger Vehicles used to transport passengers:</b> i) If transportation of non-paying passengers is part of Insured's job and employer reimburses employee for expenses - then Class 07 rates apply. ii) If transportation is very occasional (no more than once a week - non-paying passengers) then Class 02 or Class 03 rates can apply. iii) All others, then appropriate taxi, limousine or bus rates are applicable. END 6A would be attached; however, only if the vehicle is used in a car pool would the 10% surcharge apply. For public vehicles, rate vehicle accordingly. See Public Section.
6B	<b>School Bus</b> This endorsement is used in respect of School Buses and, in regard to Passenger Hazard, provides either: (a) separate limits of liability in respect of (i) bodily injury to any one person, (ii) bodily injury to all persons, and (iii) passengers' property or (b) a combined limit in respect of all passengers' bodily injury and property damage.	Rate vehicle according to Public Section.
6C	<b>Public Passenger Vehicles</b> This endorsement is used in respect of buses other than School Buses and, in regard to Passenger Hazard, provides either: (a) separate limits of liability in respect of (i) bodily injury to any one person, (ii) bodily injury to all persons, and (iii) damage to property carried in the automobile, or (b) a combined limit in respect of all passengers' bodily injury and property.	Rate vehicle according to Public Section
6D	<b>Driver Training School</b> This endorsement gives permission for the vehicle to be used for Driver Training School purposes and extends the Liability section of the policy to provide coverage in respect of the Insured's liability for bodily injury to student drivers/observers. The Liability limit provided in respect of Road Hazard is to be repeated in the endorsement against both 'any one person' and 'two or more persons'. Also See END 22.	Refer to additional rules within manual for further information.
6F	<b>Public Passenger Vehicles</b> This endorsement is used instead of END 6C when a combined Road & Passenger Hazard Limit (B.I. & P.D.) is to be provided.	Rate vehicle according to Public Section

Standard Endorsement Form Number, Title and Purpose		Rating
7	<p><b>Separate Limits (Liability)</b>                      This endorsement is used only when proof of insurance is filed in respect of a vehicle and the authority concerned requires that, in respect of Road Hazard, the insurance provide separate Liability limits for (i) bodily injury to any one person, (ii) bodily injury to all persons, and (iii) damage to property.</p>	Premium is that applicable to an inclusive limit equal to the sum of the limits for B.I. to any one person/any one accident.
8	<b>Property Damage Reimbursement</b>	<b>Not offered</b>
9	<p><b>Marine Use Excluded</b>                      This endorsement specifies that insurance is not provided while the vehicle is in or upon water or being launched or landed. The use of the endorsement is mandatory in respect of vehicles designed for use on both land and water (amphibious vehicles, all terrain vehicles, swamp buggies).</p>	No charge.
13C	<p><b>Restricting Glass Coverage</b>                      This endorsement amends the Comprehensive coverage by deleting coverage for damage to glass unless caused by a hazard included in Specified Perils coverage.</p>	<p><b>Private Passenger Vehicles, Motor Homes and 'Light' Commercial Vehicles (excluding Trailers)</b>                      Premium charged for reduced coverage is Specified Perils plus 10% of Comprehensive except for deductibles of \$1000 or over where there is no discount from the full applicable Comprehensive premium.  <b>Note:</b> For the purposes of the Automobile Statistical Plan, the reduced coverage is reported as Comprehensive Coverage.  <b>Other Vehicles:</b> Not offered.</p>
16	<p><b>Suspension of Coverage</b>                      Liability, Accident Benefits, Uninsured Automobile, DCPD and Collision as they relate to the use and operation of the described vehicles, new vehicles or temporary substitute vehicles may be suspended by means of END 16. This policy change leaves in place Comprehensive or Specified Perils coverage if present on the policy as well as the coverages mentioned above as they relate to the ownership of the vehicle. This means that END 16 does not suspend coverages related to 'drive other vehicles'; while a pedestrian; or the DCPD coverage while the vehicle is in storage. This policy change is available on private passenger and commercial vehicles.</p> <p>Coverage is reinstated by means of END 17.</p> <p>No refund is allowed in respect of Comprehensive and Specified Perils.</p> <p>END16/17 is not available for the following:</p> <ol style="list-style-type: none"> <li>1. Vehicles for which proof of insurance is issued or filed.</li> <li>2. Experience rated risks</li> <li>3. Recreational vehicles rated in the Recreational Section</li> <li>4. Vehicles that were never intended to be driven</li> <li>5. Vehicles held for sale whether or not on an auto dealer's lot</li> </ol>	<p>If there is only one vehicle on the policy, percentage of unearned premium for remainder of term to be refunded: Liability - 90%; A.B. - 75%; DCPD - 90%; Coll. - 100%. If two or more vehicles on policy and one retains Liability and Accident Benefits coverages, the percentages are Liability - 90%; A.B. - 100%; DCPD - 90%; Coll. - 100%. No refund for suspensions of less than 45 days.                      Refer to additional rules within manual for further information.</p>
17	<b>Reinstatement of Coverage</b>	Used in connection with END 16. Refer to additional rules within manual for further information.

Standard Endorsement Form Number, Title and Purpose		Rating												
19	<p><b>Limiting the Amount Paid for Loss or Damage Coverages</b> This endorsement provides that, in the event of loss or damage, the maximum amount of insurance under the physical damage sections of the policy is the actual cash value of the vehicle or the specified dollar amount (selected by the Insured), whichever is less. The use of the endorsement is mandatory in respect of motorcycles and mopeds and all vehicles for which the physical damage premiums are based on the estimated or appraised current value.</p>	Base physical damage premiums on estimated or appraised current value.												
19A	<b>Agreed Value of Automobiles</b>	<b>Not offered</b>												
20	<p><b>Coverage for Transportation Replacement</b> This endorsement provides coverage to pay for other means of transportation because of loss or damage to a described vehicle covered by END 20 caused by an insured peril and where the amount of loss or damage exceeds the deductible.</p>	<p><b>Private Passenger Vehicles:</b> The amount payable shall not exceed \$50 per day.</p> <table border="1"> <thead> <tr> <th>Total Limit per occurrence</th> <th>Premium Annual</th> <th>Premium six month policy</th> </tr> </thead> <tbody> <tr> <td>\$900</td> <td>\$50</td> <td>\$26</td> </tr> <tr> <td>\$1200</td> <td>\$65</td> <td>\$34</td> </tr> <tr> <td>\$1500</td> <td>\$75</td> <td>\$39</td> </tr> </tbody> </table> <p><b>Other Vehicles:</b> Not offered. Refer to additional rules within the manual for further information.</p>	Total Limit per occurrence	Premium Annual	Premium six month policy	\$900	\$50	\$26	\$1200	\$65	\$34	\$1500	\$75	\$39
Total Limit per occurrence	Premium Annual	Premium six month policy												
\$900	\$50	\$26												
\$1200	\$65	\$34												
\$1500	\$75	\$39												
21A	<b>Monthly Reporting Basis Fleet</b>	<b>Not offered</b>												
21B	<b>Blanket Coverage for Ontario Licensed Automobiles Fleet</b>	<b>Not offered</b>												
22	<p><b>Damage to Property of Passengers</b> This endorsement is used to insure the Passenger Property Damage hazard when either END 6A or END 6D is attached to the policy.</p>	Premium is the Passenger Hazard Property Damage premium for the class of vehicle. See Public Section of the Manual.												
23A	<p><b>Lienholder Protection</b> This endorsement records the joint interest of a lienholder.</p>	No charge. If an END 23A/B is issued showing the coverages provided, the applicability of any restrictive endorsement (such as END 19/28/40) is also to be recorded.												
23B	<p><b>Mortgage (Broad Form)</b> This endorsement is broader than END 23A in that it provides additional protection to the lienholder.</p>	10% of total physical damage premium; minimum net annual \$25. If an END 23A/B is issued showing the coverages provided, the applicability of any restrictive endorsement (such as END 19/28/40) is also to be recorded.												
24	<p><b>Fire Apparatus</b> This endorsement excludes physical damage coverage on equipment removed from the vehicle while at the location of a fire. Use of the endorsement is mandatory when the insurance applies to a fire-fighting vehicle</p>	No charge.												
25A	<p><b>Alteration</b> In addition to other changes, this endorsement may amend the policy allowing Insureds to buy Optional Increased Accident Benefits on policies that have renewed with standard benefits.</p>	Minimum additional premium of \$5 for addition of coverage of vehicle, increase in Liability limit, or decrease in deductible amount.												

Standard Endorsement Form Number, Title and Purpose		Rating
26	<b>Disappearing Deductible</b>	<b>Not offered.</b>
27	<b>Liability for Damage to Non-Owned Automobile(s) and Providing Other Coverages when Insured Persons Drive, Rent or Lease Other Automobiles</b>	Not offered on 'Commercial Vehicles' as described in the Commercial Section of this manual.
27B	<p><b>Business Operations - Liability for Damage to Non-Owned Automobile(s) in your Care, Custody or Control</b></p> <p>The purpose of the endorsement is to cover the Insured's legal liability for loss of or damage to a non-owned vehicle/trailer (not owned by or licensed in the name of the Insured or any other person residing in the same premises) arising from Collision and/or Comprehensive or Specified Perils. The Insured must specify the types of vehicle/trailer that may be in his custody and indicate the required limit per occurrence.</p>	<p><b>Business Operations - Liability for Damage to Non-Owned Automobile(s) in your Care, Custody or Control</b></p> <p>The purpose of the endorsement is to cover the Insured's legal liability for loss of or damage to a non-owned vehicle/trailer (not owned by or licensed in the name of the Insured or any other person residing in the same premises) arising from Collision and/or Comprehensive or Specified Perils. The Insured must specify the types of vehicle/trailer that may be in his custody and indicate the required limit per occurrence.</p> <p>Coverage premiums charged are those applicable to the highest rated vehicle as if the Insured owned such a vehicle; the limit per occurrence is used to calculate rate group; model year is assumed to be the current year.</p> <p><b>Non-Owned Trailers</b></p> <p><b>Direct Compensation – Property Damage</b></p> <p>If END 27B includes assumed liability, establish the rate group according to the limit stated in END 27B and charge the full DCPD premium based on that rate group and the class/driving record of the highest rated vehicle with which the trailer may be towed. If END 27B excludes assumed liability, there is no charge for DCPD because there is no DCPD coverage under the policy. Apply U.S. surcharge if required.</p> <p><b>Optional Physical Damage</b></p> <p>Charge the premium applicable for these coverages on each trailer as though each trailer was owned. Establish the rate group and premium for the non-owned trailer that has the highest value and multiply that premium by the number of non-owned trailers that may be towed. The limit shown on END 27B will be the amount on which the rate group is based. Apply U.S. exposure surcharge if required.</p> <p>NOTE: Since END 27B is a policy level endorsement, a premium must be charged for each non-owned trailer listed on the policy. (All non-owned trailers must be listed on the policy.)</p>
28	<p><b>Reducing Coverage for Named Persons</b></p> <p>This endorsement is used if the coverages provided by the policy are to be restricted when certain named operators are driving the vehicle.</p>	No premium reduction
28A	<p><b>Excluded Driver</b></p> <p>This endorsement is used to exclude coverage when the person named in the endorsement drives the automobile. Both the excluded person and the Insured must sign the endorsement.</p>	<p>Premium: No charge to add endorsement.</p> <p>Rate vehicle as if excluded driver was not in the household.</p> <p>Upon removal of the END 28A, all accidents and convictions will be considered chargeable.</p> <p>Refer to additional rules within manual for further information.</p>
29	<b>Additional Coverage as Respects Operations by Named Persons</b>	<b>Not offered</b>

Standard Endorsement Form Number, Title and Purpose		Rating
30	<b>Removing Coverage for Attached Machinery</b> This endorsement excludes Liability and Accident Benefits coverage in respect of the ownership or use of machinery or apparatus mounted on or attached to the vehicle, while at the site of such use.	No charge
31	<b>Non-Owned Equipment</b> This endorsement provides coverage in respect of apparatus, machinery or equipment that is attached to the vehicle but is not owned by the Insured. Use of the endorsement is not permissible in respect of a vehicle to which END 30 applies. The physical damage coverages may only be the same as those provided in respect of the vehicle. The required limit in respect of loss of or damage to the equipment must be specified.	No specific charge, equipment cost to be included in vehicle value
32	<b>Use of Recreational Vehicles by Unlicensed Operators</b> This endorsement permits the use of the insured vehicle, off the public highway and for recreational purposes only, by an unlicensed and/or unqualified person.	No charge.
35	<b>Coverage for Emergency Road Service</b> No longer available	Note: On existing policies where END 35 has been applied on a vehicle, the endorsement will remain until the vehicle is removed from the policy.
38	<b>Agreed Limit for Automobile Electronic Accessories and Equipment</b> This endorsement limits theft coverage for electronic accessories (other than factory installed) to the lesser of the actual value of the equipment or \$1,500 unless the equipment is listed in the endorsement.	\$30 per \$1,000 or part thereof, of the limit of coverage shown on the endorsement.
40	<b>Fire Deductible</b> This endorsement is used when the Comprehensive or Specified Perils deductible is to be made applicable also to fire losses. This endorsement is mandatory for all motorized vehicles described in the Recreation Section of this manual.	No charge.
43	<b>Removing Depreciation Deduction</b>	<b>Not offered</b>
43A	<b>Removing Depreciation Deduction for Specified Lessee(s)</b>	<b>Not offered</b>
44R	<b>Family Protection Coverage</b> This endorsement provides limited protection to the Insured, spouse and certain relatives in the event of bodily injuries caused by another motorist who has less Liability insurance than the Insured. For a complete description of the coverage, see the actual endorsement form and the 'Supplement'.  The limit in respect of any one accident (i.e. all claimants) is normally the difference between the Liability limit carried by the other motorist and the Liability limit applicable to the insured vehicle. The coverage limit provided by this endorsement is the same as the Liability limit applicable to the vehicle.	The premium varies with the Liability limit applicable to the vehicle. The coverage limit provided by this endorsement is the same as the Liability limit applicable to the vehicle. Premiums are shown on rate pages in each section of the manual.  This endorsement is not available on 'Public Vehicles' as described in the Public Section of this manual or any other vehicles used in the manner of 'Public Vehicles'.

<b>Standard Endorsement Form Number, Title and Purpose</b>		<b>Rating</b>
<b>47</b>	<p><b>Agreement Not to Rely on SABS Priority of Payment Rules</b> If optional statutory accident benefits are purchased and are applicable to a person under this policy, and the person claims SABS under this policy as a result of an accident and agrees not to make a claim for SABS under another policy, the Insurer agrees it will not deny the claim, for both mandatory and optional statutory accident benefits coverage purchased, on the basis that the priority of payment rules in Section 268 of the Insurance Act may require that the person claim SABS under another insurance policy.</p>	This endorsement must be provided without charge to every policyholder who purchases optional statutory accident benefits and must be shown on the Certificate of Automobile Insurance as evidence of coverage.
<b>48</b>	<p><b>Added coverage to offset tort deductibles</b> This endorsement reduces the deductible and indicates the difference between the standard deductible and the purchased deductible.</p>	Premiums are shown on rate pages in each section of the Manual.

## Rule 300: Filed Underwriting Rules

### A. The Insurer's rules for declining to issue, terminating or refusing to renew a contract are:

1. The risk does not meet the object of the Facility Association which is to ensure the availability of automobile insurance, as required by law, in those provinces and territories of Canada in which the Association operates, to the owners and licensed drivers of motor vehicles who would otherwise have difficulty obtaining such insurance.
2. The Applicant does not have an insurable interest in the vehicle.
3. The vehicle is registered in a jurisdiction other than Ontario. (If the vehicle is registered in another jurisdiction in which Facility Association operates, the vehicle may be insured through an Agent/Broker and Servicing Carrier licensed in that jurisdiction.)
4. The driver of the vehicle does not hold a valid operator's licence. If the licence of the only driver is suspended, Facility Association shall provide a policy covering Comprehensive or Specified Perils cover only until there is a driver holding a valid operator's licence. See Rule 328: Suspension of Operator's Licence and Rule 301: Minimum Coverage.
5. The application is incomplete, has not been signed by the Applicant, or has not been bound by the Agent/Broker.
- 6 The Applicant/Agent/Broker refuses to provide the sufficient valid information to write the risk. 'Sufficient valid information to write the risk' includes data to properly rate the risk and to report the risk information in accordance with the Automobile Statistical Plan.
7. The vehicle is not in the possession of the Applicant (i.e. has been stolen or cannot be located). This restriction is not intended to be used as a denial of a valid theft claim.
8. A certificate of mechanical fitness and road worthiness has not been provided in accordance with the Manual of Rules and Rates.
9. Non-payment of premium for the current policy period (for purposes of termination only).
10. Any risk where abusive or threatening behaviour of the Insured/Applicant/Driver within the previous 3 years has created a safety concern for Facility Association staff, Servicing Carrier staff or a representative acting on behalf of either and circumstances have been reported to police.

### B. Rules for refusing to provide or continue a coverage are:

1. Optional physical damage coverage shall not be provided where an Applicant or any person who is a regular or frequent operator of the vehicle, has, within the immediately preceding thirty-six months:
  - a) When making a previous application for automobile insurance, given false particulars of an automobile to be insured to the prejudice of the Insurer;  
**or**
  - b) Knowingly misrepresented\* or failed to disclose in an application any fact required to be stated therein;  
**or**
  - c) Has contravened a term of an insurance contract or been convicted of fraud in relation thereto;  
**or**
  - d) Wilfully made a false statement in respect of a claim.

\* Misrepresentation means an Applicant has either had a policy cancelled by registered letter for material misrepresentation or has had a claim denied for material misrepresentation.

2. Optional physical damage coverage shall not be provided where an application for a branded vehicle (salvage or rebuilt) is submitted without a valid vehicle registration and, at the Servicing Carrier's discretion, a current safety certificate.

NOTE: No policy will be written for vehicles branded 'irreparable'.

3. Where a vehicle is licensed for road use and is used on roads as well as for race or speed tests, optional physical damage coverage shall not be provided. For DCPD coverage, establish rate group according to Rule 310 Vehicle Rate Group.

## Rule 301: Coverages Available and Minimum Deductibles

### A. Liability

#### 1. Maximum Limit(s) of Liability

Not more than \$2,000,000 except:

- a) When required by Canadian or American federal or provincial statute, by regulation issued under authority thereof, or by municipal by-laws (but not by other local authorities such as school boards). The Liability limit may not exceed the amount required.

- b) Where the Insured is required to have limits higher than \$2,000,000 but not exceeding \$5,000,000 in order to obtain a contract of work or obtain employment and where failure to do so will result in loss of the contract or employment. The Insured will be required to provide documentation of the contract requirements or employment requirements for limits no higher than \$5,000,000. This documentation is required at the time the higher limit is requested but not for subsequent renewal terms.

**NOTE:**

Where filings are required the filing shall be made for the minimum limits that are required in that jurisdiction even if the policy is issued for a higher limit.

*For example:* The Liability limit chosen by the applicant is \$1,000,000. Proof of insurance is required for \$500,000. The policy will be issued at \$1,000,000 but the proof of insurance shall only show \$500,000.

If it is necessary to provide a Liability limit that falls between two limits for which premiums or limit factors are indicated in this manual, the premium or limit factor applicable to the higher of those two limits shall be used. Where it is required and permissible to provide a higher Liability limit, the increased limit factors can be found on Page 1 – Rating Notes. If the manual does not provide the necessary increased limit factor, contact your Servicing Carrier.

If the Liability insurance is required to provide distinct Road Hazard and Passenger Hazard BI limits, the maximum limit applies separately to the two hazards.

For example: The Insured is required by a school bus to provide \$2,000,000 Passenger BI; however, this is not a municipal by-law or a legislated requirement. The policy may not be issued for more than \$1,000,000 Passenger Hazard BI.

Maximum limits as follows will be provided as required by the Public Vehicles Act for public vehicles licensed under this Act.

Road Hazard Liability	\$1,000,000
Passenger Bodily Injury	
Limit	Seating Capacity
\$1,000,000	Up to 7 passengers
\$5,000,000	8-12 passengers
\$8,000,000	13 or more passengers
Passenger Property Damage	\$5,000

The chart on Page 1 - Rating Notes indicates the appropriate endorsement form to be used with each vehicle type unless separate limits are required by law in which case 6c must be used.

It is the responsibility of the applicant to determine the limits that are required to be insured and advise the agent/broker/Servicing Carrier accordingly.

The coverage shall be written with END 6F unless separate limits are required by the Public Vehicles Act. In that event use END 6B if the vehicle is a school bus or END 6c if the vehicle is other than a school bus.

The amounts shown on any proof of insurance may not exceed those required by the authority concerned. For example: The Liability limit chosen by the Applicant is \$1,000,000. Proof of Insurance is required for \$500,000. The policy will be issued at 1,000,000 but the proof of insurance shall only show \$500,000.

It is permissible to provide Passenger Property Damage coverage up to \$50,000 in addition to the amount(s) applicable to Road Hazard and Passenger BI.

**Information for Policy Issuance Using Combined Limit – END 6F**

END 6F is to be used unless separate limits are required by law for Road and Passenger Hazards. If separate limits are required END 6C is to be used.

END 6F deletes the Section A exclusion for carrying passengers for compensation and amends exclusions b) and d) of the insuring agreements to provide coverage for liability for bodily injury to occupants and damage to property of passengers.

The Section A limit on the declaration page will show the combined limit for Road Hazard, Passenger Hazard BI and Passenger Hazard PD. No limit is specified on END 6F. The combined limits for Road Hazard, Passenger Hazard BI and Passenger Hazard PD may not exceed the maximum limit of liability specified in this rule under 1a) and 1b).

- The limit for Road Hazard and Passenger Hazard BI must be the same.
- Establish the premium for the Road Hazard limit.
- Establish the premium for the Passenger Hazard BI limit.
- Apply the increased limit factor from Table D if excess limits are required.
- Establish the Passenger Hazard PD premium for \$5,000 and if required apply the increased limit factor from Table C.
- Add the three premiums together to calculate the Section A premium.

**Information for Policy Issuance Using END 6B (School Bus only) or END 6C**

END 6B and 6C are to be used only when separate limits are required by law. The Road Hazard limit is shown as the Section A limit on the declaration page of the policy. END 6B or 6C must be attached to the policy and must indicate the limits applicable to Passenger Hazard BI and Passenger Hazard PD.

On END 6B and 6C, the limits applicable to Passenger Hazard are separately for bodily injury to one person,

bodily injury to two or more persons, and damage to property carried in the automobile. It is also possible to show a single limit for Passenger Hazard Bodily Injury and Passenger Hazard Property Damage under 2(b).

*For example:* On END 6B or 6C the limits would be shown

- 2 (a) \$1,000,000 for any one person
- \$1,000,000 for two or more persons
- \$5,000 damage to property

Do not show an amount under 2 (b) unless required by law in which case no amount is to be entered under 2 (a).

The combined total of the Road Hazard limit and the Passenger Hazard limit may not exceed the maximum limit of liability specified in this rule.

**B. Accident Benefits & Uninsured Automobile**

As prescribed by statute.

**C. Optional Benefits**

The rates for all buses are those applicable to commercial vehicles and shown on the rate pages in the Commercial Section.

**D. Optional Physical Damage**

No optional physical damage coverage shall be provided or offered for any vehicle valued at \$1,000,000 or more.

All Perils coverage is not available.

**a) Minimum Deductibles**

The following table indicates the minimum deductible on any physical damage coverage for Public Buses:

PUBLIC BUSES	
List Price New	Minimum Deductible
Under \$52,501	\$1,000
\$52,501 – \$76,000	\$2,500
\$76,001 – \$100,000	\$4,000
Over \$100,000	5% of the said value to nearest
All Rate Groups	END 40 is mandatory on any vehicle with prior fire claims within the past 60 months

**OTHER PUBLIC VEHICLES**

The following table indicates the minimum deductible on any physical damage coverage when Private Passenger rates and the CLEAR Rate Group Table or Table A are used. When the rate group is established in Table A, the minimum deductible is determined by applying the value used to obtain the rate group to the Table A column below.

CLEAR Rate Group	Minimum Deductibles Collision/ Comprehensive/ Specified Perils	Table A
1-40	\$500	Up to \$30,000
41 – 59	\$1,000	\$30,001 - \$60,000
60 - 79	\$2,500	\$60,001 - \$80,000
80 - 89	\$5,000	\$80,001 - \$100,000
90 - 99	\$10,000	\$100,001+

The following table indicates the minimum deductible on any physical damage coverage when Commercial rates and Commercial Rate Group Table II are used:

Rate Groups	Minimum Deductibles
Up to 15	\$500
16 – 18	\$1,000
19 - 21	\$2,500
22 and over	5% of LPN up to the nearest \$250 (minimum deductible \$2500)*
All RGs	END 40 is mandatory on any vehicles with prior fire claims within the last 60 months

**NOTE: For risks with claims, refer to the chart below. Where a risk is eligible for one deductible based on list price new and another based on claims, the higher deductible applies.**

Number of Automobile Insurance Claims under each coverage (All Perils, Collision, Comprehensive, Specified Perils)			Deductible amount applicable to the coverage under which the claims were made*
In prior 12 months	In prior 36 months	In prior 60 months (fire and/or total theft)	
3	-	2	\$2,500
-	3	-	\$1,000
-	4	-	\$2,500
-	5 or more	-	5% of LPN (minimum deductible \$5000)
-	-	3 or more	No coverage offered

\* Claims that have occurred under All Perils coverage shall be assigned to the appropriate section of the coverage i.e. Collision or Comprehensive.

Higher deductibles shall only be imposed when there have been a sufficient number of claims under any given coverage to warrant such application. *For example* one Collision loss and three Comprehensive losses in the previous 12 months will result in the application of a \$2,500 deductible on Comprehensive only. Only if the Insured has sustained three Collision losses as well, would \$2,500 deductible be applied to the Collision coverage.

**b)** Vehicles insured for Comprehensive/Specified Perils only shall be renewed once and then lapsed at the next renewal if there is no other vehicle with road coverage on the policy. Vehicles insured for Comprehensive/Specified Perils only shall not be written as new business.

**E. Family Protection Coverage (END 44R)**

Not available to vehicles rated in this section of the manual.

**F. Passenger Property Damage**

If coverage for liability for damage to the property of passengers is to be provided and END 6A or 6F has been attached, attach END 22.

**G. Minimum Coverage**

Policies are required to provide at least the statutory minimum coverage applicable to the jurisdiction in which the vehicle is registered except as indicated below:

**Exception**

**When an automobile is temporarily out of use and in storage:**

a) Coverage other than Comprehensive or Specified Perils may be suspended by means of END 16 for those vehicles that are temporarily laid up. This endorsement does not suspend coverages that relate to ‘driving other vehicles’. The endorsement may be used in respect of most private passenger and commercial-type vehicles. In no event shall a refund be granted for any cancellation period of less than forty-five (45) consecutive days.

Suspended coverages are reinstated by means of END 17.

b) In the case of an existing policy that includes Comprehensive or Specified Perils coverage, coverages other than Comprehensive or Specified Perils may be deleted.

Note: END 16/17 is not available on experience rated risks

**Notes:**

1. a) or b) above is not applicable for the following:
  - Vehicles for which proof of insurance is issued or filed.
  - Recreational vehicles to which the Recreational Section applies.
  - Vehicles that were never intended to be driven (e.g. vehicles in a collection).
  - Vehicles held for sale whether or not on an auto dealer’s lot
  - Experience rated risks.

2. If Liability and Accident Benefits coverages are not added to the vehicle by the renewal date, the vehicle shall be renewed once and then lapsed at the next renewal if there is no other vehicle with Liability or Accident Benefits coverages on the policy.

3. If Liability and Accident Benefits coverages are removed or suspended twice in one year, then removal of those coverages a third time will not be permitted until the following renewal. It is not necessary to remove the licence plate from the vehicle while coverage is removed or suspended.

4. In the case of a new application, a policy may not be issued for Comprehensive or Specified Perils only.

**Explanations:**

**Temporarily:** – May be defined as ‘a limited time only, as distinguished from that which is perpetual or indefinite in duration’. There is an anticipated end point to the vehicle being out of use. Agents/Brokers must indicate on the application or policy change request what the anticipated end date is, whether that is 3, 8 or 36 months from the date of the request.

**Out of use:** – The vehicle will not be driven either by the Insured or by garage personnel or potential purchasers.

**In storage:** – The vehicle is not readily available for use e.g. the plates have been removed, the battery has been removed etc. The Agent/Broker must confirm on the application or policy change request that the vehicle is out of use and in storage.

**Rule 302: Optional Accident Benefits**

The Insured may choose to enhance the basic benefits provided by POL 1 by choosing one or more of the following Optional Accident Benefit coverages. Refer to the Statutory Accident Benefits Schedule to ascertain the full provisions and restrictions.

**A. Optional Benefits****Optional Income Replacement Benefit**

Increases the maximum weekly amount of \$400 to \$600, \$800 or \$1,000, as selected by the named Insured under the policy.

**Optional Caregiver, Housekeeping and Home Maintenance Benefit**

For non-catastrophic injuries, provides benefit of caregiver up to \$250/week for the first dependant and \$50/week for each additional dependant. Also provides a housekeeping and home maintenance benefit of up to \$100/week.

**Optional Medical, Rehabilitation and Attendant Care Benefit**

Combined optional medical, rehabilitation and attendant care benefit of \$130,000 is available. Also available is an optional \$1,000,000 combined medical, rehabilitation and attendant care benefit.

**Optional Benefit for Catastrophic Impairment**

Optional benefit for catastrophic impairment of up to \$1,000,000 for medical, rehabilitation and attendant care is available if the insured person sustains a catastrophic impairment.

**Optional Dependant Care Benefit**

Provides a dependant care benefit of \$75/week for the first dependant plus \$25/week for each additional dependant to a maximum of \$150/week.

**Optional Death and Funeral Benefit**

Increases the amount payable to a deceased person’s surviving spouse to \$50,000 and also \$20,000 to each of the deceased person’s surviving dependants. Also increases the maximum amount for funeral expenses to \$8,000.

**Optional Indexation Benefit**

Indexes the income replacement, non-earner benefits and all benefit limits to the cost of living. Optional benefits may also be indexed.

**B. Premium Calculation**

The Optional Benefits are purchased on a per policy basis, meaning that the premium for the Option chosen is only calculated for one vehicle on the policy and applies to all vehicles on the policy. The vehicle used to calculate the premium is the one that produces the highest basic Accident Benefits premium taking into account all surcharges. See special instructions for Fleets. The premium for each selected Optional Benefit must be shown separately on the application.

Optional Benefits added to a policy mid-term are treated like any other policy change. The additional premium shall be calculated pro rata for the remainder of the term.

1. Determine the Accident Benefits premium for basic benefits from the rate pages.

2. Apply the appropriate accident and conviction surcharges and round to the nearest whole dollar.

3. Add the premium for the selected Optional Benefits.

4. If Optional Indexation Benefit is selected, multiply the premium calculated in step 3 above (excluding Optional Death and Funeral Benefit) by the indexation factor and round to the nearest whole dollar.

**C. Fleets**

Only Optional Death and Funeral Benefit is available on fleets.

The premium for Optional Death and Funeral Benefit is the Optional Death and Funeral Benefit premium for the appropriate vehicle type e.g. private passenger, commercial, public etc.

If the Insured wishes to purchase other Optional Benefits on a fleet vehicle supplied for his/her personal use, that vehicle must be removed from the fleet policy and insured on a separate POL 1.

**D. Rating Example**

There are 2 vehicles on an annual policy with an effective date of November 1, 2010. Applicant is principal operator of Vehicle 1 rated 022 with a 50% surcharge. Spouse is principal operator of Vehicle 2 and rated 010. The Insureds would like Optional Income Replacement Benefit (\$1,000), Optional Death and Funeral Benefit and Optional Indexation Benefit added effective May 1, 2011.

1. Find the Accident Benefit premium from the rate pages.

Vehicle 1	\$1,500
Vehicle 2	\$2,000

2. Apply any surcharges.

Vehicle 1	\$1,500 x 1.5 = \$2,250.
Vehicle 2	\$2,000

3. Choose the higher premium - \$2,250.

4. Determine the appropriate Optional Benefits premium in the appropriate section of the manual.

Income Replacement	\$958 (commercial)
Death and Funeral	\$13 (commercial)

5. To determine Optional Indexation Benefit, multiply the total of the basic Accident Benefit premium plus the premium for Income Replacement by the factor for Indexation taken from the private passenger rate pages and round to the nearest dollar.

\$2,250 + \$958	\$3,208
Indexation \$3,208 x .27	\$ 866

6. Apply the pro rata factor to calculate additional premium for the period May 1 to November 1.

Income Repl	\$958
+ Death & Funeral	\$13
+ Indexation of Basic & Income Repl	\$866
Total	\$1,837
Pro rated at .50	\$919

b) Obtain a fully completed premium finance contract together with the full down payment required and promptly send that contract to the finance company office.

The insurance shall take effect as of the time and date the coverage is bound. Under no circumstances may coverage be shown as effective prior to the date and time of completion of the application form. Therefore coverage may not be bound as of 12:01 a.m. on the date the application is signed. However, except when the binding time is 12:01 a.m. of a future date, the policy shall be shown as effective at 12:01 a.m. on the day following the date coverage was bound. The premium rates to be applied are those in effect on the binding date.

*For example:*

a) Coverage is bound at 1:00 p.m. on June 1. The application is signed on June 1. The policy will be issued showing an effective date of 12:01 a.m. June 2. However, the coverage is in effect as of 1:00 p.m. on June 1.

b) Coverage is bound as of 12:01 a.m. June 1. The application was signed on May 29. The policy will be issued showing an effective date of 12:01 a.m. June 1.

3. If the application form cannot be sent to the Servicing Carrier on the date on which coverage was effected, it must be sent the next working day.

4. The Servicing Carrier shall normally issue the policy within 30 days of the effective date. If the Agent/Broker does not receive the policy and the full term liability card within that time, a further temporary liability card must be issued by the Agent/Broker and the Servicing Carrier must be contacted immediately to determine the status of the policy.

5. Before optional physical damage coverage can be bound on a vehicle branded as 'salvage' or 'rebuilt', a valid vehicle registration and, at the Servicing Carrier's discretion, a current safety certificate must be provided to the Servicing Carrier with the application.

## Rule 303: Binding Coverage – New Policies

### A. Requirements/Procedures for binding new policies

1. The Agent/Broker must have a fully completed application signed by the registered owner(s) of the vehicle(s) detailing all information on the risk. Supplementary questionnaires, if required, must be completed and signed by the Applicant. If the Servicing Carrier is required to have a driver's permission to obtain a driver record abstract, that written authorization must accompany the application.
2. Before binding coverage the Agent/Broker must either
  - a) Collect or assume responsibility for the full indicated premium (experience rated risks at Driving Record 0)

**or**

### B. Term of binding new policies

The term of binding and of the temporary liability card is 30 days. The temporary liability card may not be amended to indicate a longer period. If a short term policy is to be issued, the temporary liability card shall be amended to indicate a shorter period.

## Rule 304: New Policies

### A. Application Form

Every application for insurance must be made on the current approved Standard Application Form and must be fully completed and signed by both the Applicant and Agent/Broker where required. See also Rule 304:D. Computer Generated Application Forms.

Commercial, garage, public, experience rated and some specially rated risks will require completion of supplementary questionnaires.

A copy of the valid registration for all owned vehicles being insured, regardless of vehicle type or use, will be required with the application. If the registration cannot be submitted with the application, a copy of the registration is required within 30 days of binding coverage.

Where a copy of the registration is not provided, the following shall apply:

- Policy shall be issued with all vehicles at the correct premium.
- If any registration is not provided within 30 days from the date requested by the Servicing Carrier, the policy shall be cancelled by registered letter.
- If the missing registration is provided before the cancellation takes effect, the policy may be reinstated.
- Agent/Broker may submit a new application for the vehicles meeting the registration requirement.

### B. Owners Policy (APP 1)

A current approved Standard Application Form (APP 1) is required. The Agent/Broker must indicate the time and date that coverage is bound.

### C. Faxed Applications

Fully completed and signed current approved Standard Application Forms submitted by fax are acceptable in lieu of original applications. Where required, these applications must be accompanied by the appropriate questionnaires or supplements. Where the original application has been submitted without signature, a signed and faxed copy of the application is acceptable to complete the signature requirement.

### D. Computer Generated Application Forms

These application forms are acceptable but must be in the standard format approved by the applicable regulatory authority and must include all information that is required to be provided on the current approved Standard Application Form.

The computerized application must be signed and dated by the Applicant as well as the Agent/Broker.

### E. Applicant's Signature

The Applicant's signature shall be provided on the Facility Association manual application form or the computerized application form at the time of binding whenever possible.

If the Applicant's signature cannot be obtained at the time of binding, the Servicing Carrier shall allow the Agent/Broker 30 days to obtain a signature on the original application provided the Agent/Broker assumes responsibility for the full indicated premium. In the meantime, the Agent/Broker must send a copy of the completed but unsigned application to the Servicing Carrier.

If a signed copy of the application is not received by the Servicing Carrier within the 30 day time period, the Servicing Carrier shall immediately cancel the policy by registered letter. The Agent/Broker shall be responsible for the full indicated earned premium for the time on risk.

### F. Name of the Insured

Insurance contracts must be made with individuals who have both the capacity to contract and are legal entities. If the Applicant is not an individual(s), the name(s) appearing on the policy must be that of a legal entity i.e. a limited company or partnership. The name of the Insured must include or be the same as the name on the vehicle registration.

#### Two or More Names as Registered Owner of the Vehicle:

Where an application is received for vehicle(s) registered in two names, such as Pat and Drew Doe, the application must be signed by both parties. In the event the policy is to be cancelled at the Insured's request, both signatures are required on the request for cancellation. If the situation is other than the Applicant and spouse, refer to the Servicing Carrier prior to quoting or binding to verify the rating.

#### Two or More Vehicles Registered to Different Names:

If the Applicant has vehicles leased from different leasing companies, or, one vehicle registered for example in the father's name and one in the son's name, separate policies must be maintained.

If the Applicant has vehicle(s) leased from the same leasing company and owned vehicle(s), separate policies may not be necessary.

Exception: If the vehicles are separately registered to an Applicant and his or her spouse only, they may be insured under the same policy. Both must sign the application and any subsequent request to cancel a policy or delete a vehicle or coverage.

Where it is discovered in the middle of the policy term, that a single policy has been issued with two (or more) vehicles, one registered in one name and one in another name, both signatures shall be required on any subsequent request for cancellation of the policy or deletion of a vehicle or coverage. Separate policies must be issued at the time of next renewal.

**G. Other Insurance**

If there is any other insurance in force in respect of a risk:

- a) Binding shall not be made effective before the expiry of that other insurance.
- b) If that other insurance is to be cancelled, a liability card may not be prepared before the Insurer concerned has issued the notice of cancellation, or the Insured has signed the request for cancellation as the case may be.

**H. Verification of Driving History**

In order to verify the driving history, the Servicing Carrier is required to obtain the following before confirming the premium:

- a) Driver record abstract obtained from the appropriate government department in each Canadian or U.S. jurisdiction in which the driver has been licensed in the previous three years.

On experience (fleet) rated risks, the abstract is not required.

- b) All vehicles shall initially be rated at Driving Record 0 unless the application is accompanied by (or the Servicing Carrier already has) proof of the accident free period and the ownership period required for a better driving record.

If the applicant claims entitlement to a driving record better than that permitted by the preceding paragraph and submits details of the previous insurance(s), the Servicing Carrier shall attempt to obtain confirmation of the previous experience. The claimed better driving record shall not be granted unless and until the entitlement is verified, but the re-rating shall then be backdated appropriately.

Previous Insurance history is not required for Motorcycle, Moped, Snow Vehicles, Dirt Bikes, All Terrain Vehicles, Antique Vehicles or applicants with only an international licence. See special instructions under Fleets and the Garage section.

See special instructions under Rule 335: Fleets.

If the information received is different from that reported on the application, to the extent that the premium requires amendment, the policy shall be issued at the revised premium and coverage or the Servicing Carrier shall promptly issue a correcting endorsement.

**Rule 305: Definitions****A. Public Vehicles**

Vehicles used for the carrying of passengers classified in Rule 307: Rating Class. Vehicles rated as private passenger vehicles with END 6A attached to permit the occasional carriage of passengers for compensation are not considered to be public vehicles. Where a vehicle is used for carrying passengers for compensation but is not classified in Rule 307: Rating Class, full details must be provided to the Servicing Carrier including a description of the vehicle, its intended use and its seating capacity.

**B. Road Hazard**

Liability for bodily injury to others excluding property carried in or on the insured vehicle.

**C. Road Hazard – Property Damage (PD)**

Liability for damage to the property of others, above the threshold, and liability for property damage not covered by Direct Compensation Property Damage excluding property carried in or on the insured vehicle.

**D. Passenger Hazard - Bodily Injury (BI)**

Liability for bodily injury to passengers (PHBI) and liability for damage to the property of passengers (PHPD).

**E. Radius**

The radius of operation is the distance between terminal points, which is taken to be one-half the distance travelled by the vehicle over its complete route - from the starting point of its trip to its return to the same point.

**F. Seating Capacity**

The number of persons, excluding the driver, that can be carried/seated in the insured vehicle.

**G. List Price New**

The Manufacturer's Suggested Retail Price new (plus taxes) of the vehicle including the value of the body, all permanently attached equipment and any customizing features.

**H. Owned /Leased**

The expression 'owned by' (as in a vehicle owned by the Applicant) includes 'leased to' if the Applicant is/was responsible for obtaining the Liability insurance for the leased vehicle concerned. A similar interpretation applies to 'owns', 'ownership', etc.

## Rule 306: Rating Territory

The rating territories are described in Rule 339: Territories.

If a filing is required for a higher rated territory, the rate for that higher rated territory must be used regardless of the number of trips to that higher rated jurisdiction.

The applicable rating territory is that in which the vehicle 'is and will be chiefly used'. If however, the vehicle is operated regularly i.e. more than 12 trips per year to or through other territories, the highest rated of those territories is to be used. A vehicle that travels through a higher rated territory from a lower rated territory where it is garaged, to another lower rated territory where the work is performed, shall be charged the higher rated territory. *For example:* The Insured's business, based in Kingston, Ontario is operating a tour bus throughout Ontario. The highest rated territory through which the vehicle is operated is Toronto, Ontario (Territory 1). The vehicle must be rated using Ontario Territory 1 rates.

The Insured's business, based in Ottawa (Territory 4), is operating a tour bus between Ottawa and Montréal. The vehicle is regularly used outside the jurisdiction of registration and a jurisdiction in which FA operates. See Rule 330 Vehicles Used Outside Jurisdiction of Registration. The vehicle must be rated using Toronto Territory 1 rates.

Where the vehicle is operated in the U.S., see Rule 325 U.S. Exposure.

## Rule 307: Rating Class

### A. Public Bus - Classes 70, 73, 74, 78

A vehicle that is used for carrying passengers for compensation on public streets or highways including charters and/or sightseeing trips. The Insured is in the business of providing transportation of persons.

The Insured owns a bus which is used to transport people to and from a ski resort. The sole purpose of the Insured's business is to provide transportation. If the resort owned the bus then the rating would be that of a Hotel/Country Club Bus.

The class is based upon the radius of operation.

Radius of Operation		Class
1. Used solely within the corporate limits of a city or town		70
2. Distance between terminal points:		
<b>More than</b>	<b>Not more than</b>	
25 km	25 km (15 miles)	70
	80 km (50 miles)	73

80 km	240 km (150 miles)	74
240 km (150 miles)		78

Use 6F or, if required by law, 6C.

### B. School Bus - Class 71

A vehicle that is used for carrying students and teachers to and from school premises or school activities.

#### Rating Note:

##### a) Charter Trips

If a School Bus is also used for charter trips up to (and including) 20 trips per year the premium payable must be increased according to the following percentages:

Anticipated number of trips per year	All Coverages
1 to 12	25%
13 to 20	50%

If a School Bus is used for more than 20 charter trips per year, rate as a Public Bus.

Use 6F or, if required by law, 6B.

### C. Hotel or Country Club Bus - Class 72

A vehicle owned by and used by a hotel, summer camp, fishing camp, white water rafting enterprise, resort, golf or country club and the like for carrying guests, members or employees. The operation of the bus is secondary or incidental to the Insured's business.

### D. Private Bus - Class 7M

A vehicle that is owned by an employer or employee or hired/contracted by an employer and used to carry employees or passengers in connection with the activities of the business or a vehicle owned by an association, church or a charitable or similar organization, to carry passengers in connection with activities of the organization. Where the use of a vehicle does not meet the definition of Public, Hotel/Country Club or School Bus, it will be rated as a Private Bus.

### E. Van Pool - Class 7M

A vehicle owned by an employer and used for one round trip each day to carry commuting employees.

### F. Taxi - Class 7A

A vehicle that is not otherwise defined in this section, but is used for carrying passengers for compensation to a destination requested by the passenger.

**A copy of the completed Taxi Questionnaire must be submitted with the application.**

Attach END 6A and insert 'Taxi'.

#### Rating Notes

- Owner Driven Taxis**  
Discount no longer applies.

2. **Seating Capacity Exceeds Seven**
  1. Determine the Public Bus class based on the radius of operations as per Rule 307.A.
  2. Obtain the per seat rates from the rate page for Public Bus for Passenger Hazard BI and PD for the limits required and for Accident Benefits and UA. Factors for higher limits for Passenger Hazard BI are in Table B on the Rating Notes page and in Table C for Passenger Hazard PD.

**Passenger Hazard BI**

3. For the number of seats from 8-12 use the per seat rate for 1 – 12
4. Multiply the per seat rate by the number of seats from 8 – 12
5. For the number of seats over 12 use the per seat rate for 13 – 29.
6. Multiply the per seat rate by the number of seats in excess of 12 and add to the total from step 4.
7. If limits in excess of \$1,000,000 are required apply the excess limit factor from Table B.
8. Add the premium to the Passenger Hazard premium for Taxi

**Calculate the premium for Passenger Hazard PD, Accident Benefits and UA in the same manner.**

**Example - Passenger Hazard BI calculation for 15 seat taxi**

- The Passenger Hazard BI premium for \$2,000,000 for Taxi is \$1000.
- The Public Bus per seat rate for \$1,000,000 for seats 1-12 is \$18.00. The number of seat from 8-12 that exceeds 7 is 5. \$18.00 x 5 seats = \$90.
- The Public Bus per seat rate for \$1,000,000 for seats 13-29 is \$10.00. The number of seats that exceed 12 is 3. \$10.00 x 3 seats = \$30.
- Multiply \$120 (\$90 + \$30) by 1.218 (the factor for \$2,000,000 found on the Rating Notes page) = \$146
- Add \$146 to the Taxi Passenger Hazard BI premium of \$1000.

**3. Vehicles with Video Telematics**

Where a Taxi has an OBD-II Port connected telematics device with video recording and retrieval capability installed in the vehicle from an approved telematics service provider (an “Approved Provide”) allowing for the continuous monitoring of driving behavior, it may be eligible for one of the following Video Telematics Discount tiers:

Tier	Description	Discount
Tier 1	Driver/Vehicle Monitoring Service	3%
Tier 2	Driver/Vehicle Monitoring Services <b>and</b> personalized driver coaching	8%

The discount is applicable to all coverages.

**Conditions:**

- The discount is applicable at New Business or Renewal;
- All listed Taxi vehicles must be fitted with video telematics device from Approved Provider and the device must be kept in good working order;
- All listed Taxi Operators must be enrolled as drivers in the video telematics service;
- Facility Association Servicing Carriers will verify enrollment and type of service subscribed to at the time of New Business and each subsequent Renewal. The discount will be removed if service enrollment cannot be verified with the Approved Provider;
- Drivers will cease to be eligible fro the Video Telematics Discount in the event that they fail to significantly improve their Telematics Score within two (2) years of the initial enrollment.
- If Video Telematics services are discontinued by the Approved Provider, the discount will be removed effective Renewal.
- “Significant Improvement” is defined as moving up by two (2) quartiles in the overall score ranking as measured by the video-telematics safety score. (ex, from 4th quartile to 2nd quartile, or from 3rd quartile to the 1st quartile) **OR** the video-telematics safety score places a driver in the 1st quartile for minimum 9-consecutive months.

**G. Limousine Class 7B**

Attach END 6A and insert rated use of vehicle.

1. Private Passenger Vehicle (includes all vehicles listed in the Private Passenger Rate Group Tables, plus any similar type vehicles not specifically in the Rate Group Tables, such as but not limited to Passenger Vans and Stretch Limousines).
  - a) Airport – A vehicle used in the business of carrying passengers to and from an airport.
  - b) Excluding Airport – A vehicle used in the business of carrying passengers for compensation under contract for transporting passengers, or in connection with specific functions such as weddings, receptions and funerals.
2. For all uses listed above, code and rate as a Taxi.
3. Where seating capacity exceeds seven, rate as above and, for each seat over seven, add the per seat premium applicable to Passenger Bodily Injury and Accident Benefits for a Public Bus.
4. For vehicles manufactured as a bus and with a licence registration of a bus, code and rate as a Public Bus.

**H. Ambulance - Class 76**

If the seating capacity exceeds seven, submit full details to the Servicing Carrier.

Use the percentage applicable to Emergency or Non Emergency use. Attach END 6A and insert ‘Ambulance’ and ‘Emergency’ or ‘Non emergency’.

**Public**

A vehicle constructed, equipped and used for carrying people who require medical attention or are under medical care.

**Private Ambulance**

An ambulance as described above but used exclusively for the carrying of the Insured’s employees.

**I. Invalid Car - Class 76**

A vehicle constructed, equipped and used for the transportation of wheelchair passengers and other disabled persons.

If the seating capacity exceeds seven, submit full details to the Servicing Carrier.

Rate and code according to use. *For example:* If the vehicle is being used as a private bus, then rate as a private bus.

Attach the appropriate endorsement as indicated on the Rating Notes page.

**J. Funeral Vehicles - Class 75**

**Hearse/Casket Wagons**

A vehicle used for the transportation of coffins, caskets, and flowers.

**Funeral Carriage**

A vehicle used for the transportation of passengers to and from funeral services.

For other vehicles operated by a Funeral Director, see the Private Passenger or Commercial Section of the manual.

**K. Ride Hailing – Class 7C**

Attach END 6A and insert rated use of vehicle.

A vehicle used in connection with Ride Hailing is a motor vehicle, used to provide pre-arranged transportation of passengers for compensation through use of a transportation network.

Ride Hailing vehicles do not solicit, accept or transport passengers other than through the use of a transportation network.

Code and rate as a Taxi.

Where seating capacity exceeds seven, for each seat over seven, add the per seat premium applicable to Passenger Bodily Injury and Accident Benefits for a Public Bus.

**Rule 308: Rating**

**A. Rating for More Than One Use**

If a vehicle is being used for more than one purpose, the rates for each use must be compared and the premium for the higher rated use shall apply. If the rate for the other use is higher than the rate for the ‘public’ use, then the premium for Passenger Hazard Bodily Injury and/or Property Damage is not added to the premium for the other use.

*For example:* The Insured has a station wagon and has been contracted by the school board to transport children to and from school. The Insured also uses the vehicle for strictly pleasure use. The Insured is required by the school board to provide \$2,000,000 Passenger Hazard Bodily Injury; however, this is not a municipal by-law or a legislated requirement. The policy may not be issued for more than \$1,000,000 Passenger Hazard BI.

Maximum limits as follows will be provided as required by the Public Vehicles Act for public vehicles licensed under this Act.

Road Hazard Liability	\$1,000,000
Passenger Hazard Bodily Injury Limit	Seating Capacity
\$1,000,000	Up to 7 passengers
\$5,000,000	8 – 12 passengers
\$8,000,000	13 or more passengers
Passenger Property Damage	\$5,000

Public Use	Personal Use
Road Hazard Liability	
\$1,000,000	\$1,000,000
& Passenger BI	
\$1,000,000	
Class 71 school bus	Class 01

Assuming Class 01 is higher. The policy will be issued using the Class 01 premium. The Liability limit on the face sheet of the policy will show \$1,000,000.

END 6B must be attached. Under 2(a) the first and second lines will be completed with a limit of \$1,000,000. END 6B provides that while the vehicle is being operated as a school bus, the policy will provide \$1,000,000 Road Hazard and \$1,000,000 for bodily injury or death of one or more persons. If the Insured has an accident while driving the vehicle for pleasure the policy will provide \$1,000,000 liability. The passenger property damage should be shown separately.

The premium for 6B shall show as included on the face sheet of the policy.

**B. Liability Coverages**

The Liability premium is made up of three components:

1. Road Hazard Bodily Injury (BI) and Property Damage (PD)

2. Passenger Hazard Bodily Injury (PHBI)
3. Passenger Hazard Property Damage (PHPD)

Where the Schedule of Rates does not provide the premium for the required limit, an increased limit factor must be applied to the premium. The factors are found in the Limits Table at the beginning of the rate pages. Each coverage component has its own Table (A, B and C). In addition there is Table D which is used instead when a combined limit (where permitted) for Road Hazard and Passenger Hazard BI is required.

The Schedule of Rates may show separate premiums for each component or combined premiums for some.

If the limit exceeds \$1,000,000, an excess limit factor is applied to the premium for a limit of \$1,000,000.

### C. Physical Damage

Where a premium for a rate group or deductible is not shown on the rate page, first calculate the rate group premium by multiplying the base premium by the rate group factor, round to the nearest dollar, and then multiply by the deductible factor.

### D. Optional Accident Benefits

These rates are found at the foot of the School, Hotel & Country Club and Private Buses rate page.

### E. Premium Determination

Ensure that the vehicle is a public vehicle.

1. Establish the rating territory
2. Establish the rating class, including any special factors.
3. Establish the driving record
4. Establish the rating group and minimum deductible. Refer to the rate page and the rate per vehicle, per seat or percentage of underlying class.
5. Develop the total premium for each coverage
6. Apply any required U.S. exposure and currency differential surcharge.
7. Apply experience (fleet) rating or any accident / conviction surcharge.

### F. Types of Rating used for Public Vehicles

The premiums for public vehicles are developed on a 'per vehicle', 'per seat' or a 'percentage' of a private passenger, commercial or another public vehicle premium.

**'Per Vehicle'** If the heading on the rate page states 'per vehicle' the premium shown on the rate page is a premium applicable to the vehicle depending upon the territory, class, driving record, seating capacity and limit.

**'Per Seat'** If the heading on the rate page states 'per seat,' then to determine the premium for that coverage

**There are two methods of rating on per seat basis:**

#### 1. Public Bus, Hotel & Country Club and Private Bus,

Rates are based on 3 divisions of the seating capacity:

1-12 seats, 13-29 seats, 30+ seats.

*e.g.* 39 passenger bus, Class 70 Driving Record 0 - 200,000 person / 200,000 accident limits

##### a) Road Hazard BI and PD, DCPD

Take the premium for the seat division

RH BI is \$1712

RH PD is \$281

DCPD is \$1622

##### b) Passenger Bodily Injury

Calculate the premium at each seat division of the bus and combine them for the total premium.

First 12 seats =  $12 \times 94.95 = \$1139.40$

Next 17 seats =  $17 \times 47.76 = \$811.92$

Next 10 seats =  $10 \times 4.41 = \$44.10$

Total 39 seats = \$1995.42

BI Passenger Hazard Premium is \$1995.

##### c) Accident Benefits and Uninsured Automobile

Find the BASIC CHARGE for the Seating Capacity

\$773.58 AB and \$67.28 UA

Calculate the PER SEAT charge for only the number of seats in the particular seat division applicable to that bus  
*e.g.* 39 passenger bus is in the 30+ seat division with 10 seats from 30 to 39

AB =  $\$773.58 + 10 \times 8.14 = \$854.98$

UA =  $\$67.28 + 10 \times 0.71 = \$74.38$

#### 2. School Bus

Road Hazard BI and Passenger Hazard BI and PD and DCPD

There are four divisions of the Seating Capacity:

1-20, 21-40, 41-60 and 61+.

Determine the number of seats on the bus and choose the premium for the applicable coverage based on the BI and PD Limit or DCPD Deductible and driving record applicable.

*e.g.* 39 passenger bus Territory 1, Driving Record 0

Road Hazard BI = \$280

Road Hazard PD = \$45

BI Passenger Hazard = \$691

PD Passenger Hazard = \$88

DCPD (0 ded) = \$252

Accident Benefits and Uninsured Automobile

Find the BASIC premium for the applicable Driving Record. Add the sum of the Number of Seats multiplied by the Per Seat Charge.

*e.g.* for the 39 passenger bus at Driving Record 0

AB =  $58.33 + 6.61 \times 39 = \$316.12$

UM =  $5.07 + 0.57 \times 39 = \$27.30$

**'Percentage'** The rate page may show a class and a percentage. The premium is obtained by applying the percentage on the rate page to the premium for the class indicated at a Liability limit of \$200,000. The premiums for higher limits are obtained by applying the increased

limit factors in the rate pages. Note that public vehicles are to be rated as Driving Record 0, 1, 2 or 3 even where there may be a better driving record available for the underlying class.

### Rule 309: Driving Record

Driving record is the number of years of verified ‘Clear Record’. This rule does not apply to coverages that are experience (fleet) rated.

All vehicles shall initially be rated at Driving Record 0 unless the application is accompanied by (or the Servicing Carrier already has) proof of the accident free period and the ownership period required for a better driving record. If the Applicant claims entitlement to a driving record better than that permitted by the preceding paragraph and submits details of the previous insurance(s), the Servicing Carrier shall attempt to obtain confirmation of the previous experience. The claimed better driving record shall not be granted unless and until the entitlement is verified, but the re-rating shall then be backdated appropriately.

#### A. Clear Record

Throughout the period concerned:

There has been no accident involving the described vehicle or one for which it has been substituted;

and

The Applicant has owned the described vehicle or one of a similar type for which it has been substituted.

Ownership is established from the date on which the Applicant takes possession of the vehicle.

There is no requirement that drivers are accident free on other vehicles – the rating is determined from the vehicle history not the driver’s history.

#### B. Driving Record Entitlement

Period of confirmed Clear Record immediately preceding the commencement date of the period of insurance	Driving Record Entitlement
Less than 1 year	0
At least 1 year	1
At least 2 years	2
At least 3 years	3

**Notes:**

- The driving record established applies to all coverages concerned.
- Where an Applicant owns more than one vehicle, each vehicle’s driving record is established separately. Where an additional vehicle is acquired it shall develop its own driving record (initially at Driving Record 0). Where a vehicle is deleted an accident charged for on the deleted vehicle shall be transferred to a remaining vehicle with the lowest rated driving record.

- Where a vehicle replaces another it acquires the driving record of the replaced vehicle.
- Gaps in coverage, not in excess of 60 days, immediately preceding the effective date of the insurance shall not affect the assignment of driving record. Where no gap in coverage exists or there is a gap in coverage that does not exceed 60 days and, the risk has not deteriorated since the expiry of the previous policy, the driving record on the new policy shall equal no less than the driving record assigned on the previous policy.

*For example:* The Applicant has proof of accident free insurance from June 1, 1997 to May 15, 2000. The new policy will take effect June 1, 2000. The policy that expired May 15, 2000 was assigned Driving Record 2. The gap immediately preceding the effective date of the new policy is less than 60 days. The policy will be rated at Driving Record 3.

The Applicant has proof of accident free insurance from August 1, 1997 to July 15, 1999 and from August 1, 1999 to August 1, 2000. The new policy will take effect August 1, 2000. Although there was a 16 day gap in coverage in 1999, there has been no gap in coverage immediately preceding the effective date of the new policy. The policy that expired August 1, 2000 was rated at Driving Record 3. The vehicle will be rated at Driving Record 3. In other words, gaps that occurred before the Applicant’s last policy was written must be ignored.

Where there is a gap in excess of 60 days immediately preceding the effective date of the insurance, and the Insured provides a reason acceptable to the Servicing Carrier for the gap, the driving record shall be established by totalling the period of verified Clear Record in the past 3 years, and deducting from that the total period of gaps in coverage in the past 3 years. The result shall be rounded down to the next lowest number. The reason provided to the Servicing Carrier must be documented in the Servicing Carrier’s file. Otherwise the vehicle shall be rated at Driving Record 0.

### Rule 310: Rate Group

#### A. Public Bus

Determine the list price new and rate according to the ‘List Price New’ column on the Public Bus rate page.

#### B. Other Vehicles

Where the vehicle is listed in the CLEAR Rate Group Table in the Private Passenger Section of the manual, establish the CLEAR rate group. For similar type vehicles not specifically listed in the CLEAR Rate Group Table such as passenger vans and stretch limousines, determine list price new and obtain the rate group from Table A on the Rating Notes page in the Private Passenger Section.

For all other vehicles, determine the list price new and establish the rate group using Rate Group Table II in the Commercial section of the manual.

## Rule 311: Endorsement Forms and Wordings

Changes to standard approved forms are not permitted.

Rule 338: Endorsements Applicable to POL 1 (Owner's Policy) provides certain details and rating instructions for approved policy change forms. The descriptions are brief and reference must be made to the actual wordings of these forms to ascertain the full provisions and restrictions.

Certain OPCF Policy Change Forms require a signature. Where no signature is obtained, the policy may be cancelled in accordance with the Statutory Conditions or the endorsement may be deleted and the policy re-rated accordingly.

Provided the endorsement form does not indicate the expiry date of the policy term, once a policy change form has been signed, it need not be signed again on subsequent policy renewal terms.

## Rule 312: Not applicable

## Rule 313: Premiums

### A. Premium Quotations

The Agent/Broker is responsible for calculating premiums in accordance with this manual, including the 'base' premiums applicable to experience (fleet) rated risks. Experience rated risk premiums are calculated at Driving Record 0.

Where there is any doubt on the matter, the Servicing Carrier will be pleased to assist in establishing risk classifications, but the Servicing Carrier shall not make premium quotations except where the manual does not provide for the particular coverage required.

The Servicing Carrier shall require clarification from the Agent/Broker if the information on the application contradicts the quoted premium.

### B. Manual Rates

The rates published in this manual are for annual policy terms. For six month public vehicle policies charge 52% of the annual premium.

### C. Premium Rounding

The premium for each coverage shall be rounded to the nearest whole dollar. A premium that includes 50 cents or more shall be rounded up to the next whole dollar. (\$46.56 will be rounded up to \$47.00 and \$46.44 will be rounded down to \$46.00).

This applies to all premium transactions, including refunds except where the policy is cancelled by registered letter at the request of the Agent/Broker or by the Servicing Carrier. In that event, the return premium shall always be rounded up to the next whole dollar (\$45.10 will be rounded up to \$46.00).

### D. Minimum Premium/Minimum Retained Premium

The minimum premium for any automobile policy or renewal and, the minimum retained premium in the event of cancellation of the policy, is \$25, excluding service fee regardless of the term of insurance. The minimum retained premium must be stated on the declaration page of the policy.

## Rule 314: Policy Term

Every policy and renewal shall be issued for a term of either one year or six months.

A short term policy may be issued in the event that the vehicle/item is in transit in or through the jurisdiction, i.e. a single trip from a location within a jurisdiction in which Facility Association operates to another location within a jurisdiction in Canada or the continental U.S.A. The Servicing Carrier may accept an application for a short term policy and issue the policy accordingly or accept an application for a 6 or 12 month term and a cancellation voucher signed to provide coverage for only the shortened term.

The premium for the policy shall be calculated using the highest rated territory of the originating jurisdiction and the applicable short term table in this manual, subject always to the minimum retained policy premium. See also Rule 331 – Purchasing Vehicles in Jurisdictions Where FA Does Not Operate.

**Policies subject to Rule 335: Fleets cannot be issued for a term of less than 12 months.**

## Rule 315: Policy Changes

### A. A change to a policy shall not be processed if:

- a) The change is substantial e.g. the Insured is covered under POL 1 and now requires POL 4 or 6 instead. A new policy may be necessary. If in doubt, the Agent/Broker should contact the Servicing Carrier for direction. If a new policy is required, a new application must be submitted. The existing policy shall be cancelled pro rata.
- b) There is a change of the jurisdiction in which a vehicle is registered and the vehicle must be registered in the new jurisdiction. The insurance on the vehicle must be cancelled. Upon receipt of a copy of the replacing policy application, or temporary liability card from the new jurisdiction, the refund shall be calculated on a pro rata basis, subject to the minimum retained premium.

### B. Name of Insured When Adding or Deleting Vehicles

#### Leased Vehicles

- Where the Insured has a leased vehicle and is returning the vehicle to the lessor and replacing it with an owned vehicle, provided there is no change in the name of the Insured (lessee, i.e. the person who actually applied for the insurance), the change to remove the lessor's name from the policy and the vehicle substitution may be made by policy change. A release of the lessor's interest must be obtained or comparable notification of the change must be sent to the lessor by registered mail.
- Where an Insured has an owned vehicle, and is now obtaining a leased vehicle and disposing of the owned vehicle, the change to the vehicle and name of Insured may be made by endorsement, provided there is no change in the name of the Applicant, other than to add the lessor's name to the policy.
- In situations where the Insured has an owned vehicle and a leased vehicle, separate policies are not necessarily required for each vehicle.
- Where an Insured has two or more vehicles leased from different leasing companies, a separate application is required for each vehicle.

#### Owned Vehicles

##### Two or More Names as Registered Owner of the Vehicle:

Where an application is received for vehicle(s) registered in two names, such as Pat and Drew Doe, the application must be signed by both parties. In the event the policy is to be cancelled at the Insured's request, both signatures are required on the request for cancellation. If the situation is other than the Applicant and spouse, refer to the Servicing Carrier prior to quoting or binding to verify the rating.

### Two or More Vehicles Registered to Different Names:

If the Applicant has vehicles leased from different leasing companies or, one vehicle registered for example one in one person's name and the other in another person's name, separate policies must be maintained.

If the Applicant has vehicle(s) leased from the same leasing company and owned vehicle(s), separate policies may not be necessary.

Where it is discovered in the middle of the policy term, that a single policy has been issued with two (or more) vehicles, one registered in one name and one in another name, both signatures shall be required on any subsequent request for cancellation of the policy or deletion of a vehicle or coverage. Separate policies must be issued at the time of next renewal.

### C. Amending or Deleting Coverage on Vehicles with Lessees or Lienholders

Where physical damage coverage is being amended or deleted on a leased vehicle or a vehicle on which there is a lienholder, the Servicing Carrier must send a notice to the lessor or lienholder to advise of the coverage being amended or deleted and the effective date of the transaction.

### D. Binding Coverage - Policy Changes

If the change involves a vehicle for which proof of insurance has been filed or is required, please also see Rule 324: Proof of Insurance. Before binding coverage the Agent/Broker must collect or assume responsibility for any indicated additional premium. In the case of a policy on Direct Bill, contact the Servicing Carrier for procedures.

Where a vehicle is being added or substituted, a copy of the valid vehicle registration will be required with the request for the policy change. If the registration cannot be submitted with the request for policy change, a copy of the registration must be submitted within 30 days of binding coverage.

Where a copy of the registration is not provided, the following shall apply:

- The vehicle(s) shall be added or substituted at the correct premium.
- If any registration is not provided within 30 days of the date requested by the Servicing Carrier, the policy shall be cancelled by registered letter.
- If the missing registration(s) is provided before the cancellation takes effect, the policy may be reinstated.
- Agent/Broker may submit a new application for the vehicles meeting the registration requirement.

NOTE: No policy shall be written for vehicles branded 'irreparable'.

Before optional physical damage coverage can be bound on a vehicle branded as 'salvage' or 'rebuilt', a valid vehicle registration and, at the Servicing Carrier's

discretion, a current safety certificate must be provided to the Servicing Carrier with the policy change request.

#### Procedure of notification

- 1) The Agent's/Broker's procedure for reporting changes to the Servicing Carrier must be acceptable to the Carrier. The request for change must be made in writing and specify the effective date and the effective time.
- 2) Faxed or mailed policy change requests are acceptable.
- 3) If the policy change request cannot be sent to the Servicing Carrier on the date the Insured makes the request, it must be sent to the Servicing Carrier on the next working day.
- 4) The Servicing Carrier shall normally issue any required endorsement, updated Certificate of Insurance (if required) and permanent liability card (if required) within 30 days of the effective date of the change.
- 5) Coverage may not be shown as effective prior to the date and time that the request was received by the Agent/Broker from the Insured, except when contractual coverage exists automatically under the policy and notice is given within the time permitted. A permissible policy change is in effect as of the time and date requested.

#### E. Deletions of Vehicles and Coverages

- a) If the request for deletion is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) within 30 days of the date the deletion is to be effected, the deletion shall take effect at 12:01 a.m. on the date that it was requested to be effective. In the event that the deletion was specifically requested to be effective at a time other than 12:01 a.m., the deletion shall be effected at 12:01 a.m. the following day.

*For example:* The Insured requests deletion of the vehicle/coverage to be effective September 5. The deletion request is received by the Agent/Broker on September 20. The Servicing Carrier will issue the policy change effective 12:01 a.m. September 5. If the Insured requested the deletion to be effective at 3:40 p.m. on September 5, the Servicing Carrier will delete the vehicle/coverage effective 12:01 a.m. on September 6.

- b) If the request for deletion is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) more than 30 days after the date the deletion was requested to be effected, the deletion shall take effect at 12:01 a.m. on the date that the deletion request is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured).

*For example:* The Insured requests deletion of a vehicle/coverage to be effective September 5. The deletion request is received by the Agent/Broker on October 10. The Servicing Carrier will delete the vehicle/coverage effective 12:01 a.m. October 10.

#### NOTE for a) and b)

If the date the request was received by the Agent/Broker is not evident, the Agent/Broker will be asked to provide proof of the date received acceptable to the Servicing Carrier. If proof cannot be provided, the request will be processed effective 12:01 a.m. on the date received by the Servicing Carrier.

- c) In the event that the vehicle has been sold, and a copy of the bill of sale satisfactory to the Servicing Carrier is produced, the vehicle shall be deleted the day after the vehicle is sold regardless of what that date might be.

*For example:* The vehicle was sold June 5. The Servicing Carrier does not receive the request to delete until September 5. If the Insured can produce a satisfactory bill of sale, the Servicing Carrier will delete the vehicle effective 12:01 a.m. June 6.

- d) In the event that a vehicle has been written off in a claim, deletion shall not be effected prior to the day after the loss occurred. If the request for vehicle deletion is received more than 30 days after the date of loss, the deletion shall be effected:
  - i) The day after the salvage is signed over to the Insurer; or
  - ii) The date the policy is no longer under the temporary substitute auto provision, if that date is later than the date salvage was signed over.

*For example:* The vehicle has been written off in a claim June 1. On September 1 the Servicing Carrier receives a request to delete the vehicle effective June 1. Upon checking with the claims department, the Servicing Carrier ascertains that salvage was signed over to the claims department on June 15. However, the Insured had a rental vehicle covered under the policy's temporary substitute auto coverage until June 20. The Servicing Carrier will delete the vehicle effective 12:01 a.m. June 21.

- e) In the event the Insured has placed coverage through the voluntary market, upon receipt of a copy of the replacing policy application or temporary liability card, the Servicing Carrier shall delete effective the date that the replacement coverage took effect.

Servicing Carriers shall proceed with deletion as outlined in a) or b) unless the Servicing Carrier is aware or is made aware, that the circumstances outlined in points c), d) or e) exist.

### F. New or Replacement Driver

If the change includes an additional or replacement driver, the Servicing Carrier shall be required to verify the driving history by ordering:

- a) Driver record abstract obtained from the appropriate government department in each Canadian or U.S. jurisdiction in which the new or replacement driver has been licensed in the previous three years.
- b) Since the rating is determined from the vehicle history not the driver's history, there is no requirement that drivers are accident free on other vehicles and, consequently, previous insurance history on the additional or replacement driver(s) is not required.
- c) See special instructions under Rule 335: Fleets.

If the information is different from that reported, to the extent that the premium or coverage requires amendment, the Servicing Carrier shall promptly issue a correcting endorsement.

### G. Midterm Policy Change Premium Calculation

In regard to the period licensed, period of ownership, the period since the date of an accident, the period since the date of a conviction, the rating is always based on the position as at the effective date of the policy period, (or, in the case of a subsequent addition/substitution of a driver or addition of a vehicle as at the addition/substitution date). Midterm rerating is NOT permissible in respect of changes that occur in regard to those matters during the period of insurance merely because of the lapse of time. Midterm change due to age is permissible, provided a request is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) within 30 days of the birthday. If the request is received after 30 days, then the change will be effective at 12:01 a.m. following the date the Agent/Broker (or Servicing Carrier if received directly from the Insured) receives the request and back dating will not be permissible.

#### Rates to be used

##### Addition of a vehicle:

Rates in effect at the effective date of the transaction.

##### Addition of a coverage or other midterm transactions:

Rates in effect at the start of the policy period.

##### Method of premium calculation:

Premiums for midterm policy changes are calculated pro rata by using the Day Table.

##### Minimum premiums for midterm changes:

A minimum additional premium of \$5 shall be charged for any transaction that includes one or more of the following, regardless of the period of insurance:

- addition of a vehicle or a coverage
- increase of a Liability limit
- decrease of a deductible

**Note 1:** Any additional premium of less than \$5 may be waived by the Servicing Carrier unless mentioned above. Return premiums may not be waived.

**Note 2:** When a vehicle, not newly acquired, is substituted for another on the policy or added to the policy for less than 7 days, there will be a \$50 charge for each such transaction in excess of 2 in a 30 day period or more than 12 in a 12 month period.

## Rule 316: Renewals

### A. Before issuing a Renewal:

If the renewal involves a vehicle for which proof of insurance has been filed or is required – see Rule 324: Proof of Insurance.

Public vehicles may require the Agent/Broker to determine whether the information on record and/or coverages needs revision or updating.

A driver record abstract must be obtained for those risks where eligibility or rating is dependent upon driving history. These must be ordered on all drivers prior to every renewal.

Abstracts must be ordered on 6 month renewals as well as 12 month renewals.

Renewals on policies shall only be offered for annual or six month terms.

NOTE: Any risk where abusive or threatening behaviour of the Insured/Applicant/Driver within the previous 3 years has created a safety concern for Facility Association staff, Servicing Carrier staff or a representative acting on behalf of either and circumstances have been reported to police shall be non-renewed.

### B. Accidents Occurring Between Renewal Process Date & Effective Date

Once a renewal or offer to renew has been processed, and accepted by the Insured, if the Servicing Carrier receives notice of an at fault loss that occurred prior to the renewal's effective date, the Servicing Carrier shall not amend the renewal rating accordingly but charge for the at fault loss on the next renewal.

### C. Renewal Processing

#### 1. Other than Direct Billing Servicing Carrier Responsibilities

The renewal documents shall be issued by the Servicing Carrier and must reach the Agent's/Broker's address no later than 45 days prior to the policy's current expiry date.

**Agent/Broker Responsibilities**

Before releasing any renewal documents the Agent/Broker must collect or assume responsibility for the full renewal premium. In the case of experience (fleet) rated risks, where renewals may be late due to missing information, the Agent/Broker is responsible for the premium calculated at Driving Record 0. For other than experience rated risks, if the Servicing Carrier is unable to issue renewals in the required time period, the Agent/Broker must issue a temporary liability card to the Insured and collect a downpayment based on the estimated annual premium for the upcoming renewal term.

**or**

Obtain a fully completed premium finance contract together with the full downpayment required and promptly send that contract to the premium finance company.

**Renewal not accepted**

If the renewal is not accepted by the Insured, the Agent/Broker must submit one of the following acceptable evidence of renewal refusal to the Servicing Carrier:

- a) Return all the renewal documents (including liability cards) to the Servicing Carrier;  
OR
- b) Written confirmation that the renewal has been returned complete with liability cards to the Agent/Broker AND that the documents were destroyed in the Agent/Broker's office;  
OR
- c) Provide a signed (i.e. written, electronic or auto signature) request from the Insured to cancel the policy effective the renewal date.

If the evidence of renewal refusal is received by the Servicing Carrier within 15 days of the renewal's effective date, a full refund shall be credited to the Agent's/Broker's Facility Association account. If evidence of renewal refusal is not received within 15 days, the renewal shall be cancelled on a pro rata basis effective the date it is received by the Servicing Carrier. The Agent/Broker shall be responsible for earned premium or minimum retained premium whichever is greater.

Renewals where acceptable evidence of refusal has been submitted to the Servicing Carrier for cancellation may not be reissued unless the Servicing Carrier receives instructions no later than the renewal's effective date and the Agent/Broker collects or assumes responsibility for the full premium as outlined above.

If the renewal date has passed and the insurance is again required, there must be a new application and a new policy issued.

**2. Direct Billing Renewals****Servicing Carrier Responsibilities**

- a) For each policy an offer to renew shall be issued by the Servicing Carrier. The offer to renew must reach the Insured's last known address no later than 30 days prior to the policy's current expiry date.

- b) The payment due date must be clearly indicated on the offer to renew and must be the same as the policy's current expiry date.
- c) If the required premium is received by the Servicing Carrier no later than 15 days after the payment due date, the Servicing Carrier shall promptly issue the appropriate renewal documents to the Insured.
- d) The renewal documents must not be released by the Servicing Carrier until the full premium is received or the required first payment is received on time by the Servicing Carrier (by first payment due date if a deferred premium payment plan is available). If this rule is followed, neither the Carrier nor the Agent/Broker incurs any responsibility for the premium. If the Servicing Carrier follows any other unauthorized procedure, the Servicing Carrier will be responsible for the earned premium for the time on risk calculated on a pro rata basis and will be required to stop offering a Direct Bill option.

**Payment Not Received**

If the required payment is not received by the Servicing Carrier within 15 days of the payment due date, the policy shall be treated as though it has expired and the Servicing Carrier shall advise the Agent/Broker accordingly within the following 10 days.

**Rule 317: Cancellations****A. Midterm Cancellation - Effective Date****1. Received by Agent/Broker within or Servicing Carrier within 30 days**

If the request for midterm cancellation is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) within 30 days of the date the cancellation is to be effected, and no effective time is requested, the cancellation shall take effect at 12:01 a.m. on the date it was requested to be effective. In the event that the cancellation was specifically requested to be effective at a time other than 12:01 a.m., the cancellation shall be effected at 12:01 a.m. the following day.

*For example:* The Insured requests cancellation of the policy to be effective August 5. The cancellation request is received by the Agent/Broker on August 20. The Servicing Carrier shall cancel the policy effective 12:01 a.m. August 5. If the Insured requested cancellation to be effective at 3:40 p.m. on August 5, the Servicing Carrier shall cancel the policy effective 12:01 a.m. on August 6.

Note: For Flat cancellations of renewals, refer to Rule 317:E.4.

## 2. Received by Agent/Broker or Servicing Carrier after 30 days

If the request for cancellation is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) more than 30 days after the date the cancellation was requested to be effected, the cancellation shall take effect at 12:01 a.m. on the date that the cancellation request is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured).

*For example:* The Insured requests cancellation of the policy to be effective September 5. The cancellation request is received by the Agent/Broker on October 10. The Servicing Carrier shall cancel the policy effective 12:01 a.m. October 10.

NOTE for 1. and 2.

If the date the request was received by the Agent/Broker is not evident, the Agent/Broker will be asked to provide proof of the date received acceptable to the Servicing Carrier. If proof cannot be provided, the request will be processed effective 12:01 a.m. on the date received by the Servicing Carrier.

## 3. Received by Servicing Carrier after 30 days and vehicle sold

In the event that the vehicle has been sold, and a copy of the bill of sale satisfactory to the Servicing Carrier is produced, the policy shall be cancelled the day after the vehicle is sold regardless of what that date might be.

*For example:* The vehicle was sold June 5. The Servicing Carrier does not receive the request to cancel until September 5. If the Insured can produce a satisfactory bill of sale, the Servicing Carrier will cancel the policy effective 12:01 a.m. June 6.

## 4. In the event of a total loss

In the event that a vehicle has been written off in a claim, cancellation shall be effected:

- a) The day after the salvage is signed over to the Insurer,
- or**
- b) The date the policy is no longer providing coverage on a rental vehicle under the temporary substitute auto provision, if that date is later than the date salvage was signed over.

*For example:* The vehicle has been written off in a claim June 1. On September 1 the Servicing Carrier receives a request to cancel the policy effective June 1. Upon checking with the claims department, the Servicing Carrier ascertains that salvage was signed over to the claims department on June 15. However, the Insured had a rental vehicle covered under the policy's temporary substitute auto coverage until June 20. The Servicing Carrier will cancel the policy effective 12:01 a.m. June 21.

## 5. Coverage placed in Voluntary Market

In the event the Insured has placed coverage through the voluntary market, upon receipt of a copy of the replacing policy application or temporary liability card, the Servicing

Carrier shall cancel the policy effective the date that the replacement coverage took effect.

Servicing Carriers shall proceed with cancellation as outlined in points 1 or 2 unless the Servicing Carrier is aware or is made aware, that the circumstances outlined in points 3, 4 or 5 exist.

## B. Policies with Lessors or Lienholders

If the policy is being cancelled at the Insured's request, a release of interest must be obtained from the lessor or the lienholder. In the event the Servicing Carrier does not receive a release of interest from the lessor, a notice is to be sent to the lessor by registered mail to advise that the policy is being cancelled and the effective date of cancellation. If no release is received from the lienholder, a notice is to be sent to the lienholder (registered mail is not required) to advise that the policy is being cancelled and the effective date of cancellation.

If the policy is being cancelled at the Agent's/Broker's request or Servicing Carrier's initiative by registered letter, a copy of the registered letter must be sent to the lessor or lienholder by registered mail.

## C. Where Proof of Insurance Has Been Filed

If proof of insurance has been filed, the notice period required by the authority must expire before cancellation can be effected and therefore, the Servicing Carrier shall cancel the policy effective the date the notice period expires. (See Rule 324: Proof of Insurance.)

## D. Policy is Financed Through a Premium Finance Company

If a return premium is payable on a policy financed with a premium finance company, the gross refund is to be sent directly to the premium finance company regardless of the reason for cancellation. The Agent's/Broker's account shall be debited with the amount of the premium refund sent to the premium finance company.

## E. Cancellation – Procedures

### 1. Cancellation at the request of the Insured or the Premium Finance Company – Broker Bill & Direct Bill

Cancellation requested by the Insured or the premium finance company under power of attorney must be made in writing in a format suitable to the Servicing Carrier.

The Facility Association shall accept faxed signed and dated cancellation requests.

### The return premium shall be calculated as follows:

For public vehicles being placed in the voluntary market, calculate on a pro rata basis using the Day Table subject to any applicable minimum retained premium.

For public vehicles not being placed in the voluntary market use Short Term Table 1 or 2 subject to any applicable minimum retained premium.

If the policy is on Broker Bill, the Servicing Carrier shall credit the Agent's/Broker's account with the unearned premium refundable unless the premium is financed through a premium finance company.

**If the service fee has been capped, see Rule 321.**

## **2. Cancellation at the request of the Agent/Broker – Broker Bill**

### **When additional premium cannot be collected on original quote**

If the Agent/Broker cannot collect the additional premium arising from an increase to the premium originally quoted for new business:

- a) The Agent/Broker must advise the Servicing Carrier of the amount of premium collected (including service fee and provincial sales tax) and request that a notice of cancellation be issued to the Insured.
- or**
- b) The Agent/Broker must have the policy signed off. Facility Association shall accept faxed signed cancellation requests.

**If the service fee has been capped, see Rule 321.**

If the Agent/Broker reports non-payment of the additional premium within 30 days of receiving notice of those increases, the earned premium for cancellation shall be calculated pro rata on the Agent's/Broker's originally quoted premium. Otherwise, the earned premium shall be calculated pro rata on the revised premium. If a subsequent application is submitted by the same Agent/Broker to the same Servicing Carrier for substantially the same risk within 30 days of the effective date of cancellation of the first policy and, the Agent/Broker reports non-payment of additional premium, the earned premium shall be calculated pro rata on the revised premium.

Note: For policies for which premium is paid direct to the Servicing Carrier and the Carrier initiates cancellation the words 'agent/broker' will be read to mean Servicing Carrier.

### **When outstanding premium cannot be collected in all other cases**

#### **Agent/Broker Responsibilities**

If cancellation of a policy is requested by the Agent/Broker due to inability to collect the full policy/renewal premium or a subsequent additional premium, the Agent/Broker will be responsible for the time on risk charge which will be pro rata of the full premium.

The Agent/Broker must advise the Servicing Carrier of the amount of premium collected (including service fee and provincial sales tax) and request that a notice of cancellation be issued to the Insured.

### **Servicing Carrier Responsibilities**

The Servicing Carrier shall promptly issue a registered notice of cancellation in accordance with the Statutory Conditions. The earned premium for cancellation shall be calculated pro rata on the full term premium at the time of cancellation.

When the Servicing Carrier issues a registered letter of cancellation, any unearned premium shall be refunded directly to the Insured (unless the policy is financed through a premium finance company) and the Agent's/Broker's account shall be debited for the amount of the refund and credited for the unearned premium.

### **3. Cancellation of Late Issued Renewals**

If the Servicing Carrier is unable to issue renewals in the required time period, the Agent/Broker must issue a temporary liability card to the Insured and collect a downpayment based on the estimated annual premium (or the estimated semi-annual premium for 6 month policies) for the upcoming renewal term.

#### **Once the renewal is issued**

If the Insured does not accept the renewal premium, the Agent/Broker shall advise the Servicing Carrier of the amount of premium collected and request that notice of cancellation be issued to the Insured **or** shall have the Insured sign off the policy.

The Servicing Carrier shall then issue a registered letter of cancellation in accordance with the Statutory Conditions or issue the necessary cancellation documents. The earned premium shall be calculated pro rata based on the previous term premium.

## **4. Flat Cancellation**

### **New Policy**

Flat cancellation of a new policy is not allowed except as provided under Rule 317: Flat Cancellation Exceptions.

### **Additional Premium Policy Change**

Flat cancellation of an additional premium policy change is not allowed.

### **Renewal**

If evidence of renewal refusal is supplied by the Agent/Broker (per Rule 316) is received by the Servicing Carrier within 15 days of the renewal's effective date, a full refund shall be credited to the Agent's/Broker's Facility Association account. If evidence of renewal refusal is not received within 15 days, the renewal shall be cancelled on a pro rata basis effective the date it is received by the Servicing Carrier and the Agent/Broker shall be responsible for earned premium. A written request acceptable to the Servicing Carrier, for cancellation

## **5. Cancellation of Renewals in Outlying Areas**

No longer applicable

## **6. Flat Cancellation Exceptions**

- 1) Any policy returned to the Servicing Carrier complete with liability cards, prior to the effective date of the policy, may be cancelled flat.

- 2) Any policy returned to the Agent/Broker complete with liability cards and destroyed in the Agent/Broker's office, with written confirmation from the Agent/Broker provided to the Servicing Carrier, prior to the effective date of the policy, may be cancelled flat.
- 3) If a cheque or electronic payment received for a new policy or renewal premium or, for the first instalment is not honoured by the financial institution, flat cancellation shall be allowed to the Agent/Broker provided that:
  - a) The cheque was dated and issued on or before the effective date of the policy period concerned or the electronic payment was made on or before the effective date of the policy period concerned; **and**
  - b) The cheque was immediately deposited; **and**
  - c) If financed under a contract with a premium finance company the full down payment required under the terms of the contract; **and**
  - d) The return of the cheque by the financial institution or dishonour of the electronic payment is promptly reported to the Servicing Carrier. A copy of the cheque front and back must be provided to the Servicing Carrier.

**However, on the registered letter of cancellation to the Insured, the Servicing Carrier shall request payment of the full pro rata time on risk charge.**

## 7. Cancellation initiated by the Servicing Carrier

### Non-Payment – Direct Bill

If premiums are paid directly to the Servicing Carrier, the Servicing Carrier may cancel an insurance policy for non-payment of premium. The earned premium shall be calculated pro rata.

### Other Circumstances

The Servicing Carrier may not otherwise cancel an insurance policy unless approval of such action is contained elsewhere in this manual or is obtained in the manner prescribed by the Association's Board of Directors.

## F. Refund Calculation

### 1. Insured's Request

For a policy cancellation requested by or on behalf of the Insured (e.g. requested by a premium finance company) the premium refund shall be calculated in accordance with the Short Term Tables, unless a pro rata cancellation is being allowed because the risk is being placed in the voluntary market. If the service fee has been capped, see Rule 321.

### 2. Any Other Reason

Where the policy is being cancelled for any other reason (e.g. by registered letter) the premium refund shall be calculated on a pro rata basis using the Day Table.

## Rule 318: Time on Risk Tables

### A. Pro Rata

#### Calculation for Endorsements & Cancellations

Using the Day Table on the next page:

1. Determine the factor that corresponds to the policy's expiry month and day. *For example* March 26 is .233. Express the policy's expiry date in a decimal format by combining the year and the factor. March 26, 1999 would become 1999.233.
2. Determine the factor that corresponds to the effective date of the policy change or cancellation and express that date in a decimal format. If the effective date of policy change is November 20, 1998 that would be expressed as 1998.888. Note that if the effective date of change or cancellation is February 29, it should be treated as February 28.
3. Subtract the second number from the first.  
Policy expiry date 1999.233  
Policy change date 1998.888  
Refund/change factor .345
4. Where the policy is a six month policy, double the refund/change factor.
5. For a policy cancellation, the refund is calculated by multiplying the policy premium as of the cancellation date by the refund/change factor. The policy premium is the full term premium for the coverage in force at the time of cancellation. Minimum retained premium must be taken into consideration.
6. For a policy change, the additional/return premium is obtained by multiplying the full term premium for the change by the refund/change factor.

**B. (Pro Rata) Day Table**

January			February			March			April			May			June		
Day of month	Factor	Day of year	Day of month	Factor	Day of year	Day of month	Factor	Day of year	Day of month	Factor	Day of year	Day of month	Factor	Day of year	Day of month	Factor	Day of year

### C. Short Term Tables

#### Public Vehicles

For a policy cancellation use Short Term Table No.1 or No. 2. For a short term policy, use Short Term Table No. 1.

#### Cancellation requested by or on behalf of Insured

1. Referring to the Day Table calculate the number of days the policy has been in force.
2. Referring to Table No. 1 (in the case of an annual policy) or Table No. 2 (in the case of a six month policy), determine the 'percentage of premium'.
3. Subtract that percentage from 100% to determine the 'refund percentage'.
4. Apply the refund percentage to the full term policy premium as at the cancellation date. Minimum retained premium must be taken into consideration.

#### Calculating premium for a Short Term policy:

1. Referring to the Day Table, calculate the number of days the policy has been in force.
2. Referring to Table No. 1, determine the 'percentage of premium'.
3. Apply that percentage to the annual premium. Minimum retained premium must be taken into consideration.

SHORT TERM TABLE No. 1				SHORT TERM TABLE No. 2

### Rule 319: Reinstatements

**A. A policy may only be reinstated if:**

- a) The Servicing Carrier receives instructions not later than the day before the cancellation takes effect. This includes instructions from a premium finance company. Where the Agent/Broker has not forwarded payments to a premium finance company, the policy cannot be reinstated. Cancellation takes effect at 12:01 a.m. e.g. If the policy is to be cancelled effective July 1, the request for reinstatement must be received by the Servicing Carrier before midnight June 30. If the cancellation has taken effect, the policy cannot be reinstated and a new application must be completed. Any unpaid earned premium under the policy due to the Servicing Carrier must be paid with the new application.
- b) The policy was cancelled for non-payment, and the full required premium is received (by cash, money order or certified cheque from the Insured) or there is written confirmation from the Agent/Broker assuming full responsibility for that premium. Where a refund cheque accompanied the registered letter, the amount of the refund cheque must also be obtained from the Insured (by cash, money order or certified cheque) or the Agent/Broker shall assume full responsibility for that amount.

**B. When a policy is reinstated**

When a policy is reinstated, the Servicing Carrier shall issue a notice of reinstatement. If necessary, the Agent/Broker or Servicing Carrier shall issue a temporary or permanent liability card. If proof of insurance was cancelled, the necessary proof of insurance shall be reissued.

### Rule 320: Service Fee Schedule (Commission)

**Where risks are ‘experience rated’, there is no cap; however, the maximum commission rate shall not exceed 7 ½ % per vehicle.**

Public Vehicles	Experience Rated	Individually Rated	Cap
Public Bus Class 70, 73, 74, 78	6%	6%	\$370
School Bus Class 71	7.5%	10%	\$370
Hotel Country Club Class 72	7.5%	10%	\$370
Private Bus Class 7M	7.5%	10%	\$370
Taxi Class 7A	6%	6%	\$370
Limousine Class 7B	6%	6%	\$370
Ride Hailing Class 7C	6%	6%	\$370
Van Pool Class 7M	7.5%	10%	\$370
Ambulance Class 76	7.5%	10%	\$370
Funeral Vehicles Class 75	7.5%	10%	\$370
Short Term Rental Class 7M	7.5%	10%	\$370
Ride Sharing Class 7N	7.5%	10%	\$370

**No other additional fee for service may be charged.**

### Rule 321: Service Fee

Facility Association premiums are published on a net of commission basis. Agents/Brokers are compensated by means of a service fee. The service fee is subject to a maximum amount (cap) per vehicle in most circumstances. The service fee is legally a part of every premium. Premium is the net premium plus service fee.

The fee is charged on a per vehicle basis including the premium for applicable policy changes.

The fee is subject to a cap per vehicle per policy term for all public vehicles except those that are experience (fleet) rated. Please see the service fee schedule. For vehicles on 6 month policies, the cap is 50% of the annual cap shown on the schedule.

The service fee must be shown on the application (in the Additional Charges Column if possible) as ‘Facility Association Service Fee’ and must be added to the net premium to produce the total policy premium.

The policy documents for all premium transactions must show the net premium, 'Facility Association Service Fee' and total amount payable. Every registered notice/letter of cancellation must show the earned premium, earned service fee and applicable provincial sales tax.

### A. Broker Bill

At the time of binding an application for insurance, the Agent/Broker shall calculate the service fee subject to the cap. When the policy is issued or an additional premium policy change is issued, the Servicing Carrier shall debit the Agent's/Broker's account with the net premium account. The fee shall not appear on the statement as an amount payable. The Agent/Broker remits the premium only to the Servicing Carrier and retains the fee. When the Insured requests that the policy be cancelled, or that a coverage or vehicle be deleted, the Servicing Carrier shall credit the Agent's/Broker's account with the unearned premium and it is the Agent's/Broker's responsibility to refund the unearned service fee and applicable provincial sales tax.

Where the Agent/Broker is requesting cancellation by registered letter for non-payment, it is the Agent's/Broker's responsibility to inform the Servicing Carrier of the amount of premium including service fee and provincial sales tax collected from the Insured. Failure to do so may make the cancellation null and void and will leave the Agent/Broker open to an errors and omissions risk. When issuing the registered letter, the Servicing Carrier must refund the unearned portion of the premium to the Insured including the unearned service fee and applicable provincial sales tax. Failure to do so would make the cancellation null and void. The Servicing Carrier shall then debit the Agent's/Broker's statement for the unearned premium, service fee and provincial sales tax refunded to the Insured.

### B. Sample Worksheet for Service Fee Calculation on Policy changes

At the time of binding an application for insurance, the Agent/Broker shall calculate the service fee subject to the cap. When the policy is issued or an additional premium policy change is issued, the Servicing Carrier shall credit Agent's/Broker's account with the service fee. The Servicing Carrier shall pay the Agent/Broker the credited service fee within 30 days of the accounting month's close.

When the Insured requests that a policy be cancelled, or that a coverage or vehicle be deleted, or the Servicing Carrier is required to cancel the policy for non-payment, the unearned service fee shall be debited to the

Agent's/Broker's account. The Agent/Broker must pay the Servicing Carrier the amount of debited service fee within 30 days of the accounting month's close.

### C. Collection of Charges in Excess of Service Fee

The collection of any fee or additional charge in excess of the service fee is expressly forbidden. The Agency-Broker/Servicing Carrier Agreement states in note 3 of Exhibit A 'No other additional fee for service may be charged'. To charge an additional fee would constitute a breach of the agreement. In addition, the law requires that Facility Association rates must be those filed with and approved by the Financial Services Commission of Ontario and that Agents/ Brokers comply with the Facility Association Plan.

The definition of 'rate' like 'premium' includes any commission or fees and an Agent/Broker who collects an additional charge on a Facility Association policy is in contravention of the Act.

### D. Calculation of the Capped Service Fee

In order to calculate the service fee (commission) for any kind of transaction (new business, renewal, additional premium or return premium policy change or cancellation):

#### Step 1

Commission % X Total Net Premium to Date (including this transaction) = Uncapped Fee to Date

#### Step 2

Determine the capped fee for the period of time the vehicle is insured.

#### Step 3

Choose the lesser of the result from Step 1 or Step 2. The cap is calculated per vehicle, and is dependent on the length of time the vehicle is insured.

*For example*, if a vehicle is added to the annual policy after 3 months, the cap would be reduced from \$370 to \$278 (9 months/12 months = .75 x \$370 = \$278)

The following table provides an example of the activity and resulting fee attributable to one policy. Note: This is an illustration and not meant to reflect the actual premiums associated with any transaction.

TRANSACTION		PREMIUMS		SERVICE FEE			
Date	Type	This Transaction	Net to Date	Fee Calculated @ 10 %	Cap	This Transaction	Fee Charged/ Credited
Oct. 1	New business	4,000	4,000	400	370	370	370
Nov. 1	Delete Collision	-1,000	3,000	300	370	-70	300
Dec. 1	Add Comp	100	3,100	310	370	10	310
Jan. 1	Add Collision	800	3,900	390	370	60	370
Feb. 1	Increase limits	50	3,950	395	370	----	370
Jul. 1	Cancel policy	-400	3,550	355	278	-92	278

**Calculation of the Capped Service Fee**

**Examples:**

On October 1st, one vehicle is insured for a 12 month term. The premium is \$4000. The uncapped fee at 10% would be \$400 and this is capped at \$370.

On November 1st, the Insured deletes Collision resulting in a return premium of \$1,000. The total premium for the 12 months is now \$3,000 that generates \$300 fee. Therefore, \$70 of the previously collected \$370 must be returned.

On December 1st, the Insured adds Comprehensive, resulting in an additional premium of \$100, for a total 12 month premium of \$3,100. This results in an uncapped fee of \$310. This is less than the cap and a charge of \$10 (the difference between \$310 and \$300) is made.

On January 1st, the Insured adds Collision at a cost of \$800. This results in a new 12 month premium of \$3,900. The resulting uncapped fee at 10% equals \$390. This is more than the \$370 cap and thus the cap comes into play. Since the fee has not already reached the cap, there is an additional fee of \$60 to be charged for this transaction.

On February 1st, the Insured increases the liability limit on the policy, which results in an additional premium of \$50. The total 12 month premium becomes \$3,950 and the uncapped fee would be \$395. Since the fee has already reached the cap, there is no additional fee to be charged for this transaction.

On July 1st, the Insured cancels the policy. The premium for the 9 month period is \$3,550. The uncapped fee would be \$355. Since the policy period for this vehicle is now 9 months, the cap is decreased accordingly and becomes \$278. (9 months/12 months (.75) x 370). The Agent/Broker must refund \$92 of the fee to the Insured.

**ONTARIO COMMISSION WORKSHEET**

**Examples showing risks with 10% commission**

**Endorsements**

<u>Item</u>		<u>Example</u>		<u>Actual</u>
Renewal Net Premium		2859		<input type="text"/>
Renewal Commission		286		<input type="text"/>
Endorsements				
Deleting all cover	2859 x .304	-869		<input type="text"/>
Adding S.P.	144 x .304	44		<input type="text"/>
Total		-825		<input type="text"/>
Pro rate Factor		0.304	<input type="text"/>	

There are two calculation options that may be used:

**1. Obtain using new premium endorsement**

Example  
 2859 - 869 = 1990  
           44  
 Net Premium: 2034  
           X .10  
 Commission: 203  
 Refund: (286-203) = 83

<input type="text"/>

**2. Obtain using actual**

Example  
 -869  
           44  
 -825  
           x .10  
 -82.50  
 285.90 (2859 x .10)  
           -82.50  
 203.40  
 83 Refund (286 – 203.40)

<input type="text"/>

**Cancellations**

If a policy is cancelled short rate, the return premium is calculated short rate. The service fee is calculated on a pro rata basis. The cap however may limit the fee.

Examples assume annual policy in force one month at Short Rate of 15%.

	<b>Premium Being Charged</b>	<b>Uncapped Fee</b>	<b>Cap</b>	<b>Applicable Fee</b>	<b>Total Charged</b>
<b>Example 1</b>					
Policy	\$3000	\$300	\$370	\$300	\$3300
Cancelled after One month	\$450 (15%)	\$25.00 (8.333%)	\$30.83 (1/12 = 8.333% of \$310)	\$25.00	\$475
<b>Example 2</b>					
Policy	\$500	\$50	\$370	\$50	\$550
Cancelled after One month	\$75 (15%)	\$4.17 (8.333%)	\$30.83 (1/12 of \$370) (1/12 = 8.333% of \$370)	\$4.17	\$79
<b>Actual</b>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

## Rule 322: Definition of Accident

### A. What Is A Chargeable Accident

A chargeable (at fault) accident is an occurrence resulting in damage to persons or property arising out of the ownership, use or operation of a vehicle, in consequence of which:

1. An amount has been paid or would have been paid but for the existence of provincial Direct Compensation laws or agreements,
- or
2. A loss remains unsettled or unpaid,
- or
3. A civil suit is pending in respect of
  - Liability
  - No Fault Benefits Schedule (Accident Benefits)
  - Collision or the Collision portion of All Perils coverage

A chargeable accident is always taken into account in rating even if there was no insurance in effect or the loss was repaid to the Insurer by or on behalf of the Insured or if the Insured chose not to present the claim.

### B. What Is Not A Chargeable Accident

An occurrence shall not be regarded as a chargeable accident if:

1. For a minor accident occurring on or after June 1, 2016 the following criteria are met:
  - Damage to each vehicle including property damage does not exceed \$2000 and is paid by or on behalf of the at fault driver.
  - No personal injuries are sustained.
  - No payment is made by any insurer.
  - This is the first minor at fault accident involving the vehicle in the previous three years.
2. For accidents not meeting the definition of minor accident or occurring prior to June 1, 2016:
  - The Insured's degree of fault is determined as 25% or less under the relevant provincial fault determination laws or agreements or dispute resolution mechanism.
  - The damage resulted from the vehicle being struck by an unidentified vehicle and is reported to the police within 24 hours.
  - The damage occurred while the vehicle was legally parked and is reported to police within 24 hours.
  - The damage results from collision with a wild or domestic animal.
  - All damages are legally recoverable from the owner or driver of an uninsured or unidentified automobile

#### Notes:

The words 'loss(es)' and 'claim(s)' where used in this manual are considered to have the same meaning as the word 'accident'.

The words 'at fault' and 'chargeable' where used in this section of the manual are considered to have the same meaning.

Any accident involving a vehicle insured on this policy and allocated to a driver who subsequently has signed a valid END 28A (Excluded Driver) will not be considered a chargeable accident, unless the excluded driver has driven the insured vehicle resulting in a claim. Under that circumstance, the policy will be rated as if there is no excluded driver.

### C. How To Allocate Chargeable Accidents

No accident shall be used more than once in determining the premium for vehicles insured through Facility Association by the same Servicing Carrier (whether or not on the same policy).

There is no requirement that drivers be accident free on other vehicles. The rating of the public vehicle is determined from the vehicle history not the driver's history.

If the driver involved in the accident is removed from the policy, the accident shall continue to be assigned to the vehicle on which it occurred.

The driving record established applies to all coverages concerned. There is no split rating.

At new business, where there are multiple vehicles and multiple drivers insured on a policy, any claims shall be assigned to the vehicle involved in the claim or one for which it has been substituted. At renewal, any at fault accidents which occurred during the policy term shall be assigned to the vehicle on which they occurred.

*For example:* A new application is received. Applicant is principal operator of Vehicle 1 and has had 2 losses on Vehicle 1 and 1 loss on Vehicle 2. Employee is principal operator of Vehicle 2 and has had 1 loss on Vehicle 1 and 1 loss on Vehicle 2. For purposes of allocating accidents, the 3 accidents involving Vehicle 1 will be allocated to Vehicle 1 and the 2 accidents involving Vehicle 2 will be allocated to Vehicle 2.

The term 'vehicle' includes 'one for which it has been substituted'.

The following table illustrates how chargeable accidents are to be applied in the rating of other types of vehicles if they cannot be assigned to the vehicle actually involved

Type of vehicle involved in the accident	Type of vehicle to which the accident can be applied
Private Passenger	Private Passenger, Motor Home, Light Commercial
Light Commercial	Commercial, Private Passenger, Motor Home
Commercial	Commercial
Public	Public
Motor Home	Motor Home, Private Passenger, Light Commercial
Motorcycle	Motorcycle
Garage	Garage
All Terrain, Snow Vehicle	All Terrain, Snow Vehicle

**Note:** ‘Type of vehicle’ means the section of the manual in which the vehicle was or would have been rated.

Where an at fault accident is being charged against a vehicle showing on the policy and that vehicle is deleted from the policy or mandatory coverage on that vehicle is removed or suspended, the at fault accident shall be re-assigned on the following basis:

- to a remaining vehicle with active mandatory coverage i.e. not deleted or suspended
- to the vehicle that produces the highest premium where there is more than one remaining vehicle,
- effective the date coverage on the original vehicle was deleted or suspended

Where an at fault accident is being charged against a vehicle NOT showing on the policy and it is discovered that the associated vehicle is deleted from the policy or mandatory coverage on that vehicle is removed or suspended, the at fault accident shall be re-assigned on the same basis as that shown above.

**Note:** The vehicle to which the at fault accident is re-assigned must be the type of vehicle to which the accident can be applied. Refer to preceding table.

## Rule 323: Accident and Conviction Surcharges

These surcharges are applicable to Liability (including Passenger Liability), Accident Benefits, Uninsured Automobile, Direct Compensation Property Damage and Collision. These surcharges are not to be applied to coverages which are experience (fleet) rated.

### A. Accidents

Accident surcharges are assessed in accordance with the Surcharge Schedule for chargeable accidents that occurred during the 36 months immediately preceding the commencement of the period of insurance.

### 1. At New Business

No accident shall be used more than once in determining the premium for vehicles insured through Facility Association by the same Servicing Carrier (whether or not on the same policy).

Accidents arising from the ownership of any vehicle other than the described vehicle are not to be considered.

Where the term ‘described vehicle’ is used, it includes a vehicle substituted for it.

*For example:* The Insured owns a tour bus business in which three buses are driven by employees. Two of the buses are insured in the voluntary market; the other is insured through FA. There have been 2 accidents on each of the buses in the voluntary market. There have been 3 accidents on the bus insured through FA. The accidents that occurred on the buses insured in the voluntary market are not used to calculate the accident surcharge on the bus insured through FA.

There is no requirement that drivers be accident free on other vehicles; the rating is determined from the vehicle history not the driver’s history.

#### (a) One vehicle on the policy

Consider accidents that involved the described vehicle or a vehicle substituted for it.

*For example:* Applicant has had 1 at fault accident on the described vehicle and 1 accident on a neighbour’s car. Employee had 1 at fault accident on own vehicle insured elsewhere but has now sold that vehicle. Only the accident on the described vehicle shall be considered.

#### (b) One driver and two or more vehicles

Accidents that involve one of the described vehicles shall be assigned to that vehicle. Accidents arising out of the use or operation of any other vehicle by the Applicant or any other listed operator shall not be considered.

*For example:* There are two buses on the policy; Applicant is the only operator. There has been one accident on Bus 1 and one accident on Bus 2. Applicant also had two accidents on a pleasure vehicle insured elsewhere. The claims on the buses are rated on the buses on which they occurred. The two accidents on the vehicle insured elsewhere are not considered.

#### c) Two or more drivers and two or more vehicles

Each driver is to be assigned as principal operator on the vehicle he/she most frequently drives. Accidents that involve one of the described vehicles shall be assigned to that vehicle. Accidents arising out of the use or operation of any other vehicle by the Applicant or any other listed operator shall not be considered.

*For example:* There are two taxis on the policy and two operators. Applicant is principal operator of Taxi 1 and has had one accident on Taxi 1 and one accident on his

personal vehicle insured elsewhere. Employee is principal operator of Taxi 2 on which there have been two accidents. On Taxi 1 count only the accident that occurred on the described vehicle. The accident on the personal vehicle insured elsewhere is not to be considered. On Taxi 2 count both accidents as they occurred on the described vehicle.

**2. At Renewal (for surcharge only)**

At the time of renewal, the accident record shall be updated. Any accidents that occurred more than 36 months prior to renewal date shall be excluded and all accidents that occurred during the expiring term that involved the following shall be added:

- a) The described vehicle (regardless of driver).
- or**
- b) Other vehicles but were the subject of claims under this policy.

**B. Convictions**

Conviction surcharges shall be assessed for traffic offences (as hereinafter described) for which the Insured was convicted in the 36 months immediately preceding the commencement of the period of insurance.

No convictions related to an excluded driver shall be taken into consideration. The endorsement must be properly signed by the named Insured and excluded driver.

**1. How to apply conviction surcharges**

No conviction record shall be used more than once to determine conviction surcharges for vehicles insured through FA by the same Servicing Carrier, whether or not insured on the same policy.

If convictions for impaired driving and failure or refusal to take a breath or blood test relate to the same occurrence, they shall be considered as one conviction.

If more than one CAIA/MVACA conviction relates to the same occurrence, only the one that develops the highest surcharge shall be used.

CAIA – Compulsory Automobile Insurance Act  
 MVACA – Motor Vehicle Accident Claim Act

**a) One vehicle and more than one driver**

The conviction record of all persons who are regular or frequent drivers of the vehicle shall be reviewed to establish which conviction record develops the highest surcharge percentage in accordance with the surcharge schedule for convictions and/or the lowest driving record. That conviction record shall be used to determine the applicable driving record and calculate the conviction surcharge.

**b) More than one vehicle and more than one driver**

Each driver shall be allocated to the vehicle he/she drives most and that driver’s conviction record shall be considered in relation only to that vehicle.

**c) One driver and more than one vehicle**

The driver’s conviction record shall be applied to the vehicle that produces the highest combined Liability, Accident Benefit, Uninsured Automobile, DCPD and Collision premium prior to the application of any accident or conviction surcharges.

**C. Accident/Conviction Surcharge Table**

**Maximum surcharge to be applied for accidents, serious, major, minor and fraud convictions is 250%.**

Events in the preceding 36 months	Surcharge
<b>Chargeable Accidents:</b>	
1	0%
2	20%
3	30%
Each additional	15%
<b>Major Convictions</b>	
1	25%
Each additional	25%
<b>Minor Convictions</b>	
1	0%
2	5%
3	15%
4	25%
Each additional	15%
<b>Serious Convictions</b>	
1	100%
Each additional	100%
Each Fraud – years from date of conviction	
First 3 years	100%
From 4 <sup>th</sup> to 10 <sup>th</sup> year	50%

**D. Conviction Definitions**

**a. Major**

Convictions for any of the following offences under any Act governing highway traffic or under the Compulsory Automobile Insurance Act (CAIA) or for any offence substantially the same whether committed within or outside Canada:

- Using a hand held wireless communication / entertainment device
- Fail to report damage to highway property
- Failing to report an accident
- Failing, in the event of an accident, to give name and licence number to the police or any other person entitled to such information
- Fail to obey school crossing stop sign
- Improper passing of a school bus
- Improper passing/speeding in a school or playground zone
- Produce false evidence CAIA
- False statement re insurance MVACA
- Produced false insurance MVACA
- Make false statement CAIA

- Ontario Graduated Licence
  - Permit novice drive in contravention of cond/rest
  - Class G1 accompanying driver fails or refuses to provide a breath or blood test
  - Class G1 accompanying driver has excess blood alcohol
  - Class G1 driver unaccompanied by a qualified driver
  - Class G1 drive with front seat passenger
  - Class G1/G2 drive with excess passengers
  - Class G1 drive on prohibited highway
  - Class G1/M1 drive at unlawful hour
  - Class M1 drive motorcycle with passenger
  - Class M1 drive motorcycle on prohibited highway

### b. Minor

The list of minor convictions is not all inclusive and other moving violations, including new offences under an Act governing highway traffic, may be considered Minor, whether committed within or outside Canada, if not specifically named in the Major or Serious list, including, but not limited to:

- Fail or refuse to surrender licence CAIA
- Fail to produce evidence of insurance CAIA
- Fail to carry insurance card CAIA
- Fail to carry evidence of insurance CAIA
- Fail to have insurance card CAIA
- Fail to disclose particulars CAIA
- Fail to notify police
- Fail to make written report
- Backing up - unsafe/illegal/improper - any type
- Brakes - none/inadequate/improper - any type
- Crowding driver's seat
- Door opening - illegal/obstructing traffic - any type
- Emergency vehicle - operating with no regard for safety
- Driving off roadway (including shoulder/sidewalk/median) - any type
- Flagman - disobeying
- Following too closely (including tailgating)
- Headlights/parking lights - improper/lack of use - any type
- Lack of control of vehicle - any type
- Motor-assisted bicycle - carrying passengers
- Motorcycle - operating with only an instruction permit
- Motorcycle - failure to wear helmet
- Passing infraction - any type except school bus or school/playground zone
- Pedestrian crossing violation - any type
- Radar warning device in motor vehicle - if illegal in province
- Railway crossing - any type
- Safety zone violation - any type
- Seatbelt – any offence
- Signalling offences - any type
- Slow driving - endangering others - any type
- Smokescreen device on vehicle

- Speeding - any type, except when listed as major or serious
- Squealing tires
- Stopping - illegal/improper - any type
- Tires - defective/worn - any type
- Towing - prohibited/unsafe - any type
- Traffic signals/regulating lights - any type
- Traffic signs - disobeying any legal sign except parking regulations
- Trailer - improper attachments/improper towing
- Turns - illegal/improper - any type
- Unlicensed driver - any type including improper licence class
- Unsafe move
- Unsafe vehicle - any type
- Wrong side of road/wrong way - any type
- Yield, failing to - any type including failing to yield to a public bus

**Note:** This is a generic list and will not, in all cases, match the exact wording printed on the Driver Record Abstract.

### c. Serious

Convictions for any of the following offences under the Criminal Code of Canada or under an Act governing highway traffic or under any other Act or for any offence substantially the same whether committed within or outside Canada or any conviction which appears on a driver record abstract identified as a Criminal Code conviction:

- Speeding 50 kph or more over the speed limit
- Driving without insurance
- Operate motor vehicle – no insurance CAIA
- Criminal negligence committed in the operation or use of a motor vehicle
- Manslaughter committed in the operation or use of a motor vehicle
- Driving while licence under suspension
- Racing
- Careless driving
- Driving without due care and attention
- Driving without an interlock device where its installation is a requirement for licence reinstatement
- Dangerous driving
- Driver under 22 years of age with alcohol in blood
- Impaired driving
- Failure or refusal to submit to a breath or blood test
- Failure to stop/remain at the scene of an accident
- Failure to pass a breath or blood test
- Class G1/G2/M1/M2 fail/refuse breath sample
- Class G1/G2/M1/M2 drive with alcohol in blood
- Failure to stop on request of or obey directions of a police officer
- Stunting
- Driver in the alcohol ignition interlock device programme operating a vehicle not so equipped

**Note:** If convictions for impaired driving and failure or refusal to take a breath or blood test relate to the same occurrence, they will be considered as one conviction.

**Fraud**

Where the Insured or any person who is a regular or frequent operator of the vehicle has been found by a court of competent jurisdiction in either criminal or civil proceedings to have committed a fraud in any way connected to automobile insurance during the 120 months immediately preceding the commencement of the period of insurance.

**Note:** If there is more than one vehicle on the policy, the surcharge will apply to the vehicle principally driven by the person who committed the fraud. If the person who committed the fraud is the Applicant but not a driver of any vehicle on the policy or is a driver but not the principal driver of any vehicle on the policy, the surcharge will be applied to the highest rated vehicle on the policy.

## Rule 324: Proof of Insurance Where Notice of Cancellation or Deletion is Required

1. The Agent/Broker is authorized to issue proof of insurance on behalf of the Servicing Carrier in the form of the Servicing Carrier's standard certificate or a CSIO-approved Certificate of Insurance, with a notice of cancellation period not exceeding 15 days.
  - a) If a notice of cancellation period exceeding 15 days is required, the Agent/Broker it to obtain approval from the Servicing Carrier prior to certificate issuance.
  - b) Certificates must be issued only on a Described Automobiles basis. Should proof be required on a Blanket Basis, refer to item #4 below.
  - c) Copies of all certificates issued by the Agent/Broker shall be submitted to the Servicing Carrier within one (1) business day for acceptance and documentation.
  - d) The Servicing Carrier is ultimately responsible for ensuring that all proof of insurance issued by the Agent/Broker is acceptable and reflects the limits of the policy. The Servicing Carrier will promptly reissue any certificate originally issued by the Agent/Broker, where indicated coverage differs from the policy or where the notice of cancellation period was not previously approved by Underwriting.
2. The Servicing Carrier is responsible for the completion of any non-standard certificates (i.e. certificates that are to be completed on a non-CSIO approved form), Out of Province, U.S. or Other filings.
  - a) The Agent/Broker must specify to the Servicing Carrier if proof of insurance (e.g. a financial responsibility certificate) must be issued or filed with a Local, Provincial, Federal or U.S. authority.
  - b) Where vehicles are operated in the U.S., Agents/Brokers must confirm with Insured's if proof of insurance is to be filed and, if so, in what amount.
3. If proof of insurance is issued by the Servicing Carrier, a copy must be supplied to the Agent/Broker for their records.
4. Proof of Insurance must only be issued on a 'Described Automobile basis. Proof may not be issued or filed on a 'Blanket Basis' (i.e. without specifying the insured vehicles), only if the authority concerned permits no alternative. In that case, the Facility Association's form of 'Indemnification and Hold Harmless Agreement' must be fully completed and include the signatures of the Applicant and a witness. The completed form is to be kept on file with the Servicing Carrier.
5. Parties requiring proof cannot be added as additional named Insureds on the policy. The certificate showing proof of insurance guarantees to the Party that the vehicle is insured. This is the full extent of the guarantee.
6. Should the Servicing Carrier have any concern with the coverages or limits being guaranteed when asked to use a certificate prescribed by the organization or authority with whom the certificate is being filed, the Servicing Carrier should contact Facility Association Head Office.

### A. Financial Responsibility Certificate

A temporary liability card may be issued for an Applicant who requires the filing of a financial responsibility certificate before he/she may be licensed to drive, provided a fully completed and signed application is submitted for the Applicant at the time the temporary liability card is issued. Details of the licence subsequently obtained must be reported promptly to the Servicing Carrier.

### B. Renewal or Offer to Renew

If a renewal or offer to renew is issued where proof of insurance has been issued or filed and the renewal is not required, the Servicing Carrier must be notified in sufficient time to file a notice of cancellation in accordance with the applicable authority's requirements. Otherwise the Agent/Broker/Insured shall be responsible for time on risk charges.

### C. Policy Cancellation, Vehicle Deletion

#### 1. Registered Letter

Where proof of insurance has been issued or filed and the policy is to be cancelled, the cancellation of coverages to which the proof of insurance relates shall be processed in accordance with the Statutory Conditions.

**The notice of cancellation for the authority concerned must be issued on the same day as the notice of cancellation to the Insured; however, as a result of the authority’s requirements, the effective date of cancellation may be different.**

*For example:* The registered letter of cancellation for the policy is issued on June 1 for both the Insured and the provincial authority. For the Insured, cancellation shall take effect 15 days from the date the registered letter is received at the post office to which it was addressed. Let’s say June 19. The provincial authority requires 30 days notice of cancellation. The effective date of cancellation for the authority shall be June 30. If the Insured had a Comprehensive loss on June 25, the policy would not respond. If however, the Insured had a Liability loss on June 25, the policy may have to respond as the proof of insurance provides that Liability coverage is in effect until cancelled on June 30.

**2. Insured’s Request**

Where proof of insurance has been issued or filed, and the vehicle is to be deleted from the policy or the policy is to be cancelled, the cancellation of coverages to which the proof of insurance relates shall be processed after taking into consideration the period of notice required by the authority.

**The effective date of cancellation or deletion shall be the same for both the Insured and the authority concerned.**

*For example:* The Insured requests cancellation of the policy to be effective June 1. The provincial authority requires 30 days notice of cancellation. The notice to the provincial authority is sent on June 5. The effective date of cancellation for the Insured will be July 5.

**D. Filing Liability Limits**

The filing should always be made for the limit required by law even if the policy actually shows a higher limit.

Where a vehicle requires filings in multiple jurisdictions, the filing should be made showing only the limits required in that jurisdiction. The policy should be written with the lowest limits necessary to meet all requirements.

*For example:* In one jurisdiction a filing for a vehicle requires a split limit of \$1,000,000 road hazard and \$1,000,000 passenger hazard. A filing for a \$5,000,000 combined limit is also required in another jurisdiction for the same vehicle. The policy must be issued with a \$5,000,000 inclusive limit. One filing should be made showing the split limits of \$1,000,000 and \$1,000,000. The other filing should be made showing the \$5,000,000 limit.

Where a filing is to be made for a leased vehicle, the filing should be made in the name of the lessee only.

**E. Processing Fees for Filings**

Please contact your Servicing Carrier for a schedule of fees which will be charged on a 100% cost recovery basis.

**Any charge required by the authority concerned shall be in addition to, and separate from, the processing fees.**

**Rule 325: U.S. Exposure**

**A. U.S. Exposure Surcharge**

Any public vehicle that is operated in the U.S. is subject to the U.S. exposure surcharge.

The Insured must advise the Agent/Broker the percentage of time that the vehicle will be used in the U.S.

If this exposure is 5.0% or less of the total mileage, the surcharge shall be waived unless U.S. authorities require proof of insurance. In this case a 5% surcharge will apply to Liability (Road Hazard and Passenger Hazard), DCPD, Accident Benefits and Uninsured Automobile.

**NOTE:** Where vehicles are operated in the U.S., Insureds must be asked whether or not proof of insurance must be filed and, if so, in what amount.

**Liability, DCPD, Accident Benefits, Uninsured Automobile**

For each percentage point of mileage in the U.S., surcharge 1.5% of the applicable premium.

*For example:*

U.S. Exposure	Applicable Surcharge
Up to 5% and no proof of insurance required	0%
Up to 5% and proof of insurance required	5%
10%	15%
25%	37.5%
50%	75%

**Optional Physical Damage**

For each percentage point of mileage in the U.S., surcharge .75% of the applicable premium.

*For example:*

U.S. Exposure	Applicable Surcharge
Up to 5%	0%
10%	7.5%
25%	18.75%
50%	37.5%

**B. Currency Differential Surcharge**

Whenever proof of insurance is required by U.S. authorities, a currency differential surcharge is added to the Liability (not DCPD) premium to provide for the potential additional loss arising from the payment of a claim in U.S. dollars.

The currency differential is the rate of exchange being charged for the U.S. dollar, to the nearest cent, as at the date the premium is calculated by the Servicing Carrier for policy issuance. The Servicing Carrier shall use the Bank of Canada closing rate from the previous published day.

**The surcharge percentage is calculated by means of the following formula:**

**Currency differential x U.S. exposure surcharge**

*For example:*

The rate of exchange for the U.S. dollar is 1.3085 Canadian.

Therefore the currency differential is 0.31.

The U.S. exposure surcharge is 25%.

**Currency differential surcharge: 0.31 X 25% = 7.75%**

**The currency differential surcharge:**

1. Applied only to the Liability premium (Road/Passenger Hazard) not DCPD
2. There is no minimum surcharge applicable.
3. Additional to but not compounded on the U.S. exposure surcharge.

*Example:*

The Liability premium	\$1,000
U.S. Exposure Surcharge	25%
The Currency Differential Surcharge	7.75%
Base Premium	\$1,000
U.S. Exposure \$1,000 X .25	\$250
Currency Differential	
\$1,000 X 7.75 = 77.50	\$78
Total Liability premium	\$1,328

4. In addition to the Servicing Carrier’s fee for filing proof of insurance.
5. Payable only when proof of insurance is required by U.S. authorities.
6. The combined dollar value of the currency differential surcharge and the U.S. exposure surcharge is subject to a minimum of \$50 per policy term.

*For example:* Using the example above, the dollar value of the U.S. exposure surcharge is \$250 and the dollar value of the currency differential surcharge is \$78. The total combined dollar value is \$328, well exceeding the minimum required.

**Rule 326: Claims**

Every accident, loss or claim that comes to the knowledge of the Agent/Broker in regard to his/her Facility Association policies must immediately be reported in the manner prescribed by the Servicing Carrier.

**Collision with Animals**

Losses involving Collision with animals, both wild and domestic, shall be paid under Comprehensive coverage. If the policy does not afford Comprehensive coverage but does provide Collision coverage, the loss shall be paid under Collision coverage and be regarded as not at fault.

**Rule 327: Suspension and Reinstatement of Coverages – END16/17**

Liability, Accident Benefits, Uninsured Automobile, DCPD and Collision as they relate to the use and operation of the described vehicles, new vehicles or temporary substitute vehicles may be suspended by means of END 16. This policy change leaves in place Comprehensive or Specified Perils coverage if present on the policy as well as the coverages mentioned above as they relate to the ownership of the vehicle. This means that END 16 does not suspend coverages related to ‘drive other vehicles’; while a pedestrian; or the DCPD coverage while the vehicle is in storage. This policy change is available on private passenger and commercial vehicles. Coverage is reinstated by means of END 17.

No refund is allowed in respect of Comprehensive and Specified Perils.

**END16/17 is not available for the following:**

1. Vehicles for which proof of insurance is issued or filed.
2. Experience rated risks
3. Recreational vehicles rated in the Recreational Vehicle section
4. Vehicles that were never intended to be driven
5. Vehicles held for sale whether or not on an auto dealer’s lot

**Rating**

1. If there are two or more vehicles insured through FA by the same Servicing Carrier, and one of the vehicles retains moving coverages, refund:

- 90% of Liability
- 100% of Accident Benefits, Uninsured Automobile
- 90% of DCPD
- 100% of Collision (if present)

2. If there is only one vehicle insured through FA by the same Servicing Carrier refund:

- 90% of Liability
- 75% of Accident Benefits, Uninsured Automobile
- 90% of DCPD
- 100% of Collision (if present)

Determine the pro rata premium for the above coverages for the remainder of the term, and then refund the above percentage of that amount. When coverage is reinstated, the additional premium is the pro rata premium for these coverages for the remainder of the term. In no event shall a

refund be granted for any suspension period of less than forty-five (45) consecutive days.

## Rule 328: Suspension of Operator's Licence

The following provisions apply in the event of the suspension, cancellation or lapse of an operator's licence. These provisions apply whether END 28A (Excluded Driver) is being added to the policy at the request of the Insured or by the Servicing Carrier because of the above mentioned circumstances.

Under the Ignition Interlock Program, it is a condition of the driver's licence reinstatement that the driver is prohibited from driving any motor vehicle that is not equipped with an approved ignition interlock device.

For drivers who have entered the Ignition Interlock Program, the length of the licence suspension shall be calculated from the date the licence was suspended to the date the Ignition Interlock Program was entered.

*For example:* Licence was suspended from January 1 to July 1. The driver entered the Interlock Program on March 1. Therefore the total time the driver's licence is considered to have been suspended is 2 months not 6 months.

### A. If there is no other driver of the vehicle

1. An application for insurance of the vehicle shall be declined by the Agent/Broker.
2. If the situation is discovered after the policy has been issued, the Servicing Carrier shall cancel the policy by registered letter.
3. The time on risk charge for the period to expiration of the notice of termination will be pro rata of the premium applicable to the risk as submitted.
4. If the situation is discovered as a result of enquiries prior to the renewal date, the Servicing Carrier shall issue a notice of nonrenewal.

**Note:** Where the Insured's licence is suspended, the Insured shall be permitted to place the vehicle in storage and suspend or remove moving coverages. See Rule 301: Minimum Coverage.

Under the Ignition Interlock Program, it is a condition of the driver's licence reinstatement that the driver is prohibited from driving any motor vehicle that is not equipped with an approved ignition interlock device.

For drivers who have entered the Ignition Interlock Program, the length of the licence suspension shall be calculated from the date the licence was suspended to the date the Ignition Interlock Program was entered.

*For example:* Licence was suspended from January 1 to July 1. The driver entered the Interlock Program on March

1. Therefore the total time the driver's licence is considered to have been suspended is 2 months not 6 months.

### B. If there is another licensed driver of the vehicle

**(It is assumed that the person concerned will not drive without a valid licence.)**

1. The Servicing Carrier shall issue END 28A (Excluded Driver) restricting coverage to minimum statutory Accident Benefits and excluding optional physical damage coverage where provided, for that person
2. If that person being a driver affected the rating of the insurance, the insurance will be re-rated to remove that person as a driver and any accidents involving that driver prior to being excluded will not be taken into account in rating. If the driver has a 'driving while suspended' conviction, all accidents and convictions will be taken into consideration for the rating and the END 28A (Excluded Driver) will be deleted.

### C. Unsigned END 28A (Excluded Driver)

If END 28A (Excluded Driver) is not signed, END 28A shall be deleted and the policy shall be re-rated as though there was no END 28A.

## Rule 329: 'Home-Made' Vehicles / Reconstruction / Imported Right Hand Drive / Imported Vehicles

The following provisions apply to right hand drive, imported vehicles and any vehicle that has been constructed, reconstructed or restored other than by a recognized manufacturer of such a vehicle.

Where appropriate, this rule does not apply to vehicles with a manufacturer assigned VIN and a status of 'rebuilt' which are to be rated using CLEAR rate groups.

### A. Liability, Accident Benefits and DCPD

No coverages are permissible until the following are provided to the Servicing Carrier:

1. A valid vehicle registration and, at the Servicing Carrier's discretion, a certificate of roadworthiness or mechanical fitness acceptable to the Servicing Carrier  
And
2. For vehicles valued \$15,000 or more, an appraisal acceptable to the Servicing Carrier at the Applicant's expense to enable the proper rating group to be determined. Vehicles valued under \$15,000 are rated based on value provided by the Insured.
3. Rate group 34 is to be used for Accident Benefits where vehicles are rated by value.

These certificates must accompany the application to the Servicing Carrier.

### B. Optional Physical Damage Coverage

1. No optional physical damage coverage (for any value) will be available for:
  - a) Home-made' / reconstruction vehicles until the construction, reconstruction, restoration has been completed and the mechanical fitness and value of the vehicles have been substantiated by a certificate from an independent appraiser or a recognized authority on such matters, acceptable to the Servicing Carrier.
  - b) Imported right hand drive and imported vehicles until value of the vehicle has been substantiated by a certificate from an independent appraiser or a recognized authority on such matters, acceptable to the Servicing Carrier.
2. The premium is based on the appraised amount.
3. The insurance shall be subject to END 19 (Limiting the Amount Paid for Loss or Damage Coverages) which must be attached to the policy and a copy signed by the Insured. END 19A (Agreed Value of Automobiles) is not available.

## Rule 330: Vehicles Used Outside Jurisdiction of Registration

Rule 300: Filed Underwriting Rules requires that the vehicle must be registered in the jurisdiction in which the policy is issued. 'If the vehicle is registered in another jurisdiction in which Facility Association operates, the vehicle may be insured through an Agent/Broker and Servicing Carrier licensed in that jurisdiction.'

When an Insured takes up residence in another jurisdiction, the Insured is required to register the vehicle in the new jurisdiction. The existing policy must be cancelled (pro rata) and new insurance obtained in the new jurisdiction.

However, there are circumstances under which the vehicle may be used for a period of time in another jurisdiction where vehicle registration in that jurisdiction is not required.

*For example:* The Insured resides in Ontario and the vehicle is registered in that jurisdiction; however, the Insured will be travelling the western provinces for the next year.

Regardless of where the vehicle is registered, Facility Association shall not provide insurance for vehicles which are never operated in the jurisdiction in which they were registered.

When a vehicle is registered in one jurisdiction but used in another, the following is to be used as a guide for rating purposes.

1. The vehicle must be insured on a policy from the jurisdiction where it is legally registered, even if the vehicle is chiefly used in another jurisdiction.
2. If it is known what territory the vehicle is being used in and there are FA premiums for that territory, then the appropriate FA premiums for that territory must be used.
3. If the vehicle is being used in the U.S., it must be rated in the territory in which it is registered.
4. See Rule 325: U.S. Exposure Surcharge to determine surcharges applicable to public vehicles.
5. If the vehicle is used within one region as defined below, it is to be rated as though it is used in the highest rated territory of that region. If the vehicle is used in more than one region of Canada, it is to be rated as if used in the highest rated region.

#### Region 1 – Atlantic Provinces

Rate as New Brunswick Territory 3

#### Region 2 – Central (Ontario and Quebec)

Rate as Ontario Territory 20

#### Region 3 – West and North

Rate as Alberta Territory 4

6. If the vehicle is used in a Canadian jurisdiction for which Facility Association has no rates, the following shall apply:
  - Charge Alberta Territory 4 for British Columbia, Saskatchewan and Manitoba.
  - Charge Ontario Territory 20 for Quebec.
7. At the Servicing Carrier's discretion, a copy of fuel tax information, log books and/or other pertinent records may be required to verify mileage and travelled jurisdictions.

## Rule 331: Purchasing Vehicles in Jurisdiction Where FA Does Not Operate

When an Insured acquires a new vehicle and all vehicles owned by the Insured are covered under a POL 1, coverage is automatically provided for the newly acquired vehicle if the Insurer is notified of the acquisition within 14 days.

When the Insured:

- a) acquires a vehicle in the U.S. and brings it to Canada to a jurisdiction in which FA operates, or
- b) acquires a vehicle in a jurisdiction in Canada in which

FA does not operate;

FA shall if necessary, issue a short term policy to provide coverage while the vehicle is in transit (under a transit authority permit) before it is registered in the jurisdiction of residence. The short term policy shall only be provided for a period of time sufficient to allow the vehicle to be driven from the point of purchase to the residence of the owner. This should correspond to the period of time the transit permit is valid.

When the Insured comes through Customs, the vehicle must be declared and the Insured will be provided with the appropriate forms to complete and submit to the provincial registry so that the vehicle may be registered. A new application can then be submitted for a 6 or 12 month policy if required.

Where an individual or company has a business that includes the purchasing of vehicles in the U.S. or jurisdictions where FA does not operate for shipment back to a Canadian FA jurisdiction for resale, coverage must be provided by means of a garage policy for Automobile Dealers.

**Premium Calculation**

The premium is to be calculated in accordance with Short Term tables subject to minimum premium. Private passenger type public vehicles are to be rated Class 01 or 08-19 using the appropriate driving record. There is no surcharge for U.S. exposure.

Commercial type public vehicles classified as light are to be rated Class 36. Commercial type public vehicles classified as heavy are to be rated Class 44. Driving record is 0. 100% U.S. exposure surcharge applies. The territory to be used is the territory where the Insured resides.

**Rule 332: Short Term Rentals- Unspecified Lessees - Leases of 30 Days or Less and Ride Sharing**

**A. Short-Term Rentals-Unspecified Lessees - Leases of 30 days or less – Class 7M**

Use POL 1 and END 5C.

Insurance is provided on a specified vehicle/per vehicle basis and use of END 21A/B is not permitted. Use of END 44R is not permitted.

**Coverages/premiums**

**1. Liability, DCPD, Optional Physical Damage**

Class of Vehicle	Premium
Private Passenger Vehicles	250% of 07/0 rate
Commercial Vehicles	
Light Trucks	200% of 43/0 rate
Heavy Trucks	200% of 45/0 rate
Tractors/Trailers	175% of 64/0 rate
Private Type Trailers	
BI	Non Pleasure rate plus \$15
PD	Non Pleasure rate
DCPD	Normal rate
Optional Physical Damage	250% of normal rate
Motor Homes and Vehicles with mounted Camper Unit	
Liability	250% of 07/0 rate
DCPD	250% of 07/0 rate
Optional Physical Damage	250% of normal rate
Motorcycles & Mopeds	250% of Driving Record 0
	Applicable to age 16
Snow Vehicles	250% of normal rate
All Terrain Vehicles	250% of normal rate
Any other vehicle	Refer to Servicing Carrier

**2. Accident Benefits, Uninsured Automobile**

Charge the normal rate for the type of vehicle concerned using Driving Record 0.

**B. Ride Sharing – Class 7N**

Applicable where a vehicle is used in connection with a vehicle-sharing service, or peer-to-peer rental company.

Use POL 1 and END 5C. Insurance is provided on a specified vehicle/per vehicle bases and use of END 21A/B is not permitted. Use of END 44 is not permitted

Rate as Short-Term Rental (as outlined in Section A above) and code as Class 7N.

**Rule 333: Long Term Leases-Specified Lessees- Leases Exceeding 30 Days**

**A. Application**

Each lessee must complete an application form. The name and address of the Applicant/lessee and the name and address of the lessor must be shown where required on the application form.

**B. Policy**

Use POL 1 with END 5. The name and address of the lessor and the name and address of the lessee must appear on the policy declaration page.

**C. Rating**

The vehicle is rated as if owned by the lessee.

## Rule 334: Driver Training Vehicles

All driver training vehicles (regardless of vehicle type) shall be rated based on the trainer and that individual’s experience. These vehicles shall not be rated for the trainee.

Use POL 1 with END 6D. This endorsement extends the Liability section of the policy to cover the Applicant’s liability for student drivers/observers.

### A. Driving Record

*For example:* The Insured opens a driver training school for tour buses and uses his own tour bus as a driver training vehicle. The Insured has no previous experience with driver training and is 5 years accident free on the tour bus. Clear record earned on a similar vehicle which was not previously used for driver training, shall be applied when determining the driving record for driver training vehicles. According to the rules in this section, the Insured is entitled to Driving Record 3; therefore, the Insured is entitled to Driving Record 3 on the driver training vehicle. If the Insured had never owned a tour bus (or similar vehicle) and purchased one to use for driver training, the driving record entitlement would be 0 according to the rules in this Public Section.

### B. Vehicle used solely for Driver Training

Calculate the premium as follows, add any applicable accident and conviction surcharges, and then apply the surcharges indicated in the Driver Training Vehicle Surcharge Table:

#### Private passenger vehicles:

Rate as Class 07 (Driving Records 0, 1, 2, 3 only).

#### Commercial vehicles:

Light - Rate as Class 36; Heavy - Rate as Class 44

#### Public vehicles (Buses etc):

Private passenger vehicles - Rate as Class 07

Other vehicles - Light: Rate as Class 36; Heavy: Rate as Class 44

#### Recreational vehicles:

Rate at non-pleasure rates

### C. Vehicles used for Driver Training in addition to some other use

1. Calculate the premium as though the vehicle is used solely for driver training.
2. Calculate the premium as though the vehicle were used solely for the ‘other use’. *For example:* If the vehicle is used as a taxi, use taxi rates.
3. Add the dollar value of the driver training surcharge calculated in Step 1 to the premium calculated in Step 2.

4. Compare the premium in Step 1 to the premium calculated through Steps 2 and 3 and use the higher of the two.

*For example:*

#### Step 1

The vehicle is a private passenger type vehicle and using Class 07, the total premium is \$700. The Liability premium is \$200. The vehicle is equipped with dual controls so a surcharge of 35% is applied to the Liability premium for a surcharge of \$70. The total policy premium calculated in step 1 is therefore \$770.

#### Step 2

The driver training use is part time and the Insured also uses the vehicle as a taxi. Therefore a premium of \$400 is calculated by rating the vehicle as a taxi.

#### Step 3

The premium in Step 2 is \$400 and we add to that the surcharge premium of \$70 calculated in Step 1.

#### Step 4

Use the higher of the results from Step 1 (\$770) or Step 3 (\$470).

### D. Driver Training Vehicle Surcharge Table

#### 1. Vehicle used only for Secondary School, College or University training courses

Coverage	Equipped with	
	dual controls	Other
Liability	35%	135%
Accident Benefits	0%	0%
DCPD	35%	135%
Collision	0%	75%
Other Coverages	0%	0%

#### 2. Other Vehicles

Coverage	Equipped with	
	dual controls	Other
Liability	70%	170%
Accident Benefits	0%	0%
DCPD	70%	170%
Collision	25%	100%
Other coverages	0%	0%

## Rule 335: Fleets

### A. Definition

A fleet is a group of not less than five automobiles:

- that are under common ownership or management
- of which at least five are commercial vehicles, public vehicles or vehicles used for business purposes, and
- of which any that are subject to a lease agreement for a period in excess of 30 days are leased to the same insured person.

Vehicles under “common management” will be considered where the Named Insured has assumed full responsibility for the payment of insurance premiums and agreement is in place between the Named Insured and Vehicle Owner, demonstrating the following:

1. The Named Insured is responsible for the assignment of driver schedules and routes, ensuring compliance with hours of work regulations **and**
2. The Named Insured maintains records of and deems acceptable all drivers who may operate a Vehicle **and**
3. Vehicles and all associated drivers adhere to the vehicle and driver safety standards of the Named Insured, **and**
4. Vehicles and all associated drivers adhere to the Named Insured means and methods of work, including risk management practices, code of conduct, training and service standards, **and**
5. Failure to adhere to any of the above will result in the termination of the agreement between the Named Insured and Vehicle Owner.

A signed “Facility Association Common Management Attestation”, signed by the Named Insured and a copy of the common management agreement must accompany all new business applications.

A copy of the common management agreement will be required on subsequent renewals to maintain experience rating.

The Servicing Carrier reserves the right to deny experience rating in the event the above criteria are not met, and fails to otherwise meet other fleet rating criteria outlined under Rule 335.

## B. Fleet Rating

Fleet policies may only be issued on an annual basis.

Fleets of 9 or fewer self-propelled vehicles will be individually rated; fleets of 10 or more self-propelled vehicles will be experience (fleet) rated.

Fleets are subject to experience rating as of the commencement date of each policy period. If the fleet is insured through FA by two or more policies issued by one or more Servicing Carriers, the policies must have a common expiry date to facilitate experience rating.

For experience (fleet) rating, the Applicant must have had 120 months of Liability insurance in the past 12 months i.e. 10 vehicles with Liability coverage for the past year, regardless of the number of policies on which those vehicles were insured.

*For example:* If the Insured owned 10 vehicles and leased (on a long term basis) 1 vehicle that were insured for Liability for the past 12 months, the Insured has 132

months of Liability insurance. If the Insured only had 7 vehicles insured for Liability in that period, there would only be 84 months of Liability insurance and the policy would not be experience rated.

The 120 months is established on the basis of vehicles the Insured has owned or leased from others. The Applicant may be required to provide proof of vehicle registration and ownership. Vehicles that are leased for more than 30 days to others are not to be considered unless those vehicles are leased to one lessee and meet the definition of a fleet.

Vehicles that the Insured leases from others must be insured on a separate policy with the same expiry date as the policy for owned vehicles. If the policy for owned vehicles and the policy for the leased vehicles are insured through FA whether or not with the same Servicing Carrier, the policies shall be experience rated. If however, one policy is insured in the voluntary market and the other policy is insured through FA, the FA policy shall only be experience rated if there has been 120 months of liability insurance in the past 12 months for the vehicles insured through FA. If the policy does qualify for experience rating, only the experience on the vehicles insured through FA shall be used to promulgate the rate.

The months of Liability insurance for vehicles whose rates are derived from a Class 07 base and for commercial vehicles rated as private passenger (because of dual use), are included in the 120 month calculation. The months of Liability insurance on personal use recreational vehicles and private passenger vehicles solely used for pleasure (no driving to and from work for the Applicant’s business) are not included in the 120 month calculation. However, once it has been established that a risk is to be experience rated, private passenger vehicles other than those rated Class 07 shall be included (with any claims) on the policy and in the experience rating.

Where a new fleet is being submitted to FA consisting of vehicles which are a sub-group of a voluntary market fleet and there is no verification of which claims involved which vehicles, the FA formula shall take into account the claims that occurred on all vehicles. It is the responsibility of the Agent/Broker/Insured to provide the claim history documentation for the vehicles to be insured through FA. Where a vehicle(s) on an existing fleet is being newly insured through FA, the claim history shall follow the vehicle(s).

Experience rating includes the following:

- All losses (At-Fault and Not-at-fault) are taken into account in rating even if there was no insurance in effect or the loss was repaid to the Insurer by or on behalf of the Insured or if the Insured chose not to present the claim;
- Claims (paid by the previous Insurer, reimbursed to the previous Insurer or paid by the Insured) outside the coverage on the application;
- Any amount paid back by the Insured due to an END 8 on the policy with the prior Insurer;

- Claims falling within a specific deductible not offered by FA e.g. on an occurrence basis regardless of the coverage involved in the loss;
- Amounts above FA deductibles when the prior Insurer had higher deductibles;
- Losses falling within any special agreements with the prior Insurer.

**NOTE:** Full experience details must be obtained directly from the prior Insurer to ensure all information on the risk is provided.

Fleets are to be written on a specified vehicle basis not on a blanket or receipts basis, therefore the use of END 21A and 21B is not permitted.

#### Midterm Rating

If it is discovered during a policy term that a risk is a fleet and is eligible for experience rating, it shall be experience rated at the time of next renewal. If more than one policy qualifies for experience (fleet) rating, the fleet policy shall be issued effective the renewal date of the earliest expiring policy, based on the information for all vehicles. The remaining vehicles shall be added to the fleet at the expiry date of their policies.

If the insurance is written by more than one Servicing Carrier, each policy upon expiry shall be subject to experience rating and shall be insured to the common expiry date.

If vehicles being added to a fleet insured through FA were previously on another fleet with the same common ownership or management as the FA fleet, these added vehicles are subject to experience rating as outlined in Rule 335:B. Fleet Rating.

#### Optional Physical Damage Coverage

Vehicles may not be covered for Comprehensive/Specified Perils only.

The Collision portion of All Perils and Collision coverage shall be regarded as the same coverage for the purposes of determining the number of months of coverage, similarly, the portion of All Perils and, Comprehensive and Specified Perils shall be regarded as the same coverage.

Where Collision claims that have occurred in the past three years cannot be allocated to specific vehicles, the claims shall be assigned to the highest rated vehicles, one to each in descending order.

#### C. Loss Information

For experience rated fleets, any reserve change for a loss in any previous term shall be added to the incurred losses of the policy term in which the reserve was changed.

*For example:* The new policy term will be May 1, 1999 to May 1, 2000. The Insured had 2 losses between May 1, 1998 and May 1, 1999. The Insured had 2 losses between May 1, 1997 and May 1, 1998. The Insured had no losses between May 1, 1996 and May 1, 1997 but in September

1996 there was a \$20,000 reserve increase on a claim that occurred in 1994. When listing the losses that occurred in the 2nd Prior Year (25-36 months) on the Automobile Fleet Schedule, the \$20,000 reserve must be entered.

#### D. New Applications

##### 1. Forms required for Fleet Submissions

- a) Facility Association binder application form fully completed and signed. Under vehicle items show 'Fleet Policy'.
- b) Automobile Fleet Schedule  
All vehicles including trailers for which insurance is required must be fully described.
- c) Fleet Vehicle Count Calculation  
Must be completed to determine the number of vehicles insured by coverage.
- d) Fleet Rating Information Statement  
This form provides additional information about the risk.
- e) Any additional supplements such as drivers list, taxi questionnaire.

##### 2. Incomplete Fleet submission forms

If the necessary information required by the Servicing Carrier to properly rate the policy is not received within 15 days of the intended effective date, the policy shall be issued at the quoted premium and cancelled by registered letter.

##### 3. The Applicant must understand that:

The risk is bound from the effective date shown and an earned premium shall be charged.

The application is subject to the Facility Association fleet rating formula and the resulting premium may be substantially greater than the base premium quoted by the Agent/Broker.

If proof of insurance is required by U.S. authorities, a currency differential surcharge shall be applied to the Liability premium (road hazard, passenger hazard). See Rule 325: U.S. Exposure.

The Servicing Carrier may require payment of additional fees if proof of insurance has to be issued. See Rule 324: Proof of Insurance.

##### 4. Agent/Broker responsibilities:

Submit all fully completed and signed fleet submission forms. Items on the binder application dealing with specific vehicles are to be answered 'Fleet Policy'. Incomplete forms shall be returned for completion resulting in policy issuance delays.

Premiums are to be calculated at Driving Record 0 and must include the U.S. exposure surcharge if applicable. The Servicing Carrier shall provide assistance to the Agent/Broker if rates for a particular type of risk or vehicle are not published in this manual.

Collect from the Applicant the premium quoted at Driving Record 0 or arrange a premium finance contract. The Agent/Broker is responsible for the pro rata earned premium based on the correct premium calculation at Driving Record 0 in the event of non-payment by the Insured.

Issue temporary (30 day) liability cards for each self-propelled vehicle listed on the Fleet Schedule as of the date coverage was bound. It is not permissible to use a 'blanket' wording of any kind.

A premium must be quoted and the risk bound before the fleet is submitted.

#### 5. Servicing Carrier responsibilities:

The Servicing Carrier shall not provide quotations or accept fleet submissions which have not been bound. If the manual does not provide information for rating a particular risk, the Servicing Carrier will assist the Agent/Broker in establishing a method of rating. The Servicing Carrier will also assist in determining rate groups which are not published.

Upon receipt of the properly completed documents the Servicing Carrier shall verify the information and loss history of the risk with the previous carrier as required and ensure prompt issuance of the policy documents.

#### 6. If the revised premium is not acceptable:

If a promulgated fleet rating is not acceptable to the Applicant, the coverages shall be cancelled without charge if all temporary liability cards are returned and received by the Servicing Carrier no later than the intended effective date (the date coverage was bound). Where the temporary liability cards are not received by the intended effective date and the Agent/Broker reports non-payment of the additional premium within 30 days of receiving notice of the additional premium, the earned premium for cancellation shall be calculated pro rata on the quoted premium calculated at Driving Record 0. Otherwise the earned premium shall be calculated pro rata on the promulgated fleet rating.

*For example:* The Agent/Broker bound coverage as of June 1 and quoted the Applicant a premium of \$10,000 at Driving Record 0. On June 20, the Agent/Broker receives the fleet policy from the Servicing Carrier. The fleet has been promulgated at a premium of \$12,000. The Agent/Broker advises the Insured of the premium increase and the Insured advises he/she wants to cancel the policy. On July 15, the Agent/Broker advises the Insurer to cancel the policy for non-payment. Because the request for cancellation was received within 30 days of June 20, the earned premium will be calculated pro rata on a premium of \$10,000.

If a fleet rating has been established for a risk and the Applicant has rejected the premium, a new application covering any vehicle in the Applicant's name previously on the fleet, must be quoted to the Applicant at the fleet rate not driving record 0. In the event that a policy issued

from that new application must be cancelled because the Applicant rejects the premium, the earned premium shall be calculated pro rata of the fleet rate not Driving Record 0.

*For example:* Using the above example, on September 1, the Agent/Broker resubmits substantially the same fleet for the same Insured to the Servicing Carrier, quoting a premium of \$10,000 at Driving Record 0. The policy is issued at a premium of \$12,000 and the Agent/Broker receives it on September 22. The Insured again rejects the additional premium and the Agent/Broker requests cancellation for non-payment on October 10. The earned premium will be calculated pro rata on a premium of \$12,000.

#### 7. Premium Calculation

##### Liability and DCPD

Where the Applicant requires limits in excess of \$1,000,000 the Agent/Broker must discuss the risk with the Servicing Carrier prior to binding. Many risks will not be eligible for limits in excess of \$1,000,000.

##### **Public Vehicle - Road Hazard and Passenger Hazard**

- a) Enter the premium applicable to the minimum statutory limit for Road Hazard.
- b) If one premium applies to both Road and Passenger B.I., or if a combined Road and Passenger B.I. limit is to be provided, enter the combined base premium for the two coverages. If separate premiums apply for Road Hazard and Passenger B.I., show each premium separately.

*For example:*

- a) The Insured requires a combined Road Hazard and Passenger B.I. limit of \$1,000,000. The premium for \$200,000 Road Hazard is \$400 and the premium for \$200,000 Passenger B.I. is \$300. The premium shall be entered on the fleet schedule as \$700 because the same Liability limit will apply to both coverages.
- b) The Insured requires \$1,000,000 Road Hazard and \$2,000,000 Passenger B.I. The premium for \$200,000 Road Hazard is \$400 and the premium for \$200,000 Passenger B.I. is \$300. The premium will be entered on the fleet schedule as \$400/\$300 because different Liability limits apply to each coverage.
- c) If Passenger Property Damage is to be insured, enter the premium for the required limit in the Policy change column.

**Note:** The application form must indicate the limits or combined limit actually required and the applicable endorsements (END 6A/B/C/F, 22).

##### **Every other vehicle**

Enter the premium applicable to the statutory minimum limit.

**Optional Physical Damage Coverages****All Perils**

- a) This coverage is no longer offered on FA policies.
- b) Record All Perils losses according to the peril under which they were paid i.e. Collision losses under Collision and Comprehensive/Specified Perils losses under Comprehensive/Specified Perils.

**All Optional Physical Damage Coverages**

Enter premium and deductibles where indicated.

**Premium Totals****Liability**

- a) Total the appropriate premiums and enter the totals under the appropriate Tables i.e. Table 1A (Road Hazard Liability), Table 1B (Road Hazard Liability – Hazardous Cargo), Table 2 (Passenger Hazard B.I.) and Table 3 (Road Hazard and Passenger B.I. Combined)
- b) Apply the increased limit factor for limits up to \$1,000,000. See the Rating Notes at the beginning of the rate pages in this section.
- c) Apply the increased limit factor for limits over \$1,000,000 if required. See the Rating Notes at the beginning of the rate pages in this section.
- d) Add the final total under each table to the total derived from adding together all other premiums.

**All Other Coverages**

Total the premiums in each column.

**E. Renewals**

Prior to the expiry of experience rated insurance, the Servicing Carrier may ask the Agent/Broker to have certain forms completed to update the information on record.

Such a request will usually be made well in advance of the expiry date because of the need to issue the renewal policy/certificate/offer-to-renew before the insurance expires.

The appropriate renewal documents shall not be issued unless and until the required forms, properly completed, have been returned.

**Rule 336: Carrying Explosives**

Contact your Servicing Carrier.

**Rule 337: Carrying Radioactive Material**

Contact your Servicing Carrier.

### Rule 338 : Endorsements Applicable to POL 1 (Owner’s Policy)

Notes:

1. No endorsements, no special wordings and no changes to standard forms are permissible except as approved by or on behalf of the Superintendent(s) of Insurance.
2. This rule provides certain details of approved endorsement forms. The descriptions are necessarily very brief and reference must be made to the actual wordings of the endorsements to ascertain the full provisions and restrictions.
3. In certain cases a copy of the endorsement must be signed by the Applicant and filed with the Servicing Carrier. The insurance will not be continued or the policy will be re-rated, if this requirement is not met.
4. Not all policy change forms may be applicable to public vehicles. Refer to the specific wording below.

Liability or (TPL) means B.I. and P.D. Tort; DCPD means Direct Compensation – Property Damage  
 Physical Damage means Optional Coverages – Loss or Damage (All Perils, Collision, Comprehensive, Specified Perils)

Standard Endorsement Form Number, Title and Purpose		Rating
2	<b>Providing Coverage When Named Persons Drive or Rent or Lease Other Automobiles</b> Extends the ‘drive other automobiles’ Liability and Accident Benefits coverage to persons other than the Insured and spouse.	Net Annual Premium depending on Liability limit on vehicle Limit in thousands      \$200      \$300      \$500 \$1000 Premium per person      7      8      9      10  Accident Benefits per person \$1.
3	<b>Drive Government Automobiles</b> The purpose of this endorsement is to cover the Insured’s legal liability arising from the custody and use of a vehicle owned by the federal or a provincial government, including liability for the loss of or damage to the vehicle arising from Collision and/or Comprehensive or Specified Perils. The Insured must specify the types of vehicle that may be in his custody and, in regard to the ‘Physical Damage’ coverages, must indicate the required limit per occurrence.	Calculate the coverage premiums applicable to the highest rated government vehicle that may be in the Insured’s custody as if he owned such a vehicle. Take into account driving record as well as the type and use of the vehicle and the coverage deductibles; use the limit per occurrence as the vehicle’s value for determining the rating group and, in respect of a commercial vehicle, assume the model year to be the current year. The charge for each coverage is the under-noted percentage of the calculated premium. Liability/DCPD: . . . . .20% Accident Benefits: . . . . .50% Physical Damage: . . . . .100%
4A	<b>Permission to Carry Explosives</b>	If main cargo, rate vehicle as Class 48, 61B-64B plus special factors. If incidental, net annual \$50. Refer to additional rules within manual for further information.
4B	<b>Permission to Carry Radioactive Materials</b>	If main cargo, rate vehicle as Class 48, 61B-64B plus special factors. If incidental, net annual \$50.  Refer to additional rules within manual for further information.
5	<b>Permission to Rent or Lease Automobiles and Extending Coverage to the Specified Lessee(s)</b> Applicable to leases exceeding 30 days.	No charge for the endorsement. Vehicle is rated as if owned by lessee.  Refer to additional rules within manual for further information.
5C	<b>Permission to Rent or Lease (unspecified lessees - short term leases only)</b> Applicable to leases not exceeding 30 days	The following premiums apply to the policy and are not specifically for the endorsement: <b>1. Liability, DCPD, Collision, Comprehensive, Specified Perils:</b> Private Passenger . . . . .250% of 07/0 Commercial Vehicles Light Trucks . . . . .200% of 43/0 Heavy Trucks . . . . .200% of 45/0 Tractor/Trailers . . . . .175% of 64/0

Standard Endorsement Form Number, Title and Purpose		Rating
5C	<p><b>Permission to Rent or Lease (unspecified lessees - short term leases only)</b> Applicable to leases not exceeding 30 days (Continued)</p>	<p>Private Trailers a. Liability, DCPD .....add \$15 b. Physical Damage ..... 250% of normal MotorHomes &amp; Camper Units a. Liability, DCPD ..... 250% of 07/0 b. Physical Damage ..... 250% of normal Motorcycles &amp; Mopeds ..... 250% of DR 0 for age 16 Snowmobiles &amp; ATVs .....250% of normal</p> <p><b>2. Accident Benefits, Uninsured Automobile</b> All Vehicles ..... 100% of DR 0</p> <p>Refer to additional rules within manual for further information.</p>
5D	<p><b>Conversion Coverage (rented or leased automobiles)</b></p>	<p><b>Not offered.</b></p>
6A	<p><b>Permission to Carry Paying Passengers</b> When appropriate, this endorsement is used to modify the policy forms restrictions in regard to the use of the vehicle for the carriage of passengers. The actual use of the vehicle must be specified in the endorsement. See Private Passenger Section and Public Section. The use of the endorsement is not permissible in respect of other vehicles. Also see END 22.</p>	<p>For Private Passenger Vehicles used in <b>car pools</b>, add 10% of Liability and DCPD premium. Attach 6A.</p> <p><b>Volunteers:</b> A volunteer transports persons to medical appointments and the like, and is reimbursed for their reasonable driving expenses, including gas, vehicle wear and tear and meals. END 6A is not required and there is no additional premium charge.</p> <p><b>Other Private Passenger Vehicles used to transport passengers:</b> i) If transportation of non-paying passengers is part of Insured's job and employer reimburses employee for expenses - then Class 07 rates apply. ii) If transportation is very occasional (no more than once a week - non-paying passengers) then Class 02 or Class 03 rates can apply. iii) All others, then appropriate taxi, limousine or bus rates are applicable. See Public Section. END 6A would be attached; however, only if the vehicle is used in a car pool would the 10% surcharge apply. For public vehicles, rate vehicle accordingly. See Public Section.</p>
6B	<p><b>School Bus</b> This endorsement is used in respect of School Buses and, in regard to Passenger Hazard, provides either: (a) separate limits of liability in respect of (i) bodily injury to any one person, (ii) bodily injury to all persons, and (iii) passengers' property or (b) a combined limit in respect of all passengers' bodily injury and property damage.</p>	<p>Rate vehicle according to Public Section.</p>

Standard Endorsement Form Number, Title and Purpose		Rating
<b>6C</b>	<b>Public Passenger Vehicles</b> This endorsement is used in respect of buses other than School Buses and, in regard to Passenger Hazard, provides either: (a) separate limits of liability in respect of (i) bodily injury to any one person, (ii) bodily injury to all persons, and (iii) damage to property carried in the automobile, or (b) a combined limit in respect of all passengers' bodily injury and property.	Rate vehicle according to Public Section
<b>6D</b>	<b>Driver Training School</b> This endorsement gives permission for the vehicle to be used for Driver Training School purposes and extends the Liability section of the policy to provide coverage in respect of the Insured's liability for bodily injury to student drivers/observers. The Liability limit provided in respect of Road Hazard is to be repeated in the endorsement against both 'any one person' and 'two or more persons'. Also See END 22.	Refer to additional rules within manual for further information.
<b>6F</b>	<b>Public Passenger Vehicles</b> This endorsement is used instead of END 6C when a combined Road & Passenger Hazard Limit (B.I. & P.D.) is to be provided.	Rate vehicle according to Public Section
<b>7</b>	<b>Separate Limits (Liability)</b> This endorsement is used only when proof of insurance is filed in respect of a vehicle and the authority concerned requires that, in respect of Road Hazard, the insurance provide separate Liability limits for (i) bodily injury to any one person, (ii) bodily injury to all persons, and (iii) damage to property.	Premium is that applicable to an inclusive limit equal to the sum of the limits for B.I. to any one person/any one accident.
<b>8</b>	<b>Property Damage Reimbursement</b>	<b>Not offered.</b>
<b>9</b>	<b>Marine Use Excluded</b> This endorsement specifies that insurance is not provided while the vehicle is in or upon water or being launched or landed. The use of the endorsement is mandatory in respect of vehicles designed for use on both land and water (amphibious vehicles, all terrain vehicles, swamp buggies).	No charge.
<b>13C</b>	<b>Restricting glass coverage</b>	Not offered on 'Public Vehicles' as described in the Public Section of this manual.
<b>16</b>	<b>Suspension of Coverage</b>	If there is only one vehicle on the policy, percentage of unearned premium for remainder of term to be refunded: Liability - 90%; A.B. - 75%; DCPD - 90%; Coll. - 100%. If two or more vehicles on policy and one retains Liability and Accident Benefits coverages, the percentages are Liability - 90%; A.B. - 100%; DCPD - 90%; Coll. - 100%. No refund for suspensions of less than 45 days.  Refer to additional rules within manual for further information.
<b>17</b>	<b>Reinstatement of Coverage</b>	Used in connection with END 16. Refer to additional rules within manual for further information.

Standard Endorsement Form Number, Title and Purpose		Rating
19	<p><b>Limiting the Amount Paid for Loss or Damage Coverages</b> This endorsement provides that, in the event of loss or damage, the maximum amount of insurance under the physical damage sections of the policy is the actual cash value of the vehicle or the specified dollar amount (selected by the Insured), whichever is less. The use of the endorsement is mandatory in respect of motorcycles and mopeds and all vehicles for which the physical damage premiums are based on the estimated or appraised current value.</p>	Base physical damage premiums on estimated or appraised current value.
19A	<b>Agreed Value of Automobiles</b>	<b>Not offered.</b>
20	<b>Coverage for transportation replacement</b>	Not offered on 'Public Vehicles' as described in the Public Section of this manual.
21A	<b>Monthly Reporting Basis Fleet</b>	<b>Not offered.</b>
21B	<b>Blanket Coverage for Ontario Licensed Automobiles Fleet</b>	<b>Not offered.</b>
22	<p><b>Damage to Property of Passengers</b> This endorsement is used to insure the Passenger Property Damage hazard when either END 6A or END 6D is attached to the policy.</p>	Premium is the Passenger Hazard Property Damage premium for the class of vehicle. See Public Section of the Manual.
23A	<p><b>Lienholder Protection</b> This endorsement records the joint interest of a lienholder.</p>	No charge. If an END 23A/B is issued showing the coverages provided, the applicability of any restrictive endorsement (such as END 19/28/40) is also to be recorded.
23B	<p><b>Mortgage (Broad Form)</b> This endorsement is broader than END 23A in that it provides additional protection to the lienholder.</p>	10% of total physical damage premium; minimum net annual \$25. If an END 23A/B is issued showing the coverages provided, the applicability of any restrictive endorsement (such as END 19/28/40) is also to be recorded.
24	<p><b>Fire Apparatus</b> This endorsement excludes physical damage coverage on equipment removed from the vehicle while at the location of a fire. Use of the endorsement is mandatory when the insurance applies to a fire-fighting vehicle</p>	No charge.
25A	<p><b>Alteration</b> In addition to other changes, this endorsement may amend the policy allowing Insureds to buy Optional Increased Accident Benefits on policies that have renewed with standard benefits.</p>	Minimum additional premium of \$5 for addition of coverage or vehicle, increase in Liability limit, or decrease in deductible amount.
26	<b>Disappearing Deductible</b>	<b>Not offered.</b>
27	<b>Liability for damage to non-owned automobile(s) and providing other coverages when insured persons drive, rent or lease other automobiles</b>	Not offered on 'Public Vehicles' as described in the Public Section of this manual.
27B	<p><b>Business Operations - Liability for Damage to Non-Owned Automobile(s) in your Care, Custody or Control</b> The purpose of the endorsement is to cover the Insured's legal liability for loss of or damage to a non-owned vehicle/trailer (not owned by or licensed in the name of the Insured or any other person residing in the same premises) arising from Collision and/or Comprehensive or Specified Perils. The Insured must specify the types of vehicle/trailer that may be in his custody and indicate the required limit per occurrence.</p>	Coverage premiums charged are those applicable to the highest rated vehicle as if the Insured owned such a vehicle; the limit per occurrence is used to calculate rate group; model year is assumed to be the current year.

Standard Endorsement Form Number, Title and Purpose		Rating
28	<b>Reducing Coverage for Named Persons</b> This endorsement is used if the coverages provided by the policy are to be restricted when certain named operators are driving the vehicle.	No premium reduction.
28A	<b>Excluded Driver</b> This endorsement is used to exclude coverage when the person named in the endorsement drives the automobile. Both the excluded person and the Insured must sign the endorsement. The endorsement must be signed annually.	Premium: No charge to add endorsement. Rate vehicle as if excluded driver was not in the household. Upon removal of the END 28A, all accidents and convictions will be considered chargeable. Refer to additional rules within manual for further information.
29	<b>Additional Coverage as Respects Operation By Named Persons</b>	<b>Not offered.</b>
30	<b>Removing Coverage for Attached Machinery</b> This endorsement excludes Liability and Accident Benefits coverage in respect of the ownership or use of machinery or apparatus mounted on or attached to the vehicle, while at the site of such use.	No charge
31	<b>Non-Owned Equipment</b> This endorsement provides coverage in respect of apparatus, machinery or equipment that is attached to the vehicle but is not owned by the Insured. Use of the endorsement is not permissible in respect of a vehicle to which END 30 applies. The physical damage coverages may only be the same as those provided in respect of the vehicle. The required limit in respect of loss of or damage to the equipment must be specified.	No specific charge, equipment cost to be included in vehicle value.
32	<b>Use of Recreational Vehicles by Unlicensed Operators</b> This endorsement permits the use of the insured vehicle, off the public highway and for recreational purposes only, by an unlicensed and/or unqualified person.	No charge.
35	<b>Coverage for Emergency Road Services</b> No longer available	Note: On existing policies where END 35 has been applied on a vehicle, the endorsement will remain until the vehicle is removed from the policy.
38	<b>Agreed Limit for Automobile Electronic Accessories and Equipment</b> This endorsement limits theft coverage for electronic accessories (other than factory installed) to the lesser of the actual value of the equipment or \$1,500 unless the equipment is listed in the endorsement.	\$30 per \$1,000 or part thereof, of the limit of coverage shown on the endorsement.
40	<b>Fire Deductible</b> This endorsement is used when the Comprehensive or Specified Perils deductible is to be made applicable also to fire losses. This endorsement is mandatory for all motorized vehicles described in the Recreation Section of this manual.	No charge.
43	<b>Removing Depreciation Deduction</b>	<b>Not offered</b>
43A	<b>Removing Depreciation Deduction for Specified Lessee(s)</b>	<b>Not offered</b>

Standard Endorsement Form Number, Title and Purpose		Rating
44R	<b>Family protection coverage</b>	Not offered on 'Public Vehicles' as described in the Public Section of this manual.
47	<b>Agreement Not to Rely on SABS Priority of Payment</b> If optional statutory accident benefits are purchased and are applicable to a person under this policy, and the person claims SABS under this policy as a result of an accident and agrees not to make a claim for SABS under another policy, the Insurer agrees it will not deny the claim, for both mandatory and optional statutory accident benefits coverage purchased, on the basis that the priority of payment rules in Section 268 of the Insurance Act may require that the person claim SABS under another insurance policy.	This endorsement must be provided without charge to every policyholder who purchases optional statutory accident benefits and must be shown on the Certificate of Automobile Insurance as evidence of coverage.
48	<b>Added coverage to offset tort deductibles</b> This endorsement reduces the deductible and indicates the difference between the standard deductible and the purchased deductible	Premiums are shown on rate pages in each section of the Manual.

**PUBLIC VEHICLES  
RATING NOTES – LIABILITY LIMITS**

		Public Bus	School Bus	Bus - Hotel & Country Club	Private Bus	Taxi	Ambulance	Funeral Vehicle
Standard Liability Limits	Road Hazard	\$200,000				\$200,000		
	Passenger BI	\$200,000 any one person \$200,000 any one accident		\$200,000 any one person \$200,000 any one accident				
	Passenger PD	\$5,000						
Where limits are shown	Road Hazard	Policy Face Sheet						
	Passenger BI Passenger PD	6c	6b	END 6f (no limit shown on 6f)		END 6a (no limit shown on 6a)		
Liability Limit Table	Road Hazard	Table A		Table D		Table A		
	Passenger BI	Table B						
	Passenger PD	Table C						

**LIMIT PREMIUMS ON RATE PAGE**

The rate page shows per vehicle premiums or per seat rates for limits required by law or Road Hazard limits of \$200,000, \$500,000 and \$1,000,000. Passenger Hazard limits for one accident, eg 200/200 means \$200,000 any one person and \$200,000 any one accident.

Combined Limits for Passenger Hazard Bodily Injury and Property Damage (b limit on END 6b or c)

Determine the premium for the Passenger Bodily Injury accident limit required and add the premium for \$50,000 Passenger Property Damage.

**Combined Limit for Road and Passenger Hazards. Other Buses using 6f**

1. Determine the premium for the desired Road Hazard limit;
2. Determine the premium for the desired Passenger Bodily Injury limit;
3. Add Steps 1 and 2 Road and Passenger Bodily Injury premiums together;
4. From the rate table obtain the premium for Passenger Hazard Property Damage for a limit of \$50,000.
5. Total the premiums from Steps 3 and 4. This is the liability premium for the combined limit.
6. END 6f must be used.

**LIABILITY LIMIT TABLES**

All Excess Limit factors are applied to the \$1,000,000 limit premium

Table A - Road Hazard				
Limit in thousands	200	300	500	1000
Factor	1.000	1.299	1.626	1.992

Table B Passenger Bodily Injury see note opposite				
Limit any one person	Limit any one accident

**Passenger Hazard**  
For Per Seat rating please refer to Public Bus Page 2 See Rule 308 F Per Seat Example 1 b

**Accident Benefits Uninsured Auto**  
1. Find the Basic Charge for the Seating Capacity  
2. Multiply the Per Seat rate for the Seating Capacity by the number of seats  
3. Add Steps 1 and 2 to obtain the premium.

**Territories 5 - 11, 18, 19**

## Rule 400: Filed Underwriting Rules

### A. The Insurer's rules for declining to issue, terminating or refusing to renew a contract are:

1. The risk does not meet the object of the Facility Association which is to ensure the availability of automobile insurance, as required by law, in those provinces and territories of Canada in which the Association operates, to the owners and licensed drivers of motor vehicles who would otherwise have difficulty obtaining such insurance.
2. The Applicant does not have an insurable interest in the vehicle.
3. The vehicle is registered in a jurisdiction other than one in which the application for coverage is being completed or the vehicle is not operated at any time in a jurisdiction in which the Association operates. If the vehicle is registered in another jurisdiction in which Facility Association operates, the vehicle may be insured through an Agent/ Broker and Servicing Carrier licensed in that jurisdiction.  
  
Exception: See Rule 400:C. Non-Residents and Vehicles Not Registered in Jurisdiction.
4. The only driver of the vehicle does not hold a valid operator's licence (where required for the vehicle type being insured).
5. The application is incomplete, has not been signed by the Applicant, or has not been bound by the Agent/Broker.
6. The Applicant/Agent/Broker refuse to provide the sufficient valid information to write the risk. 'Sufficient valid information to write the risk' includes data to properly rate the risk and to report the risk information in accordance with the Automobile Statistical Plan.
7. The vehicle is not in the possession of the Applicant (i.e., has been stolen or cannot be located). This restriction is not intended to be used as a denial of a valid theft claim.
8. A certificate of mechanical fitness and road worthiness has not been provided in accordance with the Manual of Rules and Rates e.g. home made vehicles.
9. Non-payment of premium for the current policy period (for purposes of termination only).
10. Any risk where abusive or threatening behaviour of the Insured/Applicant/Driver within the previous 3 years has created a safety concern for Facility Association staff, Servicing Carrier staff or a representative acting on behalf of either and circumstances have been reported to police.

### B. Rules for refusing to provide or continue a coverage are:

1. Optional physical damage coverage shall not be provided where an Applicant or any person who is a regular or frequent operator of the vehicle, has, within the immediately preceding thirty-six months:

- a) When making a previous application for automobile insurance, given false particulars of an automobile to be insured to the prejudice of the Insurer;  
**or**
- b) Knowingly misrepresented\* or failed to disclose in an application any fact required to be stated therein;  
**or**
- c) Has contravened a term of an insurance contract or been convicted of fraud in relation thereto;  
**or**
- d) Wilfully made a false statement in respect of a claim.

\* Misrepresentation means an Applicant has either had a policy cancelled by registered letter for material misrepresentation or has had a claim denied for material misrepresentation.

2. Optional physical damage coverage shall not be provided where an application for a branded vehicle (salvage or rebuilt) is submitted without a valid vehicle registration and, at the Servicing Carrier's discretion, a current safety certificate.

3. Where a vehicle is licensed for road use or for off road use and used as well for race or speed tests, optional physical damage coverage shall not be provided. For DCPD coverage, establish rate group according to Rule 409 Motorcycle and Moped or Rule 411 Off Road Vehicles.

### C. Non-Residents and Vehicles Not Registered in Jurisdiction

These vehicles may be operated for 60 days at which point they must be registered and plated in this jurisdiction. A policy of insurance may be required to cover the vehicle during this period. If necessary, FA will issue a short term policy for a period not exceeding 60 days to cover the insurance requirement. Upon expiry, the policy will lapse and will not be renewed. If the vehicle is registered in this jurisdiction prior to the expiry of the short term policy, the short term policy will be cancelled pro rata and a new POL 1 will be issued for a 6 or 12 month term.

## Rule 401: Coverages Available and Minimum Deductibles

### A. Liability

Not more than \$2,000,000 except:

- When required by American or Canadian federal or provincial statute, by regulation issued under authority thereof, or by municipal by-laws (but not by other local authorities such as school boards). If proof of insurance is issued, the amounts shown on the proof may not exceed those required by the authority concerned.

**NOTES** (applicable to all vehicles):

If it is necessary to provide a Liability limit that falls between two limits for which premiums or limit factors are indicated in this manual, the premium or limit factor applicable to the higher of those two limits shall be used. Where it is required and permissible to provide a higher Liability limit, contact your Servicing Carrier.

### B. Accident Benefits

As prescribed by statute. Optional increased benefits are also available.

### C Uninsured Automobile

As provided in policy.

### D. Direct Compensation Property Damage

Other deductibles are available.

### E. Optional Physical Damage

Optional physical damage coverage shall not be provided or continued for recreational vehicles valued at \$1,000,000 or more.

All Perils coverage is no longer available.

#### Minimum Deductibles

The following table indicates the minimum deductibles available for Collision, Comprehensive and Specified Perils.

Value on which the premium is based	Minimum Deductible
Under 24,000	\$500
\$24,000-\$29,000	\$750
\$29,001-\$34,000	\$1,000
\$34,001-\$39,000	\$1,250
\$39,001-\$44,000	\$1,500
\$44,001-\$49,000	\$1,750
\$49,001-\$54,000	\$2,000

\$54,001-\$59,000	\$2,250
\$59,001-\$64,000	\$2,500
\$64,001 or more	5% of valued rounded to the nearest \$250. <i>For example:</i> If the appraised value is \$123,000, 5% is \$6,150. The deductible shall be \$6,250 and the rating factor for \$2,500 or more applies.

**NOTE: For risks with claims, refer to the chart below. Where a risk is eligible for one deductible based on value and another based on claims, the higher deductible applies.**

Number of Automobile Insurance claims under each coverage (All Perils, Collision, Comprehensive, Specified Perils)			Deductible amount applicable to the coverage under which the claims were made*
In prior 12 months	In prior 36 months	In prior 60 months (fire and/or total theft)	
3	-	2	\$2,500
-	3	-	\$1,000
-	4	-	\$2,500
-	5 or more	-	5% of LPN (minimum deductible \$5000)
-	-	3 or more	No coverage offered

Claims that have occurred under All Perils coverage shall be assigned to the appropriate section of the coverage i.e. Collision or Comprehensive.

Higher deductibles shall only be imposed when there have been a sufficient number of claims under any given coverage to warrant such application. *For example* one Collision loss and three Comprehensive losses in the previous 12 months will result in the application of a \$2,500 deductible on Comprehensive only. Only if the Insured has sustained three Collision losses as well, would \$2,500 deductible be applied to the Collision coverage.

### F. Family Protection Coverage (END 44R)

For a brief description refer to Rule 442: Endorsements Applicable to POL 1 (Owner's Policy). The premium varies with the Liability limit applicable to the vehicle.

The coverage limit provided by this endorsement is the same as the Liability limit applicable to the vehicle.  
*For example:* If the vehicle is insured with a Liability limit of \$2,000,000 the END 44R will also have a limit of \$2,000,000.

**NOTE** (applicable to all vehicles): END 44R is not available for vehicles that are subject to the Public Section of this manual.

### G: Minimum Coverage

Policies are required to provide at least the statutory minimum coverage applicable to the jurisdiction in which the vehicle is registered.

For recreational vehicles to which this section of the manual applies:

- a) Coverage other than Comprehensive or Specified Perils may not be suspended by means of END 16.
- b) In the case of an existing policy that includes Comprehensive or Specified Perils coverage, coverages other than Comprehensive or Specified Perils may not be deleted.
- c) In the case of a new application, a policy may not be issued for Comprehensive or Specified Perils coverage only.

## Rule 402: Optional Accident Benefits

The Insured may choose to enhance the basic benefits provided by POL 1 by choosing one or more of the following Optional Accident Benefit coverages. Refer to the Statutory Accident Benefits Schedule to ascertain the full provisions and restrictions.

### A. Optional Benefits

#### Optional Income Replacement Benefit

Increases the maximum weekly amount of \$400 to \$600, \$800 or \$1,000, as selected by the named Insured under the policy.

#### Optional Caregiver, Housekeeping and Home Maintenance Benefit

For non-catastrophic injuries, provides benefit of caregiver up to \$250/week for the first dependant and \$50/week for each additional dependant. Also provides a housekeeping and home maintenance benefit of up to \$100/week.

#### Optional Medical, Rehabilitation and Attendant Care Benefit

Combined optional medical, rehabilitation and attendant care benefit of \$130,000 is available. Also available is an optional \$1,000,000 combined medical, rehabilitation and attendant care benefit.

#### Optional Benefit for Catastrophic Impairment

Optional benefit for catastrophic impairment of up to \$1,000,000 for medical, rehabilitation and attendant care is available if the insured person sustains a catastrophic impairment.

#### Optional Dependant Care Benefit

Provides a dependant care benefit of \$75/week for the first dependant plus \$25/week for each additional dependant to a maximum of \$150/week.

#### Optional Death and Funeral Benefit

Increases the amount payable to a deceased person's surviving spouse to \$50,000 and also \$20,000 to each of the deceased person's surviving dependants. Also increases the maximum amount for funeral expenses to \$8,000.

#### Optional Indexation Benefit

Indexes the income replacement, non-earner benefits and all benefit limits to the cost of living. Optional benefits may also be indexed.

### B. Premium Calculation

The Optional Benefits are purchased on a per policy basis, meaning that the premium for the Option chosen is only calculated for one vehicle on the policy and applies to all vehicles on the policy. The vehicle used to calculate the premium is the one that produces the highest basic Accident Benefits premium taking into account all surcharges. See special instructions for Fleets. The premium for each selected Optional Benefit must be shown separately on the application.

Optional Benefits added to a policy midterm are treated like any other policy change. The additional premium shall be calculated pro rata for the remainder of the term.

1. Determine the Accident Benefits premium for basic benefits from the rate pages.

2. Apply the appropriate accident and conviction surcharges and round to the nearest whole dollar.

3. Add the premium for the selected Optional Benefits.

4. If Optional Indexation Benefit is selected, multiply the premium calculated in Step 3 above (excluding Optional Death and Funeral Benefit) by the indexation factor and round to the nearest whole dollar.

### C. Fleets

Only Optional Death and Funeral Benefit is available on fleets.

The premium for Optional Death and Funeral Benefit is the Optional Death and Funeral Benefit premium for the appropriate vehicle type e.g. private passenger, commercial, public etc.

If the Insured wishes to purchase other Optional Benefits on a fleet vehicle supplied for his/her personal use, that vehicle must be removed from the fleet policy and insured on a separate POL 1.

**D. Rating Example**

Rates shown are for illustrative purposes only and do not necessarily reflect actual premiums.

There are 2 motor homes on an annual policy with an effective date of November 1, 2010. Applicant is principal operator of Motor Home 1 rated 013 with a 50% surcharge. Spouse is principal operator of Motor Home 2 and rated 010. The Insureds would like Optional Income Replacement Benefit (\$1,000), Optional Death and Funeral Benefit and Optional Indexation Benefit added effective May 1, 2011

1. Find the Accident Benefit premium from the rate pages in the Private Passenger Section.

Motor Home 1	\$1,500
Motor Home 2	\$2,000

2. Apply any surcharges.

Motor Home 1	$\$1,500 \times 1.5 =$	\$2,250.
Motor Home 2		\$2,000

3. Choose the higher premium \$2,250.

4. Determine the appropriate Optional Benefits premium in the appropriate section of the manual.

Income Replacement	\$958 (private passenger)
Death and Funeral	\$13 (private passenger)

5. To determine Optional Indexation Benefit, multiply the total of the basic Accident Benefits premium plus the premium for Income Replacement by the factor for Indexation taken from the private passenger rate pages and round to the nearest dollar.

$\$2,250 + \$958$	\$3,208
Indexation = $\$3,208 \times .27$	\$866

6. Apply the pro rata factor to calculate additional premium for the period May 1 to November 1.

Income Replacement	\$958
+ Death & Funeral	\$13
+ Indexation of Basic & Income Repl	\$866
Total	\$1,837
Pro rated at .50	\$919

**Rule 403: Binding Coverage – New Policies**

**A. Requirements/Procedures for binding new policies**

1) The Agent/Broker must have a fully completed application signed by the registered owner(s) of the vehicle(s) detailing all information on the risk. Supplementary questionnaires, if required, must be completed and signed by the Applicant. If the Servicing Carrier is required to have a driver’s permission to obtain a driver record abstract, that written authorization must accompany the application.

2) Before binding coverage the Agent/Broker must either:

a) Collect or assume responsibility for the full indicated premium (experience rated risks at Driving Record 0)

**or**

b) Where a vehicle qualifies for the monthly pay plan, provide all information and documents required to the Servicing Carrier.

**or**

c) Obtain a fully completed premium finance contract together with the full down payment required and promptly send that contract to the finance company office.

3) The insurance shall take effect as of the time and date the coverage is bound. Under no circumstances may coverage be shown as effective prior to the date and time of completion of the application form. Therefore coverage may not be bound as of 12:01 a.m. on the date the application is signed. However, except when the binding time is 12:01 a.m. of a future date, the policy shall be shown as effective at 12:01 a.m. on the day following the date coverage was bound. The premium rates to be applied are those in effect on the binding date.

*For example:*

a) Coverage is bound at 1:00 p.m. on June 1. The application is signed on June 1. The policy will be issued showing an effective date of 12:01 a.m. June 2. However, the coverage is in effect as of 1:00 p.m. on June 1.

b) Coverage is bound as of 12:01 a.m. June 1. The application was signed on May 29. The policy will be issued showing an effective date of 12:01 a.m. June 1.

4) If the application form cannot be sent to the Servicing Carrier on the date on which coverage was effected, it must be sent the next working day.

5) The Servicing Carrier shall normally issue the policy within 30 days of the effective date. If the

Agent/Broker does not receive the policy and the full term liability card within that time, a further temporary liability card must be issued by the Agent/Broker and the Servicing Carrier must be contacted immediately to determine the status of the policy.

- 6) Before optional physical damage coverage can be bound on a vehicle branded as 'salvage' or 'rebuilt', a valid vehicle registration and, at the Servicing Carrier's discretion, a current safety certificate must be provided to the Servicing Carrier with the application.

### B. Term of binding new policies

The term of binding and of the temporary liability card is 30 days. The temporary liability card may not be amended to indicate a longer period. If a short term policy is to be issued, the temporary liability card shall be amended to indicate a shorter period.

## Rule 404: New Policies

### A. Application Form

Every application for insurance must be made on the current approved Standard Application Form and must be fully completed and signed by both the Applicant and Agent/Broker where required. See also Rule 404:D. Computer Generated Application Forms.

Commercial, garage, public, experience rated and some specially rated risks will require completion of supplementary questionnaires.

A copy of the valid registration for all owned vehicles being insured, regardless of vehicle type or use, will be required with the application. If the registration cannot be submitted with the application, a copy of the registration is required within 30 days of binding coverage.

Where a copy of the valid registration is not provided, the following shall apply:

- Policy shall be issued with all vehicles at the correct premium.
- If any registration is not provided within 30 days from the date requested by the Servicing Carrier, the policy shall be cancelled by registered letter.
- If the missing registration is provided before the cancellation takes effect, the policy may be reinstated.
- Agent/Broker may submit a new application for the vehicles meeting the registration requirement.

### B. Owners Policy (APP 1)

A current approved Standard Application Form (APP 1) is required. The Agent/Broker must indicate the time and date that coverage is bound.

### C. Faxed Applications

Fully completed and signed current approved Standard Application Forms submitted by fax are acceptable in lieu of original applications. Where required, these applications must be accompanied by the appropriate questionnaires or supplements. Where the original application has been submitted without signature, a signed and faxed copy of the application is acceptable to complete the signature requirement.

### D. Computer Generated Application Forms

These application forms are acceptable but must be in the standard format approved by the applicable regulatory authority and must include all information that is required to be provided on the current approved Standard Application Form.

The computerized application must be signed and dated by the Applicant as well as the Agent/Broker.

### E. Applicant's Signature

The Applicant's signature shall be provided on the Facility Association manual application form or the computerized application form at the time of binding whenever possible.

If the Applicant's signature cannot be obtained at the time of binding, the Servicing Carrier shall allow the Agent/Broker 30 days to obtain a signature on the original application provided the Agent/Broker assumes responsibility for the full indicated premium. In the meantime, the Agent/Broker must send a copy of the completed but unsigned application to the Servicing Carrier.

If a signed copy of the application is not received by the Servicing Carrier within the 30 day time period, the Servicing Carrier shall immediately cancel the policy by registered letter. The Agent/Broker shall be responsible for the full indicated earned premium for the time on risk.

### F. Name of the Insured

Insurance contracts must be made with individuals who have both the capacity to contract and are legal entities. If the Applicant is not an individual(s), the name(s) appearing on the policy must be that of a legal entity i.e. a limited company or partnership.

The name of the Insured must include or be the same as the name on the vehicle registration.

### Two or More Names as Registered Owner of the Vehicle:

Where an application is received for vehicle(s) registered in two names, such as Pat and Drew Doe, the application must be signed by both parties. In the event the policy is to be cancelled at the Insured's request, both signatures are required on the request for cancellation. If the situation is other than the Applicant and spouse, refer to the Servicing Carrier prior to quoting or binding to verify

the rating.

### Two or More Vehicles Registered to Different Names:

If the Applicant has vehicles leased from different leasing companies, or, one vehicle registered for example in the father's name and one in the son's name, separate policies must be maintained.

If the Applicant has vehicle(s) leased from the same leasing company and owned vehicle(s), separate policies may not be necessary.

Exception: If the vehicles are separately registered to an Applicant and his or her spouse only, they may be insured under the same policy. Both must sign the application and any subsequent request to cancel a policy or delete a vehicle or coverage.

Where it is discovered in the middle of the policy term, that a single policy has been issued with two (or more) vehicles, one registered in one name and one in another name, both signatures shall be required on any subsequent request for cancellation of the policy or deletion of a vehicle or coverage. Separate policies must be issued at the time of next renewal.

### G. Other Insurance

If there is any other insurance in force in respect of a risk:

- a) Binding shall not be made effective before the expiry of that other insurance.

If that other insurance is to be cancelled, a liability card may not be prepared before the Insurer concerned has issued the notice of cancellation, or the Insured has signed the request for cancellation as the case may be.

### H. Verification of Driving History

In order to verify the driving history, the Servicing Carrier is required to obtain the following before confirming the premium:

- a) Driver record abstract obtained from the appropriate government department in each Canadian or U.S. jurisdiction in which the driver has been licensed in the previous three years.

On experience (fleet) rated risks, the abstract is not required.

Driver record abstracts are not to be obtained for the operators of any snow vehicles, dirt bikes, all terrain vehicles or antique vehicles to be insured.

- b) Previous Insurance History obtained on all drivers with the exception of drivers with only an international licence. This may be an electronic report ordered from a service provider, letters from previous carriers or telephone calls to previous carriers (which must be properly documented on file including name of persons spoken to, date, time etc.).

Insurance history is not required for Motorcycle, Moped, Snow Vehicles, Dirt Bikes, All Terrain Vehicles, Antique Vehicles. See special instructions under Fleets and the Garage section.

If the information received is different from that reported on the application, to the extent that the premium requires amendment, the policy shall be issued at the revised premium and coverage or the Servicing Carrier shall promptly issue a correcting endorsement.

### I. Rating for More than One Use

If a vehicle is used for more than one purpose, the highest rated class (based on premium) must be used regardless of the percentage of exposure.

*Example:*

The insured has a motorcycle used for courier purposes and for pleasure. Rate the vehicle for courier delivery.

## Rule 405: Monthly Pay

### When is Monthly Pay Plan Available

In accordance with the Insurance Act, Servicing Carriers must offer and administer a monthly payment plan for business they write on behalf of Facility Association as prescribed by regulation.

The Servicing Carrier will establish the rules for monthly payment plan subject to the following conditions and any changes to regulation that may occur from time to time:

- The contract is written on Ontario Automobile Policy 1 or Ontario Policy Form 2.
- The contract does not insure a commercial vehicle or public vehicle.
- The contract does not insure five or more vehicles under common ownership or management.
- The total annual premium payable under the contract exceeds \$300.
- The Insured has not had more than one automobile insurance policy terminated by an Insurer for non-payment of premium during the thirty-six months before the contract takes effect.
- As a pre-condition for permitting an Insured to pay the premium in instalments, an Insurer may require that the Insured:
  1. Make an initial payment equal to two monthly instalments of the premium;
    - and

2. Agree to make all payments under the contract by pre-authorized payment from the Insured's account at a financial institution.
- A finance charge, authorized by government regulation that may be amended from time to time is applied to the total policy premium. (The total policy premium is the net premium plus service fee.)
  - A returned item charge of \$50 applies to failed withdrawal attempts.

## Rule 406: General Definitions

### A. List Price New

The Manufacturer's Suggested Retail Price (MSRP) new (plus taxes) of the vehicle/unit, including the cost of any customizing features and all permanently attached equipment.

For snow vehicles and all terrain vehicles, list price new must be established by using the price in one of the industry publications such as *Sanford Evans Gold Book* (Suggested Factory Price or MSRP) or the *Canadian ATV, Snowmobile & Watercraft Dealers Blue Book* (Original Retail Price). The figure found in these publications must be increased to include applicable taxes. For the model years 1991 and earlier, GST shall not be added.

In the event that the model to be covered is new and therefore not listed in one of these publications, the manufacturer's suggested retail price can be obtained from a dealer. In the event the model is not listed for that year in one of these publications, the manufacturer's suggested retail price for that model for a prior year or subsequent year may be used.

Actual cash value may be used for snow vehicles and all terrain vehicles with a value of \$15,000 or more provided the Insured produces at his/her own expense an appraisal acceptable to the Servicing Carrier and END 19 is attached.

### B. Non-Pleasure Use

Used for renting, driver training, demonstration, sales office or any other business or commercial purposes.

### C. Pleasure Use

Used for pleasure/recreational purposes, including driving to and from work.

## Rule 407: Policy Issuance – General

### A. Vehicle Not Used on Public Roads

The object of the Facility Association, as stated in the Plan of Operation is to 'ensure the availability of

automobile insurance as required by law'.

A vehicle (e.g. snow vehicle, all terrain vehicle, dirt bike) operated solely on the Applicant's own land may not be required to be registered/licensed in which case Provincial/Territorial Acts do not require a motor vehicle policy. FA shall decline to provide insurance to the owners of vehicles that are not required by law to be insured.

In the event the vehicle is registered/licensed and a motor vehicle policy is required, FA shall, in those cases, provide an automobile policy. Agents/Brokers must confirm with the Insured that the vehicle is (or will be) registered/ licensed and provide such confirmation to the Servicing Carrier at the time of application. This may take the form of a statement to that effect in the remarks section of the application.

Where FA is required to provide coverage, i.e.

- the vehicle is licensed;
- the vehicle is principally operated by a driver under age 16 and
- the rating is dependent on driving record, the driving record assigned to that driver shall be no greater than 0 until the operator has reached age 16.

### B. END 32 – Recreational Vehicle Endorsement

This endorsement is permissible on any vehicle of the types specified in the standard endorsement whether the vehicle is registered/licensed for road use or off road use. The vehicle types are as follows:

All Terrain Vehicles	Motor-assisted Vehicles
Dune Buggy	Motor Scooters
Midget Automobiles	Motorized
Toboggans Mini-cycles	Snow Vehicles
Mopeds	Snow Planes
Trail bikes	

### C. Calculating Premium for Short Term Policies and Midterm Changes

Due to the nature of the following vehicles and the seasonal use to which they may be put, special premium calculation procedures are applicable to Liability, Accident Benefits, Uninsured Automobile, Direct Compensation Property Damage, Collision, and END 44R coverages if the period of insurance is less than 12 months either from addition or deletion of coverage or cancellation:

#### 1. Motorcycles and Mopeds

The premium is calculated in accordance with Rules 419:C and 419:D (Short Term Table 3)

#### 2. Snow Vehicles

The premium is calculated in accordance with Rules 419:C and 419:D (Short Term Table 4)

#### 3. Antique Automobiles

The premium is calculated in accordance with Rules

419:C and 419:D (Short Term Table 3)

The Comprehensive and Specified Perils premiums are calculated in accordance with Rules 419:C and 419:D (Short Term Table 1).

#### **D. Use Outside Jurisdiction in Which Vehicle is Registered**

If there is regular or frequent use of a vehicle outside the jurisdiction in which the vehicle is usually garaged, full details must be submitted to the Servicing Carrier so that the appropriate rates may be established.

If there is regular or frequent use in the U.S. refer to Rule 427: U.S. Exposure.

#### **E. Driver Record Abstracts & Convictions**

##### **Motorcycles, Mopeds and Motor Homes**

Driving record abstracts and previous insurance history reports are required for motor homes.

Driving record abstracts are required for motorcycles and mopeds.

##### **Off Road Vehicles and/or Antique Vehicles**

Driver record abstracts and previous insurance history reports are not obtained for persons who operate only off road vehicles and/or antique vehicles.

Traffic offence convictions that do not relate to off road vehicles or antique vehicles are not used in the rating of these vehicles.

#### **F. END 40 – Fire Deductible**

This endorsement must be applied to every motorized recreational vehicle on which Comprehensive or Specified Perils coverage is provided. The endorsement requires the Insured's signature.

### **Rule 408: Trailers, Motor Homes & Camper Units**

#### **Definitions, Rating and Policy Issuance**

##### **1. Trailer**

A unit designed to be towed by a motor vehicle and falling into one of the following categories:

- Cabin or home trailer
- Tent trailer
- Other trailer designed for pleasure use (e.g. boat trailer, utility trailer used for pleasure only).

##### **Trailer used only with a Motorcycle/Moped**

See Rule 409:C6. Motorcycle/Moped Trailer.

##### **2. Motor Home**

A self-propelled vehicle containing living quarters that are an integral part of the vehicle and not removable.

Some vehicles are manufactured with refrigerator, stove, sink and bed as standard equipment. An example is the Volkswagen Vanagon. Where a vehicle such as this is listed in the Private Passenger Rate Group Table, the vehicle is to be rated as a private passenger vehicle and

not as a motor home.

**Commercial/Public Vehicles converted to Motor Homes** Where the Insured requires coverage on such a vehicle before the conversion has taken place, Liability, Accident Benefits and Uninsured Automobile coverages only may be provided. Optional physical damage coverage is not available.

The vehicle shall be rated in accordance with the rules in the Private Passenger Section. The rate group for DCPD shall be based on the purchase price of the vehicle.

Once the conversion or reconstruction of the vehicle is complete, the rating for the vehicle shall be amended to that for a motor home. An appraisal shall be required before optional physical damage coverage can be added. The rate group for DCPD and optional physical damage will be based on the appraised value. See Rule 432: Home Made Vehicles/ Reconstruction The insurance shall be subject to END 19 (Limiting the Amount Paid for Loss or Damage Coverages) which must be attached to the policy and a copy signed by the Insured. END 19A (Agreed Value of Automobiles) is not available.

##### **Optional Physical Damage**

Except as otherwise stated for motor homes to be rated in the Private Passenger Section and for commercial/public vehicles being converted to motor homes, rate groups are established as following:

- If the value of the vehicle is less than \$15,000 the rate group for DCPD and optional physical damage may be based on the limit chosen by the Insured subject to END 19 or the rate group may be established using list price new.
- If the value of the vehicle is \$15,000 or more, the rate group for DCPD and optional physical damage must be established based on list price new.

END 19 is not required where the rate group is based on list price new.

##### **3. Camper Unit**

A specifically constructed unit for living purposes, mounted on and removable from a vehicle. Non-owned camper units may be covered by attaching END 31 (Non-Owned Equipment) and rating as outlined in Rule 442: Endorsements Applicable to POL 1 (Owner's Policy).

##### **Direct Compensation Property Damage (DCPD)**

To determine the rate group on which the DCPD premium is based, determine the DCPD rate group for the vehicle on which the camper unit is mounted using the Private Passenger Rate Group Tables. From that rate group establish a value for the vehicle using the Estimated Value column in the Rate Group Table in the Private Passenger Section of the manual. Use the low end of the value range provided for the vehicle's rate group. Add to that the estimated value of the camper unit and establish a rate group for the combined unit based on that value (using the

Estimated Value Table).

**Optional Physical Damage**

For optional physical damage coverage, camper units are rated based on list price new fully equipped plus taxes, independently of the vehicle on which they are mounted. The deductibles applicable to the camper unit must be the same as the deductibles for the vehicle on which the camper unit is mounted.

**4. Non-Pleasure Use**

**Rentals and Driver Training:**

See Rule 435: Short Term Rental and Rule 437: Driver Training Vehicles.

Other

Special rates found in the Schedule of rates apply to Liability and Accident Benefits. There are no special rates applicable to Uninsured Automobile, DCPD or optional physical damage coverage.

**Rule 409: Motorcycles & Mopeds**

**A. Definitions**

**1. Motorcycle**

A self-propelled vehicle designed to travel on two or three wheels, steered by handlebars and having a seat or saddle for the use of the driver. This includes ‘motor scooters’, ‘mini-bikes’ and motorcycles converted for use on snow and ice. This definition does not include mopeds, vehicles designed and used for commercial purposes and vehicles licensed but not for road use.

**2. Moped**

A vehicle defined in Canadian federal regulations or under similar legislation as a moped, power bicycle or motor driven cycle. Where no such definition exists, a moped shall be defined as a bicycle with an attached motor. The motor is driven by electricity or has a piston displacement of not more than 50 cubic centimetres.

**B. Driving Record**

**1. Driving Record Entitlement**

The full number of years immediately preceding the commencement date of the period of insurance for which:

- a) the principal driver has continuously held a valid operator’s licence; and
- b) there has been no chargeable accidents

**2. Calculating Driving Record with a Licence Suspension/ Cancellation/Lapse**

Suspension of Operator’s Licence can be one of two types:

**A. Suspension for cause:** A driver’s licence suspension or cancellation for more than two weeks resulting from a conviction or an accumulation of demerit points.

**B. Administrative**

**Suspension/Cancellation/Lapse:**

A suspension/cancellation/lapse for one year or more for any reason other than those outlined in item A.

**A. With suspensions for cause**

- For the total of all suspensions within the last 5 years, deduct 1 year for each year (or partial year) of suspension from the driving record (maximum Driving Record 3).

Examples:

1. Risk is eligible for driving record 4. One operator has a 6 month suspension for demerit points. Risk qualifies for driving record 3.

2. Risk is eligible for driving record 4. One operator has 18 month suspension for convictions. Risk qualifies for Driving Record 2.

**B. With administrative suspensions /cancellation /lapse:**

- If the total time the driver’s licence has been suspended/ cancelled/lapsed is less than 1 year in the past 5 years, the driving record will not be affected.
- If the total time the driver’s licence has been suspended/ cancelled/lapsed is 1 year or more in the past 5 years, the driving record will be reduced by 1 for every year (or partial year) suspended/cancelled/lapsed.

Examples:

1. Risk is eligible for Driving Record 4. One operator has a 10 month suspension for unpaid fines. Risk still qualifies for Driving Record 4.

2. Risk is eligible for Driving Record 4. One operator has 24 month suspension for unpaid fines. Risk now qualifies for Driving Record 2.

If the driver’s licence of the person reported as the principal operator is currently suspended/cancelled/ lapsed see Rule 431: Suspension of Operator’s Licence.

Once a level 2 licence (M2) has been obtained, the period during which a level one licence was held shall be considered up to a maximum period of one year.

In addition, the period of time during which a level two licence (M2) was held shall be considered up to a maximum of one year. The driver holding a level two licence (M2) does not become eligible for a driving record higher than 2 until graduation to a fully licensed (M) driver.

Total Years Licensed M1 (max 1) M2 (max 2)	M1	M2	M
Less than 1	0	0	0
1 year	0	1	1

2 years	0	2	2
3 years	0	2	3*
4 years	0	2	4*
5 years	0	2	5*

\* Must have 1 or more years licensed at M level.

**2. Valid Operator’s Licence**

A valid licence to drive the type of vehicle concerned. A Level one licence (M1) shall be regarded as a valid operator’s licence except as it pertains to the accumulation of experience. The operator of a moped must meet the licence requirements of the jurisdiction in which the vehicle is operated.

**3. Age**

The driver’s age on the last birthday preceding the commencement date of the period of insurance. In the case of an additional or substitute driver, the driver’s age as of the effective date of the addition/substitution. No grace period is permitted with respect to age. If for example, the driver will be 21 two days after the effective date of the policy, the policy must be issued on the basis that the Insured is 20 as that was the Insured’s age at the commencement of the period of insurance.

**4. New Drivers**

Where the owner who is the sole operator holds only a level one licence (M1), the risk shall qualify for only Driving Record 0 until a level two licence (M2) is obtained. When a M2 licence is obtained the driver may qualify for Driving Record 1.

**5. Driver Training**

- Driver training credit no longer available

**C. Rating Notes – Optional Physical Damage**

**1. Vehicle Rate Group**

The limit chosen for END 19 (Limiting the Amount Paid for Loss or Damage Coverages) must include the value of the vehicle and any additional accessories and customization including sidecars. The vehicle’s rate group is established from that amount using the Rating Group Table and the factors found on the Motorcycles and Mopeds rate pages.

If the value of the vehicle exceeds \$15,000, the Rate Group for DCPD must be established in accordance with the following conditions. Optional physical damage coverages may not be bound unless the following conditions are met:

- a) Where the vehicle is newly acquired from a dealer, a copy of the purchase agreement (dated within the 15 days prior to the effective date of the insurance) must be attached to the application or the change request. The purchase agreement

must confirm the vehicle’s year, make, model, serial number and purchase price.

- b) In any other case, the value must be substantiated by a certificate (including photo) from an independent appraiser acceptable to the Servicing Carrier. The certificate must be obtained at the Applicant’s expense and must be attached to the application or the change request.

**2. END 19 – Limiting the Amount Paid for Loss or Damage Coverages**

This endorsement must be applied to every vehicle on which optional physical damage coverage is provided. The endorsement requires the Insured’s signature.

**3. END 40 – Fire Deductible**

This endorsement must be applied to every vehicle on which Comprehensive or Specified Perils coverage is provided. The endorsement requires the Insured’s signature.

**4. Motorcycles 750 cc and over**

Comprehensive or Specified Perils coverage may not be provided unless:

- a) Where the vehicle is newly acquired from a dealer a copy of the purchase agreement (dated within the 15 days prior to the effective date of the insurance) must be attached to the application or the change request. The purchase agreement must confirm the vehicle’s year, make, model, serial number and purchase price.
- b) The Agent/Broker or an independent appraiser acceptable to the Servicing Carrier has completed the Motorcycle Inspection Report verifying that he/she has seen the vehicle and has verified its licence number, year, make, model and serial number with the information shown on the vehicle registration and on the application. This report must be obtained at the Applicant’s expense and must be attached to the application or change request.

If coverage is deleted from the vehicle and added again at a later date, a new inspection must accompany the request for the addition of coverage.

**5. Motorcycle & Sidecar**

A motorcycle and sidecar are to be treated and rated as *one* vehicle.

**6. Motorcycle/Moped Trailer Liability, Accident Benefits and Uninsured Automobile**  
No charge

**Optional Physical Damage and DCPD**

Establish the rate group based on the trailer’s value.

Establish the physical damage premium by rating the trailer as though it were a motorcycle. Charge 10% of that

premium.

For reporting under the Automobile Statistical Plan, the trailer is identified as such by use of Driving Record code '7'.

### 7. Non-Pleasure Use

#### Commercial Vehicle:

If the vehicle is designed and used for commercial purposes, it is rateable in the Commercial or Public Sections of this Manual. The vehicle rate group and minimum deductibles must be established using Rate Group Table II in the Commercial Section of this manual e.g. A three wheel motorcycle with a box built in between the rear wheels that permit the carriage of small packages for delivery purposes.

#### Rentals and Driver Training:

See Rule 435: Short Term Rentals and Rule 437: Driver Training Vehicles.

#### Other Non-Pleasure Uses:

See the special use factors in the Schedule of Rates.

### 8. Motorcycles converted for use on snow and ice

These are to be rated using motorcycle rates. Motorcycle rates are established for seasonal use during the months of March through October as shown in Rule 414:D. under Short Term Table 3. When a motorcycle is converted for use during the winter months the period of exposure increases and requires an additional premium.

Rule 419:D.3. provides direction for calculating additional premium when a motorcycle/ski bike will be operated from November through February.

A motorcycle that has been converted solely for use during the winter months will be rated as a motorcycle with no additional premium charged for the period November through February.

### D. Premium Determination

The rate pages are to be used in conjunction with the following instructions:

1. Establish the territory.
2. Establish the vehicle type.
3. Establish the age of the principal operator
4. Establish the driving record.
5. Establish the vehicle's rate group.
6. Establish a premium for each coverage from the rate page.
7. Apply accident and conviction surcharges if required as outlined in Rule 425.
8. Apply Rule 407:C if the period of insurance is less than one year.

## Rule 410: Not applicable

## Rule 411: Off Road Vehicles

### A. Definitions

#### 1. All Terrain Vehicle (A.T.V.)

A self-propelled vehicle licensed but not for road use, excluding those vehicles that meet the definition of a private passenger vehicle (see Private Passenger Section). It is designed for use off road on rugged terrain or on both land and water. It includes 'dune buggy', 'trail bike' and 'all terrain cycle' but not 'snow vehicle' unless adapted for year round use. If a snow vehicle has been adapted for year round use, it shall be rated as an all terrain vehicle but is subject to the provisions outlined under Rule 432: Home Made Vehicles / Reconstruction.

#### 2. Snow Vehicle

A self-propelled vehicle designed to be driven exclusively on snow or ice.

### B. Rating & Policy Issuance Notes

The schedule of rates is to be used in conjunction with the following instructions:

#### 1. All Terrain Vehicle

The Liability premium is dependent on the vehicle's engine capacity and horsepower.

#### 2. Pickups, 4x4s and Similar Vehicles Designed for Road Use

These vehicles may be licensed for off road use only. If used for pleasure purposes, rate in the Private Passenger Section of this manual. If used for commercial purposes, rate in the Commercial Section of this manual.

#### 3. Amphibious Vehicles – Marine Use Excluded

In respect of amphibious vehicles (designed for use on both land and water), END 9 (Marine Use Excluded) is mandatory so as to exclude coverage while the vehicle is in or upon water or being launched or landed. Amphibious vehicles include vehicles designed to be used in muskeg, swamps/bogs or to cross streams.

#### 4. Snow Sleds, Toboggans or Komatiks

**Liability, Accident Benefits and Uninsured Automobile**  
– No charge

#### DCPD and Optional Physical Damage

Except as otherwise stated for Pickups, 4x4s and Similar Vehicles Designed for Road Use, rate groups are established as follows:

If the value of the vehicle is less than \$15,000 the rate group for DCPD and optional physical damage (if purchased) may be based on the limit chosen by the insured subject to END 19 or the rate group may be established using list price new.

If the value of the vehicle is \$15,000 or more, the rate group for DCPD and optional physical damage (if purchased) must be established in accordance with the following conditions:

- a) Where the vehicle is newly acquired from a dealer, a copy of the purchase agreement (dated within the 15 days prior to the effective date of the insurance) must be attached to the application or the change request. The purchase agreement must confirm the vehicle’s year, make, model, serial number and purchase price.
- b) In any other case, the value must be substantiated by a certificate (including photo) from an independent appraiser acceptable to the Servicing Carrier. The certificate must be obtained at the Applicant’s expense and must be attached to the application or the change request.

**C. Non-Pleasure Use**

**1. Public Vehicle**

If the vehicle is used in the manner of a public vehicle, it must be rated in the Public Section of this manual in accordance with all the rules of that section (including the establishment of rate group).

**2. Rentals and Driver Training**

See Rule 435: Short Term Rentals and Rule 437: Driver Training Vehicles.

**3. Other Non-Pleasure purposes**

- a) If the Gross Vehicle Weight exceeds 1 tonne (2,200 lbs.) the vehicle is rated as a commercial vehicle in accordance with all the rules of that section. The rate group must be established using Rating Group Table II in the Commercial Section of this manual.
- b) Otherwise, see the special use factors on the rate page.

**D. Premium Determination**

The rate pages are to be used in conjunction with the following instructions.

1. Establish the territory
2. Establish the vehicle type
3. Establish the vehicle’s rate group
4. Establish a premium for each coverage from the rate page.
5. Apply accident and conviction surcharges if required as outlined in Rule 425.
6. Apply Rule 407:C if the period of insurance is less than one year (Snow Vehicles).

**Rule 412: Antique and Classic Vehicles**

**A. Definition**

A vehicle that is a collector’s item, used only in parades, exhibitions, auto club activities and other such functions and not for regular transportation.

The vehicle must have a special antique vehicle plate issued by the jurisdiction in which it is registered. If the jurisdiction does not issue such plates, the vehicle must be at least 30 years old. The vehicle must not be changed

or modified in any way from the original manufacturer’s product and must be coded as 67 under the Statistical Plan.

A ‘classic vehicle’ is rated as an antique vehicle if it meets the preceding definition otherwise it is to be rated in the appropriate section of this manual according to its type and use.

**B. Optional Physical Damage Coverage**

**1. Appraisal**

The value of the vehicle must be substantiated by a certificate from an independent appraiser (acceptable to the Servicing Carrier) who is a recognized authority on the valuation of antique vehicles. The certificate must be obtained at the Insured’s expense.

**2. Amount of Insurance**

END 19 (Limiting the Amount Paid for Loss or Damage Coverages) is to be attached to the policy showing the appraised value of the automobile as the maximum amount of insurance.

END 19A (Agreed Value of Automobiles) is not available.

**C. Annual Premium Rates**

**1. Liability, Accident Benefits, Uninsured Automobile and DCPD:**

Charge 60% of private passenger Class 01 Driving Record 3 rate in the rating territory concerned.

**2. Optional Physical Damage Coverage**

Rates per \$1,000 of the appraised value of the vehicles are shown in the schedule of rates (following camper unit rates).

Factors for other deductibles			
Deductible	Collision	Comprehensive	Specified Perils
500	1.00	1.00	1.00
750	0.919	0.956	0.957
1,000	0.872	0.922	0.924
1,250	0.837	0.900	0.902
1,500	0.814	0.889	0.891
1,750	0.802	0.883	0.886
2,000	0.791	0.878	0.880
2,250	0.785	0.872	0.875
2,500 or more	0.779	0.867	0.870

**3. Optional Accident Benefits**

Rate as private passenger.

#### 4. Short Term Insurance

Apply Rule 407:C if the period of insurance is less than one year.

### Rule 413: Endorsement (Policy Change) Forms and Wordings

Changes to standard approved forms are not permitted. Rule 442: Endorsements Applicable to POL 1 (Owner's Policy) provides certain details and rating instructions for approved policy change forms. The descriptions are brief and reference must be made to the actual wordings of these forms to ascertain the full provisions and restrictions.

Certain OPCF Policy Change Forms require a signature. Where no signature is obtained, the policy may be cancelled in accordance with the Statutory Conditions or the endorsement may be deleted and the policy re-rated accordingly.

Provided the endorsement form does not indicate the expiry date of the policy term, once a policy change form has been signed, it need not be signed again on subsequent policy renewal terms

### Rule 414: Premiums

#### A. Premium Quotations

The Agent/Broker is responsible for calculating premiums in accordance with this manual, including the 'base' premiums applicable to experience (fleet) rated risks. Experience rated risk premiums are calculated at Driving Record 0.

The Servicing Carrier shall require clarification from the Agent/Broker if the information on the application contradicts the quoted premium.

#### B. Manual Rates

The rates published in this manual are for annual policy terms. For six month policies, charge 52% of the annual premium except for motorcycles, mopeds, snow vehicles and antique vehicles. See Rule 415: Policy Term and Rule 419: Time on Risk Tables for rating instructions on these vehicles.

For policies eligible for monthly pay plan, there may be an additional charge.

#### C. Premium Rounding

The premium for each coverage shall be rounded to the nearest whole dollar. A premium that includes 50 cents or more shall be rounded up to the next whole dollar. (\$46.56 will be rounded up to \$47.00 and \$46.44 will be rounded down to \$46.00).

This applies to all premium transactions, including

refunds except where the policy is cancelled by registered letter at the request of the Agent/Broker or by the Servicing Carrier. In that event, the return premium shall always be rounded up to the next whole dollar (\$45.10 will be rounded up to \$46.00).

#### D. Minimum Premium/Minimum Retained Premium

The minimum premium for any recreational vehicle policy or renewal and, the minimum retained premium in the event of cancellation of the policy, is \$25, excluding service fee regardless of the term of insurance. The minimum retained premium must be stated on the declaration page of the policy

### Rule 415: Policy Term

Every policy and renewal shall be issued for a term of either one year or six months excluding seasonal vehicles (motorcycles, mopeds, antiques and snow vehicles) which shall be issued for one year.

A short term policy may be issued in the event that the vehicle/item is in transit in or through the jurisdiction, i.e. a single trip from a location within a jurisdiction in which Facility Association operates to another location within a jurisdiction in Canada or the continental U.S.A. A short term policy may also be issued for a vehicle being temporarily operated in a jurisdiction in which it is not registered.

The Servicing Carrier may accept an application for a short term policy and issue the policy accordingly or accept an application for a 6 or 12 month term (depending on vehicle type) and a cancellation voucher signed to provide coverage for only the shortened term.

The premium for the policy shall be calculated using the highest rated territory of the originating jurisdiction and the applicable short term table in this manual, subject always to the minimum retained policy premium.

See also Rule 434: Purchasing Vehicles in Jurisdiction Where FA Does Not Operate and Rule 400:C. Non-Residents and Vehicles Not Registered in Jurisdiction.

**Policies subject to Rule 438: Fleets cannot be issued for a term of less than 12 months.**

### Rule 416: Policy Changes

#### A. A change to a policy shall not be processed if:

a) The change is substantial e.g. the Insured is covered under POL 1 and now requires POL 4 or 6 instead. A new policy may be necessary. If in doubt, the Agent/Broker

should contact the Servicing Carrier for direction. If a new policy is required, a new application must be submitted. The existing policy shall be cancelled pro rata. If the new policy is to be placed on monthly pay, the application must be accompanied by all information and documents required by the Servicing Carrier.

b) There is a change of the jurisdiction in which a vehicle is registered and the vehicle must be registered in the new jurisdiction. The insurance on the vehicle must be cancelled. Upon receipt of a copy of the replacing policy application, or temporary liability card from the new jurisdiction, the refund shall be calculated on a pro rata basis, subject to the minimum retained premium.

### **B. Name of Insured When Adding or Deleting Vehicles Leased Vehicles**

- Where the Insured has a leased vehicle and is returning the vehicle to the lessor and replacing it with an owned vehicle, provided there is no change in the name of the Insured (lessee, i.e. the person who actually applied for the insurance), the change to remove the lessor's name from the policy and the vehicle substitution may be made by policy change. A release of the lessor's interest must be obtained or comparable notification of the change must be sent to the lessor by registered mail.

- Where an Insured has an owned vehicle, and is now obtaining a leased vehicle and disposing of the owned vehicle, the change to the vehicle and name of Insured may be made by endorsement, provided there is no change in the name of the Applicant, other than to add the lessor's name to the policy.

In situations where the Insured has an owned vehicle and a leased vehicle, separate policies are not necessarily required for each vehicle.

- Where an Insured has two or more vehicles leased from different leasing companies, a separate application is required for each vehicle.

### **Owned Vehicles**

**Two or More Names as Registered Owner of the Vehicle:** Where an application is received for vehicle(s) registered in two names, such as Pat and Drew Doe, the application must be signed by both parties. In the event the policy is to be cancelled at the Insured's request, both signatures are required on the request for cancellation. If the situation is other than the Applicant and spouse, refer to the Servicing Carrier prior to quoting or binding to verify the rating.

**Two or More Vehicles Registered to Different Names:** If the Applicant has vehicles leased from different leasing companies or, one vehicle registered for example in the father's name and one in the son's name, separate policies must be maintained.

If the Applicant has vehicle(s) leased from the same leasing company and owned vehicle(s), separate policies may not be necessary.

### **C. Amending or Deleting Coverage on Vehicles with Lessees or Lienholders**

Where physical damage coverage is being amended or deleted on a leased vehicle or a vehicle on which there is a lienholder, the Servicing Carrier must send a notice to the lessor or lienholder to advise of the coverage being amended or deleted and the effective date of the transaction.

### **D. Binding Coverage - Policy Changes**

Before optional physical damage coverage can be bound on a vehicle branded as 'salvage' or 'rebuilt', a valid vehicle registration and, at the Servicing Carrier's discretion, a current safety certificate must be provided to the Servicing Carrier with the policy change request.

If the change involves a vehicle for which proof of insurance has been filed or is required, please also see Rule 426: Proof of Insurance. Before binding coverage the Agent/Broker must collect or assume responsibility for any indicated additional premium. In the case of a policy on Pay Plan or Direct Bill, contact the Servicing Carrier for procedures.

### **Procedure of notification**

1) The Agent's/Broker's procedure for reporting changes to the Servicing Carrier must be acceptable to the Carrier. The request for change must be made in writing and specify the effective date and the effective time.

2) Faxed or mailed policy change requests are acceptable.

3) If the policy change request cannot be sent to the Servicing Carrier on the date the Insured makes the request, it must be sent to the Servicing Carrier on the next working day.

4) The Servicing Carrier shall normally issue any required endorsement, updated Certificate of Insurance (if required) and permanent liability card (if required) within 30 days of the effective date of the change.

5) Coverage may not be shown as effective prior to the date and time that the request was received by the Agent/Broker from the Insured, except when contractual coverage exists automatically under the policy and notice is given within the time permitted. A permissible policy change is in effect as of the time and date requested.

6) Where a vehicle is being added or substituted, a copy of the valid vehicle registration will be required with the request for the policy change. If the registration cannot be submitted with the request for policy change, a copy of the registration must be submitted within 30 days of binding coverage.

Where a copy of the valid registration is not provided, the following shall apply:

- The vehicle(s) shall be added or substituted at the correct premium.
- If any registration is not provided within 30 days of the

date requested by the Servicing Carrier, the policy shall be cancelled by registered letter.

- If the missing registration(s) is provided before the cancellation takes effect, the policy may be reinstated.
- Agent/Broker may submit a new application for the vehicles meeting the registration requirement.

### E. Deletions of Vehicles and Coverages

a) If the request for deletion is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) within 30 days of the date the deletion is to be effected, the deletion shall take effect at 12:01 a.m. on the date that it was requested to be effective. In the event that the deletion was specifically requested to be effective at a time other than 12:01 a.m., the deletion shall be effected at 12:01 a.m. the following day.

*For example:* The Insured requests deletion of the vehicle/coverage to be effective September 5. The deletion request is received by the Agent/Broker on September 20. The Servicing Carrier will issue the policy change effective 12:01 a.m. September 5. If the Insured requested the deletion to be effective at 3:40 p.m. on September 5, the Servicing Carrier will delete the vehicle/coverage effective 12:01 a.m. on September 6.

b) If the request for deletion is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) more than 30 days after the date the deletion was requested to be effected, the deletion shall take effect at 12:01 a.m. on the date that the deletion request is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured).

*For example:* The Insured requests deletion of a vehicle/coverage to be effective September 5. The deletion request is received by the Agent/Broker on October 10. The Servicing Carrier will delete the vehicle/coverage effective 12:01 a.m. October 10.

#### NOTE for a) and b)

If the date the request was received by the Agent/Broker is not evident, the Agent/Broker will be asked to provide proof of the date received acceptable to the Servicing Carrier. If proof cannot be provided, the request will be processed effective 12:01 a.m. on the date received by the Servicing Carrier.

c) In the event that the vehicle has been sold, and a copy of the bill of sale satisfactory to the Servicing Carrier is produced, the vehicle shall be deleted the day after the vehicle is sold regardless of what that date might be.

*For example:* The vehicle was sold June 5. The Servicing Carrier does not receive the request to delete until September 5. If the Insured can produce a satisfactory bill of sale, the Servicing Carrier will delete the vehicle effective 12:01 a.m. June 6.

d) In the event that a vehicle has been written off in a claim, deletion shall not be effected prior to the day after

the loss occurred. If the request for vehicle deletion is received more than 30 days after the date of loss, the deletion shall be effected:

- i) The day after the salvage is signed over to the Insurer; or
- ii) The date the policy is no longer under the temporary substitute auto provision, if that date is later than the date salvage was signed over.

*For example:* The vehicle has been written off in a claim June 1. On September 1 the Servicing Carrier receives a request to delete the vehicle effective June 1. Upon checking with the claims department, the Servicing Carrier ascertains that salvage was signed over to the claims department on June 15. However, the Insured had a rental vehicle covered under the policy's temporary substitute auto coverage until June 20. The Servicing Carrier will delete the vehicle effective 12:01 a.m. June 21.

e) In the event the Insured has placed coverage through the voluntary market, upon receipt of a copy of the replacing policy application or temporary liability card, the Servicing Carrier shall delete effective the date that the replacement coverage took effect.

Servicing Carriers shall proceed with deletion as outlined in a) or b) unless the Servicing Carrier is aware or is made aware, that the circumstances outlined in points c), d) or e) exist.

### F. New or Replacement Driver

If the change includes an additional or replacement driver, the Servicing Carrier shall be required to verify the driving history by ordering:

- a) Driver record abstract obtained from the appropriate government department in each Canadian or U.S. jurisdiction in which the new or replacement driver has been licensed in the previous three years.

Driver record abstracts are not to be obtained for the operators of any snow vehicles, dirt bikes, all terrain vehicles or antique vehicles to be insured.

- b) Previous insurance history report for any driver added to the policy. This is not required for snow vehicles, dirt bikes, all terrain vehicles and antique vehicles.

If the information is different from that reported, to the extent that the premium or coverage requires amendment, the Servicing Carrier shall promptly issue a correcting policy change

### G. Midterm Policy Change Premium Calculation

In regard to the period licensed, period of ownership, the period since the date of an accident, the period since the date of a conviction, the rating is always based on the

position as at the effective date of the policy period, (or, in the case of a subsequent addition/substitution of a driver or addition of a vehicle as at the addition/substitution date).

Midterm rerating is NOT permissible in respect of changes that occur in regard to those matters during the period of insurance merely because of the lapse of time. Midterm change due to age is permissible, provided a request is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) within 30 days of the birthday. If the request is received after 30 days, then the change will be effective at 12:01 a.m. following the date the Agent/Broker (or Servicing Carrier if received directly from the Insured) receives the request and back dating will not be permissible.

#### **Rates to be used**

##### **Addition of a vehicle:**

Rates in effect at the effective date of the transaction.

##### **Addition of a coverage or other midterm transactions:**

Rates in effect at the start of the policy period.

##### **Method of premium calculation:**

Premiums for midterm policy changes are calculated pro rata by using the Day Table except in the case of snow vehicles, motorcycles, mopeds and antique vehicles. For those vehicles, Short Term Tables 3 and 4 are to be used for all coverages except Comprehensive/Specified Perils for which the Day Table is used.

##### **Minimum premiums for midterm changes:**

A minimum additional premium of \$5 shall be charged for any transaction that includes one or more of the following, regardless of the period of insurance:

- addition of a vehicle or a coverage
- increase of a Liability limit
- decrease of a deductible

**Note 1:** Any additional premium of **less** than \$5 may be waived by the Servicing Carrier unless mentioned above. Return premiums may not be waived.

**Note 2:** When a vehicle, not newly acquired, is substituted for another on the policy or added to the policy for less than 7 days, there will be a \$50 charge for each such transaction in excess of 2 in a 30 day period or more than 12 in a 12 month period.

## **Rule 417: Renewals**

### **A. Before issuing a Renewal:**

If the renewal involves a vehicle for which proof of insurance has been filed or is required, see Rule 426: Proof of Insurance.

Experience rated, garage and commercial risks may require the Agent/Broker to determine whether the information on record and/or coverage needs revision or updating.

A driver record abstract must be obtained for those risks where eligibility or rating is dependent upon driving history. These must be ordered on all drivers prior to every renewal.

Abstracts must be ordered on 6 month renewals as well as 12 month renewals.

Renewals on policies shall only be offered for a term of either one year or six months, excluding seasonal vehicles (motorcycles, mopeds, antiques and snow vehicles) which shall be issued for one year.

NOTE: Any risk where abusive or threatening behaviour of the Insured/Applicant/Driver within the previous 3 years has created a safety concern for Facility Association staff, Servicing Carrier staff or a representative acting on behalf of either and circumstances have been reported to police shall be non-renewed.

### **B. Accidents Occurring Between Renewal Process Date & Effective Date**

Once a renewal or offer to renew has been processed, and accepted by the Insured, if the Servicing Carrier receives notice of an at fault loss that occurred prior to the renewal's effective date, the Servicing Carrier shall not amend the renewal rating accordingly but charge for the at fault loss on the next renewal.

### **C. Renewal Processing**

#### **1. Other than Direct Billing**

##### **a) Servicing Carrier Responsibilities**

###### **i. Renewal Notice to Agent/Broker**

The renewal documents shall be issued by the Servicing Carrier and must reach the Agent's/Broker's address no later than 45 days prior to the policy's current expiry date.

###### **ii. Renewal Notice to the Insured**

The renewal notice and/or renewal documents must reach the Insured no later than 30 days prior to renewal date.

##### **b) Agent/Broker Responsibilities**

Before releasing any renewal documents the Agent/Broker must collect or assume responsibility for the full renewal premium. In the case of experience (fleet) rated risks, where renewals may be late due to missing information, the Agent/Broker is responsible for the premium calculated at Driving Record 0. For other than experience rated risks, if the Servicing Carrier is unable to issue renewals in the required time period, the Agent/Broker must issue a temporary liability card to the Insured and collect a downpayment based on the estimated annual premium for the upcoming renewal term.

**or**

If the risk is to be newly placed on monthly pay, provide all information and documents required to the Servicing Carrier

**or**

Obtain a fully completed premium finance contract together with the full downpayment required and promptly

send that contract to the premium finance company.

### Renewal not accepted

If the renewal is not accepted by the Insured, the Agent/Broker must submit one of the following acceptable evidence of renewal refusal to the Servicing Carrier:

- a) Return all the renewal documents (including liability cards) to the Servicing Carrier;  
OR
- b) Written confirmation that the renewal has been returned complete with liability cards to the Agent/Broker AND that the documents were destroyed in the Agent/Broker's office;  
OR
- c) Provide a signed (i.e. written, electronic or auto signature) request from the Insured to cancel the policy effective the renewal date.

If the evidence of renewal refusal is received by the Servicing Carrier within 15 days of the renewal's effective date, a full refund shall be credited to the Agent's/Broker's Facility Association account. If evidence of renewal refusal is not received within 15 days, the renewal shall be cancelled on a pro rata basis effective the date it is received by the Servicing Carrier. The Agent/Broker shall be responsible for earned premium or minimum retained premium whichever is greater.

Renewals where acceptable evidence of refusal has been submitted to the Servicing Carrier for cancellation may not be reissued unless the Servicing Carrier receives instructions no later than the renewal's effective date and the Agent/Broker collects or assumes responsibility for the full premium as outlined above.

If the renewal date has passed and the insurance is again required, there must be a new application and a new policy issued.

## 2. Direct Billing Renewals

### Servicing Carrier Responsibilities

- a) For each policy an offer to renew shall be issued by the Servicing Carrier. The offer to renew must reach the Insured's last known address no later than 30 days prior to the policy's current expiry date.
- b) The payment due date must be clearly indicated on the offer to renew and must be the same as the policy's current expiry date.
- c) If the required premium is received by the Servicing Carrier no later than 15 days after the payment due date, the Servicing Carrier shall promptly issue the appropriate renewal documents to the Insured.
- d) The renewal documents must not be released by the Servicing Carrier until the full premium is received or the required first payment is received on time by the Servicing Carrier (by first payment due date if a deferred premium payment plan is available). If this rule is followed, neither the Carrier nor the Agent/Broker incurs any responsibility for the

premium. If the Servicing Carrier follows any other unauthorized procedure, the Servicing Carrier will be responsible for the earned premium for the time on risk calculated on a pro rata basis and will be required to stop offering a Direct Bill option.

### Payment Not Received

If the required payment is not received by the Servicing Carrier within 15 days of the payment due date, the policy shall be treated as though it has expired and the Servicing Carrier shall advise the Agent/Broker accordingly within the following 10 days.

## Rule 418: Cancellations

### A. Midterm Cancellation - Effective Date

#### 1. Received by Agent/Broker or Servicing Carrier within 30 days

If the request for midterm cancellation is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) within 30 days of the date the cancellation is to be effected, and no effective time is requested, the cancellation shall take effect at 12:01 a.m. on the date it was requested to be effective. In the event that the cancellation was specifically requested to be effective at a time other than 12:01 a.m., the cancellation shall be effected at 12:01 a.m. the following day.

*For example:* The Insured requests cancellation of the policy to be effective August 5. The cancellation request is received by the Agent/Broker on August 20. The Servicing Carrier shall cancel the policy effective 12:01 a.m. August 5. If the Insured requested cancellation to be effective at 3:40 p.m. on August 5, the Servicing Carrier shall cancel the policy effective 12:01 a.m. on August 6.

Note: For Flat cancellations of renewal, refer to Rule 418.E.4.

#### 2. Received by Agent/Broker or Servicing Carrier after 30 days

If the request for cancellation is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) more than 30 days after the date the cancellation was requested to be effected, the cancellation shall take effect at 12:01 a.m. on the date that the cancellation request is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured).

*For example:* The Insured requests cancellation of the policy to be effective September 5. The cancellation request is received by the Agent/Broker on October 10. The Servicing Carrier shall cancel the policy effective 12:01 a.m. October 10.

NOTE for 1. and 2.

If the date the request was received by the Agent/Broker is not evident, the Agent/Broker will be asked to provide proof of the date received acceptable to the Servicing Carrier. If proof cannot be provided, the request will be

processed effective 12:01 a.m. on the date received by the Servicing Carrier.

### **3. Received by Servicing Carrier after 30 days and vehicle sold**

In the event that the vehicle has been sold, and a copy of the bill of sale satisfactory to the Servicing Carrier is produced, the policy shall be cancelled the day after the vehicle is sold regardless of what that date might be.

*For example:* The vehicle was sold June 5. The Servicing Carrier does not receive the request to cancel until September 5. If the Insured can produce a satisfactory bill of sale, the Servicing Carrier shall cancel the policy effective 12:01 a.m. June 6.

### **4. In the event of a total loss**

In the event that a vehicle has been written off in a claim, cancellation shall be effected:

- a) The day after the salvage is signed over to the Insurer, **or**
- b) The date the policy is no longer providing coverage on a rental vehicle under the temporary substitute auto provision, if that date is later than the date salvage was signed over.

*For example:* The vehicle has been written off in a claim June 1. On September 1 the Servicing Carrier receives a request to cancel the policy effective June 1. Upon checking with the claims department, the Servicing Carrier ascertains that salvage was signed over to the claims department on June 15. However, the Insured had a rental vehicle covered under the policy's temporary substitute auto coverage until June 20. The Servicing Carrier shall cancel the policy effective 12:01 a.m. June 21

### **5. Coverage placed in Voluntary Market**

In the event the Insured has placed coverage through the voluntary market, upon receipt of a copy of the replacing policy application or temporary liability card, the Servicing Carrier shall cancel the policy effective the date that the replacement coverage took effect.

Servicing Carriers shall proceed with cancellation as outlined in points 1 or 2 unless the Servicing Carrier is aware or is made aware, that the circumstances outlined in points 3, 4 or 5 exist.

### **B. Policies with Lessors or Lienholders**

If the policy is being cancelled at the Insured's request, a release of interest must be obtained from the lessor or the lienholder. In the event the Servicing Carrier does not receive a release of interest from the lessor, a notice is to be sent to the lessor by registered mail to advise that the policy is being cancelled and the effective date of cancellation. If no release is received from the lienholder, a notice is to be sent to the lienholder (registered mail is not required) to advise that the policy is being cancelled and the effective date of cancellation.

If the policy is being cancelled at the Agent's/Broker's

request or Servicing Carrier's initiative by registered letter, a copy of the registered letter must be sent to the lessor or lienholder by registered mail.

### **C. Where Proof of Insurance Has Been Filed**

If proof of insurance has been filed, the notice period required by the authority must expire before cancellation can be effected, and therefore, the Servicing Carrier shall cancel the policy effective the date the notice period expires. See Rule 426: Proof of Insurance.

### **D. Policy is Financed Through a Premium Finance Company**

If a return premium is payable on a policy financed with a premium finance company, the gross refund is to be sent directly to the premium finance company regardless of the reason for cancellation. The Agent's/Broker's account shall be debited with the amount of the premium refund sent to the premium finance company.

### **E. Cancellation – Procedures**

#### **1. Cancellation at the request of the Insured or the Premium Finance Company – Broker Bill & Direct Bill**

Cancellation requested by the Insured or the premium finance company under power of attorney must be made in writing in a format suitable to the Servicing Carrier. The Facility Association shall accept faxed signed and dated cancellation requests.

#### **The return premium shall be calculated as follows:**

For motorcycles, mopeds, snow vehicles, and antique vehicles use Short Term Table 3 or 4 for all coverages except Comprehensive/Specified Perils and Short Term Table 1 or 2 for Comprehensive/Specified Perils subject to any applicable minimum retained premium.

For all other vehicles being placed in the voluntary market calculate on a pro rata basis using the Day Table subject to any applicable minimum retained premium

For all other vehicles not being placed in the voluntary market use Short Term Table 1 or 2 subject to any applicable minimum retained premium.

If the policy is on Broker Bill, the Servicing Carrier shall credit the Agent's/Broker's account with the unearned premium refundable unless the premium is financed through a premium finance company.

**If the service fee has been capped, see Rule 423.**

#### **2. Cancellation at the request of the Agent/Broker – Broker Bill**

#### **When additional premium cannot be collected on original quote**

If the Agent/Broker cannot collect the additional premium arising from an increase to the premium originally quoted for new business:

- a) The Agent/Broker must advise the Servicing Carrier of the amount of premium collected and request that a notice of cancellation be issued to the Insured,  
**or**  
 b) The Agent/Broker must have the policy signed off. Facility Association shall accept faxed signed cancellation requests.

**If the service fee has been capped, see Rule 423.**

If the Agent/Broker reports non-payment of the additional premium within 30 days of receiving notice of those increases, the earned premium for cancellation shall be calculated pro rata on the Agent's/Broker's originally quoted premium. Otherwise, the earned premium shall be calculated pro rata on the revised premium. If a subsequent application is submitted by the same Agent/Broker to the same Servicing Carrier for substantially the same risk within 30 days of the effective date of cancellation of the first policy and, the Agent/Broker reports non-payment of additional premium, the earned premium shall be calculated pro rata on the revised premium.

Note: For policies for which premium is paid direct to the Servicing Carrier and the Carrier initiates cancellation the words 'agent/broker' will be read to mean Servicing Carrier.

#### **When outstanding premium cannot be collected in all other cases**

##### **Agent/Broker Responsibilities**

If cancellation of a policy is requested by the Agent/Broker due to inability to collect the full policy/renewal premium or a subsequent additional premium, the Agent/Broker will be responsible for the time on risk charge which will be pro rata of the full premium.

The Agent/Broker must advise the Servicing Carrier of the amount of premium collected (including service fee and any provincial sales tax) and request that a notice of cancellation be issued to the Insured.

##### **Servicing Carrier Responsibilities**

The Servicing Carrier shall promptly issue a registered notice of cancellation in accordance with the Statutory Conditions. The earned premium for cancellation shall be calculated pro rata on the full term premium at the time of cancellation.

When the Servicing Carrier issues a registered letter of cancellation, any unearned premium shall be refunded directly to the Insured (unless the policy is financed through a premium finance company) and the Agent's/Broker's account shall be debited for the amount of the refund and credited for the unearned premium.

#### **3. Cancellation of Late Issued Renewals**

If the Servicing Carrier is unable to issue renewals in the required time period, the Agent/Broker must issue a temporary liability card to the Insured and collect a

downpayment based on the estimated annual premium (or the estimated semi-annual premium for 6 month policies) for the upcoming renewal term.

#### **Once the renewal is issued**

If the Insured does not accept the renewal premium, the Agent/Broker shall advise the Servicing Carrier of the amount of premium collected and request that notice of cancellation be issued to the Insured **or** shall have the Insured sign off the policy.

The Servicing Carrier shall then issue a registered letter of cancellation in accordance with the Statutory Conditions or issue the necessary cancellation documents. The earned premium shall be calculated pro rata based on the previous term premium.

#### **4. Flat Cancellation**

##### **New Policy**

Flat cancellation of a new policy is not allowed except as provided under Rule 418: E.6. Flat Cancellation Exceptions.

##### **Additional Premium Policy Change**

Flat cancellation of an additional premium policy change is not allowed.

##### **Renewal**

If evidence of renewal refusal is supplied by the Agent/Broker (per Rule 417) is received by the Servicing Carrier within 15 days of the renewal's effective date, a full refund shall be credited to the Agent's/Broker's Facility Association account. If evidence of renewal refusal is not received within 15 days, the renewal shall be cancelled on a pro rata basis effective the date it is received by the Servicing Carrier and the Agent/Broker shall be responsible for earned premium. A written request acceptable to the Servicing Carrier, for cancellation effective renewal date shall be accepted in lieu of evidence of renewal refusal.

#### **5. Cancellation of Renewals in Outlying Areas**

No longer applicable

#### **6. Flat Cancellation Exceptions**

1. Any policy returned to the Servicing Carrier complete with liability cards, prior to the effective date of the policy, may be cancelled flat.
2. Any policy returned to the Agent/Broker complete with liability cards and destroyed in the Agent/Broker's office, with written confirmation from the Agent/Broker provided to the Servicing Carrier, prior to the effective date of the policy, may be cancelled flat.
3. If a cheque or electronic payment received for a new policy or renewal premium or, for the first instalment is not honoured by the financial institution, flat cancellation shall be allowed to the Agent/Broker provided that:

- a) The cheque was dated and issued on or before the effective date of the policy period concerned or the electronic payment was made on or before the effective date of the policy period concerned; and
- b) The cheque was immediately deposited; and
- c) In the case of a first instalment, the amount of the cheque or electronic payment was sufficient to meet the Servicing Carrier's requirement or if financed under a contract with a premium finance company the full down payment required under the terms of the contract; and
- d) The return of the cheque by the financial institution or dishonour of the electronic payment is promptly reported to the Servicing Carrier. A copy of the cheque front and back must be provided to the Servicing Carrier.

**However, on the registered letter of cancellation to the Insured, the Servicing Carrier shall request payment of the full pro rata time on risk charge.**

#### **7. Cancellation initiated by the Servicing Carrier Non-Payment – Direct Bill**

If premiums are paid directly to the Servicing Carrier, the Servicing Carrier may cancel an insurance policy for non-payment of premium. The earned premium shall be calculated pro rata.

#### **Other Circumstances**

The Servicing Carrier may not otherwise cancel an insurance policy unless approval of such action is contained elsewhere in this manual or is obtained in the manner prescribed by the Association's Board of Directors.

### **F. Refund Calculation**

#### **1. Insured's Request**

For a policy cancellation requested by or on behalf of the Insured (e.g. requested by a premium finance company) the premium refund shall be calculated in accordance with the Short Term Tables unless a pro rata cancellation is being allowed because the risk (excluding motorcycles, mopeds, snow vehicles and antique vehicles) is being placed in the voluntary market. Refer to Rule 418:E. Cancellation Procedures. If the service fee has been capped, see Rule 423.

#### **2. Any Other Reason**

Where the policy is being cancelled for any other reason (e.g. by registered letter) the premium refund shall be calculated on a pro rata basis using the Day Table.

## **Rule 419: Time on Risk Tables**

### **A. Pro Rata**

#### **Calculation for Endorsements & Cancellations**

Using the Day Table on the next page:

1. Determine the factor that corresponds to the policy's expiry month and day. *For example* March 26 is .233. Express the policy's expiry date in a decimal format by combining the year and the factor. March 26, 1999 would become 1999.233.
2. Determine the factor that corresponds to the effective date of the policy change or cancellation and express that date in a decimal format. If the effective date of policy change is November 20, 1998 that would be expressed as 1998.888. Note that if the effective date of change or cancellation is February 29, it should be treated as February 28.

3. Subtract the second number from the first.

Policy expiry date 1999.233  
Policy change date 1998.888  
Refund/change factor .345

4. Where the policy is a six month policy, double the refund/change factor.

5. For a policy cancellation, the refund is calculated by multiplying the policy premium as of the cancellation date by the refund/change factor. The policy premium is the full term premium for the coverage in force at the time of cancellation. Minimum retained premium must be taken into consideration.

6. For a policy change, the additional/return premium is obtained by multiplying the full term premium for the change by the refund/change factor.

### C. Short Term Tables

#### 1. Motorcycles, Mopeds, Antique Vehicles.

Use Short Term Table No. 3 for all coverages other than Comprehensive/Specified Perils which are subject to Short Term Table No. 1 or No.2.

#### 2. Snow Vehicles

Use Short Term Table No. 4 for all coverages other than Comprehensive/Specified Perils which are subject to Short Term Table No. 1 or No. 2.

#### 3. All Other Vehicles

For a policy cancellation use Short Term Table No. 1 or No. 2. For a short term policy, use Short Term Table No. 1.

#### Cancellation requested by or on behalf of Insured

1. Referring to the Day Table calculate the number of days the policy has been in force.
2. Referring to Table No. 1 (in the case of an annual policy) or Table No. 2 (in the case of a six-month policy), determine the 'percentage of premium'.
3. Subtract that percentage from 100% to determine the 'refund percentage'.
4. Apply the refund percentage to the full term policy premium as at the cancellation date. Minimum retained premium must be taken into consideration.

#### Calculating premium for a Short Term policy:

1. Referring to the Day Table, calculate the number of days the policy has been in force.
2. Referring to Table No. 1, determine the 'percentage of premium'.
3. Apply that percentage to the annual premium. Minimum retained premium must be taken into consideration.

SHORT TERM TABLE No. 1				SHORT TERM TABLE No. 2

**D. Short Term Tables No. 3 and No. 4 (seasonal use vehicles)**

These tables apply to all coverages except Comprehensive or Specified Perils for motorcycles, mopeds, snow vehicles and antique vehicles. For Comprehensive or Specified Perils coverage use Short Term Table No. 1 or No. 2 or a pro rata calculation, depending upon the circumstances.

1. For each specific full month that insurance was provided, charge the corresponding 'Percentage of annual premium' indicated below.
3. For part of a month charge pro rata of the percentage applicable to the complete month. *For example*, in respect of a motorcycle insurance that commences on June 7th:
  - 4.  $30 \text{ days minus } 6 \text{ days} = 24$ ;  $24 \text{ divided by } 30 = .8$ ;  
 $8 \text{ times } 20\% = 16\%$  for the month of June.

SHORT TERM TABLE No. 3			
Motorcycles & Mopeds and Antique Vehicles			
Excluding Comprehensive/Specified Perils			
Period	Percentage of annual premium	Period	Percentage of annual premium
January	Nil	July	20
February	Nil	August	20
March	5	September	10
April	10	October	5
May	10	November	Nil
June	20	December	Nil

3. The tables below apply to seasonal use/Canadian conditions. If there is use outside the season or Canada during a month where the table indicates the charges as 'Nil' there shall be an additional premium charged for that month equal to pro rata of the annual premium. The surcharge for U.S. exposure is applicable, except where the vehicle is used for personal use only and proof of insurance is not required.

*Example 1:* The Insured has a motorcycle that he wishes to trailer down to Florida to use during the months of November and December in addition to regular use for the year in Toronto. The annual premium is \$1,250 excluding any premium calculation for November and December. Using the Pro Rata Day Table, calculate the pro rata factor for the months of November and

December (.164) and apply that to the total annual premium. The additional premium charge for November and December will be \$205.

*Example 2:* The Insured has a motorcycle that will be converted for use on snow and ice for the months of November through February in addition to regular use for the remaining months of the year. The annual premium is \$1,250 excluding any premium calculation for November, December, January, February. Using the Pro Rata Day Table, calculate the pro rata factor for the months of November through February (.326) and apply that to the total annual premium. The additional premium charge for November through February will be \$408.

SHORT TERM TABLE No. 4			
Snow Vehicles			
Excluding Comprehensive/Specified Perils			
Period	Percentage of annual premium	Period	Percentage of annual premium
January	25	July	Nil
February	25	August	Nil
March	15	September	Nil
April	Nil	October	Nil
May	Nil	November	10
June	Nil	December	25

**Rule 420: Not applicable**

### Rule 421: Reinstatements

**A. A policy may only be reinstated if:**

a) The Servicing Carrier receives instructions not later than the day before the cancellation takes effect. This includes instructions from a premium finance company. Where the Agent/ Broker has not forwarded payments to a premium finance company, the policy cannot be reinstated. Cancellation takes effect at 12:01 a.m. e.g. If the policy is to be cancelled effective July 1, the request for reinstatement must be received by the Servicing Carrier before midnight June 30.

If the cancellation has taken effect, the policy cannot be reinstated and a new application must be completed. Any unpaid earned premium under the policy due to the Servicing Carrier must be paid with the new application.

b) The policy was cancelled for non-payment, and the full required premium is received (by cash, money order or certified cheque from the Insured) or there is written confirmation from the Agent/Broker assuming full responsibility for that premium. Where a refund cheque accompanied the registered letter, the amount of the refund cheque must also be obtained from the Insured (by cash, money order or certified cheque) or the Agent/Broker shall assume full responsibility for that amount.

**B. Request received after cancellation has taken effect – Monthly Pay**

A new application and a new policy are required. The policyholder must pay any outstanding earned premium in full plus a return item charge (NSF etc.) of \$50.00. If the Insured has had two or more cancellations for non- payment within the 36 months immediately preceding the effective date of the new policy, the new policy cannot qualify for monthly pay plan.

**C. When a policy is reinstated**

When a policy is reinstated, the Servicing Carrier shall issue a notice of reinstatement. If necessary, the Agent/ Broker or Servicing Carrier shall issue a temporary or permanent liability card. If proof of insurance was cancelled, the necessary proof of insurance shall be reissued.

### Rule 422: Service Fee Schedule (Commission)

Where risks are ‘experience rated’, there is no cap; however, the maximum commission rate shall not exceed 7 ½ % per vehicle.

The commission rates for recreational vehicles are:

	Experience Rated	Individually Rated	Cap
<b>Motor Homes, Cabin/ Home Trailers, Other Private Type Trailers, Camper Units</b>			
Used for pleasure purposes only: Rated using Class 10 - 12	7.5%	9%	\$185
Rated using Class 01-09, 13-19	7.5%	11%	
Not pleasure only	7.5%	10%	No cap
<b>Motorcycles, Mopeds, All Terrain Vehicles, Snow Vehicles</b>			
	7.5%	7.5%	\$185

No other additional fee for service may be charged.

Note: For the purpose of determining Commission Rates, Antique/Classic automobiles are considered Private Passenger Vehicles.

### Rule 423: Service Fee

Facility Association premiums are published on a net of commission basis. Agents/Brokers are compensated by means of a service fee. The service fee is subject to a maximum amount (cap) per vehicle in most circumstances. The service fee is legally a part of every premium. Premium is the net premium plus service fee.

The fee is charged on a per vehicle basis including the premium for applicable policy changes.

Where a Class 05 or Class 06 premium charge is present on a vehicle, the fee is calculated on the total vehicle premium. A camper unit and its vehicle are regarded as separate vehicles as is a trailer and its towing vehicle.

The fee is subject to a cap per vehicle per policy term for all recreational vehicles except those that are experience (fleet) rated. Please see the service fee schedule. For vehicles on 6 month policies, the cap is 50% of the annual cap shown on the schedule.

The service fee must be shown on the application (in the Additional Charges Column if possible) as 'Facility Association Service Fee' and must be added to the net premium to produce the total policy premium.

The policy documents for all premium transactions must show the net premium, 'Facility Association Service Fee' and total amount payable. Every registered notice/letter of cancellation must show the earned premium, earned service fee and applicable provincial sales tax.

### A. Broker Bill

At the time of binding an application for insurance, the Agent/Broker shall calculate the service fee subject to the cap. When the policy is issued or an additional premium policy change is issued, the Servicing Carrier shall debit the Agent's/Broker's account with the net premium amount. The fee shall not appear on the statement as an amount payable. The Agent/Broker remits the premium only to the Servicing Carrier and retains the fee. When the Insured requests that the policy be cancelled, or that a coverage or vehicle be deleted, the Servicing Carrier shall credit the Agent's/Broker's account with the unearned premium and it is the Agent's/Broker's responsibility to refund the unearned service fee and applicable provincial sales tax.

Where the Agent/Broker is requesting cancellation by registered letter for non-payment, it is the Agent's/Broker's responsibility to inform the Servicing Carrier of the amount of premium including service fee and provincial sales tax collected from the Insured. Failure to do so may make the cancellation null and void and will leave the Agent/Broker open to errors and omissions risk. When issuing the registered letter, the Servicing Carrier must refund the unearned portion of the premium to the Insured including the unearned service fee and applicable provincial sales tax. Failure to do so would make the cancellation null and void. The Servicing Carrier shall then debit the Agent's/Broker's statement for the unearned premium, service fee and provincial sales tax refunded to the Insured.

### B. Sample Worksheet for Service Fee Calculation on Policy changes

At the time of binding an application for insurance, the Agent/Broker shall calculate the service fee subject to the cap. When the policy is issued or an additional premium policy change is issued, the Servicing Carrier shall credit Agent's/Broker's account with the service fee. The Servicing Carrier shall pay the Agent/Broker the credited service fee within 30 days of the accounting month's close. When the Insured requests that a policy be cancelled, or that a coverage or vehicle be deleted, or the Servicing Carrier is required to cancel the policy for non-payment, the unearned service fee shall be debited to the Agent's/Broker's account. The Agent/Broker must pay the Servicing Carrier the amount of debited service fee within 30 days of the accounting month's close.

### C. Collection of Charges in Excess of Service Fee

The collection of any fee or additional charge in excess of the service fee is expressly forbidden. The Agency-Broker/Servicing Carrier Agreement states in note 3 of Exhibit A 'No other additional fee for service may be charged'. To charge an additional fee would constitute a breach of the agreement. In addition, the law requires that Facility Association rates must be those filed with and approved by the Financial Services Commission of Ontario and that Agents/ Brokers comply with the Facility Association Plan.

The definition of 'rate' like 'premium' includes any commission or fees and an Agent/Broker who collects an additional charge on a Facility Association policy is in contravention of the Act

### D. Calculation of the Capped Service Fee

In order to calculate the service fee (commission) for any kind of transaction (new business, renewal, additional premium or return premium policy change or cancellation):

#### Step 1

$\text{Commission \%} \times \text{Total Net Premium to Date (including this transaction)} = \text{Uncapped Fee to Date}$

#### Step 2

Determine the capped fee for the period of time the vehicle is insured.

#### Step 3

Choose the lesser of the result from Step 1 or Step 2. The cap is calculated per vehicle, and is dependent on the length of time the vehicle is insured.

*For example*, if a pleasure recreational vehicle is added to the annual policy after 3 months, the cap would be reduced from \$185 to \$139 (9 months/12 months = .75 x \$185 = \$139).

The following table provides an example of the activity and resulting fee attributable to one policy. Note: This is an illustration and not meant to reflect the actual premiums associated with any transaction.

TRANSACTION		PREMIUMS		SERVICE FEE			
Date	Type	This Transaction	Net to Date	Fee Calculated @ 11%	Cap	This Transaction	Fee Charged/ Credited
Oct. 1	New business	2,000	2,000	220	185	185	185
Nov. 1	Delete Collision	-1,000	1,000	110	185	-75	110
Dec. 1	Add Comp	100	1,100	121	185	11	121
Jan. 1	Add Collision	800	1,900	209	185	64	185
Feb. 1	Increase limits	50	1,950	215	185	-----	185
Jul. 1	Cancel policy	-400	1,550	171	139	-46	139

**Calculation of the Capped Service Fee**

**Examples:**

On October 1st, a motor home is insured for a 12 month term. The premium is \$2,000. The uncapped fee at 11% would be \$220 and this is capped at \$185.

On November 1st, the Insured deletes Collision resulting in a return premium of \$1,000. The total premium for the 12 months is now \$1,000 that generates \$110 fee. Therefore, \$75 of the previously collected \$185 must be returned.

On December 1st, the Insured adds Comprehensive, resulting in an additional premium of \$100, for a total 12 month premium of \$1,100. This results in an uncapped fee of \$121. This is still less than the cap and a charge of \$11 (the difference between \$121 and \$110) is made.

On January 1st, the Insured adds Collision at a cost of \$800. This results in a new 12 month premium of \$1,900. The resulting uncapped fee at 11% equals \$209. This is more than the \$185 cap and thus the cap comes into play. The additional fee will be \$64. (The difference between \$185 and \$121)

On February 1st, the Insured increases the Liability limit on the policy, which results in an additional premium of \$50. The total 12 month premium becomes \$1,950 and the uncapped fee would be \$215. Since the fee has already reached the cap, there is no additional fee to be charged for this transaction.

On July 1st, the Insured cancels the policy. The premium for the 9 month period is \$1,550. The uncapped fee would be \$171. Since the policy period for this vehicle is now 9 months, the cap is decreased accordingly and becomes \$139 (9 months/12 months (.75) x 185). The Agent/Broker must refund \$46 of the fee to the Insured.

**ONTARIO COMMISSION WORKSHEET**  
**Examples showing risks with 11% commission**

**Endorsements**

<u>Item</u>		<u>Example</u>		<u>Actual</u>
Renewal Net Premium		2859		
Renewal Commission		185		
Endorsements				
Deleting all cover	2859 x .304	-869		
Adding S.P.	144 x .304	44		
Total		-825		
Pro rate Factor		0.304		

There are two calculation options that may be used:

**1. Obtain using new premium**

<u>Example</u>	
2859 - 869 =	1990
44	
Net Premium:	2034
X. 11	
Commission:	185
Refund: (185 - 224) =	0

**2. Obtain using actual endorsement**

<u>Example</u>	
	-869
	44
	-825
	x .11
	-90.75
	314.49 (2859 x .11)
	-90.75
	223.74
	\$0 Refund (185 - 233.74)

**Cancellations**

If a policy is cancelled short rate, the return premium is calculated short rate. The service fee is calculated on a pro rata basis. The cap however may limit the fee.

*Examples assume annual policy in force one month at short rate of 15%.*

	<b>Premium Being Charged</b>	<b>Uncapped Fee</b>	<b>Cap</b>	<b>Applicable Fee</b>	<b>Total Charged</b>
<b>Example 1</b>					
Policy	\$3000	\$330	\$185	\$185	\$3185
Cancelled after One month	\$450 (15%)	\$27.50 (8.333%)	\$15.42 (1/12 = 8.333% of \$185)	\$15.42	\$465
<b>Example 2</b>					
Policy	\$500	\$55	\$185	\$55	\$555
Cancelled after One month	\$75 (15%)	\$4.58 (8.333%)	\$15.42 (1/12 of \$185) (1/12 = 8.333% of \$185)	\$4.58	\$80
<b>Actual</b>					

## Rule 424: Definition of Accident

### A. What Is A Chargeable Accident

A chargeable (at fault) accident is an occurrence resulting in damage to persons or property arising out of the ownership, use or operation of a vehicle, in consequence of which:

1. An amount has been paid or would have been paid but for the existence of provincial Direct Compensation laws or agreements,

**Or**

2. A loss remains unsettled or unpaid,

**Or**

3. A civil suit is pending in respect of:

- Liability
- No Fault Benefits Schedule (Accident Benefits)
- Collision or the Collision portion of All Perils coverage

A chargeable accident is always taken into account in rating even if there was no insurance in effect or the loss was repaid to the Insurer by or on behalf of the Insured or if the Insured chose not to present the claim.

### B. What Is Not A Chargeable Accident

An occurrence shall not be regarded as a chargeable accident if:

1. For a minor accident occurring on or after June 1, 2016 the following criteria are met:

- Damage to each vehicle including property damage does not exceed \$2000 and is paid by or on behalf of the at fault driver.
- No personal injuries are sustained.
- No payment is made by any insurer.
- This is the first minor at fault accident involving the vehicle in the previous three years.

2. For accidents not meeting the definition of minor accident or occurring prior to June 1, 2016:

- The Insured's degree of fault is determined as 25% or less under the relevant provincial fault determination laws or agreements or dispute resolution mechanism.
- The damage resulted from the vehicle being struck by an unidentified vehicle and is reported to the police within 24 hours.
- The damage occurred while the vehicle was legally parked and is reported to police within 24 hours.
- The damage results from collision with a wild or domestic animal.
- All damages are legally recoverable from the owner or driver of an uninsured or unidentified automobile.

this manual are considered to have the same meaning as the word 'accident'.

The words 'at fault' and 'chargeable' where used in this section of the manual are considered to have the same meaning.

Any accident involving a vehicle insured on this policy and allocated to a driver who subsequently has signed a valid END 28A (Excluded Driver) will not be considered a chargeable accident, unless the excluded driver has driven the insured vehicle resulting in a claim. Under that circumstance, the policy will be rated as if there is no excluded driver.

### C. How To Allocate Chargeable Accidents

No accident shall be used more than once in determining the premium for vehicles insured through Facility Association by the same Servicing Carrier (whether or not on the same policy).

When an occasional driver is responsible for a chargeable accident, the accident must be included for rating purposes. If the occasional driver is removed from the policy, the accident shall be assigned to the vehicle on which it occurred.

At new business, where there are multiple vehicles and multiple drivers insured on a policy, any claims shall be assigned first to the vehicle for which the responsible driver is principal operator regardless of which vehicle was involved in the claim. If the responsible driver is principal operator of more than one vehicle, the claim shall be assigned first to the vehicle involved in the claim and if this is not possible, to the vehicle which that person principally operates that produces the highest premium. At renewal, any at fault accidents which occurred during the policy term shall be assigned to the vehicle on which they occurred.

*For example:* A new application is received. Applicant is principal operator of Vehicle 1 and has had 2 losses on Vehicle 1 and 1 loss on Vehicle 2. Spouse is principal operator of Vehicle 2 and has had 1 loss on Vehicle 1 and 1 loss on Vehicle 2. For purposes of allocating accidents, the 3 accidents the Applicant has had will be allocated to Vehicle 1 and the 2 accidents the spouse has had will be allocated to Vehicle 2.

The term 'vehicle' includes 'one for which it has been substituted'.

The following table illustrates how chargeable accidents are to be applied in the rating of other types of vehicles if they cannot be assigned to the vehicle actually involved

**Note:** The words 'loss(es)' and 'claim(s)' where used in

Type of vehicle involved in the accident	Type of vehicle to which the accident can be applied
Private Passenger	Private Passenger, Motor Home, Light Commercial,
Light Commercial	Commercial, Private Passenger, Motor Home
Commercial	Commercial
Public	Public
Motor Home	Motor Home, Private Passenger, Light Commercial
Motorcycle	Motorcycle
Garage	Garage
All Terrain or Snow Vehicle	All Terrain or Snow Vehicle

**Note:** ‘Type of vehicle’ means the section of the manual in which the vehicle was or would have been rated.

Where an at fault accident is being charged against a vehicle showing on the policy and that vehicle is deleted from the policy or mandatory coverage on that vehicle is removed or suspended, the at fault accident shall be re-assigned on the following basis:

- to a remaining vehicle with active mandatory coverage i.e. not deleted or suspended
- to the vehicle that produces the highest premium where there is more than one remaining vehicle,
- effective the date coverage on the original vehicle was deleted or suspended

Where an at fault accident is being charged against a vehicle NOT showing on the policy and it is discovered that the associated vehicle is deleted from the policy or mandatory coverage on that vehicle is removed or suspended, the at fault accident shall be re-assigned on the same basis as that shown above.

**Note:** The vehicle to which the at fault accident is re-assigned must be the type of vehicle to which the accident can be applied. Refer to preceding table.

## Rule 425: Accident and Conviction Surcharges

These surcharges are applicable to Liability, Accident Benefits, Uninsured Automobile, Direct Compensation Property Damage and Collision. These surcharges are not to be applied to coverages which are experience (fleet) rated.

### A. Accidents

Accident surcharges are assessed in accordance with the surcharge schedule for chargeable accidents that occurred during the 36 months immediately preceding the commencement of the period of insurance.

### 1. At New Business

No Accident shall be used more than once in determining the premium for vehicles insured through Facility Association by the same Servicing Carrier (whether or not on the same policy.)

As long as there is a Class 05 or Class 06 premium charged on the policy, accidents relating to Class 05 or Class 06 drivers shall only be used to calculate surcharges on the Class 05 or Class 06 premium. The Class 05 or Class 06 premium develops its own surcharge independent of the underlying class.

If the only vehicles on the policy are private type trailers as described under Rule 408, surcharges shall be assessed on the Collision premium only.

Accidents arising from the ownership of any vehicle other than the described vehicle are not to be considered.

*For example:* The Insured owns three motorcycles driven by employees. Two of the motorcycles are insured in the voluntary market, the other is insured through FA. There have been two accidents on each of the motorcycles in the voluntary market; none of which arose from the use or operation of the motorcycles by the Insured himself. There have been three accidents on the motorcycle insured through FA. The accidents that occurred on the motorcycles insured in the voluntary market are not used to calculate the accident surcharge on the motorcycle insured through FA, as long as they are rated under another inforce automobile policy.

Where the term ‘described vehicle’ is used, it includes a vehicle substituted for it.

Accidents arising out of the use or operation of other vehicles for which a spouse or any listed operator other than the Applicant is responsible shall not be considered if the spouse or listed operator is currently being charged with the accident as the principal operator of another vehicle, subject to Rule 424: How to Allocate Chargeable Accidents, or is an excluded driver on that vehicle.

#### a) One vehicle on the policy

Consider accidents that involved the described vehicle and accidents that arose out of the use or operation of any other vehicle by the Applicant, spouse, or any listed operator (unless the spouse or listed operator is currently being charged with the accident as principal operator of another vehicle). Subject to Rule 424:C. How to Allocate Chargeable Accidents. See Rule 424:B regarding Excluded Drivers.

*For example* –Applicant has had 1 at fault accident on the described motor home and 1 accident on the neighbour’s car. Spouse had 1 at fault accident on their own car insured elsewhere but has now sold that vehicle. All accidents shall be allocated to the described motor home and a surcharge shall be applied.

b) One driver and two or more vehicles Accidents that involve one of the described vehicles shall be assigned to that vehicle. Accidents arising out of the use or operation of any other vehicle by the listed driver shall be assigned to the vehicle that produces the highest premium before the application of any accident or conviction surcharges.

*For example:* There are two motor homes on the policy; Applicant is the only operator. There has been one accident on Motor Home 1 and one accident on Motor Home 2. Applicant also had two accidents on his company vehicle insured elsewhere. The premium for Motor Home 2 is higher than the premium for Motor Home 1. As the Applicant is the only operator of both vehicles, the claims are rated on the vehicle on which they occurred.

A surcharge applies to Motor Home 2 as a result of the two accidents on the company car and the one accident that occurred on Motor Home 2.

**c) Two or more drivers and two or more vehicles**

Each driver is to be assigned as principal operator on the vehicle he or she most frequently drives. Accidents that the principal operator had on any vehicle are to be considered. Accidents that occurred on the assigned (described) vehicle that cannot be assigned to the principal operator of another vehicle on the policy are to be considered. Accidents that arose from the use or operation of any other vehicle by any other listed driver, who has not been assigned as a principal driver of a described vehicle or principal operator of any other vehicle, shall be allocated to the vehicle which develops the highest premium before the application of any accident or conviction surcharges. See Rule 424:B regarding Excluded Drivers.

*For example:* Applicant is principal operator of Motorcycle 1 and has had one accident on Motorcycle 1, two accidents on Motorcycle 2 and 1 accident on his company car. Spouse is principal operator of Motorcycle 2 and has had no accidents. The daughter has had one accident on Motorcycle 2. The Applicant's three accidents will be rated against Motorcycle 1. The daughter's accident is rated on Motorcycle 2. A surcharge for the Applicant's three accidents applies to Motorcycle 1 as the Applicant is principal operator of Motorcycle 1.

**2. At Renewal (for surcharge only)**

At renewal time, the accident record shall be updated. Any accidents that occurred more than 36 months prior to renewal date shall be excluded and all accidents that occurred during the expiring term that involved the following shall be added:

- a) The described vehicle (regardless of driver).
- b) Other vehicles but were the subject of claims under this policy.

**B. Convictions**

Conviction surcharges shall be assessed for traffic offences (as hereinafter described) for which the Insured was convicted in the 36 months immediately preceding the commencement of the period of insurance.

No convictions related to an excluded driver shall be taken into consideration. END 28A (Excluded Driver) must be properly signed by the named Insured and excluded driver.

**1. How to apply conviction surcharges**

No conviction record shall be used more than once to determine conviction surcharges for vehicles insured through FA by the same Servicing Carrier, whether or not insured on the same policy.

If convictions for impaired driving and failure or refusal to take a breath or blood test relate to the same occurrence, they shall be considered as one conviction. If more than one CAIA/MVACA conviction relates to the same occurrence, only the one that develops the highest surcharge shall be used.

CAIA – Compulsory Automobile Insurance Act  
MVACA – Motor Vehicle Accident Claim Act.

As long as a Class 05 or Class 06 premium is charged on the policy, the conviction records of the Class 05 or Class 06 drivers shall only be used to calculate surcharges on the Class 05 or Class 06 premium. The Class 05 or Class 06 premium develops its own surcharge independent of the underlying class.

Convictions for road offences shall not be used in the rating of off road vehicles (e.g. snow vehicles, all terrain vehicles) and vice versa.

Surcharges shall not be assessed on private type trailers as described under this section of the manual.

**a) One vehicle and more than one driver**

The conviction record of all persons who are regular or frequent drivers of the vehicle shall be reviewed to establish which conviction record develops the highest surcharge percentage in accordance with the surcharge schedule for convictions and/or the lowest driving record. That conviction record shall be used to determine the applicable driving record and calculate the conviction surcharge.

**b) More than one vehicle and more than one driver**

Each driver shall be allocated to the vehicle he/she drives most and that driver's conviction record shall be considered in relation only to that vehicle.

**c) One driver and more than one vehicle**

The driver's conviction record shall be applied to the vehicle that produces the highest combined Liability, Accident Benefit, Uninsured Automobile, DCPD and Collision premium prior to the application of any accident or conviction surcharges.

**C. Accident/Conviction Surcharge Table**

Maximum surcharge to be applied for accidents, serious, major, minor and fraud convictions is 250%.

Events in the preceding 36 Months	Surcharge
<b>Chargeable Accidents:</b>	
1	0%
2	20%
3	30%
Each Additional	15%
<b>Major Convictions:</b>	
1	25%
Each Additional	25%
<b>Minor Convictions:</b>	
1	0%
2	5%
3	15%
4	25%
Each Additional	15%
<b>Serious Convictions:</b>	
1	100%
Each Additional	100%
<b>Each Fraud – years from date of conviction:</b>	
First 3 years	100%
From 4 <sup>th</sup> to 10 <sup>th</sup> Year	50%

**D. Conviction Definitions**

**a. Major**

Convictions for any of the following offences under any Act governing highway traffic or under the Compulsory Automobile Insurance Act (CAIA) or for any offence substantially the same committed within or outside Canada:

- Fail to report damage to highway property
- Failing to report an accident
- Failing, in the event of an accident, to give name and licence number to the police or any other person entitled to such information
- Fail to obey school crossing stop sign
- Improper passing of a school bus
- Improper passing/speeding in a school or playground zone
- Produce false evidence CAIA
- False statement re insurance MVACA
- Produced false insurance MVACA
- Make false statement CAIA
- Ontario Graduated Licence
  - Permit novice drive in contravention of cond/rest
- Class G1 accompanying driver-fails or refuses to provide breath or blood test
- Class G1 accompanying driver has excess blood alcohol
- Class G1 driver unaccompanied by a qualified driver
- Class G1 drive with front seat passenger

- Class G1/G2 drive with excess passengers
- Class G1 drive on prohibited highway
- Class G1/M1 drive at unlawful hour
- Class M1 drive motorcycle with passenger
- Class M1 drive motorcycle on prohibited Highway
- Using hand held wireless communication / entertainment device

**b. Minor**

The list of Minor convictions is not all inclusive and other moving violations, including new offences under an Act governing highway traffic, may be considered Minor, whether committed within or outside Canada, if not specifically named in the Major or Serious list, including but not limited to:

- Fail or refuse to surrender licence CAIA
- Fail to produce evidence of insurance CAIA
- Fail to carry insurance card CAIA
- Fail to carry evidence of insurance CAIA
- Fail to have insurance card CAIA
- Fail to disclose particulars CAIA
- Fail to notify police
- Fail to make written report
- Backing up - unsafe/illegal/improper - any type
- Brakes - none/inadequate/improper - any type
- Crowding driver’s seat
- Door opening - illegal/obstructing traffic - any type
- Emergency vehicle - operating with no regard for safety
- Driving off roadway (including shoulder/sidewalk/median) - any type
- Flagman - disobeying
- Following too closely (including tailgating)
- Headlights/parking lights - improper/lack of use - any type
- Lack of control of vehicle - any type
- Motor-assisted bicycle carrying passengers
- Motorcycle - operating with only an instruction permit
- Motorcycle - failure to wear helmet
- Passing infraction - any type except school bus or school/playground zone
- Pedestrian crossing violation - any type
- Radar warning device in motor vehicle - if illegal in province
- Railway crossing - any type
- Safety zone violation - any type
- Seatbelt – any offence
- Signalling offences - any type
- Slow driving - endangering other - any type
- Smokescreen device on vehicle
- Speeding - any type, except when listed as major or serious
- Squealing tires
- Stopping - illegal/improper - any type
- Tires - defective/worn - any type
- Towing - prohibited/unsafe - any type
- Traffic signals/regulating lights - any type
- Traffic signs - disobeying any legal sign except parking regulations
- Trailer - improper attachments/improper towing

- Turns - illegal/improper - any type
- Unlicensed driver - any type including improper licence class
- Unsafe move
- Unsafe vehicle - any type
- Wrong side of road/wrong way - any type
- Yield, failing to - any type including failing to yield to a public bus

**Note:** This is a generic list and will not, in all cases, match the exact wording printed on the driver record abstract.

### c. Serious

Convictions for any of the following offences under the Criminal Code of Canada or under any Act governing highway traffic or under any other Act or for any offence substantially the same whether committed within or outside Canada or any conviction which appears on a driver record abstract identified as a Criminal Code conviction:

- Speeding 50 kph or more over the speed limit
- Driving without insurance
- Operate motor vehicle – no insurance CAIA
- Criminal negligence committed in the operation or use of a motor vehicle
- Manslaughter committed in the operation or use of a motor vehicle
- Driving while licence under suspension
- Racing
- Careless driving
- Driving without due care and attention
- Driving without an interlock device where its installation is a requirement for licence reinstatement
- Dangerous driving
- Impaired driving
- Driver under 22 years of age with alcohol in blood
- Failure or refusal to submit to a breath or blood test
- Failure to stop/remain at the scene of an accident
- Failure to pass a breath or blood test
- Class G1/G2/M1/M2 fail/refuse breath sample
- Class G1/G2/M1/M2 drive with alcohol in blood
- Failure to stop on request of or obey directions of a police officer
- Stunting
- Driver in the alcohol ignition interlock device programme operating a vehicle not so equipped

**Note:** If convictions for impaired driving and failure or refusal to take a breath or blood test relate to the same occurrence, they will be considered as one conviction.

### Fraud

Where the Insured or any person who is a regular or frequent operator of the vehicle has been found by a court of competent jurisdiction in either criminal or civil proceedings to have committed a fraud in any way connected automobile insurance during the 120 months immediately preceding the commencement of the period of insurance.

**Note:** If there is more than one vehicle on the policy, the surcharge will apply to the vehicle principally driven by the person who committed the fraud. If the person who committed the fraud is the Applicant but not a driver of any vehicle on the policy or is a driver but not the principal driver of any vehicle on the policy, the surcharge will be applied to the highest rated vehicle on the policy.

## Rule 426: Proof of Insurance Where Notice of Cancellation or Deletion is Required

1. The Agent/Broker is authorized to issue proof of insurance on behalf of the Servicing Carrier in the form of the Servicing Carrier's standard certificate or a CSIO-approved Certificate of Insurance, with a notice of cancellation period not exceeding 15 days.
  - a) If a notice of cancellation period exceeding 15 days is required, the Agent/Broker it to obtain approval from the Servicing Carrier prior to certificate issuance.
  - b) Certificates must be issued only on a Described Automobiles basis. Should proof be required on a Blanket Basis, refer to item #4 below.
  - c) Copies of all certificates issued by the Agent/Broker shall be submitted to the Servicing Carrier within one (1) business day for acceptance and documentation.
  - d) The Servicing Carrier is ultimately responsible for ensuring that all proof of insurance issued by the Agent/Broker is acceptable and reflects the limits of the policy. The Servicing Carrier will promptly reissue any certificate originally issued by the Agent/Broker, where indicated coverage differs from the policy or where the notice of cancellation period was not previously approved by Underwriting.
2. The Servicing Carrier is responsible for the completion of any non-standard certificates (i.e. certificates that are to be completed on a non-CSIO approved form), Out of Province, U.S. or Other filings.
  - a) The Agent/Broker must specify to the Servicing Carrier if proof of insurance (e.g. a financial responsibility certificate) must be issued or filed with a Local, Provincial, Federal or U.S. authority.
  - b) Where vehicles are operated in the U.S., Agents/Brokers must confirm with Insured's if proof of insurance is to be filed and, if so, in what amount.

3. If proof of insurance is issued by the Servicing Carrier, a copy must be supplied to the Agent/Broker for their records.
4. Proof of insurance must only be issued on a 'Described Automobile' basis. Proof may not be issued or filed on a 'Blanket Basis' (i.e. without specifying the insured vehicles), only if the authority concerned permits no alternative. In that case, the Facility Association's form of 'Indemnification and Hold Harmless Agreement' must be fully completed and include the signatures of the Applicant and a witness. The completed form is to be kept on file with the Servicing Carrier.
5. Parties requiring proof cannot be added as additional named Insureds on the policy. The certificate showing proof of insurance guarantees to the Party that the vehicle is insured. This is the full extent of the guarantee.
6. Should the Servicing Carrier have any concern with the coverages or limits being guaranteed when asked to use a certificate prescribed by the organization or authority with whom the certificate is being filed, the Servicing Carrier should contact Facility Association Head Office.

### A. Financial Responsibility Certificate

A temporary liability card may be issued for an Applicant who requires the filing of a financial responsibility certificate before he/she may be licensed to drive, provided a fully completed and signed application is submitted for the Applicant at the time the temporary liability card is issued. Details of the licence subsequently obtained must be reported promptly to the Servicing Carrier.

### B. Renewal or Offer to Renew

If a renewal or offer to renew is issued where proof of insurance has been issued or filed and the renewal is not required, the Servicing Carrier must be notified in sufficient time to file a notice of cancellation in accordance with the applicable authority's requirements. Otherwise the Agent/Broker/Insured shall be responsible for time on risk charges.

### C. Policy Cancellation, Vehicle Deletion

#### 1. Registered Letter

Where proof of insurance has been issued or filed and the policy is to be cancelled, the cancellation of coverages to which the proof of insurance relates shall be processed in accordance with the Statutory Conditions.

**The notice of cancellation for the authority concerned must be issued on the same day as the notice of cancellation to the Insured; however, as a result of the authority's requirements the effective date of cancellation may be different.**

*For example:* The registered letter of cancellation for the policy is issued on June 1 for both the Insured and the provincial authority. For the Insured, cancellation shall take effect 15 days from the date the registered letter is received at the post office to which it was addressed. Let's say June 19. The provincial authority requires 30 days notice of cancellation. The effective date of cancellation for the authority shall be June 30. If the Insured had a Comprehensive loss on June 25, the policy would not respond. If however, the Insured had a Liability loss on June 25, the policy may have to respond as the proof of insurance provides that Liability coverage is in effect until cancelled on June 30.

#### 2. Insured's Request

Where proof of insurance has been issued or filed, and the vehicle is to be deleted from the policy or the policy is to be cancelled, the cancellation of coverages to which the proof of insurance relates shall be processed after taking into consideration the period of notice required by the authority.

**The effective date of cancellation or deletion shall be the same for both the Insured and the authority concerned.**

*For example:* The Insured requests cancellation of the policy to be effective June 1. The provincial authority requires 30 days notice of cancellation. The notice to the provincial authority is sent on June 5. The effective date of cancellation for the Insured will be July 5.

### D. Filing Liability Limits

The filing should always be made for the limit required by law even if the policy actually shows a higher limit.

Where a vehicle requires filings in multiple jurisdictions, the filing should be made showing only the limits required in that jurisdiction. The policy should be written with the lowest limits necessary to meet all requirements.

*For example:* In one jurisdiction a filing for a vehicle requires a limit of \$1,000,000. A filing for a \$5,000,000 limit is also required in another jurisdiction for the same vehicle. The policy must be issued with a \$5,000,000 limit. One filing should be made showing the limit of \$1,000,000. The other filing should be made showing the \$5,000,000 limit.

Where a filing is to be made for a leased vehicle, the filing should be made in the name of the lessee only.

### E. Processing Fees for Filings

Please contact your Servicing Carrier for a schedule of fees which will be charged on a 100% cost recovery basis.

**Any charge required by the authority concerned shall be in addition to, and separate from, the processing fees.**

## Rule 427: U.S. Exposure

### A. U.S. Exposure Surcharge

Any vehicle that is operated in the U.S. is subject to the U.S. exposure surcharge. This surcharge shall apply to recreational vehicles where proof of insurance is required by U.S. authorities and where the vehicles are used for business purposes.

The surcharge does not apply where the vehicle is used for personal use only and proof of insurance is not required.

The Insured must advise the Agent/Broker the percentage of total mileage that the vehicle will be driven in the U.S.

If the U.S. exposure is 5.0% or less of total mileage, the surcharge shall be waived unless U.S. authorities require proof of insurance. In this case a 5% surcharge will apply to Liability, Accident Benefits, Uninsured Automobile, DCPD and END 44.

NOTE: Where vehicles are operated in the U.S., Insureds must be asked whether or not proof of insurance must be filed and, if so, in what amount.

#### Liability, Accident Benefits, Uninsured Automobile, DCPD, END 44R

For each percentage point of total mileage in the U.S., surcharge 1.5% of the applicable premium.

*For example:*

U.S. Exposure	Applicable Surcharge
Up to 5% and no proof of insurance required	0%
Up to 5% and proof of insurance required	5%
10%	15%
25%	37.5%
50%	75%

#### Optional Physical Damage

For each percentage point of total mileage in the U.S., surcharge .75% of the applicable premium.

*For example:*

U.S. Exposure	Applicable Surcharge
Up to 5%	0%
10%	7.5%
25%	18.75%
50%	37.5%

### B. Currency Differential Surcharge

Whenever proof of insurance is required by U.S. authorities, a currency differential surcharge is added to the Liability (not DCPD) premium to provide for the potential additional loss arising from the payment of a claim in U.S. dollars.

The currency differential is the rate of exchange being charged for the U.S. dollar, to the nearest cent, as at the date the premium is calculated by the Servicing Carrier for policy issuance. The Servicing Carrier shall use the Bank of Canada closing rate from the previous published day.

**The surcharge percentage is calculated by means of the following formula:**

**Currency differential x U.S. exposure surcharge**

*For example:*

The rate of exchange for the U.S. dollar is 1.3085 Canadian, therefore the currency differential is 0.31. The U.S. exposure surcharge is 25%.

**Currency differential surcharge: 0.31 X 25% = 7.75%**

#### The currency differential surcharge is

1. Applied only to the Liability premium, not DCPD. There is no minimum surcharge applicable.

2. Additional to but not compounded on the U.S. exposure surcharge.

*Example:*

The Liability premium is	\$1,000
U.S. Exposure Surcharge is	25%
The Currency Differential Surcharge is	7.75%
Base Premium	\$1,000
U.S. Exposure \$1,000 X .25	\$250
Currency Differential	
\$1,000 X 7.75 = \$77.50	\$78
Total Liability premium	\$1,328

3. In addition to the Servicing Carrier's fee for filing proof of insurance.

4. Payable only when proof of insurance is required by U.S. authorities

5. The combined dollar value of the currency differential surcharge and the U.S. exposure surcharge is subject to a minimum of \$50 per policy term.

*For example:* Using the example above, the dollar value of the U.S. exposure surcharge is \$250 and the dollar value of the currency differential surcharge is \$78. The total combined dollar value is \$328, well exceeding the minimum required.

## Rule 428: Claims

Every accident, loss or claim that comes to the knowledge of the Agent/Broker in regard to his or her Facility Association policies must immediately be reported in the manner prescribed by the Servicing Carrier.

### 1. Snow Vehicles and All Terrain Vehicles (with or without END 9) on Ice/Water

#### The following scenarios shall be considered Comprehensive losses:

An Insured drives a snow vehicle or all terrain vehicle on a frozen lake and hits open water.

An Insured drives a snow vehicle or all terrain vehicle on a frozen lake. The ice cracks and the snow vehicle or all terrain vehicle sinks to the bottom.

### 2. Collision with Animals

Losses involving Collision with animals, both wild and domestic, shall be paid under Comprehensive coverage. If the policy does not afford Comprehensive coverage but does provide Collision coverage, the loss shall be paid under Collision coverage and be regarded as not at fault.

## Rule 429: Suspension and Reinstatement of Coverages – END16/17

### END16/17 is not available for the following:

1. Vehicles for which proof of insurance is issued or filed.
2. Experience rated risks
3. Recreational vehicles rated in the Recreational Vehicle section
4. Vehicles that were never intended to be driven
5. Vehicles held for sale whether or not on an auto dealer's lot

## Rule 430: Not applicable

## Rule 431: Suspension of Operator's Licence

Under the Ignition Interlock Program, it is a condition of the driver's licence reinstatement that the driver is prohibited from driving any motor vehicle that is not equipped with an approved ignition interlock device.

For drivers who have entered the Ignition Interlock Program, the length of the licence suspension shall be calculated from the date the licence was suspended to the date the Ignition Interlock Program was entered.

#### *For example:*

Licence was suspended from January 1 to July 1. The driver entered the Interlock Program on March 1. Therefore the total time the driver's licence is considered to have been suspended is 2 months not 6 months.

The following provisions apply in the event of the suspension, cancellation or lapse of an operator's licence. These provisions apply whether END 28A (Excluded Driver) is being added to the policy at the request of the Insured or by the Servicing Carrier because of the above mentioned circumstances.

### A. If there is no other driver of the vehicle

1. An application for insurance of the vehicle shall be declined by the Agent/Broker.
2. If the situation is discovered after the policy has been issued, the Servicing Carrier shall cancel the policy by registered letter.
3. The time on risk charge for the period to expiration of the notice of termination will be pro rata of the premium applicable to the risk as submitted.
4. If the situation is discovered as a result of enquiries prior to the renewal date, the Servicing Carrier shall issue a notice of nonrenewal.

### B. If there is another licensed driver of the vehicle

(It is assumed that the person concerned will not drive without a valid licence.)

1. The Servicing Carrier shall issue END 28A (Excluded Driver) restricting coverage to minimum statutory Accident Benefits and excluding optional physical damage coverage where provided, for that person.
2. If that person being a driver affected the rating of the insurance, the insurance will be re-rated to remove that person as a driver and any accidents involving that driver prior to being excluded will not be taken into account in rating. If the driver has a 'driving while

3. suspended' conviction, all accidents and convictions will be taken into consideration for the rating and the END
4. 28A (Excluded Driver) will be deleted.

### C. Unsigned END 28A (Excluded Driver)

If END 28A is not signed, END 28A shall be deleted and the policy shall be re-rated as though there was no END 28A.

## Rule 432: 'Home-Made' Vehicles/Reconstructed/Imported Right Hand Drive/Imported Vehicles

The following provisions apply to right hand drive, imported vehicles and any vehicle that has been constructed, reconstructed or restored other than by a recognized manufacturer of such a vehicle.

This rule does not apply to vehicles with a manufacturer assigned VIN and a status of 'rebuilt' which are to be rated using CLEAR rate groups.

### A. Liability, Accident Benefits and DCPD

No coverages are permissible until the following are provided to the Servicing Carrier:

1. A valid vehicle registration and, at the Servicing Carrier's discretion, a certificate of roadworthiness or mechanical fitness acceptable to the Servicing Carrier And
2. For vehicles valued \$15,000 or more, an appraisal acceptable to the Servicing Carrier at the Applicant's expense to enable the proper rating group to be determined. Vehicles valued under \$15,000 are rated based on value provided by the Insured.
3. For private passenger vehicles, rate group 34 is to be used for Accident Benefits where vehicles are rated by value.

These certificates must accompany the application to the Servicing Carrier.

### B. Optional Physical Damage Coverage

1. No optional physical damage coverage (for any value) will be available for:
  - a) 'Home-made' / reconstruction vehicles until the construction, reconstruction, restoration has been completed and the mechanical fitness and value of the vehicles have been substantiated by a certificate from an independent appraiser or a recognized authority on such matters, acceptable to the Servicing Carrier.

- b) Imported right hand drive and imported vehicles until value of the vehicle has been substantiated by a certificate from an independent appraiser or a recognized authority on such matters, acceptable to the Servicing Carrier.
2. The premium is based on the appraised amount.
3. The insurance shall be subject to END 19 (Limiting the Amount Paid for Loss or Damage Coverages) which must be attached to the policy and a copy signed by the Insured. END 19A (Agreed Value of Automobiles) is not available.

## Rule 433: Vehicles Used Outside Jurisdiction of Registration

Rule 400: Filed Underwriting Rules requires that the vehicle must be registered in the jurisdiction in which the policy is issued. 'If the vehicle is registered in another jurisdiction in which Facility Association operates, the vehicle may be insured through an Agent/Broker and Servicing Carrier licensed in that jurisdiction.'

When an Insured takes up residence in another jurisdiction, the Insured is required to register the vehicle in the new jurisdiction. The existing policy must be cancelled pro rata and new insurance obtained in the new jurisdiction.

However, there are circumstances under which the vehicle may be used for a period of time in another jurisdiction where vehicle registration in that jurisdiction is not required.

*For example:* The Insured resides in Ontario and the vehicle is registered in that jurisdiction; however, the Insured will be travelling the western provinces for the next year.

Regardless of where the vehicle is registered, Facility Association shall not provide insurance for vehicles which are never operated in the jurisdiction in which they were registered.

When a vehicle is registered in one jurisdiction but garaged or chiefly used in another, the following is to be used as a guide for rating purposes.

1. The vehicle must be insured on a policy from the jurisdiction where it is legally registered, even if the vehicle is chiefly used in another jurisdiction.
2. If it is known what territory the vehicle is being used in and there are FA premiums for that territory, then the appropriate FA premiums for that territory must be used.

*For example:* The Insured resides in Toronto and the vehicle is registered in Ontario but the Insured is attending university in Halifax. Rates for Halifax must be used.

- 3. If the vehicle is being used in the U.S., it must be rated in the territory in which it is registered.

*For example:* The Insured lives in Toronto, is on a sabbatical in California and the vehicle is registered in Ontario. Toronto rates apply.

- 4. See Rule 427: U.S. Exposure Surcharge to determine applicable surcharge. This surcharge shall apply to recreational vehicles where proof of insurance is required by U.S. authorities and where the vehicles are used for business purposes. The surcharge does not apply where the vehicle is used for personal use only and proof of insurance is not required
- 5. If the vehicle is used within one region as defined below, it is to be rated as though it is used in the highest rated territory of that region. If the vehicle is used in more than one region of Canada, it is to be rated as if used in the highest rated region.

**Region 1 – Atlantic Provinces**

Rate as New Brunswick Territory 3

**Region 2 – Central (Ontario and Quebec)**

Rate as Ontario Territory 20

**Region 3 – West and North**

Rate as Alberta Territory 4

- 6. If the vehicle is used in a Canadian jurisdiction for which Facility Association has no rates, the following shall apply:
  - Charge Alberta Territory 4 for British Columbia, Saskatchewan and Manitoba.
  - Charge Ontario Territory 20 for Quebec.
- 7. At the Servicing Carrier’s discretion, a copy of fuel tax information, log books and/or other pertinent records may be required to verify mileage and travelled jurisdictions.

**Rule 434: Purchasing Vehicles in Jurisdiction Where FA Does Not Operate**

When an Insured acquires a new vehicle and all vehicles owned by the Insured are covered under a POL 1, coverage is automatically provided for the newly acquired vehicle if the Insurer is notified of the acquisition within 14 days.

When the Insured:

- a) acquires a vehicle in the U.S. and brings it to Canada to a jurisdiction in which FA operates;

**or**

- b) acquires a vehicle in a jurisdiction in Canada in which FA does not operate;

FA shall, if necessary, issue a short term policy to provide coverage while the vehicle is in transit (under a transit authority permit) before it is registered in the jurisdiction of residence. The short term policy shall only be provided for a period of time sufficient to allow the vehicle to be driven from the point of purchase to the residence of the owner. This should correspond to the period of time the transit permit is valid.

When the Insured comes through Customs, the vehicle must be declared and the Insured will be provided with the appropriate forms to complete and submit to the provincial registry so that the vehicle may be registered. A new application can then be submitted for a 6 or 12 month policy (depending on the vehicle type) if required.

Where an individual or company has a business that includes the purchasing of vehicles in the U.S. or jurisdictions where FA does not operate for shipment back to a Canadian FA jurisdiction for resale, coverage must be provided by means of a garage policy for Automobile Dealers.

**Premium Calculation**

The premium is to be calculated in accordance with Short Term tables subject to minimum premium. There is no surcharge for U.S. exposure.

The territory to be used is the territory where the Insured resides.

**Rule 435: Short Term Rentals- Unspecified Lessees - Leases of 30 Days or Less and Ride Sharing**

**A. Short-Term Rentals-Unspecified Lessees – Leases of 30 days or less – Class 7M**

Use POL 1 and END 5c.

Insurance is provided on a specified vehicle/per vehicle basis and use of END 21A/B is not permitted. Use of END 44R is not permitted.

**Coverages/Premiums**

**1. Liability, DCPD, Optional Physical Damage**

Class of Vehicle	Premium
Private Passenger Vehicles	250% of 07/0 rate

Commercial Vehicles	
Light Trucks	200% of 43/0 rate
Heavy Trucks	200% of 45/0 rate
Tractor/Trailers	175% of 64/0 rate

Class of Vehicle	Premium
Private Type Trailers	
BI	Non-Pleasure rate, plus \$15
PD	Non-Pleasure Rate
DCPD	Normal Rate
Optional Physical Damage	250% of Normal Rate
Motor Homes & Vehicles with mounted Camper Unit	
Liability	250% of 07/0 rate
DCPD	250% of 07/0 rate
Optional Physical Damage	250% of Normal Rate
Motorcycles & Mopeds	250% of Driving Record 0, applicable to age 16
Snow Vehicles	250% of Normal Rate
All Terrain Vehicles	250% of Normal Rate
Any Other Vehicle	Refer to Servicing Carrier

**2. Accident Benefits, Uninsured Automobile**

Charge the normal rate for the type of vehicle concerned using Driving Record 0.

**B. Ride Sharing – Class 7N**

Applicable where a vehicle is used in connection with a vehicle-sharing service, or peer-to-peer rental company

Use POL 1 and END 5C. Insurance is provided on a specified vehicle/per vehicle basis and use of END 21A/B is not permitted. Use of END 44 is not permitted.

Rate as Short-Term Rental (as outlined in Section A above) and code as Class 7N.

**Rule 436: Long Term Leases-Specified Lessees - Leases Exceeding 30 Days**

**A. Application**

Each lessee must complete an application form. The name and address of the Applicant/lessee and the name and address of the lessor must be shown where required on the application form.

**B. Policy**

Use POL 1 with END 5. The name and address of the lessor and the name and address of the lessee must appear on the policy declaration page.

**C. Rating**

The vehicle is rated as if owned by the lessee.

**Rule 437: Driver Training Vehicles**

All driver training vehicles (regardless of vehicle type) shall be rated based on the trainer and that individual’s experience. These vehicles shall not be rated for the trainee.

Use POL 1 with END 6D. This endorsement extends the Liability section of the policy to cover the Applicant’s liability for student drivers/observers.

**A. Driving Record**

Driving record is to be calculated in accordance with the section of the manual that applies to a similar class of vehicle, subject to a maximum of Driving Record 3. Clear record earned on a similar vehicle which was not previously used for driver training, shall be applied when determining the driving record for driver training vehicles.

*For example:* The Insured opens a driver training school teaching drivers how to handle small motor homes and either uses his own motor home or buys another motor home to use as a driver training vehicle. The Insured has no previous experience with driver training and is 5 years accident free with motor homes, private passenger and light commercial vehicles. The Insured is eligible for a maximum Driving Record 3 on the driver training vehicle.

**B. Vehicle used solely for Driver Training**

Calculate the premium as follows, add any applicable accident and conviction surcharges, and then apply the surcharges indicated in the Driver Training Vehicle Surcharge Table.

**Private passenger vehicles:**

Rate as Class 07 (Driving Records 0, 1, 2, 3 only).

**Commercial vehicles:**

Light - Rate as Class 36; Heavy - Rate as Class 44

**Public vehicles (Buses etc):**

Private passenger vehicles - Rate as Class 07

Other vehicles - Light: Rate as Class 36; Heavy: Rate as Class 44

**Recreational vehicles:**

Rate at non-pleasure rates

**C. Vehicles used for Driver Training in addition to some other use**

1. Calculate the premium as though the vehicle is used solely for driver training.

2. Calculate the premium as though the vehicle were used solely for the ‘other use’. *For example:* If the vehicle is a motor home used for pleasure only, use Class 01.
3. Add the dollar value of the driver training surcharge calculated in Step 1 to the premium calculated in Step 2.
4. Compare the premium in Step 1 to the premium calculated through Steps 2 and 3 and use the higher of the two.

*For example:*

**Step 1**

The vehicle is a motor home and using non-pleasure use, the total premium is \$700. The Liability premium is \$200. The vehicle is equipped with dual controls so a surcharge of 35% is applied to the Liability premium for a surcharge of \$70. The total policy premium calculated in Step 1 is therefore \$770.

**Step 2**

The driver training use is part time and the Insured also uses the motor home for pleasure. Therefore a premium of \$400 is calculated by rating the vehicle as Class 01.

**Step 3**

The premium in Step 2 is \$400 and we add to that the surcharge premium of \$70 calculated in Step 1.

**Step 4**

Use the higher of the results from Step 1 (\$770) or Step 3 (\$470).

**D. Driver Training Vehicle Surcharge Table**

**1. Vehicles used only for Secondary School, College or University training courses.**

Coverage	Equipped with	
	Dual controls	Other
Liability	35%	135%
Accident Benefits	0%	0%
DCPD	35%	135%
Collision	0%	75%
Other Coverages	0%	0%

**2. Other Vehicles**

Coverage	Equipped with	
	Dual controls	Other
Liability	70%	170%
Accident Benefits	0%	0%
DCPD	70%	170%
Collision	25%	100%
Other coverages	0%	0%

**Rule 438: Fleets**

**A. Definition**

A fleet is a group of not less than five automobiles:

- that are under common ownership or management
- of which at least five are commercial vehicles, public vehicles or vehicles used for business purposes, and
- of which any that are subject to a lease agreement for a period in excess of 30 days are leased to the same insured person.

Vehicles under “common management” will be considered where the Named Insured has assumed full responsibility for the payment of insurance premiums and agreement is in place between the Named Insured and Vehicle Owner, demonstrating the following:

1. The Named Insured is responsible for the assignment of driver schedules and routes, ensuring compliance with hours of work regulations **and**
2. The Named Insured maintains records of and deems acceptable all drivers who may operate a Vehicle **and**
3. Vehicles and all associated drivers adhere to the vehicle and driver safety standards of the Named Insured, **and**
4. Vehicles and all associated drivers adhere to the Named Insured means and methods of work, including risk management practices, code of conduct, training and service standards, **and**
5. Failure to adhere to any of the above will result in the termination of the agreement between the Named Insured and Vehicle Owner.

A signed “Facility Association Common Management Attestation”, signed by the Named Insured and a copy of the common management agreement must accompany all new business applications.

A copy of the common management agreement will be required on subsequent renewals to maintain experience rating.

The Servicing Carrier reserves the right to deny experience rating in the event the above criteria are not met, and fails to otherwise meet other fleet rating criteria outlined under Rule 438.

**B. Fleet Rating**

Fleets of 9 or fewer self-propelled vehicles will be individually rated; fleets of 10 or more self-propelled vehicles will be experience (fleet) rated.

Fleets are subject to experience rating as of the commencement date of each policy period. If the fleet is insured through FA by two or more policies issued by one or more Servicing Carriers, the policies must have a common expiry date to facilitate experience rating.

For experience (fleet) rating, the Applicant must have had 120 months of Liability insurance in the past 12 months i.e. 10 vehicles with Liability coverage for the past year, regardless of the number of policies on which those vehicles were insured.

*For example:* If the Insured owned 10 vehicles and leased (on a long term basis) 1 vehicle that were insured for Liability for the past 12 months, the Insured has 132 months of Liability insurance. If the Insured only had 7 vehicles insured for Liability in that period, there would only be 84 months of Liability insurance and the policy would not be experience rated.

The 120 months is established on the basis of vehicles the Insured has owned or leased from others. The Applicant may be required to provide proof of vehicle registration and ownership. Vehicles that are leased for more than 30 days to others are not to be considered unless those vehicles are leased to one lessee and meet the definition of a fleet

Vehicles that the Insured leases from others must be insured on a separate policy with the same expiry date as the policy for owned vehicles. If the policy for owned vehicles and the policy for the leased vehicles are insured through FA whether or not with the same Servicing Carrier, the policies shall be experience rated. If however, one policy is insured in the voluntary market and the other policy is insured through FA, the FA policy shall only be experience rated if there has been 120 months of liability insurance in the past 12 months for the vehicles insured through FA. If the policy does qualify for experience rating, only the experience on the vehicles insured through FA shall be used to promulgate the rate.

The months of Liability insurance for vehicles whose rates are derived from a Class 07 base and for commercial vehicles rated as private passenger (because of dual use), are included in the 120 month calculation. The months of Liability insurance on personal use recreational vehicles and private passenger vehicles solely used for pleasure (no driving to and from work for the Applicant's business) are not included in the 120 month calculation. However, once it has been established that a risk is to be experience rated, private passenger vehicles other than those rated Class 07 shall be included (with any claims) on the policy and in the experience rating

Where a new fleet is being submitted to FA consisting of vehicles which are a sub-group of a voluntary market fleet and there is no verification of which claims involved which vehicles, the FA formula shall take into account the claims that occurred on all vehicles. It is the responsibility of the Agent/Broker/Insured to provide the claim history documentation for the vehicles to be insured through FA.

Where a vehicle(s) on an existing fleet is being newly insured through FA, the claim history shall follow the vehicle(s)

Experience rating includes the following:

- All losses ( At-Fault and Not-at-fault) are taken into account in rating even if there was no insurance in effect or the loss was repaid to the Insurer by or on behalf of the Insured or if the Insured chose not to present the claim;
- Claims (paid by the previous Insurer, reimbursed to the previous Insurer or paid by the Insured) outside the coverage on the application;
- Any amount paid back by the Insured due to an END 8 on the policy with the prior Insurer;
- Claims falling within a specific deductible not offered by FA e.g. on an occurrence basis regardless of the coverage involved in the ;
- Amounts above FA deductibles when the prior Insurer had higher deductibles;
- Losses falling within any special agreements with the prior Insurer.

**NOTE:** Full experience details must be obtained directly from the prior Insurer to ensure all information on the risk is provided.

Fleets are to be written on a specified vehicle basis not on a blanket or receipts basis, therefore the use of END 21A and 21B is not permitted.

#### **Midterm Rating**

If it is discovered during a policy term that a risk is a fleet and is eligible for experience rating, it shall be experience rated at the time of next renewal. If more than one policy qualifies for experience (fleet) rating, the fleet policy shall be issued effective the renewal date of the earliest expiring policy, based on the information for all vehicles. The remaining vehicles shall be added to the fleet at the expiry date of their policies.

If the insurance is written by more than one Servicing Carrier, each policy upon expiry shall be subject to experience rating and shall be insured to the common expiry date.

If vehicles being added to a fleet insured through FA were previously on another fleet with the same common ownership or management as the FA fleet, these added vehicles are subject to experience rating as outlined in Rule 438:B. Fleet Rating.

#### **Optional Physical Damage Coverage**

Vehicles may not be covered for Comprehensive/Specified Perils only.

The Collision portion of All Perils and Collision coverage shall be regarded as the same coverage for the purposes of determining the number of months of coverage, similarly, the portion of All Perils and, Comprehensive and Specified Perils shall be regarded as the same coverage.

Where Collision claims that have occurred in the past three years cannot be allocated to specific vehicles, the

claims shall be assigned to the highest rated vehicles, one to each in descending order.

### C. Loss Information

For experience rated fleets, any reserve change for a loss in any previous term shall be added to the incurred losses of the policy term in which the reserve was changed.

*For example:* The new policy term will be May 1, 1999 to May 1, 2000. The Insured had 2 losses between May 1, 1998 and May 1, 1999. The Insured had 2 losses between May 1, 1997 and May 1, 1998. The Insured had no losses between May 1, 1996 and May 1, 1997 but in September 1996 there was a \$20,000 reserve increase on a claim that occurred in 1994. When listing the losses that occurred in the 2nd Prior Year (25-36 months) on the Automobile Fleet Schedule, the \$20,000 reserve must be entered.

### D. New Applications

#### 1. Forms required for Fleet Submissions

- a) Facility Association binder application form fully completed and signed. Under vehicle items show 'Fleet Policy'.
- b) Automobile Fleet Schedule All vehicles including trailers for which insurance is required must be fully described.
- c) Fleet Vehicle Count Calculation Must be completed to determine the number of vehicles insured by coverage.
- d) Fleet Rating Information Statement This form provides additional information about the risk.
- e) Any additional supplements such as drivers list, taxi questionnaire.

#### 2. Incomplete Fleet submission forms

If the necessary information required by the Servicing Carrier to properly rate the policy is not received within 15 days of the intended effective date, the policy shall be issued at the quoted premium and cancelled by registered letter.

#### 3. The Applicant must understand that:

The risk is bound from the effective date shown and an earned premium shall be charged.

The application is subject to the Facility Association fleet rating formula and the resulting premium may be substantially greater than the base premium quoted by the Agent/Broker.

If proof of insurance is required by U.S. authorities, a currency differential surcharge shall be applied to the Liability premium. See Rule 427: U.S. Exposure.

The Servicing Carrier may require payment of additional fees if proof of insurance has to be issued. See Rule 426: Proof of Insurance.

#### 4. Agent/Broker responsibilities:

Submit all fully completed and signed fleet submission forms. Items on the binder application dealing with specific vehicles are to be answered 'Fleet

Policy'.

Incomplete forms shall be returned for completion resulting in policy issuance delays.

Premiums are to be calculated at Driving Record 0 and must include the U.S. exposure surcharge if applicable.

The Servicing Carrier shall provide assistance to the Agent/Broker if rates for a particular type of risk or vehicle are not published in this manual.

Collect from the Applicant the premium quoted at Driving Record 0 or arrange a premium finance contract. The Agent/ Broker is responsible for the pro rata earned premium based on the correct premium calculation at Driving Record 0 in the event of non-payment by the Insured.

Issue temporary (30 day) liability cards for each self-propelled vehicle listed on the Fleet Schedule as of the date coverage was bound. It is not permissible to use a 'blanket' wording of any kind.

A premium must be quoted and the risk bound before the fleet is submitted.

#### 5. Servicing Carrier responsibilities:

The Servicing Carrier shall not provide quotations or accept fleet submissions which have not been bound. If the manual does not provide information for rating a particular risk, the Servicing Carrier will assist the Agent/Broker in establishing a method of rating. The Servicing Carrier will also assist in determining rate groups which are not published.

Upon receipt of the properly completed documents the Servicing Carrier shall verify the information and loss history of the risk with the previous carrier as required and ensure prompt issuance of the policy documents.

#### 6. If the revised premium is not acceptable:

If a promulgated fleet rating is not acceptable to the Applicant, the coverages shall be cancelled without charge if all temporary liability cards are returned and received by the Servicing Carrier no later than the intended effective date (the date coverage was bound). Where the temporary liability cards are not received by the intended effective date and the Agent/Broker reports non-payment of the additional premium within 30 days of receiving notice of the additional premium, the earned premium for cancellation shall be calculated pro rata on the quoted premium calculated at Driving Record 0. Otherwise the earned premium shall be calculated pro rata on the promulgated fleet rating.

*For example:* The Agent/Broker bound coverage as of June 1 and quoted the Applicant a premium of \$10,000 at Driving Record 0. On June 20, the Agent/Broker receives the fleet policy from the Servicing Carrier. The fleet has been promulgated at a premium of \$12,000. The

Agent/Broker advises the Insured of the premium increase and the Insured advises he/she wants to cancel the policy.

On July 15, the Agent/Broker advises the Insurer to cancel the policy for non-payment. Because the request for cancellation was received within 30 days of June 20, the earned premium will be calculated pro rata on a premium of \$10,000.

If a fleet rating has been established for a risk and the Applicant has rejected the premium, a new application covering any vehicle in the Applicant's name previously on the fleet, must be quoted to the Applicant at the fleet rate not Driving Record 0. In the event that a policy issued from that new application must be cancelled because the Applicant rejects the premium, the earned premium shall be calculated pro rata of the fleet rate not Driving Record 0.

*For example:* Using the above example, on September 1, the Agent/Broker resubmits substantially the same fleet for the same Insured to the Servicing Carrier, quoting a premium of \$10,000 at Driving Record 0. The policy is issued at a premium of \$12,000 and the Agent/Broker receives it on September 22. The Insured again rejects the additional premium and the Agent/Broker requests cancellation for non-payment on October 10. The earned premium will be calculated pro rata on a premium of \$12,000.

#### **7. Premium Calculation – Recreational Vehicles Liability and DCPD**

Where the Applicant requires limits in excess of \$1,000,000 the Agent/Broker must discuss the risk with the Servicing Carrier prior to binding. Many risks will not be eligible for limits in excess of \$1,000,000.

*Note:* The application form must indicate the limits actually required and the applicable endorsements (END 6A/B/C/F, 22).

Enter the premium applicable to the statutory minimum limit.

#### **Optional Physical Damage**

##### **All Perils**

a) This coverage is no longer offered on policies written through FA.

b) Record All Perils losses according to the peril under which they were paid i.e. Collision losses under Collision and Comprehensive /Specified Perils losses under Comprehensive/ Specified Perils.

##### **All Optional Physical Damage Coverages**

Enter premium and deductibles where indicated.

#### **Premium Totals**

##### **Liability**

a) Total the appropriate premiums and enter the totals under the appropriate tables.

b) Apply the increased limit factor for limits up to \$1,000,000.

c) Apply the increased limit factor for limits over \$1,000,000 if required.

d) Add the final total under each table to the total derived from adding together all other premiums.

#### **All Other Coverages**

Total the premiums in each column.

#### **E. Renewals**

Prior to the expiry of experience rated insurance, the Servicing Carrier may ask the Agent/Broker to have certain forms completed to update the information on record.

Such a request will usually be made well in advance of the expiry date because of the need to issue the renewal policy /certificate /offer to renew before the insurance expires.

The appropriate renewal documents shall not be issued unless and until the required forms, properly completed, have been returned.

**Rule 439: Not applicable**

**Rule 440: Not applicable**

**Rule 441: Not applicable**

### Rule 442: Endorsements Applicable to POL 1 (Owner’s Policy)

Notes:

1. No endorsements, no special wordings and no changes to standard forms are permissible except as approved by or on behalf of the Superintendent(s) of Insurance.
2. This rule provides certain details of approved endorsement forms. The descriptions are necessarily very brief and reference must be made to the actual wordings of the endorsements to ascertain the full provisions and restrictions.
3. In certain cases a copy of the endorsement must be signed by the Applicant and filed with the Servicing Carrier. The insurance will not be continued or the policy will be re-rated, if this requirement is not met.
4. Not all policy change forms may be applicable to recreational vehicles. Refer to the specific wording below.

Liability or (TPL) means B.I. and P.D. Tort; DCPD means Direct Compensation – Property Damage

Physical Damage means Optional Coverages – Loss or Damage (All Perils, Collision, Comprehensive, Specified Perils)

Standard Endorsement Form Number, Title and Purpose		Rating
2	<b>Providing Coverage When Named Persons Drive or Rent or Lease Other Automobiles</b> Extends the ‘drive other automobiles’ Liability and Accident Benefits coverage to persons other than the Insured and spouse.	Net Annual Premium depending on Liability limit on vehicle Limit in thousands    \$200    \$300    \$500    \$1000 Premium per person         7         8         9         10  Accident Benefits per person \$1.
3	<b>Drive Government Automobiles</b> The purpose of this endorsement is to cover the Insured’s legal liability arising from the custody and use of a vehicle owned by the federal or a provincial government, including liability for the loss of or damage to the vehicle arising from Collision and/or Comprehensive or Specified Perils. The Insured must specify the types of vehicle that may be in his custody and, in regard to the ‘Physical Damage’ coverages, must indicate the required limit per occurrence.	Calculate the coverage premiums applicable to the highest rated government vehicle that may be in the Insured’s custody as if he owned such a vehicle. Take into account driving record as well as the type and use of the vehicle and the coverage deductibles; use the limit per occurrence as the vehicle’s value for determining the rating group and, in respect of a commercial vehicle, assume the model year to be the current year. The charge for each coverage is the under-noted percentage of the calculated premium. Liability: . . . . .20% Accident Benefits: . . . . .50% Physical Damage: . . . . .100%
4A	<b>Permission to Carry Explosives</b>	If main cargo, rate vehicle as Class 48, 61B-64B plus special factors. If incidental, net annual \$50. Refer to additional rules within manual for further information.
4B	<b>Permission to Carry Radioactive Materials</b>	If main cargo, rate vehicle as Class 48, 61B-64B plus special factors. If incidental, net annual \$50. Refer to additional rules within manual for further information.
5	<b>Permission to Rent or Lease Automobiles and Extending Coverage to the Specified Lessee(s)</b> Applicable to leases exceeding 30 days.	No charge for the endorsement. Vehicle is rated as if owned by lessee. Refer to additional rules within manual for further information.

Standard Endorsement Form Number, Title and Purpose		Rating
5C	<p><b>Permission to Rent or Lease (unspecified lessees - short term leases only)</b> Applicable to leases not exceeding 30 days</p>	<p>The following premiums apply to the policy and are not specifically for the endorsement:  <b>1. 5D	<p><b>Conversion Coverage (rented or leased automobiles)</b></p>	<p><b>Not offered.</b></p>
6A	<p><b>Permission to Carry Paying Passengers</b> When appropriate, this endorsement is used to modify the policy forms restrictions in regard to the use of the vehicle for the carriage of passengers. The actual use of the vehicle must be specified in the endorsement. See Private Passenger Section and Public Section. The use of the endorsement is not permissible in respect of other vehicles. Also see END 22.</p>	<p>For Private Passenger Vehicles used in <b>car pools</b>: add 10% of Liability and DCPD premium. Attach 6A.  <b>Volunteers:</b>                      A volunteer transports persons to medical appointments and the like, and is reimbursed for their reasonable driving expenses, including gas, vehicle wear and tear and meals. END 6A is not required and there is no additional premium charge.  <b>Other Private Passenger Vehicles used to transport passengers:</b>                      i) If transportation of non-paying passengers is part of Insured's job and employer reimburses employee for expenses - then 07 rates apply.                      ii) If transportation is very occasional (no more than once a week - non-paying passengers) then Class 02 or Class 03 rates can apply.                      iii) All others, then appropriate taxi, limousine or bus rates are applicable.                      END 6A would be attached; however, only if the vehicle is used in a car pool would the 10% surcharge apply. For public vehicles, rate vehicle accordingly. See Public Section.</p>
6B	<p><b>School Bus</b>                      This endorsement is used in respect of School Buses and, in regard to Passenger Hazard, provides either:                      (a) separate limits of liability in respect of                      (i) bodily injury to any one person,                      (ii) bodily injury to all persons, and                      (iii) passengers' property or                      (b) a combined limit in respect of all passengers' bodily injury and property damage.</p>	<p>Rate vehicle according to Public Section.</p>

Standard Endorsement Form Number, Title and Purpose		Rating
<b>6C</b>	<b>Public Passenger Vehicles</b> This endorsement is used in respect of buses other than School Buses and, in regard to Passenger Hazard, provides either: (a) separate limits of liability in respect of (i) bodily injury to any one person, (ii) bodily injury to all persons, and (iii) damage to property carried in the automobile, or (b) a combined limit in respect of all passengers' bodily injury and property.	Rate vehicle according to Public Section.
<b>6D</b>	<b>Driver Training School</b> This endorsement gives permission for the vehicle to be used for Driver Training School purposes and extends the Liability section of the policy to provide coverage in respect of the Insured's liability for bodily injury to student drivers/observers. The Liability limit provided in respect of Road Hazard is to be repeated in the endorsement against both 'any one person' and 'two or more persons'. Also See END 22.	Refer to additional rules within manual for further information.
<b>6F</b>	<b>Public Passenger Vehicles</b> This endorsement is used instead of END 6C when a combined Road & Passenger Hazard Limit (B.I. & P.D.) is to be provided.	Rate vehicle according to Public Section.
<b>7</b>	<b>Separate Limits (Liability)</b> This endorsement is used only when proof of insurance is filed in respect of a vehicle and the authority concerned requires that, in respect of Road Hazard, the insurance provide separate Liability limits for (i) bodily injury to any one person, (ii) bodily injury to all persons, and (iii) damage to property.	Premium is that applicable to an inclusive limit equal to the sum of the limits for B.I. to any one person/any one accident.
<b>8</b>	<b>Property Damage Reimbursement</b>	<b>Not offered.</b>
<b>9</b>	<b>Marine Use Excluded</b> This endorsement specifies that insurance is not provided while the vehicle is in or upon water or being launched or landed. The use of the endorsement is mandatory in respect of vehicles designed for use on both land and water (amphibious vehicles, all terrain vehicles, swamp buggies).	No charge.
<b>13C</b>	<b>Restricting Glass Coverage</b> This endorsement amends the Comprehensive coverage by deleting coverage for damage to glass unless caused by a hazard included in Specified Perils coverage.	<b>Private Passenger Vehicles, Motor Homes and 'Light' Commercial Vehicles (excluding Trailers)</b> Premium charged for reduced coverage is Specified Perils plus 10% of Comprehensive except for deductibles of \$1,000 or over where there is no discount from the full applicable Comprehensive premium. <b>Note:</b> For the purposes of the Automobile Statistical Plan, the reduced coverage is reported as Comprehensive Coverage. <b>Other Vehicles:</b> Not offered.
<b>16</b>	<b>Suspension of Coverage</b>	Not available for 'Recreational Vehicles' rated in the Recreational Section.
<b>17</b>	<b>Reinstatement of Coverage</b>	Used in connection with END 16. Refer to additional rules within manual for further information.

Standard Endorsement Form Number, Title and Purpose		Rating												
19	<p><b>Limiting the Amount Paid for Loss or Damage Coverages</b> This endorsement provides that, in the event of loss or damage, the maximum amount of insurance under the physical damage sections of the policy is the actual cash value of the vehicle or the specified dollar amount (selected by the Insured), whichever is less. The use of the endorsement is mandatory in respect of Motorcycles and Mopeds and all vehicles for which the physical damage premiums are based on the estimated or appraised current value.</p>	Base physical damage premiums on estimated or appraised current value.												
19A	<b>Agreed Value of Automobiles</b>	<b>Not offered.</b>												
20	<p><b>Coverage for Transportation Replacement</b> This endorsement provides coverage to pay for other means of transportation because of loss or damage to a described vehicle covered by END 20 caused by an insured peril and where the amount of loss or damage exceeds the deductible.</p>	<p><b>Private Passenger Vehicles:</b> The amount payable shall not exceed \$50 per day.</p> <table border="1"> <thead> <tr> <th>Total Limit per occurrence</th> <th>Premium Annual</th> <th>Premium six month policy</th> </tr> </thead> <tbody> <tr> <td>\$900</td> <td>\$50</td> <td>\$26</td> </tr> <tr> <td>\$1200</td> <td>\$65</td> <td>\$34</td> </tr> <tr> <td>\$1500</td> <td>\$75</td> <td>\$39</td> </tr> </tbody> </table> <p><b>Other Vehicles:</b> Not offered. Refer to additional rules within manual for further information.</p>	Total Limit per occurrence	Premium Annual	Premium six month policy	\$900	\$50	\$26	\$1200	\$65	\$34	\$1500	\$75	\$39
Total Limit per occurrence	Premium Annual	Premium six month policy												
\$900	\$50	\$26												
\$1200	\$65	\$34												
\$1500	\$75	\$39												
21A	<b>Monthly Reporting Basis Fleet</b>	<b>Not offered.</b>												
21B	<b>Blanket Coverage for Ontario Licensed Automobiles Fleet</b>	<b>Not offered.</b>												
22	<p><b>Damage to Property of Passengers</b> This endorsement is used to insure the Passenger Property Damage hazard when either END 6A or 6D is attached to the policy.</p>	Premium is the Passenger Hazard Property Damage premium for the class of vehicle. See Public Section of the Manual.												
23A	<p><b>Lienholder Protection</b> This endorsement records the joint interest of a lienholder.</p>	No charge. If an END 23A/B is issued showing the coverages provided, the applicability of any restrictive endorsement (such as END 19/28/40) is also to be recorded.												
23B	<p><b>Mortgage (Broad Form)</b> This endorsement is broader than END 23A in that it provides additional protection to the lienholder.</p>	10% of total Physical Damage premium; minimum net annual \$25. If an END 23A/B is issued showing the coverages provided, the applicability of any restrictive endorsement (such as END 19/28/40) is also to be recorded.												
24	<p><b>Fire Apparatus</b> This endorsement excludes physical damage coverage on equipment removed from the vehicle while at the location of a fire. Use of the endorsement is mandatory when the insurance applies to a fire-fighting vehicle</p>	No charge.												
25A	<p><b>Alteration</b> In addition to other changes, this endorsement may amend the policy allowing Insureds to buy Optional Increased Accident Benefits on policies that have renewed with standard benefits.</p>	Minimum additional premium of \$5 for addition of coverage of vehicle, increase in Liability limit, or decrease in deductible amount.												
26	<b>Disappearing Deductible</b>	<b>Not offered.</b>												
27	<b>Liability for damage to non-owned automobile(s) and providing other coverages when insured persons drive, rent or lease other automobiles</b>	Not available on 'Recreational Vehicles' as described in the Recreational Section of this manual.												

Standard Endorsement Form Number, Title and Purpose		Rating
27B	<p><b>Business Operations - Liability for Damage to Non-Owned Automobile(s) in your Care, Custody or Control</b></p> <p>The purpose of the endorsement is to cover the Insured's legal liability for loss of or damage to a non-owned vehicle/trailer (not owned by or licensed in the name of the Insured or any other person residing in the same premises) arising from Collision and/or Comprehensive or Specified Perils. The Insured must specify the types of vehicle/trailer that may be in his custody and indicate the required limit per occurrence.</p>	Coverage premiums charged are those applicable to the highest rated vehicle as if the Insured owned such a vehicle; the limit per occurrence is used to calculate rate group; model year is assumed to be the current year.
28	<p><b>Reducing Coverage for Named Persons</b></p> <p>This endorsement is used if the coverages provided by the policy are to be restricted when certain named operators are driving the vehicle.</p>	No premium reduction.
28A	<p><b>Excluded Driver</b></p> <p>This endorsement is used to exclude coverage when the person named in the endorsement drives the automobile. Both the excluded person and the Insured must sign the endorsement.</p>	<p>Premium: No charge to add endorsement.</p> <p>Rate vehicle as if excluded driver was not in the household.</p> <p>Upon removal of the END 28A, all accidents and convictions will be considered chargeable.</p> <p>Refer to additional rules within manual for further information.</p>
29	<p><b>Additional Coverage as Respects Operation By Named Persons</b></p>	<b>Not offered.</b>
30	<p><b>Removing Coverage for Attached Machinery</b> This endorsement excludes Liability and Accident Benefits coverage in respect of the ownership or use of machinery or apparatus mounted on or attached to the vehicle, while at the site of such use.</p>	No charge.
31	<p><b>Non-Owned Equipment</b></p> <p>This endorsement provides coverage in respect of apparatus, machinery or equipment that is attached to the vehicle but is not owned by the Insured. Use of the endorsement is not permissible in respect of a vehicle to which END 30 applies. The physical damage coverages may only be the same as those provided in respect of the vehicle. The required limit in respect of loss of or damage to the equipment must be specified.</p>	No specific charge, equipment cost to be included in vehicle value.
32	<p><b>Use of Recreational Vehicles by Unlicensed Operators</b></p> <p>This endorsement permits the use of the insured vehicle, off the public highway and for recreational purposes only, by an unlicensed and/or unqualified person.</p>	No charge.
35	<p><b>Coverage for Emergency Road Services</b></p> <p>No longer available</p>	<p>Note:</p> <p>On existing policies where END 35 has been applied on a vehicle, the endorsement will remain until the vehicle is removed from the policy.</p>
38	<p><b>Agreed Limit for Automobile Electronic Accessories and Equipment</b></p> <p>This endorsement limits theft coverage for electronic accessories (other than factory installed) to the lesser of the actual value of the equipment or \$1,500 unless the equipment is listed in the endorsement.</p>	\$30 per \$1,000 or part thereof, of the limit of coverage shown on the endorsement.

Standard Endorsement Form Number, Title and Purpose		Rating
40	<p><b>Fire Deductible</b> This endorsement is used when the Comprehensive or Specified Perils deductible is to be made applicable also to fire losses. This endorsement is mandatory for all motorized vehicles described in the Recreation Section of this manual.</p>	No charge.
43	<p><b>Removing Depreciation Deduction</b></p>	Not offered.
43A	<p><b>Removing Depreciation Deduction for Specified Lessee(s)</b></p>	Not offered.
44R	<p><b>Family Protection Coverage</b> Provides limited protection to the Insured, spouse and certain relatives in the event of bodily injuries caused by another motorist who has less Liability insurance than the Insured. For a complete description of the coverage, see the actual endorsement form and the 'Supplement'.  The limit for any one accident (i.e. all claimants) is normally the difference between the Liability limit carried by the other motorist and the Liability limit applicable to the insured vehicle.</p>	<p>Premiums are dependent on class of vehicle and limit of Liability. Premiums are shown on rate pages in each section of the manual.  This endorsement is not available on 'Public Vehicles' as described in the Public Section of this manual or any other vehicles used in the manner of 'Public Vehicles'.</p>
47	<p><b>Agreement Not to Rely on SABS Priority of Payment</b> If optional statutory Accident Benefits are purchased and are applicable to a person under this policy, and the person claims SABS under this policy as a result of an accident and agrees not to make a claim for SABS under another policy, the Insurer agrees it will not deny the claim, for both mandatory and optional statutory Accident Benefits coverage purchased, on the basis that the priority of payment rules in Section 268 of the Insurance Act may require that the person claim SABS under another insurance policy.</p>	This endorsement must be provided without charge to every policyholder who purchases optional statutory Accident Benefits and must be shown on the Certificate of Automobile Insurance as evidence of coverage.
48	<p><b>Added coverage to offset tort deductibles</b> This endorsement reduces the deductible and indicates the difference between the standard deductible and the purchased deductible.</p>	Premiums are shown on rate pages in each section of the Manual.

## TRAILERS, MOTOR HOMES and CAMPER UNITS

## SCHEDULE OF RATES

## LIABILITY and ACCIDENT BENEFITS

**Note:** The dollar amounts indicated below for Liability apply whatever the Liability Limit. For a trailer, the limit should be the same as that of the towing vehicle, and for a camper unit, the same as that of the vehicle on which the unit is mounted. For a motor home the underlying premium varies with the Liability Limit.

<b>TRAILERS</b>		
Type	Pleasure Use Only	Including Non-Pleasure Use*
<b>LIABILITY</b>		
<i>Note: If the number of trailers exceeds the number of towing vehicles for Third Party Liability charge:</i>		
<i>(i) the full premium for the number of highest-rated trailers equal to the number of towing vehicles, plus</i>		
<i>(ii) for each additional trailer, 50% of the indicated premium.</i>		
a. Cabin or Home Trailer	B.I. \$21 P. D. Tort \$1	B.I. \$129 P. D. Tort \$5
b. Tent Trailer	No Charge, but rate as a Cabin Trailer if the towing vehicle is not	B.I. \$129 P. D. Tort \$5
c. Other Trailer	insured by the same policy.	B.I. \$129 P. D. Tort \$5
<b>ACCIDENT BENEFITS, OPTIONAL ACCIDENT BENEFITS, UNINSURED AUTOMOBILE</b>		
a. Cabin or Home Trailer	Where the trailer and the towing vehicle are insured by the same policy:	
b. Tent Trailer	there is no charge	
c. Other Trailer	Otherwise, charge 100% of the premium applicable to the towing vehicle.	
	Not Applicable	Not Applicable
<b>DIRECT COMPENSATION - PROPERTY DAMAGE</b>		
Refer to next page for premiums		

<b>MOTOR HOMES</b>		
Type	Pleasure Use Only	Including Non-Pleasure Use*
<b>LIABILITY</b>		
All	Rate the vehicle as a Private Passenger Vehicle plus \$22 for Bodily Injury	Rate the vehicle as a Private Passenger Vehicle plus \$22 for Bodily Injury
<b>ACCIDENT BENEFITS, OPTIONAL ACCIDENT BENEFITS, UNINSURED AUTOMOBILE</b>		
All	Rate the vehicle as a Private Passenger Vehicle using the rate group shown in Table A in the Private Passenger section	Rate the vehicle as Private Passenger Vehicle plus \$215 for Basic Accident Benefits
<b>DIRECT COMPENSATION - PROPERTY DAMAGE</b>		
Rate as a Private Passenger Vehicle using the Table on the next page to establish the applicable Rating Group		

<b>CAMPER UNITS</b>		
Type	Pleasure Use Only	Including Non-Pleasure Use*
<b>LIABILITY (including D.C.P.D.)</b>		
All	Rate the vehicle as a Private Passenger Vehicle; for the Camper Unit charge \$22 for Bodily Injury	Rate the vehicle as a Private Passenger Vehicle; for the Camper Unit charge \$22 for Bodily Injury
<b>ACCIDENT BENEFITS, OPTIONAL ACCIDENT BENEFITS, UNINSURED AUTOMOBILE</b>		
All	Rate the vehicle as a Private Passenger Vehicle; for the Camper Unit, no extra charge	Rate the vehicle as a Private Passenger Vehicle; for the Camper Unit charge \$215 for Basic Accident Benefits

\* In the event of commercial use that includes carrying passengers, refer to the Servicing Carrier with complete details of risk.

Effective 1 June 2016

TRAILERS, MOTOR HOMES and CAMPER UNITS

SCHEDULE OF RATES

OPTIONAL PHYSICAL DAMAGE

**Motor Home Collision/D.C.P.D.** Rate the vehicle as a Private Passenger Vehicle, using the Rate Group shown below for the relevant List Price New.

**Camper Units:** 1. The premiums are additional to the premiums applicable to the vehicle on which the Camper Unit is mounted.  
 2. These premiums apply whatever the deductible; the deductible should be the same as that for the vehicle on which the Camper Unit is mounted.  
 3. The List Price New (see definition in Rule 406) applies to the Camper Unit fully equipped - but does not include the value of the vehicle on which the Unit is mounted.

List Price New (see definition Rule 406)	Motor Homes Coll./D.C.P.D Private Passenger Rate Group	All Other Rate Group	Trailers only				Trailers and Motor Homes				Camper Units		
			D.C.P.D.		Collision		Comprehensive		Specified Perils		Collision	Compre- hensive	Specified Perils
			Deductible Base	Deductible 300	Deductible Base	Deductible 750	Deductible Base	Deductible 750	Deductible Base	Deductible 750

27,001 - 28,000	13	28	121	106	253	233	441	432	327	321	375	480	367
28,001 - 29,000	13	29	125	110	262	241	457	447	339	332	388	497	379
29,001 - 30,000	See Note 1	30	130	114	272	min. 1000	473	min. 1000	351	min. 1000	401	514	392
Higher Values	below	ABP	6.19		12.97		31.50		23.39		18.39	33.49	25.33
See Note 2 Below											See Note 3 Below		
Camper Units Constant											16.39	11.16	12.16

Note 1. Add 1 Rate Group for each additional \$5,000 or part thereof, and refer to PPV rates. **Rate group 13 or higher** - minimum deductibles apply - see Rule 401:E.

Note 2. Above \$30,000, for each additional \$1,000 or part thereof, increase the rate group by 1 and apply the factor shown below for the resulting rate group to the ABP (Adjusted Base Premium). Round to the \$ amount.  
 Example : For a List Price New of \$32,000, Trailers DCPD premium is 6.19 times 22.36 (RG 32 ) = 138.41, and rounded to \$ is 138.

Note 3. Above \$30,000, for each additional \$1,000 or part thereof, increase the rate group by 1 and apply the factor shown below for the resulting rate group to the ABP (Adjusted Base Premium), then add the Constant and round to \$ amount.  
 Example : For a List Price New of \$35,000, Camper Units Coll premium is 18.39 times 24.49 (RG 35 ) = 450.37+ Constant 16.39, and rounded to \$ is 467.  
**Rate group 25 or higher - minimum deductibles apply - see Rule 401. Apply the appropriate deductible factor to the Base Deductible premium.**

Rate Group / Factor											For Each Additional RG over 40, increase the factor by amount shown below
	31	32	33	34	35	36	37	38	39	40	
DCPD	21.65	22.36	23.07	23.78	24.49	25.20	25.91	26.62	27.33	28.04	+ .71
Collision	21.65	22.36	23.07	23.78	24.49	25.20	25.91	26.62	27.33	28.04	+ .71
Comprehensive	15.50	16.00	16.50	17.00	17.50	18.00	18.50	19.00	19.50	20.00	+ .50
Specified Perils	15.50	16.00	16.50	17.00	17.50	18.00	18.50	19.00	19.50	20.00	+ .50

**OTHER DEDUCTIBLES:** Determine the Base Deductible premium for required Rate Group (rounded to \$), then multiply by applicable deductible factor (rounded to \$).

Deductible Amount	500	750	1000	1250	1500	1750	2000	2250	2500+
Collision Factor (Base \$500)	1.000	0.919	0.872	0.837	0.814	0.802	0.791	0.785	0.779
Comp. & S. P. Factor (Base \$500)	1.000	0.979	0.958	0.948	0.938	0.927	0.922	0.917	0.911

Note: For each step from the Base Deductible there is a minimum difference of \$1.

For Trailers, DCPD \$300 deductible factor 0.88  
 \$500 deductible factor 0.85

**Deductible is not applicable to Camper Units.**

ANTIQUE VEHICLES

<p><b>Liability, Acc. Ben., Unins'd Auto, D.C.P.D and OPCF 44R</b>                  60% of Private Passenger rate, Class 01, DR 3 in the rating territory concerned.</p>	<p><b>Physical Damage :</b> Rates per \$1,000 of the appraised value of the vehicle:                  Collision \$500 ded. - \$7.16; Comprehensive \$500 ded. - \$6.82                  Specified Perils \$500 ded. - \$5.77                  Note: - Apply the appropriate deductible factor to the rate - see Rule 412                  - minimum deductibles apply - see Rule 401</p>

## Rule 600: Garage Policy

### A. Overview

The Garage Automobile Policy (POL 4) may be issued only for the Garage Risks identified in Rule 601: Definitions. It is understood that pickup and delivery of customer vehicles may be supplementary to the Insured's described business of selling, repairing, servicing or parking vehicles.

### B. Underwriting Rules

Facility Association's rules for declining to issue, terminating or refusing to renew a POL 4 (Garage Automobile Policy) contract:

- The risk does not meet the object of the Facility Association which is to ensure the availability of automobile insurance, as required by law, in those provinces and territories of Canada in which the Facility Association operates, to the owners and licensed drivers of motor vehicles who would otherwise have difficulty obtaining such insurance.
- The Applicant does not have an insurable interest in the garage business or the dealer's inventory of owned vehicles.
- The business is registered and located in a jurisdiction other than Ontario. (If the business is registered and located in another jurisdiction in which Facility Association operates, the business may be insured through an Agent/Broker and Servicing Carrier licensed in that jurisdiction.)
- Dealer and/or service plates are not Ontario issued or are never used in Ontario.
- The application is incomplete, has not been signed by the Applicant or has not been bound and signed by the Agent/Broker.
- The Applicant/Agent/Broker does not provide sufficient current valid information e.g. Garage Rating / Underwriting Supplement to properly rate the risk.
- Owned automobiles are not in the possession of the Applicant i.e. cannot be located. (This restriction is not intended to be used as a denial of a valid theft claim.)
- Owned automobiles are branded 'irreparable'.
- Non-payment of premium for the current policy period (for purposes of termination only).
- Any risk where abusive or threatening behaviour of the Insured/Applicant/Driver within the previous 3 years has created a safety concern for Facility Association staff, Servicing Carrier staff or a representative acting on behalf of either and circumstances have been reported to police.

**Facility Association's rules for refusing to provide or continue a coverage on a POL 4 (Garage Automobile Policy) contract:**

1. Owned automobiles are branded as 'salvage' or are in pieces.
2. Within the preceding thirty six months, the Applicant, owner or proprietor:
  - a) knowingly misrepresented or failed to disclose in an application any fact to be stated therein resulting in a policy being cancelled by registered letter for material misrepresentation or a claim being denied for material misrepresentation.
  - or**
  - b) wilfully made a false statement in respect of a claim.
  - or**
  - c) contravened a term of an insurance contract or been convicted of fraud in relation thereto.
  - or**
  - d) when making a previous application for automobile insurance, gave false particulars of a risk to be insured to the prejudice of the Insurer.

### NOTE:

Where rating from a specific section of the Facility Association Rules and Rates Manual (e.g. Private Passenger Section) applies, the rules pertaining to the rating also apply.

## Rule 601: Definitions

### A. Auction- Stat. Class 86

This risk is engaged in the business of auctioning or selling customer vehicles (non-owned vehicles). END 71 (Excluding Owned Automobiles) must be attached to the policy. Owned vehicles used in the course of the Insured's business must be insured on POL 1 (Owner's Policy) at full manual rates.

A risk that is engaged in the business of auctioning owned vehicles must be insured as an automobile dealer. Where the Insured is engaged in the business of auctioning both owned and customer vehicles (non-owned vehicles), the risk must be rated as an automobile dealer.

### B. Auto Hauler

A vehicle designed for the transportation of more than one automobile

### C. Bailiff - Stat. Class 89

This risk is engaged in the business of repossessing vehicles whether or not using a service plate.

**D. Courtesy Cars**

These are vehicles supplied to customers for their use for a period not to exceed 30 days, while their own vehicles are being repaired or while they are awaiting delivery of a newly purchased or leased vehicle, regardless of whether or not the customer is charged a fee for use of the vehicle.

Supplying vehicles to customers for a charge in other than the circumstances outlined above is considered renting or leasing of vehicles and is expressly excluded under POL 4 (Garage Automobile Policy) and requires a separate POL 1 (Owner's Policy).

**E. Customer Automobiles**

These are vehicles owned by customers in the Insured's care, custody or control. Vehicles on consignment are considered to be customer automobiles.

**F. Dealer - Stat. Class 86**

This risk is engaged in selling new or used vehicles. Repair or servicing of vehicles is included.

POL 4 (Garage Automobile Policy) is not issued for collections of antique or classic vehicles whether or not publicly displayed.

**G. Dealer and Service Plates****Dealer Plates**

They are used by automobile dealers for private use or for sales purposes on motor vehicles owned as part of the dealer's inventory of vehicles for sale.

Note: Where the Insured possesses one or more dealer plates, the policy shall be rated as an automobile dealer.

**Service Plates**

They are used by anyone who repairs, customizes, modifies, manufactures or transports non-owned motor vehicles (including trailers but excluding motorcycles). May not be used for private use on owned vehicles.

Note: For charges applicable to the dealer and/or service plate, refer to the rule in the Garage Section pertaining to the type of garage risk being insured. This charge is in addition to the premium applicable to the garage risk being insured.

**H. Delivery Services - Stat. Class 91**

This risk involves an Insured picking up and delivering vehicles using the owner's vehicle plates.

**This is not a garage risk and must be insured on non-owned automobile policy - POL 6 or POL2. See Non-Owned Automobile or Drivers Policy section of this manual.**

*For example:*

a) The Insured's customer moves to a new address. The Insured picks up the customer's vehicle from the old location and delivers it to the new location. This may be done by driving, towing or carrying the vehicle on a trailer to the new location.

This may also be done by driving or towing the vehicle to a location from where it will be shipped by train or transport

truck. Upon reaching its destination, the Insured will then deliver the vehicle to the customer.

b) The Insured's customer drives to Florida and flies home. The Insured picks up the customer's vehicle in Florida and drives it back.

c) The Insured picks up vehicles on behalf of an automobile dealer using that dealer's dealer plate. The Insured is performing a delivery service for the automobile dealer.

d) The insured picks up a motor home in the U.S. and takes it to an Ontario dealer who will sell it. The owner of the motor home leaves the owner's plate on the motor home during this process and the vehicle is driven using the owner's plate.

NOTE: Any vehicle which is not a tow truck (as defined under Tow Truck), must be rated in the Commercial Section of the manual.

**I. Demonstrator Models (Demos)**

These are considered owned vehicles. See Rule 601.K. There is no additional charge (unless they bear regular plates) as these vehicles are typically driven using a dealer plate for which a premium is already charged.

**J. Detailers – Stat Class 82****1. Cleaning and Reconditioning**

These are risks that complete detailed cleaning and reconditioning (fine painting and upholstery cleaning) of automobiles with no installation of equipment and no body and mechanical repairs. Rate as a service station with END 71 (Excluding Owned Automobiles).

**2. Installations**

These are risks operating under contract with an automobile dealer to install equipment options (CD players, navigation equipment) to new automobiles and no body or mechanical repairs. Rate as a service station with END 71 (Excluding Owned Automobiles).

**For both types of operation described above:**

- Pickup and delivery of customer automobiles using the customer's plates or service plates is included.

- If there is a dealer plate used in conjunction with the operation, the risk must be rated as an automobile dealer.

**K. Driveaway Service - Stat. Class 89**

The Insured delivers customer vehicles using the Insured's service plate. END 71 (Excluding Owned Automobiles) must be attached to the policy. Owned vehicles must be insured on POL 1 at full manual rates.

*For example:*

a) The Insured delivers tractors from Ontario to Nova Scotia and uses his/her own service plate to do this.

b) The Insured picks up motor homes in the U.S. and takes them to a dealer in Ontario who will sell them. The Insured uses his/her own service plate to do this.

**L. Owned Automobiles**

Vehicles owned by the Insured (the garage) and used for pleasure and/or in connection with the business stated in the application and/or held for sale or demonstration and/or sold but not delivered.

Vehicles leased by or from a garage must be insured using POL 1 written in the name of the lessor with END 5 attached.

**M. Parking Lot - Stat. Class 84**

This is a risk engaged in the business of operating an open air parking lot which may include parking and moving of customer vehicles by employees, washing and cleaning of customer vehicles. END 71 (Excluding Owned Automobiles) must be attached to the policy. Owned vehicles must be insured on POL 1 at full manual rates.

**N. Repair Garage - Stat. Class 81**

This is a risk engaged in repairing and servicing but not selling vehicles. Any garage performing engine, body or transmission repair along with incidental minor repair is classified as a repair garage. A salvage/junk yard without vehicle sales is classified as a repair garage. END 71 (Excluding Owned Automobiles) must be attached to the policy and owned vehicles must be insured on POL 1 (Owner's Policy) at full manual rates.

If the Insured has a dealer plate, the risk will be rated as an Automobile Dealer.

**O. Service Station - Stat. Class 82**

This is a risk engaged in operating a refuelling station and/or service station providing any of these services:

- Selling, servicing and installation of incidental vehicle parts and accessories
- Lubrication
- Washing and detailing (including automatic wash)
- Minor repairs excluding body, engine or transmission
- Auto electric repairs
- Muffler installation and repairs
- Glass installation and repairs
- Sound equipment installation and service (including mobile phone systems)
- Tire installation and repairs

END 71 (Excluding Owned Automobiles) must be attached to the policy. Owned vehicles must be insured on POL 1 at full manual rates.

**P. Shuttle Bus**

A vehicle used to transport garage customers to or from the garage to facilitate the purchase, servicing or repair of the customer vehicle regardless of whether or not the customer is charged a fee for this service. Use of the vehicle to carry passengers for compensation for any other purpose is expressly excluded under POL 4. See Rule 628: Courtesy Cars and Shuttle Buses for rating.

**Q. Staff Units**

Staff is comprised of all owners, proprietors, active partners, employees and other persons (persons on contract) engaged in the business declared in item 3 of the application regardless of their driver's licence status. Drivers who are unlicensed or have a suspended licence are to be included in the staff count as well as those listed on END 78 (Reduction of Coverage for Named Persons) or 78A (Excluded Drivers).

When counting staff units:

- a) Each owner, proprietor, active partner, full time employee and full time other person = 1 staff unit
- b) Each part time employee, clerical staff and part time other person = 1/2 staff unit
- c) Total a) and b) and if necessary, round up to the next whole number

*For example:* 1 proprietor, 1 full time employee, 3 part time employees = 3 1/2 staff units which when rounded up to the next whole number will be 4 staff units.

**END 76** must be used on automobile dealer policies to provide coverage for persons other than active partners, proprietors and full time employees, who have been provided with a vehicle for their regular use.

**Inactive/Silent Partners**

Silent partners are those who do not participate in the management of the business and do not receive remuneration of any kind from the business. They are not counted in staff units.

*Example:* An incorporated company requires three directors. Applicant and Partner are incorporating a garage business. The lawyer who signs the incorporation papers becomes the third director. The lawyer is an inactive or silent partner.

**R. Storage Garage - Stat. Class 85**

This risk engaged in the business of operating a storage/parking garage which may include parking and moving of customer vehicles by employees and/or washing and cleaning of customer vehicles. END 71 (Excluding Owned Automobiles) must be attached to the policy. Owned vehicles must be insured on POL 1 at full manual rates.

**S. Tow Truck**

A vehicle designed for towing a vehicle or a tilt deck truck (a flatbed with a winch) designed to carry a single vehicle rather than towing it, is considered a tow truck. END 83 may be added to permit more than one vehicle to be towed or carried by the towing vehicle; however, the number of vehicles being towed or carried is limited to a maximum number of 3 vehicles. Refer to Rule 636: Standard Endorsement Forms Applicable to POL 4 (Garage Policy) for rating instructions. If the vehicle is designed to carry more than 3 vehicles, it must be insured on POL 1 for Automobile Hauling.

If a tilt deck truck is towing another vehicle by means of a towbar or similar equipment, the 'Cargo Other' trailer charge (found in the Commercial Section of this manual) applies.

**T. Valet Parking - Stat. Class 85**

This risk is engaged in the business of taking away, parking and returning of customer vehicles at (for example) social or special events. This does not include risks that are operating as Storage Garage or Parking Lot. END 71 (Excluding Owned Automobiles) must be attached to the policy. Owned vehicles must be insured on POL 1 at full manual rates.

**U. Vehicles**

These include private passenger, commercial type vehicles including buses and recreational type vehicles.

**Rule 602: New Policies****A. Application Types****1. Faxed Applications**

Fully completed and signed current approved Standard Garage Application Forms submitted by fax are acceptable in lieu of original applications. These applications must be accompanied by the required Garage Rating/Underwriting Supplement. Where an original application has been submitted without signature, a signed and faxed copy of the application is acceptable to complete the signature requirement.

**2. Computer Generated Application Forms**

These application forms are acceptable but must be in the standard format approved by the applicable regulatory authority and must include all information that is required to be provided on the current approved Standard Garage Application Form.

The computerized application must be signed and dated by the Applicant as well as the Agent/Broker.

**B. Completing the Application**

When underwriting a garage policy, the following is required:

- a) A fully completed and signed current approved Standard Garage Application Form showing the date and time coverage was bound. Under no circumstances may coverage be shown as effective prior to the date and time of completion of the application form; therefore, coverage may not be bound as of 12:01 a.m. on the date the application is signed. If there is any other insurance in force in respect of the risk, binding shall not be made effective before the expiry of that other insurance.
- b) A fully completed and signed Facility Association Garage Rating / Underwriting Supplement attached to the Garage Application Form.
- c) If the application form cannot be sent to the Servicing Carrier on the date on which coverage was effected, it must be sent the next working day.
- d) The Servicing Carrier will normally issue the policy within 30 days of the effective date. If the Agent/Broker does not receive the policy and the full term liability card within that time, a further temporary liability card must be issued by the Agent/Broker and the Servicing Carrier must be contacted immediately to determine the status of the policy.

The term of binding and of the temporary liability card is 30 days. The temporary liability card may not be amended to indicate a longer period.

e) The employee's/driver's authorization to enable the Servicing Carrier to obtain a driver record abstract where such authorization is required by law.

f) The Agent/Broker shall collect or assume responsibility for the full indicated premium.

**Or**

Obtain a fully completed premium finance contract together with the full down payment required and promptly send that contract to the finance company office.

g) A copy of the valid registration for all owned plated vehicles being insured, regardless of vehicle type or use, will be required with the application. If the valid registration cannot be submitted with the application, a copy of the registration is required within 30 days of binding coverage.

Where a copy of the registration is not provided, the following shall apply:

- Policy shall be issued with all vehicles at the correct premium.
- If any registration is not provided within 30 days from the date requested by the Servicing Carrier, the policy shall be cancelled by registered letter.
- If the missing registration is provided before the cancellation takes effect, the policy may be reinstated.
- Agent/Broker may submit a new application for the vehicle meeting the registration requirement.

**C. Item 1 of the Application**

The name appearing on the policy must be that of a legal entity i.e. an adult individual, limited company or partnership. The name of the business registered with the appropriate municipal, provincial or federal authority must be used.

If the Insured operates a location with both building and open lot exposure, each must be shown on a separate line of the application as a separate location.

**D. Item 3 of the Application**

Specify the principal business e.g. Automobile Dealer. Should the risk have other business in respect of which automobile insurance is to be provided, then it must be listed. Any business/operation not listed is not covered.

**E. Applicant's Signature**

The Applicant's signature shall be provided on the manual application form or the computerized application at the time of binding whenever possible. If the Applicant's signature cannot be obtained at the time of binding, the Servicing Carrier shall allow the Agent/Broker 30 days to obtain a signature on the original application provided the Agent/Broker assumes responsibility for the full indicated premium. In the meantime, the Agent/Broker must send a copy of the completed but unsigned application to the Servicing Carrier. If a signed copy of the application is not received by the Servicing Carrier within the 30 day time period, the Servicing Carrier shall immediately cancel the policy by registered letter. The Agent/Broker shall be responsible for the full indicated earned premium for the time on risk.

## Rule 603: Policy Term

Garage policies may only be issued for a term of one year. No six month policies are available.

## Rule 604: Coverage Available

Unless otherwise stated, garage risks are written on POL 4 (Garage Automobile Policy) which provides Liability, Accident Benefits, UA and DCPD while owned, customer and non-owned vehicles are being operated.

Coverage for owned vehicles is only provided to Automobile Dealers. Owned vehicles may also be covered for Collision, Comprehensive, Specified Perils and Specified Perils without Theft.

For risks other than Automobile Dealers, END 71 (Excluding Owned Automobiles) must be attached to the policy and owned vehicles must be insured by means of POL 1 (Owner's Policy).

Legal Liability coverage for Collision and Specified Perils coverage to customer vehicles may also be provided.

If the Insured operates a location with both building and open lot exposure, each must be shown on the application.

**Open Lot Theft - Owned Automobiles (END 74), Customer Automobiles (END 75) and (END 77) are not available on policies written through Facility Association).**

### A. Liability limit

(Policies are required to provide at least the statutory minimum coverage applicable to the jurisdiction.)

Not more than \$2,000,000 except:

- When required by federal or provincial statute by regulation issued under authority thereof or by municipal by-laws (but not by other local authorities). If proof of insurance is issued, the amounts shown on the proof may not exceed those required by the authority concerned.
- Where the Insured is required to have limits higher than \$2,000,000 but not exceeding \$5,000,000 in order to obtain a contract of work or obtain employment and where failure to do so will result in loss of the contract or employment. The Insured will be required to provide documentation of the contract requirements or employment requirements for limits no higher than \$5,000,000. This documentation is required at the time the higher limit is requested but not for subsequent renewal terms.

### B. Basic Accident Benefits

As prescribed by statute

### C. Optional Benefits

(Refer to the Statutory Accident Benefits Schedule to ascertain the full provisions and restrictions.)

#### Optional Income Replacement Benefit

Increases the maximum weekly amount of \$400 to \$600, \$800 or \$1,000, as selected by the named Insured under the policy.

#### Optional Caregiver, Housekeeping and Home Maintenance Benefit

For non-catastrophic injuries, provides benefit of caregiver up to \$250/week for the first dependant and \$50/week for each additional dependant. Also provides a housekeeping and home maintenance benefit of up to \$100/week.

#### Optional Medical, Rehabilitation and Attendant Care Benefit

Combined optional medical, rehabilitation and attendant care benefit of \$130,000 is available. Also available is an optional \$1,000,000 combined medical, rehabilitation and attendant care benefit.

#### Optional Benefit for Catastrophic Impairment

Optional benefit for catastrophic impairment of up to \$1,000,000 for medical, rehabilitation and attendant care is available if the insured person sustains a catastrophic impairment.

#### Optional Dependant Care Benefit

Provides a dependant care benefit of \$75/week for the first dependant plus \$25/week for each additional dependant to a maximum of \$150/week.

#### Optional Death and Funeral Benefit

Increases the amount payable to a deceased person's surviving spouse to \$50,000 and \$20,000 to each of the deceased person's surviving dependants. Also increases the maximum amount for funeral expenses \$8,000.

#### Optional Indexation Benefit

Indexes the income replacement, non-earner benefits and all benefit limits to the cost of living. Optional benefits may also be indexed.

#### Premium Calculation

The Optional Benefits are purchased on a per policy basis, meaning that the premium for the option chosen is only calculated once. The premium for each selected optional benefit must be shown separately on the application.

Optional Benefits added to a policy midterm are treated like any other policy change. The additional premium shall be calculated pro rata for the remainder of the term.

1. Determine the Accident Benefits premium for basic benefits from the rate pages.
2. Apply the appropriate accident and conviction surcharges and round to the nearest whole dollar.
3. Add the premium for the selected Optional Benefits.

4. If Optional Indexation Benefit is selected, multiply the premium calculated in Step 3 above (excluding Optional Death and Funeral Benefit) by the indexation factor and round to the nearest whole dollar.

**D. Uninsured Automobile (UA)**

As provided in POL 4

**E. Direct Compensation Property Damage (DCPD)**

As provided in POL 4

**F. Optional Physical Damage - Owned and Non-Owned Vehicles**

All Perils coverage is not available on POL 4 (Garage Policy).

Optional physical damage coverage shall not be provided or continued for any vehicle valued at \$1,000,000 or more.

**1. Owned Vehicles**

Coverage may only be provided where owned vehicles are not excluded e.g. END 71 (Excluding Owned Automobiles) has not been attached.

**a) Collision - Owned Automobiles**

Coverage is available for Automobile Dealers only. Coverage may be restricted to operation by a named person (END 70) or specific vehicles (END 80). For all other garage risks END 71 must be attached to the policy and coverage for owned vehicles must be provided by a separate POL 1 (Owner’s Policy).

If all owned vehicles including those held for sale are to be insured for Collision, the deductible will be a minimum of \$1,000. Where END 70 (Named Chauffeur) or END 80 (Specified Owned Automobile Physical Damage Coverage) is being used, the deductibles are determined on a per vehicle basis in accordance with the section of the manual under which the vehicle is rated. Therefore, when using END 70 and 80, the minimum deductible under the Garage section does not apply.

END FA82 may not be used for Collision coverage on owned vehicles held for sale.

**b) Comprehensive / Specified Perils/Specified Perils Excluding Theft** provides coverage for:

- i) Automobiles at locations specified in Item 1 of the application

This coverage is to be written on an 80% co-insurance basis. Policies are not written on a monthly average basis.

The required limit must be in line with the values shown in item 4 of the Garage Supplement - Vehicles Held for Sale.

**Due to the co-insurance provision, it is important for the Agent/Broker and Insured to discuss this limit carefully.**

One possible method of calculating the required limit is the maximum number of vehicles times the average value.

The deductible per occurrence will be determined as follows based on the ‘Maximum Number’ of ‘Vehicles Held for Sale’ in item 4 of the Garage Rating/Underwriting Supplement.

<u>Number of Vehicles</u>	<u>Deductible</u>
1 - 5 VEHICLES	1,000
6 - 10 VEHICLES	2,500
OVER 10 VEHICLES	5,000

Rating - Refer to Rule 624: Automobile Dealers

- ii) Automobiles at newly acquired locations not in excess of the amount of the lowest limit of any stated location. The Servicing Carrier must be notified of new locations. Only locations in Ontario may be insured under this policy.
- iii) Not more than four automobiles at any location not used by the Insured in the business specified in item 3 of the application.
- iv) Automobiles specified in END 80

**2. Legal Liability for Damage to Customer Automobiles**

Limits in excess of \$5,000,000 must be referred to Facility Association Head Office.

**a) Collision**

The required limit is the value of the most expensive vehicle for which the Insured will be responsible. The deductible for any one occurrence is 5% of the required limit rounded to the nearest \$250 subject to a minimum \$500 deductible. If the required limit is \$50,000 or more, END FA82 is available.

**b) Specified Perils**

The application must specify the maximum number of customer automobiles at each location and a limit of liability. The minimum required limit for each location must be the total value of all customer vehicles at that location.

Each location is subject to a 100% co-insurance clause based upon the number of vehicles at each location at the time of loss to the maximum number of customer vehicles stated in the application for that location.

**Due to the co-insurance provision, it is important for the Agent/Broker and Insured to discuss this limit carefully.**

One possible method of calculating the required limit is the maximum number of vehicles multiplied by the value of the most expensive vehicle. The Applicant has 5 vehicles; 4 are valued at \$10,000 and 1 is valued at \$16,000. The required limit would therefore be \$80,000.

**Rule 605: Minimum Deductibles**

**a) Owned Automobiles**

- Collision: \$1,000.
- Comprehensive/Specified Perils/Specified Perils Excluding Theft: \$1,000.

**b) Legal Liability For Customer Automobiles**

Collision: Deductible for any one occurrence is 5% of the required limit rounded to the nearest \$250, subject to a minimum deductible of \$500.

END FA82 is available where the required limit is \$50,000 or more.

Specified Perils Excluding Open Lot Theft: No deductible applicable.

**c) Individually Rated Vehicles**

These vehicles are subject to the minimum deductible requirements outlined in the section of manual in which they are being rated.

**d) Risks with Claims**

Where garage operations have incurred claims, optional physical damage insurance shall be provided at the higher of the deductibles referred to above or the following minimum deductible amounts:

Number of automobile insurance claims under each coverage			Deductible amount applicable to the coverage under which the claims were made
In prior 12 months	In prior 36 months	In prior 60 months (fire and/or total theft)	
3	-	2	\$5,000
-	3	-	\$2,500
-	4	-	\$5,000
-	5 or more	-	5% of LPN (minimum deductible \$5000)
		3 or more	No coverage offered

**Rule 606: Garage Endorsements**

Changes to standard approved forms are not permitted.

Refer to Rule 637: Standard Endorsement Forms Applicable to POL 4 (Garage Policy) for more information. The descriptions are brief and reference must be made to the actual wordings of these forms to ascertain the full provisions and restrictions.

Certain endorsement forms require one or more signatures. Where the required signatures are not obtained, the policy may be cancelled in accordance with the Statutory Conditions or issued without the endorsement and rerated accordingly.

Provided the endorsement form does not indicate the expiry date of the policy term, once an endorsement form has been signed, it need not be signed again on subsequent policy renewal terms.

The following endorsements are not available on policies written through Facility Association:

END 74 Open Lot Theft – Owned Automobiles

END 75 and END 77 Open Lot Theft – Customers Automobiles

**Rule 607: Territory and Outside Ontario Exposure**

Policies may only be issued for those locations in a jurisdiction in which FA operates.

If vehicles are operated regularly i.e. more than 12 trips per year to or through more than one rating territory in Ontario, the highest rated of those territories is to be used.

**U.S. Exposure Surcharge**

Any vehicle insured under the POL 4 (Garage Policy) and operated in the U.S. is subject to a surcharge

This surcharge shall apply to all classes of vehicles where proof of insurance is required and/or where the vehicles are used for business, commercial purposes or are carrying passengers.

NOTE: Where vehicles are operated in the U.S., Agents/Brokers must ask Insureds whether or not proof of insurance must be filed and, if so, in what amount.

The surcharge does not apply where the vehicle is used for personal use only and proof of insurance is not required.

The Insured must advise the Agent/Broker the percentage of the total mileage that the vehicle will be used outside Ontario and the jurisdiction(s) into which the vehicle is and will be driven.

If this exposure is 5.0% or less of the total mileage, the surcharge shall be waived unless proof of insurance is required by authorities. In this case a 5% surcharge will apply to the Basic Garage Premium for Liability, DCPD, Accident Benefits, Uninsured Automobile and END 81 premiums.

**Basic Garage Premium - Liability, DCPD, Accident Benefits, Uninsured Automobile, END 81**

For each percentage point of total mileage in the U.S., surcharge 1.5% of the applicable premium.

*For example:*

U.S. Exposure	Applicable Surcharge
Up to 5% and proof of insurance required	5%
10%	15%
25%	37.5%
50%	75%

**Basic Garage Premium - Optional Physical Damage**

For each percentage point of total mileage in the U.S., surcharge .75 % of the applicable premium.

For example:

U.S. Exposure	Applicable Surcharge
6%	4.5%
10%	7.5%
25%	18.75%
50%	37.5%

At the Servicing Carrier’s discretion, a copy of fuel tax information, log books and/or other pertinent records may be required to verify mileage and travelled jurisdictions.

**Rule 608: Proof of Insurance Where Notice of Cancellation or Deletion is Required**

**A. General Information**

1. The Agent/Broker is authorized to issue proof of insurance on behalf of the Servicing Carrier in the form of the Servicing Carrier’s standard certificate or a CSIO-approved Certificate of Insurance, with a notice of cancellation period not exceeding 15 days.
  - a) If a notice of cancellation period exceeding 15 days is required, the Agent/Broker it to obtain approval from the Servicing Carrier prior to certificate issuance.
  - b) Certificates must be issued only on a Described Automobiles and/or Described Location basis. Should proof be required on a Blanket Basis, refer to item #4 below.
  - c) Copies of all certificates issued by the Agent/Broker shall be submitted to the Servicing Carrier within one (1) business day for acceptance and documentation.
  - d) The Servicing Carrier is ultimately responsible for ensuring that all proof of insurance issued by the Agent/Broker is acceptable and reflects the limits of the policy. The Servicing Carrier will promptly reissue any certificate originally issued by the Agent/Broker, where indicated coverage differs from the policy or where the notice of cancellation period was not previously approved by Underwriting.
2. The Servicing Carrier is responsible for the completion of any non-standard certificates (i.e. certificates that are to be completed on a non-CSIO approved form), Out of Province, U.S. or Other filings.
  - a) The Agent/Broker must specify to the Servicing Carrier if proof of insurance (e.g. a financial responsibility certificate) must be issued or filed with a Local, Provincial, Federal or U.S. authority.

b) Where vehicles are operated in the U.S., Agents/Brokers must confirm with Insured’s if proof of insurance is to be filed and, if so, in what amount.

3. If proof of insurance is issued by the Servicing Carrier, a copy must be supplied to the Agent/Broker for their records.
4. Proof of insurance must only be issued on a ‘Described Automobile’ and/or ‘Described Location’ basis. Proof may not be issued or filed on a ‘Blanket Basis’ (i.e. without specifying the insured vehicles or garage locations), only if the authority concerned permits no alternative. In that case, the Facility Association’s form of ‘Indemnification and Hold Harmless Agreement’ must be fully completed and include the signatures of the Applicant and a witness. The completed form is to be kept on file with the Servicing Carrier.
5. Parties requiring proof cannot be added as additional named Insureds on the policy. The certificate showing proof of insurance guarantees to the Party that the vehicle is insured. This is the full extent of the guarantee.
6. Should the Servicing Carrier have any concern with the coverages or limits being guaranteed when asked to use a certificate prescribed by the organization or authority with whom the certificate is being filed, the Servicing Carrier should contact Facility Association Head Office.

**B. Currency Differential Surcharge**

Whenever proof of insurance is required by U.S. authorities, a currency differential surcharge is added to the Liability (not DCPD) premium to provide for the potential additional loss arising from the payment of a claim in U.S. dollars.

The currency differential is the rate of exchange being charged for the U.S. dollar, to the nearest cent, as at the date the premium is calculated by the Servicing Carrier for policy issuance. The Servicing Carrier shall use the Bank of Canada closing rate from the previous published day.

The currency differential surcharge is:

- Applied only to the Liability premium (not DCPD)
- Not subject to a minimum surcharge.
- Additional to but not compounded on the Outside Ontario exposure surcharge (See Rule 607: Territory and Outside Ontario Exposure).
- Additional to the Servicing Carrier’s fee for filing proof of insurance.
- Payable only when proof of insurance is required by U.S. authorities.
- Subject to a minimum of \$50 per policy term for the combined dollar value of the currency differential surcharge and the Outside Ontario exposure surcharge.

*Sample Calculation:*

Rate of exchange for U.S. dollar is 1.3085 Canadian

Therefore the Currency Differential is 0.31  
 Outside Ontario Exposure Surcharge is 25% (.25 factor)  
 Currency Differential Surcharge is 0.31 X .25 = .0775  
 Liability premium \$1,000

Outside Ontario Exposure Surcharge	.25
Currency Differential Surcharge	.0775
Base premium	\$1,000
Outside Ontario Exposure \$1,000 X .25	\$250
Currency Differential \$1,000 X .0775 = 77.50	\$78
Total Liability premium	\$1,328

### C. Renewal or Offer to Renew

If a renewal or offer to renew is issued where proof of insurance has been issued or filed and the renewal is not required, the Servicing Carrier must be notified in sufficient time to file a notice of cancellation in accordance with the applicable authority's requirements. Otherwise, the Agent/Broker/Insured shall be responsible for time on risk charges.

### D. Policy Cancellation

#### 1. Registered Letter

Where proof of insurance has been issued or filed and the policy is to be cancelled, the cancellation of coverages to which the proof of insurance relates shall be processed in accordance with the Statutory Conditions.

The notice of cancellation for the authority concerned must be issued on the same day as the notice of cancellation to the Insured. However, as a result of the authority's requirements, the effective date of cancellation may be different.

#### 2. Insured's Request

Where proof of insurance has been issued or filed, and the policy is to be cancelled, the cancellation of coverages to which the proof of insurance relates shall be processed after taking into consideration the period of notice required by the authority.

The effective date of cancellation shall be the same for both the Insured and the authority concerned.

#### 3. Filing Liability Limits

The filing should always be made for the limit required by law even if the policy actually shows a higher limit.

Where filings are required in multiple jurisdictions, the filing should be made showing only the limits required in that jurisdiction. The policy should be written with the lowest limits necessary to meet all requirements.

#### 4. Processing Fees for Filings

Please contact your Servicing Carrier for a schedule of fees which will be charged on a 100% cost recovery basis. Any charge required by the authority concerned shall be in addition to, and separate from, the processing fees.

## Rule 609: Excluded Uses, Automobiles and Drivers

### A. Excluded Uses

- Renting or leasing to others (either short term rental or long term leasing)
- Carriage of passengers or goods for compensation
- Others as described in the POL 4 (Garage Automobile Policy) wording

### B. Excluded Automobiles

- Vehicles owned in connection with, or used for the purpose of any business not described in item 3 of the application
- Vehicles owned by the Insured which are designed for racing purposes
- Vehicles provided for the regular use of persons other than active partners and full time employees. On automobile dealer policies, coverage may be extended to these vehicles from the inventory of vehicles held for sale (not regular plated) by adding END 76 (Additional Insured), which provides insurance for vehicles that are supplied for the regular or frequent use of specified persons who are not active partners or full time employees.
- Vehicles designed for bulk transportation of petroleum products or other materials while being used for such purposes.
- Vehicles designed for the transportation of other vehicles, but tow trucks shall not be deemed to be designed for such purposes.

### C. Excluded Drivers

The following provisions apply in the event of the suspension, cancellation or lapse of an operator's licence. These provisions apply whether END 78A is being added to the policy at the request of the Insured or by the Servicing Carrier because of the above mentioned circumstances.

#### I. If there is no other driver on the garage policy

- An application for insurance shall be declined by the Agent/Broker.
- If the situation is discovered after the policy has been issued, the Servicing Carrier shall cancel the policy by registered letter in accordance with the applicable regulation.
- The time on risk charge for the period to expiration of the notice of termination will be pro rata of the premium applicable to the risk as submitted.
- If the situation is discovered as a result of enquiries prior to the renewal date, the Servicing Carrier shall issue a notice of non-renewal.

Under the Ignition Interlock Program, it is a condition of the driver's licence reinstatement that the driver is prohibited from driving any motor vehicle that is not equipped with an approved ignition interlock device.

For drivers who have entered the Ignition Interlock Program, the length of the licence suspension shall be calculated from the date the licence was suspended to the date the Ignition Interlock Program was entered.

*For example:* Licence was suspended from January 1 to July 1. The driver entered the Interlock Program on March 1. Therefore the total time the driver's licence is considered to have been suspended is 2 months not 6 months.

## II. If there is another licensed driver on the garage policy

(It is assumed that the person concerned will not drive without a valid licence.)

- a) The Servicing Carrier shall issue END 78A (Excluded Driver) restricting coverage to minimum statutory Accident Benefits and excluding optional physical damage where provided, for that person.
- b) If that person being a driver affected the rating of the insurance, the insurance shall be re-rated to remove that person as a driver and any accidents involving that driver prior to being excluded shall not be taken into account in rating. If the driver has a 'driving while suspended' conviction, all accidents and convictions shall be taken into consideration for the rating and the Excluded Driver Endorsement shall be deleted.

## III. Unsigned END 78A (Excluded Driver)

If END 78A is not completed, signed and returned within 30 days of endorsement issuance, END 78A shall be deleted and the policy shall be re-rated as though there was no END 78A.

## Rule 610: Claims

Every accident, loss or claim that comes to the knowledge of the Agent/Broker in regard to Facility Association policies must immediately be reported in the manner prescribed by the Servicing Carrier.

Losses involving collision with animals, both wild and domestic, shall be paid under Comprehensive coverage. If the policy does not afford Comprehensive coverage but does provide Collision coverage, the loss shall be paid under Collision coverage and be regarded as not at fault.

## Rule 611: Renewals

### A. Renewal processing

**If the renewal involves a vehicle for which proof of insurance has been filed or is required, refer to Rule 608: Proof of Insurance.**

Prior to the expiry date of the policy, the Servicing Carrier shall ask the Agent/Broker to have a new Garage Rating / Underwriting Supplement completed and signed to update the information on record for the upcoming renewal term. Such a request shall be made well in advance of the expiry date because of the need to issue the renewal policy before the insurance expires.

NOTE: Renewals shall only be offered for annual terms.

A driver record abstract must be obtained for those risks where rating is dependent upon driving history. These must be ordered on all drivers prior to every renewal.

The renewal shall not be issued unless and until the properly completed and signed Garage Rating / Underwriting Supplement has been returned. If this information is not received at least 45 days prior to the expiry date, the policy shall be non-renewed and the Agent/Broker advised. Confirmation that the risk will be offered replacement cover in the voluntary market is required. If the confirmation is not received, the Servicing Carrier shall issue a notice of non-renewal directly to the Insured.

Before releasing any renewal documents, the Agent/Broker must collect or assume responsibility for the full renewal premium. If the Servicing Carrier is unable to issue renewals in the required time period, the Agent/Broker must issue a temporary liability card and collect a downpayment based on the estimated annual premium for the upcoming renewal term.

**or**

Obtain a fully completed premium finance contract together with the full downpayment required and promptly send that contract to the premium finance company.

Once a renewal or offer to renew has been processed, and accepted by the Insured, if the Servicing Carrier receives notice of an at fault loss that occurred prior to the renewal's effective date, the Servicing Carrier shall not amend the renewal rating accordingly but charge for the at fault loss on the next renewal.

NOTE: Any risk where abusive or threatening behaviour of the Insured/Applicant/Driver within the previous 3 years has created a safety concern for Facility Association staff, Servicing Carrier staff or a representative acting on behalf of either and circumstances have been reported to police shall be non-renewed.

### B. Direct Bill Renewals

#### Servicing Carrier Responsibilities

1. For each policy an offer to renew shall be issued by the Servicing Carrier. The offer to renew must reach the Insured's last known address no later than 30 days prior to the policy's current expiry date.
2. The payment due date must be clearly indicated on the offer to renew and must be the same as the policy's current expiry date.
3. If the required premium is received by the Servicing Carrier no later than 15 days after the payment due date, the Servicing Carrier shall promptly issue the appropriate renewal documents to the Insured.
4. If the required payment is not received by the Servicing Carrier within 15 days of the payment due date, the policy will be treated as though it has expired and the Servicing Carrier shall advise the Agent/Broker accordingly within the following 10 days.

5. The renewal documents must not be released by the Servicing Carrier until the full premium is received or the required first payment is received on time by the Servicing Carrier (by first payment due date if a deferred premium payment plan is available). If this rule is followed, neither the Carrier nor the Agent/Broker incurs any responsibility for the premium. If the Servicing Carrier follows any other unauthorized procedure, the Servicing Carrier will be responsible for the earned premium for the time on risk calculated on a pro rata basis and will be required to stop offering a Direct Bill option.

### C. Renewal Not Accepted

If the renewal is not accepted by the Insured, the Agent/Broker must submit one of the following acceptable evidence of renewal refusal to the Servicing Carrier:

- a) Return all the renewal documents (including liability cards) to the Servicing Carrier;  
OR
- b) Written confirmation that the renewal has been returned complete with liability cards to the Agent/Broker AND that the documents were destroyed in the Agent/Broker's office;  
OR
- c) Provide a signed (i.e. written, electronic or auto signature) request from the Insured to cancel the policy effective the renewal date.

If the evidence of renewal refusal is received by the Servicing Carrier within 15 days of the renewal's effective date, a full refund shall be credited to the Agent's/Broker's Facility Association account. If evidence of renewal refusal is not received within 15 days, the renewal shall be cancelled on a pro rata basis effective the date it is received by the Servicing Carrier. The Agent/Broker shall be responsible for earned premium or minimum retained premium whichever is greater.

Renewals where acceptable evidence of refusal has been submitted to the Servicing Carrier for cancellation may not be reissued unless the Servicing Carrier receives instructions no later than the renewal's effective date and the Agent/Broker collects or assumes responsibility for the full premium as outlined above.

If the renewal date has passed and the insurance is again required, there must be a new application and a new policy issued.

## Rule 612: Midterm Changes

Changes to drivers, vehicles, dealer/service plates, locations etc. must be reported in writing (showing the effective date and time) to the Servicing Carrier at the time of the change and the appropriate policy changes will be issued.

### 1. Optional Physical Damage

Once chosen, optional physical damage limits for owned and customer vehicles may not be reduced during the policy term.

*For example:*

The Insured chooses a limit of \$65,000 for Legal Liability on Customer Vehicles. A month later the limit is increased to \$85,000 and the Servicing Carrier processes the policy change. The next month, the Insured wants to reduce the limit back down to \$65,000. The Insured must wait until renewal date to have the limit reduced.

### 2. Binding Coverage – Policy Changes

Before binding coverage, the Agent/Broker must collect or assume responsibility for any indicated additional premium. For policies requiring Proof of Insurance, refer to Rule 608.

- a) The Agent's/Broker's procedure for reporting changes to the Servicing Carrier must be acceptable to the Carrier. The request for change must be made in writing and specify the effective date and the effective time.
- b) Faxed or mailed policy change requests are acceptable.
- c) If the policy change request cannot be sent to the Servicing Carrier on the date the Insured makes the request, it must be sent to the Servicing Carrier on the next working day.
- d) The Servicing Carrier shall normally issue any required policy change, updated Certificate of Insurance (if required) and permanent liability card (if required) within 30 days of the effective date of the change.
- e) Coverage may not be shown as effective prior to the date and time that the request was received by the Agent/Broker from the Insured, except when contractual coverage exists automatically under the policy and notice is given within the time permitted. A permissible policy change is in effect as of the time and date requested.

### 3. Changes Not to be Processed

A change to a policy shall not be processed if the change is substantial e.g. the Insured is covered under a POL 4 (Garage Automobile Policy) and now requires a POL 1 (Owner's Policy) instead. A new policy may be necessary. If in doubt, the Agent/Broker should contact the Servicing Carrier for direction. If a new policy is required, a new application must be submitted. The existing policy shall be cancelled pro rata.

### 4. Rates to be used

- Rates in effect at the start of the policy period
- Calculated pro rata by using the Day Table

### 5. Minimum Premiums for Midterm Changes

A minimum additional premium of \$5 shall be charged for any transaction that includes one or more of the following, regardless of the period of insurance:

- Addition of coverage or location
- Increase of Liability limit
- Increase of limit on owned or customer automobiles

Any additional premium of less than \$5 may be waived by the Servicing Carrier unless mentioned above. Return premiums may not be waived.

When there are frequent policy changes requested by the Insured, there will be a \$50 charge for each such transaction in excess of 2 in a 30 day period or more than 12 in a 12 month period.

## Rule 613: Rating/Underwriting Supplement

The Garage Rating/Underwriting Supplement is designed to obtain information that is not requested in the garage application. If the additional information provided by the supplement does not fully explain the risk to be written, the problematic points must be discussed with the Agent/Broker/Insured. Some of the information provided by the supplement can be verified when the driver record abstracts, previous insurance history, inspection reports and vehicle plate RIN search reports are obtained.

The signed Garage Rating/Underwriting Supplement must accompany every new garage application. If there is no supplement on an existing policy, one must be obtained on the next renewal. A signed updated supplement must be obtained prior to each renewal.

## Rule 614: Reports

### A. Driver Record Abstracts

The Servicing Carrier is required to order driver record abstracts (MVRs) on all listed drivers (listed under question 2 a and 2b of the Garage Rating/Underwriting Supplement) at the beginning of each policy term.

Driver record abstracts must be obtained from the appropriate government department in each Canadian or U.S. jurisdiction in which the driver has been licensed in the previous three years.

### B. Previous Insurance History

These may take the form of an electronic report or a letter from the previous carrier. This report must be ordered by the Servicing Carrier, on the garage risk itself and on the principal operator of every owned vehicle for which a separate premium is being charged. In lieu of an electronic report or letter, a phone call to the prior insurance company to confirm insurance history is acceptable. The Servicing Carrier's file must be clearly documented with details of the phone call.

### C. Vehicle Plate RIN Search Report

This report must be ordered by the Servicing Carrier on every new garage risk and at each renewal.

The report provides a list of all vehicle plates belonging to the individual or business. In addition, the list may include vehicles leased by the Insured to other and vehicles leased to the Insured. Where the report indicates that plates are lost, stolen or returned or the Insured can provide proof of such a situation, no charge will be made for those plates. The circumstances must be clearly documented in the Servicing Carrier's file.

### D. Inspection Reports

In addition to the Vehicle Plate RIN Search Report an inspection report may also be ordered to properly assess the risk.

An underwriting report (Sentinel, Equifax, IAO etc.) where available, may be ordered by the Servicing Carrier on every new garage risk. If the information in the underwriting report is not consistent with the information in the Garage Rating/Underwriting Supplement or the garage application, the Agent/Broker, Insured and underwriting report company must be queried to resolve the inconsistency. In the event that the inconsistency cannot be resolved the matter must be referred to Facility Association Central Office.

If the information received is different from that reported on the application, to the extent that the premium requires amendment, the policy shall be issued at the revised premium and coverage or the Servicing Carrier shall promptly issue a correcting policy change.

## Rule 615: Premiums

### A. Minimum Policy Premium and Minimum Retained Premium

The minimum premium for a policy term is \$250, subject to the minimum retained premium of \$250 in the event of cancellation midterm.

### B. Premium Rounding

The premium for each coverage shall be rounded to the nearest whole dollar. A premium that includes 50 cents or more shall be rounded up to the next whole dollar (\$46.56 shall be rounded up to \$47.00 and \$46.44 shall be rounded down to \$46.00).

This applies to all premium transactions, including refunds except where the policy is cancelled by registered letter at the request of the Agent/Broker or by the Servicing Carrier. In that event, the return premium shall always be rounded up to the next whole dollar (\$45.10 shall be rounded up to \$46.00).

### C. Premium Quotations

The Agent/Broker is responsible for calculating premiums in accordance with this manual. Where there is any doubt on the matter the Servicing Carrier will be pleased to assist, but the Servicing Carrier shall not make premium quotations except where the manual does not provide for the particular coverage required.

The Servicing Carrier shall require clarification from the Agent/Broker if the information on the application contradicts the quoted premium.

#### D. Rating Example

Insurance is required for the operator of a garage (automobile dealer), the spouse who is a part time bookkeeper and two children who are not involved in the business (24 year old son with 4 speeding convictions and a 16 year old daughter with a clear record). There is one owned vehicle and one dealer plate.

Since the spouse is only a part time employee and the son and daughter are not involved in the business, END 76 naming the spouse, son and daughter must be attached.

The owned vehicle is individually rated at Class 03 with the spouse as principal operator (more than two other drivers other than Class 06.) plus the Class 06 premium including the appropriate conviction surcharge.

The garage owner will be assigned to and rated as principal operator of the dealer plate. Under the POL 4 (Garage Automobile Policy), there are 1 ½ staff units so 2 staff unit rates are charged.

The garage premium is the staff unit rate plus the rate for the owned automobile and the dealer plate.

For statistical purposes, the total policy premium is reported as Class 86. The garage commission/fee rate is applicable to all premiums. The premium field on END 76 (Additional Insured) will show 'included'. The endorsement field on the declaration page will show 'included'.

## Rule 616: Cancellations

### A. Midterm Cancellation - Effective Date

#### 1. Received by Agent/Broker or Servicing Carrier within 30 days

If the request for a midterm cancellation is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) within 30 days of the date the cancellation is to be effected, and no effective time is requested, the cancellation shall take effect at 12:01 a.m. on the date it was requested to be effective. In the event that the cancellation was specifically requested to be effective at a time other than 12:01 a.m., the cancellation shall be effected at 12:01 a.m. the following day.

NOTE: For Flat cancellations of renewals, refer to Rule 617:4.

*For example:* The Insured requests cancellation of the policy to be effective August 5. The cancellation request is received by the Agent/Broker on August 20. The Servicing Carrier shall cancel the policy effective 12:01 a.m. August 5. If the Insured requested cancellation to be effective at 3:40 p.m. on August 5, the Servicing Carrier shall cancel the policy effective 12:01 a.m. on August 6.

#### 2. Received by Agent/Broker or Servicing Carrier after 30 days

If the request for cancellation is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) more than 30 days after the date the cancellation was requested to be effected, the cancellation shall take effect at 12:01 a.m. on the date that the cancellation request is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured).

For example: The Insured requests cancellation on the policy to be effective September 5. The cancellation request is received by the Agent/Broker on October 10. The Servicing Carrier shall cancel the policy effective 12:01 a.m. October 10.

NOTE for 1. and 2.

If the date the request was received by the Agent/Broker is not evident, the Agent/Broker will be asked to provide proof of the date received acceptable to the Servicing Carrier. If proof cannot be provided, the request will be processed effective 12:01 a.m. on the date received by the Servicing Carrier.

#### 3. Received by Servicing Carrier after 30 days and business sold

In the event that the business has been sold, and a copy of the bill of sale, satisfactory to the Servicing Carrier, is produced, the policy shall be cancelled the day after the business is sold regardless of what that date might be.

#### 4. Coverage placed in Voluntary Market

In the event the Insured has placed coverage through the voluntary market, upon receipt of a copy of the replacing policy application, the Servicing Carrier shall cancel the policy effective the date that the replacement coverage took effect.

Servicing Carriers shall proceed with cancellation as outlined in points 1 or 2 unless the Servicing Carrier is aware or is made aware, that the circumstances outlined in point 3 or 4 exist.

#### 5. Policy is Financed Through a Premium Finance Company

If a return premium is payable on a policy financed with a premium finance company, the gross refund is to be sent directly to the premium finance company regardless of the reason for cancellation. The Agent's/Broker's account shall be debited with the amount of the premium refund sent to the premium finance company.

#### 6. Where Proof of Insurance Has Been Filed

Where proof of insurance has been filed, refer to Rule 608: Proof of Insurance.

## Rule 617 Cancellation – Procedures

### 1. Cancellation at the request of the Insured or the Premium Finance Company – Broker Bill & Direct Bill

Cancellation requested by the Insured or the premium finance company under power of attorney must be made in writing in a format suitable to the Servicing Carrier.

Facility Association shall accept faxed signed and dated cancellation requests.

Cancellation of risks being placed in the voluntary market, are calculated on a pro rata basis using the Day Table subject to any applicable minimum retained premium.

If the policy is on Broker Bill, the Servicing Carrier shall credit the Agent's/Broker's account with the unearned premium refundable unless the premium is financed through a premium finance company.

### 2. Cancellation at the request of the Agent/Broker – Broker Bill

#### When additional premium cannot be collected on original quote

If the Agent/Broker cannot collect the additional premium arising from an increase to the premium originally quoted for new business:

- a) The Agent/Broker must advise the Servicing Carrier of the amount of premium collected (including service fee and any applicable tax) and request that a notice of cancellation be issued to the Insured,  
**or**
- b) The Agent/Broker must have the policy signed off. Facility Association shall accept faxed signed cancellation requests.

If the Agent/Broker reports non-payment of the additional premium within 30 days of receiving notice of those increases, the earned premium for cancellation shall be calculated pro rata on the Agent's/Broker's originally quoted premium. Otherwise, the earned premium shall be calculated pro rata on the revised premium. If a subsequent application is submitted by the same Agent/Broker to the same Servicing Carrier for substantially the same risk within 30 days of the effective date of cancellation of the first policy and, the Agent/Broker reports non-payment of additional premium, the earned premium shall be calculated pro rata on the revised premium.

Note: For policies for which premium is paid direct to the Servicing Carrier and the Carrier initiates cancellation the words 'agent/broker' will be read to mean Servicing Carrier.

### When outstanding premium cannot be collected in all other cases

#### Agent/Broker Responsibilities

If cancellation of a policy is requested by the Agent/Broker due to inability to collect the full policy/renewal premium or a subsequent additional premium, the Agent/Broker will be responsible for the time on risk charge which will be pro rata of the full premium.

The Agent/Broker must advise the Servicing Carrier of the amount of premium collected (including service fee and any provincial sales tax) and request that a notice of cancellation be issued to the Insured.

#### Servicing Carrier Responsibilities

The Servicing Carrier shall promptly issue a registered notice of cancellation in accordance with the Statutory Conditions. The earned premium for cancellation shall be calculated pro rata on the full term premium at the time of cancellation.

When the Servicing Carrier issues a registered letter of cancellation, any unearned premium including service fee shall be refunded directly to the Insured (unless the policy is financed through a premium finance company) and the Agent's/Broker's account shall be debited for the amount of the refund and credited for the unearned premium.

### 3. Cancellation of Late Issued Renewals

If the Servicing Carrier is unable to issue renewals in the required time period, the Agent/Broker must issue a temporary liability card to the Insured and collect a downpayment based on the estimated annual premium for the upcoming renewal term.

#### Once the renewal is issued

If the Insured does not accept the renewal premium, the Agent/Broker shall advise the Servicing Carrier of the amount of premium collected and request that notice of cancellation be issued to the Insured **or** shall have the Insured sign off the policy.

The Servicing Carrier shall then issue a registered letter of cancellation in accordance with the Statutory Conditions or issue the necessary cancellation documents. The earned premium shall be calculated pro rata based on the previous term premium.

### 4. Flat Cancellation New Policy

Flat cancellation of a new policy is not allowed except as provided under Rule 617: Flat Cancellation Exceptions.

#### Additional Premium Policy Change

Flat cancellation of an additional premium policy change is not allowed.

**Renewal**

If evidence of renewal refusal is supplied by the Agent/Broker (per Rule 611) is received by the Servicing Carrier within 15 days of the renewal's effective date, a full refund shall be credited to the Agent's/Broker's Facility Association account. If evidence of renewal refusal is not received within 15 days, the renewal shall be cancelled on a pro rata basis effective the date it is received by the Servicing Carrier and the Agent/Broker shall be responsible for earned premium. A written request acceptable to the Servicing Carrier, for cancellation effective renewal date shall be accepted in lieu of evidence of renewal refusal.

**5. Flat Cancellation Exceptions**

1. Any policy returned to the Servicing Carrier complete with liability cards, prior to the effective date of the policy, may be cancelled flat.
2. Any policy returned to the Agent/Broker complete with liability cards and destroyed in the Agent/Broker's office, with written confirmation from the Agent/Broker provided to the Servicing Carrier, prior to the effective date of the policy, may be cancelled flat.
3. If a cheque or electronic payment received for a new policy or renewal premium or, for the first instalment is not honoured by the financial institution, flat cancellation shall be allowed to the Agent/Broker provided that:
  - a) The cheque was dated and issued on or before the effective date of the policy period concerned or the electronic payment was made on or before the effective date of the policy period concerned;
    - and
  - b) The cheque was immediately deposited;
    - and
  - c) In the case of a first instalment, the amount of the cheque or electronic payment was sufficient to cover the full down payment required under the terms of the contract if financed with a premium finance company;
    - and
  - d) The return of the cheque by the financial institution or dishonour of the electronic payment is promptly reported to the Servicing Carrier. A copy of the cheque front and back must be provided to the Servicing Carrier.

However, on the registered letter of cancellation to the Insured, the Servicing Carrier shall request payment of the full pro rata time on risk charge.

**6. Cancellation initiated by the Servicing Carrier**

If premiums are paid directly to the Servicing Carrier, the Servicing Carrier may cancel an insurance policy for non-payment of premium. The earned premium shall be calculated pro rata.

The Servicing Carrier may not otherwise cancel an insurance policy unless approval of such action is contained elsewhere in this manual or is obtained in the manner prescribed by the Association's Board of Directors.

**7. Refund Calculation****a) Insured's Request**

For a policy cancellation requested by or on behalf of the Insured (e.g. requested by a premium finance company) the premium refund shall be calculated in accordance with the Short Term Tables, unless a pro rata cancellation is being allowed because the risk is being placed in the voluntary market.

**b) Any Other Reason**

Where the policy is being cancelled for any other reason (e.g. by registered letter) the premium refund shall be calculated on a pro rata basis using the Day Table.

**Rule 618: Time on Risk Tables****A. Pro Rata****Calculation for Policy Changes & Cancellations**

Using the Day Table on the next page:

1. Determine the factor that corresponds to the policy's expiry month and day. For example March 26 is .233. Express the policy's expiry date in a decimal format by combining the year and the factor. March 26, 1999 would become 1999.233.
2. Determine the factor that corresponds to the effective date of the policy change or cancellation and express that date in a decimal format. If the effective date of policy change is November 20, 1998 that would be expressed as 1998.888. Note that if the effective date of change or cancellation is February 29, it should be treated as February 28.
3. Subtract the second number from the first.  
Policy expiry date 1999.233  
  
Policy change date 1998.888  
Refund/change factor .345
4. For a policy cancellation, the refund is calculated by multiplying the policy premium as of the cancellation date by the refund/change factor. The policy premium is the full term premium for the coverage in force at the time of cancellation. Minimum retained premium must be taken into consideration.
5. For a policy change, the additional/return premium is obtained by multiplying the full term premium for the change by the refund/change factor.

**C. Short Term Tables**

**Cancellation requested by or on behalf of Insured**

1. Referring to the Day Table, calculate the number of days the policy has been in force.
2. Referring to Table No. 1, determine the 'percentage of premium'.
3. Subtract that percentage from 100% to determine the 'refund percentage'.
4. Apply the refund percentage to the full term policy premium as at the cancellation date.

Minimum retained premium must be taken into consideration.

154-157	48	335-338	95
158-161	49	339-341	96
162-165	50	342-345	97
166-169	51	346-349	98
170-172	52	350-353	99
173-176	53	354 or more	100
177-180	54		

## Rule 619: Reinstatements

### 1. A policy may only be reinstated if:

- A. The Servicing Carrier receives instructions not later than the day before the cancellation takes effect. This includes instructions from a premium finance company. Where the Agent/ Broker has not forwarded payments to a premium finance company, the policy cannot be reinstated.

If the cancellation has taken effect, the policy cannot be reinstated and a new application must be completed. Any unpaid earned premium under the policy due to the Servicing Carrier must be paid with the new application.

- B. The policy was cancelled for non-payment, and the full required premium is received (by cash, money order or certified cheque from the Insured) or there is written confirmation from the Agent/Broker assuming full responsibility for that premium. Where a refund cheque accompanied the registered letter, the amount of the refund cheque must also be obtained from the Insured (by cash, money order or certified cheque) or the Agent/Broker shall assume full responsibility for that amount.

### 2. When a policy is reinstated

When a policy is reinstated, the Servicing Carrier shall issue a notice of reinstatement.

## Rule 620: Service Fee (Commission)

Garage Policy POL 4

Classes 81 – 89                      10%                      no cap

Facility Association premiums are published on a net of commission basis. Agents/Brokers are compensated by means of a service fee. The service fee is legally a part of every premium. Premium is the net premium plus service fee.

The service fee must be shown on the application as ‘Facility Association Service Fee’ and must be added to the net premium to produce the total policy premium.

The policy documents for all premium transactions must show the net premium, ‘Facility Association Service Fee’ and total amount payable. Every registered notice/letter of cancellation must show the earned premium and earned service fee.

### A. Broker Bill

At the time of binding an application for insurance, the Agent/Broker shall calculate the service fee. When the policy is issued or an additional premium policy change is issued, the Servicing Carrier shall debit the Agent’s/Broker’s account with

the net premium amount. The fee shall not appear on the statement as an amount payable. The Agent/Broker remits the premium only to the Servicing Carrier and retains the fee. When the Insured requests that the policy be cancelled, or that a coverage be deleted, the Servicing Carrier shall credit the Agent’s/Broker’s account with the unearned premium and it is the Agent’s/Broker’s responsibility to refund the unearned service fee.

Where the Agent/Broker is requesting cancellation by registered letter for non-payment, it is the Agent’s/Broker’s responsibility to inform the Servicing Carrier of the amount of premium including service fee collected from the Insured. Failure to do so may make the cancellation null and void and will leave the Agent/Broker open to errors and omissions risk. When issuing the registered letter, the Servicing Carrier must refund the unearned portion of the premium to the Insured including the unearned service fee. Failure to do so would make the cancellation null and void. The Servicing Carrier shall then debit the Agent’s/Broker’s statement for the unearned premium and service fee refunded to the Insured.

### B. Service Fee Calculation on Policy Changes.

When the policy is issued or an additional premium policy change is issued, the Servicing Carrier shall credit the Agent’s/Broker’s account with the service fee. The Servicing Carrier shall pay the Agent/Broker the credited service fee within 30 days of the accounting month’s close.

When the Insured requests that a policy be cancelled, or that a coverage be deleted, or the Servicing Carrier is required to cancel the policy for non-payment, the unearned service fee shall be debited to the Agent’s/Broker’s account. The Agent/Broker must pay the Servicing Carrier the amount of debited service fee within 30 days of the accounting month’s close.

### C. Collection of Charges in Excess of Service Fee

The collection of any fee or additional charge in excess of the service fee is expressly forbidden. The Agency-Broker/Servicing Carrier Agreement states in note 3 of Exhibit A ‘No other additional fee for service may be charged’. To charge an additional fee would constitute a breach of the agreement. In addition, the law requires that Facility Association rates must be those filed with and approved by the Financial Services Commission of Ontario and that Agents/Brokers comply with the Facility Association Plan.

The definition of ‘rate’ like ‘premium’ includes any commission or fees and an Agent/Broker who collects an additional charge on a Facility Association policy is in contravention of the Act.

### D. Calculation of the Service Fee

In order to calculate the Service Fee (commission) for any kind of transaction (new business, renewal, additional premium or return premium policy change or cancellation):

Commission % X Total net premium to date (including this transaction) = Fee to date

## Rule 621: Rating

### Basic Garage Premium by Coverage

There is a basic garage premium based on staff units which is charged for every garage risk to cover the exposure of the garage operation. If END 71 (Excluding Owned Automobiles) is not attached to the policy, an individual premium is charged for each regularly plated (non-dealer plate) vehicle, each dealer plate and where required each service plate. Refer to Rule 622: Additional Charges to the Basic Garage Premium.

#### A. Liability and DCPD (Liability is the total of BI and PD)

- Determine territory, class (Automobile Dealer, Service Station, Repair Garage etc.), number of staff units and limit of Liability.
- Multiply the number of staff units by the appropriate staff unit rate.
- Multiply the result by the increased limit factor if limits in excess of \$200,000 are required.
- Add any applicable accident and conviction surcharge.

#### B. Accident Benefits and Uninsured Automobile

- Determine territory, class (Automobile Dealer, Service Station, Repair Garage etc.) number of staff units.
- Multiply the number of staff units by the appropriate staff unit rate.
- Add any applicable accident and conviction surcharge
- Calculate Optional Benefit Premium if required

#### C. Owned Automobiles - Collision

##### Automobile Dealers only

For owned automobiles held for sale with no plates, the premium is calculated on the rate multiplied by the number of staff units as follows :

- Determine territory, number of staff units and deductible
- Multiply the number of staff units by the appropriate staff unit rate
- Multiply the result by the deductible factor
- Add any applicable accident and conviction surcharge

#### D. Owned Automobiles - Comprehensive/Specified Perils/Specified Perils Excluding Theft

##### Automobile Dealers only

For owned automobiles held for sale with no plates

- Multiply the total limit per location by the rate per \$1000 and for the coverage (Comprehensive, Specified Perils or Specified Perils excluding Theft).
- Multiply the result by the deductible factor.

#### E. Legal Liability for Customer's Automobiles - Collision

- Determine territory, class (Automobile Dealer, Service Station, Repair Garage etc.), number of staff units, required limit and deductible
- Multiply number of staff units by the staff unit rate
- Multiply the result by the Other Limit Per Automobile factor if a limit of other than \$10,000 per vehicle is required
- Multiply the result by the deductible factor
- Add any applicable accident and conviction surcharge

#### F. Legal Liability for Customer Automobiles - Specified Perils Excluding Open Lot Pilferage

Multiply the required limit for each location by the rate per \$1,000.

## Rule 622: Additional Charges to the Basic Garage Premium

#### A. Owned Vehicles

For automobile dealers only, each regularly plated vehicle will be charged a premium for all coverage according to the appropriate section of the manual (Private Passenger, Commercial or Recreational).

#### B. Dealer Plates

The premium associated with dealer plates used by garages classed as Automobile Dealers while picking up, delivering, repairing, road testing or combinations of these uses with new or used vehicles held for sale is determined as outlined under Rule 624: Automobile Dealers

#### C. Service Plates

The premium associated with service plates used by garages classed as Driveaways or Auctions (not rated as Automobile Dealers) while picking up, delivering, repairing or road testing customer vehicles is determined as outlined under Rule 630: Driveaways and Rule 632: Auctions.

#### D. END 76 (Additional Insured)

For Automobile Dealer Policies, a premium is charged for each operator insured by END 76 (Additional Insured) who is not rated principal operator on a dealer plate or regularly plated vehicle. See Rule 624: Automobile Dealer.

**E. Accidents**

**Additional charges for accidents shall be assessed based on the following pertaining to accidents:**

**a) What is a chargeable accident**

A chargeable (at fault) accident is an occurrence resulting in damage to persons or property arising out of the ownership, use or operation of a vehicle, in consequence of which:

1. An amount has been paid or would have been paid but for the existence of provincial Direct Compensation laws or agreements  
OR
2. A loss remains unsettled or unpaid  
OR
3. A civil suit is pending in respect of
  - Liability
  - No Fault Benefits Schedule (Accident Benefits)
  - Collision or the Collision portion of All Perils coverage

A chargeable accident is always taken into account in rating even if there was no insurance in effect or the loss was repaid to the Insurer by or on behalf of the Insured or if the Insured chose not to present the claim.

**b) What is not a chargeable accident**

An occurrence shall not be regarded as a chargeable accident if:

1. For a minor accident occurring on or after June 1, 2016 and the following criteria are met:
  - Damage to each vehicle including property damage does not exceed \$2,000 and is paid by or on behalf of the at-fault driver;
  - No personal injuries are sustained;
  - No payment is made by any insurer;
  - This is the first minor at-fault accident involving the vehicle in the previous three years.
2. For accidents not meeting the definition of minor accident or occurring prior to June 1, 2016:
  - The degree of fault is determined as 25% or less under the relevant provincial fault determination laws or agreements or dispute resolution mechanism.
  - The damage resulted from the vehicle being struck by an unidentified vehicle and is reported to the police within 24 hours.
  - The damage occurred while the vehicle was legally parked and is reported to the police within 24 hours.
  - The damage results from collision with a wild or domestic animal.
  - All damages are legally recoverable from the owner or driver of an uninsured or unidentified automobile.

**NOTES:**

The words 'loss(es)' and 'claim(s)' where used in this manual are considered to have the same meaning as the word 'accident'.

The words 'at fault' and 'chargeable' where used in this section of the manual are considered to have the same meaning.

No accident shall be used more than once in determining the premium for risks insured through Facility Association with the same Servicing Carrier whether or not on the same policy.

**c) Accident Surcharge**

All at fault accidents arising out of the use of vehicles in the business stated in item 3 of the application and all at fault accidents arising out of the use of any vehicle by a person listed as a driver are to be counted.

At fault accidents of a listed driver will first be counted against the individually rated vehicles (includes service/parts trucks, tow trucks, END 70, 76 and 80, dealer plates, service plates) to which they have been assigned in accordance with the section of the manual in which they are rated.

If accidents cannot be counted in this manner because the driver has not been assigned an individually rated vehicle, then the accidents will be counted against the Basic Garage Premium.

Accidents for which a charge has been made on another policy written through Facility Association with the same Servicing Carrier are not included when determining the surcharge amount for the Basic Garage Premium.

The surcharge for at fault accidents applied to the Basic Garage Premium is 10% for each at fault accident up to and including 5. For each additional accident above 5, the surcharge is 20%. Accidents will only be considered if they occurred in the 36 months preceding the commencement date of the policy term.

Accidents occurring after the original inception date of the policy involving customer vehicles and non-owned vehicles are to be counted against the Basic Garage Premium on renewal. All other at fault accidents are to be charged against the owned vehicle or plate on which the accident occurred.

Any accident allocated to a driver who subsequently has signed a valid END 78A (Excluded Driver) will not be considered a chargeable accident, unless the excluded driver has driven the insured vehicle resulting in a claim after signing the END 78A. Under that circumstance, the policy will be rated as if there is no excluded driver.

**F. Convictions**

**Additional charges for convictions shall be assessed based on the following pertaining to convictions.**

Conviction surcharges shall be assessed for traffic offences for which the Insured was convicted in the 36 months immediately preceding the commencement of the period of insurance.

No convictions related to an excluded driver shall be taken into consideration. The endorsement END 78A (Excluded Driver) must be properly signed by the named Insured and excluded driver.

**Surcharging the Basic Garage Premium**

The conviction surcharge for the Basic Garage Premium will be

determined by reviewing the conviction records of all persons who are regular and frequent drivers but are not principal drivers of individually rated vehicles.

Establish which of the conviction records produces the highest charge percentage in accordance with the conviction surcharge schedule (Refer to Rule 623: Conviction Definitions and Surcharge Tables.) That record is used to determine the conviction surcharge percentage.

Once determined, this surcharge is applied to each coverage under the Basic Garage Liability and Owned Automobiles Collision premium. This surcharge should apply to one staff unit only.

*For example:*

A valet parking risk that employs a driver with many convictions increases the risk’s exposure while that person is driving customer vehicles. Although that person may be surcharged for those convictions under his/her own policy insured elsewhere, there is an additional risk on the garage policy through Facility Association when that person is driving customer vehicles.

**Surcharging Drivers with their own Individual Rating**

If the garage risk is an automobile dealer, the conviction record of the principal drivers and Class 06 and 05 drivers will be considered in calculating the premium for individually rated vehicles (include service/parts trucks, tow trucks, END 70, 76 and 80, dealer plates, service plates).

Convictions and accidents will be used only once in the determination of premium for vehicles/garages insured through Facility Association with the same Servicing Carrier.

**Rule 623: Conviction Definitions and Surcharge Tables**

**Maximum surcharge to be applied for Accidents and Convictions is 250%.**

**A. Conviction Surcharge Table**

Events in the preceding 36 months	Percentage
Serious Convictions	
1	100%
Each additional	100%
Major Convictions	
1	25%
Each additional	25%
Minor Convictions	
1	0%
2	5%
3	15%
4	25%
Each additional	15%
Each Fraud – years from date of conviction:	
First 3 years	100%
From 4 <sup>th</sup> to 10 <sup>th</sup> year	50%

**B. Conviction Definitions**

**a. Major**

Convictions for any of the following offences under any Act governing highway traffic or under the Compulsory Automobile Insurance Act (CAIA) or for any offence substantially the same committed within or outside Canada:

- Fail to report damage to highway property
- Failing to report an accident
- Failing, in the event of an accident, to give name and licence number to the police or any other person entitled to such information
- Fail to obey school crossing stop sign
- Improper passing of a school bus
- Improper passing/speeding in a school or playground zone
- Produce false evidence CAIA
- False statement re insurance MVACA
- Produced false insurance MVACA
- Make false statement CAIA
- Using a hand held wireless communication/entertainment device
- Ontario Graduated Licence
  - Permit novice drive in contravention of cond/rest
  - Class G1 accompanying driver-fails or refuses to provide a breath or blood test
  - Class G1 accompanying driver has excess blood alcohol
  - Class G1 driver unaccompanied by a qualified driver
  - Class G1 drive with front seat passenger
  - Class G1/G2 drive with excess passengers
  - Class G1 drive on prohibited highway
  - Class G1/M1 drive at unlawful hour
  - Class M1 drive motorcycle with passenger
  - Class M1 drive motorcycle on prohibited highway

**b. Minor**

The list of Minor convictions is not all inclusive and other moving violations, including new offences under an Act governing highway traffic, may be considered Minor, whether committed within or outside Canada, if not specifically named in the Major or Serious list, including but not limited to:

- Fail or refuse to surrender licence CAIA
- Fail to produce evidence of insurance CAIA
- Fail to carry insurance card CAIA
- Fail to carry evidence of insurance CAIA
- Fail to have insurance card CAIA
- Fail to disclose particulars CAIA
- Fail to notify police
- Fail to make written report
- Backing up – unsafe/illegal/improper – any type
- Brakes – none/inadequate/improper – any type
- Crowding driver’s seat
- Door opening – illegal/obstructing traffic – any type
- Emergency vehicle – operating with no regard for safety
- Driving off roadway (including shoulder/sidewalk /median) – any type
- Flagman – disobeying

- Following too closely (including tailgating)
- Headlights/parking lights – improper/lack of use – any type
- Lack of control of vehicle – any type
- Motor-assisted bicycle – carrying passengers
- Motorcycle – operating with only an instruction permit
- Motorcycle – failure to wear helmet
- Passing infraction – any type except school bus or school/playground zone
- Pedestrian crossing violation – any type
- Radar warning device in motor vehicle – if illegal in province/territory
- Railway crossing – any type
- Safety zone violation – any type
- Seatbelt – any type
- Signaling offences – any type
- Slow driving – endangering others – any type
- Smokescreen device on vehicle
- Speeding – any type, except when listed as major or serious
- Squealing tires
- Stopping – illegal/improper – any type
- Tires – defective/worn – any type
- Towing – prohibited/unsafe – any type
- Traffic signals/regulating lights – any type
- Traffic signs – disobeying any legal sign except parking regulations
- Trailer – improper attachments/improper towing
- Turns – illegal/improper – any type
- Unlicensed driver – any type including improper licence class
- Unsafe move
- Unsafe vehicle – any type
- Wrong side of road/wrong way – any type
- Yield, failing to – any type including failing to yield to a public bus
- Driving without an interlock device where its installation is a requirement for licence reinstatement
- Dangerous driving
- Impaired driving
- Driver under 22 years of age with alcohol in blood
- Failure or refusal to submit to a breath or blood test
- Failure to stop/remain at the scene of an accident
- Failure to pass a breath or blood test
- Failure to stop on request of or obey directions of a police officer
- Stunting
- Driver in the alcohol ignition interlock device programme operating a vehicle not so equipped
- Class G1/G2/M1M2 fail/refuse breath sample
- Class G1/G2/M1M2 drive with alcohol in blood

**NOTES:**

If convictions for impaired driving and failure or refusal to take a breath or blood test relate to the same occurrence, they shall be considered as one conviction.

If more than one CAIA/MVACA conviction relates to the same occurrence, only the one that develops the highest surcharge shall be used. CAIA – Compulsory Automobile Insurance Act  
MVACA – Motor Vehicle Accident Claim Act.

Convictions for road offences shall not be used in the rating of off road vehicles (e.g. snow vehicles, all terrain vehicles) and vice versa.

**Fraud**

Where the Insured or any person who is a regular or frequent operator of the vehicle has been found by a court of competent jurisdiction in either criminal or civil proceedings to have committed a fraud in any way connected to automobile insurance during the 120 months immediately preceding the commencement of the period of insurance.

**Note:** If there is more than one vehicle on the policy, the surcharge will apply to the vehicle principally driven by the person who committed the fraud. If the person who committed the fraud is the Applicant but not a driver of any vehicle on the policy or is a driver but not the principal driver of any vehicle on the policy, the surcharge will be applied to the highest rated vehicle on the policy.

**Note:** This is a generic list and will not, in all cases, match the exact wording printed on the driver record abstract.

**c. Serious**

Convictions for any of the following offences under the Criminal Code of Canada or under an Act governing highway traffic or under any other Act or for any offence substantially the same whether committed within or outside Canada or any conviction which appears on a driver record abstract identified as a Criminal Code conviction:

- Speeding 50 Kph or more over the speed limit
- Driving without insurance
- Operate motor vehicle – no insurance CAIA
- Criminal negligence committed in the operation or use of a motor vehicle
- Manslaughter committed in the operation or use of a motor vehicle
- Driving while licence under suspension
- Racing
- Careless driving
- Driving without due care and attention

**Rule 624: Automobile Dealers**

In addition to the premium developed from the staff unit rate (Basic Garage Premium), premiums are also chargeable for each regularly plated vehicle and dealer plate registered to the Insured. If the Applicant owns any antique or classic vehicle or a vehicle that is being reconstructed or restored, that vehicle must be insured on a POL 1 (Owner's Policy).

**A. END 76 (Additional Insured)**

This endorsement is available on automobile dealer policies to extend coverage to the persons named on the endorsement who have been provided with a vehicle from the inventory of vehicles held for sale for their regular use.

Because only full time employees, active partners, owners and proprietors have coverage under the policy for pleasure and business use other than that stated in item 3 of the application, END 76 must be used to provide coverage for other persons e.g. part time employees or family members of the Insured.

**B. Owned Automobiles**

(An owned automobile may have regular plates or dealer plates attached)

- a. For each vehicle used by an owner or partner for non garage purposes
- b. For each vehicle provided regularly or frequently to a full time employee
- c. For each vehicle provided to another person (insured by means of END 76)
- d. For each vehicle used in connection with the business stated in item 3, including
  - Parts & Service Trucks. (see Rule 626)
  - Snowplowing (see Rule 627)
  - Courtesy Cars. (see Rule 628)
  - Tow Trucks (see Rule 629)

Charge a premium for all coverage according to the appropriate section (Private Passenger, Commercial, Recreational) of the manual. All rules pertaining to that section of the manual including all additional charges and discounts will apply except commission/service fee. Add this premium to the Basic Garage Premium.

Those drivers that develop the highest premium must be designated as principal operator of a vehicle before those that would develop a lower premium.

This charge does not apply if a dealer plate is attached to the vehicle and a full premium for the vehicle has been charged under dealer plate. (See Rule 624:C. Dealer Plates.)

Where satisfactory evidence is supplied to the Servicing Carrier that an individual vehicle is insured elsewhere, no charge will be made under this policy for that vehicle.

Individually rated Owned Vehicle includes a vehicle owned and separately insured by the owner, full time employee or person named under an END 76. It does not include tow trucks, courtesy cars or parts trucks for which a separate premium must be charged.

For rating purposes, 'Owned Automobile', does not include vehicles with no licence plates that are exclusively held for sale.

**a) If there are no owned automobiles:**

- Each operator will be assigned principal operator of a dealer plate, if any, and there is no charge for excess operators who are full time employees.

- Excess operators who are not full time employees must be named under END 76 and a premium charged for each under the rules of the section of the manual that relates to their use of garage vehicles e.g. private passenger, commercial, recreational. Refer to Rule 624:C. for rate groups to be used.
- Operators are assigned to the dealer plates in the order that develops the most premium

**Where the number of individually rated Owned Vehicles (regardless of Insurer) and Dealer Plates is:****b) less than the number of owners, full time employees and persons named on END 76:**

- Assign a driver to be rated principal operator of each Owned Vehicle. Remaining drivers will be rated principal operator of each Dealer Plate.
- If there are more drivers than Owned Vehicles and Dealer Plates, no charge will be made for excess full time employees. Excess non-employees, e.g. Class 06 occasional males and Class 05 occasional females and spouse, are rated under END 76 for their pleasure use of garage Owned Vehicles. However, drivers are assigned to Owned Vehicles and Dealer Plates in the order that will develop the highest premium.

**c) more than the number of owners, full time employees and persons named on END 76:**

- Assign a driver to be rated principal operator of each Owned Vehicle. Remaining drivers will be rated as principal operator of each Dealer Plate.
- If there are more Owned Vehicles than drivers, assign one or more drivers as principal operator of each remaining vehicle, so each vehicle is rated with a principal operator.

**C. Dealer Plates.**

If there are dealer plates with no driver to be rated as principal operator of them, then rate each as excess dealer plates as described under D. Excess Dealer Plates.

For each dealer plate charge a premium as follows:

- Private passenger vehicles are rated Class 08 to 19 for principal operators under age 25 or Class 07 if age 25 or over using rate group 12 for DCPD and optional physical damage and rate group from Table A Rate Groups in the Private Passenger Section for Accident Benefits.
- Commercial type vehicles are rated Class 08 to 19 for principal operators under age 25 or Class 44 if age 25 or over using rate group 10 for optional physical damage.
- Recreational Vehicles are rated Age 16-20 in the over 750 cc category for motorcycles. All terrain vehicles

are to be rated as heavy. Use rate group 12 for motorcycles and motor homes and rate group 11 for all terrain and snow vehicles.

The driving record of the assigned operator is used as the initial driving record, at 0, 1, 2 or 3 maximum, subject to proof of prior accident free insurance acceptable to the Servicing Carrier.

On subsequent renewals, the driving record may increase by one, each year the driver/vehicle remains accident free to a maximum of Driving Record 3.

Conviction and accident surcharges apply.

#### D. Excess Dealer Plates

For each dealer plate in excess of the number of operators (who are rated as principal operator of a dealer plate or a regularly plated owned vehicle), for all coverage except Comprehensive or Specified Perils, charge 25% of Class 07 premium driving record 0 or 25% of the non-pleasure recreational premium for the type of vehicle concerned at Driving Record 0 where applicable. The driving record will increase by 1 each year the excess plates remain accident free based on FA experience.

*For example:* The Insured is a snowmobile dealer and has 3 dealer plates. Assign 2 of the dealer plates to full time employees and have individually rated them accordingly. The premium for the excess plate will be 25% of the non-pleasure recreational rate for snow vehicles at rate group 11.

#### E. Service Plates

There is no additional premium charged for service plates used by auto dealers.

#### F. Owned Vehicles Insured Elsewhere

Where owned vehicles (other than those held for sale) are insured elsewhere, the name of the Insurer and policy number must be recorded on the garage supplement.

Servicing Carriers will verify this information at new business and renewal. The Premium Computation Statement will include a statement to the effect that the described vehicle(s) or vehicles are insured by that company and policy number stated on the PCS form and should this information change, the Servicing Carrier must be notified. These vehicles will not be charged for under this policy.

For example: "2010 Chevrolet Silverado insured with XYZ Company under Policy #1223. Should this information change, this Insurer must be notified immediately."

Where a full time employee or person named on END 76 has an owned vehicle insured elsewhere and is the principal operator of that vehicle, that person will not be designated as an operator of either an owned vehicle or dealer plate under this policy.

#### G. Automobile Dealer Rating Examples

- 1) The risk is a car dealer and has 3 owned vehicles with regular plates and 3 dealer plates. There is one proprietor, 2 full time employees, a spouse, son and daughter not involved in the business. The spouse, son and daughter are named on END 76. As the number of people equals the number of vehicles and plates, each person (including son

and daughter) will be rated as a principal driver based on private passenger rules.

- 2) Using the same scenario, the Insured has 3 owned vehicles with regular plates and 1 dealer plate. As the number of people now exceeds the number of vehicles and plates, the proprietor, 2 full time employees and spouse would be rated as principal drivers based on private passenger rules. The son and daughter would be rated as occasional drivers on one of the vehicles.
- 3) Using the same scenario the Insured has 4 owned vehicles with regular plates and 4 dealer plates. As the number of plates and vehicles exceeds the number of people, each person will be rated as a principal driver based on private passenger rules and a charge for excess dealer plates will be applied as outlined in Rule 624:B. Dealer Plates.
- 4) Using the same scenario, the Insured has 3 owned vehicles with regular plates and 2 dealer plates. Both employees have their own vehicles insured elsewhere. The proprietor, spouse, son and daughter will each be rated as a principal driver based on private passenger rules. The excess dealer plates will be rated as such. The two full time employees will be included in the calculation of the Basic Garage Premium as staff units but will not be rated as principal drivers

#### H. END 70

This endorsement is used when Owned Automobiles Collision coverage is to be provided when specified persons are personally in control of the vehicles. The premium is calculated on the number of highest rated vehicles equal to the number of named persons, using 120% of the Collision rates applicable to those vehicles and persons.

#### I. END 80

If the Insured does not wish to cover the vehicles held for sale for Section C coverage, END 80 may be used to provide physical damage coverage for specific owned vehicles. Calculate the rate for Section C coverage in accordance with the applicable section of the manual (Private Passenger, Recreational etc.).

### Rule 625: Repair Garage, Service Station, Parking Lot, Storage Garage

See the definition under Rule 601. Owned Automobiles are not covered and END 71 (Excluding Owned Automobiles) must be attached.

The Basic Garage Premium is calculated at the staff unit rate.

There is no charge for service plates.

## Rule 626: Parts And Service Trucks

The premium for these vehicles is determined by using the Commercial Section of this manual (including any accident and conviction surcharge) The determined premium is then added to the Basic Garage Premium.

## Rule 627: Snowplow Operations

Unless declared in item 3 of the application, snowplowing for others performed by the Insured is not covered under the garage policy. However, snowplowing to clear the Insured's own lot is considered incidental to the garage operation and is therefore covered.

## Rule 628: Courtesy Cars and Shuttle Buses

These vehicles are to be rated Class 07, Driving Record 0 + 50% for all coverage. Driving Records 1, 2 and 3 are not available.

Where demonstrator models are used as courtesy cars, the above rating also applies to demonstrators.

If the courtesy vehicle is a recreational vehicle, rate in the Recreational Section and use the special non-pleasure factors found in that section plus 50% for all coverage.

For motorcycles, use the age 16 – 20 and over 750cc.

Shuttle buses are to be rated as Hotel & Country Club Buses according to the rules in the Public Section of the manual.

## Rule 629: Tow Trucks

### Tow Trucks Incidental To An Automobile Dealer Operation Use Pol 4 Only

Because END No. 71 is not applied to risks rated as Auto Dealers, coverage for tow trucks is included on the POL. 4.

Charge Class 43 + 50% for Liability and DCPD and Class 43 for all other coverage for each tow truck regardless of the radius of operations within the same province and add the premium to the basic garage premium.

For Legal Liability for Customer Autos for Collision and Specified Perils, calculate the rate as indicated below for each tow truck and include under the basic garage premium.

### All Other Tow Trucks Incidental To All Other Garage Operations

These vehicles must be insured on POL 1, as owned autos are excluded.

Legal Liability for Customer Automobiles, must be provided by means of POL 4. It is recommended that both POL 1 and POL 4 be placed with the same Insurer to protect the Insured in the event of a claim dispute and that the Liability limits be the same on both policies.

#### For Each Tow Truck

POL 1 - Charge Class 43 + 50% for Liability and DCPD and Class 43 for all other coverage regardless of the radius of operations within the same province. The driving record is determined in the Commercial Section of the manual.

POL 4 - Charge the staff unit rate for Liability, Accident Benefits, Uninsured Automobile and DCPD according to the type of garage operation (Repair, Service Station, Storage Garage). If the garage operation is other than a Repair, Service Station or Storage Garage, charge Storage Garage rates or Service Station rates if the Insured does not store vehicles.

For Legal Liability For Collision and/or Specified Perils to Customer Autos calculate the rate as indicated below for each tow truck and include under the basic garage premium.

#### Tow Trucks Not Incidental To A Garage Operation

##### For Each Tow Truck

POL 1 - Charge Class 43 + 50% for Liability and DCPD and Class 43 for all other coverage regardless of the radius of operations within the same province. The driving record is determined in the Commercial Section of the manual.

POL 4 or END 27B – To provide Legal Liability for Damage to Customer Autos, END 27B may be added to POL 1 or POL 4 may be issued. For POL 4, charge the Service Station staff unit rate for Liability, Accident Benefits, Uninsured Automobile and DCPD. If using END 27B, include this staff unit rate in the premium charged under END 27B.

For Legal Liability For Collision and/or Specified Perils To Customer Autos, calculate the rate as indicated below for each tow truck and include under END 27B or the basic garage premium for POL 4.

#### Legal Liability for Damage to Customer Automobiles

Legal Liability For Collision To Customer Automobiles will be rated as follows based on the vehicles towed:

#### A) PPV, Light Commercial and Light Motor Homes (4.5Tonnes or 10,000 LBS and under)

- Use Class 02 and the same driving record as the tow truck.
- Use the estimated rate group value table in the Private Passenger Section of the manual to determine the rate group based on the limit chosen.
- Calculate the Class 02 Collision premium.

- Charge 50% of that premium.

**B) Vehicles over 4.5 tonnes or 10,000 LBS GVW**

- Use the same driving record as the tow truck.
- Use Rate Group Table II in the Commercial Section of the manual to determine the rate group based on the limit chosen. The model year is assumed to be the current year.
- Determine the Commercial Collision premium.
- The charge will be 50% of that premium for each tow truck.

**Legal Liability for Specified Perils on Customer Automobiles will be rated as follows:**

Multiply the limit chosen by the open lot rate for Specified Perils on Customer Automobiles.

additional premium as follows using Liability, Accident Benefits and UA premium:

- If only 1 vehicle is being towed or piggybacked, charge 10%
- If more than 1 vehicle is being towed or piggybacked, charge 25% for each towed or piggybacked vehicle.

**Legal Liability For Collision To Customer Automobiles will be rated as follows based on the vehicles towed:****A. PPV, Light Commercial and Light Motor Homes (4.5Tonnes or 10,000 LBS and under)**

- Use the Private Passenger Rating Notes in the Private Passenger Section of the manual to determine the rate group based on the limit chosen.
- Calculate the Class 07 (or 08-19 if the principal operator is under 25) Collision premium.

**B. Vehicles over 4.5 tonnes or 10,000 LBS GVW**

- Use Rate Group Table II in the Commercial Section of the manual to determine the rate group based on the limit chosen. The model year is assumed to be the current year. Determine the Commercial Collision premium.

**Legal Liability for Specified Perils on Customer Automobiles**

Multiply the limit chosen by the open lot rate for Specified Perils on Customers Automobiles.

**Rule 630: Driveaways**

Please see the definition found under Rule 601. These risks are written on POL 4 with END 71. Use Service Station rates for Liability, Accident Benefits Uninsured Automobile and DCPD, based on the number of staff units and add each of the applicable following premiums:

**For Each Service Plate**

The premium for Liability, Accident Benefits, Uninsured Automobile and DCPD, is to be calculated for each plate by using Class 07 rates or Class 08-19 if the principal operator is under 25. The driving record will be the 0, 1, 2 or 3 years accident free based on risk qualifications. The driving record is based on FA experience only for all coverage. The rate group for Accident Benefits is obtained from Table A Rate Groups in the Private Passenger section.

The rate group and premium for DCPD is calculated as outlined under Legal Liability for Customer Automobiles except substitute the words 'DCPD' premium for 'Collision premium'.

If the Insured tows a vehicle behind the vehicle being delivered in order to make a return trip home, charge 10% of the Liability premium. The towed vehicle must have separate coverage on a POL 1.

If the Insured is delivering more than one vehicle by means of driving one and towing or piggybacking others, then charge an

**Rule 631: Bailiff**

This description includes those persons lawfully repossessing vehicles. If the Insured owns a compound and is storing vehicles there, the limit per occurrence must reflect the total exposure at that location. These risks are written on POL 4 with END 71.

Use Service Station rates for Liability, Accident Benefits, Uninsured Automobile and DCPD based on the number of staff units and add each of the applicable following premiums:

**For each owner and full time employee:**

The premium for Liability, Accident Benefits, Uninsured Automobile and DCPD is calculated for each owner and full time employee using Class 07 rates or Class 08-19 if the principal operator is under 25.

The driving record will be 0, 1, 2 or 3 depending on the risk's number of verified accident-free years. The driving record is based on FA experience only for all coverage. The rate group for Accident Benefits is obtained from Table A Rate Groups in the Private Passenger section.

The rate group and premium for DCPD is calculated as outlined

under Legal Liability for Customer Automobiles except substitute the words 'DCPD' premium for 'Collision premium'.

There is no additional charge for service plates.

If the Insured uses a tow truck, see Rule 629: Tow Truck Incidental To All Other Garage Operations. END 27B may not be used to provide Legal Liability for Damage to Customer Automobiles.

**Legal Liability for Collision to Customer Automobiles will be rated as follows based on the vehicles towed :**

**A) PPV, Light Commercial and Light Motor Homes (4.5Tonnes or 10,000 LBS and under)**

- Use Private Passenger Rating Notes in the Private Passenger Section of the manual to determine the rate group based on the limit chosen.
- Determine the Class 07 (or 08 – 19 if the principal operator is under 25) Collision premium

**B) Vehicles over 4.5 tonnes or 10,000 LBS GVW**

- Use Rate Group Table II in the Commercial Section of the manual to determine the rate group based on the limit chosen. The model year is assumed to be the current year. Determine the Commercial Collision premium.

**Legal Liability for Specified Perils on Customer Automobiles**

Multiply the limit chosen by the open lot rate for Specified Perils on Customer Automobiles.

## Rule 632: Auctions

Please see Rule 601: Definitions. These risks are written on POL 4 with END 71. Use Storage Garage rates for Liability, Accident Benefits and Uninsured Automobile based on the number of staff units and add the following premium:

**For each service plate:**

The premium for Liability, Accident Benefits, UninsuredAutomobile and DCPD, is to be calculated for each plate by using Class 07 rates or Class 08-19 if the principal operator is under 25.

The driving record will be 0, 1, 2 or 3 depending on the risk's number of verified accident-free years. The driving record is based on FA experience only for all coverage. The rate group for Accident Benefits is obtained from Table A Rate Groups in the Private Passenger section.

The rate group and premium for DCPD are calculated as outlined under Legal Liability for Collision to Customer Automobiles except substitute the words 'DCPD premium' for 'Collision premium'.

## Legal Liability for Collision to Customer Automobiles

**Rating is based on the vehicles to be transported and auctioned.**

**A) PPV, Light Commercial and Light Motor Homes (4.5Tonnes or 10,000 LBS and under)**

- Use Private Passenger Rating Notes in the Private Passenger Section of the manual to determine the rate group based on the limit chosen.
- Determine the Class 07 (or 08 – 19 if the principal operator is under 25) Collision premium

**B) Vehicles over 4.5 tonnes or 10,000 LBS GVW**

- Use Rate Group Table II in the Commercial Section of the manual to determine the rate group based on the limit chosen. The model year is assumed to be the current year. Determine the Commercial Collision premium.

**Legal Liability for Specified Perils on Customer Automobiles**

Multiply the chosen limit by the open lot rate for Specified Perils on Customer Automobiles.

## Rule 633: Raffles

The vehicle must be insured on POL 1 (Owner's Policy). If the organization that is raffling the vehicle does not own the vehicle, that organization should be insured under POL 6 (Non-Owned Automobile Policy).

On POL 1 (Owner's Policy) the vehicle is to be rated Class 07. The driving record will be 0.

If the vehicle is private passenger, the rate group will be determined using the Private Passenger Rating Notes in the Private Passenger Section; if the vehicle is commercial, the rate group will be determined using Commercial Rate Group Table II in the Commercial Section.

## Rule 634: Consignment

Vehicles on consignment, not being owned by the Insured, are Customer Automobiles.

## Rule 635: Valet Parking

For each employee (full or part time) charge the Storage Garage staff unit rate. Coverage for Open Lot Theft is not available. END 71 (Excluding Owned Automobiles) must be attached to the policy and owned vehicles must be insured on POL 1 (Owner's Policy).

## Rule 636: Auto Hauler

The vehicle must be insured on POL 1. A cargo policy must be purchased if legal liability for damage to vehicles being carried is required while in transit. The Insured may purchase POL 4 with END 71 to cover the exposure for loading and unloading vehicles. Item 3 of the policy declaration must state "loading and unloading vehicles from auto hauler". Use Storage Garage rates for Liability and Accident Benefits and Legal Liability for Damage to Customer Automobiles based on the number of staff units.

## Rule 637: Standard Endorsement Forms Applicable to POL 4 (Garage Policy)

### 70: Named Chauffeur Basis

This endorsement is used when the Owned Automobiles Collision coverage is to be provided only when specified persons are personally in control of the vehicles.

Instead of applying a rate to staff units, the premium for the coverage is calculated on the number of highest-rated vehicles equal to the number of named persons, using 120% of the Collision rates applicable to those vehicles and persons.

### 71: Excluding Owned Automobiles

The use of this endorsement is mandatory on policies issued in respect of risks not rated as Automobile Dealers.

### 72: Multiple Alteration

This form is used by the Servicing Carrier to record a change of the information supplied on the application form and the change (if any) of the policy premium.

### 73: Excluding Financed Automobiles

This endorsement is used when it is required to specify that the

Owned Automobiles Comprehensive/Specified Perils coverage does not apply to any vehicle which, although held for sale by the Insured, is financed by a named lienholder or mortgagee.

### 74: Open Lot Theft - Owned Automobiles

This endorsement is not available for Facility Association business.

### 75: Open Lot Theft - Customers Automobiles

This endorsement is not available for Facility Association business.

### 76: Additional Insured

The purpose of this endorsement is to provide insurance in respect of vehicles that are provided for the regular or frequent use of specified persons who are not active partners or full-time employees. Full details of each such vehicle and person must be supplied on an APP 1 (Owner's Policy Application form) and the premium is developed from the applicable Private Passenger, Commercial or Recreational Vehicle rates. The calculated premium becomes the additional premium on the END.76.

### 77: Comprehensive Damage - Customer Automobiles (including Open Lot Theft)

This endorsement is not available for Facility Association business.

### 78: Reduction of coverage as respects operation by named persons

This endorsement is used if the coverages provided by the policy are to be restricted when certain named persons are driving a vehicle.

### 78A: Excluded Driver Endorsement

This endorsement is used if certain coverages provided by the policy are to be eliminated when certain named persons drive any of the automobiles defined in the policy.

### 79: Fire Deductible

This endorsement is used when the deductible shown for the Owned Automobiles Comprehensive/Specified Perils coverage is to be made applicable also to Fire losses.

### 80: Specified Owned Automobile Physical Damage Coverage

This endorsement is used when physical damage coverage is to be provided only to specified automobile(s).

Full details of each such vehicle and person must be supplied on an APP 1 (Owner's Policy Application form) and the premium is developed from the applicable Private Passenger, Commercial or Recreational Vehicle rates. The calculated premium becomes the premium on the END 80.

### 81: Family Protection

This endorsement provides limited protection to certain persons in the event of bodily injuries caused by another motorist who has less Third Party Liability insurance than the Insured. For a complete description of the coverage, see the actual endorsement form.

The limit in respect of any one accident (i.e. all claimants) is normally the difference between the Third Party Liability limit carried by the other motorist and the Third Party Liability limit

applicable to the insured vehicle.

The coverage provided by END 81 shall be the same as the Liability limit applicable on the insured vehicle.

**82:Liability for Damage to Non-Owned Automobiles and Drive, Rent or Lease Other Automobiles – Named Persons**

Provides insurance for specified persons to cover legal liability for loss of or damage to a non-owned vehicle arising from Collision and/or Comprehensive or Specified Perils.

The premium is \$50 per named person per annum. Coverage is offered only to risks with owned vehicles insured on POL 4 (Garage Policy) carrying both Collision and Comprehensive/Specified Perils.

This is a flat fee per policy term and is not pro rated when the endorsement is added midterm to a policy or deleted midterm from a policy unless the owned vehicle is deleted or the policy cancelled.

This is a policy level endorsement. The coverage provided is Collision and Comprehensive. The limit provided by the endorsement is \$40,000 subject to a deductible of \$500.

**FA82:Deductible Amount**

Available for Legal Liability for Collision for customer vehicles when the value of vehicles may range from low values to \$50,000 or more. Deductible applicable to a specific vehicle is subject to the greater of \$2,500 or 5% of the actual cash value of the vehicle at the time of loss.

**83: Automobile Transportation Endorsement**

Currently, vehicles designed for the transportation of more than one automobile are excluded under the POL 4 wordings. This endorsement allows more than one vehicle to be towed or carried by the towing vehicle.

The endorsement may be used on Facility Association Garage policies; however, the number of vehicles being towed or carried is limited to a maximum of 3 vehicles.

The premium is the current rate for towed vehicles, calculated separately for each vehicle being towed or carried.

**84: Owned Automobiles – Agreed Limit for Automobile Electronic Accessories and Equipment**

This endorsement provides coverage for listed, after-market electronic equipment totalling more than \$1500.

The premium is \$30 per \$1000 (or part thereof) of the limit of coverage shown on the endorsement.

**86: Customer Automobiles – Fire Deductible Endorsement**

The deductible shown under Item 5 subsection 6.4 of the policy applies if a customer vehicle suffers a fire loss. This endorsement must be applied where there have been 3 or more fire losses within the past 3 years.

**87: Added coverage to offset tort deductibles**

This endorsement reduces the deductible and indicates the difference between the standard deductible and the purchased deductible on a Garage Automobile Policy

## FACILITY ASSOCIATION GARAGE RATING/UNDERWRITING SUPPLEMENT

Name of Applicant \_\_\_\_\_ Binder/Policy Number \_\_\_\_\_

*If space is insufficient for a proper response in any section, please attach a separate sheet showing details.*

**1. OPERATIONS: Operations not described in Item 3 of the application are not covered.**

- a) Indicate the operations of the Applicant **Check all those applicable:**
- |  |  |   |  |
|--|--|---|--|
| Sale of: New Vehicles <input type="checkbox"/> | Franchise for _____                          | Used Vehicles <input type="checkbox"/>  | Wholesale/Auction <input type="checkbox"/> |
| Repairs <input type="checkbox"/>               | Service Station <input type="checkbox"/>     | Storage Garage <input type="checkbox"/> | Parking Lot <input type="checkbox"/>       |
| Detailing <input type="checkbox"/>             | Towing: Cars Other: <input type="checkbox"/> | Other <input type="checkbox"/>          | Specify _____                              |
- b) Kinds of vehicles sold or serviced
- |  |   |                                      |  |
|--|---|--------------------------------------|--|
| Cars & Light Truck <input type="checkbox"/>    | Heavy Trucks <input type="checkbox"/>             | Motorcycles <input type="checkbox"/> | Snow Vehicles <input type="checkbox"/> |
| Recreational Vehicles <input type="checkbox"/> | Antique/Specialty/Exotic <input type="checkbox"/> | Other <input type="checkbox"/>       | Specify _____                          |
- c) Number of Courtesy Cars (vehicles only supplied to customers whose own vehicle is being serviced, repaired or awaiting delivery of a new vehicle): \_\_\_\_\_
- Number of Shuttle Buses to transport customers: \_\_\_\_\_
- d) Other operations (Specify): \_\_\_\_\_
- e) % of total business engaged in pickup and delivery of customer vehicles carrying owner's vehicle plates: \_\_\_\_\_
- % of total business engaged in the pickup and delivery of other vehicles carrying Applicant's service plates: \_\_\_\_\_
- % of total business engaged in the pickup and/or delivery of vehicles using drivers not regularly employed by Applicant: \_\_\_\_\_
- Locations owned/leased by Applicant and not shown on application: \_\_\_\_\_
- Radius of Operations: \_\_\_\_\_
- % of total mileage driven outside Ontario: \_\_\_\_\_
- Destinations/locations: \_\_\_\_\_
- Detailed description of all operations:**
- \_\_\_\_\_

**2. INFORMATION: Attach authorization to enable insurer to obtain a driver record abstract where such authorization is required by law.**

- a) Personnel including owners, proprietors, partners, officers and employees:

	NAME AS SHOWN ON DRIVERS LICENSE	DRIVERS LICENSE NUMBER	BIRTH DATE DD MM YY	SEX	YEARS LICENSED	EMPLOYED MM YY	FULL OR PART TIME	POSITION
1								
2								
3								
4								
5								

- b) Other operators (not employees) who will drive vehicles (owned or not owned), insured by this policy.  
END76 is required. (e.g. spouse, children)

	NAME AS SHOWN ON DRIVERS LICENSE	DRIVERS LICENSE NUMBER	BIRTH DATE DD MM YY	SEX	YEARS LICENSED	RELATIONSHIP	RESIDENCE ADDRESS
6							
7							
8							
9							
10							

- c) List details of all accidents, convictions and licence suspensions/cancellations of any driver listed above during the last 6 years.

DRIVE NUMBER	ACCIDENT	
	DATE	DETAILS

DRIVER NUMBER	CONVICTIONS, SUPSPENSIONS / CANCLEATIONS	
	DATE	DETAILS

- d) Has the Applicant or any driver listed above, to the knowledge of the Applicant, been found by a court to have committed a fraud in connection with automobile insurance? Yes  No  If yes, give details \_\_\_\_\_

**3. VEHICLES OWNED BY THE INSURED: This section must be completed for all Applicants engaged in the sale of New and Used Vehicles.**

Note: Vehicles i) rented or leased to others (other than) Courtesy Cars - defined above  
 ii) used in Towing Services not incidental to garage operations  
 iii) leased by the Applicant from others **are not covered** by Facility Association on this policy form.  
 These must be insured on an Owner's Policy Form.

a) List all vehicles owned by or registered to the Applicant which are Not Held For Sale.

Establish rate group in accordance with appropriate manual section for Collision and attach copy of registration; then for value use corresponding amount opposite rate group.

YEAR	MAKE AND MODEL, BODY TYPE	VEHICLE IDENTIFICATION UNUMBER (VIN) (SERIAL NUMBER)	PLATE NUMBER	USE	DRIVER NUMBER
1					
2					
3					
4					
5					
6					
7					
8					

b) List all dealer and service plate numbers in possession of Applicant and attach copy of all plate registration:

Plate Numbers: \_\_\_\_\_

c) **Vehicles Held For Sale**

	<u>Amount</u>
Average Number	# _____
Maximum Number	# _____
Average Value	\$ _____
Maximum Single Value	\$ _____

Average Age of Vehicles Held for Sale: \_\_\_\_\_

For Section C Rating, the required Limit must include value of vehicles listed in 3a. if not insured elsewhere

Value from 3a \_\_\_\_\_ Amount to insure \_\_\_\_\_

Additional Locations and changes to coverage required:  
 \_\_\_\_\_

**4. CUSTOMERS VEHICLES:**

	<u>Amount</u>
Average Number	# _____
Maximum Number	# _____
Average Value	\$ _____
Maximum Single Value	\$ _____

Additional Locations and changes to coverage required:  
 \_\_\_\_\_

**5. ADDITIONAL INFORMATION:**

a) Insurance	Previous Garage	Other Automobile	Other Liability
Insurer	_____	_____	_____
Policy Number	_____	_____	_____
Expiry Date	_____	_____	_____

b) How long has Applicant been in this business? \_\_\_\_\_

c) How long at present location? \_\_\_\_\_

d) Does Applicant hold a municipal business licence to conduct this business?

Yes  No  If Yes, Registration Number Required \_\_\_\_\_

e) Any other business carried on at this location, or sale of goods except vehicles, their equipment and accessories?

Yes  No  If Yes, Details \_\_\_\_\_

**6. SIGNATURES:**

Date: \_\_\_\_\_ Signature of Applicant \_\_\_\_\_

Date: \_\_\_\_\_ Signature of Broker/Agent \_\_\_\_\_

## Rule 700: POL 2 – Driver's Policy Overview

The purpose of the POL 2 (Driver's Policy) is to provide coverage that is excess of any policy specifically insuring the automobile concerned.

**Insureds (individuals or companies) wishing to purchase this policy instead of the coverage available through a car rental company should be advised that Facility Association does not offer primary coverage through non-owned policies.**

A Driver's Policy indemnifies the Insured against legal liability for bodily injury or property damage that arises from the use or operation of any non-owned automobile while the Insured is personally in control of the automobile with the owner's consent. Under the Highway Traffic Act, owners of vehicles and drivers of vehicles are liable in the event of an accident.

The Insurance Act provides that, in the event of an accident, the Third Party Liability coverage provided by a Driver's Policy is not primary coverage. It is excess of the coverage provided by any policy specifically insuring the automobile concerned.

**This provision cannot be varied and every Applicant should be made aware of it when the insurance is arranged.**

## Rule 701: Filed Underwriting Rules

### A. The Insurer's rules for declining to issue, terminating or refusing to renew a contract are:

1. The risk does not meet the object of the Facility Association which is to ensure the availability of automobile insurance, as required by law, in those provinces and territories of Canada in which the Association operates, to the owners and licensed drivers of motor vehicles who would otherwise have difficulty obtaining such insurance.
2. The risk is not a non-owned risk.
3. The vehicle being driven is not registered in Ontario.
4. The Applicant does not hold a valid operator's licence.
5. The application is incomplete, has not been signed by the Applicant, or has not been bound by the Agent/Broker.
6. The Applicant/Agent/Broker refuses to provide the sufficient valid information to write the risk. 'Sufficient valid information to write the risk' includes data to properly rate the risk and to report the risk information in accordance with the Automobile Statistical Plan.
7. Non-payment of premium for the current policy period (for purposes of termination only).

8. Any risk where abusive or threatening behaviour of the Insured/Applicant/Driver within the previous 3 years has created a safety concern for Facility Association staff, Servicing Carrier staff or a representative acting on behalf of either and circumstances have been reported to police.

### B. Rules for refusing to provide or continue a coverage are:

1. Optional physical damage coverage shall not be provided where the Applicant or any person who is a regular or frequent operator of the vehicle has, within the immediately preceding thirty six months:
  - a) When making a previous application for automobile insurance, given false particulars of an automobile to be insured to the prejudice of the Insurer;  
**or**
  - b) Knowingly misrepresented\*or failed to disclose in an application any fact required to be stated therein;  
**or**
  - c) Has contravened a term of an insurance contract or been convicted of fraud in relation thereto;  
**or**
  - c) Wilfully made a false statement in respect of a claim.

\* Misrepresentation means an Applicant has either had a policy cancelled by registered letter for material misrepresentation or has had a claim denied for material misrepresentation.

2. Where a non-owned vehicle is licensed for road use and is used on roads as well as used for race or speed tests, optional physical damage coverage shall not be provided.

## Rule 702: Coverages Available

### A. Third Party Liability

Not more than \$2,000,000 except; When required by Canadian or American federal or provincial/state statute through regulation or by municipal by-laws. Municipal by-laws do not include other local authorities such as school boards. The Liability limit may not exceed the amount required. The amounts shown on any proof of insurance may not exceed those required by the authority concerned.

If it is necessary to provide a Liability limit that falls between two limits for which premiums or limit factors are indicated in this manual, the premium or limit factor applicable to the higher of those two limits shall be used.

Where it is required and permissible to provide a higher Liability limit, the increased limit factors can be found in the relevant section. If the manual does not provide the necessary increased limit factor, contact your Servicing Carrier.

### B. Accident Benefits

As prescribed by statute. Optional increased benefits are also available.

**C. Uninsured Automobile**

As prescribed by statute.

**D. Liability for Damage to Non-Owned Automobiles**

The insurance may be extended to cover the Insured's legal liability for damage to the non-owned automobile arising from Collision, Comprehensive or Specified Perils.

The deductible may not be less than \$500.

**a) Minimum Deductibles**

Refer to the section of the manual pertaining to the type of automobile to be driven e.g. Private Passenger Section. Refer to the same section for minimum deductibles applicable due to claims.

**b) Liability for Damage to Non-Owned Automobiles**

Policies may not be written for this coverage only.

**Rule703: Rating****1. Liability**

This coverage is rated according to the use, driving record, territory, etc., as if the Applicant owned the type of automobile driven e.g. private passenger. This premium is subject to a 50% discount. If the Applicant is excluded as a driver on another policy by means of END 28A (Excluded Driver), the discount does not apply.

**2. Accident Benefits and Uninsured Automobile**

These coverages are rated according to the use, driving record, territory, etc., as if the Applicant owned the type of automobile driven e.g. private passenger. There is no discount applicable to the premium calculated.

**3. Optional Benefits**

The rates for these are found at the bottom of the rate page in the relevant section of the manual. If the vehicle to be driven is a private passenger vehicle, the rates used will be those in the Private Passenger Section.

**4. Liability for Damage to Non-Owned Automobiles**

All premiums (Collision, Comprehensive, Specified Perils) are calculated by charging the premiums applicable to the highest rated vehicle that would be driven, as if the Applicant owned the vehicle. The limit per occurrence is used to calculate the rate group. The model year is assumed to be the current year unless the specific vehicle(s) is known. There is no discount applicable to the premium calculated.

**5. Endorsement Forms – Other**

END 4A, 4B and 6A may be used with POL 2. The POL 1 premium (from which the POL 2 premium is calculated) must be calculated to include the charge for these endorsements before the POL 2 premium is determined

**6. Coding**

For the Statistical Plan, the Class (Type of Use) Code to be reported is 98.

All other codes are the same as those applicable to POL 1.

**Rule 704: Binding Coverage – New Policies****A. Requirements/Procedures for binding new policies**

- 1) The Agent/Broker must have a fully completed application signed by the Applicant detailing all information on the risk. Supplementary questionnaires, if required, must be completed and signed by the Applicant. If the Servicing Carrier is required to have a driver's permission to obtain a driver record abstract, that written authorization must accompany the application.
- 2) Before binding coverage the Agent/Broker must either
  - a) Collect or assume responsibility for the full indicated premium.
  - or
  - b) Where a risk qualifies for the monthly pay plan, provide all information and documents required to the Servicing Carrier.
  - or
  - c) Obtain a fully completed premium finance contract together with the full down payment required and promptly send that contract to the finance company office.
- 3) The insurance shall take effect as of the time and date the coverage is bound. Under no circumstances may coverage be shown as effective prior to the date and time of completion of the application form. Therefore coverage may not be bound as of 12:01 a.m. on the date the application is signed. However, except when the binding time is 12:01 a.m. of a future date, the policy shall be shown as effective at 12:01 a.m. on the day following the date coverage was bound. The premium rates to be applied are those in effect on the binding date.

*For example:*

- a) Coverage is bound at 1:00 p.m. on June 1. The application is signed on June 1. The policy will be issued showing an effective date of 12:01 a.m. June 2. However, the coverage is in effect as of 1:00 p.m. on June 1.
- b) Coverage is bound as of 12:01 a.m. June 1. The application was signed on May 29. The policy will be issued showing an effective date of 12:01 a.m. June 1.
- 4) If the application form cannot be sent to the Servicing Carrier on the date on which coverage was effected, it must be sent the next working day.
- 5) The Servicing Carrier shall normally issue the policy within 30 days of the effective date. If the Agent/Broker does not receive the policy and the full term

liability card within that time, a further temporary liability card must be issued by the Agent/Broker and the Servicing Carrier must be contacted immediately to determine the status of the policy.

### B. Term of binding new policies

The term of binding and of the temporary liability card is 30 days. The temporary liability card may not be amended to indicate a longer period. If a short term policy is to be issued, the temporary liability card shall be amended to indicate a shorter period.

## Rule 705: New Policies

### A. Application Form

Every application for insurance must be made on the current approved Standard Application Form and must be fully completed and signed by both the Applicant and Agent/Broker where required. See also Rule 705:D. Computer Generated Application Forms.

### B. Application (APP 2)

The Servicing Carrier's APP 2 must be used. The application must be clearly marked 'Facility Association Residual Market'. The following information must be completed on APP 2:

1. Applicant's name and postal address
2. Policy period (including the effective date and binding time and date)
3. Applicant's signature
4. Date of Applicant's signature
5. Year, make and model of the vehicle on which the premium is calculated.
6. Territory, rate class and driving record on which the premium is calculated
7. Driver's name, driver's licence number and details of any losses in the last 5 years

**NOTE:** The temporary and permanent liability certificates for the POL 2 (Driver's Policy) must not show the year, make and model of the vehicle on which the premium is calculated.

### C. Faxed Applications

Fully completed and signed current approved Standard Application forms submitted by fax are acceptable in lieu of original applications. Where required, these applications must be accompanied by the appropriate questionnaires or supplements. Where the original application has been submitted without signature, a signed and faxed copy of the application is acceptable to complete the signature requirement.

### D. Computer Generated Application Forms

These application forms are acceptable but must be in the standard format approved by the applicable regulatory authority and must include all information that is required to be provided on the current approved Standard Application Form.

The computerized application must be signed and dated by the Applicant as well as the Agent/Broker.

### E. Applicant's Signature

The Applicant's signature shall be provided on the current approved Standard Application Form or the computerized application form at the time of binding whenever possible.

If the Applicant's signature cannot be obtained at the time of binding, the Servicing Carrier shall allow the Agent/Broker 30 days to obtain a signature on the original application provided the Agent/Broker assumes responsibility for the full indicated premium. In the meantime, the Agent/Broker must send a copy of the completed but unsigned application to the Servicing Carrier.

If a signed copy of the application is not received by the Servicing Carrier within the 30 day time period, the Servicing Carrier shall immediately cancel the policy by registered letter. The Agent/Broker shall be responsible for the full indicated earned premium for the time on risk.

### F. Name of the Insured

Insurance contracts must be made with individuals who have both the capacity to contract and are legal entities.

### G. Verification of Driving History

In order to verify the driving history, the Servicing Carrier is required to obtain the following before confirming the premium:

- a) Driver record abstract obtained from the appropriate government department in each Canadian or U.S. jurisdiction in which the driver has been licensed in the previous three years.
- b) Previous insurance history obtained on the with the exception of drivers with only an international licence. This may be an electronic report ordered from a service provider, letters from previous carriers or telephone calls to previous carriers (which must be properly documented on file including name of persons spoken to, date, time etc.).

Insurance history is not required for Motorcycle, Moped, Snow Vehicles, Dirt Bikes, All Terrain Vehicles, Antique Vehicles. See special instructions under Fleets and the Garage section.

If the information received is different from that reported on the application, to the extent that the premium requires amendment, the policy shall be issued at the revised premium and coverage or the Servicing Carrier shall promptly issue a correcting policy change.

## Rule 706: Definitions

### A. Automobile

The word 'automobile' includes a recreational vehicle and/or a trailer unless otherwise indicated.

**B. Non-owned Automobile**

An automobile that is not owned in whole or in part by or registered in the name of the Applicant.

**C. Valid Operator’s Licence**

**1. Definition**

A valid Canadian licence to drive the type of vehicle concerned. Where there is graduated licensing, a level two (G2) licence is a valid operator’s licence.

A learners permit or a level one (G1) licence is not regarded as a valid operator’s licence

**2. International Driving Permit**

An international driving permit is not a valid licence in and of itself. It is a permit to drive in another country if the driver already has a valid licence. It is valid in Canada only for temporary residents e.g. embassy staff, exchange students, tourists.

Permanent residents must apply for a licence in the Canadian jurisdiction in which they reside. Where a driver holds an international driving permit, the application must show complete details of the driver’s licence upon which it was granted. This would include the country in which the valid licence was issued, driver’s licence number, expiry date etc.

**D. Types of Licence Suspension**

**1. Suspension for Cause**

A suspension or cancellation of the operator’s licence for a period exceeding two weeks resulting from a conviction or from the accumulation of demerit points.

A suspension/cancellation/lapse because a fine was not paid is treated as an administrative suspension/ cancellation/lapse even if the fine resulted from a conviction.

**2. Administrative Suspension/Cancellation/Lapse**

A suspension/cancellation/lapse for any period of time for any reason other than those outlined under Suspension for Cause.

Any roadside licence suspensions of 3, 7 or 30 days under the Highway Traffic Act for alcohol, drug or drug and alcohol impairment are considered administrative suspensions.

The 90 day roadside licence suspension under the Highway Traffic Act for blood alcohol exceeding .08 or refusing a drug or alcohol test for blood alcohol between .05 and .08 are considered administrative suspensions.

Since these are roadside licence suspensions only with no associated conviction, there is no conviction showing on MVRs and no applicable surcharge. If the total time suspended/cancelled/lapsed is 36 months or less in the past 5 years, the driving record will not be affected.

**NOTE:** Under the Ignition Interlock Program, it is a condition of the driver’s licence reinstatement that the driver is prohibited from driving any motor vehicle that is not equipped with an approved ignition interlock device.

For drivers who have entered the Ignition Interlock Program, the length of the licence suspension shall be calculated from the date the licence was suspended to the date the Ignition Interlock Program was entered.

*For example:* Licence was suspended from January 1 to July 1. The driver entered the Interlock Program on March 1. Therefore the total time the driver’s licence is considered to have been suspended is 2 months not 6 months.

**Rule 707: Rating Territory**

The rating territories are described in Rule 732: Territories.

The rating territory refers to where the vehicle is garaged.

**Rule 708: Rating Class**

Rating class is determined by the type of vehicle being driven and the use. Refer to the specific section of the manual for rating criteria.

Vehicle Type	Section of Manual
Private passenger	Private Passenger Section
Truck	Commercial Section
Taxi	Public Section
Bus	Public Section

**Rule 709: Driving Record**

Driving record is determined by the type of vehicle being driven and the driver’s experience. Refer to the specific section of the manual for driving record requirements.

Vehicle Type	Section of Manual
Private passenger	Private Passenger Section
Truck	Commercial Section
Taxi	Public Section
Bus	Public Section

**Rule 710: Not applicable**

## Rule 711: Vehicle Rate Group

Applicable rate group is determined by the type of vehicle. Refer to the specific instructions shown in Rule 703: Rating.

Vehicle Type	Section of Manual
Private passenger	Private Passenger Section
Truck	Commercial Section
Taxi	Public Section
Bus	Public Section

## Rule 712: Claims

Every accident, loss or claim that comes to the knowledge of the Agent/Broker in regard to his/her Facility Association POL 2 (Driver's Policy) must immediately be reported in the manner prescribed by the Servicing Carrier.

### Collision with Animals

Only as excess coverage, losses involving Collision with animals, both wild and domestic, shall be paid under Comprehensive coverage. If the policy does not afford Comprehensive coverage but does provide Collision coverage, the loss shall be paid under Collision coverage and be regarded as not chargeable.

## Rule 713: Endorsement Forms and Wordings

Changes to standard approved forms are not permitted.

Rule 731: Endorsements Applicable to POL 2: Driver's Policy provides certain details and rating instructions for approved endorsement forms. The descriptions are brief and reference must be made to the actual wordings of these forms to ascertain the full provisions and restrictions.

Certain endorsements require a signature. Where no signature is obtained, the policy may be cancelled in accordance with the Statutory Conditions or the endorsement may be deleted and the policy re-rated accordingly.

Provided the endorsement form does not indicate the expiry date of the policy and continues to refer to a particular vehicle (policy vehicle item number did not change), once an endorsement form has been signed, it need not be signed again on subsequent policy renewal.

## Rule 714: Premiums

### A. Premium Quotations

The Agent/Broker is responsible for calculating premiums in accordance with this manual.

Where there is any doubt on the matter, the Servicing Carrier will be pleased to assist in establishing risk classifications, but the Servicing Carrier shall not make premium quotations except where the manual does not provide for the particular coverage required.

The Servicing Carrier shall require clarification from the Agent/Broker if the information on the application contradicts the quoted premium.

### B. Manual Rates

The rates published in this manual are for annual policy terms. For six month policies charge 52% of the annual premium.

### C. Premium Rounding

The premium for each coverage shall be rounded to the nearest whole dollar. A premium that includes 50 cents or more shall be rounded up to the next whole dollar. (\$46.56 will be rounded up to \$47.00 and \$46.44 will be rounded down to \$46.00).

This applies to all premium transactions, including refunds except where the policy is cancelled by registered letter at the request of the Agent/Broker or by the Servicing Carrier. In that event, the return premium shall always be rounded up to the next whole dollar (\$45.10 will be rounded up to \$46.00).

### D. Minimum Premium/Minimum Retained Premium

The minimum premium for any automobile policy or renewal and, the minimum retained premium in the event of cancellation of the policy, is \$25, excluding service fee regardless of the term of insurance. The minimum retained premium must be stated on the declaration page of the policy.

### E. Monthly Payment Plan

In accordance with the Insurance Act, Servicing Carriers must offer and administer a monthly payment plan for business they write on behalf of Facility Association as prescribed by regulation.

The Servicing Carrier will establish the rules for monthly payment plan subject to the following conditions and any changes to regulation that may occur from time to time:

- The contract is written on Ontario Automobile Policy 1 or Ontario Policy Form 2.
- The contract does not insure a commercial vehicle or public vehicle.
- The contract does not insure five or more vehicles under common ownership or management.
- The total annual premium payable under the contract exceeds \$300.
- The Insured has not had more than one automobile insurance policy terminated by an Insurer for non-payment of premium during the thirty-six months before the contract takes effect.

- As a pre-condition for permitting an Insured to pay the premium in instalments, an Insurer may require that the Insured:
  1. Make an initial payment equal to two monthly instalments of the premium; and
  2. Agree to make all payment under the contract by pre-authorized payment from the Insured’s account at a financial institution.
- A finance charge, authorized by government regulation that may be amended from time to time is applied to the total policy premium. (The total policy premium is the net premium plus service fee.)
- A returned item charge of \$50 applies to failed withdrawal attempts.

### Rule 715: Policy Term

Every policy and renewal shall be issued for a term of either one year or six months.

A short term policy may be issued in the event that the non-owned vehicle is in transit in or through the jurisdiction, i.e. a single trip from a location within a jurisdiction in which Facility Association operates to another location within a jurisdiction in Canada or the continental U.S.A. The Servicing Carrier may accept an application for a short term policy and issue the policy accordingly or accept an application for a 6 or 12 month term and a cancellation voucher signed to provide coverage for only the shortened term.

The premium for the policy shall be calculated using the highest rated territory of the originating jurisdiction and the applicable short term table in this manual, subject always to the minimum retained policy premium.

### Rule 716: Policy Changes

#### A. A change to a policy shall not be processed if:

- a) The change is substantial e.g. the Insured is covered under POL 2 (Driver’s Policy) and now requires POL 1 (Owner’s Policy) instead. A new policy is necessary and a new application must be submitted. If in doubt, the Agent/Broker should contact the Servicing Carrier for direction. The existing policy shall be cancelled pro rata. If the new policy is to be placed on monthly pay, the application must be accompanied by all information and documents required by the Servicing Carrier.
- b) The non-owned exposure is now in a jurisdiction other than Ontario.

#### B. Binding Coverage - Policy Changes

If the change involves an Insured for whom proof of insurance has been filed or is required, please also see Rule 725: Proof of

Insurance. Before binding coverage the Agent/Broker must collect or assume responsibility for any indicated additional premium.

#### Procedure of notification

- 1) The Agent’s/Broker’s procedure for reporting changes to the Servicing Carrier must be acceptable to the Carrier. The request for change must be made in writing and specify the effective date and the effective time.
- 2) Faxed or mailed policy change requests are acceptable.
- 3) If the policy change request cannot be sent to the Servicing Carrier on the date the Insured makes the request, it must be sent to the Servicing Carrier on the next working day.
- 4) The Servicing Carrier shall normally issue any required endorsement, updated Certificate of Insurance (if required) and permanent liability card (if required) within 30 days of the effective date of the change.
- 5) Coverage may not be shown as effective prior to the date and time that the request was received by the Agent/Broker from the Insured, except when contractual coverage exists automatically under the policy and notice is given within the time permitted. A permissible policy change is in effect as of the time and date requested.

#### C. Midterm Policy Change Premium Calculation

In regard to the period licensed, the period since the date of an accident, the period since the date of a conviction, the rating is always based on the position as at the effective date of the policy period. Midterm rerating is NOT permissible in respect of changes that occur in regard to those matters during the period of insurance merely because of the lapse of time.

Midterm change due to age is permissible, provided a request is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) within 30 days of the birthday. If the request is received after 30 days, then the change will be effective at 12:01a.m. following the date the Agent/Broker (or Servicing Carrier if received directly from the Insured) receives the request, and back dating will not be permissible.

#### Rates to be used

##### Addition of a coverage or other midterm transactions:

Rates in effect at the start of the policy period.

##### Method of premium calculation:

Premiums for midterm policy changes are calculated pro rata by using the Day Table.

##### Minimum premiums for midterm changes:

A minimum additional premium of \$5 shall be charged for any transaction that includes one or more of the following, regardless of the period of insurance:

- addition of a coverage

- increase of a Liability limit
- decrease of a deductible

**Note 1:** Any additional premium of **less** than \$5 may be waived by the Servicing Carrier unless mentioned above. Return premiums may not be waived.

## Rule 717: Renewals

### A. Before issuing a Renewal:

If the renewal involves an Insured for whom an FRC (financial responsibility certificate) has been filed or is required, see Rule 725: Proof of Insurance.

Since rating is dependent upon driving history, a driver record abstract must be obtained. This must be ordered on the driver prior to every renewal.

Abstracts must be ordered on 6 month renewals as well as 12 month renewals.

Renewals on policies shall only be offered for annual or six month terms.

NOTE: Any risk where abusive or threatening behaviour of the Insured/Applicant/Driver within the previous 3 years has created a safety concern for Facility Association staff, Servicing Carrier staff or a representative acting on behalf of either and circumstances have been reported to police shall be non-renewed.

### B. Accidents Occurring Between Renewal Process Date and Effective Date

Once a renewal or offer to renew has been processed, and accepted by the Insured, if the Servicing Carrier receives notice of a chargeable loss that occurred prior to the renewal's effective date, the Servicing Carrier shall not amend the renewal rating accordingly but charge for the loss on the next renewal.

### C. Renewal Processing

#### 1. Other than Direct Billing

##### Servicing Carrier Responsibilities

- i. Renewal Notice to Agent/Broker  
The renewal documents shall be issued by the Servicing Carrier and must reach the Agent's/Broker's address no later than 45 days prior to the policy's current expiry date.
- ii. Renewal Notice to the Insured  
The renewal notice and/or renewal documents must read the Insured no later than 30 days prior to renewal date.

##### b) Agent/Broker Responsibilities

Before releasing any renewal documents the Agent/Broker must collect or assume responsibility for the full renewal premium. If the Servicing Carrier is unable to issue renewals in the required time period, the Agent/Broker must issue a

temporary liability card to the Insured and collect a down payment based on the estimated annual premium for the upcoming renewal term.

or

If the risk is to be newly placed on monthly pay, provide all information and documents required to the Servicing Carrier.

or

Obtain a fully completed premium finance contract together with the full down payment required and promptly send that contract to the premium finance company.

### Renewal not accepted

If the renewal is not accepted by the Insured, the Agent/Broker must submit one of the following acceptable evidence of renewal refusal to the Servicing Carrier:

- a) Return all the renewal documents (including liability cards) to the Servicing Carrier;  
OR
- b) Written confirmation that the renewal has been returned complete with liability cards to the Agent/Broker AND that the documents were destroyed in the Agent/Broker's office;  
OR
- c) Provide a signed (i.e. written, electronic or auto signature) request from the Insured to cancel the policy effective the renewal date.

If the evidence of renewal refusal is received by the Servicing Carrier within 15 days of the renewal's effective date, a full refund shall be credited to the Agent's/Broker's Facility Association account. If evidence of renewal refusal is not received within 15 days, the renewal shall be cancelled on a pro rata basis effective the date it is received by the Servicing Carrier. The Agent/Broker shall be responsible for earned premium or minimum retained premium whichever is greater.

Renewals where acceptable evidence of refusal has been submitted to the Servicing Carrier for cancellation may not be reissued unless the Servicing Carrier receives instructions no later than the renewal's effective date and the Agent/Broker collects or assumes responsibility for the full premium as outlined above.

If the renewal date has passed and the insurance is again required, there must be a new application and a new policy issued.

#### 2. Direct Billing Renewals

##### Servicing Carrier Responsibilities

- a) For each policy an offer to renew shall be issued by the Servicing Carrier. The offer to renew must reach the Insured's last known address no later than 30 days prior to the policy's current expiry date.
- b) The payment due date must be clearly indicated on the offer to renew and must be the same as the policy's current expiry date.
- c) If the required premium is received by the Servicing Carrier no later than 15 days after the payment due date, the Servicing Carrier shall promptly issue the appropriate renewal documents to the Insured.

- d) The renewal documents must not be released by the Servicing Carrier until the full premium is received or the required first payment is received on time by the Servicing Carrier (by first payment due date if a deferred premium payment plan is available.) If this rule is followed, neither the Carrier nor the Agent/Broker incurs any responsibility for the premium. If the Servicing Carrier follows any other unauthorized procedure, the Servicing Carrier will be responsible for the earned premium for the time on risk calculated on a pro rata basis and will be required to stop offering a Direct Bill option.

#### Payment Not Received

If the required payment is not received by the Servicing Carrier within 15 days of the payment due date, the policy shall be treated as though it has expired and the Servicing Carrier shall advise the Agent/Broker accordingly within the following 10 days.

## Rule 718: Cancellations

### A. Cancellation - Effective Date

#### 1. Received by Agent/Broker or Servicing Carrier within 30 days

If the request for midterm cancellation is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) within 30 days of the date the cancellation is to be effected, and no effective time is requested, the cancellation shall take effect at 12:01 a.m. on the date it was requested to be effective. In the event that the cancellation was specifically requested to be effective at a time other than 12:01 a.m., the cancellation shall be effected at 12:01 a.m. the following day.

*For example:* The Insured requests cancellation of the policy to be effective August 5. The cancellation request is received by the Agent/Broker on August 20. The Servicing Carrier shall cancel the policy effective 12:01 a.m. August 5. If the Insured requested cancellation to be effective at 3:40 p.m. on August 5, the Servicing Carrier shall cancel the policy effective 12:01 a.m. on August 6.

#### 2. Received by Agent/Broker or Servicing Carrier after 30 days

If the request for cancellation is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) more than 30 days after the date the cancellation was requested to be effected, the cancellation shall take effect at 12:01 a.m. on the date that the cancellation request is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured).

*For example:* The Insured requests cancellation of the policy to be effective September 5. The cancellation request is received by the Agent/Broker on October 10. The Servicing Carrier shall cancel the policy effective 12:01 a.m. October 10.

NOTE for 1. and 2.

If the date the request was received by the Agent/Broker is not evident, the Agent/Broker will be asked to provide proof of the

date received acceptable to the Servicing Carrier. If proof cannot be provided, the request will be processed effective 12:01 a.m. on the date received by the Servicing Carrier.

### 3. Coverage placed in Voluntary Market

In the event the Insured has placed coverage through the voluntary market, upon receipt of a copy of the replacing policy application or temporary liability card, the Servicing Carrier shall cancel the policy effective the date that the replacement coverage took effect.

Servicing Carriers shall proceed with cancellation as outlined in points 1 or 2 unless the Servicing Carrier is aware or is made aware, that the circumstances outlined in point 3 exists.

### B. Where Financial Responsibility Certificate Has Been Filed

If FRC (financial responsibility certificate) has been filed, the notice period required by the authority must expire before cancellation can be effected, and therefore the Servicing Carrier shall cancel the policy effective the date the notice period expires. See Rule 725: Proof of Insurance.

### C. Policy is Financed Through a Premium Finance Company

If a return premium is payable on a policy financed with a premium finance company, the gross refund is to be sent directly to the premium finance company regardless of the reason for cancellation. The Agent's/Broker's account shall be debited with the amount of the premium refund sent to the premium finance company.

### D. Cancellation – Procedures

#### 1. Cancellation at the request of the Insured or the Premium Finance Company – Broker Bill & Direct Bill

Cancellation requested by the Insured or the premium finance company under power of attorney must be made in writing in a format suitable to the Servicing Carrier.

Facility Association shall accept faxed signed and dated cancellation requests.

#### The return premium shall be calculated as follows:

For POL 2 (Driver's Policy) being placed in the voluntary market, calculate on a pro rata basis using the Day Table subject to any applicable minimum retained premium.

For POL 2 (Driver's Policy) not being placed in the voluntary market, use Short Term Table 1 or 2 subject to any applicable minimum retained premium.

If the policy is on Broker Bill, the Servicing Carrier shall credit the Agent's/Broker's account with the unearned premium refundable unless the premium is financed through a premium finance company.

If the service fee has been capped, see Rule 722.

#### 2. Cancellation at the request of the Agent/Broker – Broker Bill

When additional premium cannot be collected on original quote

If the Agent/Broker cannot collect the additional premium arising from an increase to the premium originally quoted for new business:

- a) The Agent/Broker must advise the Servicing Carrier of the amount of premium collected (including service fee and tax) and request that a notice of cancellation be issued to the Insured,

**Or**

- b) The Agent/Broker must have the policy signed off. Facility Association shall accept faxed signed cancellation requests.

**If the service fee has been capped, see Rule 722.**

If the Agent/Broker reports non-payment of the additional premium within 30 days of receiving notice of those increases, the earned premium for cancellation shall be calculated pro rata on the Agent's/Broker's originally quoted premium. Otherwise, the earned premium shall be calculated pro rata on the revised premium. If a subsequent application is submitted by the same Agent/Broker to the same Servicing Carrier for substantially the same risk within 30 days of the effective date of cancellation of the first policy and, the Agent/Broker reports non-payment of additional premium, the earned premium shall be calculated pro rata on the revised premium.

Note: For policies for which premium is paid direct to the Servicing Carrier and the Carrier initiates cancellation the words 'agent/broker' will be read to mean Servicing Carrier.

**When outstanding premium cannot be collected in all other cases**

**Agent/Broker Responsibilities**

If cancellation of a policy is requested by the Agent/Broker due to inability to collect the full policy/renewal premium or a subsequent additional premium, the Agent/Broker will be responsible for the time on risk charge which will be pro rata of the full premium.

The Agent/Broker must advise the Servicing Carrier of the amount of premium collected (including service fee and provincial sales tax) and request that a notice of cancellation be issued to the Insured.

**Servicing Carrier Responsibilities**

The Servicing Carrier shall promptly issue a registered notice of cancellation in accordance with the Statutory Conditions. The earned premium for cancellation shall be calculated pro rata on the full term premium at the time of cancellation.

When the Servicing Carrier issues a registered letter of cancellation, any unearned premium shall be refunded directly to the Insured (unless the policy is financed through a premium finance company) and the Agent's/Broker's account shall be debited for the amount of the refund and credited for the unearned premium.

**3. Cancellation of Late Issued Renewals**

If the Servicing Carrier is unable to issue renewals in the required time period, the Agent/Broker must issue a temporary liability card to the Insured and collect a downpayment based

on the estimated annual premium (or the estimated semi-annual premium for 6 month policies) for the upcoming renewal term.

**Once the renewal is issued**

If the Insured does not accept the renewal premium, the Agent/Broker shall advise the Servicing Carrier of the amount of premium collected and request that notice of cancellation be issued to the Insured **or** shall have the Insured sign off the policy.

The Servicing Carrier shall then issue a registered letter of cancellation in accordance with the Statutory Conditions or issue the necessary cancellation documents. The earned premium shall be calculated pro rata based on the previous term premium.

**4. Flat Cancellation**

**New Policy**

Flat cancellation of a new policy is not allowed except as provided under Rule 718: Flat Cancellation Exceptions.

**Additional Premium Policy Change**

Flat cancellation of an additional premium policy change is not allowed.

**Renewal**

If evidence of renewal refusal is supplied by the Agent/Broker (per Rule 717) is received by the Servicing Carrier within 15 days of the renewal's effective date, a full refund shall be credited to the Agent's/Broker's Facility Association account. If evidence of renewal refusal is not received within 15 days, the renewal shall be cancelled on a pro rata basis effective the date it is received by the Servicing Carrier and the Agent/Broker shall be responsible for earned premium. A written request acceptable to the Servicing Carrier, for cancellation effective renewal date shall be accepted in lieu of evidence of renewal refusal.

**5. Cancellation of Renewals in Outlying Areas**

- No longer applicable.

**6. Flat Cancellation Exceptions**

1. Any policy (complete with liability cards) returned to the Servicing Carrier, prior to the effective date of the policy, may be cancelled flat.
2. Any policy returned to the Agent/Broker complete with liability cards and destroyed in the Agent/Broker's office, with written confirmation from the Agent/Broker provided to the Servicing Carrier, prior to the effective date of the policy, may be cancelled flat.
3. If a cheque or electronic payment received for a new policy or renewal premium or, for the first instalment is not honoured by the financial institution, flat cancellation shall be allowed to the Agent/Broker provided that:
  - a) The cheque was dated and issued on or before the effective date of the policy period concerned or the electronic payment was made on or before the effective date of the policy period concerned; and
  - b) The cheque was immediately deposited; and
  - c) In the case of a first instalment, the amount of the cheque or electronic payment was sufficient to cover

the full down payment required under the terms of the contract if financed with a premium finance company; and

- d) The return of the cheque by the financial institution or dishonour of the electronic payment is promptly reported to the Servicing Carrier. A copy of the cheque front and back must be provided to the Servicing Carrier.

**However, on the registered letter of cancellation to the Insured, the Servicing Carrier shall request payment of the full pro rata time on risk charge.**

#### **7. Cancellation initiated by the Servicing Carrier Non-Payment – Direct Bill**

If premiums are paid directly to the Servicing Carrier, the Servicing Carrier may cancel an insurance policy for non-payment of premium. The earned premium shall be calculated pro rata.

#### **Other Circumstances**

The Servicing Carrier may not otherwise cancel an insurance policy unless approval of such action is contained elsewhere in this manual or is obtained in the manner prescribed by the Association's Board of Directors.

### **E. Refund Calculation**

#### **1. Insured's Request**

For a policy cancellation requested by or on behalf of the Insured (e.g. requested by a premium finance company) the premium refund shall be calculated in accordance with the Short Term Tables, unless a pro rata cancellation is being allowed because the risk is being placed in the voluntary market. If the service fee has been capped, see Rule 722.

#### **2. Any Other Reason**

Where the policy is being cancelled for any other reason (e.g. by registered letter) the premium refund shall be calculated on a pro rata basis using the Day Table.

## **Rule 719: Time on Risk Tables**

### **A. Pro Rata**

#### **Calculation For Endorsements & Cancellations**

Using the Day Table on the next page:

- Determine the factor that corresponds to the policy's expiry month and day. *For example* March 26 is .233. Express the policy's expiry date in a decimal format by combining the year and the factor. March 26, 1999 would become 1999.233.
- Determine the factor that corresponds to the effective date of the policy change or cancellation and express that date in a decimal format. If the effective date of policy change is November 20, 1998 that would be expressed as 1998.888. Note that if the effective date of change or cancellation is February 29, it should be treated as February 28.
- Subtract the second number from the first.
 

Policy expiry date	1999.233
Policy change date	1998.888
Refund/change factor	.345
- Where the policy is a six month policy, double the refund/change factor.
- For a policy cancellation, the refund is calculated by multiplying the policy premium as of the cancellation date by the refund/change factor. The policy premium is the full term premium for the coverage in force at the time of cancellation. Minimum retained premium must be taken into consideration.
- For a policy change, the additional/return premium is obtained by multiplying the full term premium for the change by the refund/change factor.

**B. Pro Rata Day Table**

**C. Short Term Tables**

For a policy cancellation use Short Term Table No.1 or No. 2.  
 For a short term policy, use Short Term Table No. 1.

**Cancellation requested by or on behalf of Insured**

1. Referring to the Day Table, calculate the number of days the policy has been in force.
2. Referring to Table No. 1 (in the case of an annual policy) or Table No. 2 (in the case of a six month policy), determine the ‘percentage of premium’.

3. Subtract that percentage from 100% to determine the ‘refund percentage’.
4. Apply the refund percentage to the full term policy premium as at the cancellation date. Minimum retained premium must be taken into consideration.

**Calculating premium for a Short Term policy:**

1. Referring to the Day Table, calculate the number of days the policy has been in force.
2. Referring to Table No. 1, determine the ‘percentage of premium’.
3. Apply that percentage to the annual premium. Minimum retained premium must be taken into consideration.

SHORT TERM TABLE No. 1				SHORT TERM TABLE No. 2

173-176	53	354 or more	100				
177-180	54						

## Rule 720: Reinstatements

### A. A policy may only be reinstated if:

- a) The Servicing Carrier receives instructions not later than the day before the cancellation takes effect. This includes instructions from a premium finance company. Where the Agent/Broker has not forwarded payments to a premium finance company, the policy cannot be reinstated. Cancellation takes effect at 12:01 a.m. e.g. If the policy is to be cancelled effective July 1, the request for reinstatement must be received by the Servicing Carrier before midnight June 30. If the cancellation has taken effect, the policy cannot be reinstated and a new application must be completed. Any unpaid earned premium under the policy due to the Servicing Carrier must be paid with the new application.
- b) The policy was cancelled for non-payment, and the full required premium is received (by cash, money order or certified cheque from the Insured) or there is written confirmation from the Agent/Broker assuming full responsibility for that premium. Where a refund cheque accompanied the registered letter, the amount of the refund cheque must also be obtained from the Insured (by cash, money order or certified cheque) or the Agent/Broker shall assume full responsibility for that amount.

### B. When a policy is reinstated

When a policy is reinstated, the Servicing Carrier shall issue a notice of reinstatement. If necessary, the Agent/Broker or Servicing Carrier shall issue a temporary or permanent liability card. If an FRC (financial responsibility certificate) was cancelled, the necessary financial responsibility certificate shall be reissued.

## Rule 721: Service Fee Schedule (Commission)

**NOTE: An explanation of service fee follows this schedule. For vehicles on 6 month policies, the cap is 50% of the annual amount shown below.**

	Experience Rated	Individual Rated	Cap
<b>1. Private Passenger Vehicles</b>			
Class 10, 11,12	7.5%	9%	\$370
All other private passenger	7.5%	11%	\$370

For the purpose of determining commission rates, the expression ‘Private Passenger Vehicles’ includes Antique/Classic automobiles, Commercial-Type vehicles that are rated as Private Passenger vehicles and Driving School vehicles (Class 07), but excludes vehicles rated as Commercial or Public vehicles, Fire and Police Department vehicles (Class 53) and Funeral vehicles (Class 75).

### 2. Commercial Vehicles

Long haul vehicles (including trailers) Classes 61-64, 99	6%	6%	\$370
Classes 33-36,41-49,54,55	7.5%	10%	no cap

### Fire & Police Class 53

Motorcycle, Moped, Snow Vehicle, All Terrain Vehicle	7.5%	7.5%	\$185
Other Recreational Vehicles	7.5%	7.5%	\$185
All Other Vehicles	7.5%	10%	\$370

### 3. Public Vehicles

Public Bus			
Class 70,73,74,78	6%	6%	\$370
School Bus Class 71	7.5%	10%	\$370
Hotel & Country Club			
Class 72	7.5%	10%	\$370
Private Bus Class 7M	7.5%	10%	\$370
Taxi, Class 7A	6%	6%	\$370
Limousine Class 7B	6%	6%	\$370
Ride Hailing Class 7C	6%	6%	\$370
Van Pool Class 7M	7.5%	10%	\$370
Ambulance Class 76	7.5%	10%	\$370
Funeral Vehicles Class 75	7.5%	10%	\$370
Short Term Rental Class 7M	7.5%	10%	\$370
Ride Sharing Class 7N	7.5%	10%	\$370

### 4. Recreational Vehicles

Motor Homes			
Cabin/Home trailers			
Other private type trailers			
Camper units			
Used for pleasure purposes only:			
Rated using Class 10 – 12	7.5%	9%	\$185
Rated using Class 01-09, 13-19	7.5%	11%	\$185
Not Pleasure only:	7.5%	10%	no cap
Motorcycles/Mopeds	7.5%	7.5%	\$185
All Terrain Vehicles	7.5%	7.5%	\$185
Snow Vehicles	7.5%	7.5%	\$185

### 5. Garage Policy POL 4

Class 81-89	-	10%	no cap
-------------	---	-----	--------

### 6. Drivers Policy POL 2

Class 98  
The rating determines the commission rate and cap.

### 7. Non-Owned Automobile

Non-owned Policy POL 6			
Class 91	-	10%	no cap

**No other additional fee for service may be charged.**

## Rule 722: Service Fee

Facility Association premiums are published on a net of commission basis. Agents/Brokers are compensated by means of a service fee. The service fee is subject to a maximum amount (cap) per vehicle in most circumstances. The service fee is legally a part of every premium. Premium is the net premium plus service fee.

The fee is charged on a per POL 2 (Driver's Policy) basis including the premium for applicable policy changes.

The fee is subject to a cap per policy term based on the type of vehicle driven. Refer to Rule 721: Service Fee Schedule. For 6 month policies, the cap is 50% of the annual cap shown on the schedule.

The service fee must be shown on the application (in the Additional Charges Column if possible) as 'Facility Association Service Fee' and must be added to the net premium to produce the total policy premium.

The policy documents for all premium transactions must show the net premium, 'Facility Association Service Fee' and total amount payable. Every registered notice/letter of cancellation must show the earned premium, earned service fee and applicable provincial sales tax.

### A. Broker Bill

At the time of binding an application for insurance, the Agent/Broker shall calculate the service fee subject to the cap. When the policy is issued or an additional premium policy change is issued, the Servicing Carrier shall debit the Agent's/Broker's account with the net premium amount. The fee shall not appear on the statement as an amount payable. The Agent/Broker remits the premium only to the Servicing Carrier and retains the fee. When the Insured requests that the policy be cancelled, or that a coverage be deleted, the Servicing Carrier shall credit the Agent's/Broker's account with the unearned premium and it is the Agent's/Broker's responsibility to refund the unearned service fee and applicable provincial sales tax.

Where the Agent/Broker is requesting cancellation by registered letter for non-payment, it is the Agent's/Broker's responsibility to inform the Servicing Carrier of the amount of premium including service fee and provincial sales tax collected from the Insured. Failure to do so may make the cancellation null and void and will leave the Agent/ Broker open to an errors and omissions risk. When issuing the registered letter, the Servicing Carrier must refund the unearned portion of the premium to the Insured including the unearned service fee and applicable provincial sales tax. Failure to do so would make the cancellation null and void. The Servicing Carrier shall then debit the Agent's/Broker's statement for the unearned premium, service fee and provincial sales tax refunded to the Insured.

### B. Sample Worksheet for Service Fee Calculation on Policy changes

At the time of binding an application for insurance, the Agent/Broker shall calculate the service fee subject to the cap. When the policy is issued or an additional premium policy change is issued, the Servicing Carrier shall credit the Agent's/Broker's account with the service fee. The Servicing Carrier shall pay the Agent/Broker the credited service fee within 30 days of the accounting month's close.

When the Insured requests that a policy be cancelled, or that a coverage be deleted, or the Servicing Carrier is required to cancel the policy for non-payment, the unearned service fee shall be debited to the Agent's/Broker's account. The Agent/Broker must pay the Servicing Carrier the amount of debited service fee within 30 days of the accounting month's close.

### C. Collection of Charges in Excess of Service Fee

The collection of any fee or additional charge in excess of the service fee is expressly forbidden. The Agency-Broker/Servicing Carrier Agreement states in note 3 of Exhibit A 'No other additional fee for service may be charged'. To charge an additional fee would constitute a breach of the agreement. In addition, the law requires that Facility Association rates must be those filed with and approved by the Financial Services Commission of Ontario and that Agents/Brokers comply with the Facility Association Plan.

The definition of 'rate' like 'premium' includes any commission or fees and an Agent/Broker who collects an additional charge on a Facility Association policy is in contravention of the Act.

### D. Calculation of the Capped Service Fee

In order to calculate the service fee (commission) for any kind of transaction (new business, renewal, additional premium or return premium policy change or cancellation):

#### Step 1

Commission % X Total Net Premium to Date (including this transaction) = Uncapped Fee to Date

#### Step 2

Determine the capped fee for the period of time the policy is in force.

#### Step 3

Choose the lesser of the result from Step 1 or Step 2. The cap is calculated per POL 2 (Driver's Policy), and is dependent on the length of time the policy is in force.

The following table provides an example of the activity and resulting fee attributable to one policy. Note: This is an illustration and not meant to reflect the actual premiums associated with any transaction.

TRANSACTION		PREMIUMS		SERVICE FEE			
Date	Type	This Transaction	Net to Date	Fee Calculated @ 11%	Cap	This Transaction	Fee Charged/ Credited
Oct. 1	New business	4,000	4,000	440	370	370	370
Nov. 1	Delete Collision	-1,000	3,000	330	370	-40	330
Dec. 1	Add Comp	100	3,100	341	370	11	341
Jan. 1	Add Collision	800	3,900	429	370	29	370
Feb. 1	Increase limits	50	3,950	435	370	-----	370
Jul. 1	Cancel policy	-400	3,550	391	278	-92	278

**Calculation of the Capped Service Fee**

**Examples:**

On October 1st, a POL 2(Driver’s Policy) is issued for a 12 month term. The premium is \$4000. The uncapped fee at 11% would be \$440 and this is capped at \$370.

On November 1st, the Insured deletes Collision resulting in a return premium of \$1,000. The total premium for the 12 months is now \$3,000 that generates \$330 fee. Therefore, \$40 of the previously collected \$310 must be returned.

On December 1st, the Insured adds Comprehensive, resulting in an additional premium of \$100, for a total 12 month premium of \$3,100. This results in an uncapped fee of \$341. This is still less than the cap and a charge of \$11 (the difference between \$341 and \$330) is made.

On January 1st, the Insured adds Collision at a cost of \$800. This results in a new 12month premium of \$3,900. The resulting uncapped fee at 11% equals \$429. This is more than the \$370 cap and thus the cap comes into play. The additional fee will be \$29 (the difference between \$370 and \$341).

On February 1st, the Insured increases the liability limit on the policy, which results in an additional premium of \$50. The total 12month premium becomes \$3,950 and the uncapped fee would be \$435. Since the fee has already reached the cap, there is no additional fee to be charged for this transaction.

On July 1st, the Insured cancels the policy. The premium for the 9 month period is \$3,550. The uncapped fee would be \$391. Since the policy period for this vehicle is now 9 months, the cap is decreased accordingly and becomes \$278 (9 months/12 months (.75) x 310). The Agent/Broker must refund \$92 of the fee to the Insured.

**ONTARIO COMMISSION WORKSHEET**  
**Examples showing risks with 11% commission**

**Endorsements**

<u>Item</u>		<u>Example</u>		<u>Actual</u>
Renewal Net Premium		2859		<input type="text"/>
Renewal Commission		314		<input type="text"/>
Endorsements				
Deleting all cover	2859 x .304	-869		<input type="text"/>
Adding S.P.	144 x .304	44		<input type="text"/>
Total		-825		<input type="text"/>
Pro rate Factor		0.304	<input type="text"/>	

There are two calculation options that may be used:

**1. Obtain using new premium endorsement**

Example  
 2859 - 869 = 1990  
           44  
 Net Premium: 2034  
           X .11  
 Commission: 224  
 Refund: (314 – 224) = 90

<input type="text"/>

**2. Obtain using actual**

Example  
 -869  
       44  
 -825  
       X .11  
 -90.75  
 314.49 (2859 x .11)  
       -90.75  
       223.74  
 90 Refund (314 – 223.74)

<input type="text"/>

**Cancellations**

If a policy is cancelled short rate, the return premium is calculated short rate. The service fee is calculated on a pro rata basis. The cap however may limit the fee.

*Examples assume annual policy in force one month at short rate of 15%.*

Premium	Premium Being Charged	Uncapped Fee	Cap	Applicable Fee	Total Charged
<b>Example 1</b>					
Policy	\$3000	\$330	\$370	\$330	\$3330
Cancelled after One month	\$450 (15%)	\$27.50 (8.333%)	\$30.83 (1/12 = 8.333% of \$370)	\$27.50	\$478
<b>Example 2</b>					
Policy	\$500	\$55	\$370	\$55	\$555
Cancelled after One month	\$75 (15%)	\$4.58 (8.333%)	\$30.83 (1/12 of \$370) (1/12 = 8.333% of \$370)	\$4.58	\$80
<b>Actual</b>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

## Rule 723: Definition of Accident

### A. What Is A Chargeable Accident

A chargeable accident is an occurrence resulting in damage to persons or property arising out of the ownership, use or operation of a vehicle, in consequence of which:

1. An amount has been paid or would have been paid but for the existence of provincial Direct Compensation laws or agreements,  
or
2. A loss remains unsettled or unpaid,  
or
3. A civil suit is pending in respect of:
  - Liability
  - No Fault Benefits Schedule (Accident Benefits)
  - Collision or the Collision portion of All Perils coverage

A chargeable accident is always taken into account in rating even if there was no insurance in effect or the loss was repaid to the Insurer by or on behalf of the Insured or if the Insured chose not to present the claim.

A minor at fault accident as defined under Rule 723:B occurring on or after June 1, 2016 is taken into account in rating if the vehicle was involved in a total of two or more minor at fault accidents in the previous three years.

### B. What Is Not A Chargeable Accident

An occurrence shall not be regarded as a chargeable accident if:

1. For a minor accident occurring on or after June 1, 2016 the following criteria are met:
  - Damage to each vehicle including property damage does not exceed \$2000 and is paid by or on behalf of the at fault driver.
  - No personal injuries are sustained.
  - No payment is made by any insurer.
  - This is the first minor at fault accident involving the vehicle in the previous three years.
2. For accidents not meeting the definition of minor accident or occurring prior to June 1, 2016:
  - The Insured's degree of fault is determined as 25% or less under the relevant provincial fault determination laws or agreements or dispute resolution mechanism.
  - The damage resulted from the vehicle being struck by an unidentified vehicle and is reported to the police within 24 hours.
  - The damage occurred while the vehicle was legally parked and is reported to police within 24 hours.
  - The damage results from collision with a wild or domestic animal.
  - All damages are legally recoverable from the owner or driver of an uninsured or unidentified automobile.

#### Notes:

The words 'loss(es)' and 'claim(s)' where used in this manual are considered to have the same meaning as the word 'accident'.

The words 'at fault' and 'chargeable' where used for personal private passenger automobiles in this section of the manual do not have the same meaning:

'At fault' refers to a driver's responsibility for an accident.

'Chargeable' refers to a loss taken into account in the rating of a vehicle. Not all at fault losses are chargeable e.g. first minor accident.

### C. How To Allocate Chargeable Accidents

No accident shall be used more than once in determining the surcharge for risks insured through FA by any Servicing Carrier whether or not on the same policy.

The term 'vehicle' includes 'one for which it has been substituted'.

## Rule 724: Accident and Conviction Surcharges

These surcharges are applicable to Liability (including Passenger Liability), Accident Benefits, Uninsured Automobile, Direct Compensation Property Damage and Collision.

### A. Accidents

Accident surcharges are assessed in accordance with the Surcharge Schedule for chargeable accidents that occurred during the 36 months immediately preceding the effective date of the commencement of the insurance.

#### 1. At New Business

Consider accidents arising out of the use or operation of any non-owned vehicle by the Applicant.

#### 2. At Renewal (for surcharge only)

At renewal time, the accident record shall be updated. Any accidents that occurred more than 36 months prior to renewal date shall be excluded and all accidents that occurred during the expiring term that involved the driver on the POL 2 (Driver's Policy) shall be added.

### B. Convictions

Conviction surcharges shall be assessed for traffic offences (as hereinafter described) for which the Insured was convicted in the 36 months immediately preceding the commencement of the period of insurance.

**1. How to apply conviction surcharges**

If convictions for impaired driving and failure or refusal to take a breath or blood test relate to the same occurrence, they shall be considered as one conviction.

If more than one CAIA/MVACA conviction relates to the same occurrence, only the one that develops the highest surcharge shall be used.

CAIA – Compulsory Automobile Insurance Act  
 MVACA – Motor Vehicle Accident Claim Act.

**C. Accident/Conviction Surcharge Table**

**Maximum surcharge to be applied for accidents, serious, major, minor and fraud convictions is 250%.**

**Events in the preceding 36 months                      Surcharge**

**Chargeable Accidents:**

1	0%
2	20%
3	30%
Each additional	15%

**Major Convictions**

1	25%
Each additional	25%

**Events in the preceding 36 months                      Surcharge**

**Minor Convictions**

1	0%
2	5%
3	15%
4	25%
Each additional	15%

**Serious Convictions**

1	100%
Each additional	100%

Each Fraud – years from date of conviction

First 3 years	100%
From 4 <sup>th</sup> to 10 <sup>th</sup> year	50%

**D. Conviction Definitions**

**a. Major**

Convictions for any of the following offences under any Act governing highway traffic or under the Compulsory Automobile Insurance Act (CAIA) or for any offence substantially the same committed within or outside Canada:

- Fail to report damage to highway property
- Failing to report an accident
- Failing, in the event of an accident, to give name and licence number to the police or any other person entitled to such information
- Fail to obey school crossing stop sign

- Improper passing of a school bus
- Improper passing/speeding in a school or playground zone
- Produce false evidence CAIA
- False statement re insurance MVACA
- Produced false insurance MVACA
- Make false statement CAIA
- Using a hand held wireless communication / entertainment device
- Ontario Graduated Licence
  - Permit novice drive in contravention of cond/rest
  - Class G1 accompanying driver fails or refuses to provide a breath or blood test
  - Class G1 accompanying driver has excess blood alcohol
  - Class G1 driver unaccompanied by a qualified driver
  - Class G1 drive with front seat passenger
  - Class G1/G2 drive with excess passengers
  - Class G1 drive on prohibited highway
  - Class G1/M1 drive at unlawful hour
  - Class M1 drive motorcycle with passenger
  - Class M1 drive motorcycle on prohibited highway

**b. Minor**

The list of minor convictions is not all inclusive and other moving violations, including new offences under an Act governing highway traffic, may be considered Minor, whether committed within or outside Canada, if not specifically named in the Major or Serious list, including, but not limited to:

- Fail or refuse to surrender licence CAIA
- Fail to produce evidence of insurance CAIA
- Fail to carry insurance card CAIA
- Fail to carry evidence of insurance CAIA
- Fail to have insurance card CAIA
- Fail to disclose particulars CAIA
- Fail to notify police
- Fail to make written report
- Backing up - unsafe/illegal/improper - any type
- Brakes - none/inadequate/improper - any type
- Crowding driver’s seat
- Door opening - illegal/obstructing traffic - any type
- Emergency vehicle - operating with no regard for safety
- Driving off roadway (including shoulder/sidewalk/median) - any type
- Flagman - disobeying
- Following too closely (including tailgating)
- Headlights/parking lights - improper/lack of use - any type
- Lack of control of vehicle - any type
- Motor-assisted bicycle - carrying passengers
- Motorcycle - operating with only an instruction permit
- Motorcycle - failure to wear helmet
- Passing infraction - any type except school bus or school/playground zone
- Pedestrian crossing violation - any type

- Radar warning device in motor vehicle - if illegal in province
- Railway crossing - any type
- Safety zone violation - any type
- Seatbelt – any offence
- Signalling offences - any type
- Slow driving - endangering others - any type
- Smokescreen device on vehicle
- Speeding - any type, except when listed as major or serious
- Squealing tires
- Stopping - illegal/improper - any type
- Tires - defective/worn - any type
- Towing - prohibited/unsafe - any type
- Traffic signals/regulating lights - any type
- Traffic signs - disobeying any legal sign except parking regulations
- Trailer - improper attachments/improper towing
- Turns - illegal/improper - any type
- Unlicensed driver - any type including improper licence class
- Unsafe move
- Unsafe vehicle - any type
- Wrong side of road/wrong way - any type
- Yield, failing to - any type including failing to yield to a public bus

**Note:** This is a generic list and will not, in all cases, match the exact wording printed on the driver record abstract.

### c. Serious

Convictions for any of the following offences under the Criminal Code of Canada or under an Act governing highway traffic or under any other Act or for any offence substantially the same whether committed within or outside Canada or any conviction which appears on a driver record abstract identified as a Criminal Code conviction:

- Speeding 50 kph or more over the speed limit
- Driving without insurance
- Operate motor vehicle – no insurance CAIA
- Criminal negligence committed in the operation or use of a motor vehicle
- Manslaughter committed in the operation or use of a motor vehicle
- Driving while licence under suspension
- Racing
- Careless driving
- Driving without due care and attention
- Driving without an interlock device where its installation is a requirement for licence reinstatement
- Dangerous driving
- Impaired driving
- Driver under 22 years of age with alcohol in blood
- Failure or refusal to submit to a breath or blood test
- Failure to stop/remain at the scene of an accident
- Failure to pass a breath or blood test
- Class G1/G2/M1/M2 fail/refuse breath sample
- Class G1/G2/M1/M2 drive with alcohol in blood
- Stunting
- Failure to stop on request of or obey directions of a police officer

- Driver in the alcohol ignition interlock device programme operating a vehicle not so equipped

**Note:** If convictions for impaired driving and failure or refusal to take a breath or blood test relate to the same occurrence, they will be considered as one conviction.

### Fraud

Where the Insured has been found by a court of competent jurisdiction in either criminal or civil proceedings to have committed a fraud in any way connected automobile insurance during the 120 months immediately preceding the commencement of the period of insurance.

## Rule 725: Proof of Insurance Where Notice of Cancellation or Deletion is Required

1. The Servicing Carrier must make all filings. The Agent/Broker is not permitted to do so.
2. The Agent/Broker must promptly advise the Servicing Carrier if proof of insurance (e.g. a financial responsibility certificate) must be issued or filed with a Local, Provincial, Federal or U.S. authority.

**NOTE:** Where vehicles are operated in the U.S., Agents/Brokers must ask Insureds whether or not proof of insurance must be filed and, if so, in what amount.

3. Once the proof of insurance is issued, a copy should be supplied to the Agent/Broker for their records.
4. Parties requiring proof cannot be added as additional named Insureds on the policy. The certificate showing proof of insurance guarantees to the Party that the driver is insured. This is the full extent of the guarantee.
5. Should the Servicing Carrier have any concern with the coverages or limits being guaranteed when asked to use a certificate prescribed by the organization or authority with whom the certificate is being filed, the Servicing Carrier should contact Facility Association Head Office.

### A. Financial Responsibility Certificate

A temporary liability card may be issued for an Applicant who requires the filing of a financial responsibility certificate before he/she may be licensed to drive, provided a fully completed and signed application is submitted for the Applicant at the time the temporary liability card is issued. Details of the licence subsequently obtained must be reported promptly to the Servicing Carrier.

**B. Renewal or Offer to Renew**

If a renewal or offer to renew is issued where proof of insurance has been issued or filed and the renewal is not required, the Servicing Carrier must be notified in sufficient time to file a notice of cancellation in accordance with the applicable authority’s requirements. Otherwise the Agent/Broker/Insured shall be responsible for time on risk charges.

**C. Policy Cancellation**

**1. Registered Letter**

Where proof of insurance has been issued or filed and the policy is to be cancelled, the cancellation of coverages to which the proof of insurance relates shall be processed in accordance with the Statutory Conditions.

**The notice of cancellation for the authority concerned must be issued on the same day as the notice of cancellation to the Insured; however, as a result of the authority’s requirements the effective date of cancellation may be different.**

*For example:* The registered letter of cancellation for the policy is issued on June 1 for both the Insured and the provincial authority. For the Insured, cancellation shall take effect 15 days from the date the registered letter is received at the post office to which it was addressed. Let’s say June 19. The provincial authority requires 30 days notice of cancellation. The effective date of cancellation for the authority shall be June 30. If the Insured had a physical damage loss on the non-owned driven vehicle on June 25, the policy would not respond. If however, the Insured had a Liability loss on June 25, the policy may have to respond as the proof of insurance provides that Liability coverage is in effect until cancelled on June 30.

**2. Insured’s Request**

Where proof of insurance has been issued or filed, and the policy is to be cancelled, the cancellation of coverages to which the proof of insurance relates shall be processed after taking into consideration the period of notice required by the authority.

**The effective date of cancellation or deletion shall be the same for both the Insured and the authority concerned.**

*For example:* The Insured requests cancellation of the policy to be effective June 1. The provincial authority requires 30 days notice of cancellation. The notice to the provincial authority is sent on June 5. The effective date of cancellation for the Insured will be July 5.

**D. Filing Liability Limits**

The filing should always be made for the limit required by law even if the policy actually shows a higher limit.

**E. Processing Fees for Filings**

Please contact your Servicing Carrier for a schedule of fees which will be charged on a 100% cost recovery basis.

**Any charge required by the authority concerned shall be in addition to, and separate from, the processing fees.**

**Rule 726: U.S. Exposure**

**A. U.S. Exposure Surcharge**

Any driver operating a non-owned vehicle in the U.S. is subject to the U.S. exposure surcharge. The surcharge does not apply where the non-owned vehicle is used for personal use (non-business use) and proof of insurance is not required.

The Insured must advise the Agent/Broker the percentage of total mileage that the non-owned vehicle will be driven by the Insured in the U.S.

If the U.S. exposure is 5.0% or less of total mileage, the surcharge shall be waived unless U.S. authorities require proof of insurance. In this case a 5% surcharge will apply to Liability, Accident Benefits, Uninsured Automobile and END 44R.

NOTE: Where non-owned vehicles are operated in the U.S., Insureds must be asked whether or not proof of insurance must be filed and, if so, in what amount.

**Liability, Accident Benefits, Uninsured Automobile, END 44R**

For each percentage point of total mileage in the U.S., surcharge 1.5% of the applicable premium.

*For example:*

U.S. Exposure	Applicable Surcharge
Up to 5% and no proof of insurance required	0%
Up to 5% and proof of insurance required	5%
10%	15%
25%	37.5%
50%	75%

**Optional Physical Damage**

For each percentage point of total mileage in the U.S., surcharge .75% of the applicable premium.

*For example:*

U.S. Exposure	Applicable Surcharge
Up to 5%	0%
10%	7.5%
25%	18.75%
50%	37.5%

**B. Currency Differential Surcharge**

Whenever proof of insurance is required by U.S. authorities, a currency differential surcharge is added to the Liability (not DCPD) premium to provide for the potential additional loss arising from the payment of a claim in U.S. dollars.

The currency differential is the rate of exchange being charged for the U.S. dollar, to the nearest cent, as at the date the premium is calculated for policy issuance. The Servicing Carrier shall use the Bank of Canada closing rate from the previous published day.

**The surcharge percentage is calculated by means of the following formula:**

**Currency differential x U.S. exposure surcharge**

*For example:*

The rate of exchange for the U.S. dollar is 1.3085 Canadian. Therefore the currency differential is 0.31. The U.S. exposure surcharge is 25%.

**Currency differential surcharge: 0.31 X 25% = 7.75%  
The currency differential surcharge is**

1. Applied only to the Liability premium (Road/Passenger Hazard), not DCPD. There is no minimum surcharge applicable.
2. Additional to but not compounded on the U.S. exposure surcharge.

*Example:*

The Liability premium	\$1,000
U.S. Exposure Surcharge	25%
The Currency Differential Surcharge	7.75%

Base Premium	\$1,000
U.S. Exposure \$1,000 X .25	\$250
Currency Differential \$1,000 X 7.75 = 77.50	\$78
Total Liability premium	\$1,328

4. In addition to the Servicing Carrier’s fee for filing proof of insurance.
5. Payable only when proof of insurance is required by U.S. authorities.
6. The combined dollar value of the currency differential surcharge and the U.S. exposure surcharge is subject to a minimum of \$50 per policy term.

*For example:* Using the example above, the dollar value of the U.S. exposure surcharge is \$250 and the dollar value of the currency differential surcharge is \$78. The total combined dollar value is \$328, well exceeding the minimum required.

**Rule 727: Suspension of Operator’s Licence**

In the event of the suspension, cancellation or lapse of the driver’s licence, the POL 2 (Driver’s Policy) shall be cancelled in accordance with the Statutory Conditions.

**Rule 728: Outside Ontario Exposure**

Rule 701: Filed Underwriting Rules requires that the non-owned vehicle being driven is registered in Ontario. Where the vehicle is registered in another jurisdiction, the policy must be cancelled in accordance with Statutory Conditions.

However, there are circumstances under which the non-owned vehicle may be used for a period of time in another jurisdiction where vehicle registration in that jurisdiction is not required.

*For example:* The Insured resides in Ontario and the non-owned vehicle is registered in that jurisdiction; however, the Insured will be travelling the western provinces for the next year.

When a non-owned vehicle is registered in Ontario but used in another jurisdiction, the following is to be used as a guide for rating purposes:

- If it is known what territory the non-owned vehicle is being used in and there are FA premiums for that territory, then the appropriate FA premiums for that territory must be used.
- If the non-owned vehicle is being used in the U.S., POL 2 (Driver’s Policy) must be rated in the territory in which the non-owned vehicle is registered.
- See Rule 726: U.S. Exposure Surcharge to determine surcharges applicable to the POL 2 (Driver’s Policy)
- If the non-owned vehicle is used within one region as defined below, POL 2 (Driver’s Policy) is to be rated in the highest rated territory of that region. If the non-owned vehicle is used in more than one region of Canada, POL 2 (Driver’s Policy) is to be rated in the highest rated region.

**Region 1 – Atlantic Provinces**  
Rate as New Brunswick Territory 3

**Region 2 – Central (Ontario and Quebec)**  
Rate as Ontario Territory 20

**Region 3 – West and North**

Rate as Alberta Territory 4

- If the non-owned vehicle is used in a Canadian jurisdiction for which Facility Association has no rates, the following shall apply:
  - Charge Alberta Territory 4 for British Columbia, Saskatchewan and Manitoba.
  - Charge Ontario Territory 20 for Quebec.

**Rule 729: Carrying Explosives**

The standard POL 2 (Driver's Policy) policy exclusion for carrying explosives may be modified to permit carriage of specified explosives only, by adding END 4A. END 4A can be applied to all coverages or limited to the mandatory coverages.

An Explosive Questionnaire must be completed and signed by the Applicant, submitted to the Servicing Carrier and subject to the acceptance of the completed questionnaire.

- a) A commercial type vehicle operated by an explosive manufacturer or dealer shall be rated in accordance with the Commercial Section of the manual.
- b) For any other vehicle there shall be an additional charge applied to the vehicle premium. Contact your

Servicing Carrier for the amount of the additional premium.

**Rule 730: Carrying Radioactive Material**

The standard POL 2 (Driver's Policy) exclusion for carrying radioactive material may be modified to permit the carriage of specified radioactive material only, by adding END 4B. END 4B can be applied to all coverages or limited to the mandatory coverages.

A Radioactive Materials Questionnaire must be completed and signed by the Applicant and submitted to the Servicing Carrier. Subject to acceptance of a completed questionnaire, an additional charge shall be applied to the vehicle premium.

Contact your Servicing Carrier for the amount of the additional premium.

## Rule 731: Endorsements Applicable to POL 2 (Driver's Policy)

### Notes:

1. No endorsements, no special wordings and no changes to standard forms are permissible except as approved by or on behalf of the Superintendent(s) of Insurance.
2. This rule provides certain details of approved endorsement forms. The descriptions are necessarily very brief and reference must be made to the actual wordings of the endorsements to ascertain the full provisions and restrictions.
3. In certain cases a copy of the endorsement must be signed by the Applicant and filed with the Servicing Carrier. The insurance will not be continued or the policy will be re-rated, if this requirement is not met.

Liability or (TPL) means B.I. and P.D. Tort; DCPD means Direct Compensation – Property Damage  
Physical Damage means Optional Coverages – Loss or Damage (All Perils, Collision, Comprehensive, Specified Perils)

	Standard Endorsement Form Number, Title and Purpose	Rating
4A	<b>Permission to Carry Explosives</b>	If main cargo, rate vehicle as Class 48, 61B-64B plus special factors. If incidental, net annual \$50. Refer to additional rules within manual for further information.
4B	<b>Permission to Carry Radioactive Material</b>	If main cargo, rate vehicle as Class 48, 61B-64B plus special factors. If incidental, net annual \$50. Refer to additional rules within manual for further information.
6A	<b>Permission to Carry Paying Passengers</b> When appropriate, this endorsement is used to modify the policy forms restrictions in regard to the use of the vehicle for the carriage of passengers. The actual use of the vehicle must be specified in the endorsement. See Private Passenger Section and Public Section. The use of the endorsement is not permissible in respect of other vehicles. Also see END 22.	For Private Passenger Vehicles used in <b>car pools</b> , add 10% of Liability and DCPD premium. Attach 6A.  <b>Volunteers:</b> A volunteer transports persons to medical appointments and the like, and is reimbursed for their reasonable driving expenses, including gas, vehicle wear and tear and meals. END 6A is not required and there is no additional premium charge.  <b>Other Private Passenger Vehicles used to transport passengers:</b> i) If transportation of non-paying passengers is part of Insured's job and employer reimburses employee for expenses - then Class 07 rates apply. ii) If transportation is very occasional (no more than once a week - non-paying passengers) then Class 02 or Class 03 rates can apply. iii) All others, then appropriate taxi, limousine or bus rates are applicable. See Public Section. END 6A would be attached; however, only if the vehicle is used in a car pool would the 10% surcharge apply. For public vehicles, rate vehicle accordingly. See Public Section.
25A	<b>Alteration</b> In addition to other changes, this endorsement may amend the policy allowing Insureds to buy Optional Increased Accident Benefits on policies that have renewed with standard benefits.	Minimum additional premium of \$5 for addition of coverage, increase in Liability limit, or decrease in deductible amount.

## Rule 800: POL 6 - Non-Owned Automobile Policy Overview

**A Non-Owned Automobile Liability Policy indemnifies the named Insured against legal liability for bodily injury and property damage that arises from the use or operation of non-owned automobiles by others.**

The purpose of POL 6 (Non-Owned Automobile Policy) is to provide coverage that is excess of any policy specifically insuring the automobile concerned.

Insureds (individuals or companies) wishing to purchase this policy instead of the coverage available through a car rental company should be advised that Facility Association does not offer primary coverage through non-owned policies.

## Rule 801: Filed Underwriting Rules

**A. The Insurer's rules for declining to issue, terminating or refusing to renew a contract are:**

1. The risk does not meet the object of the Facility Association which is to ensure the availability of automobile insurance, as required by law, in those provinces and territories of Canada in which the Association operates, to the owners and licensed drivers of motor vehicles who would otherwise have difficulty obtaining such insurance.
2. The risk is not a non-owned risk.
3. The non-owned vehicles being driven are not registered in Ontario.
4. The application is incomplete, has not been signed by the Applicant, or has not been bound by the Agent/Broker.
5. The Applicant/Agent/Broker refuses to provide the sufficient valid information to write the risk. 'Sufficient valid information to write the risk' includes data to properly rate the risk and to report the risk information in accordance with the Automobile Statistical Plan.
6. Non-payment of premium for the current policy period (for purposes of termination only).
7. Any risk where abusive or threatening behaviour of the Insured/Applicant/Driver within the previous 3 years has created a safety concern for Facility Association staff, Servicing Carrier staff or a representative acting on behalf of either and circumstances have been reported to police.

**B. Rules for refusing to provide or continue a coverage are:**

1. Optional physical damage coverage shall not be provided where an Applicant or any person who is a regular or frequent operator of the vehicle, has, within the immediately preceding thirty-six months:

- a) When making a previous application for automobile insurance, given false particulars of an automobile to be insured to the prejudice of the insurer;
- or**
- b) Knowingly misrepresented\* or failed to disclose in an application any fact required to be stated therein;
- or**
- c) Has contravened a term of an insurance contract or been convicted of fraud in relation thereto;
- or**
- d) Wilfully made a false statement in respect of a claim.

\* Misrepresentation means an applicant has either had a policy cancelled by registered letter for material misrepresentation or has had a claim denied for material misrepresentation.

## Rule 802: Coverages Available

### a) Third Party Liability

Not more than \$2,000,000 except;

- When required by Canadian or American federal or provincial/state statute through regulation or by municipal by-laws. Municipal by-laws do not include other local authorities such as school boards. The Liability limit may not exceed the amount required. The amounts shown on any proof of insurance may not exceed those required by the authority concerned.

If it is necessary to provide a Liability limit that falls between two limits for which premiums or limit factors are indicated in this manual, the premium or limit factor applicable to the higher of those two limits shall be used.

Where it is required and permissible to provide a higher Liability limit, the increased limit factors can be found in the relevant section. If the manual does not provide the necessary increased limit factor, contact your Servicing Carrier.

### b) Coverage Extension

1. For hired automobiles, the insurance may be extended by means of END 94 to cover the Insured's legal liability for damage to those automobiles arising from All Perils, Collision and/or Comprehensive/Specified Perils. For non-owned automobiles other than hired automobiles, legal liability for physical damage coverage may be insured by attaching END 27B to the Insured's own POL 1.
2. POL 6 contains an exclusion providing that the Insurer is not liable for any liability which arises from the operation of any automobile while personally driven by the Insured if the Insured is an individual. The insurance may be

extended to cover the operation of non-owned automobiles by the Insured personally, by attaching END 97.

### c) END 98B Reduction of Coverage for Lessees or Drivers of Leased Vehicles

Must be added to all policies and provides that coverage for lessees or drivers of leased and rented vehicles is excess to any coverage the renter or driver has available to respond to the claim. The endorsement must be signed by the insured.

b) Coverage is bound as of 12:01 a.m. June 1. The application was signed on May 29. The policy will be issued showing an effective date of 12:01 a.m. June 1.

- 4) If the application form cannot be sent to the Servicing Carrier on the date on which coverage was effected, it must be sent the next working day.
- 5) The Servicing Carrier shall normally issue the policy within 30 days of the effective date. If the Agent/Broker does not receive the policy within that time, the Servicing Carrier must be contacted immediately to determine the status of the policy.

### B. Term of binding new policies

The term of binding is 30 days: however a short term policy (for less than 30 days) may be issued.

## Rule 803: Binding Coverage – New Policies

### A. Requirements/Procedures for binding new policies

- 1) The Agent/Broker must have a fully completed application signed by the Applicant detailing all information on the risk. Supplementary questionnaires, if required, must be completed and signed by the Applicant.
- 2) Before binding coverage the Agent/Broker must either:
  - a) Collect or assume responsibility for the full indicated premium.
  - or
  - c) Obtain a fully completed premium finance contract together with the full down payment required and promptly send that contract to the finance company office.
- 3) The insurance shall take effect as of the time and date the coverage is bound. Under no circumstances may coverage be shown as effective prior to the date and time of completion of the application form. Therefore coverage may not be bound as of 12:01 a.m. on the date the application is signed. However, except when the binding time is 12:01 a.m. of a future date, the policy shall be shown as effective at 12:01 a.m. on the day following the date coverage was bound. The premium rates to be applied are those in effect on the binding date.

*For example:*

- a) Coverage is bound at 1:00 p.m. on June 1. The application is signed on June 1. The policy will be issued showing an effective date of 12:01 a.m. June 2. However, the coverage is in effect as of 1:00 p.m. on June 1.

## Rule 804: New Policies

### A. Application Form

Every application for insurance must be made on a current approved Standard Application Form and must be fully completed and signed by both the Applicant and Agent/Broker where required. See also Rule 804:D. Computer Generated Application Forms.

### B. Application (APP 6)

Even though the Advance Premiums are subject to retroactive adjustment, the 'Estimated cost of hire' and 'Estimated contract cost' must be reported as accurately as possible. The Agent/Broker should ensure the Applicant is aware the premium is subject to adjustment at the end of the policy term.

### C. Faxed Applications

Fully completed and signed current approved Standard Application forms submitted by fax are acceptable in lieu of original applications. Where required, these applications must be accompanied by the appropriate questionnaires or supplements. Where the original application has been submitted without signature, a signed and faxed copy of the application is acceptable to complete the signature requirement.

### D. Computer Generated Application Forms

These application forms are acceptable but must be in the standard format approved by the applicable regulatory authority and must include all information that is required to be provided on the current approved Standard Application Form.

The computerized application must be signed and dated by the Applicant as well as the Agent/Broker.

### E. Applicant's Signature

The Applicant's signature shall be provided on the current approved Standard Application Form or the computerized application form at the time of binding whenever possible.

If the Applicant's signature cannot be obtained at the time of binding, the Servicing Carrier shall allow the Agent/Broker 30 days to obtain a signature on the original application provided the Agent/Broker assumes responsibility for the full indicated premium. In the meantime, the Agent/Broker must send a copy of the completed but unsigned application to the Servicing Carrier.

If a signed copy of the application is not received by the Servicing Carrier within the 30 day time period, the Servicing Carrier shall immediately cancel the policy by registered letter. The Agent/Broker shall be responsible for the full indicated earned premium for the time on risk.

#### F. Name of the Insured

Insurance contracts must be made with individuals who have both the capacity to contract and are legal entities. If the Applicant is not an individual(s), the name(s) appearing on the policy must be that of a legal entity i.e. a limited company or partnership.

For non-owned risks, the name of the business registered with the appropriate municipal, provincial or federal authority must be used.

#### G. Other Insurance

If there is any other non-owned automobile insurance for the same Applicant in force in respect of a risk:

- a) Binding shall not be made effective before the expiry of that other insurance.
- b) If that other insurance is to be cancelled, a risk may not be bound before the Insurer concerned has issued the notice of cancellation, or the Insured has signed the request for cancellation.

## Rule 805: Definitions

#### A. Advance Premium

A premium that is based on an estimated exposure (e.g. cost of hired automobiles) and is subject to retroactive adjustment at the end of the period of insurance in accordance with the actual exposure during that period. Refer to Rule 812: Premiums.

#### B. Automobile(s)

The words 'automobile' and 'automobiles' include recreational vehicles and trailers unless otherwise indicated.

#### C. Automobiles Operated Under Contract

Non-owned automobiles where the complete supervision, direction and control remain with the owners of the automobiles. Excludes any automobiles owned in whole or in part by, or registered in the name of any partner, officer or employee of the Applicant.

*For example:* The Food World grocery chain contracts with ABC Trucking Ltd. to pick up and deliver groceries to their chain of stores. ABC Trucking is responsible for scheduling the pick ups and deliveries, hiring drivers, maintaining the trucks, paying drivers' salaries etc. although Food World's name may appear on some of ABC's trucks or trailers.

#### D. Contract Cost

The entire costs incurred for 'automobiles operated under contract'.

#### E. Cost of Hire

##### Automobiles hired with drivers

The entire cost incurred for 'hired automobiles' and their drivers.

##### Automobiles hired without drivers

The entire cost incurred for 'hired automobiles' plus the wages paid to the drivers thereof.

#### F. Hired

The word 'hired' includes 'rented' and/or 'leased'. A similar interpretation applies to 'hire', 'hiring', etc.

#### G. Hired Automobiles

Non-owned automobiles hired with or without drivers but used under the Applicant's control. Excludes any automobiles owned in whole or in part by, or registered in the name of any partner, officer or employee of the Applicant.

*For example:*

XYZ Construction Company hires Joe Smith who owns a dump truck to pick up gravel and deliver it to various construction sites. XYZ Construction Company specifies where the gravel is to be picked up and to what site it is to be delivered. It may specify the route to be used in the process.

When automobiles are hired without drivers, END 99 ('Excluding long-term leased vehicle') must be attached to the policy. Such automobiles, if hired for terms exceeding 30 days, must be insured on POL 1 with END 5 attached.

#### H. Non-owned Automobiles

Automobiles that are not owned in whole or in part by or registered in the name of the Applicant but used for the purposes of the Applicant's business.

#### I. Partners, Officers, Employees and Agents

##### Class A1

Partners, officers and employees of the Applicant who regularly use private passenger type non-owned automobiles.

*For example:*

A marketing representative for an insurance company regularly uses his/her own vehicle to visit Agents/Brokers of the insurance company.

**Class A2**

Partners, officers and employees of the Applicant who regularly use commercial type non-owned automobiles.

**Class B**

All other partners, officers and employees of the Applicant who do not regularly use their own vehicles on the business of the Applicant.

**Class C**

All agents of the Applicant. Persons operating independently of the Applicant but on the Applicant's behalf.

*For example:* A real estate agent or a life insurance agent.

**Rule 806: Driver Services**

POL 6 (Non-Owned Automobile Policy) may not be provided to those Applicants whose business activities include the provision of drivers to operate automobiles not owned by the Applicant or the driver unless:

- a) Each driver is insured under a POL 2 (Driver's Policy). A Certificate of Insurance stating the policy period and a limit equal to or more than the POL 6 (Non-Owned Automobile Policy) Section A limit must be filed with the Servicing Carrier. The Certificate must state that if the policy is to be cancelled or not renewed or the Liability limits reduced, fifteen days prior notice shall be given to the Servicing Carrier. This Certificate is not required if the POL 2 (Driver's Policy) is written by the same Servicing Carrier;
- and**
- b) POL 6 (Non-Owned Automobile Policy) includes END 91 naming those for whom a POL 2 (Driver's Policy) has been issued.
- c) The premium for POL 6 (Non-Owned Automobile Policy) shall be 20% of the Liability, Accident Benefit and Uninsured Automobile premium applicable to each POL 2 (Driver's Policy). No additional Class A, B or C premium is charged.

*Example 1* – Saddle Up Roadhouse provides a drive home service for those patrons who have consumed alcohol. FA will provide a POL 6 (Non-Owned Automobile Policy) for Saddle Up on condition that each designated driver is insured on a POL 2 (Driver's Policy).

*Example 2* – Acme Personnel Services will supply drivers to operate customers' trucks, some of which may be interurban petroleum tractors and tank trailers. FA shall provide a POL 6 (Non-Owned Automobile Policy) only if each of the drivers has a POL 2 (Driver's Policy) covering the operation of the type and purpose of the customers' vehicles, in this case interurban petroleum tractors and tank trailers.

**Rule 807: Delivery Service**

A risk where the Applicant picks up and delivers non-owned automobiles using the owner's plates.

For POL 6 (Non-Owned Automobile Policy), the premium is calculated by determining the appropriate Class 07 – 19 Liability premium (from the Private Passenger Section) for each driver depending upon the driver's age, in the applicable territory. The driving record shall be 0 for the first year, to be increased by one for each consecutive year the driver remains accident free to a maximum of Driving Record 3. No additional Class A, B or C premium is charged.

**Rule 808: Taxi Dispatch**

Facility Association will not consider the dispatch of taxis (by a company whose only function is to dispatch taxis) as exercising supervision, direction or control of the automobile.

The premium for POL 6 (Non-Owned Automobile Policy) shall be 2% of Class 07, Driving Record 3 premium in the applicable territory for each \$1,000 cost of hire. The cost of hire for each taxi, regardless of the actual contract cost, is deemed to be \$1,000. In other words, the rate for each taxi is 2% of Class 073 in the applicable territory. No additional Class A, B or C premium is charged.

**Rule 809: Driver Training Schools**

The premium for POL 6 (Non-Owned Automobile Policy) shall be calculated by charging 5% of Class 07, Driving Record 3 premium in the applicable territory for each Class A1 partner, officer and employee. No additional Class A, B or C premium is charged. The application must state the maximum number of partners, officers, employees and agents during the policy period.

*For example:* If a policy is written with an effective date of January 1<sup>st</sup> and at that time there are only three partners, officers and employees but during the summer season, an additional ten school teachers are employed by the Applicant, then the partners, officers and employees must be declared as 13.

## Rule 810: Legal Liability for Damage to Non-Owned Automobiles

In each of the cases described under Rule 806: Driver Services, Rule 807: Delivery Service, Rule 808: Taxi Dispatch and Rule 809: Driver Training Schools, only Liability may be provided by POL 6 (Non-Owned Automobile Policy) because the vehicles being driven are not ‘hired automobiles’ as defined by POL 6 (Non-Owned Automobile Policy). END 94 (Legal Liability for Damage to Hired Automobiles) may only be provided to hired automobiles and is therefore not available in these situations. However, this coverage may be provided by attaching END 27B to the named Insured’s POL 1 (Owner’s Policy).

## Rule 811: Rating

**The premium calculated in respect of the complete policy period, even if based on estimates, is payable in full at the commencement of that period.**

### A. Third Party Liability

#### Partners, officers, employees and agents

The premium is dependent on the numbers of such individuals. See the Schedule of Rates.

#### Hired automobiles

The premium is dependent on the types of automobile hired and the cost of hire. Refer to the Schedule of Rates.

#### Automobiles operated under contract

The premium is dependent on the types of automobile and the contract cost. Refer to the Schedule of Rates.

### B. Liability Assumed under Contract (END 96)

If the Applicant enters into a contract or agreement by which the Applicant assumes any liability for bodily injury and property damage, a copy of the contract/agreement must be submitted to the Servicing Carrier so that the appropriate rates may be assessed.

#### Note:

‘Blanket’ contractual liability coverage is not available. The date and name of the other contracting party or parties must be specified on the endorsement.

Coverage is not available for the assumption of the legal liability of the owner of the automobile(s), by the Applicant.

### C. Liability for Damage to Hired Automobiles (END 94)

A copy of every hiring contract/agreement together with the following information must be submitted to the Servicing Carrier so that the appropriate rates may be assessed:

- a) The type(s) of automobile concerned, including the estimated manufacturer list price new; whether hired with or without drivers; the period(s) for which the automobiles will be hired; the estimated cost of hire.
- b) The required coverage and the desired limit of liability and deductible in respect of any one occurrence.

**Note:** In END 94, below the heading ‘Section B’, the words ‘or assumed by him under any contract or agreement’ must be deleted unless a copy of the contract/agreement is submitted and provision of coverages in respect of the assumed liability is in fact approved by the Servicing Carrier.

For private passenger type vehicles, the rate per \$1,000 cost of hire shall be 2.5% of the appropriate Class 07, Driving Record 0 physical damage premium in the applicable territory. Rate group shall be determined using Table A, based on manufacturer list price new of the current model year.

For commercial type vehicles, the rate per \$1,000 cost of hire shall be 2.5% of the commercial vehicle Driving Record 0 in the applicable territory. Rate group shall be determined using Table II, based on manufacturer list price new of the current model year.

### D. Coding

The codes to be reported to the Statistical Agency for POL 6 (Non-Owned Automobile Policy) are as follows:

Type of business:	3
Class (Type of use):	91
Driving Record:	9
Coverage codes:	The same as those applicable to POL 1(Owner’s Policy).

## Rule 812: Premiums

### A. Premium Quotations

The Agent/Broker is responsible for calculating premiums in accordance with this manual.

Where there is any doubt on the matter, the Servicing Carrier will be pleased to assist in establishing risk classifications, but the Servicing Carrier shall not make premium quotations except where the manual does not provide for the particular coverage required.

The Servicing Carrier shall require clarification from the Agent/Broker if the information on the application contradicts the quoted premium.

### B. Manual Rates

The rates published in this manual are for annual policy terms. For six month policies charge 52% of the annual premium.

**C. Premium Rounding**

The premium for each coverage shall be rounded to the nearest whole dollar. A premium that includes 50 cents or more shall be rounded up to the next whole dollar. (\$46.56 will be rounded up to \$47.00 and \$46.44 will be rounded down to \$46.00). This applies to all premium transactions, including refunds except where the policy is cancelled by registered letter at the request of the Agent/Broker or by the Servicing Carrier. In that event, the return premium shall always be rounded up to the next whole dollar (\$45.10 will be rounded up to \$46.00).

**D. Retroactive Premium Adjustments**

If insurance is provided for hired automobiles and/or automobiles operated under contract, the policy provides that the Insured shall, at the end of each policy period, provide a statement of the actual costs of hire and/or contract costs incurred for that period.

The Insurer then calculates the appropriate retroactive adjustment of premium subject to minimum premium. If the total adjusted premium exceeds the total advance premium, the balance is immediately payable by the Insured; if it is less, the balance shall immediately be refunded to the Insured.

In the event the policy is cancelled, the appropriate premium adjustment shall be taken into consideration as stated above.

**E. Audits**

The policy provides that the Insurer shall, through any authorized representative and at all reasonable times, have access to the Insured's books and records for the purpose of determining any fact relating to the insurance.

**F. Minimum Premium / Minimum Retained Premium**

The minimum premium for POL 6 (Non-Owned Automobile Policy) shall be \$250 and the minimum retained premium, in the event of cancellation, shall be \$250.

**Rule 813: Policy Term**

Every policy and renewal shall be issued for a term of either one year or six months.

**Rule 814: Endorsement Forms and Wordings**

Changes to standard approved forms are not permitted.

Rule 822: Endorsements Applicable to POL 6 (Non-Owned Automobile Policy) provides certain details and rating instructions for approved endorsement forms. The descriptions are brief and reference must be made to the actual wordings of these forms to ascertain the full provisions and restrictions.

Certain endorsements require a signature. Where no signature is obtained, the policy may be cancelled in accordance with the Statutory Conditions or the endorsement may be deleted and the policy rerated accordingly.

Provided the endorsement form does not indicate the expiry date of the policy and continues to refer to a particular vehicle (policy vehicle item number did not change), once an endorsement form has been signed, it need not be signed again on subsequent policy renewal

**Rule 815: Policy Changes****A. A change to a policy shall not be processed if:**

The change is substantial. A new policy may be necessary. If in doubt, the Agent/Broker should contact the Servicing Carrier for direction. If a new policy is required, a new application must be submitted. The existing policy shall be cancelled pro rata.

**B. Binding Coverage - Policy Changes**

Before binding coverage the Agent/Broker must collect or assume responsibility for any indicated additional premium.

**Procedure of notification**

- 1) The Agent's/Broker's procedure for reporting changes to the Servicing Carrier must be acceptable to the Carrier. The request for change must be made in writing and specify the effective date and the effective time.
- 2) Faxed or mailed policy change requests are acceptable.
- 3) If the policy change request cannot be sent to the Servicing Carrier on the date the Insured makes the request, it must be sent to the Servicing Carrier on the next working day.
- 4) The Servicing Carrier shall normally issue any required endorsement, updated Certificate of Insurance (if required) and permanent liability card (if required) within 30 days of the effective date of the change.
- 5) Coverage may not be shown as effective prior to the date and time that the request was received by the

Agent/Broker from the Insured, except when contractual coverage exists automatically under the policy and notice is given within the time permitted. A permissible policy change is in effect as of the time and date requested

### C. Midterm Policy Change Premium Calculation

In regard to the period licensed, the period since the date of an accident, the rating is always based on the position as at the effective date of the policy period, (or, in the case of a subsequent addition of a driver or addition of a vehicle as at the addition date). Midterm rerating is NOT permissible in respect of changes that occur in regard to those matters during the period of insurance merely because of the lapse of time. Midterm change due to age is permissible, provided a request is received by the Servicing Carrier within 30 days of the birthday. If the request is received after 30 days, then the change will be effective at 12:01 a.m. following the date the Servicing Carrier receives the request, and back dating will not be permissible.

#### Rates to be used

##### Addition of a coverage or other midterm transactions:

Rates in effect at the start of the policy period.

##### Method of premium calculation:

Premiums for midterm policy changes are calculated (pro-rata) by using the Day Table.

##### Minimum premiums for midterm changes:

A minimum additional premium of \$5 shall be charged for any transaction that includes one or more of the following, regardless of the period of insurance:

- addition of a partner, officer, employee or agent
- addition of hired automobiles or automobiles operated under contract
- increase of a Liability limit

**Note 1:** Any additional premium of **less** than \$5 may be waived by the Servicing Carrier unless mentioned above. Return premiums may not be waived.

## Rule 816: Renewals

### A. Before issuing a Renewal:

Renewals on policies shall only be offered for annual or six month terms.

### B. Renewal Processing

#### 1. Other than Direct Billing

##### Servicing Carrier Responsibilities

The renewal documents shall be issued by the Servicing Carrier and must reach the Agent/Broker's address no later than 45 days prior to the policy's current expiry date.

### Agent/Broker Responsibilities

Before releasing any renewal documents the Agent/Broker must collect or assume responsibility for the full renewal premium. If the Servicing Carrier is unable to issue renewals in the required time period, the Agent/Broker must collect a downpayment based on the estimated annual premium for the upcoming renewal term.

**or**

Obtain a fully completed premium finance contract together with the full downpayment required and promptly send that contract to the premium finance company.

### Renewal not accepted

If the renewal is not accepted by the Insured, the Agent/Broker must submit one of the following acceptable evidence of renewal refusal to the Servicing Carrier:

- a) Return all the renewal documents (including liability cards) to the Servicing Carrier;  
OR
- b) Written confirmation that the renewal has been returned complete with liability cards to the Agent/Broker AND that the documents were destroyed in the Agent/Broker's office;  
OR
- c) Provide a signed (i.e. written, electronic or auto signature) request from the Insured to cancel the policy effective the renewal date.

If the evidence of renewal refusal is received by the Servicing Carrier within 15 days of the renewal's effective date, a full refund shall be credited to the Agent's/Broker's Facility Association account. If evidence of renewal refusal is not received within 15 days, the renewal shall be cancelled on a pro rata basis effective the date it is received by the Servicing Carrier. The Agent/Broker shall be responsible for earned premium or minimum retained premium whichever is greater.

Renewals where acceptable evidence of refusal has been submitted to the Servicing Carrier for cancellation may not be reissued unless the Servicing Carrier receives instructions no later than the renewal's effective date and the Agent/Broker collects or assumes responsibility for the full premium as outlined above.

If the renewal date has passed and the insurance is again required, there must be a new application and a new policy issued.

NOTE: Any risk where abusive or threatening behaviour of the Insured/Applicant/Driver within the previous 3 years has created a safety concern for Facility Association staff, Servicing Carrier staff or a representative acting on behalf of either and circumstances have been reported to police shall be non-renewed.

### 2. Direct Billing Renewals

#### Servicing Carrier Responsibilities

- a) For each policy an offer to renew shall be issued by the Servicing Carrier. The offer to renew must reach the Insured's last known address no later than 30 days prior to the policy's current expiry date.

- b) The payment due date must be clearly indicated on the offer to renew and must be the same as the policy's current expiry date.
- c) If the required premium is received by the Servicing Carrier no later than 15 days after the payment due date, the Servicing Carrier shall promptly issue the appropriate renewal documents to the Insured.
- d) The renewal documents must not be released by the Servicing Carrier until the full premium is received or the required first payment is received on time by the Servicing Carrier (by first payment due date if a deferred premium payment plan is available). If this rule is followed, neither the Carrier nor the Agent/Broker incurs any responsibility for the premium. If the Servicing Carrier follows any other unauthorized procedure, the Servicing Carrier will be responsible for the earned premium for the time on risk calculated on a pro rata basis and will be required to stop offering a Direct Bill option.

#### Payment Not Received

If the required payment is not received by the Servicing Carrier within 15 days of the payment due date, the policy shall be treated as though it has expired and the Servicing Carrier shall advise the Agent/Broker accordingly within the following 10 days.

## Rule 817: Cancellations

### A. Midterm Cancellation - Effective Date

#### 1. Received by Agent/Broker or Servicing Carrier within 30 days

If the request for midterm cancellation is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) within 30 days of the date the cancellation is to be effected, and no effective time is requested, the cancellation shall take effect at 12:01 a.m. on the date it was requested to be effective. In the event that the cancellation was specifically requested to be effective at a time other than 12:01 a.m., the cancellation shall be effected at 12:01 a.m. the following day.

*For example:* The Insured requests cancellation of the policy to be effective August 5. The cancellation request is received by the Agent/Broker on August 20. The Servicing Carrier shall cancel the policy effective 12:01 a.m. August 5. If the Insured requested cancellation to be effective at 3:40 p.m. on August 5, the Servicing Carrier shall cancel the policy effective 12:01 a.m. on August 6.

Note: For Flat cancellations of renewals, refer to Rule 817:C.4.

#### 2. Received by Agent/Broker or Servicing Carrier after 30 days

If the request for cancellation is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured) more than 30 days after the date the cancellation was requested to be effected, the cancellation shall take effect at 12:01 a.m. on the

date that the cancellation request is received by the Agent/Broker (or Servicing Carrier if received directly from the Insured).

*For example:* The Insured requests cancellation of the policy to be effective September 5. The cancellation request is received by the Agent/Broker on October 10. The Servicing Carrier shall cancel the policy effective 12:01 a.m. October 10.

NOTE for 1. and 2.

If the date the request was received by the Agent/Broker is not evident, the Agent/Broker will be asked to provide proof of the date received acceptable to the Servicing Carrier. If proof cannot be provided, the request will be processed effective 12:01 a.m. on the date received by the Servicing Carrier.

### 3. Coverage placed in Voluntary Market

In the event the Insured has placed coverage through the voluntary market, upon receipt of a copy of the replacing policy application, the Servicing Carrier shall cancel the policy effective the date that the replacement coverage took effect.

Servicing Carriers shall proceed with cancellation as outlined in points 1 or 2 unless the Servicing Carrier is aware or is made aware, that the circumstances outlined in point 3 exists.

### B. Policy is Financed Through a Premium Finance Company

If a return premium is payable on a policy financed with a premium finance company, the gross refund is to be sent directly to the premium finance company regardless of the reason for cancellation. The Agent's/Broker's account shall be debited with the amount of the premium refund sent to the premium finance company.

### C. Cancellation – Procedures

**1. Cancellation at the request of the Insured or the Premium Finance Company – Broker Bill & Direct Bill**  
Cancellation requested by the Insured or the premium finance company under power of attorney must be made in writing in a format suitable to the Servicing Carrier.

Facility Association shall accept faxed signed and dated cancellation requests.

#### The return premium shall be calculated as follows:

For POL 6 (Non-Owned Automobile Policy) being placed in the voluntary market, calculate on a pro rata basis using the Day Table subject to any applicable minimum retained premium

For POL 6 (Non-Owned Automobile Policy) not being placed in the voluntary market, use Short Term Table No. 1 or No. 2 subject to any applicable minimum retained premium.

If the policy is on Broker Bill, the Servicing Carrier shall credit the Agent's/Broker's account with the unearned premium refundable unless the premium is financed through a premium finance company.

## 2. Cancellation at the request of the Agent/Broker – Broker Bill

### When additional premium cannot be collected on original quote

If the Agent/Broker cannot collect the additional premium arising from an increase to the premium originally quoted for new business:

- a) The Agent/Broker must advise the Servicing Carrier of the amount of premium collected including service fee and tax and request that a notice of cancellation be issued to the Insured,
- or**
- b) The Agent/Broker must have the policy signed off. Facility Association shall accept faxed signed cancellation requests.

If the Agent/Broker reports non-payment of the additional premium within 30 days of receiving notice of those increases, the earned premium for cancellation shall be calculated pro rata on the Agent's/Broker's originally quoted premium. Otherwise, the earned premium shall be calculated pro rata on the revised premium. If a subsequent application is submitted by the same Agent/Broker to the same Servicing Carrier for substantially the same risk within 30 days of the effective date of cancellation of the first policy and, the Agent/Broker reports non-payment of additional premium, the earned premium shall be calculated pro rata on the revised premium.

Note: For policies for which premium is paid direct to the Servicing Carrier and the Carrier initiates cancellation the words 'agent/broker' will be read to mean Servicing Carrier.

### When outstanding premium cannot be collected in all other cases

#### Agent/Broker Responsibilities

If cancellation of a policy is requested by the Agent/Broker due to inability to collect the full policy/renewal premium or a subsequent additional premium, the Agent/Broker will be responsible for the time on risk charge which will be pro rata of the full premium.

The Agent/Broker must advise the Servicing Carrier of the amount of premium collected (including service fee and provincial sales tax) and request that a notice of cancellation be issued to the Insured.

#### Servicing Carrier Responsibilities

The Servicing Carrier shall promptly issue a registered notice of cancellation in accordance with the Statutory Conditions. The earned premium for cancellation shall be calculated pro rata on the full term premium at the time of cancellation.

When the Servicing Carrier issues a registered letter of cancellation, any unearned premium shall be refunded directly to the Insured (unless the policy is financed through a premium finance company) and the Agent's/Broker's account shall be debited for the amount of the refund and credited for the unearned premium.

## 3. Cancellation of Late Issued Renewals

If the Servicing Carrier is unable to issue renewals in the required time period, the Agent/Broker must collect a downpayment based on the estimated annual premium (or the estimated semi-annual premium for 6 month policies) for the upcoming renewal term.

### Once the renewal is issued

If the Insured does not accept the renewal premium, the Agent/Broker shall advise the Servicing Carrier of the amount of premium collected and request that notice of cancellation be issued to the Insured **or** shall have the Insured sign off the policy.

The Servicing Carrier shall then issue a registered letter of cancellation in accordance with the Statutory Conditions or issue the necessary cancellation documents. The earned premium shall be calculated pro rata based on the previous term premium.

## 4. Flat Cancellation

### New Policy

Flat cancellation of a new policy is not allowed except as provided under Rule 817: Flat Cancellation Exceptions.

### Additional Premium Policy Change

Flat cancellation of an additional premium policy change is not allowed.

### Renewal

If evidence of renewal refusal is supplied by the Agent/Broker (per Rule 816) is received by the Servicing Carrier within 15 days of the renewal's effective date, a full refund shall be credited to the Agent's/Broker's Facility Association account. If evidence of renewal refusal is not received within 15 days, the renewal shall be cancelled on a pro rata basis effective the date it is received by the Servicing Carrier and the Agent/Broker shall be responsible for earned premium. A written request acceptable to the Servicing Carrier, for cancellation effective renewal date shall be accepted in lieu of evidence of renewal refusal.

## 5. Cancellation of Renewals in Outlying Areas

No longer applicable.

## 6. Flat Cancellation Exceptions

1. Any complete policy returned to the Servicing Carrier, prior to the effective date of the policy, may be cancelled flat.
2. Any policy returned to the Agent/Broker complete with liability cards and destroyed in the Agent/Broker's office, with written confirmation from the Agent/Broker provided to the Servicing Carrier, prior to the effective date of the policy, may be cancelled flat.
3. If a cheque or electronic payment received for a new policy or renewal premium or, for the first instalment is not honoured by the financial institution, flat cancellation shall be allowed to the Agent/Broker provided that:

- a) The cheque was dated and issued on or before the effective date of the policy period concerned or the electronic payment was made on or before the effective date of the policy period concerned;  
and
- b) The cheque was immediately deposited;  
and
- c) In the case of a first instalment, the amount of the cheque or electronic payment was sufficient to cover the full down payment required under the terms of the contract if financed with a premium finance company;  
and
- d) The return of the cheque by the financial institution or dishonour of the electronic payment is promptly reported to the Servicing Carrier. A copy of the cheque front and back must be provided to the Servicing Carrier.

**However, on the registered letter of cancellation to the Insured, the Servicing Carrier shall request payment of the full pro rata time on risk charge.**

#### **7. Cancellation initiated by the Servicing Carrier Non-Payment – Direct Bill**

If premiums are paid directly to the Servicing Carrier, the Servicing Carrier may cancel an insurance policy for non-payment of premium. The earned premium shall be calculated pro rata.

#### **Other Circumstances**

The Servicing Carrier may not otherwise cancel an insurance policy unless approval of such action is contained elsewhere in this manual or is obtained in the manner prescribed by the Association's Board of Directors.

### **D. Refund Calculation**

#### **1. Insured's Request**

For a policy cancellation requested by or on behalf of the Insured (e.g. requested by a premium finance company) the premium refund shall be calculated in accordance with the Short Term Tables, unless a pro rata cancellation is being allowed because the risk is being placed in the voluntary market.

#### **2. Any Other Reason**

Where the policy is being cancelled for any other reason (e.g. by registered letter) the premium refund shall be calculated on a pro rata basis using the Day Table.

## **Rule 818: Time on Risk Tables**

### **A. Pro Rata**

#### **Calculation for Endorsements & Cancellations**

Using the Day Table on the next page:

1. Determine the factor that corresponds to the policy's expiry month and day. For example March 26 is .233. Express the policy's expiry date in a decimal format by combining the year and the factor. March 26, 1999 would become 1999.233.
2. Determine the factor that corresponds to the effective date of the policy change or cancellation and express that date in a decimal format. If the effective date of policy change is November 20, 1998 that would be expressed as 1998.888. Note that if the effective date of change or cancellation is February 29, it should be treated as February 28.
3. Subtract the second number from the first.  
Policy expiry date 1999.233  
Policy change date 1998.888  
Refund/change factor .345
4. Where the policy is a six month policy, double the refund/change factor.
5. For a policy cancellation, the refund is calculated by multiplying the policy premium as of the cancellation date by the refund/change factor. The policy premium is the full term premium for the coverage in force at the time of cancellation. Minimum retained premium must be taken into consideration.
6. For a policy change, the additional/return premium is obtained by multiplying the full term premium for the change by the refund/change factor.

B. (Pro Rata) Day Table

**C. Short Term Tables**

For a policy cancellation use Short Term Table No. 1 or No. 2.  
For a short term policy, use Short Term Table No. 1.

**Cancellation requested by or on behalf of Insured**

1. Referring to the Day Table, calculate the number of days the policy has been in force.
2. Referring to Table No. 1 (in the case of an annual policy) or Table No. 2 (in the case of a six month policy), determine the 'percentage of premium'.
3. Subtract that percentage from 100% to determine the 'refund percentage'.
4. Apply the refund percentage to the full term policy premium as at the cancellation date. Minimum retained premium must be taken into consideration.

**Calculating premium for a Short Term policy:**

1. Referring to the Day Table, calculate the number of days the policy has been in force.
2. Referring to Table No. 1, determine the 'percentage of premium'.
3. Apply that percentage to the annual premium. Minimum retained premium must be taken into consideration.

SHORT TERM TABLE No. 1				SHORT TERM TABLE No. 2

## Rule 819: Reinstatements

### A. A policy may only be reinstated if:

- a) The Servicing Carrier receives instructions not later than the day before the cancellation takes effect. This includes instructions from a premium finance company. Where the Agent/ Broker has not forwarded payments to a premium finance company, the policy cannot be reinstated. Cancellation takes effect at 12:01 a.m. e.g. If the policy is to be cancelled effective July 1, the request for reinstatement must be received by the Servicing Carrier before midnight June 30. If the cancellation has taken effect, the policy cannot be reinstated and a new application must be completed. Any unpaid earned premium under the policy due to the Servicing Carrier must be paid with the new application.
- b) The policy was cancelled for non-payment, and the full required premium is received (by cash, money order or certified cheque from the Insured) or there is written confirmation from the Agent/Broker assuming full responsibility for that premium. Where a refund cheque accompanied the registered letter, the amount of the refund cheque must also be obtained from the Insured (by cash, money order or certified cheque) or the Agent/Broker shall assume full responsibility for that amount.

### B. When a policy is reinstated

When a policy is reinstated, the Servicing Carrier shall issue a notice of reinstatement.

## Rule 820: Service Fee Schedule (Commission)

NOTE: An explanation of service fee follows this schedule.

	Individually Rated	Cap
Non-owned	10%	none

## Rule 821: Service Fee

Facility Association premiums are published on a net of commission basis. Agents/Brokers are compensated by means of a service fee. The service fee is subject to a maximum amount (cap) per vehicle in most circumstances. The service fee is legally a part of every premium. Premium is the net premium plus service fee. For POL 6 (Non-Owned Automobile Policy), the fee is charged on a per policy basis including the premium for applicable policy changes and is not subject to a cap. Refer to Rule 820: Service Fee Schedule.

The service fee must be shown on the application (in the Additional Charges Column if possible) as 'Facility Association Service Fee' and must be added to the net premium to produce the total policy premium.

The policy documents for all premium transactions must show the net premium, 'Facility Association Service Fee' and total amount payable. Every registered notice/letter of cancellation must show the earned premium, earned service fee and applicable provincial sales tax.

### A. Broker Bill

At the time of binding an application for insurance, the Agent/Broker shall calculate the service fee. When the policy is issued or an additional premium policy change is issued, the Servicing Carrier shall debit the Agent's/Broker's account with the net premium amount. The fee shall not appear on the statement as an amount payable. The Agent/Broker remits the premium only to the Servicing Carrier and retains the fee. When the Insured requests that the policy be cancelled, or that a coverage be deleted, the Servicing Carrier shall credit the Agent's/Broker's account with the unearned premium and it is the Agent's/Broker's responsibility to refund the unearned service fee and applicable provincial sales tax.

Where the Agent/Broker is requesting cancellation by registered letter for non-payment, it is the Agent's/Broker's responsibility to inform the Servicing Carrier of the amount of premium including service fee and provincial sales tax collected from the Insured. Failure to do so may make the cancellation null and void and will leave the Agent/Broker open to an errors and omissions risk. When issuing the registered letter, the Servicing Carrier must refund the unearned portion of the premium to the Insured including the unearned service fee and applicable provincial sales tax. Failure to do so would make the cancellation null and void. The Servicing Carrier shall then debit the Agent's/Broker's statement for the unearned premium, service fee and provincial sales tax refunded to the Insured.

### B. Service Fee Calculation on Policy Changes

At the time of binding an application for insurance, the Agent/Broker shall calculate the service fee. When the policy is issued or an additional premium policy change is issued, the Servicing Carrier shall credit Agent's/Broker's account with the service fee. The Servicing Carrier shall pay the Agent/Broker the credited service fee within 30 days of the accounting month's close. When the Insured requests that a policy be cancelled, or that a coverage be deleted, or the Servicing Carrier is required to cancel the policy for non-payment, the unearned service fee shall be debited to the Agent's/Broker's account. The Agent/Broker must pay the Servicing Carrier the

amount of debited service fee within 30 days of the accounting month's close.

### C. Collection of Charges in Excess of Service Fee

The collection of any fee or additional charge in excess of the service fee is expressly forbidden. The Agency-Broker/ Servicing Carrier Agreement states in note 3 of Exhibit A 'No other additional fee for service may be charged'. To charge an additional fee would constitute a breach of the agreement. In addition, the law requires that Facility Association rates must be those filed with and approved by the Financial Services Commission of Ontario and that Agents/ Brokers comply with the Facility Association Plan.

The definition of 'rate' like 'premium' includes any commission or fees and an Agent/Broker who collects an additional charge on a Facility Association policy is in contravention of the Act.

## Rule 822: Endorsements Applicable To POL 6 (Non-Owned Automobile Policy)

- 90: Limitation to Operation of Automobiles by Partners Officers and Employees**  
Used when the insurance is to apply only to automobiles driven by partners, officers and employees (i.e. no agents and no 'hired automobiles' or automobiles operated under contract). The classes concerned (A1/A2/B) are to be specified in the endorsement.
- 91: Limitation to Operation of Automobiles by Named Persons**  
Used when the insurance is to apply only to automobiles driven by the persons whose names, occupations and locations are specified in the endorsement.
- 92: Limitation to Hired Automobiles and Automobiles Operated Under Contract**  
Used when the insurance is to apply only to 'hired automobiles' and/or automobiles operated under contract.
- 93: Limitation to Automobiles Owned by Named Persons**  
Used when the insurance is to apply only to the operation of automobiles owned by the persons, firms or corporations whose names and addresses are specified in the endorsement.

- 94: Legal Liability for Damage to Hired Automobiles**  
Used when the insurance is to be extended to cover the Insured's legal liability for damage to hired automobiles arising from Collision and/or Comprehensive / Specified Perils. See Rule 811: Rating.
- 95: Limitation to Business Conducted at Specified Locations**  
Used when the insurance is to apply only to the use of automobiles in connection with the Insured's specified business locations.
- 96: Contractual Liability**  
Used when the policy's exclusion of liability assumed under any contract or agreement is to be deleted in respect of specified contracts; the dates of the contracts and the names of the contracting parties to be specified. See Rule 811: Rating.
- 97: Operation by Individual Named Insured**  
Used if the named Insured is an individual and coverage is to be provided in respect of the operation by the Insured, in the business of the Insured, of a non-owned automobile to which the insurance relates.
- The endorsement also extends the coverage provided by END 94.
- If the endorsement is required, it is necessary for full details of the risk to be submitted to the Servicing Carrier so that the appropriate premium(s) may be assessed.
- 98: Excluding Automobiles Driven by Named Persons**  
Used when it is required to exclude coverage in respect of automobiles driven by specific named persons.
- 98B: Reduction of coverage for lessees or drivers of leased vehicles endorsement**  
This endorsement provides that coverage for lessees or drivers of leased and rented vehicles is excess to any coverage the renter or driver has available to respond to the claim. Must be added to all POL 6.
- 99: Excluding Long Term Leased Vehicle**  
Applicable to insurance in respect of hired automobiles and must be used when the automobiles are hired without drivers. The insurance is provided in respect of non-owned automobiles, that are hired or leased with drivers or that are hired or leased *without* drivers for periods not exceeding 30 days. See Rule 805: Definitions.
- 100: Alteration**  
Used by the Servicing Carrier to record a change of the information provided on the application form and the change (if any) of the policy premium.

## Rule 823: Territories

Stat Code 760

**A. GREY-BRUCE DISTRICT**

- i) The City of Owen Sound, the Towns of Blue Mountain, Chesley, Durham, Hanover, Meaford, Saugeen Shores, Shelburne
- ii) The entire Counties of Bruce and Grey
- iii) The County of Dufferin, excluding the Town of Orangeville

**B. LAKE SIMCOE DISTRICT**

- i) The Cities of Barrie, Orillia, the Towns of Bradford, West Gwillimbury, Collingwood, East Gwillimbury, Georgina, Innisfil, Midland, New Tecumseth, Penetanguishene, Wasaga Beach
- ii) The County of Simcoe
- iii) The part of the Regional Municipality of York consisting of the Towns of East Gwillimbury and Georgina and part of the Township of King north of Highway 9
- iv) The part of the Regional Municipality of Durham consisting of the Township of Brock, the part of the Township of Scugog north of Highway 47 on a line east to Lake Scugog and the Scott portion of the Township of Uxbridge

**C. PARRY SOUND, MUSKOKA, HALIBURTON DISTRICT**

- i) The Towns of Bracebridge, Gravenhurst, Huntsville, Kearney, Parry Sound, Powassan, Trout Creek
- ii) The part of the District of Parry Sound, excluding the Township of North Himsforth
- iii) The entire District Municipality of Muskoka
- iv) The entire County of Haliburton

**TERRITORY 7**

Stat Code 770

**A. PETERBOROUGH, LINDSAY, PORT HOPE, COBOURG, TRENTON, BELLEVILLE, KINGSTON DISTRICTS**

- i) The Cities of Kingston, Peterborough and the former Cities of Belleville, Trenton, the Towns of Cobourg, Lindsay and Port Hope
- ii) Peterborough District – The part of the County of Peterborough consisting of the City of Peterborough and the Village of Lakefield
- iii) Lindsay District – The part of the County of Victoria consisting of the Town of Lindsay
- iv) Cobourg –Port Hope District – The part of the County of Northumberland consisting of the Towns of Cobourg and Port Hope
- v) Belleville-Trenton District – The part of the County of Hastings consisting of the City of Quinte West (former Cities of Belleville and Trenton portions only) and the part of the former Townships of Sidney and Thurlow south of Highway 401
- vi) Kingston District – The part of the County of Frontenac consisting of the City of Kingston and the parts of the former Townships of Kingston and Pittsburg south of Highway 401

**B. LAKE ONTARIO-KARWATHA LAKES DISTRICT**

- i) The Towns of Deseronto, Greater Napanee
- ii) The entire Counties of Lennox, Addington and Prince Edward
- iii) The part of the County of Victoria excluding the Lindsay District
- iv) The part of the County of Peterborough excluding the Peterborough District
- v) The part of the County of Northumberland excluding the Cobourg-Port Hope District
- vi) The part of the County of Hastings excluding the Belleville-Trenton District
- vii) The part of the County of Frontenac excluding the Kingston District

**TERRITORY 8**

Stat Code 780

**CORNWALL DISTRICT**

- i) The Cities of Cornwall, Clarence, Rockland and the Town of Hawkesbury
- ii) The entire United Counties of Prescott and Russell
- iii) The Glengarry and Stormont portions of the United Counties of Stormont, Dundas and Glengarry

**TERRITORY 9**

Stat Code 791

**A. SUDBURY CITY DISTRICT**

The entire Regional Municipality of Sudbury

**B. NORTHEASTERN ONTARIO SAULT STE MARIE MANITOULIN DISTRICT**

- i) The Cities of Sault Ste Marie, Timmins, the Towns of Blind River, Bruce Mines, Charlton, Cobalt, Cochrane, Elliot Lake, Englehart, Espanola, French River, Gore Bay, Haileybury, Hearst, Iroquois Falls, Kapuskasing, Kirkland Lake, Latchford, Mattawa, New Liskeard, Northeastern Manitoulin and the Islands, Smooth Rock Falls, Temagami, Thessalon, West Nipissing
- ii) The entire Districts of Algoma, Cochrane, Manitoulin, Sudbury (excluding Sudbury Regional Municipality) and Timiskaming
- iii) The part of the District of Nipissing excluding North Bay District

**TERRITORY 10**

Stat Code 702

**A. NORTH BAY DISTRICT**

The City of North Bay and the Townships of East Ferris and North Himsforth

**B. THUNDER BAY DISTRICT**

- i) The City of Thunder Bay
- ii) The Townships of Oliver, Paipoonge and Shuniah (McGregor portion)
- iii) The geographic Township of Gorham

**TERRITORY 11**

Stat Code 722

**NORTHWESTERN ONTARIO**

- i) The City of Dryden, the Towns of Fort Frances, Geraldton, Jaffray Melick, Keewatin, Kenora, Longlac, Marathon, Rainy River, Sioux Lookout
- ii) The entire Districts of Kenora and Rainy River
- iii) The part of the District of Thunder Bay excluding the Thunder Bay District

**TERRITORY 12**

Stat Code 708

**NIAGARA FALLS DISTRICT**

The part of the Regional Municipality of Niagara consisting of the City of Niagara Falls and the Town of Fort Erie

**TERRITORY 13**

Stat Code 718

**WINDSOR DISTRICT**

- i) The City of Windsor, the Towns of Amherstburg (excluding the former Malden Township portion), Colchester, Essex, Harrow (former Town of Essex portion only), LaSalle, Tecumseh, the Township of Lakeshore
- ii) The villages on the boundaries of the district

**TERRITORY 14**

Stat Code 706

**BRANTFORD, GUELPH, KITCHENER, WATERLOO, CAMBRIDGE DISTRICTS**

- i) The Cities of Brantford, Guelph, Cambridge, Kitchener, Waterloo, the Town of Erin
- ii) The part of the Regional Municipality of Waterloo consisting of the Cities of Cambridge, Kitchener, Waterloo and the Townships of North Dumfries and Woolwich (Waterloo portion only)
- iii) The part of the County of Brant consisting of the City of Brantford, the former Town of Paris and the former Townships of Brantford, Oakland, Onondaga, South Dumfries and the Six Nations Indian Reserve (Tuscarora)
- iv) The part of the County of Wellington consisting of the City of Guelph, the Town of Erin and the Townships of Guelph, Eramosa and Puslinch
- v) The villages on the boundaries of the district

**TERRITORY 15**

Stat Code 713

**ST. CATHARINES – LINCOLN DISTRICT**

- i) The Cities of St. Catharines, Port Colborne, Thorold, Welland and the Towns of Grimsby, Lincoln, Niagara-on-the-Lake, Pelham
- ii) The part of the Regional Municipality of Niagara excluding the Niagara Falls District

**TERRITORY 16**

Stat Code 707

**LONDON DISTRICT**

- i) The City of London excluding the part of the former Township of London on and north of the road between the 10<sup>th</sup> and 11<sup>th</sup> concessions
- ii) The towns and villages on the boundaries of the district

**TERRITORY 17**

Stat Code 728

**SARNIA DISTRICT**

- i) The City of Sarnia and the Village of Point Edward
- ii) The part of the County of Lambton consisting of the City of Sarnia, the Village of Point Edward and the part of the Township of Moore on and north of Highway 80 and west of Highway 40 (east part dividing lots 24 and 25)
- iii) The towns and villages on the boundaries of the district

**TERRITORY 18**

Stat Code 751

**STRATFORD WOODSTOCK LAKE HURON DISTRICT**

- i) The Cities of Stratford, Woodstock, the Towns of Clinton, Exeter, Fergus, Forest, Goderich, Ingersoll, Minto, Mount Forest, North Perth, Parkhill, Petrolia, St. Mary's, Seaforth, Strathroy, Tillsonburg, Wingham
- ii) The entire Counties of Huron, Oxford and Perth
- iii) The part of the County of Brant consisting of the former Township of Burford
- iv) The County of Lambton, excluding Sarnia District
- v) The County of Middlesex excluding the London District
- vi) The part of the Regional Municipality of Waterloo consisting of the Towns of Fergus and Minto, the Village of Arthur and the Townships of Arthur, Centre Wellington, Mapleton, Maryborough, Mount Forest, Arthur, West Luther, Nichol, Pilkington and West Garafraxa

**TERRITORY 19**

Stat Code 771

**A. SOUTHEASTERN COUNTIES DISTRICT**

- i) The City of Brockville and the Towns of Gananoque and Prescott
- ii) The Village of Morrisburg
- iii) The entire United Counties of Leeds and Grenville
- iv) The Dundas portion of the United Counties of Stormont, Dundas and Glengarry
- v) The part of the Regional Municipality of Ottawa-Carleton excluding the Ottawa District

**B. LANARK-UPPER OTTAWA DISTRICT**

- i) The City of Pembroke, the Towns of Arnprior, Carleton Place, Deep River, Mississippi Mills, Perth, Petawawa, Renfrew, Smiths Falls
- ii) The entire Counties of Lanark and Renfrew

**C. Location Directory**

This ‘Directory’ lists certain cities, towns, etc. alphabetically and shows the County, District or Regional Municipality in which each is located and the applicable Rating Territory and Statistical Location Code. For places not listed refer to the complete territory descriptions on the preceding pages.
